RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))

1. INTRODUCTION

1. Non-domestic rating and council tax and the funding of local authorities.

For each financial year¹, major precepting authorities² and local precepting authorities³ issue to billing authorities⁴ precepts, which state the amount payable to them by the billing authority on the basis of calculations made by the precepting authority as its budget requirement for the year⁵.

The non-domestic rating of hereditaments⁶ and council tax⁷ are the principal means whereby a billing authority obtains monies from occupiers and owners of properties in its area⁸. Sums collected by a billing authority for council tax and non-domestic rating of hereditaments in the local non-domestic rating list⁹ must be paid, in England, into the collection fund of that authority¹⁰ and, in Wales, into the council fund of that authority¹¹. Non-domestic rates payable on hereditaments in the central non-domestic rating list¹² are collected by the Secretary of State or, in Wales, by the Welsh Ministers¹³. Non-domestic rates collected by billing authorities are pooled and placed in a non-domestic rating account held by the Secretary of State or the Welsh Ministers¹⁴, who determine the collection and distribution of such funds in accordance with statutory provisions¹⁵.

1 For these purposes, 'financial year' means any period of 12 months beginning with 1 April: see the Local Government Finance Act 1988 s 145(3); and the Local Government Finance Act 1992 s 116(1). However, for the purposes of the Local Government Finance Act 1992 Pt I (ss 1-69) (as amended) (see PARA 227 et seq post), 'financial year', except in references to earlier or preceding financial years, does not include the financial year beginning in 1992 or earlier financial years: s 69(1).

2 'Major precepting authority' has the same meaning in the Local Government Finance Act 1988 as in the Local Government Finance Act 1992 Pt I (as amended) (see PARA 227 et seq post): see the Local Government Finance Act 1988 s 144(2) (substituted by the Local Government Finance Act 1992 s 117(1), Sch 13 para 81(1)). Each of the following is a major precepting authority for the purposes of the Local Government Finance Act 1992 Pt I (as amended), namely:

- 1 (1) a county council in England (s 39(1)(a) (amended by the Local Government (Wales) Act 1994 s 35(6)));
- 2 (2) the Greater London Authority (Local Government Finance Act 1992 s 39(1)(aa) (added by the Greater London Authority Act 1999 s 82(1), (2)));
- 3 (3) a police authority established under the Police Act 1996 s 3 (Local Government Finance Act 1992 s 39(1)(b) (substituted by the Police and Magistrates' Courts Act 1994 s 27(1); and amended by the Police Act 1996 s 103(1), Sch 7 para 1));
- 4 (4) a metropolitan county fire and rescue authority (Local Government Finance Act 1992 s 39(1)(d) (amended by the Civil Contingencies Act 2004 s 32(1), Sch 2 Pt 1 paras 10(1), (2)));
- 5 (5) a fire and rescue authority in England constituted by a scheme under the Fire and Rescue Services Act 2004 s 2 or a scheme to which s 4 applies (Local Government Finance Act 1992 s 39(1)(da) (added by the Local Government Act 2003 s 83(1); substituted by the Fire and Rescue Services Act 2004 s 53(1), Sch 1 para 81)).

The National Assembly for Wales may by order amend the Local Government Finance Act 1992 s 39(1)(da) (as added and substituted) for the purpose of extending the provision to fire and rescue authorities in Wales: Local Government Act 2003 s 83(2) (amended by the Fire and Rescue Services Act 2004 (Consequential Amendments) (Wales) Order 2005, SI 2005/2929, art 2). However, before making an order under the Local Government Act 2003 s 83(2) (as amended), the National Assembly for Wales must consult such bodies or persons appearing to it to be representative of the interests of local government in Wales, and such other bodies or persons, as it may consider appropriate: s 83(3).

At the date at which this volume states the law, no such order had been made.

In any Act, unless the contrary intention appears, 'England' means, subject to any alteration of boundaries of local government areas, the area consisting of the counties established by the Local Government Act 1972 s 1 (see LOCAL GOVERNMENT vol 69 (2009) PARAS 5, 24), Greater London and the Isles of Scilly: Interpretation Act 1978 Sch 1. 'Wales' means the combined area of the counties which were created by the Local Government Act 1972 s 20 (as originally enacted) (see LOCAL GOVERNMENT vol 69 (2009) PARAS 5, 37), but subject to any alteration made under s 73 (as amended) (consequential alteration of boundary following alteration of watercourse: see LOCAL GOVERNMENT vol 69 (2009) PARA 90): Interpretation Act 1978 Sch 1 (definition substituted by the Local Government (Wales) Act 1994 s 1(3), Sch 2 para 9). As to local government areas see LOCAL GOVERNMENT vol 69 (2009) PARA 22 et seq; and as to boundary changes see LOCAL GOVERNMENT vol 69 (2009) PARA 56 et seq. As to Greater London see LONDON GOVERNMENT vol 29(2) (Reissue) PARA 29; and as to the Greater London Authority see LONDON GOVERNMENT vol 29(2) (Reissue) PARA 79 et seq. As to Scotland see further CONSTITUTIONAL LAW AND HUMAN RIGHTS vol 8(2) (Reissue) PARA 51 et seq. As to fire and rescue authorities see FIRE SERVICES; LOCAL GOVERNMENT vol 69 (2009) PARA 48. As to police authorities established under the Police Act 1996 s 3 see POLICE vol 36(1) (2007 Reissue) PARA 139.

3 'Local precepting authority' has the same meaning in the Local Government Finance Act 1988 as in the Local Government Finance Act 1992 Pt I (as amended) (see PARA 227 et seq post): see the Local Government Finance Act 1988 s 144(2) (as substituted: see note 2 supra). Each of the following is a local precepting authority for the purposes of the Local Government Finance Act 1992 Pt I (as amended), namely: (1) the sub-treasurer of the Inner Temple (s 39(2)(a)); (2) the under-treasurer of the Middle Temple (s 39(2)(b)); (3) a parish or community council (s 39(2)(c)); (4) the chairman of a parish meeting (s 39(2)(d)); and (5) charter trustees (s 39(2)(e)). As to charter trustees see LOCAL GOVERNMENT vol 69 (2009) PARA 113. As to community councils in Wales see LOCAL GOVERNMENT vol 69 (2009) PARA 41 et seq. As to the Inner and Middle Temple see LONDON GOVERNMENT vol 29(2) (Reissue) PARA 32. As to parish councils and parish meetings in England see LOCAL GOVERNMENT vol 69 (2009) PARA 27 et seq.

4 The billing authorities are generally the principal local authorities: for the purposes of non-domestic rating see PARA 5 post; and for the purposes of council tax see PARA 229 post. In relation to Wales, the principal councils created by the Local Government (Wales) Act 1994 (ie the councils elected for a principal area, being either a county or county borough: see LOCAL GOVERNMENT vol 69 (2009) PARA 23) are billing authorities for the purposes of all financial years beginning from 1 April 1996, where 'billing authority' means an authority which is a billing authority for the purposes of the Local Government Finance Act 1992 Pt I (as amended) (council tax) (see PARA 227 et seq post) and the Local Government Finance Act 1988 Pt III (ss 41-67) (as amended) (non-domestic rating) (see PARA 7 et seq post): see the Local Government (Wales) Act 1994 s 35(1), (2). After 31 March 1996, the 'new principal councils' had the same functions in relation to council tax and rating (including non-domestic rating) as the old authorities would have had, both in connection with those matters and in relation to any financial year beginning before 1996, if the old authorities had not been abolished: see s 35(4).

5 As to the issuing of precepts see LOCAL GOVERNMENT vol 29(1) (Reissue) PARA 524 et seq. As to the limitation of precepts issued by authorities see LOCAL GOVERNMENT vol 29(1) (Reissue) PARA 528.

6 As to non-domestic rating see PARA 4 et seq post. For the meaning of 'hereditament' see PARA 33 et seq post.

7 As to council tax see PARA 227 et seq post.

8 As to local government finance generally see LOCAL GOVERNMENT vol 29(1) (Reissue) PARA 514 et seq. The other principal source of income for local authorities (ie apart from non-domestic rating and council tax) comes from central government grants: see LOCAL GOVERNMENT vol 29(1) (Reissue) PARA 531 et seq. As to the special financial provisions applicable to the Greater London Authority see LONDON GOVERNMENT vol 29(2) (Reissue) PARA 233 et seq. See also the Greater London Authority Act 1999 ss 88-89 (as amended), according to which the Greater London Authority makes separate calculations of the amounts of its council tax for the City of London and the remainder of Greater London; and, for the financial year beginning on 1 April 2007, see the Greater London Authority (Allocation of Grants for Precept Calculations) Regulations 2007, SI 2007/321.

9 As to the local non-domestic rating lists see PARA 121 et seq post.

10 Collection funds are established and maintained by billing authorities in England under the Local Government Finance Act 1988 s 89 (as amended): see LOCAL GOVERNMENT vol 29(1) (Reissue) PARA 545 et seq.

11 The provisions of *ibid* Pt VI (ss 89-94) (as amended) (see LOCAL GOVERNMENT vol 29(1) (Reissue) PARA 545 et seq) do not apply to a Welsh county council or county borough council, and council funds are established and maintained by billing authorities in Wales under the Local Government (Wales) Act 1994 s 38 (as amended): see the Local Government Finance Act 1988 s 89A (as added); and LOCAL GOVERNMENT vol 29(1) (Reissue) PARA 547 et seq.

12 As to the central non-domestic rating lists see PARA 125 et seq post.

13 As to the Secretary of State and the Welsh Ministers see PARA 3 post.

14 See the Local Government Finance Act 1988 s 60, Sch 8 (as amended); and note 15 *infra*.

15 *Ibid* Sch 8 (as amended) contains detailed provisions for the keeping of non-domestic rating accounts, the pooling of contributions thereto and the distribution of funds. The Secretary of State must keep a non-domestic rating account for each chargeable financial year and the Treasury may direct the form of each account and when copies of each account are to be sent to auditing authorities: see Sch 8 para 1 (amended by the Government of Wales Act 2006 (Consequential Modifications and Transitional Provisions) Order 2007, SI 2007/1388, art 3, Sch 1 paras 21, 40(1), (2)). As to the Treasury see CONSTITUTIONAL LAW AND HUMAN RIGHTS vol 8(2) (Reissue) PARAS 512-517. Certain items of account must be credited to the account, and others must be debited to the account: see the Local Government Finance Act 1988 Sch 8 paras 2, 3 (Sch 8 para 2 amended by the Local Government and Housing Act 1989 s 139, Sch 5 paras 41, 79(3); the Local Government Finance Act 1992 s 117(1), Sch 13 para 86; and the Local Government Act 2003 s 127(1), Sch 7 paras 9(1), 26(1), (2)).

Billing authorities are required to pay non-domestic rating contributions to the Secretary of State (except where the contribution rules allow for deductions enabling an authority to retain part (or all) of so much of the total payable to it in respect of the year); payments in respect of a provisional amount of contributions are made during the financial year, and final calculations and any adjustments of payments are made after the year ends: see the Local Government Finance Act 1988 Sch 8 Pt II (paras 4-7) (amended by the Local Government and Housing Act 1989 Sch 5 paras 42, 79(3); the Local Government Finance Act 1992 ss 104, 117(2), Sch 10 para 6, Sch 13 para 86(3), Sch 14; the Local Government Act 2003 ss 70(1)-(3), 71(1)-(4), Sch 7 paras 9(1), 26(1), (3); the Public Audit (Wales) Act 2004 s 66, Sch 2 para 8; and the Government of Wales Act 2006 (Consequential Modifications and Transitional Provisions) Order 2007, SI 2007/1388, Sch 1 paras 21, 40(1), (3)). As from a day to be appointed under the Local Government and Public Involvement in Health Act 2007 s 245(5), the Local Government Finance Act 1988 Sch 8 para 5 (as amended) is further amended by the Local Government and Public Involvement in Health Act 2007 ss 146(3), 241, Sch 9 para 1(1), (2)(g), Sch 18 Pt 9. However, at the date at which this volume states the law, no such day had been appointed. The Local Government Finance Act 1988 Sch 8 para 4(6) (which provides that regulations specifying the basis of calculation of authorities' non-domestic rating contributions must come into force no later than 31 December preceding the financial year to which they relate) does not apply to regulations relating to the year 2008-09: see the Rating (Empty Properties) Act 2007 s 2(1), Sch 1 para 6.

As to the rules for the calculation of non-domestic rating contributions see the Non-Domestic Rating Contributions (England) Regulations 1992, SI 1992/3082 (amended by SI 1992/3259; SI 1993/1496; SI 1993/3082; SI 1994/421; SI 1994/1431; SI 1994/3139; SI 1995/3181; SI 1996/561; SI 1996/3245; SI 1997/3031; SI 1998/3038; SI 1999/3275; SI 2000/3208; SI 2001/3944; SI 2002/3021; SI 2003/3130; SI 2004/3234; SI 2005/3333; SI 2006/3167; SI 2007/3393); and the Non-Domestic Rating Contributions (Wales) Regulations 1992, SI 1992/3238 (amended by SI 1993/1505; SI 1993/3077; SI 1994/547; SI 1994/1742; SI 1994/3125; SI 1995/3235; SI 1996/619; SI 1996/3018; SI 1997/3003; SI 1998/2962; SI 1999/3439; SI 2000/3382; SI 2001/3910; SI 2002/3054; SI 2003/3211; SI 2004/3232; SI 2005/3345; SI 2006/3347; SI 2007/3343). Where an amount becomes payable and has not been paid, it is recoverable in a court of competent jurisdiction: see the Local Government Finance Act 1988 Sch 8 para 7.

As to the provisions relating to distribution see Sch 8 Pt III (paras 8-15) (substituted by the Local Government Finance Act 1992 Sch 10 para 7; amended by the Local Government Act 2003 s 40(1), Sch 2 para 2(1)-(11); the Government of Wales Act 2006 s 160(1), Sch 10 para 21; and the Government of Wales Act 2006 (Consequential Modifications and Transitional Provisions) Order 2007, SI 2007/1388, Sch 1 paras 21, 40(1), (4)-(9)).

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/1. INTRODUCTION/2. Historical background.

2. Historical background.

The modern law of rating and council tax is statutory¹ but, with some aspects of rating law having been carried through into the new legislation, much of the case law decided under earlier rating legislation continues to be relevant to its interpretation and to the understanding of underlying principles².

Prior to 1990, the principal Act was the General Rate Act 1967, which consolidated earlier legislation from the Poor Relief Act 1601 to the Local Government Act 1966³. The 1967 Act imposed liability to rates on occupiers of rateable property and empowered rating authorities to levy rates on unoccupied hereditaments. There was a division of responsibility between rating authorities which set and levied rates, and the valuation officers appointed by the Commissioners for Inland Revenue whose duty it was to prepare and maintain valuation lists for each area.

The General Rate Act 1967 was repealed by the Local Government Finance Act 1988 with effect for financial years beginning on or after 1 April 1990, subject to certain savings⁴. The 1988 Act created a new non-domestic rating system, abolished rating in relation to domestic property⁵ and introduced the community charge⁶. The community charge was later abolished and replaced by the council tax with effect from 1 April 1993⁷. Liability to the council tax arises from residence⁸ of a dwelling⁹. Dwellings are categorised into bands according to their capital value, and the amount of tax payable is calculated according to the band within which the dwelling falls¹⁰. The local authorities' role in setting the rate applicable to non-domestic property was abolished and replaced by a uniform business rate set by the Secretary of State and applicable at the same level throughout the country¹¹.

1 As to non-domestic rating see PARA 4 et seq post; and as to council tax see PARA 227 et seq post.

2 See eg *Williams v Scottish & Newcastle Retail Ltd* [2001] EWCA Civ 185 at [16], [2001] RA 41 at [16], sub nom *Scottish & Newcastle Retail Ltd v Williams (Valuation Officer)* [2001] 1 EGLR 157 at [16] per Robert Walker LJ ('*The law of rating is statutory and ancient [...] Apart from comparatively recent upheavals (in the form of community charge and council tax) in relation to residential property, the body of statute law has shown extraordinary stability. [...] This slow and steady process of evolution means that there is a large volume of case law, some of it quite old, which is still relevant to the understanding of the principles underlying the modern law*'). As to the interpretation eg of 'occupation' in relation to rateable occupation see the cases cited in PARA 12 post.

3 The General Rate Act 1967 assimilated the rating of Greater London to that of the rest of England and Wales, although the rating in the City of London continued as before under the City of London (Union of Parishes) Act 1907. Rating in the City of London has now been generally assimilated to that of the rest of England and Wales by virtue of the inclusion of the Common Council of the City of London as a billing authority (see PARA 5 post) although the Common Council maintains a separate City fund under the Local Government Finance Act 1988 ss 93, 94. The Inner Temple and the Middle Temple are to be taken as falling within the area of the Common Council: see s 146(4), (5). As to the Common Council of the City of London see LONDON GOVERNMENT vol 29(2) (Reissue) PARA 51 et seq; and as to the Inner and Middle Temple see LONDON GOVERNMENT vol 29(2) (Reissue) PARA 32.

4 As to the repeal of the General Rate Act 1967, which ceased to have general effect any time after 31 March 1990, see the Local Government Finance Act 1988 ss 67(11), 117(1), 149, Sch 13 Pt 1. Notwithstanding this, many of the provisions of the General Rate Act 1967 continued to have effect, subject to amendments, for a number of purposes including those relating to: (1) any rate made under the 1967 Act in respect of any period ending before 1 April 1990; (2) any liability for rates in respect of such a period; and (3) the alteration of any valuation list in force prior to 1 April 1990 pursuant to a proposal made before that date but to which effect had not been given immediately before that date: see the Local Government Finance (Repeals, Savings and Consequential Amendments) Order 1990, SI 1990/776; and the General Rate Act and Related Provisions

(Savings and Consequential Provision) Regulations 1990, SI 1990/777. The most notable survival of the General Rate Act 1967 is the definition of 'hereditament' in s 115(1) (repealed), which is invoked for the purposes of the Local Government Finance Act 1988 s 64(1): see PARA 33 post.

5 For the meaning of 'domestic property' for the purposes of non-domestic rating see PARA 120 post.

6 As to the community charge see PARA 227 post. The Local Government Finance Act 1988 long title states (in part) that it is '*[a]n Act to create community charges in favour of certain authorities, to create new rating systems, [...] to abolish existing rates [...] and to provide for the establishment of valuation and community charge tribunals, and for connected purposes*'. Valuation and community charge tribunals were renamed valuation tribunals in 1992: see PARA 147 note 7 post.

7 See the Local Government Finance Act 1992 s 100. As to council tax see PARA 227 et seq post.

8 As to residence in relation to liability to pay council tax see PARA 237 post.

9 For the meaning of 'dwelling' see PARA 232 post.

10 As to the council tax bands see PARA 244 post.

11 As to the Secretary of State (and the Welsh Ministers) see PARA 3 post. As to the calculation of the non-domestic rate see PARA 11 post.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(1) LEGISLATION AND ADMINISTRATION/3. The Secretary of State and Welsh Ministers.

2. NON-DOMESTIC RATING

(1) LEGISLATION AND ADMINISTRATION

3. The Secretary of State and Welsh Ministers.

Despite the fact that older statutes refer to ministers, to specific ministers or to government departments, in law the office of Secretary of State is one and accordingly many modern statutes refer simply to the 'Secretary of State' without reference to a particular department or ministry¹. The rating legislation confers the functions of central government in relation to the administration of the non-domestic rating system upon the 'Secretary of State' without reference to a particular department or ministry, but in practice the Secretary of State for Communities and Local Government has responsibility for rating². Many statutory functions vested in a Secretary of State or a Minister of the Crown are transferred so as to be exercisable in relation to Wales³ by the Welsh Ministers⁴. For the purposes of this title, the functions so transferred⁵ include, with minor exceptions⁶, all functions under the Local Government Finance Act 1988⁷, including those relating to non-domestic rating under Part III⁸, which must be conducted separately⁹ in England and Wales¹⁰.

Central government control is far greater under the current provisions than under previous rating legislation¹¹ and the Secretary of State (or the Welsh Ministers, as the case may be) have wide powers (which have been extensively exercised) to make orders and regulations under the rating legislation, as a consequence of which the current state of the law has to be ascertained by reference to numerous statutory instruments, as well as to the Acts of Parliament themselves¹². The power to make an order or regulations under the Local Government Finance Act 1988¹³ may be exercised differently in relation to different areas or in relation to different cases or descriptions of case¹⁴. The power to make such an order or such regulations is exercisable by statutory instrument¹⁵. The Secretary of State (or the Welsh Ministers, as the case may be) may at any time by order make such supplementary, incidental, consequential or transitional provision as appears to him to be necessary or expedient for the general purposes or any particular purpose of the Local Government Finance Act 1988, or in consequence of any of its provisions or for giving full effect to it¹⁶. The Secretary of State (or the Welsh Ministers, as the case may be) may also make regulations saving powers for issuing precepts and making levies under earlier legislation which has now been repealed¹⁷, and the Secretary of State may provide for the abolition or modification of powers to levy rates¹⁸. They also have power to make regulations in relation to payments to and from authorities¹⁹.

Any expenses of the Secretary of State (or of the Welsh Ministers, as the case may be) incurred in consequence of the Local Government Finance Act 1988, and any increase attributable to the 1988 Act in the sums payable out of money so provided under any other enactment must be paid out of money provided by Parliament²⁰; and any sums received by the Secretary of State (or by the Welsh Ministers, as the case may be) in consequence of the 1988 Act must be paid into the Consolidated Fund²¹.

In circumstances where:

- 1 (1) the Secretary of State (or the Welsh Ministers, as the case may be) serves a notice on a relevant authority²² or relevant officer²³ requiring it or him to supply to

- the Secretary of State (or the Welsh Ministers, as the case may be) information specified in the notice²⁴;
- 2 (2) the information is required by the Secretary of State (or the Welsh Ministers, as the case may be) for the purpose of deciding whether to exercise his powers (and how to perform his functions) under the Local Government Finance Act 1988²⁵; and
 - 3 (3) the information is not personal information²⁶,

the authority or officer must supply the information required, and must do so in such form and manner and at such time as the Secretary of State (or the Welsh Ministers, as the case may be) specifies in the notice²⁷. In deciding whether to exercise his powers, and how to perform his functions, under the Local Government Finance Act 1988 the Secretary of State (or the Welsh Ministers, as the case may be) may also take into account any other information available to him, whatever its source and whether or not obtained under a provision contained in or made under the 1988 Act or any other Act²⁸.

1 In any enactment, 'Secretary of State' means one of Her Majesty's principal Secretaries of State: see the Interpretation Act 1978 s 5, Sch 1. The office of Secretary of State is a unified office, and in law each Secretary of State is capable of performing the functions of all or any of them: see CONSTITUTIONAL LAW AND HUMAN RIGHTS vol 8(2) (Reissue) PARA 355.

2 As to the Secretary of State in relation to council tax see PARA 228 post.

3 For the meaning of 'Wales' see PARA 1 note 2 ante.

4 These functions were previously transferred to the National Assembly for Wales by Order in Council under the Government of Wales Act 1998 s 22 (see the National Assembly for Wales (Transfer of Functions) Order 1999, SI 1999/672, arts 2, 3, Sch 1) or, in the case of functions conferred under enactments subsequent to the Government of Wales Act 1998, by virtue of particular provision made under those enactments: see the Government of Wales Act 2006 s 162(1), Sch 11 para 30; and CONSTITUTIONAL LAW AND HUMAN RIGHTS. Further transfers of ministerial functions to the Welsh Ministers may be effected by Order in Council pursuant to s 58, Sch 3 paras 1-8. As to the exercise of transferred functions and the bringing of subordinate legislation made by the Welsh Ministers before the National Assembly for Wales see Sch 11 paras 33-35 (in the case of functions transferred to the Assembly by Order in Council under the Government of Wales Act 1998 s 22) or the Government of Wales Act 2006 Sch 3 para 9 (in the case of functions transferred to the Welsh Ministers by Order in Council under s 58); and CONSTITUTIONAL LAW AND HUMAN RIGHTS. 7 See ibid Sch 1 (as amended). The functions of the Secretary of State under the Local Government Act 2003 Pt 4 (ss 41-59) in relation to BID arrangements (see PARA 220 et seq post) were exercised in Wales by the National Assembly for Wales (see s 58); and the relevant Assembly functions were transferred to the Welsh Ministers by virtue of the Government of Wales Act 2006 Sch 11 para 30 (see note 4 supra).

13 As to orders, rules and regulations under the Local Government Finance Act 1992 see PARA 228 post.

14 Local Government Finance Act 1988 s 143(1). An order or regulations under the Local Government Finance Act 1988 may include such supplementary, incidental, consequential or transitional provisions as appear to the Secretary of State, the Minister of Agriculture, Fisheries and Food or the Treasury (as the case may be) to be necessary or expedient: see s 143(2) (amended by the Local Government and Housing Act 1989 s 139, Sch 5 paras 72, 79(3)). The functions of the former Minister of Agriculture, Fisheries and Food are now exercised by the Secretary of State for Environment, Food and Rural Affairs and, where applicable, the Welsh Ministers: see AGRICULTURAL LAND vol 1 (2008) PARA 643.

15 Local Government Finance Act 1988 s 143(3) (amended by the Local Government and Rating Act 1997 s 1, Sch 1 para 6(a); and the Local Government Act 2003 s 127(1), Sch 7 paras 9(1), 24(1), (2)). The Local Government Finance Act 1988 s 143(3) (as amended) is subject to s 143(3A)-(9AA) (as added and amended): see s 143(3) (as so amended). Accordingly, the power to make an order or regulations as mentioned in the text is exercisable by statutory instrument subject to annulment in pursuance of a resolution of either House of Parliament (see s 143(3) (as so amended)), except as regards any power of the Welsh Ministers to make an order or regulations under the Local Government Finance Act 1988, when s 143(3) (as amended) has effect without the words 'subject to annulment in pursuance of a resolution of either House of Parliament' (see s 143(4A) (added by the Local Government Act 2003 Sch 7 paras 9(1), 24(1), (4))). As to the bringing of subordinate legislation made by the Welsh Ministers before the National Assembly for Wales generally see the Government of Wales Act 2006 Sch 11 paras 33-35 (as amended); and CONSTITUTIONAL LAW AND HUMAN RIGHTS.

The power to make an order under the Local Government Finance Act 1988 s 43(6B)(c)(ii) (as added) (see PARA 76 post) is exercisable by statutory instrument, but no such order is to be made unless a draft of the order has been laid before and approved by resolution of each House of Parliament: s 143(3A) (added by the Local Government and Rating Act 1997 Sch 1 para 6(b)). The power to make an order under the Local Government Finance Act 1988 s 45(4A) (as added) (see PARA 79 post) is exercisable by statutory instrument, but no such order is to be made, in the case of an order relating to England, unless a draft of the order has been laid before and approved by resolution of each House of Parliament or, in the case of an order relating to Wales, unless a draft of the order has been laid before and approved by resolution of the National Assembly for Wales: s 143(3B) (added by the Rating (Empty Properties) Act 2007 s 1(3)). The power to make an order under the Local Government Finance Act 1988 Sch 6 para 3 (as amended; prospectively repealed) is exercisable by statutory instrument, and no such order may be made unless a draft of it has been laid before and approved by resolution of each House of Parliament: s 143(8). If an order under Sch 6 para 3 (as amended; prospectively repealed) would, apart from this provision, be treated for the purposes of the standing orders of either House of Parliament as a hybrid instrument, it must proceed in that House as if it were not such an instrument: s 143(11). As from a day to be appointed under the Local Government Act 2003 s 128(6), the Local Government Finance Act 1988 s 143(8), (11) is repealed by the Local Government Act 2003 Sch 8 Pt 1. However, at the date at which this volume states the law, no such day had been appointed. The power to make an order under the Local Government Finance Act 1988 s 56(2), Sch 7 para 5 (as amended) (see PARA 86 note 6 post) is exercisable as there mentioned: s 143(9). The power to make an order under s 57 (as substituted), Sch 7A para 5 (as added and amended) (see PARA 83 post) is exercisable by statutory instrument, but no such order is to be made unless a draft of it has been laid before and approved by resolution of each House of Parliament: s 143(9A) (added by the Local Government and Housing Act 1989 s 139, Sch 5 paras 72, 79(3)). The power of the Secretary of State to make an order under the Local Government Finance Act 1988 s 62, Sch 9 para 5G (as added) (see PARA 141 post) is exercisable by statutory instrument, but no such order is to be made by him unless a draft of it has been laid before and approved by resolution of each House of Parliament: s 143(9AA) (added by the Local Government Act 2003 Sch 7 paras 9(1), 24(1), (5)).

The power to make regulations, in relation to England, under the Local Government Finance Act 1988 s 57A (as added and amended) (see PARA 84 post) or, in relation to Wales, under s 58 (as amended) (see PARA 85 post) is exercisable by statutory instrument, but no such regulations are to be made unless a draft of them has been laid before and approved by resolution of each House of Parliament: s 143(4) (amended by the Local Government and Housing Act 1989 s 194, Sch 5 paras 72, 79(3), Sch 12 Part II; and, in relation to England only, by the Local Government Act 2003 Sch 7 paras 9(1), 24(1), (3)). As from a day to be appointed, the reference in the Local Government Finance Act 1988 s 143(4) (as amended) to s 58 (as amended) is repealed in relation to Wales and the reference to s 57A (as added and amended) added: see s 143(4) (as so amended; prospectively further amended, in relation to Wales, by the Local Government Act 2003 Sch 7 paras 9(1), 24(1), (3)). However, at the date at which this volume states the law, no such day had been appointed. The power to make regulations under the Local Government Finance Act 1988 s 66A (as added) (see PARA 64 post) is exercisable by statutory instrument, but no such regulations are to be made unless, in the case of regulations relating to England, a draft of the regulations has been laid before and approved by resolution of each House of Parliament or, in the case of regulations relating to Wales, a draft of the regulations has been laid before and approved by resolution of the National Assembly for Wales: s 143(4ZA) (added by the Rating (Empty Properties) Act 2007 s 2(1), Sch 1 para 4(2)).

16 Local Government Finance Act 1988 s 147(1). Such orders may in particular make provision for amending, repealing or revoking (with or without savings) any provision of an Act passed before or in the same session as the Local Government Finance Act 1988, or of an instrument made under an Act before the passing of the 1988 Act, and for making savings or additional savings from the effect of any amendment or repeal made by the 1988 Act: s 147(2). Any provision that may be made under this power is to be in addition and without prejudice to any other provision of the Local Government Finance Act 1988: s 147(3). No other provision of the Local Government Finance Act 1988 is to be construed as prejudicing the generality of the powers conferred by s 147: s 147(4). For these purposes, 'Act' includes a private or local Act: see s 147(5). As to the orders so made see the Local Government Finance Act 1988 (Miscellaneous Amendments and Repeals) Order 1990, SI 1990/10; the Local Government Finance (Garden Squares) (Consequential Amendments) Order 1990, SI 1990/525 (amended by SI 1993/616); the Local Government Finance (Repeals, Savings and Consequential Amendments) Order 1990, SI 1990/776; the Local Government Finance (Consequential Amendments) (Debt Administration) Order 1990, SI 1990/1114; the Local Government Finance (Miscellaneous Amendments and Repeal) Order 1990, SI 1990/1285; the Rates and Precepts (Final Adjustments) Order 1991, SI 1991/185 (amended in relation to England only by SI 1999/2629; in relation to Wales only by SI 2000/975); the Local Government Finance (Miscellaneous Provisions) (England) Order 1991, SI 1991/241; the Local Government Finance (Repeals and Consequential Amendments) Order 1991, SI 1991/1730; the Rates and Precepts (Final Adjustments) (Amendment) (England) Order 1999, SI 1999/2629; the Rates and Precepts (Final Adjustments) (Amendment) (Wales) Order 2000, SI 2000/975; and the Town and Country Planning (Blight Provisions) (Wales) Order 2005, SI 2005/367.

As to billing authorities see PARA 5 *post*; and as to precepting authorities see PARA 1 *ante*.

23 Is a proper officer within the meaning of the Local Government Act 1972 (see LOCAL GOVERNMENT vol 69 (2009) PARA 431) of a relevant authority: see the Local Government Finance Act 1988 s 139A(6) (s 139A as added (see note 22 *supra*); s 139A(6) substituted by the Local Government Finance Act 1992 Sch 13 para 77(2)).

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(1) LEGISLATION AND ADMINISTRATION/4. Geographical application of the legislation.

4. Geographical application of the legislation.

The rating legislation extends to England and Wales¹, but not to Northern Ireland². Certain provisions apply to Scotland³.

Certain statutory provisions must be read as applying separately, and must be administered separately, in England and Wales⁴. In particular, separate central non-domestic rating lists must be compiled and maintained separately for England and Wales⁵; separate estimates must be made for the purpose of determining non-domestic rating multipliers⁶; and separate non-domestic rating accounts must be kept⁷. Any power conferred by the Local Government Finance Act 1988 on the Secretary of State or the Treasury⁸ may be exercised differently for England and Wales, whether or not it is exercised separately⁹. Similarly, any provision of the Local Government and Housing Act 1989 which confers a power on the Secretary of State to make regulations, orders, rules or determinations or to give directions or specify any matter, may be exercised differently for England and Wales, whether or not it is exercised separately¹⁰.

1 For the meanings of 'England' and 'Wales' see PARA 1 note 2 ante.

2 See the Local Government Finance Act 1988 s 151(3); and the Local Government and Housing Act 1989 s 195(6). The Local Government and Housing Act 1989 applies to the Isles of Scilly subject to such exceptions, adaptations and modifications as the Secretary of State may direct: s 193(1). The power to make such an order is exercisable by statutory instrument which is subject to annulment in pursuance of a resolution of either House of Parliament: s 193(2). As to the Secretary of State see PARA 3 ante.

3 See eg the Local Government Finance Act 1988 ss 150, 151(1), (2); and the Local Government and Housing Act 1989 s 195(4), (5).

4 The Local Government Finance Act 1988 Pt III (ss 41-67) (as amended) and Schs 4A-9 (as added and amended) must be read as applying separately and be administered separately in England and Wales: s 140(1) (s 140(1), (3) amended by the Local Government Finance Act 1992 s 117(1), Sch 13 para 78). The Local Government Finance Act 1988 Pt III (as amended) must be construed so that references to authorities are read as references to those in England or Wales, as the case may be: s 140(3) (as so amended).

5 Ibid s 140(2)(a). As to local non-domestic rating lists see PARA 121 et seq post.

6 Ibid s 140(2)(b). The text refers to estimates to be made under s 56, Sch 7 para 5(6), (7) (see PARA 86 note 6 post): see s 140(2)(b).

8 As to the Treasury see CONSTITUTIONAL LAW AND HUMAN RIGHTS vol 8(2) (Reissue) PARAS 512-517.

9 Local Government Finance Act 1988 s 140(4). This provision is without prejudice to the generality of s 143(1) (power to make orders or regulations) (see PARA 3 ante): see s 140(4).

10 Local Government and Housing Act 1989 s 191(1). This is without prejudice to s 190(1), and to any other provision of the 1989 Act or of any Act amended by the 1989 Act by virtue of which powers may be exercised differently in different cases or in any other circumstances: s 191(2).

Statutory references to a rate or rateable value or any other factor connected with rating may, by regulations, be interpreted as references to some other factor (whether or not connected with rating): see s 149. See eg the References to Rating (Housing) Regulations 1990, SI 1990/434 (amended by SI 1990/701); and the Levying Bodies (General) Regulations 1992, SI 1992/2903 (amended by SI 2001/3649).

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(1) LEGISLATION AND ADMINISTRATION/5. Billing authorities.

5. Billing authorities.

In relation to England¹, a district council² or London borough council³, the Common Council of the City of London⁴ or the Council of the Isles of Scilly and, in relation to Wales⁵, a county council or county borough council⁶ are billing authorities⁷ charged with the collection and recovery⁸ of non-domestic rates⁹ for each chargeable financial year¹⁰.

Part 4 of the Local Government Act 2003¹¹ also confers functions on a billing authority¹² in relation to the imposition, administration, collection, recovery and application of a levy raised from non-domestic ratepayers in order to provide for business improvement districts¹³.

1 For the meaning of 'England' see PARA 1 note 2 ante.

2 As to local government areas and authorities in England and their councils generally see LOCAL GOVERNMENT vol 69 (2009) PARA 24 et seq.

3 As to London boroughs and their councils see LOCAL GOVERNMENT vol 69 (2009) PARA 23 et seq; and LONDON GOVERNMENT vol 29(2) (Reissue) PARA 30 et seq.

4 The Inner Temple and the Middle Temple are to be taken to fall within the area of the Common Council: Local Government Finance Act 1992 s 69(3). As to the Court of Common Council see LONDON GOVERNMENT vol 29(2) (Reissue) PARA 51 et seq; and as to the Temples see LONDON GOVERNMENT vol 29(2) (Reissue) PARA 32 et seq.

5 For the meaning of 'Wales' see PARA 1 note 2 ante.

6 As to principal councils see PARA 1 note 4 ante. As to local government areas and authorities in Wales and their councils generally see LOCAL GOVERNMENT vol 69 (2009) PARA 37 et seq.

7 Local Government Finance Act 1992 s 1(2) (substituted by the Local Government (Wales) Act 1994 s 35(5)). 'Billing authority' has the same meaning in the Local Government Finance Act 1988 as in the Local Government Finance Act 1992 Pt I (ss 1-69) (as amended) (see PARA 227 et seq post): see the Local Government Finance Act 1988 s 144(2) (substituted by the Local Government Finance Act 1992 s 117(1), Sch 13 para 81(1)). See also PARA 229 post. The functions of a billing authority in relation to the administration and enforcement of non-domestic rates may, to the prescribed extent, be exercised by, or by the employees of, such person as may be authorised to exercise them by the authority whose functions they are: see the Local Authorities (Contracting Out of Tax Billing, Collection and Enforcement Functions) Order 1996, SI 1996/1880, art 49.

8 As to the recovery of rates, and demand notices, see PARA 170 et seq post.

9 As to non-domestic rating see PARA 7 et seq post. For corresponding provisions relating to the recovery of council tax see PARA 292 et seq post.

10 For the purposes of the Local Government Finance Act 1988, chargeable financial years are financial years beginning in 1990 and subsequent years: s 145(1). For the meaning of 'financial year' for these purposes see PARA 1 note 1 ante.

11 In the Local Government Act 2003 Pt 4 (ss 41-59) (including regulations made under s 48): see PARA 220 et seq post. Expressions which are used in Pt 4 and in the Local Government Finance Act 1988 Pt III (ss 41-67) (as amended) (non-domestic rating provisions) (see PARA 7 et seq post) have the same meaning in the Local Government Act 2003 Pt 4 as they have in the Local Government Finance Act 1988 Pt III (as amended): see the Local Government Act 2003 s 59(2). Part 4 binds the Crown: see s 57; and see the Business Improvement Districts (England) Regulations 2004, SI 2004/2443, reg 15, Sch 4 para 11; and the Business Improvement Districts (Wales) Regulations 2005, SI 2005/1312, reg 15, Sch 4 para 11.

12 For these purposes, 'billing authority' means, in relation to England, a district council, a unitary county council, a London borough council, the Common Council of the City of London or the Council of the Isles of Scilly; and, in relation to Wales, a county council or county borough council: Local Government Act 2003 s 59(1).

'Unitary county council' means a county council which is the council for a county in which there are no district councils: s 59(1).

13 See PARA 220 et seq post. The functions of a billing authority conferred by or under *ibid* Pt 4, or regulations under s 48, in relation to the imposition, administration, collection, recovery and application of such a levy may, to the prescribed extent, be exercised by such contractor as may be authorised to exercise them by the billing authority whose functions they are: see the Local Authorities (Contracting Out of BID Levy Billing, Collection and Enforcement Functions) Order 2005, SI 2005/215, art 2.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(1) LEGISLATION AND ADMINISTRATION/6. Appointment and functions of valuation officers.

6. Appointment and functions of valuation officers.

The Commissioners for Revenue and Customs¹ must appoint a valuation officer² for each billing authority³ and a central valuation officer⁴. A valuation officer for a billing authority must compile and maintain local non-domestic rating lists⁵, and the central valuation officer must compile and maintain the central non-domestic rating lists⁶. The remuneration of, and any expenses incurred by, valuation officers in carrying out their functions in relation to non-domestic rating⁷, including the remuneration and expenses of persons, whether or not in the service of the Crown, employed to assist them, are to be paid out of money provided by Parliament⁸.

Valuation officers may disclose information to each other to assist in the performance of their statutory functions. Hence, where a rating official⁹ requests another rating official to disclose any information to him in order to assist him in the performance of his statutory functions, the other official must not be prevented from so disclosing the information merely because it is held by him in connection with his statutory functions¹⁰. Valuation officers may request information from owners¹¹ or occupiers¹² of hereditaments¹³ if the officers believe it will assist them in carrying out their functions¹⁴. They may also enter on, survey and value a hereditament on giving at least 24 hours' notice of the proposed entry¹⁵. A person¹⁶ may require a valuation officer to provide access to specified information upon request¹⁷.

1 As to the Commissioners for Revenue and Customs see CUSTOMS AND EXCISE vol 12(3) (2007 Reissue) PARA 900 et seq.

2 Unless the context otherwise requires, references to valuation officers in the Local Government Finance Act 1988 Pt III (ss 41-67) (as amended) are to valuation officers for billing authorities and the central valuation officer: s 67(2), (13) (s 67(2) amended by the Local Government Finance Act 1992 s 117(1), Sch 13 para 71). As to billing authorities see PARA 5 ante. The position of the valuation officer in rating is that 'he is a neutral official charged with the statutory and recurring duty of bringing into existence a valuation list and maintaining its contents in correct and legal form': *Society of Medical Officers of Health v Hope (Valuation Officer)* [1960] AC 551 at 565, [1960] 1 All ER 317 at 322, HL, per Lord Radcliffe. Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(2) OUTLINE OF NON-DOMESTIC RATING SYSTEM/7. Rateable property.

(2) OUTLINE OF NON-DOMESTIC RATING SYSTEM

7. Rateable property.

Rateable property consists of relevant non-domestic¹ and composite hereditaments² entered in the local rating lists³, and property of certain bodies which the Secretary of State (or the Welsh Ministers, as the case may be)⁴ has designated by regulation⁵ to be entered in a central non-domestic rating list⁶. Rates are chargeable on: (1) lands⁷; (2) coal mines⁸; (3) mines of any other description, other than a mine of which the royalty or dues are for the time being wholly reserved in kind⁹; and (4) rights to use land for the purpose of exhibiting advertisements¹⁰ or for the purpose of operating meters which measure a supply of gas or electricity (or some other specified service) and which are not operated by consumers¹¹. Moorings let out for non-domestic purposes may be rateable¹².

Hereditaments in a number of classes are exempt from non-domestic rates¹³, and in other cases hereditaments have been relieved of the full burden of rates by various means¹⁴. Exemptions from or privileges in respect of rating are in some instances conferred by local Acts¹⁵ and those exemptions and privileges may be continued by regulations made by the Secretary of State. The power to continue such privileges is subject to limitations¹⁶.

Unoccupied property is also liable to be rated¹⁷, and a mechanism exists whereby newly completed or altered buildings are deemed to be liable to be rated¹⁸.

1 Is a non-domestic hereditament falling within the Local Government Finance Act 1988 s 64(4) (as amended); see PARA 33 post. For the meaning of 'hereditament' see PARA 33 et seq post.

perpetual and granted by a local and personal Act to the owner of a particular piece of land in respect of all parochial taxes and duties whatsoever, was held to exempt the land from the general rate by virtue of the Rating and Valuation Act 1925 s 64(1)(b) (repealed), on the principle *generalia specialibus non derogant* ('general things do not derogate from special things'), and the making of a scheme under s 64(2) (repealed) was not a condition for the continuance of the exemption. 8. Valuation for rating.

Rates are assessed on the rateable value of the hereditament¹. The amount depends whether the hereditament is: (1) a non-domestic hereditament (none of which consists of domestic property and none of which is exempt from local non-domestic rating)²; (2) a composite hereditament³ (none of which is exempt from local non-domestic rating)⁴; or (3) a non-domestic hereditament which is partially exempt from local non-domestic rating⁵.

1 The Local Government Finance Act 1988 s 56, Sch 6 (as amended) has effect to determine the rateable value of non-domestic hereditaments: see Sch 6 para 1 (as amended); and PARA 87 et seq post. For the meaning of 'hereditament' see PARA 33 et seq post.

9. Rating lists.

The Local Government Finance Act 1988 makes provision for three types of rating lists: (1) non-domestic rating lists¹; (2) central non-domestic rating lists²; and (3) rural settlement lists³. For the purpose of deciding what is shown in a list for a particular day the state of the list as it has effect⁴ immediately before the day ends is to be treated as having been its state throughout the day⁵.

When ascertained, values for rating purposes are embodied in local non-domestic rating lists prepared by valuation officers for billing authorities⁶. A local rating list must contain such particulars as may be prescribed by regulations made by the Secretary of State (or the Welsh Ministers, as the case may be)⁷ with respect to every relevant non-domestic hereditament⁸ in the billing authority's area⁹.

The central valuation officer¹⁰ must compile and maintain central non-domestic rating lists¹¹. The contents of a central non-domestic rating list are prescribed by regulations made by the Secretary of State with a view to securing the central rating en bloc of certain hereditaments¹².

Each billing authority must compile and maintain a rural settlement list¹³. This enables certain hereditaments to be entitled to a reduction of the non-domestic rate¹⁴.

10. Valuation list procedure; appeals.

There is no express power conferred upon valuation officers¹ to alter non-domestic rating lists², but the duty imposed upon them to maintain a rating list once it has been compiled³ must, by inference, allow them to alter a list⁴. A valuation officer may alter a list before it comes into force⁵. Alterations to local lists and central lists are governed by regulations made by the Secretary of State (or the Welsh Ministers, as the case may be)⁶. Proposals⁷ to alter lists may be made by billing authorities⁸ and by interested persons⁹. Alterations to lists generally¹⁰ take effect from the day on which the circumstances giving rise to the alteration occurred¹¹.

Where there is disagreement about an alteration, an appeal may be made to a valuation tribunal constituted and appointed in accordance with regulations made by the Secretary of State (or the Welsh Ministers, as the case may be)¹². There is a right of appeal to the Lands Tribunal¹³ from a decision or order of a valuation tribunal, with a further appeal to the Court of Appeal on a point of law by way of case stated¹⁴. Persons who would be parties to an appeal¹⁵ to a valuation tribunal may agree in writing to refer the matter to arbitration¹⁶. Decisions of a valuation tribunal are also open, in principle, to challenge by way of judicial review¹⁷ in circumstances which are not covered by the statutory appeals procedure¹⁸. The constitution and working of valuation tribunals in England and Wales are subject to review and consideration by the Administrative Justice and Tribunals Council¹⁹.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(2) OUTLINE OF NON-DOMESTIC RATING SYSTEM/11. Calculating the chargeable amount.

11. Calculating the chargeable amount.

Subject to transitional provisions¹, exemptions² and reliefs³, the chargeable amount for an occupied hereditament⁴ for each day that it is both occupied and shown in a local non-domestic rating list⁵ is calculated by multiplying the rateable value shown for the hereditament in the appropriate list by the multiplier and then dividing the product by the number of days in the financial year⁶.

Unoccupied hereditaments in a local non-domestic rating list fall to be rated for each day in a financial year on which certain conditions are met⁷. Liability for unoccupied hereditaments is equal to the basic level of liability as for occupied hereditaments but with provision made for that liability to be reduced by order and for zero-rating to apply in specified cases⁸. There are specific provisions relating to when new buildings are deemed to be completed for these purposes⁹.

Where part of a hereditament in a local non-domestic rating list is unoccupied but will remain so for a short time only, the billing authority¹⁰ may require the valuation officer¹¹ to apportion the rateable value of the hereditament between the occupied and unoccupied parts of the hereditament¹².

The ratepayer becomes liable to the non-domestic rate in respect of any day of the chargeable financial year if his name is shown as a designated person in a central rating list¹³. The chargeable amount is calculated by multiplying the rateable value shown in the central list by the rating multiplier for the financial year, then dividing by the days occupied by the ratepayer in the financial year¹⁴.

(3) RATEABLE OCCUPATION

(i) Introduction

12. Necessary ingredients of rateable occupation.

Rateable occupation in relation to non-domestic property¹ is determined in accordance with rules explained and developed by extensive case law². These rules, which applied under the General Rate Act 1967 (now repealed)³, have been preserved under the Local Government Finance Act 1988, but any express statutory rules contained in the 1967 Act must be ignored⁴.

The courts have accepted that there are four necessary ingredients in rateable occupation⁵:

- 4 (1) there must be actual occupation⁶;
- 5 (2) the occupation must be exclusive for the particular purposes of the possessor⁷;
- 6 (3) the possession must be of some value or benefit to the possessor⁸; and
- 7 (4) the possession must not be for too transient a period⁹.

Provision is made for the rating of certain non-domestic unoccupied property¹⁰.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(3) RATEABLE OCCUPATION/(i) Introduction/13. Owners and occupiers.

13. Owners and occupiers.

For the purposes of the non-domestic rating provisions¹, the 'owner' of a hereditament or land is the person entitled to possession of it². Whether a hereditament or land is occupied, and who is the occupier, must be determined by reference to the rules which would have applied for the purposes of the General Rate Act 1967 (now repealed³) had the Local Government Finance Act 1988 not been passed, ignoring any express statutory rules contained in the General Rate Act 1967⁴.

A hereditament which is not in use is to be treated as unoccupied if it would otherwise be treated as occupied by reason only of there being kept in or on the hereditament plant, machinery or equipment which was used in or on the hereditament when it was last in use⁵, or which is intended for use in or on the hereditament⁶. A hereditament is to be treated as unoccupied if it would otherwise be treated as occupied by reason only of the use of it for the holding of public meetings in furtherance of a person's candidature at a parliamentary or local government election⁷, or if it is a house, the use of a room in it by a returning officer⁸ for the purpose of taking the poll in a parliamentary or local government election⁹.

The Secretary of State (or the Welsh Ministers, as the case may be)¹⁰ may make such regulations as he sees fit to deal with any case where (apart from the regulations) there would be more than one owner or occupier of a hereditament or part or of land at a particular time¹¹.

1. For the purposes of the Local Government Finance Act 1988 Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 14 et seq post): see s 67(13).

2. Ibid s 65(1). For the meaning of 'hereditament' see PARA 33 et seq post. A person is the owner, or in occupation of all or part, of a hereditament on a particular day if (and only if) he is its owner or in such occupation (as the case may be) immediately before the day ends: see s 67(6). As to the meaning of 'person' see PARA 6 note 16 ante. The Local Government Finance Act 1988 s 65(1) and s 65(2) (see the text and notes 3-4 infra) has effect subject to s 65(4) (see PARA 33 post), s 65(5)-(7) (see the text and notes 5-9 infra), s 65(8)-(8A) (s 65(8A) as added) (see PARA 31 note 3 post): s 65(3). As to Crown property see PARA 38 post.

5. Ibid s 65(5)(a).

6. Ibid s 65(5)(b).

8. For these purposes, 'returning officer' is to be construed in accordance with the Representation of the People Act 1983 s 24 (as amended) (returning officers for parliamentary elections) (see ELECTIONS AND REFERENDUMS vol 15(4) (2007 Reissue) PARA 355) or s 35 (as amended) (returning officers for local government elections) (see ELECTIONS AND REFERENDUMS vol 15(4) (2007 Reissue) PARA 359) as the case may be: see the Local Government Finance Act 1988 s 65(7).

9. Ibid s 65(6)(b).

10. As to the Secretary of State and the Welsh Ministers see PARA 3 ante.

11. Local Government Finance Act 1988 s 50(1). The regulations may provide for the owner or occupier at the time concerned to be taken to be such one of the owners or occupiers as is identified in accordance with prescribed rules: s 50(3). 'Prescribed' in the context of regulations, means prescribed by the regulations: s 146(6). The regulations may provide that: (1) as regards any time when there is only one owner or occupier, s

43 (as amended) (occupied hereditaments) (see PARAS 60, 70 et seq post) or s 45 (as amended) (unoccupied hereditaments) (see PARAS 62-63, 78-79 post), as the case may be, is to apply (s 50(4)(a)); (2) as regards any time when there is more than one owner or occupier, the owners or occupiers are to be jointly and severally liable to pay a prescribed amount by way of non-domestic rate (s 50(4)(b)). The regulations may include that prescribed provisions are to apply instead of prescribed provisions of Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 14 et seq post), or that prescribed provisions of Pt III (as amended) are not to apply or are to apply subject to prescribed amendments or adaptations: s 50(5). Regulations made under this power include the Non-Domestic Rating (Collection and Enforcement) (Miscellaneous Provisions) Regulations 1990, SI 1990/145 (as amended) (see PARA 170 et seq post). Nothing in the Local Government Finance Act 1988 s 50(3)-(5) prejudices the generality of s 50(1): s 50(2).

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(3) RATEABLE OCCUPATION/(ii) Actual Occupation/14. Meaning of 'actual occupation'.

(ii) Actual Occupation

14. Meaning of 'actual occupation'.

Actual occupation involves physical possession of the hereditament in the sense that some degree of use of it is made, however slight¹. Legal possession is not synonymous with actual occupation².

In certain circumstances, unoccupied property is rateable and so the concept of occupation does not apply³.

1 See eg *Vtesse Networks Ltd v Bradford* [2006] EWCA Civ 1339, [2006] RA 427, [2006] All ER (D) 242 (Oct) (a network provider was in actual occupation of the whole of a fibre optic telecommunications network, which was a unit of property so as to form a hereditament, despite its being contained in cables partly owned by the network provider and partly owned by third parties). See also *Clydesdale Bank plc v Lanarkshire Valuation Joint Board Assessor* [2005] RA 1 (where ATMs owned by banks were placed in shops, the areas of floor space on which the machines were placed could not be entered in the roll as separate rateable occupation by the banks because the agreements to supply, use and control the ATMs did not confer a right of occupation of the floor space upon the banks).

15. Title not always material.

Occupation does not depend on title¹, although evidence of title may be material, for instance where it is doubtful which of two persons is the rateable occupier², or whether there is any person who can be so described³.

A mere trespasser may be rateable⁴, as may licensees or tenants at will⁵ or companies allowed certain use of land for commercial purposes⁶.

(iii) Exclusive Occupation

16. Occupation must be exclusive.

In order to be rateable, occupation must be exclusive¹. Exclusive occupation means that the person using the land may prevent any other person from using it in the same way². Occupation therefore does not cease to be exclusive because other persons have simultaneous, although different, rights of user over the same land, for all may be rateable in respect of their different occupations³. A person is not divested of occupation because he lets the land or parts of it to transient users⁴. Several persons, as in the case of partners, may be in joint occupation of a single hereditament, in which case each is liable for the rates on the whole⁵.

17. Paramount occupier is rateable.

In certain cases, there may be a rival occupancy in some person who, to some extent, may have occupancy rights over the premises. The question in every such case must be one of fact, namely whose position in relation to occupation is paramount, and whose position in relation to occupation is subordinate, but that question must be considered and answered in regard to the position and rights of the parties in respect of the premises in question, and in regard to the purpose of the occupation of those premises¹. Neither the control of access to, nor the existence of restrictive covenants on, the user of the portion is decisive². A person allowed the use of offices³ is not, if he is subject to the landlord's control, the rateable occupier of the offices⁴. Similar considerations apply to parts of commercial or industrial undertakings appropriated to the use of persons conducting subsidiary enterprises⁵. The agreement which allows the separate user may contain words of demise, but it does not necessarily follow that the grantor has transferred to the grantee the rateable occupation⁶; and the grantee may be the rateable occupier even though no words of demise appear in the agreement⁷.

18. Occupation by employee or agent.

An employee or agent occupying a separately rateable hereditament, even if he does so by virtue of his employment, may be the rateable occupier if the occupation is for his own purposes rather than those of his employer or principal¹. Where an employee or agent² is required to occupy a hereditament in order to carry out the purposes of his employer's business, or to secure the better performance of his duties, the occupation for rating purposes is that of the employer³. A member of an unincorporated association cannot be in occupation since occupation by such an organisation is impossible in law⁴.

19. Occupation by a caretaker or guest.

A mere caretaker cannot himself be a rateable occupier¹. Whether the caretaker's employer is rateable depends upon whether the occupation is beneficial². Where the hereditament consists of parts capable of separate rateable occupation, the fact that a caretaker is residing in one such part does not make his employer the rateable occupier of the whole³. The current law makes provision for rating partly occupied hereditaments⁴.

20. Occupation by bankrupt, liquidators or receiver.

A bankrupt may be in rateable occupation even though he holds indirectly through the trustee in bankruptcy¹. In winding up, liquidators who carry on the company's business continue the rateable occupation of its premises²; and they are in rateable occupation even if they occupy merely for the purpose of fulfilling outstanding contracts³, or of preventing damage to the company's property⁴.

Where a receiver and manager of a company's business is appointed by order of the court, by which the company is not directed to deliver up possession of land to him, he has no rateable occupation of the company's land⁵; but a receiver appointed out of court under the terms of a deed by which the company is to give up possession at a certain date is in rateable occupation as from the date when possession is given up⁶.

(iv) Beneficial Occupation

21. Occupation for the use of the public.

The public cannot be a rateable occupier, and land occupied by a body as custodians or guardians for the public is exempt from rates¹. The exemption arises where land is held under an irrevocable obligation to keep it for the use of the public² pursuant to statute. An obligation created by non-statutory means, such as a voluntary trust, may be sufficient³, but the trust must confer such rights upon the public as to exhaust the possibility of the hereditament being of value to a local authority⁴. The public must in fact have free and unrestricted use of the land⁵. Thus highways⁶, bridges⁷ and public parks⁸ may be occupied by the public and exempt from rates. In relation to public places such as parks, the local authority is the occupier but its occupation is not beneficial as the unrestricted use by the public exhausts all possible value of the hereditament to the local authority⁹. Certain parks which for the time being are available for free and unrestricted use by members of the public are exempt from rates¹⁰. Cases decided under previous legislation held that the exemption extended to uses ancillary to the main public user¹¹ even if the ancillary part is let out at a rent¹².

22. Occupation must be of value or benefit.

To be rateable, occupation must be of value or benefit¹. The value or benefit need not take the form of pecuniary profit², and a hereditament may be rateable even though the occupation of it involves a pecuniary loss³. Beneficial occupation can arise if the occupation of the hereditament affords to the occupier the facility for the exercise of a statutory duty⁴ or a statutory power⁵, or for discharging the duties of a trust⁶.

23. Occupation for public purposes.

The occupation of property for public purposes, other than those of general national administration¹, is rateable². Thus an education authority is rateable for its schools³; a water authority is rateable for its sewage disposal works⁴; and a local authority is rateable for its public conveniences⁵, town hall⁶, fire station⁷, swimming pool⁸ or seaside entertainments undertaking⁹. The exemption of property which is dedicated to the use of the public, such as highways, arises¹⁰ because the public, which is not rateable, is held to be in occupation¹¹.

1 However, county buildings, so far as they are used for other than judicial business, are rateable: *Middlesex County Council v St George's Union Assessment Committee* [1897] 1 QB 64, CA; *Worcestershire County Council v Worcester Union* [1897] 1 QB 480, CA. County buildings used for judges' lodgings are not rateably occupied (*Hodgson v Carlisle Local Board of Health* (1857) 8 E & B 116), but buildings provided for the former assizes in which quarter sessions were also accommodated on payment by the corporation were rateable to the extent of the payment (*Lancashire Justices v Cheetham* (1867) LR 3 QB 14).

24. Buildings in course of construction or unused.

Buildings in course of construction or alteration are not in the beneficial occupation of the building owner¹, although it may be otherwise while repairs or adaptations of a building already in use are in progress². However, parts of a building site may be in the rateable occupation of the building contractor³. Statutory provisions now determine the date when newly constructed or altered buildings become liable to be rated⁴. Provision is made in the Local Government Finance Act 1988 for unoccupied non-domestic hereditaments to be rateable⁵. In cases where they do not fall to be so rated, the following situations may still be of some relevance. Mere preservation of a building otherwise unused does not create beneficial occupation⁶, and an owner may keep a caretaker in a building without becoming rateable for it⁷; nor is the caretaker rateable⁸. However, the presence of a caretaker may result in beneficial occupation if the caretaker does more than merely look after the building⁹.

25. Buildings used for storing goods or abandoned property.

The storage of goods or furniture in a building may amount to beneficial occupation; whether it does or not is a matter of fact and degree¹. However, if goods are left behind when premises are vacated because they are not worth the cost of their removal, there may be no beneficial occupation². Unoccupied property may now be rateable³, in which case these earlier cases will be of limited application.

(v) Permanence of Occupation

26. Test of permanency.

A degree of permanence is an essential element in rateable occupation¹. Permanence does not depend on the length of the term for which the land is held, and a weekly tenant, for example, is rateable², as may also be licensees and tenants at will³; but intermittent or casual occupation, such as that of a site for a travelling show⁴, a floating dock shifted from place to place⁵, stalls in a market⁶ or yacht moorings only put down for part of a year⁷, may not be rateable. Contractors' huts placed on a building site for 18 months have been held to be rateable⁸. Under the Local Government Finance Act 1988, liability to the non-domestic rate arises on a daily basis⁹, but this does not affect the requirement that occupation must satisfy the test under the cases cited in this paragraph since the old rules relating to occupation still apply¹⁰.

(vi) Incorporeal Rights and Chattels

27. Easements and exclusive licences.

The mere enjoyment of an easement over land does not itself constitute rateable occupation¹, but a person may be the rateable occupier of land even though the rights granted to him are only in the nature of an easement if the exercise of those rights requires, and brings with it, the exclusive occupation². Under similar conditions, the enjoyment of a licence may be such as to confer rateable occupation³.

A person may be in rateable occupation of land for the purpose of enjoying an easement, even if others, including the grantor and persons deriving title from him, also have rights of user of another kind⁴. A user of land in a certain way may amount to rateable occupation if the person so using it can prevent any other person from using it in the same way⁵, but not if the grantor reserves a right to a similar user⁶.

Land may be rateably occupied by means of moorings, if these are fixed in one place and the person rated has the exclusive right of using them¹, but not if they are in fact constantly removed², or are mere accessories to a floating vessel³, or if the right to use them is not exclusive⁴.

A canal or navigation company is in rateable occupation of a canal or an artificial cut⁵ (with the towing-path⁶), but not of a natural river or the towing-path alongside, unless the soil is vested in the company⁷. A towing-path which is so vested is capable of rateable occupation, although the natural river which it adjoins is not⁸. There may also be a rateable occupation of a sluice in a natural river⁹.

A harbour authority is in rateable occupation of any portion of the harbour of which the soil is vested in it¹⁰.

29. Tolls.

Tolls are not rateable per se, that is if they are not a payment for the use of the soil¹. If, however, a person, as a necessary consequence of his ownership or occupation of land, possesses the right to take tolls and in fact takes them, he is in rateable occupation of the land². Where these conditions are fulfilled, the occupiers or occupying owners of canals, locks and sluices³, harbours and docks⁴, the landing places of a ferry⁵ and toll bridges⁶ are in rateable occupation of those hereditaments, the value of which should be taken, not as the value of the land merely, but as the value of the land as enhanced by its availability for the purpose of earning the tolls⁷.

Lighthouses belonging to or occupied by the Trinity House are exempt from rates by statute⁸.

A person having the right to take market tolls has no rateable occupation of land⁹ unless the tolls are paid for such privileges as of erecting stalls or of standing carts¹⁰.

A toll thorough is not rateable: *R v Snowden* (1833) 4 B & Ad 713.

2 The cases which support this positive proposition are cited in notes 3-6 infra. 8 See the Local Government Finance Act 1988 s 51, Sch 5 para 12 (as amended); and PARA 55 post. It follows that lighthouses in the hands of bodies other than Trinity House which levy tolls may still be rateable, although it must be exceptional in practice for lighthouse tolls to be levied today. 30. Rights of common.

A right of common is not itself a rateable subject matter¹, but the exercise of such a right over land may bring with it such an exclusive enjoyment of the land as to constitute rateable occupation². If the persons who feed cattle on the land in the exercise of the right are tenants in common for the whole year, they are rateable³; if the rights of common are vested in trustees to manage and to receive money paid for the grazing during part of the year, the trustees are rateable⁴. However, a municipal corporation which manages a common on behalf of the freemen is not rateable for the common⁵.

4 *R v Tewkesbury (Trustees for Burgesses)* (1810) 13 East 155. Similar decisions were given where the trustees were a municipal corporation (*R v Sudbury Corp* (1823) 1 B & C 389; *R v York Corp* (1837) 6 Ad & El 419); but the status of a corporation having been changed by the Municipal Corporations Act 1835 (repealed), the two cases last cited apparently no longer apply to municipal corporations (*Lincoln Corp v Holmes Common Overseers* (1867) LR 2 QB 482). See also *Trenfield v Lowe* (1869) LR 4 CP 454.

5 This was held on the ground that the profit à prendre belonging to the freemen exhausted the whole value of the land: *Lincoln Corp v Holmes Common Overseers* (1867) LR 2 QB 482. If the principle of this decision is good law, it appears to overrule not only *R v Sudbury Corp* (1823) 1 B & C 389 and *R v York Corp* (1837) 6 Ad & El 419, but also *R v Tewkesbury (Trustees for Burgesses)* (1810) 13 East 155. It is doubtful, however, how far this principle can be reconciled with those laid down in *Mersey Docks and Harbour Board Trustees v Cameron, Jones v Mersey Docks and Harbour Board Trustees* (1865) 11 HL Cas 443 and *LCC v Churchwardens etc of Erith Parish and Dartford Union Assessment Committee* [1893] AC 562, HL (cited in PARAS 22-23 ante).

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(3) RATEABLE OCCUPATION/(vi) Incorporeal Rights and Chattels/31. Hereditaments arising from rights to use land for certain purposes.

31. Hereditaments arising from rights to use land for certain purposes.

For the purposes of the non-domestic rating provisions¹, the right to use land² for the purpose of exhibiting advertisements, which is let out or reserved to someone other than the occupier³ of the land (or, where the land is not occupied for any other purpose, which is let out or reserved to any person other than the owner⁴ of the land) is a hereditament⁵. In addition, a right is a hereditament if: (1) it is a right to use any land⁶ for the purpose of operating a meter⁷ to measure a supply of gas or electricity or such other service as the Secretary of State (in relation to England) or the Welsh Ministers (in relation to Wales) may by order specify⁸; and (2) the meter is owned by a person other than the consumer of the service⁹.

1 For the purposes of the Local Government Finance Act 1988 Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 33 et seq post): see s 67(13).

2 For this purposes, 'land' includes a wall or other part of a building and a sign, hoarding, frame, post or other structure erected or to be erected on land: see *ibid* s 64(11).

3 See PARA 13 et seq ante. The right to use land for advertising which falls within *ibid* s 64(2) is to be treated as occupied by the person for the time being entitled to the right: s 65(8). Where land consisting of a hereditament is used, permanently or temporarily, for the exhibition of advertisements or for the erection of a structure used for advertisements, but it is not a hereditament to which s 64(2) applies, and the hereditament is not occupied, it must be treated as occupied by the person permitting it to be used or, if that person cannot be ascertained, its owner: s 65(8A) (added by the Local Government and Housing Act 1989 s 139, Sch 5 paras 1, 34, 79(3)). As to the meaning of 'person' see PARA 6 note 16 ante.

4 For the meaning of 'owner' see PARA 13 ante.

6 For this purpose, 'land' includes a wall or other part of a building: Local Government Finance Act 1988 s 64(11B) (s 64(11A), (11B) added by the Local Government Act 2003 s 66(3)).

7 The Secretary of State in relation to England, and the Welsh Ministers in relation to Wales, may by regulations make provision as to what is to be regarded as being a meter for the purposes of the Local Government Finance Act 1988 s 64(2A) (as added): s 64(11A) (as added: see note 6 supra). At the date at which this volume states the law, no such regulations had been made. As to the making of regulations under the Local Government Finance Act 1988 generally see PARA 3 ante. 8 *Ibid* s 64(2A)(a) (s 64(2A) added by the Local Government Act 2003 s 66(1)). At the date at which this volume states the law, no such order had been made. As to the making of orders under the Local Government Finance Act 1988 generally see PARA 3 ante.

32. Chattels.

In general, stock-in-trade and personal property are not rateable¹. However, chattels, although not a part of the land, may be rated together with land as one unit of occupation if they are enjoyed with it² and enhance its value³. On this principle, contractors' huts⁴, a caravan⁵, kiosks and showcases⁶, moorings⁷, material in a colliery tip⁸, a lean-to shelter⁹, a car port¹⁰, and a floating clubhouse¹¹ have been held to be rateable.

1 As to property liable to be rated see PARA 7 ante.

In *Felgate (Valuation Officer) v Lotus Leisure Enterprises Ltd* [2000] RA 89, Lands Tribunal, a floating restaurant and the moorings securing it to the dock side formed a rateable hereditament together with the dock bed; and in *Cinderella Rockerfellas Ltd v Rudd* [2003] EWCA Civ 529, [2003] 3 All ER 219, [2003] 1 WLR 2423, a vessel housing a nightclub, permanently moored by means of horizontal connection to an adjacent quay, was held to be rateable, together with the riverbed which formed part of the same hereditament.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(3) RATEABLE OCCUPATION/(vii) The Hereditament/33. Unit to be assessed.

(vii) The Hereditament

33. Unit to be assessed.

For the purposes of the non-domestic rating provisions¹, the unit of assessment is the hereditament, which for the purposes of non-domestic rating is anything which, by virtue of the definition of hereditament in the General Rate Act 1967 (now repealed)², would have been a hereditament for the purposes of that Act if the Local Government Finance Act 1988 had not been passed³. The General Rate Act 1967 defined hereditament as 'property which is or may become liable to a rate, being a unit of such property which is, or would fall to be, shown as a separate item in the valuation list'⁴. A hereditament is non-domestic if either it consists entirely of property which is not domestic⁵, or it is a composite hereditament⁶. A hereditament is a relevant hereditament if it consists of property of any of the following descriptions: (1) lands⁷; (2) coal mines⁸; (3) mines of any other description, other than a mine of which the royalty or dues are for the time being wholly reserved in kind⁹; and (4) any right to use land for the purpose of exhibiting advertisements¹⁰ or for the purpose of operating meters which measure a supply of gas or electricity (or some other specified service) and which are not operated by consumers¹¹. All relevant hereditaments must be entered in the local non-domestic rating list¹².

A single property is not necessarily rateable as a whole¹³: where parts of a building are separately occupied, the parts form separate hereditaments. Structural severance of the parts is not essential¹⁴. However, property in one occupation¹⁵ may in some circumstances form more than one hereditament. Where parts of the property are not within the same curtilage, or are not contiguous¹⁶ to one another¹⁷, or are capable of separate letting¹⁸, or are used for entirely different purposes¹⁹, the parts may form separate hereditaments²⁰. Where premises in one occupation are divided by a highway they will form separate hereditaments unless they are so essential in use to one another that they should be regarded as a single hereditament²¹.

The Secretary of State (or the Welsh Ministers, as the case may be)²² may make regulations providing that in prescribed cases²³: (a) anything which would (apart from the regulations) be one hereditament must be treated for rating purposes as more than one hereditament²⁴; and (b) anything which would (apart from the regulations) be more than one hereditament must be treated as one hereditament²⁵.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(3) RATEABLE OCCUPATION/(vii) The Hereditament/34. Multiple moorings may be treated as one hereditament.

34. Multiple moorings may be treated as one hereditament.

For the purposes of the non-domestic rating provisions¹, the Secretary of State (or the Welsh Ministers, as the case may be)² may make regulations³ providing that where on any land there are two or more moorings which:

- 8 (1) are owned by the same person⁴;
- 9 (2) are not domestic property⁵; and
- 10 (3) are separately occupied⁶ (or available for separate occupation) by persons other than that person⁷,

a valuation officer⁸ may determine that, for the purposes of the compilation or alteration of a local non-domestic rating list⁹, all or any of the moorings or all or any of them together with any adjacent moorings or land owned and occupied by that person are to be treated as one hereditament¹⁰. Such regulations may provide that where a valuation officer makes such a determination¹¹, he must, if prescribed¹² conditions are fulfilled, supply prescribed persons with prescribed information¹³. The information to be supplied is:

- 11 (a) a copy of the information shown in the list in respect of the relevant hereditament¹⁴; and
- 12 (b) if it is not apparent from that information, a statement of the number of moorings which are not domestic property and which comprise or are included in the relevant hereditament¹⁵; and
- 13 (c) a statement of the amount of the part of the rateable value of the relevant hereditament which, in the opinion of the valuation officer, is attributable to those moorings¹⁶.

While such a determination is in force: (i) the person who on any day is the owner¹⁷ of the moorings (or the moorings and land) which constitute the hereditament is to be treated for the purposes of determining liability under the provisions relating to occupied, partly occupied or unoccupied hereditaments¹⁸ as being in occupation of all of the hereditament on that day¹⁹; and (ii) no other person is to be treated for those purposes as being in occupation of all or any part of the hereditament on that day²⁰.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(3) RATEABLE OCCUPATION/(vii) The Hereditament/35. Rating of caravan sites.

35. Rating of caravan sites.

The Rating (Caravan Sites) Act 1976¹ made provision for the rating of caravan sites² under the system of rating governed by the General Rate Act 1967 (now repealed)³ and allowed valuation officers⁴ to exercise discretion as to whether a caravan site, or part of a site, should be rated as one hereditament⁵. The 1976 Act has not yet been repealed, but its provisions have been largely repeated (although the discretionary element has been removed) in the Non-Domestic Rating (Caravan Sites) Regulations 1990⁶.

Where pitches for caravans⁷ on a relevant site⁸ would constitute separate hereditaments because they are occupied⁹ by persons other than the site operator¹⁰, those pitches¹¹ must, together with so much of the site as constitutes a hereditament in the occupation of the site operator, be treated as one hereditament occupied by the site operator¹². Where a local rating list¹³ is being compiled or altered and it includes a hereditament consisting of a caravan site¹⁴, the valuation officer¹⁵ must inform the site operator in writing of that fact within one month of the compilation or alteration¹⁶. The information must also state in writing: (1) how many caravans stationed on pitches which do not consist of domestic property¹⁷ are included in the hereditament¹⁸; and (2) how much (if any) of the rateable value of the hereditament is attributable to those caravans, together with their pitches¹⁹. Any person occupying a pitch for a caravan on a relevant site may, after giving reasonable notice to the valuation officer at any reasonable time and without payment, inspect a copy of any such statement supplied to the operator of the site²⁰.

1 As to which see PARA 36 post.

2 For the meaning of 'caravan site' in the Rating (Caravan Sites) Act 1976 see PARA 36 note 6 post.

3 As to the historical development of the statutory regime of rating see PARA 2 ante.

4 I.e. valuation officers exercising powers under the General Rate Act 1967 (repealed). As to valuation officers under the Local Government Finance Act 1988 see PARA 6 ante.

5 See further PARA 36 post. For the meaning of 'hereditament' see PARA 33 et seq ante.

6 I.e. the Non-Domestic Rating (Caravan Sites) Regulations 1990, SI 1990/673 (as amended) (see the text and notes 7-21 infra), which came into force on 1 April 1990 (see reg 1). For most purposes, the General Rate Act 1967 has had no effect as regards any time after 31 March 1990 (see PARA 2 note 4 ante) and, consequently, the Rating (Caravan Sites) Act 1976 would appear to be of little relevance after 1 April 1990. The inference is, therefore, that caravan sites were dealt with under the Rating (Caravan Sites) Act 1976 (which applied certain provisions of the General Rate Act 1967) until the Non-Domestic Rating (Caravan Sites) Regulations 1990, SI 1990/673 (as amended), were enacted.

7 'Caravan' has the same meaning as it has for the purposes of the Caravan Sites and Control of Development Act 1960 Pt I (ss 1-30) (as amended) (see TOWN AND COUNTRY PLANNING vol 46(3) (Reissue) PARA 1033): Non-Domestic Rating (Caravan Sites) Regulations 1990, SI 1990/673, reg 2(a). For these purposes, a caravan pitch, and any area comprising it, is to be taken as including the caravan for the time being on the pitch if, apart from reg 3, the caravan would be included as part of the rateable hereditament: reg 3(3).

8 For these purposes, 'relevant site' means a caravan site which includes some property which is not domestic and which has an area of 400 square yards or more: *ibid* reg 2(d). 'Caravan site' means any land in respect of which a site licence is required under the Caravan Sites and Control of Development Act 1960 Pt I (as amended) (see TOWN AND COUNTRY PLANNING vol 46(3) (Reissue) PARA 1033), or would be so required but for s 2, Sch 1 paras 4, 11, 11A (Sch 1 para 11A as added) (exemption of certain land) (see TOWN AND COUNTRY PLANNING vol 46(3) (Reissue) PARA 1036): Non-Domestic Rating (Caravan Sites) Regulations 1990, SI 1990/673, reg 2(b).

Where a pitch is occupied by a caravan which is the sole or main residence of an individual, the pitch and the caravan, together with any garden, yard, outhouse or other appurtenance belonging to or enjoyed with them, are domestic property: see the Local Government Finance Act 1988 s 66(3) (substituted by the Rating (Caravans and Boats) Act 1996 s 1(2)). This substitution is to be treated as having taken effect from 1 April 1990: see the Rating (Caravans and Boats) Act 1996 s 1(4). As to the relevant retrospective effects upon non-domestic rating lists see also s 1(5), (6). As to the council tax for domestic property see PARA 227 et seq post.

9 As to occupation see PARA 12 et seq ante.

10 'Site operator' means the person who is, for the purposes of the Caravan Sites and Control of Development Act 1960 Pt I (as amended), the occupier of the caravan site (see TOWN AND COUNTRY PLANNING vol 46(3) (Reissue) PARA 1032): Non-Domestic Rating (Caravan Sites) Regulations 1990, SI 1990/673, reg 2(e).

11 A pitch which is occupied by a charity or trustees for a charity, and which is wholly or mainly used for charitable purposes (whether of that charity or of that and other charities) is not subject to the regulations for rating of caravans: see *ibid* reg 3(2). As to exemptions for charities see PARA 71 et seq post.

12 *Ibid* reg 3(1) (amended by SI 1991/471).

13 As to local non-domestic rating lists see PARA 121 et seq post.

14 Is a relevant caravan site to which the Non-Domestic Rating (Caravan Sites) Regulations 1990, SI 1990/673, reg 3 (as amended) applies (see the text and notes 7-12 *supra*): see reg 4(1).

15 As to valuation officers see PARA 6 ante.

16 See the Non-Domestic Rating (Caravan Sites) Regulations 1990, SI 1990/673, reg 4(1). As to the compilation and alteration of local rating lists see PARAS 121 et seq, 128 et seq post.

17 For the meaning of 'domestic property' in relation to non-domestic rating see PARA 120 post.

18 Non-Domestic Rating (Caravan Sites) Regulations 1990, SI 1990/673, reg 4(1)(a) (amended by SI 1991/471). See also the Caravans (Standard Community Charge and Rating) Act 1991 s 1. Where it appears to a valuation officer that the information supplied is no longer accurate, but no alteration of the local rating list is required, he must inform the site operator of that fact and supply him with a further statement of the matters in the Non-Domestic Rating (Caravan Sites) Regulations 1990, SI 1990/673, reg 4(1)(a), (b) (reg 4(1)(a) as amended) (see heads (1), (2) in the text): reg 4(2).

19 *Ibid* reg 4(1)(b). See also note 18 *supra*.

20 *Ibid* reg 4(3) (amended by SI 1991/471). The text refers to a statement supplied to the operator of the site under the Non-Domestic Rating (Caravan Sites) Regulations 1990, SI 1990/673, reg 4 (as amended): see reg 4(3) (as so amended).

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(3) RATEABLE OCCUPATION/(vii) The Hereditament/36. Provision made for the discretionary treatment of pitches for caravans.

36. Provision made for the discretionary treatment of pitches for caravans.

Although provision for the rating of caravan sites¹ is made by the Non-Domestic Rating (Caravan Sites) Regulations 1990², the previous regime under the Rating (Caravan Sites) Act 1976, which differs by allowing valuation officers³ discretion as to whether a caravan site (or part of a site) should be rated as one hereditament⁴, has not yet been repealed⁵. It is unlikely that the predecessor regime will have any practical effect in relation to the operation of the system of non-domestic rating under the Local Government Finance Act 1988 and the following is set out for the sake of completeness only.

Accordingly, where, in a caravan site⁶ having an area of not less than 400 square yards, pitches for leisure caravans⁷ are separately occupied by persons other than the site operator⁸ so that the pitches so occupied are separate hereditaments for the purposes of rating⁹, the valuation officer may, if he thinks fit¹⁰, in the valuation list treat all or any of those pitches as forming a single hereditament together with so much, if any, of the site as is in the occupation of the site operator¹¹. For these purposes, a caravan pitch (and any area comprising it) is to be taken as including the caravan for the time being on the pitch if, but only if, apart from these provisions, the caravan would be included as part of a rateable hereditament¹². Where any area of a caravan site is treated as a single hereditament, it must be deemed, for the purposes of rating¹³, to be a single hereditament in the occupation of the site operator¹⁴.

5 See PARA 35 note 6 ante.

6 For these purposes, 'caravan site' means any land in respect of which a site licence is required under the Caravan Sites and Control of Development Act 1960 Pt I (ss 1-30) (as amended) (see TOWN AND COUNTRY PLANNING vol 46(3) (Reissue) PARA 1033), or would be so required if s 2, Sch 1 paras 4, 11 (exemption of certain land) (see TOWN AND COUNTRY PLANNING vol 46(3) (Reissue) PARA 1036) were omitted: see the Rating (Caravan Sites) Act 1976 s 6(b).

7 A 'caravan pitch' is a 'pitch for a leisure caravan' if in accordance with any licence or planning permission regulating the use of the caravan site a caravan stationed on the pitch is not allowed to be used for human habitation throughout the year: see *ibid* s 6(c). 'Caravan' has the same meaning as it has for the purposes of the Caravan Sites and Control of Development Act 1960 Pt I (as amended) (see TOWN AND COUNTRY PLANNING vol 46(3) (Reissue) PARA 1033): see the Rating (Caravan Sites) Act 1976 s 6(a).

8 'Site operator' means the person who is, for the purposes of the Caravan Sites and Control of Development Act 1960 Pt I (as amended), the occupier of the caravan site (see TOWN AND COUNTRY PLANNING vol 46(3) (Reissue) PARA 1032): see the Rating (Caravan Sites) Act 1976 s 6(d). As to the meaning of 'person' see PARA 6 note 16 ante.

9 I.e. the system of rating under the General Rate Act 1967 (now repealed) (see PARA 2 ante): see the Rating (Caravan Sites) Act 1976 s 1(1).

10 Note the element of discretion which is present in the Rating (Caravan Sites) Act 1976 but not in the Non-Domestic Rating (Caravan Sites) Regulations 1990, SI 1990/673 (as amended) (see PARA 35 ante).

14 Ibid s 1(3). As to mixed hereditaments see s 1(4) (amended by the Local Government, Planning and Land Act 1980 ss 47, 194, Sch 34 Pt IX). Provision is made in relation to the alteration of valuation lists: see the Rating (Caravan Sites) Act 1976 s 1(5)-(7), (9). As to the information to be provided for caravanners about the rating of sites mentioned in s 1 (as amended), and the provision that is made for a penalty in cases where the requirements so imposed are contravened, see s 2 (amended by the Criminal Justice Act 1982 ss 37, 38, 46).

(4) EXEMPTIONS FROM NON-DOMESTIC RATING

(i) In general

37. Items exempt from local non-domestic rating.

Provision is made to determine the extent (if any) to which a hereditament¹ is exempt from local non-domestic rating for the purposes of the Local Government Finance Act 1988², in relation to³:

- 14 (1) agricultural premises⁴;
- 15 (2) fish farms⁵;
- 16 (3) places of religious worship⁶;
- 17 (4) certain property of the Trinity House⁷;
- 18 (5) sewers⁸;
- 19 (6) property of drainage authorities⁹;
- 20 (7) certain parks¹⁰;
- 21 (8) property used for the disabled¹¹;
- 22 (9) air-raid protection works¹²;
- 23 (10) swinging moorings¹³;
- 24 (11) road crossings over watercourses¹⁴;
- 25 (12) property used for road user charging schemes¹⁵;
- 26 (13) property in enterprise zones¹⁶; and
- 27 (14) visiting forces¹⁷.

The Secretary of State (or the Welsh Ministers, as the case may be)¹⁸ may make regulations¹⁹ providing that prescribed²⁰ hereditaments or hereditaments falling within any prescribed description are exempt²¹ to such extent (whether as to the whole or some lesser extent) as may be prescribed²². However, this power may not be exercised so as to confer exemption which in his opinion goes beyond certain existing exemptions or privileges²³.

For the purposes of determining how land is used, any land, building or property not in use is to be treated as used in a particular way if it appears that when next in use it will be used in that way²⁴. Any land or building which is not occupied is to be treated as occupied in a particular way if it appears that when next occupied it will be occupied in that way²⁵. A person is to be treated as an occupier of any land or building which is not occupied if it appears that when it is next occupied he will be an occupier of it²⁶.

19 Such regulations in their application to a particular financial year (including regulations amending or revoking others) are not effective unless they come into force before 1 January in the preceding financial year: Local Government Finance Act 1988 Sch 5 para 20(5). For the meaning of 'financial year' for these purposes see PARA 1 note 1 ante. As to the making of regulations under the Local Government Finance Act 1988 generally see PARA 3 ante. At the date at which this volume states the law no such regulations had been made.

20 'Prescribed' in the context of regulations, means prescribed by the regulations: *ibid* s 146(6).

21 For the purposes of *ibid* Sch 5 (as amended), 'exempt' means exempt from non-domestic rating: Sch 5 para 21(1), (2).

22 *Ibid* Sch 5 para 20(1).

23 See *ibid* Sch 5 para 20(2). The power to make regulations providing for prescribed hereditaments to be exempt to some extent may not be exercised so as to confer exemption which in the Secretary of State's opinion goes beyond such exemption or privilege (if any) as fulfils the following conditions (see Sch 5 para 20(1), (2)), namely: (1) that the exemption or privilege operated or was enjoyed in practice, immediately before the passing of the Local Government Finance Act 1988 (ie 29 July 1988), in respect of a general rate in its application to the hereditaments prescribed or falling within the prescribed description (see Sch 5 para 20(3)); and (2) that the exemption or privilege was conferred by a local Act or order passed or made on or after 22 December 1925 or was conferred by a local Act or order passed or made before 22 December 1925 and was saved by the General Rate Act 1967 s 117(5)(b) (repealed) (Local Government Finance Act 1988 Sch 5 para 20(4)).

Nothing in a private or local Act passed before the Local Government Finance Act 1988 is to have the effect that a hereditament is exempt from non-domestic rating, or prevent a person being subject to a non-domestic rate, or prevent a person being designated or a description of a hereditament being prescribed under s 53 (as amended) (see PARA 126 post): s 67(12). This provision operates to remove earlier exemptions in private and local Acts, as the purpose of the Local Government Finance Act 1988 was to provide a comprehensive code for non-domestic rating: see eg *Woodbury (Valuation Officer) v Toby Restaurants Ltd* [1998] RA 315 (floating restaurant complex moored on the River Thames and permanently connected to all main utilities was a hereditament which was removed by the Local Government Finance Act 1988 s 67(12) from exemption by virtue of the Port of London Act 1968, which operated so long as the conditions specified in the 1968 Act were satisfied).

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(4) EXEMPTIONS FROM NON-DOMESTIC RATING/(i) In general/38. Crown property.

38. Crown property.

The non-domestic rating provisions¹ apply to the Crown as they apply to other persons².

Accordingly, liability to a non-domestic rate in respect of a hereditament³ is not affected by the fact that: (1) the hereditament is occupied by the Crown or by a person acting on behalf of the Crown or is used for Crown purposes⁴; or (2) the Crown or a person acting on behalf of the Crown is the owner of the hereditament⁵. If any property would consist of two or more Crown hereditaments⁶, the property is to be treated for the purposes of Part III of the Local Government Finance Act 1988⁷ as if it were a single hereditament occupied by such one of the occupiers⁸ as appears to the billing authority⁹ to occupy the largest part of the property¹⁰. For the purpose of deciding the extent (if any) to which a hereditament is a Crown hereditament¹¹ on a particular day, the state of affairs existing immediately before the day ends is to be treated as having existed throughout the day¹².

1 I.e. the Local Government Finance Act 1988 Pt III (ss 41-67) (as amended) (non-domestic rating provisions) (see PARAS 7 et seq ante, 40 et seq post): see s 65A(1) (as added: see note 2 infra), s 67(13). For these purposes, references to Pt III (as amended) include any subordinate legislation within the meaning of the Interpretation Act 1978 (see STATUTES vol 44(1) (Reissue) PARA 1381) made under it: see the Local Government Finance Act 1988 s 65A(5)(a) (as so added). As to the making of orders or regulations under the Local Government Finance Act 1988 generally see PARA 3 ante.

2 Ibid s 65A(1) (s 65A added by the Local Government and Rating Act 1997 s 3). As to the meaning of 'person' see PARA 6 note 16 ante.

3 For the meaning of 'hereditament' see PARA 33 et seq ante.

4 Local Government Finance Act 1988 s 65A(2)(a) (as added: see note 2 supra).

5 Ibid s 65A(2)(b) (as added: see note 2 supra). For the meaning of 'owner' in relation to a hereditament see PARA 13 ante.

6 For these purposes, 'Crown hereditament' means a hereditament:

6 (1) which is occupied by a Minister of the Crown or government department or by any officer or body exercising functions on behalf of the Crown (ibid s 65A(4)(a) (as added: see note 2 supra)); but

7 (2) which is not provided or maintained by a local authority or by a police authority established under the Police Act 1996 s 3 (see POLICE vol 36(1) (2007 Reissue) PARA 139 et seq) (Local Government Finance Act 1988 s 65A(4)(b) (s 65A as so added; s 65A(4)(b) amended by the Criminal Justice and Police Act 2001 s 128(1), Sch 6 Pt 3 para 73).

For these purposes, 'local authority' has the same meaning as in the Local Government Act 1972 (see LOCAL GOVERNMENT vol 69 (2009) PARA 23) and includes the Common Council of the City of London: Local Government Finance Act 1988 s 65A(5)(b) (as so added). As to the Common Council of the City of London see LONDON GOVERNMENT vol 29(2) (Reissue) PARA 51 et seq. The Secretary of State (or the Welsh Ministers, as the case may be) may by order amend s 65A(4)(b) (as added) so as to alter the persons for the time being referred to there: s 65A(6) (as so added). At the date at which this volume states the law, no such order had been made. As to the Secretary of State and the Welsh Ministers see PARA 3 ante.

7 See note 1 supra.

8 For the meaning of 'occupier' in relation to a hereditament see PARA 13 ante.

9 As to billing authorities for the purposes of non-domestic rating see PARA 5 ante.

10 Local Government Finance Act 1988 s 65A(3) (as added: see note 2 supra). This provision does not affect the power conferred by s 64(3) (see PARA 33 ante): s 65A(7) (as so added).

11 For these purposes, 'Crown hereditament' has the same meaning as in *ibid* s 65A (as added and amended) (see note 6 supra): s 67(5A) (added by the Local Government and Rating Act 1997 s 33(1), Sch 3 para 26).

(ii) Diplomatic Immunity and Visiting Forces

39. Persons entitled to immunity.

Immunity from rates is enjoyed by foreign states and monarchs. In respect of a diplomatic mission, the sending state and the head of the mission are immune from rates¹. Diplomatic agents (within certain limitations) and members of the family of a diplomatic agent forming part of his household can also benefit from the immunity²; however, the extent to which the immunity from rates will benefit an individual diplomat or his family now that rates are no longer charged in respect of domestic property is likely to be small³. Commonwealth organisations and certain international organisations and their members are immune from rates⁴. The immunity may, however, be waived. Consular premises are exempt from rates, and exemption from all dues and taxes (other than certain indirect taxes) operates as regards consular officers and employees and members of their families forming part of their households, but this does not exempt them from rates on private property. A similar immunity and exemption extends to representatives of members of the Commonwealth and the Republic of Ireland⁵.

4 See generally COMMONWEALTH; and INTERNATIONAL RELATIONS LAW vol 61 (2010) PARAS 302, 304 et seq. 40. Visiting forces.

A hereditament¹ is exempt from local non-domestic rating² to the extent that it consists of property which is occupied for the purposes of a visiting force³, or a headquarters⁴, in pursuance of arrangements made in that behalf with any government department⁵.

Where a contribution in aid of non-domestic rating is made in respect of a hereditament which is exempt from local non-domestic rating by virtue of this exemption⁶, the contribution is to be paid to the Secretary of State (or the Welsh Ministers, as the case may be)⁷.

1 For the meaning of 'hereditament' see PARA 33 et seq ante.

2 For the meaning of 'exempt' for these purposes see the Local Government Finance Act 1988 s 51, Sch 5 para 21(1), (2); and see PARA 37 note 21 ante. As to the non-domestic rating provisions see PARAS 7 et seq ante, 41 et seq post.

3 For these purposes, 'visiting force' means any such body, contingent or detachment of the forces of any country as is a visiting force for the purposes of any provision of the Visiting Forces Act 1952 (see ARMED FORCES vol 2(2) (Reissue) PARA 140): Local Government Finance Act 1988 Sch 5 para 19A(2) (Sch 5 para 19A added by the Local Government and Rating Act 1997 s 4).

4 For these purposes, 'headquarters' means an international headquarters or defence organisation designated by an Order in Council under the International Headquarters and Defence Organisations Act 1964 s 1 (see ARMED FORCES vol 2(2) (Reissue) PARA 150): Local Government Finance Act 1988 Sch 5 para 19A(2) (as added: see note 3 supra).

5 Ibid Sch 5 para 19A(1) (as added: see note 3 supra). It would seem that effect may be given to an exemption which affects part only of a hereditament; a hereditament that is completely exempt under Sch 5 para 19A (as added) is not to be entered into a rating list: see s 42(1); and PARA 123 post.

6 Ie by virtue of ibid Sch 5 para 19A (as added) (see the text and notes 1-5 supra): s 59 (as substituted and amended: see note 7 infra).

7 Ibid s 59 (substituted by the Local Government and Housing Act 1989 s 139, Sch 5 paras 32, 79(3); and amended by the Local Government and Rating Act 1997 s 33(1), Sch 3 para 24). As to the Secretary of State and the Welsh Ministers see PARA 3 ante.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(4) EXEMPTIONS FROM NON-DOMESTIC RATING/(iii) Places of Worship/41. Churches, chapels, church halls etc.

(iii) Places of Worship

41. Churches, chapels, church halls etc.

A hereditament¹ is exempt from local non-domestic rating² to the extent that it consists of any of the following:

- 28 (1) a place of public religious worship³ which belongs to the Church of England⁴ or the Church in Wales⁵ or is for the time being certified as required by law⁶ as a place of religious worship⁷;
- 29 (2) a church hall⁸, chapel hall or similar building⁹ used in connection with a place of public religious worship falling within head (1) above¹⁰ for the purposes of the organisation responsible for the conduct of public religious worship in that place¹¹.

'Public religious worship' has been held to mean the gathering together of people in a church for the purpose of taking part in an act of public worship¹². The showing of religious films to an audience as part of a service can constitute public religious worship¹³. However, places of religious worship are not exempt if, even though they are public as opposed to domestic from the worshippers' point of view, they are not in the ordinary sense public because they are not open to all properly disposed persons who wish to be present; in other words, because the public are excluded¹⁴.

1 For the meaning of 'hereditament' see PARA 33 et seq ante.

2 For the meaning of 'exempt' for these purposes see the Local Government Finance Act 1988 s 51, Sch 5 para 21(1), (2); and see PARA 37 note 21 ante. As to the non-domestic rating provisions see PARAS 7 et seq ante, 42 et seq post.

3 For the meaning of 'public religious worship' see the text to notes 12-14 infra.

4 As to the Church of England see ECCLESIASTICAL LAW vol 14 para 313 et seq.

5 I.e. within the meaning of the Welsh Church Act 1914 (see ECCLESIASTICAL LAW vol 14 para 322 et seq): see the Local Government Finance Act 1988 Sch 5 para 11(1)(a).

6 I.e. certified under the Places of Worship Registration Act 1855: see ECCLESIASTICAL LAW vol 14 para 1191 et seq.

7 Local Government Finance Act 1988 Sch 5 para 11(1)(a). A hereditament that is completely exempt under head (1) in the text is not to be entered in a rating list: see s 42(1); and PARA 123 post.

As from a day to be appointed, head (1) in the text is substituted so as to refer simply to 'a place of public religious worship': see Sch 5 para 11(1)(a) (prospectively substituted by the Local Government Act 2003 s 68). However, at the date at which this volume states the law, no such day had been appointed.

8 A former church building registered for public worship which was owned by the church and used in connection with it and used by a social club was a church hall for the purposes of obtaining exemption under the General Rate Act 1967 (now repealed) (see PARA 2 ante): *Swansea City Council v Edwards (Valuation Officer) and Trustees of Our Lady of Lourdes Roman Catholic Church* [1977] RA 209, Lands Tribunal.

Some of the cases cited in this paragraph were decided prior to the coming into force of the Local Government Finance Act 1988 and, therefore, must now be considered in relation to the non-domestic rating provisions in Pt

III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 42 et seq post). As to the historical development of rating law and the continuing relevance of the old case law to the current statutory regime see PARA 2 ante.

9 'Similar building' has been held to include a building used for purposes such as a youth club, religious meetings, sales of work, church socials, a luncheon club, mission offices, living accommodation for staff, a Sunday school, crèche and roof playground (*Trustees of West London Methodist Mission v Holborn Borough Council* (1958) 3 RRC 86), and a Christian Science reading room, committee room and librarian's room (*Board of Directors of Ninth Church of Christ Scientist v Westminster City Council and Cane (Valuation Officer)* (1958) 3 RRC 35, Lands Tribunal), but not a building used as diocesan offices (*Church House Trustees v Dimmick (Valuation Officer)* (1959) 5 RRC 185, Lands Tribunal). Cf *Morley (Valuation Officer) v Society for Promoting Christian Knowledge* (1960) 53 R & IT 326, Lands Tribunal. Premises used partly as a hostel have been held to be within the exemption: *Westminster Roman Catholic Diocese Trustee v Hampsher (Valuation Officer)* [1975] RA 1, Lands Tribunal; and see *Stamp (Valuation Officer) v Birmingham Catholic Archdiocesan Trustees* [1975] JPL 34, Lands Tribunal, where a car park was held exempt although physically separated from the church hall by a road. See also *Mageean v Valuation Comr* [1960] NI 141, NI CA, where a building used by university students of a particular religious denomination for recreation or social purposes was entitled to exemption. Exemption has also been held to extend to a social centre attached to a Roman Catholic church (*Liverpool Roman Catholic Archdiocesan Trustees Inc v Mackay (Valuation Officer)* [1988] RA 90, Lands Tribunal) and to a school in the grounds of a mosque (*Ludkin (Valuation Officer) v Trustees of Anjuman-E-Isthahul Muslimen of UK* [1988] RA 209, Lands Tribunal).

10 Premises used by the diocese of Worcester were held not exempt on the grounds, inter alia, that the hereditament was not connected with a place of religious worship but with all the churches in the diocese: *Church House Trustees v Dimmick (Valuation Officer)* (1959) 5 RRC 185.

11 Local Government Finance Act 1988 Sch 5 para 11(1)(b). A hereditament that is completely exempt under head (2) in the text is not to be entered in a rating list: see s 42(1); and PARA 123 post.

A hereditament¹ is exempt from local non-domestic rating² to the extent that it is occupied by an organisation responsible for the conduct of public religious worship³ in a place falling within the statutory definition⁴, and: (1) is used for carrying out administrative or other activities relating to the organisation of the conduct of public religious worship in such a place⁵; or (2) is used as an office or for office purposes, or for purposes ancillary to its use as an office or for office purposes⁶.

1 For the meaning of 'hereditament' see PARA 33 et seq ante.

As to the non-domestic rating provisions see PARAS 7 et seq ante, 43 et seq post. Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(4) EXEMPTIONS FROM NON-DOMESTIC RATING/(iv) Agricultural Land and Buildings/43. Exemption for agricultural land and buildings.

(iv) Agricultural Land and Buildings

43. Exemption for agricultural land and buildings.

A hereditament¹ is exempt from local non-domestic rating² to the extent³ that it consists of: (1) agricultural land⁴; (2) agricultural buildings⁵.

Fish farms are also exempt⁶.

1 For the meaning of 'hereditament' see PARA 33 et seq ante.

2 For the meaning of 'exempt' for these purposes see the Local Government Finance Act 1988 s 51, Sch 5 para 21(1), (2); and see PARA 37 note 21 ante. As to the non-domestic rating provisions see PARAS 7 et seq ante, 44 et seq post. A hereditament that is completely exempt under Sch 5 para 1 is not to be entered into a rating list: see s 42(1); and PARA 123 post.

3 In *Withers v Dalling (Valuation Officer)* [2004] RA 182, Lands Tribunal, the contention was rejected that, so long as the greater part of the hereditament consisted of agricultural land or agricultural buildings for the purposes of the Local Government Finance Act 1988 Sch 5 para 1, the entirety was exempt.

4 Ibid Sch 5 para 1(a). For the purposes of Sch 5 paras 1, 3-7 (paras 3, 7 as amended) (see PARA 44 et seq post), 'agricultural land' is to be construed in accordance with Sch 5 para 2 (see PARA 44 post): Sch 5 para 8(1).

5 Ibid Sch 5 para 1(b). For the purposes of Sch 5 para 1 and Sch 5 para 5(5)(b) (see PARA 46 post), 'agricultural building' is to be construed in accordance with Sch 5 paras 3-7 (paras 3, 7 as amended) (see PARA 45 et seq post): Sch 5 para 8(2).

6 See ibid Sch 5 para 9 (as amended); and PARA 49 post.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(4) EXEMPTIONS FROM NON-DOMESTIC RATING/(iv) Agricultural Land and Buildings/44. Agricultural land.

44. Agricultural land.

For the purposes of exempting agricultural land from local non-domestic rating¹, 'agricultural land' is:

- 30 (1) land² used³ as arable, meadow or pasture ground⁴ only⁵;
- 31 (2) land used for a plantation or a wood or for the growth of saleable
underwood⁶;
- 32 (3) land exceeding 0.10 hectare used for the purpose of poultry farming⁷;
- 33 (4) anything which consists of a market garden⁸, nursery ground⁹, orchard¹⁰ or
allotment¹¹;
- 34 (5) land occupied with, and used solely in connection with the use of, a building
which (or buildings each of which) is an agricultural building¹².

However, agricultural land does not include:

- 35 (a) land occupied together with a house as a park¹³;
- 36 (b) gardens (other than market gardens)¹⁴;
- 37 (c) pleasure grounds¹⁵;
- 38 (d) land used mainly or exclusively for purposes of sport or recreation¹⁶; or
- 39 (e) land used as a race course¹⁷.

1 See PARA 43 ante.

2 'Land' has been held not to include buildings: *Smith v Richmond* [1899] AC 448, HL; *Hall-Mark Hatcheries Ltd v Spencer (Valuation Officer) and Basildon UDC* (1956) 1 RRC 20, Lands Tribunal; *Gilmore (Valuation Officer) v Baker-Carr* [1962] 3 All ER 230, [1962] 1 WLR 1165, CA; *National Pig Progeny Testing Board v Greenall (Valuation Officer)* [1960] 3 All ER 556, [1960] 1 WLR 1265, CA; *W & JB Eastwood Ltd v Herrod (Valuation Officer)* [1971] AC 160, [1970] 1 All ER 774, HL.

Some of the cases cited in this paragraph were decided prior to the coming into force of the Local Government Finance Act 1988 and, therefore, must now be considered in relation to the non-domestic rating provisions in Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 45 et seq post). As to the historical development of rating law and the continuing relevance of the old case law to the current statutory regime see PARA 2 ante.

3 It is the present use and not, for example, the fact that the land has been purchased with a view to building on it that is relevant: see *Abercorn Estates Co v Edinburgh Assessor* 1935 SC 868.

4 Meadow or pasture ground used for exercising race horses or riding stable horses may be agricultural land: *Tattersalls Ltd v Marlborough Area Assessment Committee* (1930) 11 R & IT 149; *Kirk v Newmarket Assessment Committee* (1937) 26 R & IT 374; *Jarvis v Cambridgeshire Rural Assessment Area Assessment Committee* [1938] 4 All ER 186, DC; *Young (Valuation Officer) v West Dorset District Council* [1977] RA 234, Lands Tribunal.

5 Local Government Finance Act 1988 s 51, Sch 5 para 2(1)(a). Minimal user may be ignored: *Honiton and District Agricultural Association v Wonnacott (Valuation Officer)* (1955) 48 R & IT 589, Lands Tribunal (agricultural show on one day a year). However, if it goes beyond the minimal, a non-agricultural user will defeat the exemption: see eg *Butser Turf and Timber Co Ltd v Petersfield Rating Authority* [1950] 1 All ER 288, DC (turf cutting); *Meriden and Solihull Rating Authority v Tyacke* [1950] 1 All ER 939 (turf cutting); *Lewis v Rubery (Valuation Officer)* (1951) 44 R & IT 566, Lands Tribunal (turf cutting); *Fowler v Tavener (Valuation Officer)* (1953) 47 R & IT 39, Lands Tribunal (spoil tip); *Young (Valuation Officer) v Morris, Barker and Poole* [1961] RVR 784, Lands Tribunal (sheep sales); *Moore v Williamson (Valuation Officer)* [1973] RA 172 (site used for caravan); *United Counties Agricultural Society v Knight (Valuation Officer)* [1973] RA 13, Lands Tribunal (agricultural show involving use of land for 12 days or more); *Hadley & Sons v Dickman (Valuation Officer)*

(1978) 21 RRC 324, Lands Tribunal (tipping of land for a drainage scheme); *Re Forrest (Valuation Officer)* [1981] RVR 66, Lands Tribunal (aircraft runway); *Forster v Simpson (Valuation Officer)* [1984] RA 85, Lands Tribunal (racehorse gallops); *Hayes (Valuation Officer) v Loyd* [1985] 2 All ER 313, [1985] 1 WLR 714, HL (point-to-point once a year). Nevertheless, it is impossible to give the word 'only' its full meaning when the arable, meadow or pasture land is used for sport or recreation within the latter part of the definition of 'agricultural land' (see head (d) in the text), and in such cases the test adopted in practice is that of the primary use: see the cases cited in note 16 infra.

7 Local Government Finance Act 1988 Sch 5 para 2(1)(c).

8 As to the meaning of 'market garden' see *Hood Barrs v Howard (Valuation Officer)* (1967) 13 RRC 164, CA. The Lands Tribunal has held that the production of mushroom spawn is not market gardening: *Darlington & Sons (Holdings) Ltd v Langridge (Valuation Officer)* [1973] RA 207. See also *Andsome Garden Products Ltd v King (Valuation Officer)* [1990] RVR 31.

11 Local Government Finance Act 1988 Sch 5 para 2(1)(d). The reference to allotments includes allotment gardens within the meaning of the Allotments Act 1922 (ie an allotment not exceeding a quarter of an acre in extent which is wholly or mainly cultivated by the occupier for the production of vegetable or fruit crops for his own or his family's consumption: see the Allotments Act 1922 s 22(1); and AGRICULTURAL LAND vol 1 (2008) PARA 510): see the Local Government Finance Act 1988 Sch 5 para 2(1)(d).

12 Ibid Sch 5 para 2(1)(e). The text refers to a building which (or buildings each of which) is an agricultural building by virtue of Sch 5 paras 4-7 (Sch 5 para 7 as amended) (see PARA 45 et seq post): see Sch 5 para 2(1)(e).

13 Ibid Sch 5 para 2(2)(a). 'Park' is not limited to an ancient legal park: *Earl of Devon v Rees (Valuation Officer)* (1951) 44 R & IT 74, Lands Tribunal. See also the following decisions under other statutory provisions: *Huish Overseers v Surveyor of Taxes* (1897) 61 JP 487 (home farm worked by landowner's bailiff not a park); *Pease v Courtney* [1904] 2 Ch 503 (in relation to what is now the Settled Land Act 1925 s 65); *Re Ripon (Highfield) Housing Confirmation Order 1938*, *White and Collins v Minister of Health* [1939] 2 KB 838, [1939] 3 All ER 548, CA (in relation to the Housing Act 1936 s 75 (repealed)); *R v Bradford* [1908] 1 KB 365, DC (in relation to what is now the Highways Act 1980 s 45 (as amended)). 15 Ibid Sch 5 para 2(2)(c). However, certain pleasure grounds dedicated to the public are exempt: see PARA 53 post.

16 Ibid Sch 5 para 2(2)(d). In the case of arable, meadow or pasture ground which is also used for sport or recreation it is difficult to reconcile the wording of the two parts of the definition of 'agricultural land'. The Lands Tribunal has in a number of cases considered whether the agricultural or sporting use was predominant. See *Watkins v Herefordshire Assessment Committee* (1935) 154 LT 262, DC (river with uses for agriculture and fishing held agricultural); *Fenwick v Capstick (Valuation Officer) and Weardale RDC* (1956) 49 R & IT 38, Lands Tribunal (moorland used for grazing and shooting not agricultural); *Waller v Builth RDC* (1954) 47 R & IT 727, Lands Tribunal (land adjoining fishing river held agricultural); *Abernant Hotel and Estate Co Ltd v Davies (Valuation Officer)* (1954) 47 R & IT 694, Lands Tribunal (golf course mown for hay and grazed by animals not agricultural; for a similar decision in Scotland see *Inland Revenue Officer v Assessor for Ross and Cromarty* 1930 SC 404); *Clay and Clay v Newbigging (Valuation Officer)* (1956) 1 RRC 13, Lands Tribunal (river with uses for agriculture and fishing held not agricultural); *Cutts (Valuation Officer) v Viscount Ingleby* (1957) 1 RRC 254, Lands Tribunal (moorland used for grazing and shooting held agricultural); *Bloodworth (Valuation Officer) v Marquis of Exeter* (1958) 4 RRC 135, Lands Tribunal (land used for grazing and for golf held agricultural); *Govett's Executors v Wand (Valuation Officer)* (1959) 5 RRC 232, Lands Tribunal (land used for agriculture and

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(4) EXEMPTIONS FROM NON-DOMESTIC RATING/(iv) Agricultural Land and Buildings/45. Buildings occupied together with agricultural land.

45. Buildings occupied together with agricultural land.

For the purposes of exempting agricultural buildings from local non-domestic rating¹, a building² is an agricultural building if it is not a dwelling³, and if: (1) it is occupied together with⁴ agricultural land⁵ and is used solely in connection with agricultural operations⁶ on that or other agricultural land⁷; or (2) it is or forms part of a market garden⁸ and is used solely in connection with⁹ agricultural operations¹⁰ at the market garden¹¹.

A building is also an agricultural building if it is used solely in connection with agricultural operations carried on on agricultural land¹² and is occupied either: (a) by the occupiers¹³ of all the land concerned¹⁴; or (b) by individuals each of whom is appointed by the occupiers of the land concerned to manage the use of the building¹⁵, and is: (i) an occupier of some of the land concerned¹⁶; or (ii) a member of the board of directors or other governing body of a person who is both a body corporate¹⁷ and an occupier of the land concerned¹⁸.

In determining for these purposes¹⁹ whether a building used in any way is solely so used, no account is to be taken of any time during which it is used in any other way, if that time does not amount to a substantial part of the time during which the building is used²⁰.

1 See PARA 43 ante.

2 For these purposes, 'building' includes a separate part of a building: Local Government Finance Act 1988 s 51, Sch 5 para 8(4).

'Building' in this context has been held not to be restricted to enclosures of brick and stonework, and may include structures which would not be considered as buildings under other statutes: see *Shaw v Borrett (Valuation Officer)* [1967] RA 90, Lands Tribunal, where a timber framed poultry house clad with timber and asbestos was held to be an agricultural building.

Some of the cases cited in this paragraph were decided prior to the coming into force of the Local Government Finance Act 1988 and, therefore, must now be considered in relation to the non-domestic rating provisions in Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 46 et seq post). As to the historical development of rating law and the continuing relevance of the old case law to the current statutory regime see PARA 2 ante.

3 Ibid Sch 5 para 3. 'Dwelling' has a broader meaning than dwelling house: see *Winterton (Valuation Officer) v Friday Bridge Agricultural Camp Ltd* [1974] RA 309, where seasonal accommodation for fruit pickers was held to be a dwelling, not an agricultural building.

4 For one building to be 'occupied together with' agricultural land or another building the two must be in the same occupation and the activities must be jointly controlled or managed; there is no conclusive geographical test, but as it is necessary to show that the two are occupied together 'so as to form in a real sense a single agricultural unit' propinquity and distance may give a good indication: *Farmer (Valuation Officer) and Hambleton District Council v Buxted Poultry Ltd* [1993] AC 369, [1993] RA 1, HL. In earlier cases, including one in the House of Lords (*W & JB Eastwood Ltd v Herrod (Valuation Officer)* (1967) 13 RRC 108, [1968] RA 82, Lands Tribunal; on appeal [1971] AC 160, [1970] 1 All ER 774, HL) separation by a distance of a number of miles was not considered fatal to exemption: see eg *Plumpton (Valuation Officer) v Treasures Farms (Ludlow) Ltd* [1965] RA 313, 11 RRC 247; *GC Taylor (Farms) Ltd v Perth and Kinross Assessor* 1962 SC 444; *Hilleshog Sugar Beet Breeding Co Ltd v Wilkes (Valuation Officer)* (1971) 17 RRC 275; *Maurice E Taylor (Merchants) Ltd v Commissioner of Valuation* [1981] NI 236; *Handley (Valuation Officer) v Bernard Matthews plc* [1988] RA 222. These cases must now be read in the light of *Farmer (Valuation Officer) and Hambleton District Council v Buxted Poultry Ltd* supra.

The building and land must be in the same occupation: *Perrins v Draper* [1953] 2 All ER 863, [1953] 1 WLR 1178, CA, where dairy buildings were not exempt as the milk was produced on an adjoining farm in separate occupation. See also *Ellerby v March (Valuation Officer)* (1953) 46 R & IT 718, Lands Tribunal (on appeal [1954] 2 QB 357, [1954] 2 All ER 375, CA); *Evans v Day (Valuation Officer)* [1967] RA 266, Lands Tribunal, where a building used for the maintenance of agricultural machinery was not exempt as the machines were used on

land in other occupation; *Hall-Mark Hatcheries Ltd v Spencer (Valuation Officer) and Basildon UDC* (1956) 1 RRC 20, where hatchery buildings were not exempt as the eggs were produced on another farm.

6 As to which see note 10 infra.

7 Local Government Finance Act 1988 Sch 5 para 3(a) (substituted by the Local Government Act 2003 s 67(1), (2)). The Local Government Finance Act 1988 Sch 5 para 3(a) (as substituted) is worded so as to apply to 'operations on that or other agricultural land' in order to reflect modern farming practices whereby farmers work on other agricultural land, perhaps on a share or contract basis, or through the pooling of resources or machinery.

Rooms used for the production of mushroom spawn do not constitute a market garden (*Darlington & Sons (Holdings) Ltd v Langridge (Valuation Officer)* [1973] RA 207), although the growing of mushrooms is an agricultural operation (*J Beveridge & Co Ltd v Perth and Kinross Assessor* [1967] RA 482). As to the meaning of 'market garden' see the relevant cases cited in PARA 44 note 8 ante.

9 In *W & JB Eastwood Ltd v Herrod (Valuation Officer)* (1967) 13 RRC 108, [1968] RA 82, Lands Tribunal (on appeal [1971] AC 160, [1970] 1 All ER 774, HL), intensive poultry farming buildings were held not to be occupied together with agricultural land on which 4% of the poultry's feed was grown because the use of the building was not ancillary to the operations on the land.

10 'Agricultural operations' has been held to mean operations by way of cultivating the soil or rearing livestock: *Gilmore (Valuation Officer) v Baker-Carr* [1962] 3 All ER 230 at 232, [1962] 1 WLR 1165 at 1172, CA, per Lord Denning MR. 46. Livestock buildings.

For the purposes of exempting agricultural buildings from local non-domestic rating¹, a building² is an agricultural building if: (1) it is used for the keeping or breeding of livestock³; (2) it is not a dwelling⁴ and it is occupied together with one or more buildings falling within head (1) above and it is used in connection with the operations carried on in that building or those buildings⁵.

However, head (1) above does not apply to a building unless either it is solely used as mentioned in head (1) above⁶, or it is occupied together with agricultural land⁷ and used also in connection with agricultural operations⁸ on that land, and that other use together with the use mentioned in head (1) above is its sole use⁹. A building used as mentioned in head (2) above is not an agricultural building unless either it is solely used as mentioned in head (2) above¹⁰, or it is occupied also together with agricultural land and used also in connection with agricultural operations on that land, and that other use together with the use mentioned in head (2) above is its sole use¹¹. Nor is a building an agricultural building by virtue of these provisions unless it is surrounded by or contiguous to an area of agricultural land which amounts to not less than two hectares¹²; and in determining for this purpose¹³ whether an area is agricultural land and what is its size, there must be disregarded¹⁴: (a) any road, watercourse or railway¹⁵; (b) any agricultural building other than the building in question¹⁶; and (c) any building occupied together with the building in question¹⁷.

2 As to the meaning of 'building' for these purposes see PARA 45 note 2 ante.

3 Local Government Finance Act 1988 s 51, Sch 5 para 5(1)(a). For these purposes, 'livestock' includes any mammal or bird kept for the production of food or wool or for the purpose of its use in the farming of land: Sch 5 para 8(5).

Pigs used in experiments, not kept for the production of food and so not livestock, are not within this meaning: *Meat and Livestock Commission v Stirlingshire Assessor* [1975] RA 234. Pig raising may, however, be an agricultural operation: see PARA 45 ante. 47. Buildings occupied by bodies corporate.

For the purposes of exempting agricultural buildings from local non-domestic rating¹, a building², is an agricultural building³ if it is not a dwelling⁴, and if: (1) it is used in connection with agricultural operations⁵ carried on on agricultural land⁶; (2) it is occupied by a body corporate any of whose members are (or are together with the body) the occupiers of the land⁷; and (3) the members who are occupiers of the land together have control of the body⁸.

A building is also an agricultural building for these purposes if it is not a dwelling⁹, and: (a) it is used in connection with the operations carried on in a building which (or buildings each of which) is used for the keeping or breeding of livestock¹⁰, and is¹¹ an agricultural building¹²; and (b) the building in question¹³: (i) is occupied by a body corporate any of whose members are (or are together with the body) the occupiers of the building or buildings mentioned in head (a) above¹⁴, and the members who are occupiers of the land together have control of the body¹⁵; or (ii) is occupied by the same persons as the building or buildings mentioned in head (a) above¹⁶; or (iii) is occupied by individuals each of whom is appointed by the occupiers of the building or buildings mentioned in head (a) above to manage the use of the building in question¹⁷, and each of whom is either an occupier of part of the building (or of part of one of the buildings) mentioned in head (a) above¹⁸, or is a member of the board of directors or other governing body of a person who is both a body corporate and an occupier of the building or buildings mentioned in head (a) above¹⁹.

A building does not qualify for either set of exemption conditions set out above²⁰ unless the use mentioned in either of those conditions (or that use together with the use mentioned in the other of those conditions) is its sole use²¹.

48. Buildings occupied in connection with bee-keeping.

For the purposes of exempting agricultural buildings from local non-domestic rating¹, a building² is an agricultural building if it is not a dwelling³, if it is occupied by person keeping bees, if it is used solely⁴ in connection with the keeping of those bees⁵, and if it is surrounded by or contiguous to an area of agricultural land⁶ which amounts to not less than two hectares⁷. In deciding for these purposes⁸ whether an area is agricultural land and what is its size, the following are to be disregarded⁹, namely: (1) any road, watercourse or railway¹⁰; (2) any agricultural building other than the building in question¹¹; (3) any building occupied together with the building in question¹².

49. Fish farms.

A hereditament¹ is exempt from local non-domestic rating² to the extent that it consists of land or buildings³ (other than dwellings⁴) used solely⁵ for or in connection with fish farming⁶.

In determining whether land or a building used for or in connection with fish farming is solely so used, no account is to be taken of any time during which it is used in any other way, if that time does not amount to a substantial part of the time during which the land or building is used⁷.

1 For the meaning of 'hereditament' see PARA 33 et seq ante.

2 For the meaning of 'exempt' for these purposes see the Local Government Finance Act 1988 s 51, Sch 5 para 21(1), (2); and see PARA 37 note 21 ante. As to the non-domestic rating provisions see PARAS 7 et seq ante, 50 et seq post. A hereditament that is completely exempt under Sch 5 para 9 (as amended) is not to be entered into a rating list: see s 42(1); and PARA 123 post.

3 For these purposes, 'building' includes a separate part of a building: ibid Sch 5 para 9(3).

4 As to the meaning of 'dwelling' see the case cited in PARA 45 note 3 ante.

5 As to sole use see PARA 45 ante; and see note 7 infra.

6 Local Government Finance Act 1988 Sch 5 para 9(1). 'Fish farming' means the breeding or rearing of fish or the cultivation of shellfish (including crustaceans and molluscs of any description) for the purpose of (or for purposes which include) transferring them to other waters or producing food for human consumption: Sch 5 para 9(4), (5). However, an activity does not constitute fish farming if the fish or shellfish are or include fish or shellfish which are purely ornamental, or which are bred, reared or cultivated for exhibition: Sch 5 para 9(4A) (added by the Local Government and Housing Act 1989 s 139, Sch 5 paras 37(3), 79(3)).

A hereditament¹ is exempt from local non-domestic rating² to the extent that it consists of a sewer³ or an accessory⁴ belonging to a sewer⁵.

4 For these purposes, 'accessory' means a manhole, ventilating shaft, pumping station, pump or other accessory: *ibid* Sch 5 para 13(3). It has been held that 'accessory' should be given its ordinary meaning and not one *eiusdem generis* with the preceding words: *Jones (Valuation Officer) v Eastern Valleys (Monmouthshire) Joint Sewerage Board (No 2)* (1960) 6 RRC 387, Lands Tribunal (storm water tanks for sewer exempt); *Gudgion (Valuation Officer) v Erith Borough Council and LCC* (1961) 8 RRC 324, [1961] RVR 492, CA (screen and pumps to assist flow through sewer exempt); cf *Hoggett (Valuation Officer) v Cheltenham Corp* [1964] RA 1, Lands Tribunal (screens, a detritor and storm water tanks held to be preparatory to sewage treatment and not accessories). - 41 (2) the provision of welfare services for disabled persons⁷;

4 The Lands Tribunal has expressed the view that the phrase 'suitably occupied' is to be understood from the context of its juxtaposition to 'training': *Chilcott (Valuation Officer) v Day* [1995] RA 285, Lands Tribunal; *O'Kelly v Davey (Valuation Officer)* [1996] RA 238, Lands Tribunal. See also *Halliday (Valuation Officer) v Priory Hospital Group of the Nottingham Clinic* [2001] RA 355, Lands Tribunal ('training' refers to the instruction of a person for some particular occupation or practice that is suitable to his condition and does not extend to group therapy, counselling and other procedures that are aimed at helping that person to address and cope with his illness). The Lands Tribunal has also concluded that occupation, however suitable, which is for the purpose of reward is not contemplated by the Local Government Finance Act 1988 Sch 5 para 16 (as amended): see *O'Kelly v Davey (Valuation Officer)* supra. Some of the cases cited in this paragraph were decided prior to the coming into force of the Local Government Finance Act 1988 and, therefore, must now be considered in relation to the non-domestic rating provisions in Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 54 et seq post). As to the historical development of rating law and the continuing relevance of the old case law to the current statutory regime see PARA 2 ante.

(5) CHARGEABLE AMOUNT

(i) Local Non-domestic Rating Lists

A. OCCUPIED HEREDITAMENTS

60. Calculating the amount payable for occupied hereditaments in the local rating list.

The ratepayer¹ is subject to the non-domestic rate in respect of a chargeable financial year² if the following conditions are fulfilled in respect of any day in the year, namely if: (1) on that day he is in occupation³ of all or part of the hereditament⁴; and (2) the hereditament is shown for that day in a local non-domestic rating list in force for the year⁵.

The amount payable is calculated by: (a) finding the chargeable amount⁶ for each chargeable day⁷; and (b) aggregating the amounts found under head (a) above⁸. For most cases, the chargeable amount for a chargeable day is calculated by multiplying the rateable value⁹ by the non-domestic rating multiplier for the financial year¹⁰, and using the number of days in the financial year¹¹ to divide the product¹². However, where the relevant conditions are met, rate relief schemes may apply variations to this formula in cases where the hereditament relates to a small business¹³, to a charity or registered club¹⁴, to a qualifying general store, food store or post office on the rural settlement list¹⁵ or to certain former agricultural land or buildings¹⁶.

The amount the ratepayer is liable to pay in any case must be paid to the billing authority in whose local non-domestic rating list the hereditament is shown¹⁷.

2 For the purposes of the Local Government Finance Act 1988, chargeable financial years are financial years beginning in 1990 and subsequent years: s 145(1). For the meaning of 'financial year' for these purposes see PARA 1 note 1 ante.

3 As to what constitutes occupation see PARA 12 et seq ante; and as to deemed occupation in relation to multiple moorings for these purposes see PARA 34 ante.

4 Local Government Finance Act 1988 s 43(1)(a). The reference to a part of a hereditament in head (1) in the text ensures that an occupier who was in occupation (but not in occupation of the whole building) for a temporary period is liable for an apportioned rate in respect of that period, by virtue of the combined effect of s 43(1) and s 44A(1) (as added and amended) (see PARA 61 post): see *Croydon London Borough Council v Maxon Systems Inc (London) Ltd* [1999] RA 286, [1999] EGCS 68.

5 Local Government Finance Act 1988 s 43(1)(b).

6 As to the formulae according to which the chargeable amount for occupied property is calculated see the text and notes 9-16 infra.

7 Local Government Finance Act 1988 s 43(2)(a). For these purposes, a chargeable day is one which falls within the financial year and in respect of which the conditions in s 43(1) (see heads (1) and (2) in the text) are fulfilled: s 43(3).

8 Ibid s 43(2)(b).

9 Ie the rateable value shown for the day in the local non-domestic rating list under ibid s 42(4) (as amended) (see PARA 123 et seq post) as regards the hereditament: see s 44(1), (2) (s 44(2) amended by the Local Government and Housing Act 1989 s 194(4), Sch 5 paras 1, 21, 79(3), Sch 12 Pt II).

10 See the Local Government Finance Act 1988 s 44(1), (4). The non-domestic rating multiplier is a uniform amount applying to every billing authority area and is fixed annually by the Secretary of State (or the Welsh Ministers, as the case may be) using the method set out in s 56(2), Sch 7 (as amended): see PARA 86 note 6 post. As to the Secretary of State and the Welsh Ministers see PARA 3 ante; and as to billing authorities see PARA 5 ante.

Where the billing authority is a special authority, the figure used for the non-domestic rating multiplier is the authority's non-domestic rating multiplier for the financial year: see s 44(1), (5) (amended by the Local Government Finance Act 1992 s 117(1), Sch 13 para 61). A billing authority is a special authority if its population on 1 April 1986 was less than 10,000 and its gross rateable value on that date divided by its population on that date was more than £10,000: Local Government Finance Act 1988 s 144(6) (amended by the Local Government Finance Act 1992 Sch 13 para 81(2)). An authority's population on 1 April 1986 was the Registrar General's estimate of its population on that date as certified by him to the Secretary of State for the purposes of the enactments relating to rate support grant; and an authority's gross rateable value on that date was the aggregate of the rateable values on that date of the hereditaments in its area: Local Government Finance Act 1988 s 144(7).

11 See ibid s 44(1), (6).

12 See ibid s 43(4) (amended by the Local Government and Rating Act 1997 s 1, Sch 1 para 2(a); and the Local Government Act 2003 s 61(1), (2)). The calculation of the chargeable amount for a chargeable day using the formula set out in the Local Government Finance Act 1988 s 43(4) (as amended) is subject to s 43(4A) (as added) (see PARA 70 post), s 43(5) (see PARA 73 post) and s 43(6A) (as added and amended) (see PARA 76 et seq post): see s 43(4) (as so amended); and the text and notes 13-16 infra.

13 See ibid s 43(4A) (as added); and PARA 70 post.

14 See ibid s 43(5); and PARA 73 post.

15 See ibid s 43(6A) (as added and amended); and PARA 76 post.

16 See ibid s 43(6F)-(6L) (as added); and PARA 77 post.

17 Ibid s 43(7) (amended by the Local Government Finance Act 1992 Sch 13 para 60). The liability to pay any such amount is discharged by making a payment or payments in accordance with regulations made under the Local Government Finance Act 1988 s 62, Sch 9 (as amended) (see PARA 141 et seq post): s 43(8). As to the regulations so made see the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058 (amended by the Statute Law (Repeals) Act 1995; SI 1990/145; SI 1991/141; SI 1991/1127; SI 1992/474; SI 1992/1512; SI 1993/616; SI 1993/774; SI 1993/1493; SI 1996/675; SI 1996/1880; SI 1998/3089; SI 2005/617; and in relation to England only by SI 2000/2026; SI 2001/362; SI 2003/2210; SI 2003/2604; SI 2003/3052; SI 2006/237; SI 2006/3395; SI 2007/501; and in relation to Wales only by SI 2001/1076; SI 2003/1714; SI 2004/1013) (see PARAS 170, 175 et seq post). UPDATE

60 Calculating the amount payable for occupied hereditaments in the local rating list

NOTE 17--SI 1989/1058 further amended in relation to England: SI 2008/428.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(5) CHARGEABLE AMOUNT/(i) Local Non-domestic Rating Lists/B. PARTLY OCCUPIED HEREDITAMENTS/61. Calculating the amount payable for partly occupied hereditaments in the local rating list.

B. PARTLY OCCUPIED HEREDITAMENTS

61. Calculating the amount payable for partly occupied hereditaments in the local rating list.

Where a hereditament¹ is shown in a billing authority's² local non-domestic rating list³ and it appears to the authority that part of the hereditament is unoccupied but will remain so for a short time only, the authority may require the valuation officer⁴ for the authority to apportion the rateable value of the hereditament⁵ between the occupied and unoccupied parts of the hereditament and to certify the apportionment to the authority⁶. For these purposes, an apportionment is to be treated as applicable for any day which: (1) falls within the operative period⁷ in relation to the apportionment⁸; and (2) is a day for which the rateable value shown⁹ as regards the hereditament to which the apportionment relates is the same as that so shown for the day on which the authority requires the apportionment¹⁰.

In circumstances where:

- 44 (a) a billing authority requires such an apportionment¹¹; and
- 45 (b) the hereditament to which the apportionment relates either does not fall within a class prescribed by the Secretary of State (or the Welsh Ministers, as the case may be) by regulations¹² or would (if unoccupied) be zero-rated¹³,

then, in relation to any day for which the apportionment is applicable, the provisions relating to the liability for occupied hereditaments¹⁴ have effect with modifications as regards the hereditament¹⁵. Similarly, where:

- 46 (i) a billing authority requires such an apportionment¹⁶;
- 47 (ii) the hereditament to which the apportionment relates both falls within a class prescribed by the Secretary of State (or the Welsh Ministers, as the case may be) by regulations¹⁷ and would (if unoccupied) not be zero-rated¹⁸; and
- 48 (iii) an order¹⁹ is in force and has effect in relation to the hereditament²⁰,

then, in relation to any day for which the apportionment is applicable, the provisions relating to the liability for occupied hereditaments²¹ have effect with modifications as regards the hereditament²². However, in relation to any day where neither set of conditions applies to the hereditament²³, such an apportionment²⁴ does not have any effect in relation to the chargeable amount²⁵.

1 For the meaning of 'hereditament' see PARA 33 et seq ante. References in the Local Government Finance Act 1988 s 44A(1)-(5) (as added and amended) to the hereditament, in relation to a hereditament which is partly domestic property or partly exempt from local non-domestic rating, are to be construed, except where the reference is to the rateable value of the hereditament, as references to such part of the hereditament as is neither domestic property nor exempt from local non-domestic rating: s 44A(10) (s 44A added by the Local Government and Housing Act 1989 s 139, Sch 5 paras 22, 79(3)). 18 (2) where requiring the apportionment does have the effect of bringing to an end the operative period in relation to a previous apportionment under s 44A(1) (as added and amended), with the day immediately following the end of that period (s 44A(4)(b) (as so added)),

and ending with the first day on which one or more of the following events occurs (s 44A(4) (as so added)), namely:

19 (a) the occupation of any of the unoccupied part of the hereditament to which the apportionment relates (s 44A(5)(a) (as so added));

15 Ibid s 44A(7) (as added: see note 1 supra). The chargeable amount for a chargeable day is calculated by multiplying the rateable value by the non-domestic rating multiplier for the financial year, and dividing the product by the number of days in the financial year in the same way as for occupied hereditaments: see the

Local Government Finance Act 1988 s 43 (as amended); and PARAS 60 ante, 70 et seq post. However, the rateable value in this case is only such part of the rateable value shown for the day as regards the hereditament as is assigned by the relevant apportionments to the occupied part of the hereditament: s 44(2) (substituted by s 44A(7) (as so added)). For these purposes, 'relevant apportionment' means the apportionment under s 44A(1) (as added and amended) (see the text and notes 1-6 supra) which relates to the hereditament and is treated for the purposes of s 44A (as added and amended) as applicable for the day: s 44(2A) (added by s 44A(7) (as so added)).

The chargeable amount for a chargeable day is calculated by multiplying the rateable value by the non-domestic rating multiplier for the financial year, and dividing the product by the number of days in the financial year in the same way as for occupied hereditaments: see the Local Government Finance Act 1988 s 43 (as amended); and PARAS 60 ante, 70 et seq post. However, the rateable value in this case is the sum of: (1) such part of the rateable value shown for the day under s 42(4) (as amended) (see PARA 123 et seq post) as regards the hereditament as is assigned by the relevant apportionment to the occupied part of the hereditament (s 44(2)(a) (substituted by s 44A(9) (as so added and amended))); and (2) such part of that rateable value as is assigned by the relevant apportionment to the unoccupied part of the hereditament, divided by the number prescribed by the order under s 45(4A) (as added) (see PARA 79 post) as it has effect in relation to the hereditament (s 44(2)(b) (substituted by s 44A(9) (as so added and amended))). For these purposes, 'relevant apportionment' means the apportionment under s 44A(1) (as added and amended) (see the text and notes 1-6 supra) which relates to the hereditament and is treated for the purposes of s 44A (as added and amended) as applicable for the day: s 44(2A) (added by s 44A(9) (as so added and amended)).

C. UNOCCUPIED HEREDITAMENTS

62. Liability for unoccupied hereditaments.

The ratepayer¹ is subject to the non-domestic rate in respect of a chargeable financial year² if the following conditions are fulfilled in respect of any day in the year³, namely if:

- 49 (1) on the day none of the hereditament is occupied⁴;
- 50 (2) on the day the ratepayer is the owner⁵ of the whole of the hereditament⁶;
- 51 (3) the hereditament is shown for the day in a local non-domestic rating list in force for the year⁷; and
- 52 (4) on the day the hereditament falls within a class prescribed⁸ by the Secretary of State (or the Welsh Ministers, as the case may be)⁹ by regulations¹⁰.

In such a case, the ratepayer is liable to pay an amount calculated by: (a) finding the chargeable amount¹¹ for each chargeable day¹²; and (b) aggregating the amounts found under head (a) above¹³. The chargeable amount for a chargeable day is calculated by multiplying the rateable value¹⁴ by the non-domestic rating multiplier for the financial year¹⁵, and using the number of days in the financial year¹⁶ to divide the product¹⁷. However, liability for unoccupied properties may be reduced by order¹⁸ and unoccupied hereditaments used by charities or by registered community amateur sports clubs may be zero-rated¹⁹.

The amount the ratepayer is liable to pay must be paid to the billing authority in whose local non-domestic rating list the hereditament is shown²⁰.

1 Ie a person who is subject to a non-domestic rate as regards a hereditament in a local rating list: see the Local Government Finance Act 1988 s 45(1). For the meaning of 'hereditament' see PARA 33 et seq ante. As to local non-domestic rating lists see PARA 121 et seq post.

2 For the purposes of the Local Government Finance Act 1988, chargeable financial years are financial years beginning in 1990 and subsequent years: s 145(1). For the meaning of 'financial year' for these purposes see PARA 1 note 1 ante.

3 See *ibid* s 45(1).

4 *Ibid* s 45(1)(a). As to what constitutes occupation see PARA 12 et seq ante; and as to deemed occupation in relation to multiple moorings for these purposes see PARA 34 ante. The actions of a receiver and manager in managing a company's business do not, without more, amount to rateable occupation of the company's premises by the receiver and manager: see *Ratford v Northavon District Council* [1987] QB 357, CA (for rating purposes, any occupation enjoyed by a receiver and manager in running the company's business as agents of the company was occupation by the company), applied in *Rees v Boston Borough Council* [2001] EWCA Civ 1934, [2002] 1 WLR 1304, [2002] RA 21. See also the cases cited in note 5 *infra*.

Where a day is determined under the Local Government Finance Act 1988 s 46A(1) (as added), Sch 4A (as added and amended) as the completion day in relation to a new building (see PARA 65 post), and the building is not occupied on that day, it is deemed for the purposes of s 45 (as amended) to become unoccupied on that day: s 46A(4) (s 46A added by the Local Government and Housing Act 1989 s 139, Sch 5 paras 25, 79(3)). Where a day is determined under the Local Government Finance Act 1988 Sch 4A (as added and amended) as the completion day in relation to a new building, and the building is one produced by the structural alteration of an existing building, the hereditament which comprised the existing building is deemed for the purposes of s 45 (as amended) to have ceased to exist (and to have been omitted from the list) on that day: s 46A(5) (as so added).

5 For the meaning of 'owner' see PARA 13 ante. A person is entitled to possession of a hereditament only if he is immediately entitled to possession of it, so a receiver under a debenture is not entitled to possession of a hereditament if he remains just the agent of the company: *Brown v City of London Corp*n [1996] 1 WLR 1070, sub nom *Re Sobam BV and Satelscoop BV* [1996] RA 93. However, he may become the owner if he has exercised a right to take possession: see *Banister v Islington London Borough Council* (1973) 17 RRC 191, DC. For the purposes of head (4) in the text, a class may be prescribed by reference to such factors as the Secretary of State (or the Welsh Ministers, as the case may be) sees fit: Local Government Finance Act 1988 s 45(9) (added by the Local Government and Housing Act 1989 Sch 5 paras 23(3), 79(3)). 'Prescribed' in the context of regulations, means prescribed by the regulations: Local Government Finance Act 1988 s 146(6). As to the making of regulations under the Local Government Finance Act 1988 generally see PARA 3 ante; and as to the classes prescribed see PARA 63 post.

11 Subject to certain exceptions, the chargeable amount for unoccupied property is calculated in accordance with the formula set out in *ibid* s 45(4) (as substituted) (see the text and notes 14-17 infra).

12 Ibid s 45(2)(a). A chargeable day is one which falls within the financial year and in respect of which the conditions mentioned in s 45(1) (as amended) (see heads (1)-(4) in the text) are fulfilled: s 45(3).

UPDATE

62 Liability for unoccupied hereditaments

NOTE 20--SI 1989/1058 further amended: see PARA 60 NOTE 17.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(5) CHARGEABLE AMOUNT/(i) Local Non-domestic Rating Lists/C. UNOCCUPIED HEREDITAMENTS/63. Prescribed class of unoccupied hereditament.

63. Prescribed class of unoccupied hereditament.

A ratepayer may be liable as regards an unoccupied non-domestic hereditament¹ included in a class which may be prescribed² by reference to such factors as the Secretary of State (or the Welsh Ministers, as the case may be)³ sees fit⁴; and in particular such a class may be prescribed by reference to one or more of the following factors⁵:

- 53 (1) the physical characteristics of the hereditaments⁶;
- 54 (2) the fact that hereditaments have been unoccupied at any time preceding the day⁷ in question⁸;
- 55 (3) the fact that the owners of hereditaments fall within prescribed descriptions⁹.

The class of non-domestic hereditaments prescribed for these purposes¹⁰ consists of all relevant non-domestic hereditaments¹¹ to which none of the following conditions applies¹², namely that:

- 56 (a) the whole hereditament has been unoccupied for a continuous period¹³ not exceeding three months¹⁴;
- 57 (b) its owner¹⁵ is prohibited by law from occupying the hereditament or allowing it to be occupied¹⁶;
- 58 (c) it is kept vacant by reason of action taken by or on behalf of the Crown or any local or public authority with a view to prohibiting the occupation of the hereditament or to acquiring it¹⁷;
- 59 (d) it is the subject of a building preservation notice¹⁸ or is included in a list of buildings of special architectural or historic interest¹⁹;
- 60 (e) it is included in the schedule of monuments compiled under the Ancient Monuments and Archaeological Areas Act 1979²⁰;
- 61 (f) it is a qualifying industrial hereditament²¹;
- 62 (g) its rateable value is less than £2,200²²;
- 63 (h) the owner is entitled to possession of the hereditament only in his capacity as the personal representative of a deceased person²³;
- 64 (i) there subsists in respect of the owner's estate a bankruptcy order²⁴;
- 65 (j) the owner is entitled to possession of the hereditament in his capacity as trustee under a deed of arrangement to which the Deeds of Arrangement Act 1914 applies²⁵;
- 66 (k) the owner is a company which is subject to a winding up order made under the Insolvency Act 1986 or which is being wound up voluntarily under that Act²⁶;
- 67 (l) the owner is entitled to possession of the hereditament in his capacity as liquidator by virtue of an order made under the Insolvency Act 1986²⁷.

Accordingly, a relevant hereditament which falls within at least one of the exceptions mentioned in heads (a) to (l) above is not subject to unoccupied rates²⁸.

1 le for the purposes of the Local Government Finance Act 1988 s 45(1)(d) (as amended) (see PARA 62 ante): see s 45(9) (as added: see note 4 infra); and PARA 62 ante. For the meaning of 'hereditament' see PARA 33 et seq ante.

2 'Prescribed' in the context of an order or regulations, means prescribed by the order or regulations: *ibid* s 146(6). As to the regulations so prescribed see the text and notes 10-28 *infra*. As to the making of regulations under the Local Government Finance Act 1988 generally see *PARA 3 ante*.

3 As to the Secretary of State and the Welsh Ministers see *PARA 3 ante*.

4 See the Local Government Finance Act 1988 s 45(9) (s 45(9), (10) added by the Local Government and Housing Act 1989 s 139, Sch 5 paras 23(3), 79(3)).

5 See the Local Government Finance Act 1988 s 45(10) (as added: see note 4 *supra*).

6 *Ibid* s 45(10)(a) (as added: see note 4 *supra*).

7 *Ie* the day mentioned in *ibid* s 45(1) (as amended) (see *PARA 62 ante*): see s 45(10)(b) (as added: see note 4 *supra*).

8 *Ibid* s 45(10)(b) (as added: see note 4 *supra*).

9 *Ibid* s 45(10)(c) (as added: see note 4 *supra*).

10 *Ie* for the purposes of *ibid* s 45(1) (as amended) (see *PARA 62 ante*): see the Non-Domestic Rating (Unoccupied Property) Regulations 1989, SI 1989/2261, reg 2(1).

11 For these purposes, 'relevant non-domestic hereditament' means any non-domestic hereditament consisting of (or of part of) any building, together with any land ordinarily used or intended for use for the purposes of the building or part: *ibid* reg 2(5)(a). It is submitted that a hereditament consisting primarily of land as opposed to buildings would not qualify for these purposes.

12 *Ibid* reg 2(1).

13 However, where a hereditament which has been unoccupied becomes occupied on any day and becomes unoccupied again on the expiration of a period of less than six weeks beginning with that day, then for the purposes of ascertaining whether the hereditament has been continuously unoccupied for the period mentioned in head (a) in the text (and, in relation to Wales only, head (f) in the text) it is to be treated as having been unoccupied on that day and throughout the period: *ibid* reg 2(3) (amended in relation to Wales only by SI 2007/3354).

14 Non-Domestic Rating (Unoccupied Property) Regulations 1989, SI 1989/2261, reg 2(2)(a). For these purposes (and, in relation to Wales only, for the purposes of head (f) in the text also), a hereditament which has not previously been occupied is to be treated as becoming unoccupied (reg 2(4) (amended in relation to Wales only by SI 2007/3354)):

23 (1) on the day determined under the General Rate Act 1967 Sch 1 para 8 (repealed) (Non-Domestic Rating (Unoccupied Property) Regulations 1989, SI 1989/2261, reg 2(4)(a)); or

24 (2) on the day determined under the Local Government Finance Act 1988 s 46A(1) (as added), Sch 4A (as added and amended) (see *PARA 65 et seq post*) (Non-Domestic Rating (Unoccupied Property) Regulations 1989, SI 1989/2261, reg 2(4)(b)); or

25 (3) where neither head (1) nor (2) *supra* applies, on the day for which the hereditament is first shown in a local rating list (reg 2(4)(c)),

whichever day first occurs (reg 2(4)). As to local non-domestic rating lists see *PARA 121 et seq post*.

15 For the meaning of 'owner' see *PARA 13 ante*.

16 Non-Domestic Rating (Unoccupied Property) Regulations 1989, SI 1989/2261, reg 2(2)(b). The owner is not prohibited by law from occupying the hereditament if he is required to demolish it by a condition of a planning permission: *Henderson v Liverpool Metropolitan District Council* [1980] RA 238, DC. In *Hailbury Investments Ltd v Westminster City Council* [1986] 3 All ER 440, [1986] 1 WLR 1232, HL, the owner was not prohibited by law from occupying a hereditament described in the list as 'offices' but subject to a planning condition prohibiting office use. In *Regent Lion Properties Ltd v Westminster City Council* [1990] RA 121, CA, the owner was not prohibited by law from occupying a hereditament for which there was no permitted use for the purposes of the planning legislation; however in the same case the Court of Appeal held that, where a notice was served under the Health and Safety at Work etc Act 1974 prohibiting certain activities because of the presence of asbestos, the owner was prohibited from occupying the hereditament or allowing it to be occupied until the steps which the notice required to be taken were taken. In *Tower Hamlets London Borough Council v St Katharine-by-the-Tower Ltd* (1982) 80 LGR 843, [1982] RA 261, DC, the owner of a building which had inadequate means of escape in case of fire and no certificate as required by the London Building Acts

(Amendment) Act 1939 s 34 (as amended) was prohibited from occupying the hereditament or allowing it to be occupied.

Some of the cases cited in this paragraph were decided prior to the coming into force of the Local Government Finance Act 1988 and, therefore, must now be considered in relation to the non-domestic rating provisions in Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 64 et seq post). In relation to Wales only, the condition set out in head (f) in the text specifies not only a qualifying industrial hereditament but one where the whole hereditament has, subject to reg 2(3) (as amended in relation to Wales) (see note 13 supra), been unoccupied for a continuous period not exceeding six months: see reg 2(2)(f) (amended in relation to Wales only by SI 2007/3354). See also note 14 supra.

For these purposes, 'qualifying industrial hereditament' means any hereditament other than a retail hereditament in relation to which all buildings comprised in the hereditament are: (1) constructed or adapted for use in the course of a trade or business; and (2) constructed or adapted for use for one or more of the following purposes, or one or more such purposes and one or more purposes ancillary thereto: (a) the manufacture, repair or adaptation of goods or materials, or the subsection of goods or materials to any process; (b) storage (including the storage or handling of goods in the course of their distribution); (c) the working or processing of minerals; (d) the generation of electricity: Non-Domestic Rating (Unoccupied Property) Regulations 1989, SI 1989/2261, reg 2(5)(b). 'Retail hereditament' means any hereditament where any building or part of a building comprised in the hereditament is constructed or adapted for the purpose of the retail provision of goods or of services (other than storage for distribution services) on or from the hereditament: reg 2(5)(b).

'Goods' for these purposes provides for a broad ambit of operation: see *Southwark London Borough Council v Bellway Homes Ltd* [2000] RA 437, [2000] EGCS 90 (postal sorting office was a qualifying industrial hereditament because mail was considered to be 'goods' and the post office's activities at that sorting office in franking, sorting and packaging the mail for distribution, amounted to subjecting goods to a process and to handling them in the course of distribution). However, the exemption relates to tangible objects subject to a physical process, and computer data does not fall within the term 'goods or materials' for these purposes: *Leda Properties Ltd v Kennet District Council* [2002] EWHC 2040 (Admin), [2003] RA 69, [2002] All ER (D) 18 (Jul) (operation of computer programmes far removed from the type of industrial processes envisaged in the industrial exemption).

In *Barnet London Borough Council v London Transport Property* [1995] RA 235, [1995] EGCS 78, Harrison J held that 'storage' will cover a wide range of goods in this context and might conceivably apply to activities which would not normally be described in that way but that in the instant case 'storage' did not include the overnight parking of buses in a bus garage. For these purposes, it does not necessarily follow from the fact that something is stored at a location that the location is used for storage: *Leda Properties Ltd v Kennet District Council* supra (unoccupied accommodation providing storage and data handling services on computers housed within it could not act as a store for the data, which could only be stored on suitably programmed computers).

Regulations¹ may provide that, for the purposes of the non-domestic rating provisions² as they apply in relation to an unoccupied hereditament³, the state of any property comprising or included in the hereditament is deemed not to have changed⁴ either since before any event of a prescribed description⁵, or by reason of any act done by or on behalf of a prescribed person⁶. The regulations may make provision as to the circumstances in which, and period for which, that is deemed to be the case⁷.

The regulations may: (1) provide for the making of such assumptions or apportionments as may be prescribed in determining whether, or to what extent, the state of any property has changed in comparison with an earlier point in time⁸; (2) provide that an act is to be treated as done on behalf of a prescribed person if it is done by any person connected with that person⁹, and define in what circumstances persons are to be treated for that purpose as connected¹⁰; and (3) provide that they have effect (with any necessary adaptations) in relation to omissions as well as to acts¹¹.

1 Regulations under the Local Government Finance Act 1988 s 66A (as added) may be made, in relation to England, by the Secretary of State and, in relation to Wales, by the Welsh Ministers: s 66A(6) (s 66A added by the Rating (Empty Properties) Act 2007 s 2(1), Sch 1 para 4(1)). The power to make regulations under the Local Government Finance Act 1988 s 66A (as added) is exercisable by statutory instrument, but no such regulations are to be made unless, in the case of regulations relating to England, a draft of the regulations has been laid before and approved by resolution of each House of Parliament or, in the case of regulations relating to Wales, a draft of the regulations has been laid before and approved by resolution of the National Assembly for Wales: s 143(4ZA) (added by the Rating (Empty Properties) Act 2007 Sch 1 para 4(2)). If the power to make regulations by virtue of Sch 1 para 4 is exercised before 1 April 2008, it may be exercised so that the regulations apply to acts or omissions taking place at any time after the regulations come into force, and also have effect in relation to the year 2007-08: s 3(5). However, at the date at which this volume states the law, no such regulations had been made. For the meanings of 'England' and 'Wales' see PARA 1 note 2 ante. Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(5) CHARGEABLE AMOUNT/(i) Local Non-domestic Rating Lists/C. UNOCCUPIED HEREDITAMENTS/65. New buildings; completion notices.

65. New buildings; completion notices.

Under the General Rate Act 1967 (now repealed)¹, an unoccupied new building could only be entered in the rating list if a completion notice had been served in respect of it². The Local Government Finance Act 1988 also contains provision for completion notices but does not provide explicitly to prevent the valuation officer³ entering a new hereditament⁴ in the list in the absence of a completion notice⁵.

Where a completion notice is served under the Local Government Finance Act 1988⁶, and the building⁷ to which the notice relates is not completed on or before the relevant day⁸, then for certain purposes⁹ the building is deemed to be completed on that day¹⁰.

Special provision is made with respect to the determination of a day as the completion day in relation to a new building for these purposes¹¹. Accordingly, if it comes to the notice of a billing authority¹² that the work remaining to be done on a new building in its area is such that the building can reasonably be expected to be completed within three months, the authority must serve a completion notice¹³ on the owner¹⁴ of the building as soon as is reasonably practicable unless the valuation officer¹⁵ otherwise directs in writing¹⁶. Similarly, if it comes to the notice of a billing authority that a new building in its area has been completed, the authority may serve a completion notice on the owner of the building unless the valuation officer otherwise directs in writing¹⁷. A billing authority may withdraw a completion notice by serving on the owner of the building to which the notice relates a subsequent notice¹⁸.

A completion notice must specify the building to which it relates and state the day which the authority proposes as the completion day in relation to the building¹⁹. Where at the time a completion notice is served it appears to the authority that the building to which the notice relates is not completed, the authority must propose as the completion day such day, not later than three months from and including the day on which the notice is served, as the authority considers is a day by which the building can reasonably be expected to be completed²⁰. Where at the time a completion notice is served it appears to the authority that the building to which the notice relates is completed, the authority must propose as the completion day the day on which the notice is served²¹.

The billing authority must supply to the valuation officer a copy of any completion notice served by it²², and if the billing authority withdraws a completion notice, it must inform the valuation officer of that fact²³.

added and amended) (cited in the text and notes 12-23 infra; and PARA 66 et seq post): see s 46A(2)(a) (as so added). As to the mode of service of completion notices see PARA 66 post.

7 For these purposes, 'building' includes part of a building: ibid s 46A(6)(a) (as added: see note 6 supra). References to a new building include references to a building produced by the structural alteration of an existing building where the existing building is comprised in a hereditament which, by virtue of the alteration, becomes, or becomes part of, a different hereditament or different hereditaments: s 46A(6)(b) (as so added).

8 Ibid s 46A(2)(b) (as added: see note 6 supra). For these purposes, the relevant day in relation to a completion notice is:

- 26 (1) where an appeal against the notice is brought under Sch 4A para 4 (as added and amended) (see PARA 68 post), the day stated in the notice (s 46A(3)(a) (as so added)); and
- 27 (2) where no appeal against the notice is brought under Sch 4A para 4 (as added and amended), the day determined under Sch 4A (as added and amended) as the completion day in relation to the building to which the notice relates (s 46A(3)(b) (as so added)).

14 'Owner', in relation to a building, means the person entitled to possession of the building: Local Government Finance Act 1988 Sch 4A para 10(2) (as added: see note 13 supra).

15 References to the valuation officer, in relation to a billing authority, are references to the valuation officer for the authority: ibid Sch 4A para 10(2) (as added (see note 13 supra); Sch 4A paras 1(1)-(3), 7(1), (2), 10(2) amended by the Local Government Finance Act 1992 s 117(1), Sch 13 para 83).

17 Ibid Sch 4A para 1(2) (as added and amended: see note 15 supra).

18 Ibid Sch 4A para 1(3) (as added and amended: see note 15 supra). The power so conferred to withdraw a completion notice ceases to be exercisable in relation to a completion notice once a day has been determined under Sch 4A (as added and amended) as the completion day in relation to the building to which the notice relates: Sch 4A para 1(5) (as added: see note 13 supra).

19 Ibid Sch 4A para 2(1) (as added: see note 13 supra). As to the interpretation of a completion notice, the test is whether it fairly conveys to the recipient what is the subject matter of the notice: *Henderson v Liverpool Metropolitan District Council* [1980] RA 238, DC. This case was decided prior to the coming into force of the Local Government Finance Act 1988 and, therefore, must now be considered in relation to the non-domestic rating provisions in Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 66 et seq post). 66. Mode of service of completion notices.

Without prejudice to any other mode of service, a completion notice¹ may be served on a person:

- 68 (1) by sending it in a prepaid registered letter, or by the recorded delivery service, addressed to that person at his usual or last-known place of abode or, in a case where an address for service has been given by that person, at that address²;
- 69 (2) in the case of an incorporated company or body, by delivering it to the secretary or clerk of the company or body at their registered or principal office or sending it in a prepaid registered letter or by the recorded delivery service addressed to the secretary or clerk of the company or body at that office³; or
- 70 (3) where the name or address of that person cannot be ascertained after reasonable inquiry, by addressing it to him by the description of 'owner'⁴ of the building⁵ (describing it) to which the notice relates and by affixing it to some conspicuous part of the building⁶.

1 As to completion notices see PARA 65 ante.

67. Completion date of substantially completed building.

In the case of a building¹ to which work remains to be done which is customarily done to a building of the type in question after the building has been substantially completed², it is to be assumed that the building has been or can reasonably be expected to be completed at the end of such period beginning with the date of its completion apart from the work as is reasonably required for carrying out the work³.

1 As to the meaning of 'building' for these purposes see PARA 65 note 7 ante; definition applied by the Local Government Finance Act 1988 s 46A(1), Sch 4A para 10(1) (s 46A, Sch 4A both added by the Local Government and Housing Act 1989 s 139, Sch 5 paras 36, 79(3)).

2 Local Government Finance Act 1988 Sch 4A para 9(1) (as added: see note 1 supra). The test to be applied in determining whether a building is 'completed' has been held to be whether the building as a building is ready for occupation or capable of occupation for the purpose for which it was intended: *Ravenseft Properties Ltd v Newham London Borough Council* [1976] QB 464, [1976] 1 All ER 580, CA; *Post Office v Nottingham City Council* [1976] 2 All ER 831, [1976] 1 WLR 624, CA; and see *Spears Bros v Rushmoor Borough Council* [2006] RA 86, Lands Tribunal (a building without electric lighting is incapable of occupation as a workshop and the building in question could not be occupied without a fire alarm system in any case).

Some of the cases cited in this paragraph were decided prior to the coming into force of the Local Government Finance Act 1988 and, therefore, must now be considered in relation to the non-domestic rating provisions in Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 68 et seq post). As to the historical development of rating law and the continuing relevance of the old case law to the current statutory regime see PARA 2 ante.

3 Ibid Sch 4A para 9(2) (as added: see note 1 supra). The time runs from the date of substantial completion whenever that occurred: *Graylaw Investments Ltd v Ipswich Borough Council* [1979] RA 111, CA. In deciding the time, it is not correct to take into account the time necessary to find a tenant, even though the work cannot be carried out until he has specified his requirements (*JLG Investments Ltd v Sandwell District Council* [1977] RA 78, CA); nor can the time required for planning the work be taken into account (*London Merchant Securities plc and Trendworthy Two v Islington London Borough Council* [1988] AC 303, [1987] 2 All ER 961, HL). See also *Provident Mutual Life Assurance Association v Derby City Council* [1981] 1 WLR 173, HL.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(5) CHARGEABLE AMOUNT/(i) Local Non-domestic Rating Lists/C. UNOCCUPIED HEREDITAMENTS/68. Determination of completion day.

68. Determination of completion day.

If the person on whom a completion notice¹ is served agrees in writing with the billing authority² by whom the notice is served that a day specified by the agreement is to be the completion day in relation to the building³, that day must be the completion day in relation to it⁴. Where such an agreement⁵ is made, the completion notice relating to the building is deemed to have been withdrawn⁶. The billing authority must supply the valuation officer⁷ with details of any agreement to which it is a party and by virtue of which a completion day is determined in relation to a building⁸.

A person on whom a completion notice is served may appeal to a valuation tribunal against the notice on the ground that the building to which the notice relates has not been (or, as the case may be, cannot reasonably be expected to be) completed by the day stated in the notice⁹. An appeal against a completion notice¹⁰ is initiated by serving on the clerk¹¹, within four weeks of the service of the notice, a notice in writing (a 'notice of appeal') accompanied by a copy of the completion notice¹², and a statement of the grounds on which the appeal is made¹³. The clerk must, within two weeks of service of the notice of appeal, notify the appellant¹⁴ that the clerk has received it, and serve a copy of it on the relevant authority whose notice is the subject of the appeal¹⁵.

Provision is made in relation to the completion day pending such an appeal¹⁶.

Where a person appeals against a completion notice and the appeal is not withdrawn or dismissed, the completion day is such day as the tribunal determines¹⁷. Where an appeal has been brought against a completion notice, the power of the billing authority to withdraw a notice¹⁸ is only exercisable with the consent in writing of the owner¹⁹ of the building to which the notice relates²⁰.

Where a completion notice is not withdrawn and no appeal is brought against the notice, or where any appeal is dismissed or withdrawn, the day stated in the notice is the completion day in relation to the building²¹.

10 For these purposes, 'completion notice' means a notice under *ibid* Sch 4A para 1 (as added and amended) (see PARA 65 ante), as it applies for the purposes of the non-domestic rating provisions in Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 69 et seq post), which states the completion day as 1 April 2005 or later: Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 2(1); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 2(1). As to transitional arrangements made in relation to the period before 1 April 2005 see the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 44; and the Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 44. For the meaning of 'appeal' for these purposes see PARA 151 note 1 post.

11 'Clerk', in relation to an appeal, means the clerk of the relevant valuation tribunal: Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 2(1); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 2(1). 14 Any reference in the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659 (as amended) or in the Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, (as amended), as the case may be, to a party to an appeal includes the person making the appeal (the 'appellant') and, in relation to an appeal against a completion notice, the relevant authority: Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 2(3)(c); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 2(3)(c). 16 See the Local Government Finance Act 1988 Sch 4A para 6 (as added and amended). Accordingly, where an appeal under Sch 4A para 4 (as added and amended) (see the text and note 9 supra) is brought against a completion notice, then in relation to any day on which the appeal is pending s 45 (as amended) (see PARAS 62-63 ante) applies by virtue of s 46A(4) (as added) (see PARA 62 note 4 ante) as if the day stated in the notice had been determined under Sch 4A (as added and amended) as the completion day in relation to the building to which the notice relates: Sch 4A para 6(1) (as added: see note 3 supra). The Secretary of State (or the Welsh Ministers, as the case may be) may make regulations providing for the making of financial adjustments where Sch 4A para 6(1) (as added) applies but the day stated in the completion notice is not actually determined as the completion day in relation to the building to which the notice relates: Sch 4A para 6(2) (as so added). Such regulations may include provision requiring payments or repayments to be made (with or without interest) and provision as to the recovery (by deduction or otherwise) of sums due: Sch 4A para 6(3) (as added and amended: see note 8 supra). However, at the date at which this volume states the law, no such regulations had been made. For the purpose of deciding, for the purposes of Sch 4A para 6 (as added and amended), whether an appeal is pending on a particular day, the state of affairs existing immediately before the day ends is to be treated as having existed throughout the day: Sch 4A para 6(4) (as so added). As to the Secretary of State and the Welsh Ministers see PARA 3 ante.

The ratepayer¹ is subject to a non-domestic rate in respect of a chargeable financial year² if for any day in the year his name is shown in a central non-domestic rating list in force for the year³. In such a case, the ratepayer is liable to pay an amount calculated by: (1) finding the chargeable amount for each chargeable day⁴; and (2) aggregating the amounts found under head (1) above⁵. The chargeable amount for a chargeable day is calculated by multiplying the rateable value⁶ by the non-domestic rating multiplier for the financial year⁷, and by using the number of days in the financial year⁸ to divide the product⁹.

The amount the ratepayer is liable to pay must be paid to the Secretary of State (or the Welsh Ministers, as the case may be)¹⁰.

UPDATE

69 Hereditaments entered in central rating lists

NOTE 10--SI 1989/2260 further amended: see PARA 170 NOTE 4.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(5) CHARGEABLE AMOUNT/(iii) Relief Schemes/A. MANDATORY RELIEF FOR OCCUPIED HEREDITAMENTS/(A) Small Businesses/70. Small business rate relief.

(iii) Relief Schemes

A. MANDATORY RELIEF FOR OCCUPIED HEREDITAMENTS

(A) SMALL BUSINESSES

70. Small business rate relief.

The formula used to calculate the amount payable for occupied hereditaments¹ in the local non-domestic rating list² may be modified in certain circumstances in order to reduce the burden for small businesses³.

Accordingly, in relation to England⁴, where⁵:

- 71 (1) the rateable value of the hereditament shown in the local non-domestic rating list for the first day of the chargeable financial year⁶ is not more than any amount prescribed by the Secretary of State⁷ by order⁸;
- 72 (2) on the day concerned any conditions prescribed by the Secretary of State by order are satisfied⁹; and
- 73 (3) the ratepayer has made an application for these purposes to the billing authority¹⁰ concerned by such date as may be prescribed by the Secretary of State by order¹¹,

the chargeable amount for a chargeable day¹² is calculated by: (a) multiplying the rateable value¹³ by the small business non-domestic rating multiplier for the financial year¹⁴; (b) multiplying the number of days in the financial year¹⁵ by such amount as may be prescribed for the purpose by the Secretary of State by order¹⁶; and (c) dividing the product found under head (a) above by the product found under head (b) above¹⁷.

Similarly, in relation to Wales¹⁸, where¹⁹:

- 74 (i) the rateable value of the hereditament shown in the local non-domestic rating list for the first day of the chargeable financial year is not more than any amount prescribed by the Welsh Ministers²⁰ by order²¹; and
- 75 (ii) on the day concerned any conditions prescribed by the Welsh Ministers by order are satisfied²²,

the chargeable amount for a chargeable day is calculated by: (A) multiplying the rateable value²³ by the non-domestic rating multiplier for the financial year²⁴; (B) multiplying the number of days in the financial year²⁵ by such amount as may be prescribed for the purpose by the Welsh Ministers by order²⁶; and (C) dividing the product found under head (A) above by the product found under head (B) above²⁷.

The amount the ratepayer is liable to pay must be paid to the billing authority in whose local non-domestic rating list the hereditament is shown²⁸.

1 For the meaning of 'hereditament' see PARA 33 et seq ante. As to occupation see PARA 12 et seq ante.

2 As to local non-domestic rating lists see PARA 121 et seq post.

3 As to liability to the non-domestic rate for occupied hereditaments in the local non-domestic rating lists see the Local Government Finance Act 1988 s 43(4) (as amended); and PARA 60 ante. As to discretionary relief which may be available see PARA 80 post.

4 For the meaning of 'England' see PARA 1 note 2 ante.

5 Local Government Finance Act 1988 s 43(4B)(a) (s 43(4A)-(4D) added by the Local Government Act 2003 s 61(1), (3)).

6 For the purposes of the Local Government Finance Act 1988, chargeable financial years are financial years beginning in 1990 and subsequent years: s 145(1). For the meaning of 'financial year' for these purposes see PARA 1 note 1 ante.

7 As to the Secretary of State see PARA 3 ante.

8 Local Government Finance Act 1988 s 43(4B)(a)(i) (as added: see note 5 supra). For the purposes of s 43(4B)(a)(i) (as added), the amount prescribed, for a hereditament situated in Greater London, is £21,499 and, for a hereditament situated outside Greater London, it is £14,999: Non-Domestic Rating (Small Business Rate Relief) (England) Order 2004, SI 2004/3315, art 2. As to the making of orders under the Local Government Finance Act 1988 generally see PARA 3 ante.

9 Local Government Finance Act 1988 s 43(4B)(a)(ii) (as added: see note 5 supra). For the purposes of s 43(4B)(a)(ii) (as added), the conditions to be satisfied are the conditions in the Non-Domestic Rating (Small Business Rate Relief) (England) Order 2004, SI 2004/3315, art 3(2)-(5) (as substituted: see art 3(1), (6), (7) (art 3 substituted by SI 2006/2313). As to notices required for certain purposes under the Non-Domestic Rating (Small Business Rate Relief) (England) Order 2004, SI 2004/3315, art 3(5) (as substituted) see art 4A (added by SI 2006/2313). As to service of such notice see the Non-Domestic Rating (Small Business Rate Relief) (England) Order 2004, SI 2004/3315, art 5 (amended by SI 2006/2313).

10 As to billing authorities see PARA 5 ante.

11 Local Government Finance Act 1988 s 43(4B)(a)(iii) (as added: see note 5 supra). An application under s 43(4B)(a)(iii) (as added) also must be made in such form, and contain such information, as may be prescribed by the Secretary of State by order: s 43(4C) (as so added). Accordingly, an application under s 43(4B)(a)(iii) (as added) must be in the form specified in the Non-Domestic Rating (Small Business Rate Relief) (England) Order 2004, SI 2004/3315, art 4(1), Schedule (Schedule substituted by SI 2006/2313) or a form to the like effect, and must contain the information there specified: see the Non-Domestic Rating (Small Business Rate Relief) (England) Order 2004, SI 2004/3315, art 4(1). Such an application also must be signed by the ratepayer or a person authorised to sign on behalf of the ratepayer: see art 4(1), (2). As to service of the application on the billing authority see art 5 (as amended: see note 9 supra).

If the ratepayer either makes a statement in an application under the Local Government Finance Act 1988 s 43(4B)(a)(iii) (as added) which he knows to be false in a material particular, or recklessly makes a statement in such an application which is false in a material particular, he is liable on summary conviction to imprisonment for a term not exceeding three months or to a fine not exceeding level 3 on the standard scale or to both: s 43(4D) (as so added).

'Standard scale' means the standard scale of maximum fines for summary offences as set out in the Criminal Justice Act 1982 s 37 (as amended): see the Interpretation Act 1978 s 5, Sch 1 (definition added by the Criminal Justice Act 1988 s 170(1), Sch 15 para 58); and SENTENCING AND DISPOSITION OF OFFENDERS vol 92 (2010) PARA 142. At the date at which this volume states the law, the standard scale is as follows: level 1, £200; level 2, £500; level 3, £1,000; level 4, £2,500; level 5, £5,000: Criminal Justice Act 1982 s 37(2) (substituted by the Criminal Justice Act 1991 s 17(1)). As to the determination of the amount of the fine actually imposed, as distinct from the level on the standard scale which it may not exceed, see the Criminal Justice Act 2003 s 164 (as amended); and SENTENCING AND DISPOSITION OF OFFENDERS vol 92 (2010) PARA 144.

12 For these purposes, a chargeable day is one which falls within the financial year and in respect of which the conditions in the Local Government Finance Act 1988 s 43(1) (see PARA 60 ante) are fulfilled: s 43(3).

13 I.e. the rateable value shown for the day in the local non-domestic rating list under *ibid* s 42(4) (as amended) (see PARA 123 et seq post) as regards the hereditament: see s 44(1), (2) (s 44(2) amended by the Local Government and Housing Act 1989 s 194(4), Sch 5 paras 1, 21, 79(3), Sch 12 Pt II).

14 See the Local Government Finance Act 1988 s 44(1), (7) (s 44(7)-(9) added by the Local Government Act 2003 s 61(5)). The small business non-domestic rating multiplier is fixed annually by the Secretary of State

using the method set out in the Local Government Finance Act 1988 s 56(2), Sch 7 (as amended): see PARA 86 note 6 post.

Where the billing authority is a special authority, the figure used for the small business non-domestic rating multiplier is the authority's small business non-domestic rating multiplier for the financial year: see the Local Government Finance Act 1988 s 44(1), (8) (s 44(8) as so added). As to special authorities see PARA 60 note 10 ante.

15 See *ibid* s 44(1), (6).

16 See *ibid* s 44(1), (9)(a) (as added: see note 14 *supra*). The amount so prescribed for the purposes of s 44(9)(a) (as added) is:

- 28 (1) two, where the rateable value of the hereditament shown in the local non-domestic rating list for the chargeable day for which small business rate relief is sought is not more than £5,000 (see the Non-Domestic Rating (Small Business Rate Relief) (England) Order 2004, SI 2004/3315, art 6(1)(a));
- 29 (2) the amount derived from dividing 10,000 by the rateable value of the hereditament shown in the local non-domestic rating list for that day, where the rateable value of the hereditament shown in the local non-domestic rating list for the chargeable day for which small business rate relief is sought is more than £5,000 and not more than £10,000 (art 6(1)(b)); and
- 30 (3) one, where the rateable value of the hereditament shown in the local non-domestic rating list for the chargeable day for which small business rate relief is sought is more than £10,000 and not more than the amount prescribed, as regards the hereditament, in art 2 (see note 8 *supra*) (art 6(1)(c)).

Amounts calculated under head (2) *supra* are to be calculated to three decimal places, only adding one thousandth where otherwise there would be more than five ten-thousandths and only ignoring the ten-thousandths where otherwise there would be five (or less than five) ten-thousandths: art 6(2).

17 See the Local Government Finance Act 1988 s 43(4A)(a) (as added: see note 5 *supra*).

In relation to any hereditament in respect of which both s 43(4A) (as added) and s 43(6A) (as added and amended) (rural settlements) (see PARA 76 *et seq post*), but not s 43(5) (charities etc) (see PARA 73 *post*), have effect on the day concerned, the chargeable amount, in relation to England, is to be calculated in accordance with s 43(6A) (as added and amended): s 43(8A) (added by the Rating (Former Agricultural Premises and Rural Shops) Act 2001 s 1(1), (4); the Local Government Finance Act 1988 s 43(8A) substituted by the Local Government Act 2003 s 61(1), (4)). In relation to any hereditament in respect of which the Local Government Finance Act 1988 s 43(4A) (as added), s 43(5) and s 43(6A) (as added and amended) each have effect on the day concerned, or in respect of which s 43(4A) (as added) and s 43(5) both have effect on that day, the chargeable amount is to be calculated in accordance with s 43(5): s 43(8B) (added by the Local Government Act 2003 s 61(1), (4)).

18 For the meaning of 'Wales' see PARA 1 note 2 ante.

19 See the Local Government Finance Act 1988 s 43(4B)(b) (as added: see note 5 *supra*).

20 As to the Welsh Ministers see PARA 3 ante.

21 Local Government Finance Act 1988 s 43(4B)(b)(i) (as added: see note 5 *supra*). For the purposes of s 43(4B)(b)(i) (as added), the amount prescribed for a hereditament is £12,000: Non-Domestic Rating (Small Business Relief) (Wales) Order 2006, SI 2006/3345, art 3. The order so made was made by the National Assembly for Wales under powers which are now transferred to the Welsh Ministers: see PARA 3 ante.

22 See the Local Government Finance Act 1988 s 43(4B)(b)(ii) (as added: see note 5 *supra*). For the purposes of s 43(4B)(b)(ii) (as added), in respect of hereditaments whose rateable value is £5,000 or less, the conditions to be satisfied are set out in the Non-Domestic Rating (Small Business Relief) (Wales) Order 2006, SI 2006/3345, arts 2, 4 (art 2 amended by SI 2007/2438). In respect of hereditaments whose rateable value is £12,000 or less, the condition to be satisfied is set out in the Non-Domestic Rating (Small Business Relief) (Wales) Order 2006, SI 2006/3345, art 5.

23 I.e the rateable value shown for the day in the local non-domestic rating list under the Local Government Finance Act 1988 s 42(4) (as amended) (see PARA 123 *et seq post*) as regards the hereditament: see s 44(1), (2) (s 44(2) as amended: see note 13 *supra*).

24 See *ibid* s 44(1), (4). The non-domestic rating multiplier is a uniform amount applying to every billing authority area and is fixed annually by the Secretary of State (or the Welsh Ministers, as the case may be) using the method set out in s 56(2), Sch 7 (as amended): see PARA 86 note 6 post.

Where the billing authority is a special authority, the figure used for the non-domestic rating multiplier is the authority's non-domestic rating multiplier for the financial year: see s 44(1), (5) (amended by the Local Government Finance Act 1992 s 117(1), Sch 13 para 61).

25 See the Local Government Finance Act 1988 s 44(1), (6).

26 See *ibid* s 44(1), (9)(b) (as added: see note 14 *supra*). The amount prescribed for the purposes of s 44(9)(b) (as added) is:

- 31 (1) two, where the rateable value of the hereditament is £2,000 or less and the conditions in art 4 (see note 22 *supra*) are satisfied (Non-Domestic Rating (Small Business Relief) (Wales) Order 2006, SI 2006/3345, art 6(a));
- 32 (2) one and one-third (decimal), where the rateable value of the hereditament is more than £2,000 but not more than £5,000 and the conditions in art 4 (see note 22 *supra*) are satisfied (art 6(b));
- 33 (3) 1,000,000, where the rateable value of the hereditament is £9,000 or less and the condition in art 5 (see note 22 *supra*) is satisfied (art 6(c));
- 34 (4) two, where the rateable value of the hereditament is more than £9,000 but not more than £12,000 and the condition in art 5 (see note 22 *supra*) is satisfied (art 6(d)).

27 See the Local Government Finance Act 1988 s 43(4A)(b) (as added: see note 5 *supra*).

In relation to any hereditament in respect of which both s 43(4A) (as added) and s 43(6A) (as added and amended) (rural settlements) (see PARA 76 *et seq post*), but not s 43(5) (charities etc) (see PARA 73 *post*) have effect on the day concerned, the chargeable amount, in relation to Wales, is to be calculated in accordance with whichever of s 43(4A) (as added) and s 43(6A) (as added and amended) produces the smaller amount: s 43(8A) (as added and substituted: see note 17 *supra*). In relation to any hereditament in respect of which s 43(4A) (as added), s 43(5) and s 43(6A) (as added and amended) each have effect on the day concerned, or in respect of which s 43(4A) (as added) and s 43(5) both have effect on that day, the chargeable amount is to be calculated in accordance with s 43(5): s 43(8B) (as added: see note 17 *supra*).

28 *Ibid* s 43(7) (amended by the Local Government Finance Act 1992 Sch 13 para 60). The liability to pay any such amount is discharged by making a payment or payments in accordance with regulations made under the Local Government Finance Act 1988 s 62, Sch 9 (as amended) (see PARA 141 *et seq post*): s 43(8). As to the regulations so made see the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058 (amended by the Statute Law (Repeals) Act 1995; SI 1990/145; SI 1991/141; SI 1991/1127; SI 1992/474; SI 1992/1512; SI 1993/616; SI 1993/774; SI 1993/1493; SI 1996/675; SI 1996/1880; SI 1998/3089; SI 2005/617; in relation to England only by SI 2000/2026; SI 2001/362; SI 2003/2210; SI 2003/2604; SI 2003/3052; SI 2006/237; SI 2006/3395; SI 2007/501; in relation to Wales only by SI 2001/1076; SI 2003/1714; SI 2004/1013) (see PARAS 170, 175 *et seq post*). 71. Historical development of right to charitable relief and its extended scope.

Before new valuation lists came into force in 1956, there was a divergence between the law and practice with regard to the rating of charities¹. At law, it had long been established that charitable organisations were rateable in respect of the hereditaments they occupied², but in practice rating authorities frequently undervalued the hereditaments of charitable and kindred bodies, and by this means those bodies paid only reduced or nominal rates. When rating authorities³ ceased to be responsible for preparing and amending valuation lists⁴ this divergence of law and practice was ended, and in the valuation lists which came into force in 1956 the valuation officers of the Inland Revenue Commissioners assessed such hereditaments at their full value⁵.

Under the Local Government Finance Act 1988, in respect of three categories of hereditament, namely where the ratepayers are: (1) charities⁶; (2) trustees for a charity; or (3) qualifying community amateur sports clubs⁷, the chargeable amount for which the ratepayer is liable⁸ is reduced, in relation to any occupied hereditament⁹ where the qualifying ratepayer uses the hereditament wholly or mainly for charitable purposes¹⁰ (whether of that charity or of that and other charities) or for the purposes of the registered club (whichever applies)¹¹. Hereditaments which are to be used for such purposes but which are temporarily unoccupied may qualify for zero-rating¹².

72. Establishment of right to relief.

Under the General Rate Act 1967 (now repealed)¹, the right to charity rating relief could be established by resisting proceedings in the magistrates' court brought by the rating authority² for non-payment of rates³ or by proceedings in the High Court for a declaration⁴. It would seem that such procedures are still available under the Local Government Finance Act 1988⁵.

73. Relief for charities and community amateur sports clubs.

Where on the day concerned¹: (1) the ratepayer² is a charity³ or trustees for a charity and the occupied hereditament⁴ is wholly or mainly used for charitable purposes⁵ (whether of that charity or of that and other charities)⁶; or (2) the ratepayer is a registered community amateur sports club⁷ and the hereditament is wholly or mainly used either for the purposes of that club, or for the purposes of that club and of other such registered clubs⁸, the chargeable amount for a chargeable day⁹ is calculated by: (a) multiplying the rateable value¹⁰ by the non-domestic rating multiplier for the financial year¹¹; (b) multiplying by five the number of days in the financial year¹²; and (c) dividing the product found under head (a) above by the product found under head (b) above¹³.

The amount the ratepayer is liable to pay must be paid to the billing authority in whose local non-domestic rating list the hereditament is shown¹⁴.

1 The Local Government Finance Act 1988 s 43(6) (as amended) applies on a particular day if (and only if) it applies immediately before the day ends: s 67(7) (amended by Rating (Empty Properties) Act 2007 s 2(1), Sch 1 para 5).

2 I.e. a person who is subject to a non-domestic rate as regards a hereditament in a local rating list: see the Local Government Finance Act 1988 s 43(1); and PARA 60 ante. For the meaning of 'hereditament' see PARA 33 et seq ante. As to the liability to the non-domestic rate for occupied hereditaments in the local non-domestic rating lists see PARA 60 ante. As to local non-domestic rating lists see PARA 121 et seq post.

3 For these purposes, 'charity' means an institution or other organisation established for charitable purposes only or any persons administering a trust established for charitable purposes only: *ibid* s 67(10). As to charities and charitable purposes generally see CHARITIES. Registration under the charities legislation is conclusive that the organisation is a charity for the purposes of the relief from rates: see eg *Wynn v Skegness UDC* [1966] 3 All ER 336, [1967] 1 WLR 52, ChD; *Finch v Poplar Borough Council* (1967) 66 LGR 324, [1968] RA 208, ChD; *Meriden RDC v White* [1972] RA 530, 17 RRC 187.

Some of the cases cited in this paragraph were decided prior to the coming into force of the Local Government Finance Act 1988 and, therefore, must now be considered in relation to the non-domestic rating provisions in Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 74 et seq post). As to the historical development of rating law and the continuing relevance of the old case law to the current statutory regime see PARA 2 ante.

The times at which a club is a registered club for the purposes of the Finance Act 2002 Sch 18 (as amended) are to be taken, where it is registered with retrospective effect, to have included those within the period beginning with the date with effect from which it is registered and ending with its registration: Local Government Finance Act 1988 s 67(10A)(a) (s 67(10A) added by the Local Government Act 2003 s 64(5)). However, the times at which a club is such a registered club are to be taken, where its registration is terminated with retrospective effect, not to have included those within the period beginning with the date with effect from which its registration is terminated and ending with the termination of its registration: Local Government Finance Act 1988 s 67(10A)(b) (as so added).

8 *Ibid* s 43(6)(b) (added by the Local Government Act 2003 s 64(1)(b)).

9 For these purposes, a chargeable day is one which falls within the financial year and in respect of which the conditions in the Local Government Finance Act 1988 s 43(1) (see PARA 60 ante) are fulfilled: s 43(3). For the purposes of the Local Government Finance Act 1988, chargeable financial years are financial years beginning in 1990 and subsequent years: s 145(1). For the meaning of 'financial year' for these purposes see PARA 1 note 1 ante.

11 See the Local Government Finance Act 1988 s 44(1), (4). The non-domestic rating multiplier is a uniform amount applying to every billing authority area and is fixed annually by the Secretary of State (or the Welsh Ministers, as the case may be) using the method set out in s 56(2), Sch 7 (as amended): see PARA 86 note 6 post.

Where the billing authority is a special authority, the figure used for the non-domestic rating multiplier is the authority's non-domestic rating multiplier for the financial year: see s 44(1), (5) (amended by the Local Government Finance Act 1992 s 117(1), Sch 13 para 61).

12 See the Local Government Finance Act 1988 s 44(1), (6).

13 Ibid s 43(5). This modification has the effect of reducing by 80% the chargeable amount which applies generally to the non-domestic rate for occupied hereditaments in the local non-domestic rating lists (as to which see PARA 60 ante). As to discretionary relief which may be available see PARA 80 post.

In relation to any hereditament in respect of which s 43(4A) (as added) (mandatory small business rate relief) (see PARA 70 ante), s 43(5) and s 43(6A) (as added and amended) (rural settlements) (see PARA 76 et seq post) each have effect on the day concerned, or in respect of which s 43(4A) (as added) and s 43(5) both have effect on that day, or in respect of which s 43(5) and s 43(6A) (as added and amended) both have effect on that day, the chargeable amount is to be calculated in accordance with s 43(5): s 43(8B) (added by the Local Government Act 2003 s 61(1), (4)).

14 Local Government Finance Act 1988 s 43(7) (amended by the Local Government Finance Act 1992 Sch 13 para 60). The liability to pay any such amount is discharged by making a payment or payments in accordance with regulations made under the Local Government Finance Act 1988 s 62, Sch 9 (as amended) (see PARA 141 et seq post): s 43(8). 73 Relief for charities and community amateur sports clubs

NOTE 14--SI 1989/1058 further amended, in relation to England: SI 2008/428.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(5) CHARGEABLE AMOUNT/(iii) Relief Schemes/A. MANDATORY RELIEF FOR OCCUPIED HEREDITAMENTS/ (B) Charities and Community Amateur Sports Clubs/74. Occupation by a charity.

74. Occupation by a charity.

Charities registered under the Charities Act 1993¹ are conclusively presumed to be charities for the purposes of the rating legislation². However, a body whose application to be registered as a charity has been rejected by the Charity Commissioners may still contend that it is a charity for the purposes of the rating legislation³. For rating purposes, a charity occupies a house in which one of its officers or servants resides if it is essential to the performance of his duties that he should reside in it or in one close by and it is the mutual understanding that he should do so; or, even though it is not essential that he reside in the house or in one close by, if he can by doing so better perform his duties to a material degree and there is an express term in the contract that he should reside there⁴. Charities which provided flats for the dependants of deceased officers of the armed services, and for ex-servicemen, have been held to be in occupation of the flats⁵.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(5) CHARGEABLE AMOUNT/(iii) Relief Schemes/A. MANDATORY RELIEF FOR OCCUPIED HEREDITAMENTS/ (B) Charities and Community Amateur Sports Clubs/75. Hereditaments used wholly or mainly for charitable purposes.

75. Hereditaments used wholly or mainly for charitable purposes.

In deciding whether a hereditament¹ is wholly or mainly used for charitable purposes², the use made of the hereditament by the occupier must be considered³. The use must be for purposes which directly facilitate the carrying out of the main charitable purposes of the charity⁴, and use for the purpose of raising money to further the charitable objects does not qualify for relief⁵. However, a hereditament is to be treated as wholly or mainly used for charitable purposes at any time if at the time it is wholly or mainly used for the sale of goods donated to a charity and the proceeds of sale of the goods (after any deduction of expenses) are applied for the purposes of a charity⁶.

1 For the meaning of 'hereditament' see PARA 33 et seq ante.

3 See *Glasgow Corp'n v Johnstone* [1965] AC 609, [1965] 1 All ER 730, HL, where the residence of a church officer was held to be occupied by the church authority and used for charitable purposes, because his residence there was of material assistance to the church authority in carrying out its main charitable activities.

Some of the cases cited in this paragraph were decided prior to the coming into force of the Local Government Finance Act 1988 and, therefore, must now be considered in relation to the non-domestic rating provisions in Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 76 et seq post). See also *Meriden RDC v White* [1972] RA 530, DC (colliery sports and social club); *Royal British Legion Attendants Co (Belfast) Ltd v Valuation Comr* [1979] NI 138, NI Lands Tribunal (employment of ex-servicemen as car park attendants); *MacConnell v Northern Ireland Valuation Comr* [1989] RA 221, NI Lands Tribunal (garage used for servicing charity's buses not exempt because hereditament not used wholly or mainly for charitable purposes).

5 *Oxfam v Birmingham City District Council* [1976] AC 126, [1975] 2 All ER 289, HL, where shops occupied by a charity and used to sell goods, most of which were donated, in order to raise funds for spending on charitable purposes were held not to be mainly used for charitable purposes; the actual decision, but not its reasoning, was reversed by what is now the Local Government Finance Act 1988 s 64(10) (see the text and note 6 infra). However, the selling in a shop of goods manufactured by blind persons in order to facilitate the provision of employment for the blind has been held to be a use for charitable purposes: *Belfast Association for Employment of Industrious Blind v Northern Ireland Valuation Comr* [1968] NI 21; and see *Royal Society for the Protection of Birds v Brighton Borough Council* [1982] RA 33.

6 Local Government Finance Act 1988 s 64(10). This has the effect of reversing the decision in *Oxfam v Birmingham City District Council* [1976] AC 126, [1975] 2 All ER 289, HL (see note 5 supra). However, the reasoning of the decision in *Oxfam v Birmingham City District Council* supra is unaffected.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(5) CHARGEABLE AMOUNT/(iii) Relief Schemes/A. MANDATORY RELIEF FOR OCCUPIED HEREDITAMENTS/(C) Rural Settlements in England/76. Rural rate relief in England.

(C) RURAL SETTLEMENTS IN ENGLAND

76. Rural rate relief in England.

The formula used to calculate the amount payable for occupied hereditaments¹ in the local rating list² may be modified in certain circumstances in order to reduce the burden for occupied hereditaments in England³ in the rural settlement list⁴.

The circumstances that must be satisfied are that:

- 76 (1) the hereditament is situated in England⁵;
- 77 (2) on the day concerned the hereditament is within a settlement identified in the billing authority's⁶ rural settlement list for the chargeable financial year⁷;
- 78 (3) the rateable value of the hereditament shown in the local non-domestic rating list at the beginning of that year is not more than any amount prescribed by the Secretary of State by order⁸; and
- 79 (4) on the day concerned⁹: (a) the whole or part of the hereditament is used as a qualifying general store¹⁰, a qualifying food store¹¹ or qualifying post office¹²; or (b) any conditions prescribed by the Secretary of State by order are satisfied¹³.

In such a case, the chargeable amount for a chargeable day¹⁴ is calculated by: (i) multiplying the rateable value¹⁵ by the non-domestic rating multiplier for the financial year¹⁶; (ii) multiplying by two the number of days in the financial year¹⁷; and (iii) dividing the product found under head (i) above by the product found under head (ii) above¹⁸.

The amount the ratepayer is liable to pay must be paid to the billing authority in whose local non-domestic rating list the hereditament is shown¹⁹.

1 For the meaning of 'hereditament' see PARA 33 et seq ante.

2 As to local non-domestic rating lists see PARA 121 et seq post.

3 For the meaning of 'England' see PARA 1 note 2 ante.

4 See the Local Government Finance Act 1988 s 43(4) (as amended); and PARA 60 ante. As to discretionary relief which may be available see PARA 80 post. As to rural settlement lists see PARA 124 post.

6 As to billing authorities see PARA 5 ante.

7 Local Government Finance Act 1988 s 43(6B)(a) (as added: see note 5 supra). For the purposes of the Local Government Finance Act 1988, chargeable financial years are financial years beginning in 1990 and subsequent years: s 145(1). For the meaning of 'financial year' for these purposes see PARA 1 note 1 ante.

8 Ibid s 43(6B)(b) (as added: see note 5 supra). As to the Secretary of State and as to the making of orders under the Local Government Finance Act 1988 generally see PARA 3 ante; but see note 13 infra. The amount prescribed as the maximum amount of the rateable value for the purposes of s 43(6B)(b) (as added) is, in the case of a hereditament shown in local non-domestic rating lists for billing authorities in England a part or the whole of which is used as a public house or petrol filling station, £10,500 and, in the case of any other such

hereditament, £7,000: see the Non-Domestic Rating (Rural Settlements) (England) Order 1997, SI 1997/2792, art 3(1), (3) (art 3(1) amended by SI 2001/1346; SI 2004/3153).

9 Local Government Finance Act 1988 s 43(6B)(c) (as added: see note 5 supra).

10 A hereditament, or part of a hereditament, is used as a qualifying general store on any day in a chargeable financial year if: (1) a trade or business consisting wholly or mainly of the sale by retail of both food for human consumption (excluding confectionery) and general household goods is carried on there (ibid s 43(6C)(a) (as added: see note 5 supra)); and (2) such a trade or business is not carried on in any other hereditament, or part of a hereditament, in the settlement concerned (s 43(6C)(b) (as so added)). Where a hereditament or part is used as a qualifying general store on any day in a chargeable financial year, it is not to be treated as ceasing to be so used on any subsequent day in that year merely because the condition in head (2) supra ceases to be satisfied: s 43(6E) (as so added).

11 A hereditament, or part of a hereditament, is used as a qualifying food store on any day in a chargeable financial year if a trade or business consisting wholly or mainly of the sale by retail of food for human consumption (excluding confectionery and excluding the supply of food in the course of catering) is carried on there: ibid s 43(6CA) (s 43(6CA), (6CB) added by the Rating (Former Agricultural Premises and Rural Shops) Act 2001 s 3(1), (3)). For these purposes, the supply of food in the course of catering includes any supply of food for consumption on the premises on which it is supplied as well as any supply of hot food for consumption off those premises; and for these purposes 'hot food' means food which, or any part of which has been heated for the purposes of enabling it to be consumed at a temperature above the ambient air temperature and is at the time of supply above that temperature: Local Government Finance Act 1988 s 43(6CB) (as so added).

12 Ibid s 43(6B)(c)(i) (s 43(6B) as added (see note 5 supra); s 43(6B)(c)(i) amended by the Rating (Former Agricultural Premises and Rural Shops) Act 2001 s 3(1), (2)).

A hereditament, or part of a hereditament, is used as a qualifying post office on any day in a chargeable financial year if:

35 (1) it is used for the purposes of a universal service provider within the meaning of the Postal Services Act 2000 and in connection with the provision of a universal postal service within the meaning of the Postal Services Act 2000 (see POST OFFICE vol 36(2) (Reissue) PARA 24) (Local Government Finance Act 1988 s 43(6D)(a) (s 43(6D) as added (see note 5 supra); s 43(6D)(a) amended by the Postal Services Act 2000 s 127(4), Sch 8 Pt II para 21)); and

36 (2) no other hereditament, or part of a hereditament, in the settlement concerned is so used (Local Government Finance Act 1988 s 43(6D)(b) (as so added)).

Where a hereditament or part is used as a qualifying post office on any day in a chargeable financial year, it is not to be treated as ceasing to be so used on any subsequent day in that year merely because the condition in head (2) supra ceases to be satisfied: s 43(6E) (as so added).

13 Ibid s 43(6B)(c)(ii) (as added: see note 5 supra). The power to make an order under s 43(6B)(c)(ii) (as added) is exercisable by statutory instrument, but no such order is to be made unless a draft of the order has been laid before and approved by resolution of each House of Parliament: s 143(3A) (added by the Local Government and Rating Act 1997 Sch 1 para 6(b)). The conditions so prescribed for the purpose of the Local Government Finance Act 1988 s 43(6B)(c)(ii) (as added) are that the whole or part of the hereditament is used as a public house or a petrol filling station, and in either case no other hereditament or part of a hereditament in the settlement concerned is so used: Non-Domestic Rating (Public Houses and Petrol Filling Stations) (England) Order 2001, SI 2001/1345, art 2.

14 For these purposes, a chargeable day is one which falls within the financial year and in respect of which the conditions in the Local Government Finance Act 1988 s 43(1) (see PARA 60 ante) are fulfilled: s 43(3).

15 Ie the rateable value shown for the day in the local non-domestic rating list under ibid s 42(4) (as amended) (see PARA 123 et seq post) as regards the hereditament: see s 44(1), (2) (s 44(2) amended by the Local Government and Housing Act 1989 s 194(4), Sch 5 paras 1, 21, 79(3), Sch 12 Pt II).

16 See the Local Government Finance Act 1988 s 44(1), (4). The non-domestic rating multiplier is a uniform amount applying to every billing authority area and is fixed annually by the Secretary of State using the method set out in s 56(2), Sch 7 (as amended): see PARA 86 note 6 post.

Where the billing authority is a special authority, the figure used for the non-domestic rating multiplier is the authority's non-domestic rating multiplier for the financial year: see s 44(1), (5) (amended by the Local Government Finance Act 1992 s 117(1), Sch 13 para 61).

17 See the Local Government Finance Act 1988 s 44(1), (6).

18 Ibid s 43(6A) (as added (see note 5 supra); amended by the Rating (Former Agricultural Premises and Rural Shops) Act 2001 s 1(1), (2)). This modification has the effect of reducing by 50% the chargeable amount which applies generally to the non-domestic rate for occupied hereditaments in the local non-domestic rating lists (as to which see PARA 60 ante).

In relation to any hereditament in respect of which both the Local Government Finance Act 1988 s 43(4A) (as added) (mandatory small business rate relief) (see PARA 70 et seq ante) and s 43(6A) (as added and amended), but not s 43(5) (charities etc) (see PARA 73 ante), have effect on the day concerned, the chargeable amount, in relation to England, is to be calculated in accordance with s 43(6A) (as added and amended) and, in relation to Wales, is to be calculated in accordance with whichever of s 43(4A) (as added) and s 43(6A) (as added and amended) produces the smaller amount: s 43(8A) (added by the Rating (Former Agricultural Premises and Rural Shops) Act 2001 s 1(1), (4); substituted by the Local Government Act 2003 s 61(1), (4)). It is submitted that the reference to Wales only has effect in respect of hereditaments which occupy land in both England and Wales. In relation to any hereditament in respect of which the Local Government Finance Act 1988 s 43(4A) (as added), s 43(5) and s 43(6A) (as added and amended) each have effect on the day concerned, or in respect of which s 43(5) and s 43(6A) (as added and amended) both have effect on that day, the chargeable amount is to be calculated in accordance with s 43(5): s 43(8B) (added by the Local Government Act 2003 s 61(1), (4)).

19 Local Government Finance Act 1988 s 43(7) (amended by the Local Government Finance Act 1992 Sch 13 para 60). The liability to pay any such amount is discharged by making a payment or payments in accordance with regulations made under the Local Government Finance Act 1988 s 62, Sch 9 (as amended) (see PARA 141 et seq post): s 43(8). 76 Rural rate relief in England

NOTE 8--For '£10,500' read '£12,500' and for '£7,000' read '£8,500': SI 1997/2792 art 3(1) (amended by SI 2009/3176).

NOTE 19--SI 1989/1058 further amended, in relation to England: SI 2008/428.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(5) CHARGEABLE AMOUNT/(iii) Relief Schemes/A. MANDATORY RELIEF FOR OCCUPIED HEREDITAMENTS/ (D) Former Agricultural Premises/77. Mandatory relief for former agricultural land or buildings.

(D) FORMER AGRICULTURAL PREMISES

77. Mandatory relief for former agricultural land or buildings.

The following provisions have effect, as from a day to be appointed, in relation to Wales only¹.

The formula used to calculate the amount payable for occupied hereditaments in the local rating list² may be modified in certain circumstances where land and buildings which had previously been (for a qualifying period) agricultural land and buildings are subsequently used for non-agricultural purposes³.

The circumstances that must be satisfied are that:

- 80 (1) on the day concerned, the following condition is fulfilled in respect of the hereditament⁴, namely that the hereditament: (a) consists wholly or mainly of land or buildings which were, on at least 183 days during the qualifying period⁵, agricultural land or agricultural buildings for the purposes of the non-domestic rating agricultural exemption⁶; and (b) includes land or a building which is not agricultural for the purposes of that exemption but was agricultural for those purposes on at least 183 days during the period mentioned in head (a) above⁷; and
- 81 (2) the rateable value of the hereditament shown in the local non-domestic rating list at the beginning of the chargeable financial year⁸ is not more than any amount prescribed by the Secretary of State (or the Welsh Ministers, as the case may be) by order⁹.

In such a case, the chargeable amount for a chargeable day¹⁰ is calculated by: (i) multiplying the rateable value¹¹ by the non-domestic rating multiplier for the financial year¹²; (ii) multiplying by two the number of days in the financial year¹³; and (iii) dividing the product found under head (i) above by the product found under head (ii) above¹⁴.

The amount the ratepayer is liable to pay must be paid to the billing authority in whose local non-domestic rating list the hereditament is shown¹⁵.

1 The Local Government Finance Act 1988 s 43(6F)-(6L) is added by the Rating (Former Agricultural Premises and Rural Shops) Act 2001 s 1(1), (3) as from a day to be appointed under s 6(2). In relation to England, 17 July 2001 was appointed as that day for the purposes of making an order under the Local Government Finance Act 1988 s 43(6F) (as added) and 15 August 2001 was appointed as the day for all other purposes: see the Rating (Former Agricultural Premises and Rural Shops) Act 2001 (Commencement No 1) Order 2001, SI 2001/2580, art 2. However, at the date at which this volume states the law, no such day had been appointed in relation to Wales. For the meanings of 'England' and 'Wales' see PARA 1 note 2 ante.

The Local Government Finance Act 1988 s 43(6F)-(6L) (as added) ceases to have effect at the end of the period of five years beginning with the day on which those provisions come into effect: s 43(6J) (as so added). However, the Secretary of State (or the Welsh Ministers, as the case may be) may by order extend or further extend that period: s 43(6K) (as so added). If the period is so extended or further extended, s 43(6F) (as added) (see heads (1) and (2) in the text) cannot apply to a hereditament after the end of the period of five years beginning with the day on which it first applies and, where a hereditament to which s 43(6F) (as added) applies (the 'original hereditament') includes land or a building which is subsequently included in a different hereditament, that provision cannot apply to the different hereditament after the end of the period of five years beginning with the day on which it first applies to the original hereditament: s 43(6L) (as so added). For the meaning of 'hereditament' see PARA 33 et seq ante. As to the Secretary of State and the Welsh Ministers and as

to the making of orders under the Local Government Finance Act 1988 generally see PARA 3 ante. At the date at which this volume states the law, no such order had been made. Accordingly, these provisions no longer have effect in relation to England and are yet to come into effect in relation to Wales.

2 As to local non-domestic rating lists see PARA 121 et seq post.

3 See the Local Government Finance Act 1988 s 43(4) (as amended); and PARA 60 ante. As to discretionary relief which may be available see PARA 80 post.

4 Ibid s 43(6F)(a) (prospectively added: see note 1 supra).

5 It is on at least 183 days during the period of one year ending immediately before ibid s 43(6G)(a) (prospectively added) comes into effect: see s 43(6G)(a) (prospectively added: see note 1 supra).

6 Ibid s 43(6G)(a) (prospectively added: see note 1 supra). The text refers to land or buildings which were agricultural land or agricultural buildings for the purposes of s 51, Sch 5 para 1 (see PARA 43 et seq ante): see s 43(6G)(a) (prospectively added).

For the purposes of s 43(6G) (prospectively added) (see head (1)(a) and head (1)(b) in the text), in relation to any hereditament which includes property which is 'domestic' within the meaning of s 66 (as amended) (see PARA 120 post), s 43(6G)(a) (prospectively added) has effect as if that part of the hereditament which does not consist of such property were the entire hereditament, and a building which has replaced a building which was an agricultural building for the purposes of the exemption mentioned in s 43(6G) (prospectively added) (the 'original building') is treated as if it were the original building: s 43(6H) (prospectively added).

7 Ibid s 43(6G)(b) (prospectively added: see note 1 supra). See note 6 supra.

8 For the purposes of the Local Government Finance Act 1988, chargeable financial years are financial years beginning in 1990 and subsequent years: s 145(1). For the meaning of 'financial year' for these purposes see PARA 1 note 1 ante.

9 Ibid s 43(6F)(b) (prospectively added: see note 1 supra). In respect of any hereditament shown in a non-domestic rating list compiled on or after 1 April 2005 in relation to England, £7,000 is the amount specified for the purposes of s 43(6F)(b) (as added): Non-Domestic Rating (Former Agricultural Premises) (England) Order 2004, SI 2004/3152, arts 1-2.

10 For these purposes, a chargeable day is one which falls within the financial year and in respect of which the conditions in the Local Government Finance Act 1988 s 43(1) (see PARA 60 ante) are fulfilled: s 43(3).

11 It is the rateable value shown for the day in the local non-domestic rating list under ibid s 42(4) (as amended) (see PARA 123 et seq post) as regards the hereditament: see s 44(1), (2) (s 44(2) amended by the Local Government and Housing Act 1989 s 194(4), Sch 5 paras 1, 21, 79(3), Sch 12 Pt II).

12 See the Local Government Finance Act 1988 s 44(1), (4). The non-domestic rating multiplier is a uniform amount applying to every billing authority area and is fixed annually by the Secretary of State using the method set out in s 56(2), Sch 7 (as amended): see PARA 86 note 6 post.

Where the billing authority is a special authority, the figure used for the non-domestic rating multiplier is the authority's non-domestic rating multiplier for the financial year: see s 44(1), (5) (amended by the Local Government Finance Act 1992 s 117(1), Sch 13 para 61).

13 See the Local Government Finance Act 1988 s 44(1), (6).

14 Ibid s 43(6A) (added by the Local Government and Rating Act 1997 s 1, Sch 1 para 2(b); amended by the Rating (Former Agricultural Premises and Rural Shops) Act 2001 s 1(1), (2)). This modification has the effect of reducing by 50% the chargeable amount which applies generally to the non-domestic rate for occupied hereditaments in the local non-domestic rating lists (as to which see PARA 60 ante). However, the Local Government Finance Act 1988 s 43(6A) (as added and amended) does not have effect in relation to a hereditament to which s 43(6F) (prospectively added) applies (see heads (1) and (2) in the text) on a chargeable day on which s 56, Sch 6 para 2A (as added) (see PARA 97 post) applies in relation to the hereditament: s 43(6I) (as so added).

In relation to any hereditament in respect of which both s 43(4A) (as added) (mandatory small business rate relief) (see PARA 70 et seq ante) and s 43(6A) (as added and amended), but not s 43(5) (charities etc) (see PARA 73 ante), have effect on the day concerned, the chargeable amount, in relation to England, is to be calculated in accordance with s 43(6A) (as added and amended) (and, in relation to Wales, is to be calculated in accordance with whichever of s 43(4A) (as added) and s 43(6A) (as added and amended) produces the smaller amount): s 43(8A) (added by the Rating (Former Agricultural Premises and Rural Shops) Act 2001 s 1(1), (4); substituted by the Local Government Act 2003 s 61(1), (4)). It is submitted that the reference to Wales only has effect in

respect of hereditaments which occupy land in both England and Wales. In relation to any hereditament in respect of which the Local Government Finance Act 1988 s 43(4A) (as added), s 43(5) and s 43(6A) (as added and amended) each have effect on the day concerned, or in respect of which s 43(5) and s 43(6A) (as added and amended) both have effect on that day, the chargeable amount is to be calculated in accordance with s 43(5): s 43(8B) (added by the Local Government Act 2003 s 61(1), (4)).

15 Local Government Finance Act 1988 s 43(7) (amended by the Local Government Finance Act 1992 Sch 13 para 60). The liability to pay any such amount is discharged by making a payment or payments in accordance with regulations made under the Local Government Finance Act 1988 s 62, Sch 9 (as amended) (see PARA 141 et seq post): s 43(8). As to the regulations so made see the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058 (amended by the Statute Law (Repeals) Act 1995; SI 1990/145; SI 1991/141; SI 1991/1127; SI 1992/474; SI 1992/1512; SI 1993/616; SI 1993/774; SI 1993/1493; SI 1996/675; SI 1996/1880; SI 1998/3089; SI 2005/617; in relation to England only by SI 2000/2026; SI 2001/362; SI 2003/2210; SI 2003/2604; SI 2003/3052; SI 2006/237; SI 2006/3395; SI 2007/501; in relation to Wales only by SI 2001/1076; SI 2003/1714; SI 2004/1013) (see PARAS 170, 175 et seq post). As to the making of regulations under the Local Government Finance Act 1988 generally see PARA 3 ante.

B. MANDATORY RELIEF FOR UNOCCUPIED HEREDITAMENTS

78. Zero-rating for charities and community amateur sports clubs.

Where a ratepayer¹ is liable to pay a non-domestic rate as regards an unoccupied hereditament², the chargeable amount³ for a chargeable day⁴ is zero⁵ where: (1) the ratepayer is a charity⁶ or trustees for a charity⁷, and it appears that when next in use the hereditament will be wholly or mainly used for charitable purposes⁸ (whether of that charity or of that and other charities)⁹; or (2) the ratepayer is a registered community amateur sports club¹⁰, and it appears that when the hereditament is next in use¹¹: (a) it will be wholly or mainly used for the purposes of that club and that club will be such a registered club¹²; or (b) it will be wholly or mainly used for the purposes of two or more clubs including that club, and each of those clubs will be such a registered club¹³.

1 le a person who is subject to a non-domestic rate as regards an unoccupied hereditament in a local rating list: see the Local Government Finance Act 1988 s 45(1) (as amended); and PARA 62 ante. For the meaning of 'hereditament' see PARA 33 et seq ante. As to local non-domestic rating lists see PARA 121 et seq post.

2 le where *ibid* s 45 (as amended) (see PARAS 62-63 ante) applies in relation to a hereditament: see s 45A(1) (as added: see note 5 infra).

3 For the usual purposes of *ibid* s 45 (as amended) (see PARAS 62-63 ante), the chargeable amount is calculated using the formula set out in s 45(4) (as substituted): see PARA 62 ante.

4 A chargeable day is one which falls within the financial year and in respect of which the conditions mentioned in *ibid* s 45(1) (as amended) (see PARA 62 ante) are fulfilled: s 45(3). For the purposes of the Local Government Finance Act 1988, chargeable financial years are financial years beginning in 1990 and subsequent years: s 145(1). Section 45A(2) (as added) (see head (1) in the text) and s 45A(3) (as added) (see head (2) in the text) applies on a particular day if (and only if) it applies immediately before the day ends: s 67(7) (amended by Rating (Empty Properties) Act 2007 s 2(1), Sch 1 para 5).

5 Local Government Finance Act 1988 s 45A(1) (s 45A added by the Rating (Empty Properties) Act 2007 s 1(2)).

See note 4 supra. The times at which a club is a registered club for the purposes of the Finance Act 2002 Sch 18 (as amended) are to be taken, where it is registered with retrospective effect, to have included those within the period beginning with the date with effect from which it is registered and ending with its registration: Local Government Finance Act 1988 s 67(10A)(a) (s 67(10A) added by the Local Government Act 2003 s 64(5)). However, the times at which a club is such a registered club are to be taken, where its registration is terminated with retrospective effect, not to have included those within the period beginning with the date with effect from which its registration is terminated and ending with the termination of its registration: Local Government Finance Act 1988 s 67(10A)(b) (as so added).

79. Chargeable amount for unoccupied properties may be reduced by order.

An order¹ may provide that the chargeable amount for each chargeable day² that a ratepayer³ is liable to pay as regards an unoccupied hereditament is to be calculated by: (1) multiplying the rateable value⁴ by the non-domestic rating multiplier for the financial year⁵; (2) multiplying the number of days in the financial year⁶ by such number (greater than one but not greater than two) as may be prescribed⁷; and (3) dividing the product found under head (1) above by the product found under head (2) above⁸.

1 An order under the Local Government Finance Act 1988 s 45(4A) (as added) may be made, in relation to England, by the Secretary of State and, in relation to Wales, by the Welsh Ministers: s 45(4B) (s 45(4A), (4B) added by the Rating (Empty Properties) Act 2007 s 1(1)). The power to make an order under the Local Government Finance Act 1988 s 45(4A) (as added) is exercisable by statutory instrument, but no such order is to be made, in the case of an order relating to England, unless a draft of the order has been laid before and approved by resolution of each House of Parliament or, in the case of an order relating to Wales, unless a draft of the order has been laid before and approved by resolution of the National Assembly for Wales: s 143(3B) (added by the Rating (Empty Properties) Act 2007 s 1(3)). However, at the date at which this volume states the law, no such order had been made. For the meanings of 'England' and 'Wales' see PARA 1 note 2 ante. As to the Secretary of State and the Welsh Ministers and as to the making of orders under the Local Government Finance Act 1988 generally see PARA 3 ante.

2 A chargeable day is one which falls within the financial year and in respect of which the conditions mentioned in the Local Government Finance Act 1988 s 45(1) (as amended) (see PARA 62 ante) are fulfilled: s 45(3). For the purposes of the Local Government Finance Act 1988, chargeable financial years are financial years beginning in 1990 and subsequent years: s 145(1). For the meaning of 'financial year' for these purposes see PARA 1 note 1 ante.

3 I.e. a person who is subject to a non-domestic rate as regards an unoccupied hereditament in a local rating list: see *ibid* s 45(1) (as amended); and PARA 62 ante. For the meaning of 'hereditament' see PARA 33 et seq ante. As to local non-domestic rating lists see PARA 121 et seq post.

4 I.e. the rateable value shown for the day in the local non-domestic rating list under *ibid* s 42(4) (as amended) (see PARA 123 et seq post) as regards the hereditament: see s 46(1), (2) (s 46(2) amended by the Local Government and Housing Act 1989 s 194(4), Sch 5 paras 1, 21, 79(3), Sch 12 Pt II).

5 See the Local Government Finance Act 1988 s 46(1), (3). The non-domestic rating multiplier is a uniform amount applying to every billing authority area and is fixed annually by the Secretary of State using the method set out in s 56(2), Sch 7 (as amended): see PARA 86 note 6 post.

Where the billing authority is a special authority, the figure used for the non-domestic rating multiplier is the authority's non-domestic rating multiplier for the financial year: see s 46(1), (4) (amended by the Local Government Finance Act 1992 s 117(1), Sch 13 para 64). As to billing authorities see PARA 5 ante; and as to special authorities and the non-domestic rating multiplier see PARA 60 note 10 ante.

6 See the Local Government Finance Act 1988 s 46(1), (5).

7 *Ibid* s 45(4A) (as added: see note 1 supra). 'Prescribed' in the context of an order, means prescribed by the order: s 146(6). See note 1 supra. The number so prescribed will control the amount of the reduction (not greater than 50 per cent) that is to be applied by order.

8 *Ibid* s 45(4A) (as added: see note 1 supra). The formula set out in s 45(4A) (as added) supplants that used in s 45(4) (as substituted) (see PARA 62 ante) where an order under s 45(4A) (as added) so provides: see s 45(4A) (as so added).

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(5) CHARGEABLE AMOUNT/(iii) Relief Schemes/C. DISCRETIONARY RELIEF/80. Scope of discretionary relief.

C. DISCRETIONARY RELIEF

80. Scope of discretionary relief.

Except where an unoccupied hereditament¹ is zero-rated², discretionary relief for the amount payable as regards hereditaments in the local rating list³ depends on the fulfilment of a combination of the following conditions, namely: (1) the status of the hereditament on the chargeable day (the 'first condition')⁴; (2) whether a billing authority⁵ decides to apply the discretionary relief provisions⁶ as regards the hereditament concerned (the 'second condition')⁷; (3) whether the relief scheme for rural settlements applies (the 'rural settlement condition')⁸; (4) whether the relief scheme for former agricultural land or buildings applies (the 'condition relating to relief for former agricultural premises')⁹; and (5) whether the relief scheme for small businesses applies (the 'small business condition')¹⁰. For the purposes of head (1) above, the 'first condition' is that one or more of the following applies on the chargeable day¹¹:

- 82 (a) the ratepayer is a charity¹² or trustees for a charity, and the hereditament is wholly or mainly used for charitable purposes¹³ (whether of that charity or of that and other charities)¹⁴;
- 83 (b) the hereditament is not an excepted hereditament¹⁵, and all or part of it is occupied¹⁶ for the purposes of¹⁷ one or more institutions or other organisations¹⁸ none of which is established or conducted for profit¹⁹ and each of whose main objects²⁰ are charitable or are otherwise philanthropic or religious²¹ or concerned with²² education²³, social welfare²⁴, science, literature or the fine arts²⁵;
- 84 (c) the ratepayer is a registered community amateur sports club²⁶, and the hereditament is not an excepted hereditament and is wholly or mainly used either for the purposes of that club, or for the purposes of that club and of other such registered clubs²⁷;
- 85 (d) the hereditament is not an excepted hereditament, it is wholly or mainly used for purposes of recreation²⁸, and all or part of it is occupied for the purposes of a club, society or other organisation not established or conducted for profit²⁹.

Where the second condition as mentioned in head (2) above is fulfilled, together with any of the following conditions, for a day which is a chargeable day³⁰, namely:

- 86 (i) the first condition as mentioned in head (1) above³¹; or
- 87 (ii) the rural settlement condition as mentioned in head (3) above³²; or
- 88 (iii) the condition relating to relief for former agricultural premises as mentioned in head (4) above³³; or
- 89 (iv) the small business condition as mentioned in head (5) above³⁴,

the chargeable amount for the day is such as is determined by (or found in accordance with rules determined by) the billing authority concerned³⁵. Consequently, certain provisions³⁶ do not apply as regards the day³⁷.

1 For the meaning of 'hereditament' see PARA 33 et seq ante. As to occupation see PARA 12 et seq ante.

2 Local Government Finance Act 1988 s 47(10) (added by the Rating (Empty Properties) Act 2007 s 2(1), Sch 1 para 2(1), (3)). The text refers to an unoccupied hereditament which is zero-rated under the Local Government Finance Act 1988 s 45A (as added) (see PARA 78 ante): see s 47(10) (as so added).

3 As to local non-domestic rating lists see PARA 121 et seq post.

4 See the Local Government Finance Act 1988 s 47(2) (as amended); and heads (a) to (d) in the text.

5 As to billing authorities see PARA 5 ante.

6 In the Local Government Finance Act 1988 s 47 (as amended) (see the text and notes 7-37 infra).

7 The 'second condition' referred to in head (2) in the text is that, during a period which consists of or includes the chargeable day, a decision of the billing authority concerned operates to the effect that *ibid* s 47 (as amended) applies as regards the hereditament concerned: s 47(3) (amended by the Local Government Finance Act 1992 s 117(1), Sch 13 para 65). As to decisions which so operate see further PARA 81 post.

8 The rural settlement condition is that:

- 37 (1) the hereditament is situated in England (Local Government Finance Act 1988 s 47(3A)(aa) (s 47(3A), (3B) added by the Local Government and Rating Act 1997 s 1, Sch 1 para 3(b); the Local Government Finance Act 1988 s 47(3A)(aa) added by the Local Government Act 2003 s 63(3));
- 38 (2) on the chargeable day the hereditament is within a settlement identified in the billing authority's rural settlement list for the chargeable financial year in which that day falls (Local Government Finance Act 1988 s 47(3A)(a) (as so added)); and
- 39 (3) the rateable value of the hereditament shown in the local non-domestic rating list at the beginning of the chargeable financial year is not more than any amount prescribed by the Secretary of State by order (s 47(3A)(b) (as so added)).

For the meaning of 'England' see PARA 1 note 2 ante. For the purposes of the Local Government Finance Act 1988, chargeable financial years are financial years beginning in 1990 and subsequent years: s 145(1). For the meaning of 'financial year' for these purposes see PARA 1 note 1 ante. As to the rural settlement lists see PARA 124 post. Further to head (3) *supra*, 'prescribed' in the context of an order, means prescribed by the order: s 146(6). Accordingly, in relation to hereditaments shown in local non-domestic rating lists for billing authorities in England, £14,000 is the amount prescribed as the maximum amount of rateable value for the purposes of s 47(3A)(b) (as added) (discretionary relief in rural areas): Non-Domestic Rating (Rural Settlements) (England) Order 1997, SI 1997/2792, art 3(2), (3) (art 3(2) amended by SI 2004/3153). As to the Secretary of State and as to the making of orders under the Local Government Finance Act 1988 generally see PARA 3 ante.

However, where the Local Government Finance Act 1988 s 43(6B)(c) (as added and amended) (see PARA 76 ante) does not apply, the billing authority is not, by virtue of s 47(3A) (as added and amended), to make such a decision as is referred to in s 47(3) (as amended) (see note 7 *supra*) unless it is satisfied that: (a) the hereditament is used for purposes which are of benefit to the local community (s 47(3B)(a) (as so added)); and (b) it would be reasonable for the billing authority to make such a decision, having regard to the interests of persons liable to pay council tax set by it (s 47(3B)(b) (as so added)). See note 16 *infra*. As to council tax see PARA 227 et seq post.

9 The condition relating to relief for former agricultural premises is that, on the chargeable day, *ibid* s 43(6F) (as added) (see PARA 77 ante) applies to the hereditament: s 47(3C) (added by the Rating (Former Agricultural Premises and Rural Shops) Act 2001 s 2(1), (3)). The Local Government Finance Act 1988 s 47(3C) is added by the Rating (Former Agricultural Premises and Rural Shops) Act 2001 s 2(1), (3) as from a day to be appointed under s 6(2). In relation to England, 15 August 2001 was appointed as the day: see the Rating (Former Agricultural Premises and Rural Shops) Act 2001 (Commencement No 1) Order 2001, SI 2001/2580, art 2. However, at the date at which this volume states the law, no such day had been appointed in relation to Wales. As to the effect of these provisions see further PARA 77 note 1 ante. For the meaning of 'Wales' see PARA 1 note 2 ante.

10 The small business condition is that the hereditament is situated in Wales, and that, on the chargeable day, the Local Government Finance Act 1988 s 43(4B) (as added) (see PARA 70 ante) applies to the hereditament: s 47(3D) (added by the Local Government Act 2003 s 61(7)).

11 Local Government Finance Act 1988 s 47(2). Section 47(2) (as amended) (see heads (a) to (d) in the text) applies on a particular day if (and only if) it applies immediately before the day ends: s 67(7) (amended by Rating (Empty Properties) Act 2007 Sch 1 para 5).

12 For the meaning of 'charity' for these purposes see PARA 73 note 3 ante.

13 As to the meaning of 'wholly or mainly used for charitable purposes' see PARA 75 ante.

14 Local Government Finance Act 1988 s 47(2)(a). See note 11 supra.

15 A hereditament is an excepted hereditament if all or part of it is occupied (otherwise than as trustee) by: (1) a billing authority; (2) a precepting authority, other than the Receiver for the Metropolitan Police District or charter trustees; or (3) a functional body, within the meaning of the Greater London Authority Act 1999 (see LONDON GOVERNMENT vol 29(2) (Reissue) PARA 213 et seq): Local Government Finance Act 1988 s 47(9) (amended by the Local Government Finance Act 1992 Sch 13 para 65; and the Greater London Authority Act 1999 s 138). As from a day to be appointed under the Greater London Authority Act 1999 s 425(2), the words 'the Receiver for the Metropolitan Police District or' in head (2) supra are repealed by s 423, Sch 34 Pt I. However, at the date at which this volume states the law, no such day had been appointed. As to precepting authorities see PARA 1 ante.

A hereditament which is wholly unoccupied is to be treated as an excepted hereditament if it appears that when any of it is next occupied the hereditament will be an excepted hereditament: Local Government Finance Act 1988 s 48(1) (as amended: see note 16 infra), s 48(4).

16 Except for the purposes of ibid s 47(3B)(a) (as added) (see note 8 supra), if a hereditament is wholly unoccupied but it appears that it or any part of it when next occupied will be occupied for particular purposes, the hereditament or part concerned (as the case may be) is to be treated as occupied for these purposes: s 48(1), (5) (s 48(1) amended by the Local Government and Rating Act 1997 Sch 1 para 4).

17 The phrase 'occupied for the purposes of' is not to be read as 'occupied exclusively for the purposes of': *Royal London Mutual Insurance Society Ltd v Hendon Corpn* (1958) 3 RRC 76.

Some of the cases cited in this paragraph were decided prior to the coming into force of the Local Government Finance Act 1988 and, therefore, must now be considered in relation to the non-domestic rating provisions in Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 81 et seq post). As to the historical development of rating law and the continuing relevance of the old case law to the current statutory regime see PARA 2 ante.

18 On similar wording in the Rating and Valuation (Miscellaneous Provisions) Act 1955 s 8 (repealed), it was held to be not always right to take the occupier and treat him as the organisation: *Skegness UDC v Derbyshire Miners' Welfare Committee* [1959] AC 807 at 827, [1959] 2 All ER 258 at 265, HL, per Lord Denning; *Isaacs v Market Bosworth RDC* [1960] 1 All ER 433, [1960] 1 WLR 277 (trustees of trade union memorial home; organisation for whose purposes hereditament occupied was the trade union; hereditament not entitled to relief); cf *National Children's Home and Orphanage Registered Trustees v Penarth UDC* (1960) 53 R & IT 166 (trustees of approved school not occupying for purposes of Home Secretary; school entitled to relief); *Trustees of the Benevolent and Orphan Fund, National and Local Government Officers' Association v Bournemouth Corpn* (1957) 1 RRC 363 (quarter sessions).

19 The same words in the Rating and Valuation (Miscellaneous Provisions) Act 1955 s 8 (repealed) were held to mean not established or conducted for the purpose of making profit; accordingly a direction to the trustees of a charity to make investments in order to produce revenue and increase capital does not make the organisation one which is established or conducted for profit: *Guinness Trust (London Fund) Founded 1890, Registered 1902 v West Ham Corpn* [1959] 1 All ER 482, [1959] 1 WLR 233, CA. The financial gains made by a friendly society from investments do not make the society one which is established or conducted for profit: *Trustees of National Deposit Friendly Society v Skegness UDC* [1959] AC 293, [1958] 2 All ER 601, HL. A zoo held to be an educational charity is not conducted for profit merely because it makes a financial surplus on its operations: *North of England Zoological Society v Chester RDC* [1959] 3 All ER 116, [1959] 1 WLR 773, CA. See also *Working Men's Club and Institute Union Ltd v Swansea Corpn* [1959] 3 All ER 769, [1959] 1 WLR 1197, CA, where a society registered under what is now the Industrial and Provident Societies Act 1965 was held not to be established or conducted for profit. See also *Ladbroke Park Golf Club Ltd v Stratford-on-Avon RDC* (1957) 1 RRC 202; *Reinshaw Park Golf Club v Chesterfield RDC* (1957) 1 RRC 281; *Mid-Kent Golf Club Ltd v Gravesend Borough Council* (1957) 50 R & IT 613, where golf clubs were held, at quarter sessions, not to be established or conducted for profit merely because of incidental financial gains.

20 On the same words in the Rating and Valuation (Miscellaneous Provisions) Act 1955 (repealed), it was held that the main objects must be sought in the written constitution, if there is one: *Berry v St Marylebone Borough Council* [1958] Ch 406, [1957] 3 All ER 677, CA; *General Nursing Council for England and Wales v St Marylebone Borough Council* [1959] AC 540 at 559, [1959] 1 All ER 325 at 332, HL, per Lord Keith of Avonholm; *Victory (Ex-Services) Association Ltd v Paddington Borough Council* [1960] 1 All ER 498, [1960] 1 WLR 106, DC; *Royal College of Nursing v St Marylebone Corpn* [1959] 3 All ER 663, [1959] 1 WLR 1077, CA. The activities of the organisation may be relevant in determining which of the objects are the main objects (*Berry v St Marylebone Borough Council* supra; *Working Men's Club and Institute Union Ltd v Swansea Corpn* [1959] 3 All ER 769, [1959] 1 WLR 1197, CA; *Trustees of National Deposit Friendly Society v Skegness UDC* [1959] AC 293 at 320, [1958] 2 All ER 601 at 612, HL, per Lord Denning); or where there is ambiguity in the objects (*North of England Zoological Society v Chester RDC* [1959] 3 All ER 116, [1959] 1 WLR 773, CA; *Nottingham Mechanics*

Institution v City of Nottingham (1958) 3 RRC 359; *English-Speaking Union v Westminster City Council* (1959) 4 RRC 97, DC).

21 The objects of theosophy were held not to be 'concerned with the advancement of religion' within the meaning of the Rating and Valuation (Miscellaneous Provisions) Act 1955 s 8 (repealed) (*Berry v St Marylebone Borough Council* [1958] Ch 406, [1957] 3 All ER 677, CA); and so were the objects of freemasonry (*United Grand Lodge of Ancient Free and Accepted Masons of England v Holborn Borough Council* [1957] 3 All ER 281, [1957] 1 WLR 1080, CA). See also *Trustees of National Deposit Friendly Society v Skegness UDC* [1959] AC 293 at 322, [1958] 2 All ER 601 at 614, HL, per Lord Denning.

22 On the words in the Rating and Valuation (Miscellaneous Provisions) Act 1955 s 8 (repealed) 'concerned with the advancement of religion, education or social welfare', it was held that the organisation must be substantially altruistic or benevolent in its purposes, although not necessarily in the limited sense applied to charities: *Trustees of National Deposit Friendly Society v Skegness UDC* [1959] AC 293, [1958] 2 All ER 601, HL; *Independent Order of Odd Fellows, Manchester Unity Friendly Society v Manchester Corp'n* [1958] 3 All ER 378, [1958] 1 WLR 1171, CA; *Working Men's Club and Institute Union Ltd v Swansea Corp'n* [1959] 3 All ER 769, [1959] 1 WLR 1197, CA. The crucial test was the purpose to which the money was devoted, not the motives of its donors: *Skegness UDC v Derbyshire Miners' Welfare Committee* [1959] AC 807 at 824, [1959] 2 All ER 258 at 263, HL, per Viscount Simonds; explained in *Waterson v Hendon Borough Council* [1959] 2 All ER 760, [1959] 1 WLR 985. The size of the class of persons to be benefited was irrelevant: *Skegness UDC v Derbyshire Miners' Welfare Committee* supra.

23 The main objects of the Chartered Insurance Institute are not the advancement of education but the benefit of the profession of insurance generally: *Chartered Insurance Institute v London Corp'n* [1957] 2 All ER 638, [1957] 1 WLR 867, DC. The main objects of the English-Speaking Union are not concerned with the advancement of education (*English-Speaking Union v Westminster City Council* (1959) 4 RRC 97); nor are those of the Theosophical Society (*Berry v St Marylebone Borough Council* [1958] Ch 406, [1957] 3 All ER 677, CA). See *Trustees of National Deposit Friendly Society v Skegness UDC* [1959] AC 293 at 322, [1958] 2 All ER 601 at 613, HL, per Lord Denning. At quarter sessions, the Oxford Union Society (*Oxford Union Society v City of Oxford* (1957) 2 RRC 54) and two dramatic societies (*Newport Playgoers' Society v Newport County Borough Council* (1957) 1 RRC 279; *Trustees of Stoke-on-Trent Repertory Players v Stoke-on-Trent Corp'n* (1957) 1 RRC 353) have been held to be concerned with the advancement of education.

24 It has been said that 'social welfare' is not the same as 'social well-being', but savours more of those needs of the community which, as a matter of social ethics, ought to be met in the attainment of some acceptable standard: *National Deposit Friendly Society v Skegness UDC* [1959] AC 293 at 314, [1958] 2 All ER 601 at 609, HL, per Lord MacDermott. The needs which are met need not be financial: *Victory (Ex-Services) Association Ltd v Paddington Borough Council* [1960] 1 All ER 498, [1960] 1 WLR 106, DC, where it was held that to promote comradeship between and improve the conditions and welfare of all ranks past and present advanced social welfare. Public benefit alone is not the test of social welfare (*General Nursing Council for England and Wales v St Marylebone Borough Council* [1959] AC 540, [1959] 1 All ER 325, HL); and 'social welfare' is a narrower phrase than 'social improvement' (*Nottingham Mechanics Institution v City of Nottingham* (1958) 3 RRC 359). An organisation which provides benefits only for its members is not concerned with the advancement of social welfare: *Working Men's Club and Institute Union Ltd v Swansea Corp'n* [1959] 3 All ER 769, [1959] 1 WLR 1197, CA; *Waterson v Hendon Borough Council* [1959] 2 All ER 760, [1959] 1 WLR 985. A holiday camp run by a miners' welfare committee has been held to be concerned with the advancement of 'social welfare': *Skegness UDC v Derbyshire Miners' Welfare Committee* [1959] AC 807, [1959] 2 All ER 258, HL. See also *Independent Order of Odd Fellows, Manchester Unity Friendly Society v Manchester Corp'n* [1958] 3 All ER 378, [1958] 1 WLR 1171, CA; *Berry v St Marylebone Borough Council* [1958] Ch 406, [1957] 3 All ER 677, CA; and, at quarter sessions, *Trustees of West Ham Boys' and Amateur Boxing Club v West Ham County Borough Council* (1957) 2 RRC 44; *Trustees of Fegg Hayes Welfare Club and Institute v Stoke-on-Trent Corp'n* (1957) 1 RRC 353; *Trustees of Wearmouth Colliery Welfare Fund v Sunderland County Borough Council* (1956) 1 RRC 272; *Wearmouth Colliery Cricket Club v Sunderland County Borough Council* (1956) 1 RRC 277.

Societies which were instituted for the purpose of science, literature or the fine arts exclusively were at one stage exempted from rates, provided that certain other conditions were fulfilled, by the Scientific Societies Act 1843 s 1 (repealed). Many decisions were made as to societies which were to be treated as exempt, and as to others which were so instituted but were not exempt because a condition of exemption was not satisfied; some societies were held not to be exclusively instituted for the requisite purposes but might now qualify for discretionary relief on the ground that their main objects are concerned with science, literature or the fine arts. 'Science' has been held to include applied science: *R v Royal Medical and Chirurgical Society of London* (1857) 21 JP 789 at 791. The fine arts must be distinguished from the arts: *R v Institution of Civil Engineers* (1879) 5 QBD 48 at 52, DC. Music is one of the fine arts (*Royal College of Music v Westminster Vestry* [1898] 1 QB 809, CA), and drama and acting may be (*Nonentities Society v Linley (Valuation Officer)* and *Kidderminster Borough Council* (1954) 47 R & IT 426, CA), but folk dancing is not (*O'Sullivan (Valuation Officer) v English Folk Dance and Song Society* [1955] 2 All ER 845, [1955] 1 WLR 907, CA).

26 le a registered club for the purposes of the Finance Act 2002 s 58, Sch 18 (Sch 18 as amended) (relief for community amateur sports clubs) (see CAPITAL GAINS TAXATION vol 5(1) (2004 Reissue) PARA 291): see the Local Government Finance Act 1988 s 47(2)(ba) (as added: see note 27 infra). The times at which a club is a registered club for the purposes of the Finance Act 2002 Sch 18 (as amended) are to be taken, where it is registered with retrospective effect, to have included those within the period beginning with the date with effect from which it is registered and ending with its registration: Local Government Finance Act 1988 s 67(10A)(a) (s 67(10A) added by the Local Government Act 2003 s 64(5)). However, the times at which a club is such a registered club are to be taken, where its registration is terminated with retrospective effect, not to have included those within the period beginning with the date with effect from which its registration is terminated and ending with the termination of its registration: Local Government Finance Act 1988 s 67(10A)(b) (as so added).

UPDATE

80 Scope of discretionary relief

NOTE 8--For '£14,000' read '£16,500': SI 1997/2792 art 3(2) (further amended by SI 2009/3176).

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(5) CHARGEABLE AMOUNT/(iii) Relief Schemes/C. DISCRETIONARY RELIEF/81. Grant of the relief.

81. Grant of the relief.

Discretionary relief for the amount payable as regards hereditaments¹ in the local rating list² is not available on any day unless a decision of the billing authority³ concerned operates to the effect that the provisions for discretionary relief⁴ apply as regards the hereditament concerned⁵. Such a decision is invalid if made more than six months after the end of the financial year in which the day falls⁶; and such a decision may be revoked by a further decision of the authority⁷. The quantum of the relief given may either be determined by the billing authority or be determined in accordance with rules set by it⁸. The determination must be such that the chargeable amount for the day is less than would otherwise be chargeable⁹ and may be nil¹⁰. It may be varied by a further determination of the authority¹¹.

The Secretary of State (or the Welsh Ministers, as the case may be)¹² may make regulations¹³ containing provision: (1) requiring notice to be given of any determination or decision¹⁴; (2) limiting the power to revoke a decision or vary a determination¹⁵; (3) as to other incidental matters¹⁶. Accordingly, the billing authority making a decision or making or varying a determination must give notice in writing to the ratepayer or ratepayers concerned stating¹⁷: (a) in the case of the making of a decision, the first day with respect to which the decision operates and (if the decision is expressed to operate by reference to a particular period) the last day with respect to which it operates¹⁸; (b) in the case of the making or variation of a determination, the chargeable amount or the rules in accordance with which that amount is to be found (as the case may be) as so made or varied¹⁹. The billing authority revoking a decision must give notice in writing to the ratepayer or ratepayers concerned stating the day on which the revocation has effect²⁰. Notice of the making of a decision or determination, or of the variation of a determination which is not a relevant variation, is to be given as soon as practicable after the decision or determination is made or varied²¹.

8 See *ibid* s 47(1)(a) (as amended); and PARA 80 ante.

In deciding what the chargeable amount for the day would be apart from s 47 (as amended), the effect of any regulations under s 57A (as added and amended) (see PARA 84 post) or s 58 (as amended) (see PARA 85 post) and the effect of any provision of (or made under) s 57 (as substituted), Sch 7A (as added and amended) (see PARA 83 post) must be taken into account but anything which has been done or could be done under s 49 (as amended) (see PARA 82 post) must be ignored: s 47(5) (amended by the Local Government and Housing Act 1989 s 139, Sch 5 paras 26, 79(3); and the Local Government Act 2003 s 127(1), Sch 7 paras 9(1), 10).

15 Ibid s 47(8)(b). According to the Non-Domestic Rating (Discretionary Relief) Regulations 1989, SI 1989/1059 (as amended) (as to which see note 13 supra), a decision under the Local Government Finance Act 1988 s 47(3) (as amended) (see PARA 80 ante) may be revoked and a relevant variation of a determination under s 47(1)(a) (as amended) (see PARA 80 ante) can only be made so that it takes effect at the expiry of a financial year and so that at least one year's notice of the revocation or variation is given under the Non-Domestic Rating (Discretionary Relief) Regulations 1989, SI 1989/1059, reg 2(1) (as amended) (see the text and notes 17-19 infra) or reg 2(2) (as amended) (see the text and note 20 infra), as the case may be: see regs 1(2), 2(3). However, reg 2(3) does not apply in relation to Wales where the billing authority revokes a decision or makes a relevant variation of a determination as a consequence only of the commencement of the Local Government Act 2003 s 63 (amending the Local Government Finance Act 1988 s 42A (as added and amended) (see PARA 124 post), s 43 (as amended) (see PARAS 60, 70 et seq ante) and s 47 (as amended) (see PARA 80 ante)): Non-Domestic Rating (Discretionary Relief) Regulations 1989, SI 1989/1059, reg 2(6) (added, in relation to Wales, by SI 2006/3392). A variation of a determination is a relevant variation for these purposes if it increases the chargeable amount for any day: Non-Domestic Rating (Discretionary Relief) Regulations 1989, SI 1989/1059, reg 2(5).

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(5) CHARGEABLE AMOUNT/(iv) Reduction for Hardship/82. Reduction or remission in the case of hardship.

(iv) Reduction for Hardship

82. Reduction or remission in the case of hardship.

A billing authority¹ may reduce any amount which a person is otherwise liable to pay to it² as regards hereditaments³ in the local non-domestic rating list⁴ or it may remit payment of the whole of any amount a person would otherwise be liable to so pay⁵. However, a billing authority may not so act unless it is satisfied that: (1) the ratepayer would sustain hardship⁶ if the authority did not do so⁷; and (2) it is reasonable for the authority to do so having regard to the interests of persons liable to pay council tax set by it⁸.

1 As to billing authorities see PARA 5 ante.

2 I.e. under the Local Government Finance Act 1988 s 43 (as amended) (occupied hereditaments) (see PARAS 60, 70 et seq ante) or s 45 (as amended) (unoccupied hereditaments) (see PARAS 62-63, 78-79 ante): see s 49(1) (as amended: see note 5 infra). Where an authority acts under s 49 (as amended), then s 43 (as amended) or s 45 (as amended) are to be construed accordingly as regards the case concerned: s 49(4).

5 Local Government Finance Act 1988 s 49(1) (s 49(1), (2)(b) amended by the Local Government Finance Act 1992 s 117(1), Sch 13 para 66). The amount as regards which a reduction or remittance may be made under the Local Government Finance Act 1988 s 49(1) (as amended) is the amount the person would be liable to pay, apart from s 49 (as amended), taking account of anything done under s 47 (as amended) (see PARAS 80-81 ante), the effect of any regulations under s 57A (as added and amended) (see PARA 84 post) or s 58 (as amended) (see PARA 85 post) and the effect of any provision of (or made under) s 57 (as substituted), Sch 7A (as added and amended) (see PARA 83 post): s 49(3) (amended by the Local Government and Housing Act 1989 s 139, Sch 5 paras 27, 79(3); and the Local Government Act 2003 s 127(1), Sch 7 paras 9(1), 11).

6 The meaning of 'hardship' for these purposes was discussed by the Court of Appeal in *R v Liverpool City Council, ex p Windsor Securities Ltd* (1978) 77 LGR 502, [1979] RA 159, CA ('hardship' is a matter of degree and the question whether payment would cause hardship to the applicant has to be resolved in the light of commonsense having regard to all the circumstances). This case was decided prior to the coming into force of the Local Government Finance Act 1988 and, therefore, must now be considered in relation to the non-domestic rating provisions in Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 83 et seq post). As to the historical development of rating law and the continuing relevance of the old case law to the current statutory regime see PARA 2 ante.

(v) Transitional Relief Schemes

83. Transitional provisions for the 1990 and 1995 lists.

A large number of hereditaments¹ experienced considerable change in their rates burden on revaluation in 1990². The impact of that change, whether increase or (until 1 April 1993) reduction³, was limited in most cases by transitional arrangements⁴ for the period (the 'transitional period') consisting of the financial years beginning in 1990, 1991, 1992, 1993 and 1994⁵.

On revaluations for the 1995 list, a transitional relief scheme was again used to protect ratepayers from large changes in their rates liability (both increases and reductions) and this scheme applied for the financial years beginning in 1995, 1996, 1997, 1998 and 1999⁶. Provision for such relief is now made separately in relation to England and Wales respectively⁷.

1 For the meaning of 'hereditament' see PARA 33 et seq ante.

2 As to valuation for rating generally see PARA 86 et seq post. As to the historical development of rating law see PARA 2 ante.

3 The effect of the Non-Domestic Rating Act 1992 s 3(3) was to terminate the transitional provisions concerning hereditaments in respect of which the revaluation had brought a reduction in rates liability with effect from 1 April 1993, so that thereafter the ratepayer received the full benefit of the reduction.

4 As to the transitional arrangements see the Local Government Finance Act 1988 s 57 (substituted by the Local Government and Housing Act 1989 s 139, Sch 5 paras 31, 79(3)), Local Government Finance Act 1988 Sch 7A (added by the Local Government and Housing Act 1989 Sch 5 paras 40, 79(3); the Local Government Finance Act 1988 Sch 7A para 5 amended by the Non-Domestic Rating Act 1992 ss 2(1), 3(3), 8; and the Non-Domestic Rating Act 1994 s 1(2)); the Non-Domestic Rating (Transitional Period) (Appropriate Fraction) Order 1989, SI 1989/2476 (amended by the Non-Domestic Rating Act 1992 s 3(1); and SI 1991/2924); the Non-Domestic Rating (Transitional Period) Regulations 1990, SI 1990/608 (amended by SI 1990/2329; SI 1992/1514; SI 1993/616; in relation to England only by SI 2003/2000); the Non-Domestic Rating (Transitional Period) (Amendment and Further Provision) Regulations 1990, SI 1990/2329 (amended by the Non-Domestic Rating Act 1992 s 2(2); and the Non-Domestic Rating Act 1994 s 1(3)); the Non-Domestic Rating (Transitional Period) (Further Provision) Regulations 1992, 1992/559; the Non-Domestic Rating (Transitional Period) (Amendment) Regulations 1992, SI 1992/1514; and the Local Government Finance (Repeals, Savings and Consequential Amendments) Order 1993, SI 1993/616. For a case concerning the operation of this scheme see *R v Huelin (Valuation Officer), ex p Murphy Ltd, R v Hodgetts (Valuation Officer) ex p Nationwide Building Society* [2001] RA 30, [1999] EGCS 131, CA.

5 See the Local Government Finance Act 1988 Sch 7A para 1(1) (as added: see note 4 supra). For these purposes, a transitional day was a day falling in the transitional period: see Sch 7A para 1(2) (as added).

6 See the Non-Domestic Rating (Chargeable Amounts) Regulations 1994, SI 1994/3279 (now spent).

84. Power to make special provision for England: lists for 2000 and 2005 and for later years.

In relation to any relevant period¹, the Secretary of State² must make regulations in relation to the chargeable amounts³ which apply only in relation to England⁴. In relation to any case where:

- 90 (1) as regards a hereditament⁵ or hereditaments, the chargeable amount for a chargeable day falls to be determined under the provisions of the Local Government Finance Act 1988⁶; and
- 91 (2) the day falls within a prescribed relevant financial year⁷,

the regulations may contain provisions that the chargeable amount will be such as is found in accordance with prescribed rules instead⁸. Consequently, certain provisions of the Local Government Finance Act 1988⁹ do not apply as regards the day¹⁰.

Such regulations may: (a) contain different provision in relation to locally listed hereditaments¹¹ whose rateable value exceeds (and those whose rateable value does not exceed) a prescribed figure¹²; (b) include provision imposing duties and conferring powers on valuation officers¹³ (whether as regards determinations, certificates or otherwise)¹⁴ in relation to the ascertainment of rateable values¹⁵; and (c) include provision as to appeals relating to things done or not done by such officers¹⁶.

In making such regulations, the Secretary of State must have regard to the object of securing (so far as practicable) that the aggregate amount payable to him and all billing authorities¹⁷ by way of non-domestic rates as regards a particular relevant period is, after disregarding any adjustments made to take account of amounts being payable at times other than those at which they would have been payable apart from the regulations, the same as the aggregate amount which would be so payable apart from the regulations¹⁸. Once the actual aggregate amounts and adjustments for a particular relevant period are ascertained, the Secretary of State may amend such regulations in their application to a financial year which begins after the coming into force of the amending regulations and falls within the same or a later relevant period to reflect the extent to which the actual aggregate amounts and adjustments differ from his estimate of those amounts and adjustments¹⁹.

Under the regulations so made²⁰, ratepayers who are liable as regards certain defined hereditaments²¹, and whose bills (the 'notional chargeable amount')²² would have changed by a certain amount, have those changes in their liability phased in gradually over four years rather than having a sudden change of amount in the first year²³. Provision is made for the determination of the substituted chargeable amount where the hereditament in question is shown in a local list or the central list and where specified conditions are met²⁴. In cases where the principal rules apply²⁵, then the chargeable amount for a hereditament for each day is calculated by multiplying the base liability²⁶ by the appropriate fraction²⁷, by dividing the product so found by the number of days in the year and by adding to the amount so found the small business rate relief correction factor²⁸. Once the chargeable amount is calculated, the mandatory reliefs²⁹ are deducted³⁰. The rules are modified where there has been a change to the rateable value of the hereditament³¹ or where the hereditament is partly occupied³² or where, as a result of a structural alteration, a hereditament is deleted from a local list but is subsequently restored to it on or after 1 April 2005³³.

1 For the purposes of the Local Government Finance Act 1988 s 57A (as added and amended), a relevant period is a period of five years beginning on 1 April 2005 or on any 1 April after that date on which lists must be compiled: s 57A(13)(a) (s 57A added by the Local Government Act 2003 s 65(1)). See note 4 *infra*. As to rating lists see PARA 118 *et seq post*.

As to transitional provisions made in relation to the 1990-1994 and 1995-1999 rating lists see PARA 83 *ante*. For the provisions applicable, in relation to England, in respect of the period of five years beginning on 1 April 2000 and ending on 31 March 2005, see the Non-Domestic Rating (Chargeable Amounts) (England) Regulations 1999, SI 1999/3379 (amended by SI 2000/936; SI 2004/1297), made under the Local Government Finance Act 1988 s 58 (as amended), which is now applicable only in relation to Wales (see PARA 85 *post*). 3 *Ie* under the Local Government Finance Act 1988 s 57A (as added and amended): see s 57A(1) (as added: see note 1 *supra*). As to the chargeable amounts generally see PARA 60 *et seq ante*.

4 *Ibid* s 57A(1) (as added: see note 1 *supra*). As to the making of regulations under the Local Government Finance Act 1988 generally see PARA 3 *ante*. The power to make regulations under s 57A (as added and amended) is exercisable by statutory instrument, and no such regulations may be made unless a draft of them has been laid before and approved by resolution of each House of Parliament: s 143(4) (amended by the Local Government and Housing Act 1989 ss 139, 194, Sch 5 paras 72, 79(3), Sch 12; and the Local Government Act 2003 s 127(1), Sch 7 paras 9(1), 24(1), (3)).

For the provisions applicable in relation to England, in respect of the period beginning 1 April 2005 and ending on 31 March 2009, see the Non-Domestic Rating (Chargeable Amounts) (England) Regulations 2004, SI 2004/3387 (amended by SI 2005/991; SI 2006/3394); and notes 20-33 *infra*. Accordingly, the relevant period in relation to which, in accordance with the Local Government Finance Act 1988 s 57A (as added and amended), the Non-Domestic Rating (Chargeable Amounts) (England) Regulations 2004, SI 2004/3387 (as amended) apply, is the period beginning on 1 April 2005 and ending on 31 March 2009 (see reg 2(1)); a relevant day is a day falling within the relevant period (see reg 2(2)); and a relevant year is a financial year falling within the relevant period (see reg 2(3)).

5 For the meaning of 'hereditament' see PARA 33 *et seq ante*.

6 Local Government Finance Act 1988 s 57A(2)(a) (s 57A as added (see note 1 *supra*); s 57A(2)(a) amended by the Rating (Empty Properties) Act 2007 s 2(1), Sch 1 para 3(1)). For the purposes of s 57A (as added and amended), a relevant financial year, as regards regulations relating to a relevant period, is a financial year falling within the period: s 57A(13)(b) (as so added). Without prejudice to s 143(1) (see PARA 3 *ante*), regulations under s 57A (as added and amended) relating to a relevant period may contain different provisions for different relevant financial years: s 57A(6) (as so added). For the meaning of 'financial year' for these purposes see PARA 1 note 1 *ante*.

Regulations under s 57A (as added and amended), in their application to a particular relevant financial year, are not effective unless they come into force before 1 January immediately preceding the year; but this is without prejudice to the power to amend or revoke: s 57A(9) (as so added).

8 *Ibid* s 57A(2), (3)(a) (as added: see note 1 *supra*). Rules prescribed under s 57A (as added and amended) may be framed by reference to such factors as the Secretary of State thinks fit: s 57A(5) (as so added).

A chargeable amount found in accordance with rules prescribed under s 57A (as added and amended), and any calculation (or component of a calculation) used to find that amount, may be the same as or different from what it would be apart from the regulations: s 57A(4) (as so added).

11 For these purposes, a locally listed hereditament is a hereditament for the time being shown in a local non-domestic rating list: see the Local Government Finance Act 1988 s 57A(7) (as added: see note 1 supra). As to local non-domestic rating lists see PARA 121 et seq post.

21 See the Non-Domestic Rating (Chargeable Amounts) (England) Regulations 2004, SI 2004/3387, reg 3 (amended by SI 2006/3394). As to the class of defined hereditament as it was originally enacted see *R (on the application of the British Waterways Board) v First Secretary of State* [2006] EWHC 1019 (Admin), [2006] RA 241 (transitional provisions scheme as enacted, which only applied to hereditaments included in a rating list 'with a rateable value greater than zero' on 31 March 2005, affected the claimant in an irrational and unfair way and, accordingly, was unlawful and should be reconsidered).

In relation to a defined hereditament which is shown in a local list and is situated in the area of a special authority see the Non-Domestic Rating (Chargeable Amounts) (England) Regulations 2004, SI 2004/3387, reg 4. As to special authorities see PARA 60 note 10 ante.

22 Ie as determined under ibid reg 5.

23 As to the general effect of the scheme see the text and notes 24-33 infra. Provision is made requiring the appropriate valuation officer to certify values for the purposes of the application of the rules in the Non-Domestic Rating (Chargeable Amounts) (England) Regulations 2004, SI 2004/3387 (as amended): see regs 15-18. Appeals against such certificates may be made by means of the procedure set out in reg 19.

24 See ibid Pt 2 (regs 5-14) (as amended). The rules in Pt 2 (as amended) are replaced in cases where a hereditament splits or is merged with one or more other hereditaments whether that split or merger occurs on or after 1 April 2005: see Sch 2 (amended by SI 2005/991).

25 As to the application of the principal rules see the Non-Domestic Rating (Chargeable Amounts) (England) Regulations 2004, SI 2004/3387, reg 10.

26 Ie as determined under ibid regs 6-8.

27 Ie as determined under ibid reg 9 (amended by SI 2005/991). The appropriate fraction is different for different classes of hereditaments: see the Non-Domestic Rating (Chargeable Amounts) (England) Regulations 2004, SI 2004/3387, reg 9 (as so amended).

28 See ibid reg 11. The small business rate relief correction factor is found by subtracting the small business non-domestic rating multiplier for the relevant year in which the day falls from the non-domestic rating multiplier for the relevant year in which the day falls, by multiplying the product of that subtraction by the rateable value shown for the hereditament in the local or central list for the day (whichever applies) and by dividing that product by the number of days in the relevant year: see reg 11(13). As to the small business non-domestic rating multiplier and the non-domestic rating multiplier see PARA 86 post.

29 As to which see PARA 70 et seq ante.

30 See the Non-Domestic Rating (Chargeable Amounts) (England) Regulations 2004, SI 2004/3387, reg 11.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(5) CHARGEABLE AMOUNT/(v) Transitional Relief Schemes/85. Power to make special provision for Wales.

85. Power to make special provision for Wales.

In relation to any relevant period¹, the Welsh Ministers² may make regulations in relation to the chargeable amounts³ which apply only in relation to Wales⁴. As regards any case which falls within a prescribed description⁵ and where:

- 92 (1) as regards a hereditament⁶ or hereditaments, the chargeable amount for a chargeable day falls to be determined under the provisions of the Local Government Finance Act 1988⁷; and
- 93 (2) the day falls within the relevant period concerned⁸,

the regulations may contain provisions that the chargeable amount will be such as is found in accordance with prescribed rules instead⁹. Consequently, certain provisions of the Local Government Finance Act 1988¹⁰ do not apply as regards the day¹¹.

Such regulations may: (a) contain different provision in relation to locally listed hereditaments¹² whose rateable value exceeds (and those whose rateable value does not exceed) a prescribed figure¹³; (b) include provision imposing duties and conferring powers on valuation officers¹⁴ (whether as regards determinations, certificates or otherwise)¹⁵ in relation to the ascertainment of rateable values¹⁶; and (c) include provision as to appeals relating to things done or not done by such officers¹⁷.

In making such regulations, the Welsh Ministers must have regard to the object of securing (so far as practicable) that the aggregate amount payable to them and all billing authorities¹⁸ by way of non-domestic rates as regards a particular financial year does not exceed that which it would in their opinion be likely to be apart from the regulations¹⁹.

1 For these purposes, a relevant period is a period of five years beginning on any 1 April (other than 1 April 1990) on which lists must be compiled: Local Government Finance Act 1988 s 58(10)(a). As to rating lists see PARA 118 et seq post.

As to transitional provisions made in relation to the 1990-1994 and 1995-1999 rating lists see PARA 83 ante. For the provisions applicable, in relation to Wales, in respect of the period of five years beginning on 1 April 2000 and ending on 31 March 2005, see the Non-Domestic Rating (Chargeable Amounts) (Wales) Regulations 1999, SI 1999/3454 (amended by SI 2000/2041), made under the Local Government Finance Act 1988 s 58 (as amended), which is now applicable only in relation to Wales. As to the transitional provisions that now apply to England see PARA 84 ante. For the meanings of 'England' and 'Wales' see PARA 1 note 2 ante.

2 As to the Welsh Ministers see PARA 3 ante.

4 Ibid s 58(1) (amended by the Local Government Act 2003 s 65(2)). As to the making of regulations under the Local Government Finance Act 1988 generally see PARA 3 ante. The power to make regulations under the Local Government Finance Act 1988 s 58 (as amended) is exercisable by statutory instrument, and no such regulations may be made unless a draft of them has been laid before and approved by resolution of each House of Parliament: s 143(4) (amended by the Local Government and Housing Act 1989 ss 139, 194, Sch 5 paras 72, 79(3), Sch 12). As from a day to be appointed under the Local Government Act 2003 s 128(3)(e), the Local Government Finance Act 1988 s 143(4) (as amended) is further amended so that the reference to s 58 (as amended) is repealed: see s 143(4) (as so amended); prospectively further amended by the Local Government Act 2003 s 127(1), Sch 7 paras 9(1), 24(1), (3)). However, at the date at which this volume states the law, no such day had been appointed in relation to Wales.

Without prejudice to the Local Government Finance Act 1988 s 143(1) (see PARA 3 ante), regulations under s 58 (as amended) relating to a relevant period may contain different provision for different relevant financial years: s 58(6). For the meaning of 'financial year' for these purposes see PARA 1 note 1 ante. Regulations under s 58 (as amended), in their application to a particular relevant financial year, are not effective unless they come into force before 1 January immediately preceding the year; but this is without prejudice to the power to amend or revoke: s 58(8) (amended by the Non-Domestic Rating Act 1994 s 2(2)).

(6) VALUATION FOR RATING

(i) Basis for Assessment

86. Non-domestic rating multipliers.

Subject to the transitional provisions¹ and to the exemptions and reliefs which may apply to particular hereditaments², the amount payable by way of non-domestic rates is calculated for each chargeable year³ by reference to the rateable value⁴ shown in the appropriate list⁵ for the hereditament, and the non-domestic rating multiplier⁶ (or, in relation to England⁷ only, the small business non-domestic rating multiplier⁸, where that applies⁹).

The non-domestic rating multiplier for the financial year beginning 1 April 1990 was specified by the Secretary of State¹⁰ in the Revenue Support Grant Report¹¹. For subsequent years (other than those for which a new list must be compiled¹²) the non-domestic rating multiplier and the small business non-domestic rating multiplier are calculated on the basis of a formula which reflects any change in the retail price index (unless the Treasury specifies a lesser figure)¹³. For the years in which new lists are compiled, a further factor is introduced into the formula to reflect the change in the total amount of rateable values from the old to the new lists¹⁴.

1 As to which see PARA 83 et seq ante.

2 As to exemptions from non-domestic rating see PARA 37 et seq ante; and as to relief schemes see PARA 70 et seq ante. For the meaning of 'hereditament' see PARA 33 et seq ante.

3 For the purposes of the Local Government Finance Act 1988, chargeable financial years are financial years beginning in 1990 and subsequent years: s 145(1). For the meaning of 'financial year' for these purposes see PARA 1 note 1 ante.

4 As to assessment of the rateable value see PARA 87 post.

5 As to rating lists see PARA 118 et seq post.

6 As to the non-domestic rating multiplier generally see the Local Government Finance Act 1988 s 56(2), Sch 7 paras 1, 2 (Sch 7 para 1 amended by the Local Government Act 2003 s 62(1), (2); and the Government of Wales Act 2006 (Consequential Modifications and Transitional Provisions) Order 2007, SI 2007/1388, art 3, Sch 1 paras 21, 39(1), (2)). As to the non-domestic rating multipliers which relate to England only see the Local Government Finance Act 1988 Sch 7 para 3A (added by the Local Government Act 2003 s 62(1), (3)) and the Local Government Finance Act 1988 Sch 7 para 4A (added by the Local Government Act 2003 s 62(1), (4)). As to the non-domestic rating multipliers which relate to Wales only see the Local Government Finance Act 1988 Sch 7 para 3B (added by the Local Government Act 2003 s 62(1), (3); amended by the Government of Wales Act 2006 (Consequential Modifications and Transitional Provisions) Order 2007, SI 2007/1388, Sch 1 paras 21, 39(1), (3)) and the Local Government Finance Act 1988 Sch 7 para 4B (added by the Local Government Act 2003 s 62(1), (4)). Special provision was made in relation to the transitional period 1990-95: see the Local Government Finance Act 1988 Sch 7 paras 7, 8 (both amended by the Local Government and Housing Act 1989 s 139, Sch 5 paras 39, 79(3)). The power to make an

order under the Local Government Finance Act 1988 Sch 7 para 5 (as amended) is exercisable as there mentioned: see s 143(9); and PARA 3 ante.

As to the non-domestic rating multiplier to be used by a special authority see Sch 7 para 9 (amended by the Local Government Finance Act 1992 s 104, Sch 10 para 5; and the Local Government Act 2003 Sch 7 paras 9(1), 25(1), (4)), the Local Government Finance Act 1988 Sch 7 para 10 (amended by the Local Government Act 2003 Sch 7 paras 9(1), 25(1), (5), (6)) and the Local Government Finance Act 1988 Sch 7 para 11 (amended by the Local Government Act 2003 Sch 7 paras 9(1), 25(1), (6)). The setting by a special authority of a non-domestic rating multiplier under the Local Government Finance Act 1988 Sch 7 (as amended) must be discharged only by the authority: see s 139(1), (2) (s 139(2) amended by the Local Government Finance Act 1992 Sch 14; and the Local Government Act 2003 Sch 7 paras 9(1), 21). For the meaning of 'special authority' see PARA 60 note 10 ante.

The specification of a non-domestic rating multiplier under the Local Government Finance Act 1988 Sch 7 paras 2, 7 (as amended) and the setting by a special authority of a non-domestic rating multiplier under Sch 7 (as amended) may not be questioned except by an application for judicial review: see s 138(1), (2) (s 138(2) amended by the Local Government Finance Act 1992 Sch 13 para 76(1), Sch 14; and the Local Government Act 2003 Sch 7 paras 9(1), 20). If, on such an application for judicial review, the court decides to grant relief, it must quash the specification or setting, as the case may be: see the Local Government Finance Act 1988 s 138(3) (substituted by the Local Government Finance Act 1992 Sch 13 para 76(2)). As to the procedure for judicial review see JUDICIAL REVIEW vol 61 (2010) PARA 659 et seq.

The setting by a special authority of a small business non-domestic rating multiplier under Sch 7 (as amended) must be discharged only by the authority: see s 139(1), (2) (s 139(2) as amended: see note 6 supra). The setting by a special authority of a small business non-domestic rating multiplier under Sch 7 (as amended) may not be questioned except by an application for judicial review: see s 138(1), (2) (s 138(2) as amended: see note 6 supra). If, on such an application for judicial review, the court decides to grant relief, it must quash the setting: see s 138(3) (as substituted: see note 6 supra).

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(6) VALUATION FOR RATING/(ii) Determination of Rateable Value/A. THE BASIS FOR DETERMINATION/87. Assessment of rateable value.

(ii) Determination of Rateable Value

A. THE BASIS FOR DETERMINATION

87. Assessment of rateable value.

Rates are assessed on the rateable value of the non-domestic hereditament¹. The rateable value of a non-domestic hereditament (none of which consists of domestic property and none of which is exempt from local non-domestic rating²) is the amount equal to the rent at which it is estimated the hereditament might reasonably be expected to let from year to year on these three assumptions³, namely:

- 94 (1) that the tenancy begins on the day by reference to which the determination is to be made⁴;
- 95 (2) that, immediately before the tenancy begins, the hereditament is in a state of reasonable repair, but excluding from this assumption any repairs which a reasonable landlord would consider uneconomic⁵;
- 96 (3) that the tenant undertakes to pay all usual tenant's rates and taxes and to bear the cost of the repairs and insurance and the other expenses (if any) necessary to maintain the hereditament in a state to command the rent mentioned above⁶.

The rateable value of a composite hereditament⁷ (none of which is exempt from local non-domestic rating) is the amount equal to the rent which, assuming it is let under the statutory terms above, would reasonably be attributed to the non-domestic use of the property⁸. The rateable value of a non-domestic hereditament which is partially exempt from local non-domestic rating is the amount equal to the rent which, assuming it is let under the statutory terms, is reasonably attributable to the non-domestic use of that part of the hereditament which is not exempt⁹.

Various methods of valuation are applied in order to arrive at the hypothetical rent, including: by reference to the actual rent paid for the hereditament, or for others comparable to it, or, where there are no rents, by reference to the assessment of comparable hereditaments, or to the profits earned at the hereditament, or to the cost of construction of it¹⁰.

1 The Local Government Finance Act 1988 s 56(1), Sch 6 (as amended) has effect to determine the rateable value of non-domestic hereditaments for the purposes of Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 88 et seq post): Sch 6 para 1 (amended by the Local Government and Housing Act 1989 ss 139, 194, Sch 5 paras 38, 79(3), Sch 12 Pt II). For these purposes, references to the non-domestic use of property are references to use otherwise than in such manner as to constitute the property domestic property: Local Government Finance Act 1988 Sch 6 para 2(13) (added by the Local Government and Housing Act 1989 Sch 5 paras 38, 79(3)). For the meaning of 'hereditament' see PARA 33 et seq ante; and for the meaning of 'domestic property' in relation to non-domestic rating see PARA 120 post.

2 As to the exemptions from non-domestic rating see PARA 37 et seq ante.

3 Local Government Finance Act 1988 Sch 6 para 2(1) (amended by the Local Government and Housing Act 1989 Sch 5 paras 38, 79(3); and the Rating (Valuation) Act 1999 s 1(1), (2)). Where the rateable value would include a fraction of a pound, the fraction must be made up to one pound if it would exceed 50 pence, and the fraction must be ignored if it would be 50 pence or less: Local Government Finance Act 1988 Sch 6 para 2(2).

Provisions as to the method of valuation for non-domestic property are set out in s 56, Sch 6 (as amended), with special provision being made in relation to the years 1990-95 by virtue of s 57 (as substituted), Sch 7A (as added and amended): see PARA 83 ante.

The definition set out in the text (which relies upon a notional annual rent based upon certain assumptions) derives from earlier legislation starting with the Parochial Assessment Act 1836 (repealed), whose purpose was to establish one uniform mode of rating for the relief of the poor; and cases decided under earlier legislation continue to be of relevance to the current statutory definition: see eg *R v Paddington Valuation Officer, ex p Peachey Property Corp* [1966] 1 QB 380 at 412, [1965] 2 All ER 836 at 848, CA, per Lord Denning MR (‘[The] hypothetical rent [...] is the rent which an imaginary tenant might be reasonably expected to pay to an imaginary landlord for a tenancy of this dwelling in this locality, on the hypothesis that both are reasonable people, the landlord not being extortionate, the tenant not being under pressure, the dwelling being vacant and to let, not subject to any control, the landlord agreeing to do the repairs and pay the insurance, the tenant agreeing to pay the rates, the period not too short nor yet too long, simply from year to year’). The Court of Appeal has emphasised that the statutory hypothesis is only a mechanism for enabling one to arrive at a value for a particular hereditament for rating purposes and that a rating valuation should not depart from the real world further than the rating hypothesis compels (the ‘reality principle’): see *Hoare (Valuation Officer) v National Trust, National Trust v Spratling (Valuation Officer)* [1999] 1 EGLR 155 at 160, [1998] RA 391 at 408, CA, per Schiemann LJ, and at 162 and 415 per Peter Gibson LJ.

The standard by which rating seeks to establish the value of any particular hereditament, being the annual letting value in comparison with the respective values of the rest, must be universal even though in many cases it demands various hypotheses (this being the principle of ‘universality’ or of ‘uniformity’): see *Dawkins (Valuation Officer) v Ash Bros and Heaton Ltd* [1969] 2 AC 366 at 381-382, [1969] 2 All ER 246 at 252, HL, per Lord Pearce. It is a vital principle of the law of rating that each hereditament should be independently assessed: see *Ladies’ Hosiery and Underwear Ltd v West Middlesex Assessment Committee* [1932] 2 KB 679 at 686, CA, per Scrutton LJ. Besides the principle of independent valuation, there is another vital principle: that as between different classes of hereditaments, and as between different hereditaments in the same class, the valuation should be fair and equal, but with a third important qualification, that the assessing authority should not sacrifice correctness to ensure uniformity (but, if possible, obtain uniformity by correcting inaccuracies rather than by making an inaccurate assessment in order to secure uniform error): see *Ladies’ Hosiery and Underwear Ltd v West Middlesex Assessment Committee* supra at 688 per Scrutton LJ.

See eg *Henriques v Stephens (Valuation Officer)* [2001] RA 366, Lands Tribunal (statutory assumptions applied to property in exceptionally poor repair where there was no evidence to suggest that repairs would be uneconomic). For the purposes of the Local Government Finance Act 1988 Sch 6 para 2 (as amended), the state of repair of a hereditament at any time relevant for the purposes of a list is assumed to be the state of repair in which, under Sch 6 para 2(1) (as added and amended), it is assumed to be immediately before the assumed tenancy begins: Sch 6 para 2(8A) (added by the Rating (Valuation) Act 1999 s 1(1), (3)). 88. The duration of the hypothetical tenancy.

As the rent to be estimated is such a rent as might reasonably be expected for the hereditament if let from year to year¹, it is not such a rent as might be obtained for it if let for a term of years; equally, it is not to be assumed in valuing that the tenancy will last only for one year because it must be assumed that there is a reasonable prospect of continuance².

The cases cited in this paragraph were decided prior to the coming into force of the Local Government Finance Act 1988 and, therefore, must now be considered in relation to the non-domestic rating provisions in Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 89 et seq post). As to the historical development of rating law and the continuing relevance of the old case law to the current statutory regime see PARA 2 ante.

89. Usual tenant's rates and taxes.

The hypothetical rent is to be estimated in the case of all hereditaments on the assumption that the tenant pays all usual tenant's rates and taxes¹. In the past, a variety of taxes, duties and charges, subsequently repealed, have been considered in this context². The non-domestic rate will normally now be the only rate or tax falling within this phrase. If an actual rent is used as a basis for calculating the hypothetical rent of a hereditament and that rent includes such a rate, a deduction must be made from it. Any rating reliefs enjoyed by the occupier must be taken into account³.

¹ See PARA 87 ante.

² The poor rate (now the non-domestic rate) was a usual tenant's rate: *Hackney and Lamberhurst Tithe Commutation Rent Charges Case* (1858) EB & E 1 at 47. A water rate was not a 'rate' at all, but a charge for the supply of a commodity: *Re Baker, ex p Eastbourne Waterworks Co v Official Receiver* [1954] 2 All ER 790, [1954] 1 WLR 1144. As to the treatment of the old sewers rate see *R v Adames* (1832) 4 B & Ad 61; *R v Hall Dare* (1864) 5 B & S 785; *R v Gainsborough Union* (1871) LR 7 QB 64; *Green v Newport Union* [1909] AC 35, HL. Landlord's property tax (under legislation now repealed) was not a usual tenant's tax (*R v Southampton Dock Co* (1851) 14 QB 587); the former land tax was not a usual tenant's tax (*Hackney and Lamberhurst Tithe Commutation Rent Charges Case* supra); payments on account of the monopoly value (now abolished) of licensed premises were not a usual tenant's tax (*Appenrodt v Central Middlesex Assessment Committee* [1937] 2 KB 48 at 59, 69, [1937] 2 All ER 325 at 331, 338, CA); and compensation charges, being deductible from rent, would not appear to be a tenant's tax. As to the meaning of 'rates and taxes' in relation to covenants for payment under tenancy agreements see LANDLORD AND TENANT vol 27(1) (2006 Reissue) PARA 529.

The cases cited in this paragraph were decided prior to the coming into force of the Local Government Finance Act 1988 and, therefore, must now be considered in relation to the non-domestic rating provisions in Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 90 et seq post). As to the historical development of rating law and the continuing relevance of the old case law to the current statutory regime see PARA 2 ante.

³ *Margate Pier and Harbour Co v Yorke (Valuation Officer)* (1955) 48 R & IT 107, Lands Tribunal.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(6) VALUATION FOR RATING/(ii) Determination of Rateable Value/A. THE BASIS FOR DETERMINATION/90. Repairs, insurance and other expenses.

90. Repairs, insurance and other expenses.

The burden of the cost of the repairs and insurance, and of the other expenses, if any, necessary to maintain the hereditament¹ in a state to command the hypothetical rent², falls on the tenant. In addition to the cost of repairs, a sinking fund for renewals when the premises are ultimately worn out may be allowed³.

1 The phrase 'other expenses necessary to maintain the hereditament' is not to be construed *eiusdem generis* with 'repairs' and 'insurance': *Appenrodt v Central Middlesex Assessment Committee* [1937] 2 KB 48, [1937] 2 All ER 325, CA (monopoly value payments (now abolished) held to fall within the phrase); *Waddle v Sunderland Union* [1908] 1 KB 642, CA (compensation charge not such an expense). The phrase is not limited to expenditure on the hereditament itself but may include expenditure on other land if it is necessary to preserve the physical state of the hereditament. A renewal fund for the hereditament may be such an expense: *R v Wells* (1867) LR 2 QB 542; *Humber Ltd v Jones (Valuation Officer) and Rugby RDC* (1959) 5 RRC 23, Lands Tribunal (on appeal on another point (1960) 6 RRC 161, CA). The former drainage rates, sea defence rates, fishing rates and similar charges were such expenses: see *Green v Newport Union* [1909] AC 35, HL; *R v Hall Dare* (1864) 34 LJMC 17; *R v Gainsborough Union* (1871) LR 7 QB 64; *R v Smith* (1885) 55 LJMC 49. The cost of dredging a channel which does not form part of the hereditament is not such an expense: *White Bros v South Stoneham Union Assessment Committee* [1915] 1 KB 103, DC.

Most of the cases cited in this paragraph were decided prior to the coming into force of the Local Government Finance Act 1988 and, therefore, must now be considered in relation to the non-domestic rating provisions in Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 91 et seq post). As to the historical development of rating law and the continuing relevance of the old case law to the current statutory regime see PARA 2 ante.

2 In *Wexler v Playle (Valuation Officer)* [1960] 1 QB 217, [1960] 1 All ER 338, CA, the court inclined to the view that the words 'necessary to maintain the hereditament in a state to command the rent' qualify only 'the other expenses' and not 'the repairs and insurance', but the point was not decided. In *Hoare (Valuation Officer) v National Trust* [1999] 1 EGLR 155, [1998] RA 391, CA, it was held that the unique nature of the heritage properties in question meant that any landlord would have had difficulty in persuading the ratepayer to bear the unusually high costs of any repairs, as was required by the Local Government Finance Act 1988 s 56(1), Sch 6 para 2(1) (as amended) (see PARA 87 ante), but there would have been no other bidders for the hypothetical tenancy. Accordingly, it was considered to be crucial that, where a hypothetical tenant was also the actual occupier, its policies and reasons for wanting the property were taken into account when determining the hypothetical rent: *Hoare (Valuation Officer) v National Trust* supra (ratepayer would not pay a rent for a loss-making property given its self-financing policy in the real world; the factors in this case indicated a nominal hypothetical rent). Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(6) VALUATION FOR RATING/(ii) Determination of Rateable Value/A. THE BASIS FOR DETERMINATION/91. Actual conditions affecting property when valuation made.

91. Actual conditions affecting property when valuation made.

The rent which a tenant could afford to give is determined *rebus sic stantibus*¹, that is to say with reference to the hereditament in its physical condition² on the material day³, and to the mode in which it is actually used again at the material day⁴. A continuance of the existing conditions affecting the hereditament is *prima facie* assumed⁵. The issue as to whether lack of repair in a hereditament is to be ignored (as it was in cases valued under the previous law⁶) has been decided by statute⁷. The hereditament must be valued subject to any statutory restrictions in respect of it⁸, other than those limiting the rent obtainable for it⁹. However, restrictive covenants and other private arrangements affecting the hereditament are irrelevant¹⁰.

1 *I.e.*, literally, 'as things stand'. For an early, possibly the first, use of the term '*rebus sic stantibus*' see *R v Fletton Overseers* (1861) 3 E & E 450 at 465.

Some of the cases cited in this paragraph were decided prior to the coming into force of the Local Government Finance Act 1988 and, therefore, must now be considered in relation to the non-domestic rating provisions in Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 92 et seq post). As to the historical development of rating law and the continuing relevance of the old case law to the current statutory regime see PARA 2 ante.

If the land has buildings upon it and is occupied, it must be valued with them (see eg *R v Aberystwith Inhabitants* (1808) 10 East 354), but land must not be valued at the rent at which it would be let if more, or more valuable, buildings were erected on it (*R v Gardner* (1774) 1 Cowp 79; *Kempe v Spence* (1779) 2 Wm Bl 1244; *R v Mast* (1795) 6 Term Rep 154; *R v St Luke's Hospital* (1760) 2 Burr 1053 at 1064 (considered in *Liverpool Corp v Chorley Union Assessment Committee and Withnell Overseers* [1913] AC 197 at 209, HL, per Lord Atkinson); *East London Rly Co v Whitechurch* (1874) LR 7 HL 81 at 86).

Temporary partitioning put up by the occupier may be ignored without breach of the *rebus sic stantibus* rule: *City of Sheffield v Meadow Dairy Ltd* (1958) 2 RRC 395, CA. No structural alteration may be envisaged such as the making of a fresh entrance or widening an existing one: *Manchester Tennis and Racquet Club v Castle (Valuation Officer)* (1960) 6 RRC 269, Lands Tribunal. But the making of a minor non-structural alteration may be envisaged, such as the removal of battens securing a garage door (*Appeal of Sheppard (Valuation Officer)* (1967) 13 RRC 139, Lands Tribunal), provided that the alteration is not so substantial as to change the mode or category of use (*Fir Mill Ltd v Royton UDC and Jones (Valuation Officer)* (1960) 7 RRC 171, Lands Tribunal). See *Williams v Scottish & Newcastle Retail Ltd* [2001] EWCA Civ 185 at [74], [76], [2001] RA 41 at [74], [76] per Robert Walker LJ; and also *Re Appeal of Clark (Valuation Officer)* [1987] RA 127, Lands Tribunal. As to whether works are repairs or structural improvements see *Civil Aviation Authority v Langford (Valuation Officer) and Camden London Borough Council* [1979] RA 1, (1978) 247 EG 957, Lands Tribunal (on appeal [1980] RA 369, 257 EG 273, CA); and *Murphy (Valuation Officer) v Courtney plc (formerly IAF Financial Services plc)* [1999] RA 1, Lands Tribunal.

3 As to the material day see PARA 95 post.

4 Pursuant to what Parliament has provided for in the Local Government Finance Act 1988 s 56(1), Sch 6 para 2(3)-(7) (as amended) (see PARA 94 post), the 'mode or category of occupation of the hereditament' is recognised as being a material factor in valuation for rating purposes, so confirming that the *rebus sic stantibus* principle has a second limb (user) in addition to its first limb (physical condition): *Williams v Scottish & Newcastle Retail Ltd* [2001] EWCA Civ 185, [2001] RA 41, (2001) Times, 6 March. *Williams v Scottish & Newcastle Retail Ltd* supra at [69] per Robert Walker LJ disapproves the dictum stated in *Midland Bank Ltd v Lanham (Valuation Officer)* [1978] RA 1 at 26, [1978] 1 EGLR 189 at 195, Lands Tribunal, per Emlyn Jones ('Finally, all alternative uses to which the hereditament in its existing state could be put in the real world, and

which would be in the minds of competing bidders in the market, are to be taken as being within the same mode or category, where the existence of such competition can be established by evidence') as being a formulation which either contradicts the rest of the Tribunal's stated conclusion, which referred to the use being limited to the same mode or category as the existing use, or at best reduces the second limb of the rule recognised in the Local Government Finance Act 1988 Sch 6 para 2(7)(b) (see PARA 95 post) to a pale reflection of the first limb recognised in Sch 6 para 2(7)(a) (see PARA 95 post). Parliament's adoption of the expression 'mode or category of occupation' as it was used in *Fir Mill Ltd v Royton UDC and Jones (Valuation Officer)* (1960) 7 RRC 171, Lands Tribunal, must be taken as recognising that the formulation in *Fir Mill Ltd v Royton UDC and Jones (Valuation Officer)* supra is on the right lines, even if its precise scope has to be worked out on a case by case basis: *Williams v Scottish & Newcastle Retail Ltd* supra at [70].

As to the line taken in *Fir Mill Ltd v Royton UDC and Jones (Valuation Officer)* supra see also *R v Everist* (1847) 10 QB 178 at 182 per Lord Denman CJ; *Staley v Castleton Overseers* (1864) 33 LJMC 178 at 182 per Blackburn J; *R v Manchester and South Junction etc Rly Co* (1851) 17 LTOS 71; *Port of London Authority v Orsett Union Assessment Committee* [1920] AC 273 at 305, HL, per Lord Buckmaster; *Poplar Metropolitan Borough Assessment Committee v Roberts* [1922] 2 AC 93 at 103, HL, per Lord Buckmaster; *Townley Mill Co (1919) Ltd v Oldham Assessment Committee* [1937] AC 419 at 437, [1937] 1 All ER 11 at 19, HL, per Lord Maugham.

As to the line taken in the dictum in *Midland Bank Ltd v Lanham (Valuation Officer)* supra which has been disapproved see also *Henriques v Garland (Valuation Officer)* (1978) 20 RRC 341, Lands Tribunal; *S & P Jackson (Manchester) Ltd v Hill (Valuation Officer)* [1980] RA 195, Lands Tribunal; *Westminster City Council v British Telecommunications plc and Woolway (Valuation Officer)* [1985] RA 87, [1985] JPL 648, Lands Tribunal.

As to the effect of planning control on possible alternative uses see *London Transport Executive v Croydon London Borough Council and Phillips (Valuation Officer)* [1974] RA 225, Lands Tribunal; *Midland Bank Ltd v Lanham (Valuation Officer)* supra; *Henriques v Garland (Valuation Officer)* supra (all cases to be read in the light of *Williams v Scottish & Newcastle Retail Ltd* supra).

5 *Great Eastern Rly Co v Haughley* (1866) LR 1 QB 666 (applied in *Consett Iron Co Ltd v Assessment Committee for No 5 or North-Western Area of County of Durham* [1931] AC 396, HL); *R v Fletton Overseers* (1861) 30 LJMC 89. While premises are undergoing structural alterations, they must be valued in the state in which they are: *Hounslow London Borough Council v Rank Audio Visual Ltd and Browning (Valuation Officer)* (1970) 17 RRC 82, Lands Tribunal; *Paul Rocky & Co v Morley (Valuation Officer)* [1981] RA 208, Lands Tribunal.

Under the law as it stood before the passing of the Local Government Finance Act 1988, the prospect of demolition of the hereditament by an external authority during the currency of the hypothetical tenancy could be taken into account: *Dawkins (Valuation Officer) v Ash Bros and Heaton Ltd* [1969] 2 AC 366, [1969] 2 All ER 246, HL. Now, however, these cases have to be read in the light of the requirement in the Local Government Finance Act 1988 that some factors are taken as at the antecedent valuation date and others at the material day: see PARA 94 et seq post. It seems that future events which would not have affected value as at the antecedent valuation date (for example, a compulsory purchase order promoted well after the antecedent valuation date) are not to be taken into account: *Prodorite Ltd v Clark (Valuation Officer)* [1993] RA 197, Lands Tribunal. However, in *Berrill (t/a Cobweb Antiques) v Hill (Valuation Officer)* [2000] RA 194, Lands Tribunal, it was accepted that regard could be had to possible future changes in the scale of public works which were in progress at the date at which the ratepayer proposed a reduction but that the reduction made by the valuation officer for the effect of those works was held to be justified largely on the evidentiary basis of other agreements made between the valuation officer and the ratepayer or his agents in relation to nearby comparables.

6 See *Wexler v Playle (Valuation Officer)* [1960] 1 QB 217, [1960] 1 All ER 338, CA; *Saunders v Maltby (Valuation Officer)* [1976] RA 109, CA; *Civil Aviation Authority v Langford (Valuation Officer) and Camden London Borough Council* [1979] RA 1, Lands Tribunal (on appeal [1980] RA 369, CA); *Benjamin v Anston Properties Ltd* [1998] RA 53, [1998] 2 EGLR 147; *Murphy (Valuation Officer) v Courtney plc (formerly IAF Financial Services plc)* [1999] RA 1, Lands Tribunal.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(6) VALUATION FOR RATING/(ii) Determination of Rateable Value/A. THE BASIS FOR DETERMINATION/92. Rent that a hypothetical tenant will pay.

92. Rent that a hypothetical tenant will pay.

The hypothetical tenant¹ includes all persons who might possibly take the hereditament², including the person actually in occupation, even though he happens to be the owner of the hereditament³. The rent is that which he⁴ will pay in the competitive market⁵, taking into account every intrinsic quality of the hereditament⁶ and all relevant⁷ circumstances. If the occupier is the only possible tenant of a hereditament, his ability to pay is a relevant consideration⁸.

1 For an early, possibly the first, use of the term 'hypothetical tenant' see *R v West Middlesex Waterworks* (1859) 28 LJM 135 at 137.

Most of the cases cited in this paragraph were decided prior to the coming into force of the Local Government Finance Act 1988 and, therefore, must now be considered in relation to the non-domestic rating provisions in Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 93 et seq post). As to the historical development of rating law and the continuing relevance of the old case law to the current statutory regime see PARA 2 ante.

2 *Robinson Bros (Brewers) Ltd v Houghton and Chester-le-Street Assessment Committee* [1937] 2 KB 445, [1937] 2 All ER 298, CA (affd sub nom *Robinson Bros (Brewers) Ltd v Durham County Assessment Committee (Area No 7)* [1938] AC 321, [1938] 2 All ER 79, HL). A person who wants it as an adjunct to another hereditament is included: *R v London and North Western Rly Co* (1874) LR 9 QB 134; *Robinson Bros (Brewers) Ltd v Durham County Assessment Committee (Area No 7)* [1938] AC 321 at 338, [1938] 2 All ER 79 at 86, HL, per Lord Macmillan.

4 The test is what the tenant might be expected to pay, not what the landlord might be able to exact: *Poplar Metropolitan Borough Assessment Committee v Roberts* [1922] 2 AC 93 at 116, HL, per Lord Sumner. See also *Sandown Park Ltd v Esher UDC and Castle (Valuation Officer)* (1954) 47 R & IT 351, 367, CA.

6 *Robinson Bros (Brewers) Ltd v Houghton and Chester-le-Street Assessment Committee* [1937] 2 KB 445, [1937] 2 All ER 298, CA (affd sub nom *Robinson Bros (Brewers) Ltd v Durham County Assessment Committee (Area No 7)* [1938] AC 321, [1938] 2 All ER 79, HL). As to the application of the principle *rebus sic stantibus* see PARA 91 ante. If the hereditament affords the opportunity for the carrying on of a gainful trade, that fact may be taken into account: *Robinson Bros (Brewers) Ltd v Houghton and Chester-le-Street Assessment Committee* supra; *R v Grand Junction Rly Co* (1844) 4 QB 18 at 38; *Watney Mann Ltd v Langley (Valuation Officer)* [1966] 1 QB 457 at 476, [1963] 3 All ER 967 at 979. In *Cross (F) & Sons v Spencer (Valuation Officer)* [2000] RA 71, Lands Tribunal, it was held to be appropriate to make allowances for the poor location of the property and the fact that the ratepayer was the only likely tenant rather than relying, as the valuation officer had, on list assessments agreed for other car showrooms etc in the same area as demonstrating the established 'tone' for such establishments.

7 I.e. affecting value: *Robinson Bros (Brewers) Ltd v Houghton and Chester-le-Street Assessment Committee* [1937] 2 KB 445 at 469, [1937] 2 All ER 298 at 307, CA (affd sub nom *Robinson Bros (Brewers) Ltd v Durham County Assessment Committee (Area No 7)* [1938] AC 321, [1938] 2 All ER 79, HL). See also *Staley v Castleton Overseers* (1864) 33 LJM 178; *Harter v Salford Overseers* (1865) 34 LJM 206; *Townley Mill Co (1919) Ltd v Oldham Assessment Committee* [1937] AC 419, [1937] 1 All ER 11, HL; cf *Hoyle and Jackson v Oldham Poor Law Union Assessment Committee and Churchwardens etc of Oldham* [1894] 2 QB 372, CA (effect of strike); *Consett Iron Co Ltd v Assessment Committee for No 5 or North-Western Area of County of Durham* [1931] AC 396, HL. For a recent case applying these principles see *Harrods Ltd v Baker (Valuation Officer)* [2007] RA 247, Lands Tribunal (appropriate rateable value for Harrods department store).

In valuing a hereditament it is legitimate to take into account its importance as an adjunct of another hereditament: *R v London and North-Western Ry Co* (1874) LR 9 QB 134; *Robinson Bros (Brewers) Ltd v Durham County Assessment Committee (Area No 7)* [1938] AC 321 at 338, [1938] 2 All ER 79 at 86, HL, per Lord Macmillan; *Stafford v Sture (Valuation Officer)* (1959) 6 RRC 109, Lands Tribunal; *Coppin (Valuation Officer) v East Midlands Airport Joint Committee* (1970) 16 RRC 386, Lands Tribunal.

The existence of rating reliefs may affect the annual value of a hereditament: *Port of London Authority v Woolwich Corp* [1924] 1 KB 30 at 49, CA, per Scrutton LJ.

The effect of temporary circumstances and nuisances which can be shown to affect value may be taken into account and examples of Lands Tribunal decisions include the following: *Baird v Wand (Valuation Officer)* (1960) 7 RRC 350 (effect of petrol rationing); *Lewis v Holman (Valuation Officer)* (1961) 9 RRC 116 (use of land adjoining hereditament for contractor's works for a year); *Heath v Holman (Valuation Officer) and Chorleywood UDC* (1961) 9 RRC 8, Lands Tribunal (laying of main sewer for six months did not affect value); *Price v Harrison* [1963] RA 412, Lands Tribunal (delay in completing estate road did not affect value). See also *Lillywhite v Baker (Valuation Officer)* (1967) 13 RRC 50; *Bradgate v Buncombe (Valuation Officer)* (1967) 13 RRC 347, Lands Tribunal; *Beath v Poole (Valuation Officer)* [1973] RA 411 (effect of motorway construction); *Fairhurst v Grice (Valuation Officer)* [1977] RA 246, Lands Tribunal. However, these cases now need to be read in the light of the requirement in the Local Government Finance Act 1988 that some factors are taken as at the antecedent valuation date and others at the material day: see PARA 94 et seq post. Cases which also need to be read in that light are those concerning anticipated circumstances: see eg *Railway Assessment Authority v Southern Ry Co* [1936] AC 266 at 285-286, [1936] 1 All ER 26 at 37-38, HL; *Joseph Jones & Co v West Derby Union* (1911) 75 JP 375; *Dawkins (Valuation Officer) v Ash Bros and Heaton Ltd* [1969] 2 AC 366, [1969] 2 All ER 246, HL, in which it was held that the prospect of the demolition of the hereditament for the purposes of a road scheme within a year could be taken into account, and a distinction was drawn between circumstances which are 'essential to' and 'accidental to' the hereditament. See also *King v Johnston (Valuation Officer)* (1957) 2 RRC 20, Lands Tribunal (redevelopment proposals ignored); *Ritchie v Brewin (Valuation Officer)* (1957) 2 RRC 342, Lands Tribunal (future road improvement ignored); *Burley (Valuation Officer) v A & W Birch Ltd* (1959) 5 RRC 147, Lands Tribunal (redevelopment scheme of landlord ignored); *Lloyd (Valuation Officer) v Rossleigh Ltd* [1962] RVR 249, CA (valuation not affected by planning proposals); *R v Paddington Valuation Officer, ex p Peachey Property Corp Ltd* [1964] 3 All ER 200, [1964] 1 WLR 1186 (affd [1966] 1 QB 380, [1965] 2 All ER 836, CA). The cases cited in this paragraph were decided prior to the coming into force of the Local Government Finance Act 1988 and, therefore, must now be considered in relation to the non-domestic rating provisions in Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 94 et seq post). As to the historical development of rating law and the continuing relevance of the old case law to the current statutory regime see PARA 2 ante.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(6) VALUATION FOR RATING/(ii) Determination of Rateable Value/B. THE DATE OF VALUATION/94. Date of valuation for purpose of compiling or altering rating lists.

B. THE DATE OF VALUATION

94. Date of valuation for purpose of compiling or altering rating lists.

Each successive rating list has a single valuation date¹. That date is either: (1) the day on which the list must be compiled² (or, in the case of an alteration to a list, the day on which the list came into force³); or (2) such day preceding that day as may be specified by the Secretary of State (or the Welsh Ministers, as the case may be)⁴ by order in relation to the list⁵.

In determining the rateable value of non-domestic hereditaments, the following factors⁶ must be taken into account:

- 97 (a) matters affecting the physical state or physical enjoyment of the hereditament⁷;
- 98 (b) the mode or category of occupation of the hereditament⁸;
- 99 (c) the quantity of minerals or other substances in or extracted from the hereditament⁹;
- 100 (d) the quantity of refuse or waste material which is brought onto and permanently deposited on the hereditament¹⁰;
- 101 (e) matters affecting the physical state of the locality in which the hereditament is situated or which, though not affecting the physical state of the locality, are nonetheless physically manifest there¹¹; and
- 102 (f) the use or occupation of other premises situated in the locality of the hereditament¹².

Where the rateable value is determined for the purposes of compiling a list by reference to a day specified by order¹³, the matters mentioned in heads (a) to (f) above must be taken to be as they are assumed to be on the day on which the list must be compiled¹⁴. Where the rateable value is determined with a view to making an alteration to a list which has been compiled (whether or not it is still in force) the matters mentioned in heads (a) to (f) above must be taken to be as they are assumed to be on the material day¹⁵.

1 As to the principles which underlie the concept of a common valuation date see *K Shoe Shops Ltd v Hardy (Valuation Officer)* [1983] 3 All ER 609, [1983] 1 WLR 1273, HL. As to the compilation of local non-domestic rating lists see PARA 121 post; and as to the compilation of central non-domestic rating lists see PARA 125 post.

2 Local Government Finance Act 1988 s 56(1), Sch 6 para 2(3)(a).

The Local Government Finance Act 1988 Sch 6 (as amended) has effect to determine the rateable value of non-domestic hereditaments for the purposes of Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 95 et seq post): Sch 6 para 1 (amended by the Local Government and Housing Act 1989 ss 139, 194, Sch 5 paras 38, 79(3), Sch 12 Pt II). For these purposes, references to the non-domestic use of property are references to use otherwise than in such manner as to constitute the property domestic property: Local Government Finance Act 1988 Sch 6 para 2(13) (added by the Local Government and Housing Act 1989 Sch 5 paras 38, 79(3)). For the meaning of 'hereditament' see PARA 33 et seq ante; and for the meaning of 'domestic property' in relation to non-domestic rating see PARA 120 post.

3 Local Government Finance Act 1988 Sch 6 para 2(4)(a).

4 As to the Secretary of State and the Welsh Ministers see PARA 3 ante.

5 Local Government Finance Act 1988 Sch 6 para 2(3)(b), (4)(b). If a day is specified under the Sch 6 para 2(3)(b) (ie for the purposes of compiling the list), the same specification must be made in relation to all lists to be compiled on the same day: Sch 6 para 2(10).

As to the making of orders under the Local Government Finance Act 1988 generally see PARA 3 ante. As to the orders made under Sch 6 para 2(3)(b) see the Rating Lists (Valuation Date) (Wales) Order 2007, SI 2007/3153; and the Rating Lists (Valuation Date) (England) Order 2008, SI 2008/216. Accordingly, in relation both to England and to Wales, 1 April 2008 is specified as the day by reference to which the rateable values of non-domestic hereditaments are to be determined for the purposes of the local and central non-domestic rating lists which are to be compiled for England and for Wales (as the case may be) on 1 April 2010: see the Rating Lists (Valuation Date) (Wales) Order 2007, SI 2007/3153, art 2; and the Rating Lists (Valuation Date) (England) Order 2008, SI 2008/216, art 2. For the meanings of 'England' and 'Wales' see PARA 1 note 2 ante.

6 The line between physical and other factors is not always easily drawn: see eg *Shearson Lehman Bros Ltd v Humphrys (Valuation Officer)* [1991] RA 125, [1991] EGLR 224, Lands Tribunal; *Jafton Properties Ltd v Prisk (Valuation Officer)* [1997] RA 137, Lands Tribunal. In *Walker (Valuation Officer) v Railex Systems Ltd* [1993] RA 55, Lands Tribunal, the parties agreed, and the tribunal accepted, that no account was to be taken of the Town and Country Planning (Use Classes) Order 1987, SI 1987/764 (as amended) (see TOWN AND COUNTRY PLANNING vol 46(1) (Reissue) PARA 224 et seq), in order to anticipate a future change of use because that Order had not been in force on 1 April 1973 (the date by reference to which the valuation was carried out).

7 Local Government Finance Act 1988 Sch 6 para 2(7)(a). As to the assumption to be made as to the state of repair of a hereditament at any time relevant for the purposes of a list see Sch 6 para 2(8A) (as added); and PARA 87 ante.

The wording of heads (a) and (b) in the text has been cited to confirm the two limbs of the *rebus sic stantibus* principle (which is used to assess the hypothetical rent on the hereditament from which its rateable value is determined): see *Williams v Scottish & Newcastle Retail Ltd* [2001] EWCA Civ 185, [2001] RA 41, (2001) Times, 6 March; and PARA 91 ante.

The wording of heads (a) and (e) in the text is similar to the wording of the Local Government Finance Act 1988 s 121(1)(a), (b), which: (1) was enacted to amend the old law (contained in the General Rate Act 1967 s 20 (repealed)) in order to restrict the effect of the decision in *Clement (Valuation Officer) v Addis Ltd* [1988] 1 All ER 593, [1988] 1 WLR 301, HL; and (2) reflects and is consistent with the reasoning of the Court of Appeal in *Addis Ltd v Clement (Valuation Officer)* (1987) 85 LGR 489, [1987] RA 1, CA. The Local Government Finance Act 1988 s 121(1) applies to any change in the state of the hereditament or the state of the locality in which the hereditament is situated which has occurred since the time by reference to which the value of the hereditament is to be ascertained, other than one relating to a factor which is a relevant factor within the meaning of the General Rate Act 1967 s 20(1) (repealed): Local Government Finance Act 1988 s 121(2). This provision has effect in relation to any proposal made on or after 10 March 1988 which was outstanding on the passing of the Local Government Finance Act 1988 (ie 29 July 1988) but has no effect in relation to any proposal made before 10 March 1988: s 121(3).

For these purposes, the material day is such day as is determined in accordance with rules prescribed by regulations made by the Secretary of State (or the Welsh Ministers, as the case may be): Local Government Finance Act 1988 Sch 6 para 2(6A) (added by the Local Government and Housing Act 1989 Sch 5 paras 38, 79(3), Sch 12; substituted by the Local Government Finance Act 1992 s 104, Sch 10 para 4). Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(6) VALUATION FOR RATING/(ii) Determination of Rateable Value/B. THE DATE OF VALUATION/95. The material day for list alterations.

95. The material day for list alterations.

Where the rateable value of non-domestic hereditaments is to be determined¹ with a view to making an alteration to a rating list which has been compiled² (whether or not it is still in force), the factors to be considered³ must be taken to be as they are assumed to be on the material day⁴, being such day as is determined in accordance with rules prescribed by regulations⁵ made by the Secretary of State (or the Welsh Ministers, as the case may be)⁶.

Accordingly, where the determination is with a view to making an alteration to correct an inaccuracy in the list on the day on which it was compiled, the material day is the day on which the list was compiled⁷. Where the determination is with a view to making an alteration to correct an inaccuracy in the list which arose in the course of making a previous alteration, or is occasioned by a proposal disputing the accuracy of a previous alteration, the material day is the day by reference to which the factors to be considered⁸ fell to be assessed when determining the rateable value with a view to making the alteration which gave rise to the inaccuracy or the accuracy of which is disputed⁹.

Where the determination is with a view to making an alteration so as to show in (or delete from) the list any hereditament which:

- 103 (1) has come into existence or ceased to exist¹⁰;
- 104 (2) has ceased to be (or become) domestic property¹¹ or property exempt¹² from non-domestic rating¹³;
- 105 (3) has ceased to be (or become) required to be shown in the central non-domestic rating list¹⁴; or
- 106 (4) has ceased to be (or come to form) part of the relevant authority's¹⁵ area by virtue of a change in that area¹⁶,

the material day is¹⁷ the day on which the circumstances giving rise to the alteration occurred¹⁸. However, where a completion notice¹⁹ has been served in relation to a building which constitutes or includes the hereditament in question, and the notice has not been withdrawn²⁰, the material day is: (a) the day proposed in the notice as the completion day in relation to the building²¹; or (b) where a completion day has been agreed or determined²², the day so agreed or determined²³.

Where the determination is with a view to making an alteration to the list to reflect part of a hereditament becoming, or ceasing to be, domestic property or exempt, the material day is the day on which the circumstances giving rise to the alteration occurred²⁴.

In any other case, and where the determination is with a view to making an alteration to a list compiled before 1 April 2005, the material day is the day on which the proposal for the alteration in respect of which a determination falls to be made is served on the valuation officer²⁵ or, where there is no such proposal, the day on which the valuation officer alters the list²⁶. Where the determination is with a view to making an alteration to a list compiled on or after 1 April 2005²⁷, the material day is: (i) where the alteration is made in pursuance of a proposal, the day on which the proposal was served on the valuation officer²⁸; (ii) where the alteration is not made in pursuance of a proposal²⁹, the day on which the circumstances giving rise to the alteration occurred (if the day on which the circumstances giving rise to the

alteration is reasonably ascertainable)³⁰ or the day on which the valuation officer alters the list (if that day is not reasonably ascertainable)³¹.

C. DETERMINING RATEABLE VALUES FOR SPECIFIED HEREDITAMENTS

(A) REGULATION-MAKING POWERS

96. Power to prescribe assumptions or principles in determining the rateable value.

The Secretary of State (or the Welsh Ministers, as the case may be)¹ may make regulations² providing that, in applying the main provisions of the Local Government Finance Act 1988 to determine the rateable value of non-domestic hereditaments³ in relation to a hereditament of a prescribed⁴ class, prescribed assumptions (as to the hereditament or otherwise) are to be made⁵. For these purposes, a class may be prescribed by reference to such factors as the Secretary of State (or the Welsh Ministers, as the case may be) sees fit⁶, and without prejudice to this, a class may be prescribed by reference to one or more of the following factors⁷, namely: (1) the physical characteristics of hereditaments⁸; (2) the fact that hereditaments are unoccupied or are occupied for prescribed purposes or by persons of prescribed descriptions⁹.

The Secretary of State (or the Welsh Ministers, as the case may be) may also make regulations providing that in arriving at an amount for the rateable value of a non-domestic hereditament¹⁰ prescribed principles are to be applied¹¹; and the regulations may include provision for the preservation of such principles, privileges, and provisions for the making of valuations on exceptional principles, as apply or applied for the purposes of the General Rate Act 1967 (now repealed)¹².

The Local Government Finance Act 1988 Sch 6 (as amended) has effect to determine the rateable value of non-domestic hereditaments for the purposes of Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 97 et seq post); Sch 6 para 1 (amended by the Local Government and Housing Act 1989 ss 139, 194, Sch 5 paras 38, 79(3), Sch 12 Pt II). For these purposes, references to the non-domestic use of property are references to use otherwise than in such manner as to constitute the property domestic property: Local Government Finance Act 1988 Sch 6 para 2(13) (added by the Local Government and Housing Act 1989 Sch 5 paras 38, 79(3)). UPDATE

96 Power to prescribe assumptions or principles in determining the rateable value

NOTE 5--SI 1989/1060 further amended: SI 2009/1307. SI 1989/2303 further amended: SI 2008/2997 (Wales).

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(6) VALUATION FOR RATING/(ii) Determination of Rateable Value/C. DETERMINING RATEABLE VALUES FOR SPECIFIED HEREDITAMENTS/(A) Regulation-making Powers/97. Power to make special provision made as to rateable value for certain hereditaments.

97. Power to make special provision made as to rateable value for certain hereditaments.

The rateable value of any hereditament¹, the whole or any part of which consists in buildings which are both used for the breeding and rearing of horses or ponies (or for either of those purposes)², and are occupied together with any agricultural land³ or agricultural building⁴, is taken to be the amount determined under the usual statutory provisions governing the determination of rateable value⁵ less whichever is the smaller of the following two amounts⁶, namely: (1) such amount as the Secretary of State (or the Welsh Ministers, as the case may be)⁷ may by order specify for these purposes⁸; and (2) the amount which would be determined⁹ in respect of so much of the hereditament as consists of buildings so used and occupied¹⁰.

In circumstances where:

- 107 (a) the rateable value of a hereditament consisting of an area of a caravan site¹¹ is determined with a view to making an alteration to a list which has been compiled (whether or not it is still in force)¹²;
- 108 (b) the area is treated as one hereditament¹³;
- 109 (c) immediately before the day the alteration is entered in the list (or, if the alteration is made in pursuance of a proposal, the day the proposal is made), the list includes a hereditament consisting of an area of the caravan site treated in this way as one hereditament¹⁴; and
- 110 (d) the area mentioned in head (b) above and the area mentioned in head (c) above are wholly or partly the same¹⁵,

then, in relation to a caravan pitch which is included both in the area mentioned in head (b) above and in the area mentioned in head (c) above, the nature of the caravan on the pitch and the physical state of that caravan¹⁶ must be taken to be as they were assumed to be for the purposes of determining the rateable value of the hereditament mentioned in head (c) above when that rateable value was last determined¹⁷. Accordingly, the usual factors to be considered under statute¹⁸ do not apply for these purposes as respects the nature of the caravan on the pitch and the physical state of that caravan¹⁹.

Where a hereditament consists wholly or in part of land on which a right of sporting²⁰ is exercisable²¹, and the right is not severed from the occupation of the land²², then, for the purposes of determining the rateable value of the hereditament²³, the rent at which the hereditament might reasonably be expected to let is to be estimated as if the right of sporting did not exist²⁴.

1 The Local Government Finance Act 1988 Sch 6 (as amended) has effect to determine the rateable value of non-domestic hereditaments for the purposes of Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 98 et seq post): Sch 6 para 1 (amended by the Local Government and Housing Act 1989 ss 139, 194, Sch 5 paras 38, 79(3), Sch 12 Pt II). For these purposes, references to the non-domestic use of property are references to use otherwise than in such manner as to constitute the property domestic property: Local Government Finance Act 1988 Sch 6 para 2(13) (added by the Local Government and Housing Act 1989 Sch 5 paras 38, 79(3)). For the meaning of 'hereditament' see PARA 33 et seq ante; and for the meaning of 'domestic property' in relation to non-domestic rating see PARA 120 post.

2 See the Local Government Finance Act 1988 Sch 6 para 2A(1)(a), (2) (Sch 6 paras 2A, 2B both added by the Local Government and Housing Act 1989 s 139, Sch 5 paras 38(11), 79(3)).

3 For these purposes, 'agricultural land' means any land of more than two hectares which is agricultural land within the meaning of the Local Government Finance Act 1988 s 51, Sch 5 para 2 (see PARA 44 ante) and is not land used exclusively for the pasturing of horses or ponies: Sch 6 para 2A(3) (as added: see note 2 supra).

4 See ibid Sch 6 para 2A(1)(b), (2) (as added: see note 2 supra). For the meaning of 'agricultural building' see Sch 5 paras 3-7 (as amended) (see PARA 45 et seq ante); definition applied by Sch 6 para 2A(3) (as so added).

Under the orders so made, £2,500 is specified for the purposes of Sch 6 para 2A(2)(a) (as added) in relation to Wales: see the Non-Domestic Rating (Stud Farms) Order 1989, SI 1989/2331, art 2 (revoked in relation to England by SI 2001/2586). In respect of the rateable value of any hereditament shown in a non-domestic rating list compiled in relation to England on or after 1 April 2005, £3,500 is the amount specified for the purposes of the Local Government Finance Act 1988 Sch 6 para 2A(2)(a) (as added): see the Non-Domestic Rating (Stud Farms) (England) Order 2004, SI 2004/3151, arts 1-2. UPDATE

97 Power to make special provision made as to rateable value for certain hereditaments

NOTE 8--SI 2004/3151 replaced: Non-Domestic (Rating) (Stud Farms) (England) Order 2009, SI 2009/3177.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(6) VALUATION FOR RATING/(ii) Determination of Rateable Value/C. DETERMINING RATEABLE VALUES FOR SPECIFIED HEREDITAMENTS/(A) Regulation-making Powers/98. Power to make special provision as to rateable value for hereditaments.

98. Power to make special provision as to rateable value for hereditaments.

Until a day to be appointed, the following provisions have effect¹.

The Secretary of State (or the Welsh Ministers, as the case may be)² may by order³ provide that, in the case of a non-domestic hereditament⁴ of such class as may be prescribed, the usual statutory provisions governing the determination of rateable value⁵ do not apply, and that its rateable value is to be determined in accordance with prescribed rules instead ('valuation by formula')⁶. For these purposes, a class may be prescribed by reference to such factors as the Secretary of State (or the Welsh Ministers, as the case may be) sees fit⁷ and, without prejudice to this, a class may be prescribed by reference to one or more of the following factors⁸: (1) the physical characteristics of hereditaments⁹; (2) the fact that hereditaments are unoccupied or are occupied for prescribed purposes or by persons of prescribed descriptions¹⁰.

In the case of non-domestic hereditaments to be shown¹¹ in a central non-domestic rating list¹², the Secretary of State (or the Welsh Ministers, as the case may be) may also by order provide that the usual statutory provisions¹³ do not apply, and that their rateable value is to be specified in the order or determined in accordance with prescribed rules instead¹⁴. There are no restrictions on the methods which the Secretary of State (or the Welsh Ministers, as the case may be) might employ in arriving at a figure so specified¹⁵.

1 The Local Government Finance Act 1988 s 56(1), Sch 6 para 3 (as amended) is repealed by the Local Government Act 2003 ss 69, 127(2), Sch 8 Pt 1 as from a day to be appointed under s 128(6). However, at the date at which this volume states the law, no such day had been appointed.

The Local Government Finance Act 1988 Sch 6 (as amended) has effect to determine the rateable value of non-domestic hereditaments for the purposes of Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 99 et seq post): Sch 6 para 1 (amended by the Local Government and Housing Act 1989 ss 139, 194, Sch 5 paras 38, 79(3), Sch 12 Pt II). For these purposes, references to the non-domestic use of property are references to use otherwise than in such manner as to constitute the property domestic property: Local Government Finance Act 1988 Sch 6 para 2(13) (added by the Local Government and Housing Act 1989 Sch 5 paras 38, 79(3)). For the meaning of 'hereditament' see note 4 infra; and for the meaning of 'domestic property' in relation to non-domestic rating see PARA 120 post.

2 As to the Secretary of State and the Welsh Ministers see PARA 3 ante.

3 The power to make an order under the Local Government Finance Act 1988 Sch 6 para 3 (as amended; prospectively repealed) is exercisable by statutory instrument, and no such order may be made unless a draft of it has been laid before and approved by resolution of each House of Parliament: s 143(8). If an order under Sch 6 para 3 (as amended; prospectively repealed) would, apart from this provision, be treated for the purposes of the standing orders of either House of Parliament as a hybrid instrument, it must proceed in that House as if it were not such an instrument: s 143(11). As to the making of subordinate legislation by the Welsh Ministers under the Local Government Finance Act 1988 see PARA 3 note 15 ante. As from a day to be appointed under the Local Government Act 2003 s 128(6), the Local Government Finance Act 1988 s 143(8), (11) is repealed by the Local Government Act 2003 Sch 8 Pt 1. However, at the date at which this volume states the law, no such day had been appointed.

The ratepayer in this case was the purchaser of a hereditament which was chargeable to one set of rates, being its liability under the local listing (see the text and notes 2-10 supra) arising from its own rateable occupation, but it had also entered into a voluntary assumption of liability to reimburse the vendor for central rates payable under the statutory scheme in respect of the residual period in the chargeable year (ie the year of purchase): see *R (on the application of Edison First Power Ltd) v Central Valuation Officer* supra (sum paid to vendor was part of the price that it had agreed to pay for the hereditament and was not a double payment of rates to the Secretary of State).

(B) REGULATIONS MADE IN RELATION TO PUBLIC UTILITY UNDERTAKINGS

99. Hereditaments in the central lists associated with public utility undertakings.

In exercise of the power to make provision in relation to non-domestic hereditaments¹ to be shown in a central non-domestic rating list², orders have been made so that the usual statutory provisions used to determine rateable value³ do not apply, and their rateable value is either as specified in the orders so made or determined in accordance with prescribed rules⁴.

1 For the meaning of 'hereditament' see PARA 33 et seq ante; and for the meaning of 'domestic property' in relation to non-domestic rating see PARA 120 post.

2 Is shown by virtue of regulations under the Local Government Finance Act 1988 s 53(2) (as amended) (see PARA 126 post): see the Local Government Finance Act 1988 s 56(1), Sch 6 para 3(2) (as amended); and PARA 98 ante. As to the central non-domestic rating lists see PARA 125 et seq post. As from a day to be appointed under the Local Government Act 2003 s 128(6), the Local Government Finance Act 1988 Sch 6 para 3 (as amended) is repealed by the Local Government Act 2003 ss 69, 127(2), Sch 8 Pt 1. However, at the date at which this volume states the law, no such day had been appointed.

Originally, hereditaments occupied by public utility undertakings were valued on the profits basis (as to which see PARA 114 post). However, over time they came to be valued by the application of a statutory formula: see the General Rate Act 1967 ss 31-34, Schs 4-7 (repealed); and as to the historical development of rating law and the continuing relevance of the old case law to the current statutory regime see PARA 2 ante. With the coming into force of the Local Government Finance Act 1988, hereditaments occupied by public utility undertakings and a number of other properties which, in the opinion of the Secretary of State, were more appropriately rated en bloc, were entered in the central non-domestic rating lists and, with a view to securing the central rating en bloc of certain hereditaments, the list identifies persons designated for central list purposes and identifies the hereditament or class of hereditaments in respect of which they are to be rated via the central list: see the Local Government Finance Act 1988 s 53 (as amended); and PARA 126 post. As to the content of central non-domestic rating lists see PARA 125 et seq post. As to the 1990 list see the Central Rating Lists Regulations 1989, SI 1989/2263 (now revoked with savings); and as to the 2005 list see the Central Rating List (Wales) Regulations, SI 2005/422 (as amended); the Central Rating List (England) Regulations 2005, SI 2005/551 (as amended); and PARA 127 post. Notwithstanding any rule of law requiring the rateable value of a hereditament¹ occupied by a public utility undertaking to be estimated solely by reference to the accounts, receipts or profits of the undertaking², in arriving at an amount for the rateable value³ in relation to such a hereditament, any evidence relevant to estimating the amount of rent in accordance with that provision is to be taken into account⁴.

DETERMINING RATEABLE VALUES FOR SPECIFIED HEREDITAMENTS/(C) Rateable Values of Plant and Machinery/102. Plant and machinery deemed to be part of the hereditament.

(C) RATEABLE VALUES OF PLANT AND MACHINERY

102. Plant and machinery deemed to be part of the hereditament.

For the purpose of valuing hereditaments, certain classes of plant¹ and machinery in or on the hereditament are to be deemed to be a part of the hereditament to be valued and no account is to be taken of the value² of any other plant or machinery in or on the hereditament. The rental value of such a hereditament is to be ascertained by estimating the rent which the hypothetical tenant would pay for the land, buildings and plant and machinery comprising the hereditament, on the assumption that the hypothetical landlord provides at his own expense the plant and machinery as well as the land and buildings, and that the hypothetical tenant pays a rent for all that the hypothetical landlord provides³.

¹ 'Plant' does not include things which are merely part of the setting in which a business is carried on: *J Lyons & Co Ltd v A-G* [1944] Ch 281, [1944] 1 All ER 477. All of the cases cited in this paragraph were decided prior to the coming into force of the Local Government Finance Act 1988 and, therefore, must now be considered in relation to the non-domestic rating provisions in Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 103 et seq post). Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(6) VALUATION FOR RATING/(ii) Determination of Rateable Value/C. DETERMINING RATEABLE VALUES FOR SPECIFIED HEREDITAMENTS/(C) Rateable Values of Plant and Machinery/103. Prescribed classes of plant and machinery deemed to be part of the hereditament.

103. Prescribed classes of plant and machinery deemed to be part of the hereditament.

The Secretary of State (or the Welsh Ministers, as the case may be)¹ may make regulations² providing that, in applying the main provisions of the Local Government Finance Act 1988 which determine the rateable value of non-domestic hereditaments³ in relation to a hereditament of a prescribed class, prescribed assumptions (as to the hereditament or otherwise) are to be made⁴.

Accordingly, for the purpose of the rating lists that came into force on 1 April 1990, the Secretary of State identified in regulations six classes of plant⁵ and machinery, which, if present on the hereditament, were deemed to be part of it⁶.

For the purpose of determining the rateable value of a hereditament for any day on or after 1 April 2000⁷, in relation to a hereditament in or on which there is plant or machinery which belongs to any of the four prescribed classes⁸, the prescribed assumptions are that any such plant or machinery is part of the hereditament, and that the value of any other plant and machinery has no effect on the rent to be estimated under the statutory hypothesis⁹. The valuation officer¹⁰ must, on being so required in writing by the occupier¹¹ of any hereditament, supply to him particulars in writing showing what plant and machinery (or whether any particular plant or machinery) has been assumed in this way to form part of the hereditament¹². In relation to any other hereditament, the prescribed assumption for these purposes¹³ is that the value of any plant or machinery has no effect on the rent to be so estimated¹⁴. The four prescribed classes of plant and machinery are as follows:

- 111 (1) plant and machinery, listed in a table within the class, which is used or intended to be used mainly or exclusively in connection with the generation¹⁵, storage, primary transformation or main transmission of power¹⁶ in or on the hereditament¹⁷ (together with any of the accessories specified for this purpose in the List of Accessories)¹⁸;
- 112 (2) plant and machinery, listed in a table within the class, which is used or intended to be used mainly or exclusively in connection with services¹⁹ to the land or buildings of which the hereditament consists, other than any such plant or machinery which is in or on the hereditament and is used or intended to be used in connection with services mainly or exclusively as part of manufacturing operations or trade processes²⁰ (together with any of the accessories specified for this purpose in the List of Accessories)²¹;
- 113 (3) items including railway and tramway lines, lifts and elevators, cables, wires and conductors, posts, poles, towers and pylons (including cables, etc used for communications systems) and pipelines²²;
- 114 (4) certain miscellaneous items of plant and machinery listed in tables within the class²³ with four specific exceptions²⁴.

19 For these purposes, 'services' means the heating, cooling, ventilating, lighting, draining or supplying of water and protection from trespass, criminal damage, theft, fire or other hazard: see the Valuation for Rating (Plant and Machinery) (England) Regulations 2000, SI 2000/540, Schedule Class 2; and the Valuation for Rating (Plant and Machinery) (Wales) Regulations 2000, SI 2000/1097, Schedule Class 2.

Refrigeration equipment for trade processes was held not to fall within a predecessor of this class: *Union Cold Storage Co Ltd v Southwark Assessment Committee* (1932) 16 R & IT 160. Similarly, boilers used in trade processes were held not to fall within it: *Burton-upon-Trent Borough Council v Bass, Ratcliff and Gretton Ltd and Thomas (Valuation Officer)* [1961] RVR 310, Lands Tribunal. In *Hays Business Services v Raley (Valuation Officer)* [1986] 1 EGLR 226, Lands Tribunal, fire-fighting equipment was held not rateable as it had been installed to protect sensitive goods stored in the warehouse and not the warehouse itself.

For these purposes, 'pipeline' means a pipe or system of pipes and associated fixed accessories and equipment for the conveyance of any thing, not being either a drain or sewer or a pipeline which forms part of the equipment of (and is wholly situated within) a factory or petroleum storage depot, a mine, quarry or mineral field or a natural gas storage or processing facility or gas holder site: see the Valuation for Rating (Plant and Machinery) (England) Regulations 2000, SI 2000/540, Schedule Class 3 para (g); and the Valuation for Rating (Plant and Machinery) (Wales) Regulations 2000, SI 2000/1097, Schedule Class 3 para (g).

The onus is on the ratepayer to prove that a particular pipeline is within one of the exceptions: *Edwards (Valuation Officer) v BP Refinery (Llandarcy) Ltd* [1974] RA 1 at 20, Lands Tribunal. As to pipelines conveying slurry over several miles from a china clay quarry to the 'dries' where it was prepared for sale see *English Clays Lovering Pochin & Co Ltd v Davis (Valuation Officer)* [1966] RA 475, Lands Tribunal; *English Clays Lovering Pochin & Co Ltd v Plymouth Corp'n* [1974] 2 All ER 239, [1974] 1 WLR 742, CA. (D) VALUATION OF WASTING PROPERTY

104. Valuation of mines and quarries.

The prevailing modern method of valuing mines and quarries¹ is by reference to a royalty per ton of output, to which is added a rent for the surface of the land and the buildings and other works occupied as part of the mine².

However, the value of mines and quarries may be ascertained alternatively on the same principle as that of an undertaking valued on the profits basis³, that is, by making deductions from the yearly receipts for working expenses, for the tenant's share of the profits and for expenses of repair⁴. This last deduction includes the cost of maintaining the permanent roads and airways⁵, but not the cost of sinking shafts⁶. No deduction is allowed to provide for the ultimate renewal of exhausted mines⁷.

An exhausted mine is not rateable, even though a rent continues to be paid for it⁸; nor is a mine which has become unworkable⁹.

The Secretary of State (or the Welsh Ministers, as the case may be)¹⁰ may also make regulations under the Local Government Finance Act 1988¹¹ providing that, in arriving at an amount for the rateable value of a non-domestic hereditament¹², prescribed principles are to be applied¹³. Accordingly, in arriving¹⁴ at an amount of estimated rent in relation to such part of any mine or quarry¹⁵ as consists of land¹⁶ occupied for the purpose of the winning and working, grading, washing, grinding and crushing of minerals, no account is to be taken of sums payable in respect of the extraction of minerals from such land in so far as such sums are attributable to the capital value of minerals extracted¹⁷; and it is to be assumed¹⁸ that the proportion of such sums attributable to the capital value of such minerals is 50 per cent¹⁹.

1 There is no definition of 'mine' or 'quarry' in the Local Government Finance Act 1988; but see note 15 infra. The meaning of 'mine' was considered judicially for the purposes of determining the rateable value of a mine in *Snailbeach Mine Co Ltd v Forden Guardians* (1876) 35 LT 514.

Most of the cases cited in this paragraph were decided prior to the coming into force of the Local Government Finance Act 1988 and, therefore, must now be considered in relation to the non-domestic rating provisions in Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 105 et seq post). As to the historical development of rating law and the continuing relevance of the old case law to the current statutory regime see PARA 2 ante.

105. Rapidly exhausting hereditaments.

The net annual value of a rapidly exhausting hereditament, such as a brickfield¹, chalk pit² or gravel pit³, is the rent which a tenant might at the date of the valuation be expected to give for a year's tenancy of it; and this may well be something less than a figure arrived at by a calculation based on the rent and the royalties payable upon the maximum quantity of bricks that might be made or of material that might be got⁴. In most cases in which the hereditament becomes exhausted in the course of the year, the value is to be ascertained with regard to the estimated output over a whole year without deduction on account of exhaustion of the mineral in the course of the year⁵.

The Secretary of State (or the Welsh Ministers, as the case may be)¹ may make regulations² providing that, in applying the main provisions of the Local Government Finance Act 1988 to determine the rateable value of non-domestic hereditaments³ in relation to a hereditament of a prescribed class, prescribed assumptions (as to the hereditament or otherwise) are to be made⁴, or that, in arriving at an amount for the rateable value of a non-domestic hereditament⁵, prescribed principles are to be applied⁶.

Accordingly, in relation to an advertising hereditament⁷, it is to be assumed⁸ that the grant or reservation of the right of which the hereditament consists included the grant or reservation of a right to use any structure⁹ or sign for the time being available for use for the purpose of exhibiting advertisements by the occupier of that hereditament, notwithstanding that the structure or sign was provided by that occupier or was provided after the making of the grant or reservation concerned¹⁰.

In arriving at an amount of the hypothetical rent for the purposes of determining rateable value¹¹ in respect of any land¹² over which such an advertising right is exercisable, no account is to be taken of any value (or, as the case may be, increased value) arising from the use of the land for the purpose of exhibiting advertisements in accordance with that right¹³. However, where any hereditament rateable in respect of its occupation¹⁴ for other purposes is used temporarily or permanently for (or for the erection thereon or attachment thereto of any structure used for) the exhibition of advertisements other than in pursuance of an advertising right, in arriving at an amount¹⁵ in respect of that hereditament the increased value from that use of the hereditament is to be taken into account¹⁶.

(G) VALUATION OF LICENSED PREMISES

109. Consideration of existence of licence.

In valuing licensed premises, it is necessary to take into account the value due to the existence of the licence, because the trade which the occupier is thereby permitted to carry on may only be carried on upon the premises rated¹. Consequently, unless there are countervailing circumstances, an increase in the amount of licence duty which a tenant of the house must bear will have the effect of decreasing the rental value of the house².

Where the occupier is bound by a 'tying' covenant to take his liquor, or some part of it, from the landlord, the 'tied' house is to be valued as if it were not affected by any such covenant³.

110. Evidence of trade done and of outgoings.

The simplest method of valuing a public house would be by ascertaining the rents which are prevalent in the neighbourhood for 'free' houses; but where this evidence is not available, it is not possible to apply this test. Evidence of the trade actually done and of the profits made by the actual occupier is admissible in order to ascertain the rental value¹. The rent which a brewer would give for a licensed property in order to put in a tied tenant or a manager must be taken into account in estimating the gross value of the house². If evidence of the gross receipts is given, an occupier must be allowed to give evidence of the outgoings which have been found necessary to earn those receipts³.

It is clear from *Cartwright v Sculcoates Union* supra that the accounts of the actual occupier, while not necessarily according with those of the hypothetical tenant, form a useful starting point for the valuer when he prepares the accounts of the hypothetical tenant: *Sharp v Griffiths (Valuation Officer)* [1999] RA 265, [1999] 3 EGLR 113, Lands Tribunal (accounts were showing losses and the evidence did not suggest a real likelihood that future trade would improve to such an extent as to persuade a hypothetical tenant to pay a significant annual rent).

DETERMINING RATEABLE VALUES FOR SPECIFIED HEREDITAMENTS/(G) Valuation of Licensed Premises/111. Methods of valuation of licensed premises.

111. Methods of valuation of licensed premises.

The usual method of valuation of licensed premises when based on trade is to take the profits (actual or estimated) of the last year or over an average of years, together with the tied rent, and to subtract from them the remuneration which the hypothetical tenant would expect for himself, and to apportion the remainder between rent and rates¹. Valuation by reference to capital values has been rejected in the past².

(iii) Methods of Valuation

112. No uniform method of valuation.

There is no longer any rule of law that any class of hereditament must be valued by a particular method. The main methods of rating in general use can be summarised as being: by reference to actual rents; the 'profits' or 'receipts and expenditure' basis; the 'contractor's basis'; and by using evidence of assessments of comparable hereditaments¹. There are no hard and fast rules as to which method should be used in any particular case.

All relevant evidence is to be admitted, but given weight according to its quality². Nevertheless, it is to be expected that actual rents, where they are available and cannot be impeached, are likely to be the best guide as to value, although not conclusive³.

Most of the cases cited in this paragraph were decided prior to the coming into force of the Local Government Finance Act 1988 and, therefore, must now be considered in relation to the non-domestic rating provisions in Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 113 et seq post). As to the historical development of rating law and the continuing relevance of the old case law to the current statutory regime see PARA 2 ante.

³ See eg *O'Brien v Harwood (Valuation Officer)* [2003] RA 244, Lands Tribunal, where direct rental evidence of value existed and the ratepayer's evidence of receipts was given little weight. As to actual rent being evidence of rental value see PARA 113 post.

113. Actual rent as evidence of value.

The actual rent paid for the hereditament is not conclusive evidence of value¹. However, where the hereditament is let at what is plainly a rack rent², that rent is good evidence of value always provided that it was recently fixed by the 'higgling of the market'³. If the actual rent is paid on terms which differ from those of the hypothetical tenancy, it must be adjusted, if possible, to the terms of the hypothetical tenancy before it affords evidence of value. Such adjustments may be necessary to allow, for example, for the burden of rates and taxes, the length of the lease⁴ or the provision of landlord's services⁵. Rents paid for comparable hereditaments are relevant evidence, subject to similar considerations⁶. The classes of hereditaments which in practice are most commonly valued by reference to rents are shops, offices, warehouses and other commercial premises⁷.

2 I.e. a rent equal to the full annual value of the land. Rents paid under the statutory restrictions are not good evidence: *Poplar Metropolitan Borough Assessment Committee v Roberts* [1922] 2 AC 93, HL; *R v Paddington Valuation Officer, ex p Peachey Property Corp Ltd* [1966] 1 QB 380, [1965] 2 All ER 836, CA; *O'Mere v Burley (Valuation Officer)* (1968) 14 RRC 401, Lands Tribunal; *David v Wyeth (Valuation Officer)* [1974] RA 484, Lands Tribunal; *Hilder v Haysom (Valuation Officer)* [1974] RA 517, Lands Tribunal. Cf *Lee (Valuation Officer) v Southwark Manufacturing Co Ltd* [1961] RVR 230, Lands Tribunal. It is always open to either party to show that a rent agreed was a misconception, and that, if the agreement had to be made again, a different rent would be agreed: *East London Rly Joint Committee v Greenwich Union* (1890) Ryde's Rat App (1886-1890) 210 at 219; *Glasspool v Buttery (Valuation Officer)* (1957) 2 RRC 28, Lands Tribunal; *Bell (Valuation Officer) v Perry* [1965] RA 9, Lands Tribunal; *Cash and Carry Cleaners (Merseyside) Ltd v Finch (Valuation Officer)* [1966] RA 454, Lands Tribunal; *Mann (Valuation Officer) v Smiles & Co Ltd* (1968) 15 RRC 72, Lands Tribunal. In *Hodges Ltd v Howells (Valuation Officer)* [1993] RA 236, the Lands Tribunal rejected the actual rent for the subject hereditament on the ground that it was out of line with the general pattern of rents.

3 Rents fixed by tender were rejected as evidence in *WA Rawlinson & Co Ltd v Pritchard (Valuation Officer)* (1958) 4 RRC 178, Lands Tribunal; *Leisure UK Ltd v Moore (Valuation Officer)* [1974] RA 237, Lands Tribunal. Rents fixed as part of a 'sale and lease back' transaction were rejected as evidence in *Binns Ltd v Anderson (Valuation Officer)* (1959) 4 RRC 209, Lands Tribunal; *Trocadero (Swanage) Ltd v Perrins (Valuation Officer)* (1957) 51 R & IT 140, Lands Tribunal; *Lewis Separates v Chapman (Valuation Officer)* (1967) 12 RRC 400, Lands Tribunal; *FW Woolworth & Co Ltd v Christopher (Valuation Officer)* and *Lincoln City Council* (1972) 17 RRC 341, Lands Tribunal; *John Lewis & Son Ltd v Goodwin (Valuation Officer)* [1980] RA 1, Lands Tribunal; and in *Fusetron Ltd v Whitehouse* [1999] RA 295, Lands Tribunal, rents agreed as part of 'sale and lease back' transactions were regarded as suspect evidence of open market rental values unless supported by other evidence. 6 The Lands Tribunal has in the past adopted the rule that rents fixed after the date of the proposal are inadmissible (*Leicester City Council v Burkitt (Valuation Officer)* and *Perfecto Engineering Co Ltd* [1965] RA 101, Lands Tribunal; *Gilmore (Valuation Officer) v Baker-Carr (No 2)* [1963] RA 458, Lands Tribunal; *Smith v Moore (Valuation Officer)* [1972] RA 269; *Dunbar v Le Grys (Valuation Officer)* (1978) 21 RRC 88, Lands Tribunal), except to prove or disprove a trend or anticipation at the date of the proposal (*Thomas Ware & Sons Ltd v Toovey (Valuation Officer)* (1959) 6 RRC 216, Lands Tribunal; *British Transport Commission v Hingley and Robinson (Valuation Officers)* and *Grimsby RDC* (1960) 7 RRC 225, Lands Tribunal; *Frank Mason & Co Ltd v Thomas (Valuation Officer)* [1962] RVR 147, Lands Tribunal; *Robinson v Le Grys (Valuation Officer)* [1969] RA 63, Lands Tribunal), or to show the relative values of hereditaments at the relevant date (*Myers v Glynn (Valuation Officer)* [1973] RA 89; *John Lewis & Co Ltd v Goodwin (Valuation Officer)* [1980] RA 1, Lands Tribunal). However, this rule and these cases require to be read in the light of *Garton v Hunter (Valuation Officer)* [1969] 2 QB 37, [1969] 1 All ER 451, CA, where it was held that all relevant evidence is admissible, and that the goodness or badness of it goes to weight, not to admissibility. Rents fixed by tender are viewed with reserve: see *Thomas Cook Group Ltd v Prince (Valuation Officer)* [1981] RA 17, Lands Tribunal.

7 The larger shops present special problems as there is usually a paucity of rental evidence of similar hereditaments, but rental evidence of small shops is usually available. In order to relate the rents of small shops to large shops, the 'zoning method' is sometimes used: see *Footman, Pretty & Co v Chandler (Valuation Officer)* (1960) 7 RRC 18, Lands Tribunal; *FW Woolworth & Co Ltd v Moore (Valuation Officer)* [1978] RA 186, Lands Tribunal. It may be appropriate to make a 'quantum' or 'quantity' allowance: *FW Woolworth & Co Ltd v Christopher (Valuation Officer)* and *Lincoln City Council* (1972) 17 RRC 341, Lands Tribunal; *John Lewis & Co Ltd v Goodwin (Valuation Officer)* [1980] RA 1, Lands Tribunal. However, recent valuation practice for large shops suggests a movement away from the 'zoning method' to the 'overall method' in which rents for small shops are not of great assistance; it is now established valuation practice to value large stores on an 'overall' basis: see eg *Harrods Ltd v Baker (Valuation Officer)* [2007] RA 247, Lands Tribunal (appropriate rateable value for Harrods department store), in which the Lands Tribunal provides a helpful analysis of the principles which support that approach as well as the issue of 'quantum' or 'quantity' allowance.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(6) VALUATION FOR RATING/(iii) Methods of Valuation/114. Valuation on the 'profits' or 'receipts and expenditure' basis.

114. Valuation on the 'profits' or 'receipts and expenditure' basis.

In the absence of rental evidence of value, the accounts, receipts or profits of the occupier of the hereditament may be relevant¹. The profits themselves are not rateable² but they may serve to indicate the rent at which the hereditament might reasonably be expected to let, especially where the profits can only be earned upon that hereditament and can be earned there by any ordinary tenant. Whether the profits will affect, and how far they will affect, the rent will depend upon the higgling of the market³. Profits have been taken into consideration in the valuation for rating of, for instance, public utility undertakings⁴, including waterworks⁵, docks and harbours⁶, light railways⁷ and district heating undertakings⁸, and also licensed premises⁹, railway refreshment rooms¹⁰, hotels¹¹, a toll bridge¹², race courses¹³, football grounds¹⁴, markets¹⁵, mines, quarries and brickfields¹⁶, a zoo¹⁷, a radio relay system¹⁸, piers¹⁹, caravan sites²⁰, cemeteries²¹, crematoria²² and cinemas²³.

The rent to be ascertained is that which the hypothetical tenant would pay²⁴. The inquiry must therefore embrace the whole of the profits made at the hereditament, even though a part of them does not inure to the actual occupier²⁵, and failure on the part of the occupier to take profits which it is open to him to take must be disregarded²⁶.

The occupier of a hereditament may be compelled to disclose his trading figures if they are reasonably required to enable the valuation officer accurately to compile the valuation list or to make or object to a proposal²⁷.

UPDATE

114 Valuation on the 'profits' or 'receipts and expenditure' basis

NOTE 15--See also *Re The Appeal of Ash (Valuation Officer)* [2009] RVR 12, Lands Tribunal.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(6) VALUATION FOR RATING/(iii) Methods of Valuation/115. Calculation of value on the 'profits' basis.

115. Calculation of value on the 'profits' basis.

The method of valuation on the 'profits' basis is first to ascertain the annual value of the undertaking as a whole¹. If the undertaking is situated in the area of more than one billing authority², it may be necessary to apportion the value so ascertained amongst the various areas concerned³.

The valuation of the hereditament is based upon the profits which are made or which (subject to any statutory limitations⁴) are capable of being made there⁵. The gross receipts, which form the starting point of the calculation, are those shown in the occupier's accounts for the last account year concluded before the antecedent valuation date⁶; and, if relevant, accounts available at the date of the hearing of an appeal may be admissible in evidence⁷.

The gross receipts include any payments (such as the proceeds of water charges) received by the occupier, and proceeds of precepts on other authorities⁸; but contributions made by the government towards the expenses incurred by a water authority in connection with rural water supplies are to be left out of account⁹.

When the gross receipts have been ascertained, the next step is to deduct from them the expenses of earning those receipts¹⁰, and the cost of economic repairs, insurance and other expenses necessary to maintain the undertaking in a state to command the hypothetical rent¹¹. Provision may be made for a sinking fund for the renewal of any wasting parts of the undertaking¹². The remaining balance is divisible between the tenant (the 'tenant's share'¹³), the landlord (the hypothetical rent or net annual value) and rates. The tenant's share is often estimated by applying a percentage to the tenant's capital¹⁴, but in other cases it may be taken directly as a proportion of the divisible balance¹⁵ or by applying a percentage to the gross receipts¹⁶.

1 This is commonly known as the 'cumulo'. As to valuation on the profits basis generally see PARA 114 ante.

2 As to billing authorities see PARA 5 ante.

3 Given the provisions which govern hereditaments divided by a boundary between billing authorities (see the Non-Domestic Rating (Miscellaneous Provisions) Regulations 1989, SI 1989/1060, reg 6 (as amended); and PARA 33 note 25 ante) and the fact that many properties of this sort are rated under the central rating list, the occasions on which such apportionment will be necessary are expected to be rare. For the meaning of 'hereditament' see PARA 33 et seq ante. As to rating lists see PARA 118 et seq post.

4 *Worcester Corp'n v Droitwich Union Assessment Committee* (1876) 2 Ex D 49, CA; *Sculcoates Union v Kingston-upon-Hull Dock Co* [1895] AC 136, HL.

All of the cases cited in this paragraph were decided prior to the coming into force of the Local Government Finance Act 1988 and, therefore, must now be considered in relation to the non-domestic rating provisions in Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 116 et seq post). As to the historical development of rating law and the continuing relevance of the old case law to the current statutory regime see PARA 2 ante.

5 *Sculcoates Union v Kingston-upon-Hull Dock Co* [1895] AC 136 at 147-148, HL, per Lord Herschell LC. The principle that the premises are to be valued vacant and to let (see PARA 93 ante) requires that the profits to be considered are those of the hypothetical tenant: *Watney Mann Ltd v Langley (Valuation Officer)* [1966] 1 QB 457 at 476, [1963] 3 All ER 967 at 979; and see the cases cited in PARA 114 notes 25-26 ante.

It would seem that applying the same principles in the

context of the Local Government Finance Act 1988, the appropriate accounts are those for the year before the antecedent valuation date.

16 In practice, this was commonly done in the case of water undertakings because so little tenant's capital was needed that a calculation of tenant's share on that basis would give a fallacious result.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(6) VALUATION FOR RATING/(iii) Methods of Valuation/116. Valuation with reference to cost of construction: the 'contractor's basis'.

116. Valuation with reference to cost of construction: the 'contractor's basis'.

Where actual rents do not afford sufficient evidence of annual rental value, a percentage of the cost of construction or structural value of the hereditament, or of a substitute hereditament, is sometimes taken as evidence¹. The 'contractor's basis' (as this method is called) is applied in five stages²: (1) estimation of the cost of construction of a replacement hereditament³; (2) adjustment to reflect differences between the actual hereditament and the alternative, thus arriving at the effective capital value⁴; (3) addition of the value of the land on which the hereditament stands⁵; (4) decapitalisation of the effective capital value by application of the appropriate percentage⁶; and (5) final adjustment by the valuer to ensure that his valuation has taken into account all factors affecting value and that the result reflects what the prospective tenant would be willing and able to pay⁷.

This method of valuation has been applied, for instance, to the indirectly productive parts of public utility undertakings (such as waterworks⁸), to a chemical works⁹, to municipal property (such as schools¹⁰, sewage treatment works¹¹, former sewage systems¹², a town hall¹³, a fire station¹⁴, a swimming pool¹⁵, a local authority leisure centre¹⁶ and public conveniences¹⁷), to a magistrates' court¹⁸, to colleges and university buildings¹⁹, public schools²⁰, a geological museum²¹, a lighthouse²², an old people's home²³, a nursing home²⁴, a community centre²⁵, a football stadium²⁶, a cricket ground²⁷, an indoor bowling stadium²⁸, a tennis centre²⁹, an airport³⁰, coke ovens³¹, a factory³², a broiler house³³, a car park³⁴, and to plant and machinery³⁵. However, the selling price of houses³⁶ and the capital value of licensed premises³⁷ have been discounted as evidence.

1 Although the statutory measure of rateable value is the rent which might reasonably be expected (see PARA 87 et seq ante), interest on cost or capital value may be evidence of what a tenant might reasonably be expected to pay. The explanation for the use of this method of valuation (often referred to as the 'contractor's basis') is that the hypothetical tenant will be unwilling to pay more as an annual rent than it would cost him in annual interest on the capital sum necessary to build a similar hereditament (the 'effective capital value'): see *Dawkins (Valuation Officer) v Royal Leamington Spa Borough Council and Warwickshire County Council* [1961] RVR 291 at 295, Lands Tribunal, per Sir William FitzGerald, citing the argument of Sir Jocelyn Simon QC; approved in *Cardiff Corpn v Williams (Valuation Officer)* [1973] RA 46 at 51-52, 18 RRC 1 at 22-23, CA, per Lord Denning. However, this method may do no more than indicate an upper limit (*Crofton Investment Trust Ltd v Greater London Rent Assessment Committee* [1967] 2 QB 955, [1967] 2 All ER 1103, DC) and the annual rent resulting ought to be much below the interest charge in order to allow for any appreciation in capital value that accrues to an owner-occupier (vice yearly tenant) over time (see *Cardiff Corpn v Williams (Valuation Officer)* supra at 51-52 and 22-23 per Lord Denning). See also *Monsanto plc v Farris (Valuation Officer)* [1999] 1 EGLR 199, [1998] RA 107, Lands Tribunal.

The use of this method of valuation in appropriate cases is amply supported by authority: see eg *R v London School Board* (1855) 55 LJM 33 at 38 (on appeal (1886) 17 QBD 738, CA); *Liverpool Corpn v Llanfyllin Assessment Committee* [1899] 2 QB 14 at 20-22, CA; *Robinson Bros (Brewers) Ltd v Houghton and Chester-le-Street Assessment Committee* [1937] 2 KB 445 at 481, [1937] 2 All ER 298 at 315, CA; *Imperial College of Science and Technology v Ebdon (Valuation Officer)* [1986] RA 233, [1987] 1 EGLR 164, CA; but cf *Great Central Rly Co v Banbury Union* [1909] AC 78 at 86-87, HL. Even where rental evidence is available, a valuation on the contractor's basis is admissible: *Garton v Hunter (Valuation Officer)* [1969] 2 QB 37, [1969] 1 All ER 451, CA.

Most of the cases cited in this paragraph were decided prior to the coming into force of the Local Government Finance Act 1988 and, therefore, must now be considered in relation to the non-domestic rating provisions in Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 117 et seq post). As to the historical development of rating law and the continuing relevance of the old case law to the current statutory regime see PARA 2 ante.

2 See *Gilmore (Valuation Officer) v Baker-Carr (No 2)* [1964] RVR 7, where the five stages were referred to. See also *Imperial College of Science and Technology v Ebdon (Valuation Officer)* [1984] RA 213, Lands Tribunal;

affd [1986] RA 233, [1987] 1 EGLR 164, CA, where a possible sixth stage was suggested. In *Monsanto plc v Farris (Valuation Officer)* [1999] 1 EGLR 199, [1998] RA 107, Lands Tribunal, it was stated that an economic framework for valuation should be maintained to afford credibility to the contractor's basis of valuation but that such a framework can be preserved without a literal interpretation of the principles cited in *Dawkins (Valuation Officer) v Royal Leamington Spa Borough Council and Warwickshire County Council* [1961] RVR 291, Lands Tribunal (see note 1 supra) by the device of regarding the hypothetical tenant as a prospective purchaser of the hereditament for stages 1, 2 and 3 of the valuation (see heads (1)-(3) in the text) (the 'capital sum stages') and then as the hypothetical tenant of rating for stages 4 and 5 (see heads (4) and (5) in the text) (the 'annual value stages').

3 It is disputed whether one should assess the cost of replacing the actual building or the cost of constructing an alternative building. Where the building on the hereditament is old-fashioned, has excessive ornamentation or much excess capacity, it is sometimes convenient to cost not a replica of the actual building but a modern equivalent. The replacement of the actual building method was preferred in *Magdalen, Jesus and Keble Colleges, Oxford v Howard (Valuation Officer) and City of Oxford* (1959) 5 RRC 122, Lands Tribunal (on appeal [1961] RVR 22, CA); *Downing, Newnham, Churchill and King's Colleges, Cambridge v City of Cambridge and Allsop (Valuation Officer)* [1968] RA 603, Lands Tribunal; *St Catherine's, St Hilda's and Magdalen Colleges, Oxford v Howard (Valuation Officer) and City of Oxford* [1968] RA 627, Lands Tribunal. See also *Shrewsbury Schools v Shrewsbury Borough Council and Plumpton (Valuation Officer)* (1960) 7 RRC 313, Lands Tribunal. The substitute building method was preferred in *Dawkins (Valuation Officer) v Royal Leamington Spa Borough Council and Warwickshire County Council* [1961] RVR 291, Lands Tribunal.

4 This includes taking into account the building's excess capacity and technical obsolescence: see note 3 supra. In *Eastbourne Borough Council v Allen (Valuation Officer)* [2001] RA 273, Lands Tribunal, the application of the contractor's basis to the existing elderly facilities presented a number of problems and valuing a 'modern simple substitute' was agreed in that case to be the best way to take account of such problems.

5 The land must be valued as if it is limited to its existing use with its existing buildings. See eg *Oxford University v Oxford Corp'n* (1902) Ryde & K Rat App 87; *Dawkins (Valuation Officer) v Royal Leamington Spa Borough Council and Warwickshire County Council* [1961] RVR 291, Lands Tribunal; *Oswestry Corp'n v Plumpton (Valuation Officer)* (1961) 9 RRC 153, Lands Tribunal; *Downing, Newnham, Churchill and King's Colleges, Cambridge v City of Cambridge and Allsop (Valuation Officer)* [1968] RA 603, Lands Tribunal.

6 The Local Government Finance Act 1988 s 56(1), Sch 6 para 2(8) (as amended) (see PARA 96 ante) empowers the Secretary of State (or the Welsh Ministers, as the case may now be) to prescribe the decapitalisation rate. This power has been exercised in relation to all rating lists compiled since 1 April 1990: see the Non-Domestic Rating (Miscellaneous Provisions) (No 2) Regulations 1989, SI 1989/2303, reg 2 (amended by SI 1993/544; SI 1994/3122; in relation to England only by SI 2000/532; SI 2004/1494; in relation to Wales only by SI 2000/908; SI 2004/1000). As to the Secretary of State and the Welsh Ministers see PARA 3 ante. The purpose of the prescribed decapitalisation rate is discussed in *Eastbourne Borough Council v Allen (Valuation Officer)* [2001] RA 273, Lands Tribunal; and *Lavery (Valuation Officer) v Leeds City Council* [2002] RA 165, Lands Tribunal.

7 As to some of the factors which may be applied in assessing what a hypothetical tenant would pay see *Cardiff Corp'n v Williams (Valuation Officer)* [1973] RA 46 at 51-52, 18 RRC 1 at 22-23, CA, per Lord Denning (teachers' training college). Where specifically targeted capital grants have been paid, an apportioned and discounted sum (relative to instalments) is properly deducted before the finalisation of the effective capital value: *Monsanto plc v Farris (Valuation Officer)* [1999] 1 EGLR 199, [1998] RA 107, Lands Tribunal (impact of the grant regime upon rental values of industrial or kindred hereditaments in the local market at the material date should be used to judge the effect, if any, upon rental value of the subject hereditament). As to this final stage of the method see also *Eastbourne Borough Council v Allen (Valuation Officer)* [2001] RA 273, Lands Tribunal; *Lavery (Valuation Officer) v Leeds City Council* [2002] RA 165, Lands Tribunal; and *Winchester City Council v Handcock (Valuation Officer)* [2006] RA 265, Lands Tribunal.

116 Valuation with reference to cost of construction: the 'contractor's basis'

117. Evidence of assessments of comparable hereditaments.

Evidence may be given of the assessments of comparable hereditaments¹. To be of use the comparable hereditaments should normally² be drawn from the same area as the hereditament under review³, although this limitation does not apply if the purpose of referring to the comparable hereditaments is to establish valuation practice and method⁴. Comparable assessments may be of little evidential value early in the life of a list when the 'tone of the list' has yet to be established⁵. An assessment under appeal is normally excluded from consideration⁶. A valuation officer will not be allowed to impugn his own list⁷. The admissibility of assessments does not render admissible statements as to the basis of assessment made by a valuation officer who is not party to the proceedings⁸.

(7) RATING LISTS

(i) Introduction

118. Historical background.

Prior to the Local Government Finance Act 1988, valuation officers prepared and maintained valuation lists for each rating area under the General Rate Act 1967 (now repealed)¹. Valuation lists contained a description of every hereditament² in a rating area, including all domestic or non-domestic property and its value. No distinction was made as between residential and other types of hereditament in the way in which they were treated for rating purposes. Entries in the valuation lists could be subject to objections by persons aggrieved³, and objections could result in appeals provided for by statutory procedure. As originally enacted, the General Rate Act 1967 provided for new valuation lists to be prepared every five years, but later this was altered by new lists being prepared so as to come into force on 1 April in such year as the Secretary of State specified by order⁴. Every hereditament had to be entered in the list, whether occupied or not⁵. Amendments could be made to the list by proposals from either the valuation officer or persons aggrieved⁶. Generally, alterations had effect from the date the list was made, except where the list was altered to include newly erected or altered hereditaments⁷. Appeals against an entry in the valuation list were heard by local valuation courts⁸, with a further right of appeal to the Lands Tribunal⁹ and thence to the Court of Appeal on a point of law by way of case stated¹⁰.

1 A rating area was an area covered by a rating authority. Outside the London area, the rating authorities were the district councils; in London, the rating authorities were the London borough councils and the Common Council for the City of London: see the General Rate Act 1967 s 1 (repealed). 119. Position under the Local Government Finance Act 1988.

Under the Local Government Finance Act 1988, rating was abolished in relation to domestic property¹. Valuation officers² now have to compile local non-domestic rating lists³ and central non-domestic rating lists⁴, which contain details of all non-domestic hereditaments⁵. Hereditaments in the central valuation list are those designated by regulation by the Secretary of State (or the Welsh Ministers, as the case may be)⁶. The lists are to be prepared every five years and maintained throughout each five yearly period by the valuation officer⁷, who may cause an alteration to be made to the list⁸. Proposals may be made by a ratepayer to alter the entry in the valuation list⁹. Where the alteration is disputed by the valuation officer, an appeal may be heard by a local valuation tribunal¹⁰ to determine the correct entry in the list. An appeal lies from the decision of that tribunal to the Lands Tribunal¹¹, and from there to the Court of Appeal on a point of law by way of case stated¹².

1 The Local Government Finance Act 1988 Pt I (ss 1-31), Pt II (ss 32-40) (all repealed) introduced the community charge, which was itself abolished and replaced with the council tax, by virtue of the Local Government Finance Act 1992 ss 100, 117, Sch 13 (as amended), Sch 14: see PARA 227 et seq post.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(7) RATING LISTS/(i) Introduction/120. Definition of 'domestic property' for non-domestic rating purposes.

120. Definition of 'domestic property' for non-domestic rating purposes.

For the purposes of the non-domestic rating provisions¹, property is domestic if²: (1) it is used wholly for the purposes of living accommodation³; (2) it is a yard, garden⁴, outhouse⁵ or other appurtenance⁶ belonging to or enjoyed with property falling within head (1) above⁷; (3) it is a private garage which either has a floor area of 25 square metres or less or is used wholly or mainly for the accommodation of a private motor vehicle⁸; or (4) it is private storage premises used wholly or mainly for the storage of articles of domestic use⁹.

Property is not domestic if it is wholly or mainly used in the course of a business¹⁰ providing short-stay accommodation¹¹. However, this definition does not apply if: (a) it is intended that in the year being considered¹², short-stay accommodation will not be provided within the hereditament¹³ for more than six persons simultaneously¹⁴; and (b) the person intending to provide such accommodation intends to have his sole or main residence within that hereditament at the same time, and that any use of living accommodation within the hereditament which would otherwise cause it to be treated as non-domestic will be subsidiary to the use of the hereditament for, or in connection with, his sole or main residence¹⁵.

A building or self-contained part of a building is not domestic property if: (i) the relevant person¹⁶ intends that in the year being considered¹⁷, the whole of the building or self-contained part will be available for letting commercially, as self-contained accommodation for short periods totalling 140 days or more¹⁸; and (ii) on that day his interest in the building or part is such as to enable him to let it for such periods¹⁹. Where the building or self-contained part is used as the sole or main residence of any person it will be domestic property²⁰.

Property is not domestic if it is timeshare accommodation²¹; but caravan pitches²² and moorings²³ are domestic property if certain circumstances are present.

Property not in use is domestic if it appears that when next in use it will be domestic²⁴.

1 le for the purposes of the Local Government Finance Act 1988 Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 121 et seq post): see s 67(13).

2 See *ibid* s 66(1) (amended by the Standard Community Charge and Non-Domestic Rating (Definition of Domestic Property) Order 1990, SI 1990/162, art 3). The Local Government Finance Act 1988 s 66(1) (as amended) is subject to s 66(2) (as substituted) (see the text and notes 10-11 *infra*), s 66(2B) (as added) (see the text and notes 16-19 *infra*) and s 66(2E) (as added) (see the text and note 21 *infra*): see s 66(1) (as so amended). The Secretary of State (or the Welsh Ministers, as the case may be) may by order amend, or substitute another definition for, any definition of domestic property for the time being effective for the purposes of Pt III (as amended) (see PARAS 7 et seq ante, 121 et seq post): s 66(9). As to the Secretary of State and the Welsh Ministers and as to the making of orders under the Local Government Finance Act 1988 generally see PARA 3 ante. As to the orders so made under s 66(9) see the Standard Community Charge and Non-Domestic Rating (Definition of Domestic Property) Order 1990, SI 1990/162; the Standard Community Charge and Non-Domestic Rating (Definition of Domestic Property) (Amendment) Order 1991, SI 1991/474; the Non-Domestic Rating (Definition of Domestic Property) Order 1993, SI 1993/542; and notes 8, 10-12, 21 *infra*.

3 Local Government Finance Act 1988 s 66(1)(a). As to whether a person's use of a property to work from home allows that property to continue within the scope of head (1) in the text see *Tully v Jorgensen (Valuation Officer)* [2003] RA 233, Lands Tribunal (rates liability did not arise in this case where a room was used to carry out employment-related office work because the use remained for the purposes of ordinary domestic living accommodation). See also *Fotheringham v Wood (Valuation Officer)* [1995] RA 315, Lands Tribunal (rates liability arose because persons were employed at the premises in question and some clients visited there); and *Bell v Rycroft (Valuation Officer)* [2000] RA 103, Lands Tribunal (rates liability arose because part of the premises had been altered, fitted and staffed for use as a child-care nursery).

Most of the cases cited in this paragraph were decided prior to the coming into force of the Local Government Finance Act 1988 and, therefore, must now be considered in relation to the non-domestic rating provisions in Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 121 et seq post). As to the historical development of rating law and the continuing relevance of the old case law to the current statutory regime see PARA 2 ante.

4 In *Drury-Heath v Wallace (Valuation Officer)* (1960) 7 RRC 104, CA, a separate plot adjoining the occupier's house was held to be an orchard and not a garden, but the court made it clear that an orchard might be part of a garden. In *Bomford v Osborne* [1942] AC 14 at 40 per Lord Wright, the House of Lords cited dictionary definitions of 'garden' which included the idea of its being an enclosed space, and cited the Oxford English Dictionary especially thus: 'a garden is a substantially homogenous area, substantially devoted to the growth of fruits, flowers and vegetables'.

5 An outhouse is a building which belongs to and is part of a dwelling-house: see *Elsmore v St Briavells Inhabitants* (1828) 8 B & C 461; *R v Haughton* (1833) 5 C & P 555; *R v Hammond* (1844) 3 LTOS 342. In *Martin v Hewitt (Valuation Officer)* [2003] RA 275, Lands Tribunal, boathouses on Lake Windermere, whose occupiers lived in houses some distance away, were held not to be outhouses for these purposes.

6 'Appurtenance' in the Local Government Finance Act 1988 s 66(1)(b) (see head (2) in the text) was not intended to encompass land or buildings lying outside the curtilage of the property referred to in s 66(1)(a) (see head (1) in the text): *Martin v Hewitt (Valuation Officer)* [2003] RA 275, Lands Tribunal. In *Head (Valuation Officer) v Tower Hamlets London Borough Council* [2005] RA 177, Lands Tribunal, district heating systems, owned and operated by the council to supply heating and hot water to its tenants on council housing estates, were held to be not rateable on the basis of the Local Government Finance Act 1988 s 66(1)(b). However, in *Winchester City Council v Handcock (Valuation Officer)* [2006] RA 265, Lands Tribunal, sewage treatment works were found not to fall within the curtilage of any of the dwellings that they served, and so were rateable.

The word 'appurtenance' must be given its normal construction (see *Clymo (Valuation Officer) v Shell-Mex and BP Ltd* [1963] RA 191, [1963] RVR 471, CA) and comprises something appertaining to the principal subject-matter which would normally be included in it without special mention (see *Evans v Angell* (1858) 26 Beav 202).

7 Local Government Finance Act 1988 s 66(1)(b). See note 6 supra. For these purposes, only the property mentioned in s 66(1)(b), unlike the garage mentioned in s 66(1)(c) (as amended) (see head (3) in the text) or the store mentioned in s 66(1)(d) (see head (4) in the text), is required to belong to or be enjoyed with or have any particular physical relationship to a s 66(1)(a) property (see head (1) in the text): see *Andrews (Valuation Officer) v Lumb* [1993] RA 124 at 130, Lands Tribunal.

8 Local Government Finance Act 1988 s 66(1)(c) (amended by the Standard Community Charge and Non-Domestic Rating (Definition of Domestic Property) Order 1990, SI 1990/162, art 3). See note 7 supra. As to the meaning of the phrase 'wholly or mainly', considered in relation to the rating of charitable property, see: *Fawcett Properties Ltd v Buckingham County Council* [1961] AC 636 at 669, HL, per Lord Morton of Henryton. 'Mainly' probably means more than half: see *Glasgow Corp'n v Johnstone* [1965] AC 609, [1965] 1 All ER 730, HL.

9 Local Government Finance Act 1988 s 66(1)(d). See note 7 supra.

Storage in premises quite separate from the house of things to be used for recreation away from the house cannot constitute the storage of articles of domestic use: *Martin v Hewitt (Valuation Officer)* [2003] RA 275, Lands Tribunal (boats in boathouses, stored for use on a lake and not in or about the dwellinghouses, not articles of domestic use).

10 For these purposes, 'business' includes any activity carried on by a body of persons, whether corporate or unincorporate, and any activity carried on by a charity: Local Government Finance Act 1988 s 66(8A) (added by the Standard Community Charge and Non-Domestic Rating (Definition of Domestic Property) Order 1990, SI 1990/162, art 3).

11 Local Government Finance Act 1988 s 66(2) (s 66(2) substituted, and s 66(2A)-(2D) added, by the Standard Community Charge and Non-Domestic Rating (Definition of Domestic Property) Order 1990, SI 1990/162, art 3). Short-stay accommodation is accommodation: (1) which is provided for short periods to individuals whose sole or main residence is elsewhere (Local Government Finance Act 1988 s 66(2)(a) (as so substituted)); and (2) which is not self-contained self-catering accommodation provided commercially (s 66(2)(b) (as so substituted)). 'Commercially' means on a commercial basis, and with a view to the realisation of profits: s 66(8A) (as added: see note 10 supra).

12 I.e. the year beginning with the end of the day in relation to which the question is being considered: see *ibid* s 66(2A)(a) (as added (see note 11 supra); s 66(2A) substituted by the Standard Community Charge and Non-Domestic Rating (Definition of Domestic Property) (Amendment) Order 1991, SI 1991/474, art 3(1)).

13 For the meaning of 'hereditament' see PARA 33 et seq ante.

14 Local Government Finance Act 1988 s 66(2A)(a) (as added and substituted: see note 12 supra).

15 Ibid s 66(2A)(b) (as added and substituted: see note 12 supra).

16 For these purposes, where the property in question is a building and is not subject as a whole to a relevant leasehold interest, the relevant person is the person having the freehold interest in the whole of the building: *ibid* s 66(2C)(a) (as added: see note 11 supra). In any other case, the relevant person is any person having a relevant leasehold interest in the building or self-contained part which is not subject (as a whole) to a single relevant leasehold interest inferior to his interest: s 66(2C)(b) (as so added). 'Relevant leasehold interest' means an interest under a lease or underlease which was granted for a term of six months or more and conferred the right to exclusive possession throughout the term: s 66(8A) (as added: see note 10 supra). There is a clear case of drafting error in s 66(2C)(a) (as added), where the word '*building*' ought to be followed by the phrase '*or self contained part*', as in s 66(2C)(b) (as added), but the solution to the problem is a matter for Parliament: see *R (on the application of Curzon Berkeley Ltd) v Bliss (Valuation Officer, London Westminster)* [2001] EWHC Admin 1130, [2001] All ER (D) 314 (Dec).

17 Ie the year beginning with the end of the day in relation to which the question is being considered: Local Government Finance Act 1988 s 66(2B)(a) (as added: see note 11 supra).

18 Ibid s 66(2B)(a) (as added: see note 11 supra).

19 Ibid s 66(2B)(b) (as added: see note 11 supra).

20 Ibid s 66(2D) (as added (see note 11 supra); amended by the Local Government Finance Act 1992 s 117(1), (2), Sch 13 para 70(1), Sch 14).

21 Local Government Finance Act 1988 s 66(2E) (added by the Non-Domestic Rating (Definition of Domestic Property) Order 1993, SI 1993/542, art 2(b)). The text refers to timeshare accommodation within the meaning of the Timeshare Act 1992 (see SALE OF GOODS AND SUPPLY OF SERVICES vol 41 (2005 Reissue) PARA 868); see the Local Government Finance Act 1988 s 66(2E) (as so added).

22 The definition of domestic property in *ibid* s 66(1) (as amended) (see the text and notes 1-9 supra) does not apply in the case of a pitch occupied by a caravan, but if in such a case the caravan is the sole or main residence of an individual, the pitch and the caravan, together with any garden, yard, outhouse or other appurtenance belonging to or enjoyed with them, are domestic property: s 66(3) (substituted by the Rating (Caravans and Boats) Act 1996 s 1). However, this does not have effect in the case of a pitch occupied by a caravan which is an appurtenance enjoyed with other property to which the Local Government Finance Act 1988 s 66(1)(a) (see head (1) in the text) applies: s 66(4A) (added by the Rating (Caravans and Boats) Act 1996 s 1). Whether anything is a caravan is to be construed in accordance with the Caravan Sites and Control of Development Act 1960 Pt I (ss 1-30) (as amended) (see TOWN AND COUNTRY PLANNING vol 46(3) (Reissue) PARA 1033): Local Government Finance Act 1988 s 66(7).

23 The definition of domestic property in *ibid* s 66(1) (as amended) (see the text and notes 1-9 supra) does not apply in the case of a mooring occupied by a boat, but if in such a case the boat is the sole or main residence of an individual, the mooring and the boat, together with any garden, yard, outhouse or other appurtenance belonging to or enjoyed with them, are domestic property: s 66(4) (substituted by the Rating (Caravans and Boats) Act 1996 s 1). However, this does not have effect in the case of a mooring occupied by a boat which is an appurtenance enjoyed with other property to which the Local Government Finance Act 1988 s 66(1)(a) (see head (1) in the text) applies: s 66(4A) (as added: see note 22 supra).

UPDATE

120 Definition of 'domestic property' for non-domestic rating purposes

NOTE 3--See *Zhou v Osborne (Valuation Officer)* [2008] RA 451, Lands Tribunal (property remained wholly in use as living accommodation and any business use done in property was de minimis).

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(7) RATING LISTS/(ii) Local Non-domestic Rating Lists/121. Compilation and maintenance of local non-domestic rating lists.

(ii) Local Non-domestic Rating Lists

121. Compilation and maintenance of local non-domestic rating lists.

A valuation officer¹ for a billing authority² must compile and maintain lists of non-domestic hereditaments³ (known as 'local non-domestic rating lists') in accordance with the non-domestic rating provisions⁴.

Local lists had to be compiled on 1 April 1990 initially, and must be compiled on 1 April falling every fifth year thereafter⁵. Before a list is compiled, the valuation officer must take such steps as are reasonably practicable to ensure that the list is accurately compiled⁶. The list comes into force on the day on which it is compiled and remains in force until the next list is compiled five years later⁷. On or before 30 September preceding the day on which the list is to be compiled, the valuation officer must send the billing authority a copy of the proposed list⁸. As soon as is reasonably practicable after receiving the copy, the authority must deposit it at its principal office and take such steps as it thinks most suitable for giving notice of it⁹. Similarly, as soon as is reasonably practicable after compiling a list, the valuation officer must send a copy of it to the authority¹⁰ who must, as soon as is reasonably practicable after receiving the copy, deposit it at its principal office¹¹.

A list must be maintained for so long as is necessary for the purposes of the non-domestic rating provisions, so that expiry of the five year period for which it is in force does not detract from the duty to maintain it¹².

2 As to billing authorities see PARA 5 ante.

The general duty prescribed by s 41(1) (as amended) does not imply a specific obligation for alterations to the list to be made within a certain time: *National Car Parks Ltd v Baird (Valuation Officer)* [2004] EWCA Civ 967, [2005] 1 All ER 53, [2004] RA 245. In compiling and maintaining the list for 1 April 1990, the valuation officer was entitled to take into account information obtained under the General Rate Act 1967 s 82 or s 86 (repealed) (information from returns requiring information and from surveys of property by the valuation officer): Local Government Finance Act 1988 s 41(8). Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(7) RATING LISTS/(ii) Local Non-domestic Rating Lists/122. Amalgamated lists for Welsh billing authorities from 1 April 1996.

122. Amalgamated lists for Welsh billing authorities from 1 April 1996.

Every new valuation officer¹ had to compile a list (the 'amalgamated list') on 1 April 1996 for the new billing authority for which he was appointed². The amalgamated list had to contain the information which was included in the local non-domestic rating lists compiled on 1 April 1995 for the old billing authorities³ (referred to then as the 'current lists') so far as that information was relevant⁴. The amalgamated list was also to include the information which was included in any current list by way of an alteration, so far as that information was relevant⁵.

A new valuation officer's amalgamated list was to be treated⁶ as the local non-domestic rating list for his new billing authority and was deemed to have come into force on 1 April 1995⁷. Where an amalgamated list contained information which was derived from any alteration made to any list or lists from which it was derived, the amalgamated list was to be treated as having been varied on the date on which the alteration was made⁸.

Every valuation officer⁹ had to provide, on or before 15 October 1995, the appropriate new valuation officer¹⁰ with the information recorded in his local non-domestic rating list¹¹ as at 30 September 1995, so far as it was relevant¹². On 31 March 1996, every valuation officer had to provide the appropriate new valuation officer with the information recorded in his local non-domestic rating list as at that date, so far as it was relevant¹³.

As soon as was reasonably practicable after compiling an amalgamated list, a new valuation officer was required to send a copy of it to his new billing authority¹⁴.

1 For these purposes, 'new valuation officer' means a valuation officer for a new billing authority; and 'new billing authority' means a billing authority which is a new principal council: Local Government Finance Act 1988 s 41A(11) (s 41A added by the Local Government (Wales) Act 1994 s 37). 'New principal council' has the same meaning as in the Local Government (Wales) Act 1994 (see PARA 1 note 4 ante): Local Government Finance Act 1988 s 41A(11) (as so added). As to billing authorities generally see PARA 5 ante; and as to valuation officers generally see PARA 6 ante.

2 Ibid s 41A(1) (as added: see note 1 supra). The local rating list provisions contained in s 41(2)-(6B) (s 41(6A), (6B) as added) (see PARA 121 ante) do not apply in relation to an amalgamated list: s 41A(6) (as so added).

3 For these purposes, 'old billing authority' means a billing authority which is an old authority; and 'old authority' has the same meaning as in the Local Government (Wales) Act 1994 (see PARA 1 note 4 ante): Local Government Finance Act 1988 s 41A(11) (as added: see note 1 supra).

4 Ibid s 41A(2) (as added: see note 1 supra). Information is relevant in relation to a new valuation officer, or his area, if it relates to a hereditament which is in his area: s 41A(12)(d) (as so added). A new valuation officer's area is the area of the new billing authority for which he is appointed: s 41A(12)(b) (as so added).

5 Ibid s 41A(3) (as added: see note 1 supra).

6 Ie for the purposes of the Local Government Finance Act 1988 (see PARAS 7 et seq ante, 123 et seq post): see s 41A(4) (as added: see note 1 supra).

7 Ibid s 41A(4) (as added: see note 1 supra).

8 Ibid s 41A(5) (as added: see note 1 supra).

9 For these purposes, 'valuation officer' means a valuation officer for an old billing authority: ibid s 41A(11) (as added: see note 1 supra).

10 The appropriate new valuation officer, in relation to any information which relates to any hereditament, is the new valuation officer for the new billing authority in whose area the hereditament is situated: *ibid* s 41A(12)(c) (as added: see note 1 *supra*).

11 References to a valuation officer's local non-domestic rating list are references to the local non-domestic rating list maintained by him under the Local Government Finance Act 1988: s 41A(12)(a) (as added: see note 1 *supra*).

12 *Ibid* s 41A(7)(a) (as added: see note 1 *supra*). A new valuation officer receiving any information under s 41A(7)(a) (as added) must send a copy of it to his new billing authority as soon as is reasonably practicable: s 41A(8) (as so added).

13 *Ibid* s 41A(7)(b) (as added: see note 1 *supra*).

14 *Ibid* s 41A(9) (as added: see note 1 *supra*). A new billing authority receiving a copy of an amalgamated list under this provision must, as soon as is reasonably practicable, deposit it at its principal office: s 41A(10) (as so added).

123. Contents of local non-domestic rating lists.

A local non-domestic rating list¹ must show, for each day in each chargeable financial year² for which it is in force, each hereditament³, on the day concerned, which:

- 115 (1) is situated in the billing authority's area⁴;
- 116 (2) is a relevant non-domestic hereditament⁵;
- 117 (3) is not (nor any part of it) either domestic property⁶ or exempt from local non-domestic rating⁷; and
- 118 (4) is not a hereditament which must be shown for the day in a central non-domestic rating list⁸.

For each day on which a hereditament is shown in the local list⁹, it must also show whether it consists entirely of property which is not domestic¹⁰, or is a composite hereditament¹¹, and whether any part of the hereditament is exempt from local non-domestic rating¹². The list must show the rateable value of the hereditament¹³. The list must also contain such information about hereditaments shown in it as may be prescribed by the Secretary of State (or the Welsh Ministers, as the case may be)¹⁴ by regulations¹⁵; and this may include information about the total rateable values shown in the list¹⁶. Accordingly, in respect of each hereditament shown in a list, the list must contain: (a) a description of the hereditament¹⁷; (b) its address¹⁸; and (c) any reference number ascribed to it by the valuation officer¹⁹. A list must also show on any day in which it is in force the total of rateable values shown in the list²⁰. In respect of any alteration directed to be made by a tribunal²¹, the name of the tribunal must also be shown in the list²².

(iii) Rural Settlement Lists

124. Duty of English billing authorities to compile and maintain rural settlement list.

Each billing authority in England¹ must compile and maintain² a list (the 'rural settlement list')³. This list has effect for each chargeable financial year⁴ and identifies for each such year any settlements⁵ which: (1) are wholly or partly within the authority's area⁶; (2) appear to the authority to have had a population of not more than 3,000 on the last 31 December before the beginning of the chargeable financial year in question⁷; and (3) in that financial year are wholly or partly within an area designated by the Secretary of State⁸ by order⁹ as a rural area for these purposes¹⁰. A rural settlement list must identify the boundaries of each settlement¹¹, but if a settlement is not wholly within the area of a billing authority the list need not identify the boundaries outside the authority's area¹². The requirement to compile and maintain such a list does not apply to a billing authority in respect of any chargeable financial year for which there are no such settlements and, accordingly, if the authority has compiled a rural settlement list, it must cease to maintain that list¹³.

The billing authority must, throughout the period of three months preceding the beginning of the first chargeable financial year for which a rural settlement list is to have effect, make available for inspection a draft of the list in the form in which the authority proposes that it should have effect for that year¹⁴. In each chargeable financial year for which a rural settlement list has effect, the billing authority must¹⁵ review the list and consider whether or not, for the next chargeable financial year, any alterations are required to the list¹⁶. If, following the review, the authority considers that any such alterations are required for that year, it must, throughout the three months preceding the beginning of that year, make available for inspection a draft of the list in the form in which the authority proposes that it should have effect for that year¹⁷. A billing authority which has compiled a rural settlement list must make it available for inspection in the form in which the list has effect for each chargeable financial year to which it relates¹⁸.

124 Duty of English billing authorities to compile and maintain rural settlement list

NOTE 9--SI 1997/2792 further amended: SI 2009/3176.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(7) RATING LISTS/ (iv) Central Non-domestic Rating Lists/125. Compilation and maintenance of central non-domestic rating lists.

(iv) Central Non-domestic Rating Lists

125. Compilation and maintenance of central non-domestic rating lists.

The central valuation officer¹ must compile, and then maintain, lists (known as 'central non-domestic rating lists') in accordance with the non-domestic rating provisions². A list had to be compiled on 1 April 1990 initially, and must be compiled on 1 April falling every fifth year thereafter³. A list comes into force on the day on which it is compiled and remains in force until the next one is compiled five years later⁴. Before a list is compiled, the central valuation officer must take such steps as are reasonably practicable to ensure that it is accurately compiled on the 1 April concerned⁵. No later than 30 September preceding the day on which a list is to be compiled, the central valuation officer must send to the Secretary of State (or the Welsh Ministers, as the case may be)⁶ a copy of the list he (or they) propose (on the information then before him or them) to compile⁷. As soon as is reasonably practicable after receiving the copy the Secretary of State (or the Welsh Ministers, as the case may be) must deposit it at his (or their) principal office⁸. Similarly, as soon as is reasonably practicable after compiling a list, the central valuation officer must send a copy of it to the Secretary of State (or the Welsh Ministers, as the case may be)⁹ who must, as soon as is reasonably practicable after receiving the copy, deposit it at his (or their) principal office¹⁰. A list must be maintained for so long as is necessary for the purposes of the non-domestic rating provisions¹¹, so that the expiry of the five year period for which it is in force does not detract from the duty to maintain it¹².

126. Power to prescribe the contents of central non-domestic rating lists.

With a view to securing the central rating en bloc of certain hereditaments¹, the Secretary of State (or the Welsh Ministers, as the case may be)² may by regulations³ designate a person and prescribe⁴ in relation to him one or more descriptions of relevant non-domestic hereditament⁵. Where the regulations so require, a central non-domestic rating list must show, for each day in each chargeable financial year⁶ for which it is in force, the name of the designated person and, against it, each hereditament (wherever situated) which on the day concerned is occupied or (if unoccupied) owned by him, and falls within any description prescribed in relation to him⁷. For each such day, the list must also show against the name of the designated person the rateable value (as a whole) of the hereditaments so shown⁸. Where regulations are for the time being in force so prescribing a description of non-domestic hereditament in relation to the previously designated person⁹, amending regulations altering the designated person in relation to whom that description of hereditament is prescribed may have effect from a date earlier than that on which the amending regulations are made¹⁰. A central non-domestic rating list must also contain such information about hereditaments shown in it as may be prescribed by the Secretary of State (or the Welsh Ministers, as the case may be) by regulations¹¹.

2 As to the Secretary of State and the Welsh Ministers see PARA 3 ante.

3 As to the making of regulations under the Local Government Finance Act 1988 generally see PARA 3 ante; and see notes 5, 11 infra.

10 Ibid s 53(4) (s 53(4) substituted, and s 53(4A) added, by the Local Government and Housing Act 1989 Sch 5 paras 29(4), 79(3)). Where, by virtue of the Local Government Finance Act 1988 s 53(4) (as substituted), the designated person in relation to any description of non-domestic hereditament is changed from a date earlier than the making of the regulations: (1) any necessary alteration is to be made with effect from that date to a central non-domestic rating list on which any hereditament concerned is shown (s 53(4A)(a) (as so added)); and (2) an order making the provision referred to in s 56(1), Sch 6 para 3(2) (as amended; prospectively repealed) (see PARA 98 ante) and specifying a description of hereditament by reference to the previously designated person is to be treated, with effect from that date, as referring to the person designated by the amending regulations (s 53(4A)(b) (as so added)).

As from a day to be appointed under the Local Government Act 2003 s 128(6), the Local Government Finance Act 1988 s 53(4A)(b) (as added) (see head (2) *supra*) is repealed by the Local Government Act 2003 ss 69, 127(2), Sch 8 Pt 1. However, at the date at which this volume states the law, no such day had been appointed.

127. Contents of central non-domestic rating lists.

With a view to securing the central rating en bloc of certain hereditaments¹, various corporate bodies have been designated, and in relation to them a group of relevant non-domestic hereditaments prescribed, by regulations². The hereditaments³ so prescribed⁴ are:

- 119 (1) railway hereditaments⁵ (including, in relation to England only, light railway hereditaments)⁶;
- 120 (2) communication hereditaments⁷;
- 121 (3) national, regional and local gas transportation hereditaments⁸;
- 122 (4) gas meter hereditaments⁹;
- 123 (5) electricity transmission and distribution hereditaments¹⁰;
- 124 (6) electricity meter hereditaments¹¹;
- 125 (7) water supply hereditaments¹²;
- 126 (8) canal hereditaments¹³; and
- 127 (9) long-distance pipeline hereditaments¹⁴.

The regulations also designate a person in relation to each relevant hereditament¹⁵.

The central non-domestic rating list must show, for each day in each year for which it is in force, the name of each designated person¹⁶ and, against each name, each hereditament situated in England or Wales (as the case may be) which on the day concerned is occupied¹⁷ (or, if unoccupied, owned¹⁸) by that person, and which falls within the description prescribed in relation to that person¹⁹. The list must also show, against the name of each designated person, that person's business details²⁰, the rateable value (as a whole) of the hereditaments so shown²¹ and, if after 1 April 2005, the first day for which the rateable value shown in the list against the name of the designated person has effect²². Where the list has been altered in pursuance of a direction by a tribunal²³, the name of the tribunal must also be shown in the list²⁴.

A hereditament is to be treated as shown in a central non-domestic rating list for a day if on the day it falls within a class of hereditament shown for the day in the list; and for this purpose a hereditament falls within a class on a particular day if (and only if) it falls within the class immediately before the day ends²⁵.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(7) RATING LISTS/(v) Alteration of Rating Lists/A. IN GENERAL/128. Power to make regulations for the alteration of rating lists.

(v) Alteration of Rating Lists

A. IN GENERAL

128. Power to make regulations for the alteration of rating lists.

The Secretary of State (or the Welsh Ministers, as the case may be)¹ may make regulations² providing that, where a copy of a proposed local rating list has been sent to a billing authority³, or where a copy of a proposed central rating list has been sent to him (or to them, as the case may be)⁴, and the valuation officer⁵ alters the list before it comes into force⁶, the officer must inform the billing authority or the Secretary of State (or the Welsh Ministers) as the case may be⁷, who must then alter the deposited copy accordingly⁸.

The Secretary of State (or the Welsh Ministers, as the case may be) also has power to make regulations⁹ governing the alteration by valuation officers of lists which have been compiled, whether or not they are still in force¹⁰; and such regulations may include provision:

- 128 (1) that where a valuation officer intends to alter a list to ensure that it is accurately maintained, he must not alter it unless prescribed¹¹ conditions (as to notice or otherwise) are fulfilled¹²;
- 129 (2) as to who (other than a valuation officer) may make a proposal to alter a list with a view to its being accurately maintained¹³;
- 130 (3) as to the manner and circumstances in which a proposal may be made and the information to be included in it¹⁴;
- 131 (4) as to the period within which a proposal must be made¹⁵;
- 132 (5) as to the procedure for and subsequent making of a proposal¹⁶;
- 133 (6) as to the circumstances within which and the conditions upon which a proposal may be withdrawn¹⁷;
- 134 (7) requiring the valuation officer to inform other prescribed persons of the proposal in the prescribed manner¹⁸;
- 135 (8) that, where there is disagreement between a valuation officer and another person making a proposal for the alteration of a list, about the validity of the proposal or about the accuracy of the list, an appeal may be made to a valuation tribunal¹⁹;
- 136 (9) as to the period for which or day from which an alteration of a list is to have effect²⁰;
- 137 (10) requiring the list to be altered so as to indicate the effect (retrospective or otherwise) of the alteration²¹;
- 138 (11) requiring the valuation officer to inform prescribed persons of an alteration within a prescribed period²²;
- 139 (12) requiring the valuation officer to keep for a prescribed period a record of the state of the list before the alteration was made²³;
- 140 (13) as to financial adjustments to be made as a result of alterations, including provision requiring payments or repayments to be made, with or without interest²⁴, and provision as to the recovery (by deduction or otherwise) of sums due²⁵.

The regulations also may include provision that where a valuation officer for a billing authority has informed the authority of an alteration of a list a copy of which has been deposited by the

authority²⁶, the authority must alter the copy accordingly²⁷. Where the central valuation officer has informed the Secretary of State (or the Welsh Ministers, as the case may be) of an alteration of a list a copy of which has been deposited²⁸, regulations may include provision that the Secretary of State (or the Welsh Ministers, as the case may be) must alter the copy accordingly²⁹.

NOTE 24--SI 1990/1904 further amended: SI 2009/1307.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(7) RATING LISTS/(v) Alteration of Rating Lists/A. IN GENERAL/129. Notification of alteration.

129. Notification of alteration.

Within four weeks of altering a local non-domestic rating list, the valuation officer¹ must serve a written notice² on the relevant authority³ stating the effect of the alteration⁴. The relevant authority must as soon as reasonably practicable alter the copy of the list deposited⁵ by it at its principal office⁶. No later than the day on which the relevant authority is so notified, the valuation officer must serve written notice on the ratepayer⁷ and on any current proposer⁸ stating: (1) the effect of the alteration⁹; and (2) the effect of the application of the provisions which deal with the alteration of local rating lists¹⁰, and with appeals¹¹, in relation to the alteration¹². However, such notices do not have to be sent where the alteration is solely for the purpose of correcting a clerical error, or for reflecting either a change in the address of the hereditament concerned, or a change in the area of the relevant authority¹³. The valuation officer must take such steps as are reasonably practicable to secure that any notice so served by him on the ratepayer and any current proposer is served not later than the corresponding notice served by him on the relevant authority¹⁴.

1 For these purposes, 'valuation officer', in relation to a list, means the valuation officer for the authority for which the list is compiled and maintained, where 'list' means a local non-domestic rating list compiled on or after 1 April 2005: Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 3; Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 3. As to valuation officers generally see PARA 6 ante; and as to local rating lists see PARA 121 et seq ante.

2 For these purposes, any reference to a notice includes a reference to a proposal and any other document required to be served; and any reference to such requirement or authorisation is to a requirement or authorisation under the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659 (as amended) or the Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758 (as amended), as the case may be: Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 40(5); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 40(5). Any notice to be served may be served:

- 44 (1) by delivering it either to the person on whom it is to be served or to any other person authorised by them to act as their agent for the purpose (Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 40(1)(a); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 40(1)(a));
- 45 (2) by sending it to that person or that agent by electronic communication, with any notice sent by such means being regarded as sent when it is received in a legible form (Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 40(1)(b), (5); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 40(1)(b), (5));
- 46 (3) by leaving it at or forwarding it by post to the usual or last-known place of business of that person, or, in the case of a company, its registered office or the usual or last-known place of business or registered office of any other person authorised by them to act as their agent for the purpose as mentioned in head (1) supra (Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 40(1)(c); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 40(1)(c));
- 47 (4) by delivering it to some person on the premises to which it relates or, if there is no person on the premises to whom it can so be delivered, by fixing it to some conspicuous part of the premises (Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 40(1)(d); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 40(1)(d));

- 48 (5) without prejudice to heads (1) to (4) supra, where a hereditament to which the notice relates is a place of business of the person on whom it is to be served, by leaving it at, or forwarding it by post addressed to that person at, that place of business (Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 40(1)(e); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 40(1)(e)).

For the meaning of 'hereditament' see PARA 33 et seq ante. 'Electronic communication' has the meaning given in the Electronic Communications Act 2000 s 15(1) (as amended) (see TELECOMMUNICATIONS AND BROADCASTING vol 45(1) (2005 Reissue) PARA 616): Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 40(5); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 40(5). As to the registered office of a company see COMPANIES vol 14 (2009) PARA 129. Service by post is deemed to be effected by properly addressing, prepaying and posting a letter containing the notice, and unless the contrary is proved (see *Moody v Godstone RDC* [1966] 2 All ER 696, [1966] 1 WLR 1085) is deemed to have been effected at the time at which the letter would normally be delivered: see the Interpretation Act 1978 s 7. See also *R v St Pancras Assessment Committee, ex p Shoolbred's Depositories Ltd* (1937) 26 R & IT 116; *Carpenter v Twickenham Corp*n (1948) 46 LGR 380, 41 R & IT 258. 'Post' includes registered post: *TO Supplies (London) Ltd v Jerry Creighton Ltd* [1952] 1 KB 42, [1951] 2 All ER 992.

Heads (1) to (5) supra are without prejudice to the Local Government Act 1972 s 233 (as amended) (service of notices to local authorities) (see LOCAL GOVERNMENT vol 69 (2009) PARA 576): Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 40(1); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 40(1). Furthermore, where any notice which is to be served on a person falls to be served by or on behalf of the Common Council or by an officer of the Common Council, it may be given or served in any manner in which it might be given or served under the Local Government Act 1972 s 233 (as amended) if the Common Council were a local authority within the meaning of that provision: Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 40(2); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 40(2). As to the Common Council of the City of London see LONDON GOVERNMENT vol 29(2) (Reissue) PARA 51 et seq. As to service on owners or occupiers of premises see note 7 infra. As to service on valuations officers see PARA 132 note 4 post.

3 'Relevant authority', in relation to a hereditament, means the authority in whose area the hereditament is situated, where 'authority' means a billing authority: Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 2(1); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 2(1). As to billing authorities see PARA 5 ante.

4 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 17(1); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 17(1). For these purposes, 'alteration' means alteration of a list in relation to a particular hereditament; and 'alter' is to be construed accordingly: Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 3; Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 3.

8 'Proposal' means a proposal for the alteration of a local or central non-domestic rating list; and 'proposer' means the person making a proposal: Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 2(1); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 2(1). As to the circumstances in which proposals may be made, and as to other related matters, see PARA 130 et seq post. For these purposes, the proposer is any proposer for whom an appeal in relation to the hereditament has been referred to the relevant valuation tribunal under the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 13(1) (see PARA 138 post) or the Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758,

reg 13(1) (see PARA 138 post), as the case may be, and whose appeal has either not been determined by that tribunal, or has been so determined and either an appeal has been made to the Lands Tribunal (and that appeal has not been determined) or the time for making an appeal to the Lands Tribunal has not yet expired (see PARA 165 post): see the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 17(5); and the Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 17(5). 'Valuation tribunal' means the members of a valuation tribunal convened in accordance with the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, Pt 5 (regs 21-39) (as amended) or the Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, Pt 5 (regs 21-39) (as amended), as the case may be (see PARA 151 et seq post), for the purpose of disposing of an appeal under the regulations which apply in each case; and the 'relevant valuation tribunal', in relation to a proposal or appeal, means the valuation tribunal established by regulations under the Local Government Finance Act 1988 s 136, Sch 11 (Sch 11 as amended) (see PARA 147 et seq post) for the area in which is situated the hereditament to which the proposal or appeal, as the case may be, relates: see the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 2(1); and the Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 2(1). As to the Lands Tribunal generally see COMPULSORY ACQUISITION OF LAND vol 18 (2009) PARA 720 et seq.

9 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 17(2)(a); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 17(2)(a).

10 In the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, Pt 2 (regs 3-17) (as amended) and the Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, Pt 2 (regs 3-17), as the case may be (see PARA 130 et seq post): see the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 17(2)(b); and the Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 17(2)(b).

11 In the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, Pt 5 and the Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, Pt 5, as the case may be (see PARA 151 et seq post): see the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 17(2)(b); and the Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 17(2)(b).

12 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 17(2)(b); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 17(2)(b). However, head (2) in the text does not apply in relation to an alteration effected for reflecting a decision of the valuation officer that a proposal is well founded, or a decision (in relation to the hereditament which is the subject of the proposal) of a valuation tribunal or the Lands Tribunal or of a court determining an appeal or an application for review from either such tribunal, or an agreement made following a proposal (see PARA 137 post): Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 17(4); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 17(4).

B. ALTERATION OF LOCAL NON-DOMESTIC RATING LISTS

130. Proposals to alter local non-domestic rating lists.

An interested person¹ may make a proposal² to alter a list³ where he has reason to believe that any of the following grounds exists⁴. The grounds for making a proposal to alter a list are:

- 141 (1) the rateable value shown in the list for a hereditament was inaccurate on the day the list was compiled⁵;
- 142 (2) the rateable value shown in the list for a hereditament is inaccurate by reason of a material change of circumstances⁶ which occurred on or after the day the list was compiled⁷;
- 143 (3) the rateable value shown in the list for a hereditament is inaccurate by reason of an amendment to the classes of plant and machinery prescribed for the purpose of rating such hereditaments⁸, which comes into force on or after the day on which the list was compiled⁹;
- 144 (4) the rateable value shown in the list for a hereditament is or has been inaccurate by reason of an alteration made by the valuation officer¹⁰;
- 145 (5) the rateable value or any other information shown in the list for a hereditament is shown to be or to have been inaccurate by reason of a decision of a valuation tribunal, the Lands Tribunal, or a court determining an appeal or application for review from either such tribunal in relation to another hereditament¹¹;
- 146 (6) the day from which an alteration is shown in the list as having effect is wrong¹²;
- 147 (7) a hereditament not shown in the list ought to be shown in that list¹³;
- 148 (8) a hereditament shown in the list ought not to be shown in that list¹⁴;
- 149 (9) the list should show that some part of a hereditament which is shown in the list is domestic property, or is exempt from non-domestic rating, but does not do so¹⁵;
- 150 (10) the list should not show that some part of a hereditament which is shown in the list is domestic property, or is exempt from non-domestic rating, but does so¹⁶;
- 151 (11) property which is shown in the list as more than one hereditament ought to be shown as one or more different hereditaments¹⁷;
- 152 (12) property which is shown in the list as one hereditament ought to be shown as more than one hereditament¹⁸;
- 153 (13) the address shown in the list for a hereditament is wrong¹⁹;
- 154 (14) the description shown in the list for a hereditament is wrong²⁰; and
- 155 (15) any statement required to be made about a hereditament²¹ is omitted from the list²².

A relevant authority²³ may make a proposal where it has reason to believe that any of the grounds set out in heads (2), (5), and (7) to (10) above exist²⁴. A person who is not an interested person may make a proposal where he has reason to believe that one of the grounds set out in heads (3), (4) or (6) above exists, if he was an interested person at any time during which the alteration (or amendment) in question had effect²⁵.

In any case, no proposal may be made by reference to more than one ground unless, for each of the grounds relied upon, the material day²⁶ and the effective date²⁷ are the same²⁸.

1 For these purposes, 'interested person' means: (1) in relation to a hereditament which forms part of the Crown Estate and is held by the Crown Estate Commissioners under their management within the meaning of the Crown Estate Act 1961 s 1 (see CROWN PROPERTY vol 12(1) (Reissue) PARA 278), the Crown Estate Commissioners; (2) in relation to any other hereditament: (a) the occupier; (b) any other person (other than a mortgagee not in possession) having in any part of the hereditament either a legal estate or an equitable interest such as would entitle him (after the cessation of any prior interest) to possession of the hereditament or any part of it; and (c) any person having a qualifying connection with any person described in head (a) or head (b) supra: Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 2(1); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 2(1). For the meaning of 'hereditament' see PARA 33 et seq ante. As to occupation see PARA 12 et seq ante. As to the Crown Estate Commissioners see CROWN PROPERTY vol 12(1) (Reissue) PARA 280 et seq. A person is to be treated as having a qualifying connection with another where both persons are companies and one is a subsidiary of the other (or where both are subsidiaries of the same company): Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 2(2)(a); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 2(2)(a). A person is also to be treated as having a qualifying connection with another, where only one person is a company, where the other person has such an interest in that company as would, if he were a company, result in its being the holding company of the other: Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 2(2)(b); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 2(2)(b). For the meanings of 'subsidiary', 'company' and 'holding company' see the Companies Act 1985 ss 736, 736A (prospectively repealed) (see COMPANIES vol 14 (2009) PARA 25); definitions applied by the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 2(1); and the Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 2(1).

2 For the meaning of 'proposal' for these purposes see PARA 129 note 8 ante. As to the form and contents of proposals see PARA 132 post. Cases decided under earlier legislation relating to the need to specify particulars of the proposal may still be of some relevance as there may be some issue as to the degree of precision required: see eg *British American Typewriters v Hill (Valuation Officer)* [1962] RA 298, 9 RRC 353, Lands Tribunal; *Firkins v Dyer (Valuation Officer)* (1972) 17 RRC 363, Lands Tribunal. Cf *Evans v Lands (Valuation Officer)* [1973] RA 377, Lands Tribunal; *R v Assessment Committee for Thanet and District Assessment Area and County Valuation Committee for Kent, ex p Isle of Thanet Gas Light and Coke Co* [1939] 2 KB 640, [1939] 2 All ER 489 (a claim that the existing assessment was 'incorrect and unfair' did not amount to a proposal); *R v Heston and Isleworth Rating Authority, ex p Conti* [1941] 2 KB 146, [1941] 2 All ER 116; *Robinson Bros (Brewers) Ltd v Durham Assessment Committee* [1938] AC 321, [1938] 2 All ER 79, HL; *Motion, ex p St Albans Rubber Co* (1942) 36 R & IT 16; *R v Reading Assessment Committee, ex p McCarthy E Fitt Ltd* [1948] 1 All ER 194; *R v Surrey (Mid Eastern Area) Assessment Committee, ex p Merton and Morden UDC* [1948] 1 All ER 856; *R v Winchester Area Assessment Committee, ex p Wright* [1948] 2 KB 455, [1948] 2 All ER 552, CA; cf *Mayes v Millwood (Valuation Officer)* (1966) 12 RRC 244, Lands Tribunal; *Behrman v Seymour (Valuation Officer)* (1972) 17 RRC 333, Lands Tribunal; *Guest (Valuation Officer) v Boughton* [1981] RA 97; *Melland & Coward Ltd v Hare (Valuation Officer)* [1991] RA 283.

Most of the cases cited in this paragraph were decided prior to the coming into force of the Local Government Finance Act 1988 and, therefore, must now be considered in relation to the non-domestic rating provisions in Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 131 et seq post). As to the historical development of rating law and the continuing relevance of the old case law to the current statutory regime see PARA 2 ante.

3 Is a local non-domestic rating list compiled on or after 1 April 2005: see the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 3; and the Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 3. For the meaning of 'alter' for these purposes see PARA 129 note 4 ante. As to local rating lists see PARA 121 et seq ante.

4 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 4(2)(a); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 4(2)(a).

However, no proposal may be made by an interested person where that person (or a person having a qualifying connection with that person) has made a proposal to alter the same list in relation to the same hereditament on the same ground and arising from the same event: Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 4(3)(b)(i); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 4(3)(b)(i). For these purposes, 'event' means the compilation of the list (see PARA 121 ante), a material change of circumstances (as to which see note 6 infra) or an alteration of the list by the valuation officer: Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 4(4)(b); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 4(4)(b). For the meaning of 'valuation officer' for these purposes see PARA 129 note 1 ante. In relation to England only, it is specified that this provision refers to a person (or a person having a qualifying

connection with that person) acting in the same capacity: see the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 4(3)(b)(i) (amended by SI 2006/2312). Nor may a proposal be made by an interested person where a proposal to alter the list in relation to the same hereditament and arising from the same facts has been made by another person (excluding a person having a qualifying connection with the interested person) and has been considered and determined by a valuation tribunal (otherwise than where the appeal has been dismissed on grounds of non-appearance (see PARA 157 post)) or, on appeal (see PARA 167 post), by the Lands Tribunal: Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 4(3)(b)(ii); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 4(3)(b)(iii). It may be that such a decision only prevents a further proposal being made during the life of that list (ie one five year period): see *Society of Medical Officers of Health v Hope (Valuation Officer)* [1960] AC 551, [1960] 1 All ER 317, HL; *Central Council for Health Education v Hope* (1958) 3 RRC 314; *Gudgeon (Valuation Officer) v Erith Borough Council and LCC* (1960) 7 RRC 9 (affd (1961) 8 RRC 324); *English Clays Lovering Pochin & Co Ltd v Davis (Valuation Officer)* (1966) 12 RRC 307 at 312, 319, Lands Tribunal.

5 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 4(1)(a); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 4(1)(a). As to the rateable value see PARA 86 et seq ante.

6 'Material change of circumstances' in relation to a hereditament means a change of any matters mentioned in the Local Government Finance Act 1988 s 56(1), Sch 6 para 2(7) (as amended) (see PARA 94 ante): Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 3; Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 3.

7 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 4(1)(b); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 4(1)(b).

The Lands Tribunal has no power to order an effective date for the alteration of a list earlier than the date of the material change of circumstances stated in the proposal: see *Courtney plc v Murphy (Valuation Officer)* [1998] RA 77, Lands Tribunal; and see PARA 159 post.

8 In the classes set out, in relation to England, in the Valuation for Rating (Plant and Machinery) (England) Regulations 2000, SI 2000/540, reg 2, Schedule (Schedule amended by SI 2001/846) and, in relation to Wales, in the Valuation for Rating (Plant and Machinery) (Wales) Regulations 2000, SI 2000/1097, reg 2, Schedule (see PARA 103 ante): see the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 4(1)(c); and the Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 4(1)(c).

9 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 4(1)(c); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 4(1)(c).

10 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 4(1)(d); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 4(1)(d). No proposal may be made on the grounds set out in head (4) in the text to the extent that the alteration in question gives effect to the decision of a valuation tribunal, the Lands Tribunal or a court determining an appeal or an application for a review from either such tribunal in relation to the hereditament concerned: Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 4(3)(c); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 4(3)(c). For the meaning of 'valuation tribunal' for these purposes see PARA 129 note 8 ante. As to the Lands Tribunal generally see COMPULSORY ACQUISITION OF LAND vol 18 (2009) PARA 720 et seq.

11 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 4(1)(e); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 4(1)(e). There must be some causal link between the decision of the tribunal and the opinion of the ratepayer that the existing entry is incorrect. Where reference was made to a decision solely because in that case the valuation was found to be excessive and incorrect, the ratepayer had not based the opinion on any causal link between the proposal and the preceding decision: *Canning (Valuation Officer) v Corby Power Ltd* [1997] RA 60, Lands Tribunal.

12 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 4(1)(f); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 4(1)(f).

13 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 4(1)(g); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 4(1)(g).

14 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 4(1)(h); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 4(1)(h).

15 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 4(1)(i); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 4(1)(i). For the meaning of 'domestic property' in relation to non-domestic rating see PARA 120 ante. As to the exemptions from non-domestic rating see PARA 37 et seq ante.

16 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 4(1)(j); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 4(1)(j).

17 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 4(1)(k); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 4(1)(k).

18 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 4(1)(l); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 4(1)(l).

19 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 4(1)(m); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 4(1)(m).

20 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 4(1)(n); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 4(1)(n).

21 le under the Local Government Finance Act 1988 s 42 (as amended) (see PARA 123 ante): see the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 4(1)(o); and the Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 4(1)(o).

22 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 4(1)(o); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 4(1)(o).

23 For the meaning of 'relevant authority' see PARA 129 note 3 ante.

24 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 4(2)(b); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 4(2)(b).

25 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 4(2)(c); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 4(2)(c).

26 For these purposes, 'material day' in relation to a hereditament, is the day determined by the rules in regulations under the Local Government Finance Act 1988 Sch 6 para 2(6A) (as added and substituted) (see PARA 94 ante): Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 4(4)(c); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 4(4)(c).

27 For these purposes, 'effective date' means the day from which the alteration, if made, would have effect in pursuance of the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, Pt 2 (as amended) or the Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, Pt 2, as the case may be (see PARA 131 et seq post): Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 4(4)(a); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 4(4)(a).

28 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 4(3)(a); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 4(3)(a).

131. Time for making proposals.

A proposal¹ to alter² a list³ may be made at any time before the day on which the next list is compiled⁴. However, a proposal made on the ground that: (1) the rateable value is inaccurate following an alteration made by the valuation officer⁵; or (2) the day from which an alteration is shown in the list as having effect is wrong⁶, may only be made before the day on which the next list is compiled or within six months of the date of the alteration, whichever is the later⁷. A proposal made on the ground that the rateable value or any other information shown in the list for a hereditament⁸ is shown to be or to have been inaccurate by reason of a decision of a valuation tribunal, the Lands Tribunal, or a court determining an appeal or application for review from either such tribunal in relation to another hereditament⁹, may only be made, in relation to England¹⁰, no later than six months after the day on which the next list is compiled¹¹ and, in relation to Wales¹², within six months of the day on which the next list is compiled¹³.

UPDATE

128-142 Power to make regulations for the alteration of rating lists ... Information from billing authorities

Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, replaced: Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2009, SI 2009/2268; Valuation Tribunal for England (Council Tax and Rating Appeals) (Procedure) Regulations 2009, SI 2009/2269.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(7) RATING LISTS/(v) Alteration of Rating Lists/B. ALTERATION OF LOCAL NON-DOMESTIC RATING LISTS/132. Form and contents of proposals.

132. Form and contents of proposals.

A proposal¹ to alter² a list³ must be made by notice in writing served on the valuation officer⁴, and must state the name and address of the proposer⁵ and his relationship in respect of the property⁶.

Such a proposal must also identify the property to which it relates⁷ and the respects in which the list is proposed to be altered⁸, including a statement of the grounds for making the proposal and, in certain cases, a statement of the reasons for believing that those grounds exist⁹. Where the proposal is made because the rateable value shown in the list for a hereditament is inaccurate by reason of a material change of circumstances which occurred on or after the date of the list's compilation¹⁰, the proposal must include a statement of the nature of the change in question and the date on which the proposer believes the change occurred¹¹. If the proposal is made because an alteration made by the valuation officer is inaccurate¹², or because the day from which an alteration is shown as having effect is wrong¹³, it must include a statement identifying the alteration in question, whether by reference to the day on which the alteration was made or otherwise¹⁴. Where a proposal is made because a decision of a court or tribunal in relation to another hereditament shows the entry in the list for the proposer's hereditament to be inaccurate¹⁵, it must include the following information¹⁶:

- 156 (1) the identity of the hereditament to which the decision in question relates¹⁷;
- 157 (2) the name of the tribunal or court which made the decision¹⁸;
- 158 (3) the date of the decision¹⁹;
- 159 (4) the reasons for believing that the decision is relevant to the rateable value or other information to which the proposal relates²⁰; and
- 160 (5) the reasons for believing, in the light of the decision, that the rateable value or other information to which the proposal relates is inaccurate²¹.

Where a proposal is made on one or more of specified grounds²² in respect of a hereditament occupied under a lease, easement or licence to occupy²³, it must include the amount payable each year, as at the date of the proposal, in respect of the lease, easement or licence to occupy²⁴.

A proposal may deal with more than one hereditament only: (a) where it is made on the ground that the property is shown in the list as more than one hereditament but ought to be one or more different hereditaments²⁵, or on the ground that the property is shown as one hereditament but should be more than one hereditament²⁶; or (b) where the person making the proposal does so in the same capacity as respects each hereditament and each hereditament is within the same building or curtilage²⁷.

1 For the meaning of 'proposal' for these purposes see PARA 129 note 8 ante. As to the circumstances in which proposals may be made see PARA 130 ante.

2 For the meaning of 'alter' for these purposes see PARA 129 note 4 ante.

3 I.e. a local non-domestic rating list compiled on or after 1 April 2005: see the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 3; and the Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 3. As to local rating lists see PARA 121 et seq ante.

4 Any notice to be served on a valuation officer may be served by addressing the notice to the valuation officer for the area in question, without further description, and by delivering it or sending it to the valuation officer's office by post or electronic communication: Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 40(4); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 40(4). For the meaning of 'electronic communication' see PARA 129 note 2 ante; and for the meaning of 'valuation officer' see PARA 129 note 1 ante. As to valuation officers generally see PARA 6 ante. As to the service of notices generally see PARA 129 notes 2, 7 ante.

5 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 6(1)(a); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 6(1)(a). For the meaning of 'proposer' see PARA 129 note 8 ante.

6 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 6(1)(b); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 6(1)(b). For these purposes, the proposal must state whether the proposer is, in respect of the property, the interested person, the relevant authority, or a person who is not an interested party but is described in the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 4(2)(c) or the Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 4(2)(c), as the case may be (see PARA 130 ante): see the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 6(1)(b); and the Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 6(1)(b). In relation to England only, it is specified that where the proposer is the interested person, the proposal must state additionally the capacity in which he makes the proposal: see the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 6(1)(b) (amended by SI 2006/2312). For the meaning of 'relevant authority' see PARA 129 note 3 ante; and for the meaning of 'interested person' see PARA 130 note 1 ante.

As to cases decided under earlier legislation which related to the need to specify particulars of the proposal and which may still be of some relevance as to the degree of precision required see PARA 130 note 2 ante.

7 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 6(1)(c); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 6(1)(c).

An adequate identification may be sufficient: see *Excel Logistics Ltd v Oliver (Valuation Officer)* [1995] RA 336 (proposal was construed using common sense and assuming knowledge of the locality and the valuation list); *Mersey Master Mariners' Club v West Derby Assessment Committee* (1951) 44 R & IT 358. Identification of a hereditament which no longer exists will be invalid: *R v Northamptonshire Local Valuation Court, ex p Anglian Water Authority* [1990] RA 93, CA. See also *Westminster City Council v Woodbury (Valuation Officer) and the Yard Arm Club Ltd* [1992] RA 1, CA; *Floatels (UK) Ltd v Perrin (Valuation Officer)* [1995] RA 326, where it was held that a proposal to alter a list was invalid as it related not to land but to chattels which are unrateable. For the meaning of 'hereditament' see PARA 33 et seq ante.

Where cases cited in this paragraph were decided prior to the coming into force of the Local Government Finance Act 1988, they must now be considered in relation to the non-domestic rating provisions in Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 133 et seq post). As to the historical development of rating law and the continuing relevance of the old case law to the current statutory regime see PARA 2 ante.

133. Proceedings after the making of a proposal.

Within the period of four weeks beginning with the day on which he receives a proposal¹, the valuation officer² must acknowledge its receipt by notice in writing served on the proposer³. The notice of acknowledgement must specify the date of receipt of the proposal and must be accompanied by a statement of the effect of the regulations⁴ which govern subsequent procedures available to both the valuation officer and the proposer in respect of a valid proposal⁵.

For the meaning of 'proposer' see PARA 129 note 8 ante. Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, replaced: Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2009, SI 2009/2268; Valuation Tribunal for England (Council Tax and Rating Appeals) (Procedure) Regulations 2009, SI 2009/2269.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(7) RATING LISTS/(v) Alteration of Rating Lists/B. ALTERATION OF LOCAL NON-DOMESTIC RATING LISTS/134. Invalid proposals.

134. Invalid proposals.

Where the valuation officer¹ is of the opinion that a proposal² has not been validly made³, he may serve notice (an 'invalidity notice') on the proposer⁴ that he is of that opinion⁵. The valuation officer must state the reasons for that opinion⁶ and notify the proposer that within four weeks of service upon him of the invalidity notice he may make a further proposal⁷, or may appeal against the notice to the relevant valuation tribunal⁸.

The valuation officer may withdraw an invalidity notice at any time by serving notice in writing on the proposer; and on such withdrawal any appeal against the invalidity notice must be treated as having been withdrawn⁹. Unless an invalidity notice has been withdrawn in this way, the proposer may, within four weeks of its service on him¹⁰: (1) make a further proposal in relation to the same property, notwithstanding the previous expiry of any period applicable to making a proposal¹¹; or (2) appeal against the notice to the relevant valuation tribunal¹². However, no proposal may be made under head (1) above where the proposal to which the invalidity notice relates was made either under head (1) above itself¹³ or after the expiry of any period applicable to making a proposal¹⁴. Where a proposal is made under head (1) above, the proposal in respect of which the invalidity notice was served must be treated as withdrawn¹⁵.

An appeal against an invalidity notice must be initiated by serving a notice of disagreement upon the valuation officer¹⁶ and, unless the valuation officer withdraws the invalidity notice within four weeks of the service of the disagreement notice¹⁷, the valuation officer must inform the clerk of the relevant valuation tribunal, on the expiry of that period¹⁸: (a) of the entry in the list (if any) which it is proposed to alter¹⁹; (b) of the grounds on which the proposal was made²⁰; and (c) of the reasons for the valuation officer's opinion that the proposal has not been validly made²¹. Where such information has been supplied and the invalidity notice is withdrawn, the valuation officer must inform the clerk of the valuation tribunal of the withdrawal as soon as is practicable²². Until it is finally decided²³ that the proposal to which the invalidity notice relates was validly made, no further steps for processing the proposal can be taken²⁴. However, where it is finally decided as so mentioned, those procedures have effect as if the proposal had been served on the valuation officer on the date of that final decision²⁵.

Parties to an appeal against a proposal²⁶ are not prevented by anything done under the provisions which govern invalid proposals²⁷ from contending for the purposes of that appeal that the proposal to which the appeal relates was not validly made²⁸.

1 For the meaning of 'valuation officer' see PARA 129 note 1 ante. As to valuation officers generally see PARA 6 ante.

2 For the meaning of 'proposal' for these purposes see PARA 129 note 8 ante.

3 For examples of invalidity see: *Canning (Valuation Officer) v Corby Power Ltd* [1997] RA 60 (no causal link between valuation decision and opinion of the ratepayer); *Green (Valuation Officer) v Barnet London Borough Council* [1994] RA 235, Lands Tribunal (a proposal is not invalid because it proposes to enter in the list as a separate hereditament property which is not contiguous with a larger hereditament owned by the same ratepayer). See also *Edwards (Valuation Officer) v BP Refining* [1974] RA 1. Cf the conflicting decisions in *Eagle Construction Ltd v Casey (Valuation Officer)* and *Croydon Borough Council* [1981] RA 347; *Aluwihare (Valuation Officer) v MFI Properties Ltd* [1988] 1 EGLR 219, [1987] RA 189. For earlier examples see *Steel Barrel Co Ltd v Priest (Valuation Officer)* (1951) 44 R & IT 492, Lands Tribunal (additional words in the proposal served on the ratepayer did not render it invalid provided the ratepayer not thereby prejudiced); *Rochdale Canal Co v Walton (Valuation Officer)* (1954) 47 R & IT 473, Lands Tribunal (two proposals made simultaneously in respect of the same hereditament could be treated as one, and could supply each other's defects).

Most of the cases cited in this paragraph were decided prior to the coming into force of the Local Government Finance Act 1988 and, therefore, must now be considered in relation to the non-domestic rating provisions in Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 135 et seq post). As to the historical development of rating law and the continuing relevance of the old case law to the current statutory regime see PARA 2 ante.

4 In relation to England, the valuation officer may serve such notice at any time after the service of a proposal on him: see the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 8(1) (as substituted: see note 5 infra). However, he may not serve an invalidity notice more than four weeks after the proposal to which it relates was served on him other than with the consent of the proposer, given by notice in writing: reg 8(1B) (reg 8(1A)-(1C) added by SI 2006/2312). In relation to Wales, the valuation officer may serve an invalidity notice only within four weeks of the service of a proposal on him: see the Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 8(1). For the meanings of 'England' and 'Wales' see PARA 1 note 2 ante. For the meaning of 'proposer' see PARA 129 note 8 ante. As to the service of notices generally see PARA 129 notes 2, 7 ante; and as to the service of notices on valuation officers specifically see PARA 132 note 4 ante.

5 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 8(1) (substituted by SI 2006/2312); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 8(1).

The Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 8(1) (as substituted) is subject to reg 8(1A) (as added), reg 8(1B) (as added) (see note 4 supra) and reg 8(1C) (as added): see reg 8(1) (as substituted). Accordingly, in relation to England, the valuation officer may not issue an invalidity notice after any notice has been given under reg 25(2) (see PARA 154 post) that all parties have given their agreement that an appeal may be disposed of on the basis of written representations, after any notice has been given under reg 27(1) (see PARA 156 post) of the date, time and place appointed for the hearing by the valuation tribunal of an appeal arising from the proposal, or after any agreement has been reached under reg 38(1) (see PARA 164 post): reg 8(1A) (as added: see note 4 supra). Where an invalidity notice is served more than four weeks after the proposal to which it relates was served on the valuation officer, but before a disagreement as to the proposed alteration has been referred to the relevant valuation tribunal under reg 13 (see PARA 138 post), then:

- 51 (1) the invalidity notice must state the effect of reg 8(9A) (as added) (see note 24 infra) (reg 8(1C)(a)(i) (as added: see note 4 supra)); and
- 52 (2) the valuation officer must serve a copy of the invalidity notice on any person who has been served a copy of the proposal to which it relates under reg 9 (see PARA 135 post) and on any interested person who has served notice under reg 11(3)(a) (see PARA 136 post) (reg 8(1C)(a)(ii) (as so added)).

Where an invalidity notice is served and a disagreement as to the proposed alteration has been referred to the relevant valuation tribunal under reg 13, then:

- 53 (a) the invalidity notice must state the effect of reg 23(2) (see PARA 151 post) (reg 8(1C)(b)(i) (as so added));
- 54 (b) the valuation officer must serve a copy of the invalidity notice on any person who has been served a copy of the proposal to which it relates under reg 9 and on any interested person who has served notice under reg 11(3)(a) (reg 8(1C)(b)(ii) (as so added)); and
- 55 (c) the valuation officer must inform the clerk of the relevant valuation tribunal that the invalidity notice has been served and of any withdrawal of that notice under reg 8(2) (see the text and note 9 infra) (reg 8(1C)(b)(iii) (as so added)).

For the meanings of 'relevant valuation tribunal' and 'valuation tribunal' see PARA 129 note 8 ante.

135. Procedure after a proposal is made.

Within the period of six weeks, beginning on the day on which a proposal¹ is served on him, the valuation officer² must serve a copy of the proposal on any ratepayer³ (not being the proposer⁴) in relation to the hereditament⁵ to which the proposal relates⁶; and he must also serve a copy on the relevant authority⁷ (not being the proposer) where that authority is a special authority⁸ or where that authority has served a notice on the valuation officer that it wishes to receive a copy of a class or classes of proposal, and the proposal falls within any such class⁹. Each copy of a proposal served on a ratepayer (not being the proposer) must be accompanied by a statement of the effect and procedure following service of a proposal¹⁰.

Where the valuation officer is of the opinion that a proposal is well founded, he must alter the list¹¹ accordingly, as soon as is reasonably practicable¹².

136. Withdrawal of proposals.

The proposer¹ may withdraw a proposal² by serving a notice³ in writing on the valuation officer⁴. However, where the proposer was a ratepayer⁵ in respect of the hereditament⁶ at the date of the proposal but has since ceased to be so, the proposal may not be withdrawn unless the current ratepayer has agreed in writing⁷.

Where, within the period of six weeks beginning on the day on which a withdrawal notice is served on him in this way, an interested person serves notice in writing on the valuation officer that he is aggrieved by the withdrawal of the proposal¹²: (1) the notice must, if that person would at the date of the proposal himself have been competent to make that proposal, be treated¹³ as if it had been a proposal in the same terms made on the day on which the notice was served¹⁴; and (2) any resulting alteration¹⁵ has effect from the day which would have been applicable had there been no withdrawal¹⁶.

- 172 (4) an alteration made to correct an inaccuracy (other than one which has arisen by reason of an error or default on the part of a ratepayer⁸), either in the list on the day it was compiled⁹ or which arose in the course of making a previous alteration in connection with the matters mentioned in heads (1) to (3) above¹⁰, which increases the rateable value shown in the list for the hereditament to which the inaccuracy relates¹¹, has effect from the day on which the alteration is made¹²; and
- 173 (5) where an alteration falls to be made after the first anniversary of the day on which the next list is compiled¹³, it has retrospective effect only if it is made in pursuance of a proposal¹⁴.

For these purposes, where the circumstances giving rise to the alteration are the coming into existence of an advertising hereditament¹⁵, those circumstances are treated as occurring¹⁶: (a) when any structure¹⁷ or sign is erected, after the right constituting the hereditament has been let out or reserved, to enable the right to be exercised¹⁸; or (b) when any advertisement is exhibited in pursuance of the right¹⁹, whichever is earlier²⁰. The erection, dismantling or alteration of any structure or sign for enabling the advertising right to be exercised, after this time²¹, is to be treated for the purposes of a proposal, made on the grounds that the rateable value shown in the list for a hereditament is inaccurate by reason of a material change of circumstances which occurred on or after the date of the list's compilation²², as a material change of circumstances²³.

Where an alteration is made, the list must show the day from which the alteration is to have effect²⁴. Before altering an entry in a local non-domestic rating list, the valuation officer must ensure that a record (which need not be in documentary form) is made of the entry²⁵ and this record must be retained until the expiry of six years beginning on the day on which the next list is compiled²⁶.

1 For the meaning of 'alteration' for these purposes see PARA 129 note 4 ante.

2 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 14(1); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 14(1). The provisions set out in heads (1) to (5) in the text are subject to orders made by a tribunal following a decision (see PARA 160 post): see the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 14(1); and the Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations

2005, SI 2005/758, reg 14(1). For these purposes, 'list' means a local non-domestic rating list compiled on or after 1 April 2005: see the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 3; and the Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 3. As to local rating lists see PARA 121 et seq ante.

3 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 14(2); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 14(2).

Under previous legislation, it was held that a provision specifying that certain alterations to the list were to take effect from the date of the event giving rise to the alteration only applied when that was the sole reason for the alteration, and no other reason: *Cox & Co (Watford) Ltd v Bushey UDC* (1961) 9 RRC 119, [1962] RVR 126. All cases cited in this paragraph were decided prior to the coming into force of the Local Government Finance Act 1988 and, therefore, must now be considered in relation to the non-domestic rating provisions in Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 140 et seq post). As to the historical development of rating law and the continuing relevance of the old case law to the current statutory regime see PARA 2 ante.

4 For the meaning of 'completion notice' see PARA 68 note 10 ante.

5 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 14(3); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 14(3). However, where under the Local Government Finance Act 1988 Sch 4A (as added and amended) (see PARA 65 ante), a different day is substituted by a different notice under Sch 4A para 1(3) (as added and amended) (see PARA 65 ante) or agreed under Sch 4A para 3 (as added) (see PARA 68 ante), or determined in pursuance of an appeal under Sch 4A para 4 (as added and amended) (see PARA 68 ante), the alteration has effect from the day so substituted, agreed or determined: Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 14(4); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 14(4).

6 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 14(5)(a); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 14(5)(a). For these purposes, but in relation to England only, a proposal which is made under the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 8(3)(a) (see PARA 134 ante) is deemed to have been served on the valuation officer on the day on which the proposal to which the invalidity notice relates was served: reg 14(5A) (added by SI 2006/2312). For the meaning of 'valuation officer' see PARA 129 note 1 ante. As to valuation officers generally see PARA 6 ante.

8 For the meaning of 'ratepayer' for these purposes see PARA 129 note 7 ante.

9 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 14(6)(a); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 14(6)(a).

10 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 14(6)(b); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 14(6)(b).

11 For the meaning of 'hereditament' see PARA 33 et seq ante. As to rateable value see PARA 86 et seq ante. As to whether an alteration to correct an inaccuracy in a list increases the rateable value shown in the list for the hereditament to which the inaccuracy relates see *Lamb & Shirley Ltd v Bliss* [2001] EWCA Civ 562, [2001] RA 99, [2001] All ER (D) 44 (Apr) (considering the Non-Domestic Rating (Alteration of Lists and Appeals) Regulations 1993, SI 1993/291, reg 13(8A) (revoked)).

12 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 14(6); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 14(6). As to alterations made to correct an inaccuracy in the list on the day it was compiled see *Thomas's London Day School v Jorgensen (Valuation Officer)* [2005] RA 222, Lands Tribunal.

13 As to the compilation of local rating lists see PARA 121 ante.

14 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 14(7); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 14(7).

15 For these purposes, 'advertising hereditament' means a hereditament consisting of a right to which the Local Government Finance Act 1988 s 64(2) applies (see PARA 31 ante); and 'advertising right' means a right which is such a hereditament: Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 15(3); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 15(3).

17 For these purposes, 'structure' includes a hoarding, frame, post or wall: Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 15(3); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 15(3).

19 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 15(1)(b); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 15(1)(b).

20 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 15(1); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 15(1). Such a hereditament must be treated for the purposes of the Local Government Finance Act 1988 Pt III (as amended) (see PARAS 7 et seq ante, 140 et seq post) as coming into occupation at that time: Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 15(1); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 15(1).

C. ALTERATION OF CENTRAL NON-DOMESTIC RATING LISTS

140. Relevant hereditaments capable of alteration in the central rating list.

A hereditament¹ (a 'relevant hereditament') which is required² to be shown in a central non-domestic rating list³ compiled on or after 1 April 2005 can be subject to alteration⁴ in the central list under the regulations specified in heads (1) to (13) below⁵ (which are applicable to local non-domestic rating lists⁶) as if any reference to a local non-domestic rating list were a reference to a central non-domestic rating list⁷; as if any reference to a valuation officer⁸ were a reference to the central valuation officer⁹; and as if any reference to an alteration of a list were a reference to its alteration in relation to a description of hereditaments¹⁰. The regulations specified for these purposes are those relating to:

- 174 (1) the circumstances in which proposals may be made¹¹;
- 175 (2) the periods in which proposals may be made to the 2005 list and subsequent lists¹²;
- 176 (3) the contents of a proposal¹³;
- 177 (4) the acknowledgement of proposals by the valuation officer¹⁴;
- 178 (5) invalid proposals¹⁵;
- 179 (6) the procedure subsequent to the making of proposals¹⁶;
- 180 (7) proposals agreed by the valuation officer¹⁷;
- 181 (8) the withdrawal of proposals¹⁸;
- 182 (9) agreed alterations made following proposals¹⁹;
- 183 (10) disagreement as to proposed alterations²⁰;
- 184 (11) the time from which alterations are to have effect in relation to the 2005 and subsequent lists²¹;
- 185 (12) the effective date to be shown in the list²²; and
- 186 (13) notification of any alteration²³.

Before altering an entry in a central non-domestic rating list, the central valuation officer must ensure that a record (which need not be in documentary form) is made of the entry²⁴ and this record must be retained until the expiry of six years beginning on the day on which the next list is compiled²⁵.

UPDATE

128-142 Power to make regulations for the alteration of rating lists ... Information from billing authorities

Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, replaced: Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2009, SI 2009/2268; Valuation Tribunal for England (Council Tax and Rating Appeals) (Procedure) Regulations 2009, SI 2009/2269.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(7) RATING LISTS/(vi) Information, etc Powers Relating to Lists/141. Request for information.

(vi) Information, etc Powers Relating to Lists

141. Request for information.

A valuation officer¹ may serve a notice² on a person who is an owner or occupier of a hereditament requesting him to supply information specified in the notice to the officer, which the officer reasonably believes will assist him in carrying out functions conferred or imposed on him by or under the non-domestic rating provisions³. The notice must contain a statement of that officer's belief⁴. A person on whom a notice is so served must supply the information requested in such form and manner as is specified in the notice⁵.

If a person on whom a notice is so served fails to comply with the request for information⁶ within the period of 56 days beginning with the day on which the notice is served, he is liable to a penalty of £100⁷ and the valuation officer must serve on him a notice (a 'penalty notice') stating (amongst other things) that he is so liable⁸. If the person on whom a penalty notice is served then fails to comply with the request for information⁹ within the period of 21 days beginning with the day on which the penalty notice is served, he is liable to a further penalty of £100, and¹⁰ to a further penalty of £20 for each day in respect of which the failure continues after the end of that period¹¹. However, a valuation officer may mitigate or remit any penalty so imposed¹².

If a person is aggrieved by the imposition on him of any penalty for a failure to comply with a request for information¹³, he may appeal to a valuation tribunal¹⁴ so long as the appeal is made before the end of the period of 28 days beginning with the day on which the penalty notice is served¹⁵. An appeal against imposition of a penalty is initiated by serving on the clerk¹⁶ a notice in writing (a 'notice of appeal') accompanied by a copy of the penalty notice¹⁷, a statement of the grounds on which the appeal is made¹⁸, and the date of service of the notice of the imposition of a penalty¹⁹. The clerk must, within two weeks of service of the notice of appeal, notify the appellant²⁰ that the clerk has received it, and serve a copy of it on the valuation officer whose notice is the subject of the appeal²¹.

On such an appeal, the valuation tribunal may mitigate or remit any penalty imposed²² if it is satisfied on either or both of the following specified grounds²³, namely: (1) that the appellant had a reasonable excuse for not complying with the request for information²⁴; or (2) that the information requested is not in the possession or control of the appellant²⁵.

Any penalty imposed for a failure to comply with a request for information²⁶ may be recovered by the valuation officer concerned as a civil debt due to him²⁷.

If a person²⁸, in supplying information in purported compliance with a request for information from a valuation officer²⁹, either makes a statement which he knows³⁰ to be false in a material particular, or recklessly³¹ makes such a statement, he is liable on summary conviction to imprisonment for a term not exceeding three months or to a fine not exceeding level 3 on the standard scale³² or to both³³.

1 As to valuation officers see PARA 6 ante.

2 The Secretary of State, in relation to England, and the Welsh Ministers, in relation to Wales, may by regulations make provision in relation to notices served under the Local Government Finance Act 1988 s 62, Sch 9 para 5 (as amended) or under Sch 9 para 5A (as added) (see the text and notes 6-11 infra): Sch 9 para 5F(1) (Sch 9 paras 5A-5H added by the Local Government Act 2003 s 72(1), (4)). The provision that may be made by

such regulations includes provision enabling a valuation officer to request or obtain information for the purpose of identifying the owner or occupier of a hereditament, and provision enabling a notice to be served on a person either by name or by such description as may be prescribed: Local Government Finance Act 1988 Sch 9 para 5F(2) (as so added). 'Prescribed' in the context of regulations, means prescribed by the regulations: s 146(6). As to the Secretary of State and the Welsh Ministers, and as to the making of regulations under the Local Government Finance Act 1988 generally, see PARA 3 ante. At the date at which this volume states the law, no such regulations had been made under Sch 9 para 5F (as added). For the meanings of 'England' and 'Wales' see PARA 1 note 2 ante. For the meaning of 'hereditament' see PARA 33 et seq ante; and for the meaning of 'owner' see PARA 13 ante. As to occupiers see PARA 13 et seq ante.

Where a valuation officer requires the name or address of a person on whom a notice under Sch 9 para 5 (as amended) or under Sch 9 para 5A (as added) is to be served, he may serve a notice on a billing authority which he reasonably believes may have that information requesting the authority to supply him with that information: Sch 9 para 5H (as so added). As to billing authorities see PARA 5 ante.

3 Ibid Sch 9 para 5(1) (amended by the Local Government and Housing Act 1989 s 139, Sch 5 paras 1, 46, 79(3)). The text refers to the non-domestic rating provisions contained in the Local Government Finance Act 1988 Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 142 et seq post): see Sch 9 para 5(1) (as so amended).

4 Ibid Sch 9 para 5(1A) (added by the Local Government and Housing Act 1989 Sch 5 paras 1, 46, 79(3)).

5 Local Government Finance Act 1988 Sch 9 para 5(2) (amended by the Local Government and Housing Act 1989 Sch 5 paras 1, 46, 79(3); and the Local Government Act 2003 ss 72(1), (2), 127(2), Sch 8 Pt 1).

6 If he fails to comply with the Local Government Finance Act 1988 Sch 9 para 5(2) (as amended) (see the text and note 5 supra): see Sch 9 para 5A(1) (as added: see note 2 supra).

7 Ibid Sch 9 para 5A(1) (as added: see note 2 supra). Any sums received by a valuation officer by way of penalty under Sch 9 para 5A (as added) must be paid into the Consolidated Fund: Sch 9 para 5E (as so added). As to the Consolidated Fund see CONSTITUTIONAL LAW AND HUMAN RIGHTS vol 8(2) (Reissue) PARA 711 et seq; PARLIAMENT vol 78 (2010) PARAS 1028-1031.

The Secretary of State, in relation to England, and the Welsh Ministers, in relation to Wales, may by order amend Sch 9 para 5A (as added) to increase or decrease the amount of any penalty under Sch 9 para 5A (as added): Sch 9 para 5G (as so added). The power of the Secretary of State to make an order under Sch 9 para 5G (as added) is exercisable by statutory instrument, but no such order is to be made by him unless a draft of it has been laid before and approved by resolution of each House of Parliament: s 143(9AA) (added by the Local Government Act 2003 s 127(1), Sch 7 paras 9(1), 24(1), (5)). As to the making of subordinate legislation by the Welsh Ministers under the Local Government Finance Act 1988 see PARA 3 note 15 ante. At the date at which this volume states the law, no such order had been made.

8 See the Local Government Finance Act 1988 Sch 9 para 5A(2) (as added: see note 2 supra). The notice ('penalty notice') referred to in the text must state:

- 60 (1) that the person on whom it is served has failed to comply with Sch 9 para 5(2) (as amended) (see the text and note 5 supra) within the period mentioned in Sch 9 para 5A(1) (as added) (see the text and notes 6-7 supra) (Sch 9 para 5A(2)(a) (as so added));
- 61 (2) that he is liable to a penalty of £100 (Sch 9 para 5A(2)(b) (as so added));
- 62 (3) the effect of a failure to comply with a penalty notice (ie the effect of Sch 9 para 5A(3), (4) (as added) (see the text and notes 9-11 infra) (Sch 9 para 5A(2)(c) (as so added)); and
- 63 (4) that he has a right of appeal under Sch 9 para 5C (as added) (see the text and notes 13-25 infra) (Sch 9 para 5A(2)(d) (as so added)).

As to notices served under Sch 9 para 5A (as added) see note 2 supra; and as to penalties under Sch 9 para 5A (as added) see note 7 supra.

9 If under ibid Sch 9 para 5(2) (as amended) (see the text and note 5 supra): see Sch 9 para 5A(3) (as added: see note 2 supra).

10 If subject to ibid Sch 9 para 5A(4) (as added): see Sch 9 para 5A(3) (as added: see note 2 supra). The amount to which a person is liable under Sch 9 para 5A (as added) in respect of a failure to comply with a notice served under Sch 9 para 5 (as amended) (see the text and notes 1-5 supra) must not exceed whichever is the greater of the rateable value of the hereditament concerned for the day on which the penalty notice is served and £500: Sch 9 para 5A(4) (as so added). For these purposes, the hereditament concerned is the hereditament in respect of which the notice under Sch 9 para 5 (as amended) was served, and a list compiled under Pt III (as

amended) (see PARAS 7 et seq ante, 142 et seq post) must be used to find the rateable value of the hereditament for the day concerned: Sch 9 para 5A(5) (as so added). As to penalties under Sch 9 para 5A (as added) see note 7 supra.

11 Ibid Sch 9 para 5A(3) (as added: see note 2 supra). As to penalties under Sch 9 para 5A (as added) see note 7 supra.

12 Ibid Sch 9 para 5B (as added: see note 2 supra). The text refers to any penalty imposed under Sch 9 para 5A (as added) (see the text and notes 6-11 supra): see Sch 9 para 5B (as so added).

13 Ie a penalty imposed under ibid Sch 9 para 5A (as added) (see the text and notes 6-11 supra): see Sch 9 para 5C(1) (as added: see note 2 supra).

14 Ibid Sch 9 para 5C(1) (as added: see note 2 supra). An appeal under Sch 9 para 5C (as added) is to be treated as an appeal against the penalty imposed under Sch 9 para 5A(1) (as added) (see the text and notes 6-7 supra) and any further penalty which may be imposed under Sch 9 para 5A(3) (as added) (see the text and notes 9-11 supra): Sch 9 para 5C(4) (as so added). However, an appeal under Sch 9 para 5C (as added) does not prevent liability to any further penalty or penalties arising under Sch 9 para 5A(3) (as added): Sch 9 para 5C(3) (as so added). As to appeals to a valuation tribunal generally see PARA 147 et seq post.

15 Ibid Sch 9 para 5C(2) (as added: see note 2 supra).

16 'Clerk', in relation to an appeal, means the clerk of the relevant valuation tribunal: Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 2(1); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 2(1). What is a reasonable excuse is largely a question of fact: *Leck v Epsom RDC* [1922] 1 KB 383. Ignorance of the statutory provisions provides no reasonable excuse (*Aldridge v Warwickshire Coal Co Ltd* (1925) 133 LT 439), nor does a mistaken view of the provisions (*R v Philip Reid* [1973] 3 All ER 1020, [1973] 1 WLR 1283, CA). As to whether reliance upon the advice of an expert can be a reasonable excuse see *Saddleshworth UDC v Aggregate and Sand Ltd* (1970) 69 LGR 103.

The cases cited in this paragraph were decided prior to the coming into force of the Local Government Finance Act 1988 and, therefore, must now be considered in relation to the non-domestic rating provisions in Pt III (as amended) (see PARAS 7 et seq ante, 142 et seq post). TEXT AND NOTES 13-25--Local Government Finance Act 1988 Sch 9 para 5C amended: Local Government and Public Involvement in Health Act 2007 Sch 16 para 5.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(7) RATING LISTS/(vi) Information, etc Powers Relating to Lists/142. Information from billing authorities.

142. Information from billing authorities.

If, in the course of the exercise of its functions, any information¹ comes to the notice of a billing authority² which leads it to suppose that a list³ requires alteration, it is the billing authority's duty to inform the valuation officer⁴ responsible for maintaining the list⁵. The Secretary of State (or the Welsh Ministers, as the case may be)⁶ may make regulations containing provision as to what times and in what manner billing authorities must supply the valuation officer with such information as may be prescribed⁷. Accordingly, for these purposes⁸, a relevant billing authority⁹ is required to supply information of the description set out in heads (1) to (4) below in relation to any non-domestic property in its area which is, in its opinion, property which is or may become liable to a rate and in relation to which there is no entry in the local rating list, or in relation to which, in its opinion, any entry in such a list requires to be altered¹⁰. The information to be so supplied is:

- 187 (1) the address of the property¹¹;
- 188 (2) the nature of the event by reason of which, in the opinion of the relevant authority, the local non-domestic rating list is required to be altered¹²;
- 189 (3) the day from which, in the opinion of the relevant authority, such alteration should have effect¹³; and
- 190 (4) if the property is shown in a local non-domestic rating list, any reference number ascribed to it in that list¹⁴.

The information so required must be supplied as soon as is reasonably practicable after it comes to the attention of the relevant authority¹⁵.

Where such regulations¹⁶ impose a duty on a billing authority to supply information to any person, they may also require:

- 191 (a) the Secretary of State (or the Welsh Ministers, as the case may be)¹⁷;
- 192 (b) any appropriate precepting authority¹⁸; or
- 193 (c) any appropriate levying body¹⁹,

to supply the billing authority with prescribed information if the Secretary of State (or the Welsh Ministers, as the case may be) considers it to be information the billing authority needs in order to fulfil its duty²⁰. Where any person other than the Secretary of State (or the Welsh Ministers, as the case may be) fails to supply information to a billing authority in accordance with regulations so made, he is liable to indemnify the authority against any loss or damage which the authority sustains in consequence of the failure²¹.

144. Inspection of documents regarding state of lists.

Where a valuation officer¹ is maintaining a local rating list², and the list is in force or has been in force at any time in the preceding five years, a person may require that officer to give him access to such information³ as will enable him to establish the current or previous state of the list⁴. Similar provisions apply in respect of local rating lists deposited by billing authorities⁵ and in respect of central rating lists⁶ deposited by the Secretary of State (or by the Welsh Ministers, as the case may be)⁷ for lists which are in force⁸, or yet to come into force⁹. These requirements¹⁰ must be complied with at a reasonable time and place and without payment being sought; but the information may be in documentary or such other form as the person or authority giving the information thinks fit¹¹.

Where access is given to information in documentary form, the person to whom access is given may make copies of (or extracts from) the document¹², or may require a person having custody of the document to supply him a photographic copy of (or extracts from) the document¹³.

Where access is given to information in a non-documentary form, the person to whom access is given may make transcripts of (or extracts from) the information¹⁴, or may require a person having control of access to the information to supply him a copy in documentary form of (or of extracts from) the information¹⁵. A reasonable charge may be required for such copying or transcribing¹⁶ of the information¹⁷.

Anyone having custody of a document containing (or having control of access to) information to which access is sought, who without reasonable excuse¹⁸ intentionally obstructs a person exercising a right to inspection¹⁹ or refuses to comply with a requirement to permit copying of information²⁰, is liable on summary conviction to a fine not exceeding level 1 on the standard scale²¹.

146. Challenges to the validity of valuation lists.

Under previous legislation¹, the validity of valuation lists was open to challenge by an application for judicial review². The whole list can be challenged in this way, provided the applicant for review has sufficient interest in the matter³. Individual entries may also be challenged in this way where there is no other remedy available⁴. There is nothing in the current legislation which acts as a bar to an application for judicial review.

A. VALUATION TRIBUNALS

147. Establishment of valuation tribunals.

Valuation tribunals are established in accordance with regulations made by the Secretary of State (or the Welsh Ministers, as the case may be)¹. Such regulations may include such provisions as the Secretary of State sees fit, so far as relating to England², in relation to membership, procedure and other matters relating to tribunals, except staff, accommodation and equipment³; and such regulations may include such provisions as the Welsh Ministers see fit, so far as relating to Wales⁴, in relation to membership, staff, accommodation, equipment, procedure and other matters relating to tribunals⁵. Regulations make different provision for cases where valuation tribunals exercise jurisdiction conferred on them by or under different provisions of the Local Government Finance Act 1988 or the Local Government Finance Act 1992⁶. Valuation tribunals were established on 1 May 1989⁷ for a number of specified areas in England and the Isles of Scilly⁸. New valuation tribunals were established in Wales on 1 April 1996⁹.

A valuation tribunal is not a court to which the law of contempt of court applies¹⁰.

As regards any matter which falls within the jurisdiction conferred on tribunals by or under the Local Government Finance Act 1988, regulations may provide that, where the persons who (if the matter were to be the subject of an appeal to a tribunal) would be the parties to the appeal, agree in writing that the matter is to be referred to arbitration, the matter must be so referred: see Sch 11 paras 4, 15 (Sch 11 para 15 amended by the Local Government Finance Act 1992 Sch 13 para 88(1), (3), (13)). See note 1 *supra*.

7 See the Valuation and Community Charge Tribunals Regulations 1989, SI 1989/439, reg 1. The 'establishment date' means 1 May 1989: reg 2(1). Valuation tribunals were originally called valuation and community charge tribunals, but were re-named 'valuation tribunals' in consequence of the introduction of the council tax system and the abolition of community charges for the financial years from 1 April 1993: see the Local Government Finance Act 1992 s 15(1). As to the abolition of the community charge see PARA 227 *post*.

8 See the Valuation and Community Charge Tribunals Regulations 1989, SI 1989/439, which were subsequently amended to take account of structural or boundary changes made by the Local Government Act 1992, which took effect from 1 April 1996. 'Area' in relation to a tribunal, unless the context otherwise requires, means the area for which it is established by the Valuation and Community Charge Tribunals Regulations 1989, SI 1989/439, reg 3 (as so substituted): reg 2(1). As to provision made for the Valuation Tribunal Service for England see PARA 149 *et seq post*.

9 See the Valuation Tribunals (Wales) Regulations 1995, SI 1995/3056 (revoked). The tribunals referred to in the text were allowed to continue in existence when the Valuation Tribunal Service for Wales was established on 3 January 2006 with power to establish new tribunals for each of the areas set out in the Valuation Tribunals (Wales) Regulations 2005, SI 2005/3364, reg 11, Sch 1: see reg 5. As to the Valuation Tribunal Service for Wales see PARA 150 *et seq post*.

The Valuation and Community Charge Tribunals Regulations 1989, SI 1989/439 (as amended) do not apply to the new tribunals in Wales or to any proceedings before those tribunals: see reg 1A (added by SI 1995/3056).

Cases cited in this paragraph were decided prior to the coming into force of the Local Government Finance Act 1988 and, therefore, must now be considered in relation to the non-domestic rating provisions in Pt III (ss 41-67) (as amended) (see PARAS 7 *et seq ante*, 148 *et seq post*). 148. Membership of valuation tribunals.

The number of members that can be appointed to each valuation tribunal is determined in accordance with limits specified in the regulations¹.

Members of the tribunals for England² are appointed by the relevant authorities and the president of the tribunal³ and those for Wales⁴ by the appointing councils and the president jointly⁵.

The members of each tribunal must appoint a person to be the president of the tribunal⁶. One of the chairmen must be the president and the others must be appointed by the members of the tribunal by election from among their number⁹. Members may be entitled to travelling, subsistence and other allowances¹⁰.

152. Exceptions to the jurisdiction of a valuation tribunal to hear appeals.

Provision is made for the following exceptions to be made to the jurisdiction of a valuation tribunal to hear appeals arising in relation to non-domestic rating¹.

Where the appellant² is an employee or member of the relevant valuation tribunal³, his appeal must not be dealt with by that tribunal but by such other valuation tribunal as may be appointed for that purpose by the Secretary of State (or by the Welsh Ministers, as the case may be)⁴.

Where it appears to the president⁵ of the relevant valuation tribunal that by reason of a conflict of interests (or the appearance of such a conflict) it would be inappropriate for an appeal to be dealt with by that tribunal, the Secretary of State (or the Welsh Ministers, as the case may be) must, on being so notified by the president, appoint another tribunal to deal with that appeal⁶.

Where the appellant is a former member or employee of the tribunal by which⁷ his appeal would fall to be dealt with (and the president determines that it must not be dealt with by the tribunal) it must be dealt with by such other tribunal as may be appointed for the purpose by the Secretary of State (or by the Welsh Ministers, as the case may be)⁸.

153. Withdrawal of appeal to a valuation tribunal.

An appeal to a valuation tribunal¹ may be withdrawn before the hearing commences, or before the consideration of written representations², where notice to that effect is given to the clerk³:

- 201 (1) in the case of an appeal against a completion notice⁴, or an appeal against imposition of a penalty⁵ for failure to comply with a valuation officer's request for information, by the appellant⁶ in writing⁷; and
- 202 (2) in any other case, by the valuation officer⁸ (but only where every other party to the appeal has given written consent to him for the withdrawal of the appeal)⁹.

When the clerk has received the notice of withdrawal under head (1) above, he must notify the appellant of that fact, and serve a copy of his notice of receipt on all other parties to the appeal¹⁰. Where the valuation officer alters the list in accordance with a proposal¹¹, or where an alteration to the list is agreed¹², the valuation officer (or, as the case may be, the central valuation officer¹³) must notify the clerk accordingly, and the appeal is deemed to have been withdrawn¹⁴. Where, following the initiation of an appeal against imposition of a penalty, the valuation officer decides to remit the penalty, the valuation officer must notify the clerk accordingly, and the appeal is also deemed to have been withdrawn¹⁵.

1 For the meaning of 'appeal' for these purposes see PARA 151 note 1 ante; and for the meaning of 'valuation tribunal' see PARA 129 note 8 ante. As to valuation tribunals see PARA 147 et seq ante.

For the meaning of 'relevant valuation tribunal' see PARA 129 note 8 ante. As to the service of notices generally see PARA 129 notes 2, 7 ante.

Once an appeal is validly withdrawn, the tribunal has no jurisdiction to determine it: *R v East Norfolk Local Valuation Court, ex p Martin* [1951] 1 All ER 743, 49 LGR 627. This case was decided prior to the coming into force of the Local Government Finance Act 1988 and, therefore, must now be considered in relation to the non-domestic rating provisions in Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 154 et seq post). 154. Appeals to valuation tribunal by written representation.

An appeal to a valuation tribunal¹ may be disposed of on the basis of written representations if all the parties have given their agreement in writing². Where there is such agreement, the clerk of the tribunal³ must serve notice on the parties accordingly⁴; and within four weeks of being so notified each party may serve a notice on the clerk⁵ either stating that party's reasons (or further reasons) for the disagreement giving rise to the appeal⁶, or stating that that party does not intend to make further representations⁷. A copy of any such notice must be served by the clerk on the other party or parties to the appeal, together with a statement of the procedure to be followed⁸. A party on whom a notice is so served may, within four weeks of that service, serve on the clerk a further notice either stating his reply to the other party's statement, or stating that he does not intend to make further representations, as the case may be; and the clerk must serve a copy of any such further notice on the other party or parties⁹. After the expiry of a further four weeks¹⁰, the clerk must submit to the valuation tribunal¹¹ copies of: (1) any information transmitted to him under the alteration and appeals provisions¹²; and (2) any notice containing a statement, which has been served under the written representations procedure¹³. The tribunal to which an appeal is so referred may, if it thinks fit: (a) require any party to furnish in writing further particulars¹⁴ of the grounds relied on and of any relevant facts or contentions¹⁵; or (b) order that the appeal be disposed of on the basis of a hearing¹⁶.

156. Preliminary notices to be given regarding the hearing of an appeal.

Where an appeal to a valuation tribunal¹ is to be disposed of on the basis of a hearing, the clerk of the tribunal² must serve notice on the parties³, not less than four weeks in advance, of the date, time and place appointed for the hearing⁴. The clerk must also advertise the above particulars in a notice giving such information conspicuously displayed: (1) at the valuation tribunal's office⁵; (2) outside an office of the relevant authority⁶ appointed by the authority for that purpose⁷; or (3) in another place within that authority's area⁸. This notice must also name a place where a list of the appeals to be heard may be inspected⁹.

Where the hearing of an appeal has been postponed, the clerk must take such steps as are practicable in the time available both to notify the parties to the appeal of the postponement¹⁰, and to advertise the postponement¹¹.

151-167 Appeals to valuation tribunals ... Powers of the Lands Tribunal on hearing a rating appeal

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(7) RATING LISTS/(viii) Valuation List Appeals/C. APPEALS TO VALUATION TRIBUNALS/157. Conduct of the hearing.

157. Conduct of the hearing.

A valuation tribunal's¹ functions of hearing or determining an appeal² must be discharged by three members of the tribunal³ (including at least one chairman⁴, who must preside)⁵, unless all parties to the appeal⁶ agree to the appeal being decided by two members and notwithstanding the absence of a chairman⁷.

The hearing must take place in public, unless the valuation tribunal orders otherwise on the application of a party, and on being satisfied that the interests of that party would be prejudicially affected by a public hearing⁸.

The valuation tribunal may dismiss an appeal where only the valuation officer⁹ or listing officer appears¹⁰, or where, on a completion notice appeal¹¹, the appellant¹² does not appear¹³. If, at the hearing of an appeal, any party does not appear, the tribunal may hear and determine the appeal in his absence¹⁴. Any party to an appeal which is to be decided at a hearing may appear in person (with assistance from any person if he wishes), by counsel or solicitor or any other representative¹⁵ (other than a person who is a member, clerk or other employee of the valuation tribunal)¹⁶. The tribunal may require witnesses to give evidence on oath or by affirmation, and has power for that purpose to administer an oath or affirmation in due form¹⁷.

Unless the valuation tribunal determines otherwise: (1) where the appeal arises from a valuation officer considering the proposal to be invalid¹⁸, or where it arises from an alteration of a list¹⁹ by the valuation officer, the valuation officer must begin the hearing²⁰; (2) at the hearing of an appeal against a completion notice, the relevant authority must begin the hearing²¹; and (3) in any other case, parties at the hearing may be heard in such order as the tribunal determines²².

The valuation tribunal must²³: (a) conduct the hearing in such manner as it considers most suitable to the clarification of issues before it, and generally to the just handling of the proceedings²⁴; (b) so far as appears to it appropriate, seek to avoid formality in its proceedings²⁵; and (c) not be bound by any enactment or rule of law relating to the admissibility of evidence before courts of law²⁶. Parties at the hearing may call witnesses and examine any of the witnesses before the tribunal²⁷. A hearing may be adjourned for such time, to such place and on such terms as the tribunal thinks fit²⁸; reasonable notice of the time and place to which the hearing has been adjourned must be given to every party²⁹. A valuation tribunal may enter and inspect the hereditament which is the subject of the appeal and, as far as is practicable, any comparable land or property to which the attention of the tribunal is drawn³⁰.

Where, at the hearing of an appeal on the grounds of disagreement as to whether the proposal to alter a local non-domestic rating list is well founded³¹, the valuation officer contends that the proposal was not validly made, and the tribunal does not uphold his contention, the tribunal must not immediately proceed to determine the appeal unless every party so agrees³².

1 For the meaning of 'valuation tribunal' see PARA 129 note 8 ante. As to valuation tribunals see PARA 147 et seq ante.

2 For the meaning of 'appeal' for these purposes see PARA 151 note 1 ante.

3 As to the membership and staff of valuation tribunals see PARA 148 ante.

A person is disqualified from participating as a member in the hearing or determination of (or acting as clerk or officer of a tribunal in relation to) an appeal against a completion notice (see PARA 68 ante) if he is a member of the relevant authority concerned or is disqualified from so participating in an appeal under the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 13 or the Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 13 (as amended), as the case may be (see PARA 138 ante) if he is a member of the special authority concerned: Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 28(1); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 28(1) (amended by SI 2006/1035). For these purposes, references to the relevant authority concerned and to the special authority concerned are references to the relevant authority and special authority in whose area the hereditament which is the subject of the appeal is situated: Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 28(2); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 28(2). Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, replaced by Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2009, SI 2009/2268; Valuation Tribunal for England (Council Tax and Rating Appeals) (Procedure) Regulations 2009, SI 2009/2269: see PARA 128-142.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(7) RATING LISTS/(viii) Valuation List Appeals/C. APPEALS TO VALUATION TRIBUNALS/158. Admissibility of certain evidence before the valuation tribunal.

158. Admissibility of certain evidence before the valuation tribunal.

In relation to an appeal to a valuation tribunal¹, the contents of a local or central non-domestic rating list² may be proved by the production of a copy of it (or of the relevant part) purporting to be certified to be a true copy by the valuation officer³; and the contents of a completion notice⁴ may be proved by the production of a copy of it purporting to be certified to be a true copy by the proper officer of the relevant authority⁵.

Information supplied by owners and occupiers of hereditaments⁶ or by relevant authorities⁷ is admissible in any relevant proceedings⁸ as evidence of any fact stated in it; and any record⁹ purporting to contain such information is, unless the contrary is shown, to be presumed to have been supplied by the person by whom it purports to have been supplied and to have been supplied by that person in any capacity in which it purports to have been supplied¹⁰.

The valuation officer must not use such information in any relevant proceedings unless: (1) not less than three weeks' notice¹¹ has previously been given to every other party to the proceedings¹²; and (2) any person who has given not less than 24 hours' notice of his intention to do so, has been permitted by the valuation officer at any reasonable time to inspect the documents or other media in which such information is held, and to make a copy of (or of any extract from) any document containing such information¹³. Any person to whom the valuation officer has given notice (relating to any hereditament) under head (1) above may, before the hearing, himself serve notice on the valuation officer¹⁴ specifying other hereditaments as being hereditaments which are comparable in character or otherwise relevant to that person's case¹⁵, and requiring the valuation officer: (a) to permit him at a reasonable time specified in the notice to inspect and (if he so desires) make a copy of any document containing such information in the possession of the valuation officer¹⁶; and (b) to produce at the hearing or submit to the valuation tribunal such documents as before the hearing he has informed the valuation officer that he requires¹⁷.

None of the above provisions requires the making available for inspection or copying (or the production of) any document in so far as it contains information other than: (i) information constituting direct evidence of rent payable in respect of the specified hereditaments¹⁸; or (ii) information which is otherwise reasonably required for the purpose of the relevant proceedings¹⁹. Where a notice has been given to the valuation officer requiring such information²⁰, and the valuation officer refuses or fails to comply with the notice, the person who gave the notice may apply to the valuation tribunal or, as the case may be, the arbitrator appointed to determine the appeal²¹; and that tribunal or arbitrator may, if satisfied that it is reasonable to do so, direct the valuation officer to comply with the notice as respects all the hereditaments or such of them as the tribunal or arbitrator may determine²².

¹ For the meaning of 'appeal' for these purposes see PARA 151 note 1 ante; and for the meaning of 'valuation tribunal' see PARA 129 note 8 ante. As to valuation tribunals see PARA 147 et seq ante.

As to local non-domestic rating lists see PARA 121 et seq ante; and as to central non-domestic rating lists see PARA 125 et seq ante.

For the meaning of 'valuation officer' see PARA 129 note 1 ante. As to valuation officers generally see PARA 6 ante.

4 For the meaning of 'completion notice' see PARA 68 note 10 ante.

5 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 32; Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 32. For the meaning of 'relevant authority' see PARA 129 note 3 ante.

6 Ie under the Local Government Finance Act 1988 s 62, Sch 9 para 5 (as amended) (see PARA 141 ante) or the General Rate Act 1967 s 82 (repealed: see PARA 2 ante): see the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 31(1); and the Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 31(1). For the meaning of 'hereditament' see PARA 33 et seq ante; and for the meaning of 'owner' see PARA 13 ante. As to occupiers see PARA 13 et seq ante.

7 Ie under the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 42 or the Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 42, as the case may be (see PARA 142 ante): see the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 31(1); and the Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 31(1).

8 For these purposes, 'relevant proceedings' means any proceedings on or in consequence of an appeal, and any proceedings on or in consequence of a reference to arbitration under the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 38 or the Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 38, as the case may be (see PARA 164 post): Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 31(8); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 31(8).

There appears to be no restriction upon use of information obtained after objection to the proposal: see *Smith v Moore (Valuation Officer)* [1972] RA 269, 17 RRC 377, Lands Tribunal. All of the cases cited in this paragraph were decided prior to the coming into force of the Local Government Finance Act 1988 and, therefore, must now be considered in relation to the non-domestic rating provisions in Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 159 et seq post). As to the historical development of rating law and the continuing relevance of the old case law to the current statutory regime see PARA 2 ante.

9 If any information required to be made available for inspection in accordance with the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 31 or the Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 31 (as amended), as the case may be, is not maintained in documentary form, the duty to make it so available is satisfied if a print-out, photographic image or other reproduction of the document which has been obtained from the storage medium adopted in relation to the document is made available for inspection: Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 31(9); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 31(9).

11 The notice must specify, in relation to any information to be so used, the documents or other media in or on which that information is held, the hereditament or hereditaments to which it relates (and the rateable value or rateable values in the list current at the date of the notice), the name and address of the person providing the information, and a summary of the terms of any lease (including the rent, dates of rental reviews and description of the repairing obligations): Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 31(3)(b); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 31(3)(b). As to the service of notices generally for these purposes see PARA 129 notes 2, 7 ante. As to the rateable value see PARA 86 et seq ante.

12 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 31(3)(a); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 31(3)(a). See *Harrow Corp'n v Betts (Valuation Officer)* (1960) 7 RRC 328.

14 As to the service of notice on a valuation officer see PARA 132 note 4 ante.

The number of hereditaments specified in such a notice is limited to four or, if greater, the number specified in the valuation officer's notice given under head (1) in the text: Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 31(5); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 31(5). As to whether details of hereditaments outside a valuation officer's area can be in his possession see *Morgan (Valuation Officer) v Bishop's Stores Ltd* [1963] RA 305, 10 RRC 128, Lands Tribunal; but cf *Mortimore (Valuation Officer) v FW Woolworth & Co Ltd* [1966] RA 527, 13 RRC 226, Lands Tribunal. The decisions in the cases cited supra create an anomaly which remains as provision is made for the disclosure of information as between valuation officers and a power for regulations to be made ensuring that such information is admissible as evidence in appeals or arbitrations: see PARA 6 ante. There is, however, no need to ask the valuation officer to produce further returns if satisfactory evidence can be adduced from other sources: see *Wilks v Cawley (Valuation Officer)* [1965] RA 632, 11 RRC 336, Lands Tribunal.

151-167 Appeals to valuation tribunals ... Powers of the Lands Tribunal on hearing a rating appeal

Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, replaced by Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2009, SI 2009/2268; Valuation Tribunal for England (Council Tax and Rating Appeals) (Procedure) Regulations 2009, SI 2009/2269: see PARA 128-142.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(7) RATING LISTS/(viii) Valuation List Appeals/C. APPEALS TO VALUATION TRIBUNALS/159. Decisions of the valuation tribunal.

159. Decisions of the valuation tribunal.

An appeal to a valuation tribunal¹ may be decided by a majority of the members participating². However, where only two members are sitting³ and they are unable to agree, the appeal must be remitted by the clerk⁴ to be decided by a tribunal consisting of three different members⁵. Where an appeal is disposed of on the basis of a hearing⁶, the decision may be reserved or given orally at the end of the hearing⁷. The aim of the tribunal is to determine the correct rateable value of the hereditament, if that is the issue, and the tribunal may rely on its own expert judgement and is not bound to accept the value of one or other party to the appeal⁸.

As soon as reasonably practicable after it is made, the decision must be confirmed (if given orally), or communicated in writing (in any other case), by notice in writing to the parties⁹, together with a statement of reasons for the decision¹⁰. However, written notice to a party is not required if it would be repetitive of any copy record which is supplied to that party¹¹ as a record of the decision¹². In the case of an appeal against a completion notice¹³, the clerk must send notice of the decision to the valuation officer for the relevant authority¹⁴.

Under the General Rate Act 1967 (now repealed), the valuation court was limited to 'giving effect to the contention of the parties'¹⁵. Although no such restriction is contained in the current legislation, it is accepted that the jurisdiction of the valuation tribunal continues to be defined by the issues which are raised in the proposal (and the objection thereto) and that such jurisdiction cannot be extended¹⁶. This being so, earlier cases on restricting a tribunal's decision to the 'contention of the parties' are still of some relevance¹⁷.

1 For the meaning of 'appeal' for these purposes see PARA 151 note 1 ante; and for the meaning of 'valuation tribunal' see PARA 129 note 8 ante. As to valuation tribunals see PARA 147 et seq ante.

2 Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 33(1); Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 33(1). As to the membership and staff of valuation tribunals see PARA 148 ante.

Where one member of a three member panel died between the hearing and the decision, the decision of the two remaining members was valid as a decision of the majority: *R v Greater Manchester Valuation Panel, ex p Shell Chemicals (UK) Ltd* [1982] QB 255, [1981] 3 WLR 752. Most of the cases cited in this paragraph were decided prior to the coming into force of the Local Government Finance Act 1988 and, therefore, must now be considered in relation to the non-domestic rating provisions in Pt III (ss 41-67) (as amended) (see PARAS 7 et seq ante, 160 et seq post). UPDATE

151-167 Appeals to valuation tribunals ... Powers of the Lands Tribunal on hearing a rating appeal

Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, replaced by Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2009, SI 2009/2268; Valuation Tribunal for England (Council Tax and Rating Appeals) (Procedure) Regulations 2009, SI 2009/2269: see PARA 128-142.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(7) RATING LISTS/(viii) Valuation List Appeals/C. APPEALS TO VALUATION TRIBUNALS/160. Orders.

160. Orders.

On or after deciding an appeal¹ arising from a disagreement as to whether the proposal to alter a list² is well founded³, the valuation tribunal⁴ may by order require the valuation officer⁵ in consequence of the decision to alter a local or central non-domestic rating list⁶. On or after deciding an appeal against imposition of a penalty⁷ for failure to comply with a valuation officer's request for information, the valuation tribunal may order the valuation officer whose notice is the subject of the appeal to mitigate or remit the penalty⁸. The valuation officer must comply with either such order within a period of two weeks beginning on the day it was made⁹.

Where the decision is that a disputed rateable value¹⁰ should be an amount greater than the amount shown in the list at the date of the proposal¹¹, and greater than the amount contended for in the proposal¹², the order must require the list to be altered with effect from the day on which the decision is given¹³. However, this does not apply where the order requires the list to be altered to show: (1) property previously rated as a single hereditament to be rated in parts¹⁴; (2) property previously liable to be rated in parts becoming liable to be rated as a single hereditament¹⁵; or (3) any part of a hereditament becoming part of a different hereditament¹⁶.

Where it appears that circumstances giving rise to an alteration ordered by a valuation tribunal have ceased to exist at the date of the decision, the order may require the alteration to be made in respect of such period as appears to the tribunal to be commensurate with the duration of those circumstances¹⁷.

An order of the tribunal may require any matter ancillary to its subject-matter to be attended to¹⁸.

1 For the meaning of 'appeal' for these purposes see PARA 151 note 1 ante.

161. Records of decisions, etc.

The clerk of a valuation tribunal¹ must make arrangements for each decision², each order³ and the effect of each certificate and revocation upon a review of a decision⁴ to be recorded⁵. Records may be kept in any form, whether documentary or otherwise, and must contain the following specified particulars⁶, namely: (1) the appellant's name and address⁷; (2) the matter appealed against⁸; (3) the date of the hearing or determination⁹; (4) the names of the parties who appeared, if any¹⁰; (5) the decision of the valuation tribunal and its date¹¹; (6) the reasons for the decision¹²; (7) any order made in consequence of the decision¹³; (8) the date of any such order¹⁴; (9) any certificate setting aside the decision¹⁵; (10) any revocation upon a review of a decision¹⁶. A copy, in documentary form, of the relevant entry in the record must, as soon as reasonably practicable after the entry has been made, be sent (by post, fax or electronic communication) to each party to the appeal to which the entry relates¹⁷.

Each record must be retained for the period of six years beginning on the day on which an entry was last made in it¹⁸. Any person may, at a reasonable time stated by or on behalf of the valuation tribunal concerned and without payment, inspect the tribunal records made under the clerk's duty to record¹⁹. If any person having custody of the records, without reasonable excuse²⁰, intentionally obstructs a person exercising the right of inspection so conferred²¹, he is liable on summary conviction to a fine not exceeding level 1 on the standard scale²².

The member who presided at the hearing or determination of an appeal may authorise the correction of any clerical error in the record, and a copy of the corrected entry must be sent to the persons to whom a copy of the original entry was sent²³. The production in any proceedings in any court of law of a document purporting to be certified by the clerk to be a true copy of a record of that valuation tribunal is, unless the contrary is proved, sufficient evidence of the document and of the facts it records²⁴.

151-167 Appeals to valuation tribunals ... Powers of the Lands Tribunal on hearing a rating appeal

Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, replaced by Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2009, SI 2009/2268; Valuation Tribunal for England (Council Tax and Rating Appeals) (Procedure) Regulations 2009, SI 2009/2269: see PARA 128-142.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(7) RATING LISTS/(viii) Valuation List Appeals/C. APPEALS TO VALUATION TRIBUNALS/162. Review of decisions.

162. Review of decisions.

A valuation tribunal¹ has power on written application by a party² to review or set aside by certificate of the presiding member any decision³ on the grounds that⁴:

- 203 (1) the decision was wrongly made as a result of clerical error⁵;
- 204 (2) a party did not appear and can show reasonable cause why he did not do so⁶;
- 205 (3) the decision is affected by a decision of (or appeal from) the High Court or the Lands Tribunal⁷ in relation to an appeal in respect of the hereditament⁸ which was the subject of the valuation tribunal's decision⁹.

Where the decision in question is the decision on an appeal against a completion notice¹⁰, such an application may be made on the additional grounds¹¹ that new evidence (the existence of which could not have been ascertained by reasonably diligent inquiry or could not have been foreseen) has become available since the conclusion of the proceedings to which the decision relates¹².

So far as is reasonably practicable, the valuation tribunal appointed to review a decision must consist of the same members as constituted the tribunal which took the decision¹³.

If a valuation tribunal sets aside any decision by certificate in this way, it must revoke any order made in consequence of the decision and must order a rehearing or redetermination before either the same or a different tribunal¹⁴. The clerk¹⁵ must as soon as reasonably practicable notify in writing the parties to the appeal of:

- 206 (a) a determination that the valuation tribunal will not undertake a review¹⁶;
- 207 (b) the determination of the valuation tribunal, having undertaken such a review, that it will not set aside the decision concerned¹⁷;
- 208 (c) the issue of any certificate setting aside a decision¹⁸; and
- 209 (d) the revocation of any order made in consequence of the decision which has been set aside¹⁹.

Where the decision is the subject of both a review by the valuation tribunal and an appeal to the Lands Tribunal²⁰, and the appeal to the Lands Tribunal remains undetermined on the relevant day²¹, the clerk must notify the Lands Tribunal as soon as reasonably practicable after the occurrence of the relevant event²².

Where a valuation officer²³ applies to a valuation tribunal²⁴ for the review of a decision in consequence of which an order requiring the alteration of a list²⁵ was made²⁶, he must, at the same time or as soon as reasonably practicable thereafter, notify the authority concerned of the application²⁷.

¹ i.e. a valuation tribunal constituted as provided in the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 35(4) or the Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 35(4), as the case may be (see the text and note 13 infra); see the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, reg 35(1); and the Non-Domestic Rating (Alteration of Lists and Appeals) (Wales) Regulations 2005, SI 2005/758, reg 35(1). For the meaning of 'valuation tribunal' see PARA 129 note 8 ante. As to valuation tribunals see PARA 147 et seq ante.

Where, at any time before the beginning of a valuation tribunal hearing¹ or the consideration by such a tribunal of written representations², it is so agreed in writing between the persons who, if a dispute were to be the subject of an appeal to the tribunal, would be the parties to the appeal³, the question must be referred to arbitration⁴.

In any such arbitration, the award may include any order which could have been made by the valuation tribunal in relation to the question⁵; and, pursuant to such an order, the valuation officer⁶ must alter the list concerned⁷ accordingly and attend to any ancillary matter provided for in the order (such as the repayment of an amount, or the allowance of an amount by way of deduction against a sum due)⁸.

E. APPEAL FROM THE VALUATION TRIBUNAL TO THE LANDS TRIBUNAL

165. Appeal to the Lands Tribunal in respect of a valuation tribunal's decision or order.

An appeal lies to the Lands Tribunal¹ in respect of a decision or order which is given or made by a valuation tribunal² on:

- 210 (1) an appeal arising from a disagreement between a valuation officer³ and a proposer⁴ as to the validity of the proposal⁵ to alter⁶ a list⁷;
- 211 (2) an appeal arising from a disagreement as to whether the proposal to alter a list is well founded⁸; or
- 212 (3) an appeal against a completion notice⁹.

Such an appeal may be dismissed if it is not made within four weeks of the date on which notice is given of the order or decision that is the subject-matter of the appeal¹⁰. However, if a tribunal's decision has been the subject of an application for review¹¹, which has been made within four weeks of the date on which notice is given of the decision that is the subject-matter of the appeal, and if notice is given, either that the application for review is unsuccessful¹², or that a review has been undertaken and the decision still stands¹³, then the appeal to the Lands Tribunal may be dismissed if it is not made within four weeks of the service of either notice to that effect¹⁴.

An appeal to the Lands Tribunal lies at the instance of any party who appeared at the hearing¹⁵ or, if the appeal was disposed of by written representations¹⁶, by any party making those representations¹⁷. An appeal lies also at the instance of any party whose application for review, on the ground that he did not appear before the tribunal and can show reasonable cause why he did not do so, has resulted in the tribunal refusing to set aside the decision concerned¹⁸. Subject to the express statutory provisions which set out the circumstances in which an appeal will lie¹⁹, such an appeal will not lie merely on the grounds of irregularity in the conduct of the proceedings (or of a mistake in the admission of evidence)²⁰, but only after a final decision of the valuation tribunal²¹.

Where a valuation officer appeals to the Lands Tribunal under the statutory provisions²² against a decision in consequence of which an order requiring the alteration of a list was made (or if he appeals against such an order)²³, he must, at the same time or as soon as reasonably practicable thereafter, notify the authority concerned²⁴ of the appeal²⁵. Where a valuation officer appeals to the Lands Tribunal in respect of such a decision or order, or where he receives notice of such an appeal instituted by another party, he must, at the same time or as soon as reasonably practicable thereafter, notify the clerk to the relevant valuation tribunal²⁶ of the appeal²⁷.

Where, in relation to a decision or order made on an appeal against a completion notice, an authority appeals to the Lands Tribunal²⁸, or receives notice of such an appeal instituted by another party it must, at the same time, or as soon as reasonably practicable thereafter, notify the clerk to the relevant valuation tribunal of the appeal²⁹.

151-167 Appeals to valuation tribunals ... Powers of the Lands Tribunal on hearing a rating appeal

Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2005, SI 2005/659, replaced by Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2009, SI 2009/2268; Valuation Tribunal for England (Council Tax and Rating Appeals) (Procedure) Regulations 2009, SI 2009/2269: see PARA 128-142.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(7) RATING LISTS/(viii) Valuation List Appeals/E. APPEAL FROM THE VALUATION TRIBUNAL TO THE LANDS TRIBUNAL/166. Procedure on rating appeals before the Lands Tribunal.

166. Procedure on rating appeals before the Lands Tribunal.

An appeal against a decision of a valuation tribunal which lies to the Lands Tribunal (a 'rating appeal')¹ is made by sending to the registrar² a written notice indicating an intention to appeal, so that it is received by the registrar³ within 28 days of the date on which the decision appealed against (the 'disputed decision') was sent to the applicant, or within such other time as is prescribed by the enactment conferring the right to appeal⁴. The notice of appeal must state that it is a notice of appeal and must contain⁵:

- 213 (1) the name and address of the appellant⁶;
- 214 (2) the date and any reference number of the disputed decision and the name and address of the authority⁷;
- 215 (3) the grounds of appeal⁸;
- 216 (4) where the appellant is represented, the name, address and profession of the representative⁹; and
- 217 (5) the signature of the appellant or his representative and the date the notice was signed¹⁰.

Where the appeal relates to a rating appeal, the appellant must attach to the notice of appeal a copy of the disputed decision and a copy of the proposal or determination that was the subject of the proceedings which led to the disputed decision¹¹. The appellant must deliver or send the notice of appeal to the Lands Tribunal together with sufficient copies for service upon each of the parties to the proceedings which led to the disputed decision and upon the authority, and where appropriate, the valuation officer¹².

Upon receiving a notice of appeal, the registrar must: (a) enter particulars of the appeal in the register of appeals¹³; (b) serve a copy of the notice on the parties to the proceedings which led to the disputed decision (other than the appellant), on the authority and, where applicable, on the valuation officer, and inform the appellant of the date on which this was done¹⁴; and (c) inform the appellant and all persons on whom a copy of the notice of appeal is served of the number of the appeal entered on the register which is to constitute the title of the appeal¹⁵.

If a person on whom a copy of the notice of appeal is served intends to respond, he must give written notice of his intention, signed and dated, stating¹⁶:

- 218 (i) whether he intends to respond separately or jointly with some other person¹⁷;
- 219 (ii) the grounds on which he opposes the appeal¹⁸; and
- 220 (iii) an address for service of notices and other documents on him¹⁹.

The notice of intention to respond must be served on the registrar and the appellant within 28 days of the date of service of the copy of the notice of appeal²⁰. Where the registrar receives more than one notice of intention to respond, he must serve a copy of each such notice on all parties other than the appellant²¹.

Within 28 days of service of a notice of intention to respond, the appellant must serve on the respondent²² from whom it is received a statement of his case, including full particulars of the facts relied upon and any points of law on which he intends to rely at the hearing²³. Within 28

days of service of the appellant's statement, a respondent must serve on the appellant a reply stating his case including full particulars of the facts relied upon and any points of law on which he intends to rely at the hearing²⁴. Where a party serves such a statement or such a reply, he must at the same time send a copy to the registrar with confirmation that the statement or reply has been duly served²⁵; and a statement or reply duly served must be accompanied by²⁶:

- 221 (A) every valuation which the party proposes to put in evidence (which must include all particulars and computations in support of the valuation), or a statement of the value or values which the parties have agreed²⁷; and
- 222 (B) either full particulars of any comparable properties and transactions to which the party intends to refer at the hearing in support of his case and a statement of the purpose for which the comparison is made²⁸, or a statement that no comparable properties or transactions will be referred to²⁹.

If at the hearing of an appeal a party seeks to rely upon any valuation or other document which appears to the Lands Tribunal not to have been duly served³⁰, it may adjourn the hearing on such terms as to costs or otherwise as it thinks fit³¹.

Thereafter, the general procedure before the Lands Tribunal, which is set out elsewhere in this work³², applies³³.

1 For these purposes, 'appeal' means an appeal against a determination of any question by an authority in respect of whose decision an appeal lies to the Lands Tribunal: Lands Tribunal Rules 1996, SI 1996/1022, r 2(1) (definition substituted by SI 1997/1965). 'Rating appeal' means an appeal from the decision of a valuation tribunal in relation to non-domestic rating: Lands Tribunal Rules 1996, SI 1996/1022, r 2(1). As to the Lands Tribunal's jurisdiction in relation to rating appeals see PARA 165 ante. As to valuation tribunals see PARA 147 et seq ante; and as to hearings before them see PARA 151 et seq ante.

The appeals procedure which is set out in the Lands Tribunal Rules 1996, SI 1996/1022, Pt III (rr 6-8) (as amended) is not restricted to appeals against decisions of valuation tribunals; the same framework applies to other appeals that may lie eg from certain decisions and assessments of HM Revenue and Customs in which the question at issue is the value of any land (see eg the Taxes Management Act 1970 s 46D (as added and amended)). However, the procedure that is set out in the text reflects the particular adaptations that are made to accommodate rating appeals. It does not reflect, for instance, the particular provisions that have been added to the Lands Tribunal Rules 1996, SI 1996/1022, Pt III (as amended) in order to accommodate appeals under the Commonhold and Leasehold Reform Act 2002 s 175 against a decision of the Leasehold Valuation Tribunal (as to which see LANDLORD AND TENANT vol 27(1) (2006 Reissue) PARA 72) or appeals under the Housing Act 2004 s 231 against a decision of the Residential Property Tribunal (as to which see HOUSING vol 22 (2006 Reissue) PARA 199). Accordingly, for information on the procedure that applies in the case of appeals other than rating appeals, reference should be made elsewhere in the work.

As to the constitution of, and the procedure before, the Lands Tribunal generally see COMPULSORY ACQUISITION OF LAND vol 18 (2009) PARA 720 et seq. See also the *Lands Tribunal Practice Directions* (May 2006), issued by the President of the Lands Tribunal and available at the Lands Tribunal's website, whose address, at the date at which this volume states the law, is <http://www.landtribunal.gov.uk>.

2 'Registrar' means the registrar of the Lands Tribunal or, as respects any powers or functions of the registrar, an officer of the Lands Tribunal authorised by the Lord Chancellor, after consulting the Lord Chief Justice, to exercise those powers or functions: Lands Tribunal Rules 1996, SI 1996/1022, r 2(1) (definition amended by SI 2006/680). As to the registrar see COMPULSORY ACQUISITION OF LAND vol 18 (2009) PARA 717 et seq.

4 Lands Tribunal Rules 1996, SI 1996/1022, r 6(1)(a) (as substituted: see note 3 supra). The time appointed for doing any act or taking any steps in relation to any Lands Tribunal proceedings may be extended by the registrar on application to him, upon such terms as he thinks fit: see COMPULSORY ACQUISITION OF LAND vol 18 (2009) PARA 731.

5 Ibid r 6(3). Where the notice of appeal referred to in the text does not conform with the requirements set out in heads (1) to (5) in the text, the appellant must, within such time as the registrar may direct, send to the registrar a notice which does so conform: r 6(2).

The fee to be taken in respect of proceedings before the Lands Tribunal, on lodging a notice of appeal under r 6 (as amended) from the decision of a tribunal empowered to hear rating appeals, is 1% of rateable value, subject to a minimum fee of £50 and a maximum fee of £5,000: see the Lands Tribunal (Fees) Rules 1996, SI 1996/1021, r 3, Schedule. Where a party receives from the registrar a copy of a notice of intention to respond from another party in accordance with the Lands Tribunal Rules 1996, SI 1996/1022, r 7(3) (see the text and note 21 supra) he must, within 28 days of service of such notice on him, send to that other party a copy of the reply referred to in r 8(3) (as amended): r 8(4) (amended by SI 2006/880). As to time limits see note 4 supra.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(7) RATING LISTS/(viii) Valuation List Appeals/E. APPEAL FROM THE VALUATION TRIBUNAL TO THE LANDS TRIBUNAL/167. Powers of the Lands Tribunal on hearing a rating appeal.

167. Powers of the Lands Tribunal on hearing a rating appeal.

The Lands Tribunal¹, on appeal against a decision of a valuation tribunal², may confirm, vary, set aside, revoke or remit the decision or order of the valuation tribunal, and may make any order the tribunal could have made³. Valuation officers⁴ must act in accordance with any order made by the Lands Tribunal⁵; and, pursuant to such an order, they must alter the list concerned⁶ accordingly and attend to any ancillary matter provided for in the order (such as the repayment of an amount, or the allowance of an amount by way of deduction against a sum due)⁷.

Under the General Rate Act 1967 (now repealed)⁸, the tribunal could not increase the assessment of a hereditament above the figure decided by the local valuation court where only the ratepayer appealed, or decide a contention which was not raised by the proposal, and these principles appear to have survived under the current legislation⁹.

The Lands Tribunal is entitled to say that it will not overrule the decision of a local valuation court unless it is satisfied by the appellant that there is something wrong as a matter of fact in the court's findings¹⁰. It is reluctant, in appeals involving a few pounds only, to interfere with a decision given on the same evidence by a local valuation court unless that court made a mistake of law, or applied a wrong principle of valuation, or the decision was against the weight of the evidence¹¹.

The Lands Tribunal is not an administrative agency with a general duty to correct errors, clerical or otherwise, in the valuation list and it has no power to amend the decision of the local valuation court except by determining an appeal on the evidence before it¹².

The Lands Tribunal has held that it is entitled to rely on its own experience of valuation¹³.

Tribunal: see the Non-Domestic Rating (Miscellaneous Provisions) Regulations 1989, SI 1989/1060, reg 3; and PARA 123 ante.

A decision of the Lands Tribunal is final¹, except that any person who is aggrieved² by its decision as being erroneous in point of law³ may, within such time as may be limited by rules of court, in England and Wales appeal to the Court of Appeal and otherwise require the tribunal to state and sign a case for the decision of the court⁴. Any documents referred to should be appended to the case⁵.

169. Powers and procedure of the Court of Appeal.

On the hearing of a case stated by the Lands Tribunal¹, the Court of Appeal, if it thinks fit, may amend the case² or order it to be sent back to the Lands Tribunal for amendment³. The court may only draw inferences of fact when it holds that the tribunal has misdirected itself⁴. The general powers of the Court of Appeal, so far as applicable, apply to such a case stated⁵.

The Court of Appeal may not disturb a conclusion of fact drawn by the Lands Tribunal unless either: (1) the tribunal has misunderstood or misinterpreted the law; or (2) the conclusion is one which, on the evidence or on the primary facts found by the tribunal, a person who properly understood the law could not reasonably entertain; in many cases, however, reasonable persons properly understanding the law may reach different conclusions, and in such cases the Court of Appeal does not interfere⁶. So long as nothing is excluded from consideration which by law ought to be included, or included which by law ought to be excluded, the decision of the Lands Tribunal is final on the quantum of an assessment and on the mode of valuation⁷.

The Court of Appeal will not allow an appeal without having heard it, even though the parties have agreed that the appeal should be allowed on certain terms⁸.

175 Provisions that may be made for recovery or adjustment where ratepayer dies

NOTE 3--SI 1989/1058, SI 1989/2260, SI 1990/145 further amended: see PARA 170 NOTE 4.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(8) RECOVERY OF RATES/(ii) Local Non-domestic Rating Lists/A. DEMAND/(A) Demand Notices/176. Demand notices and their service.

(ii) Local Non-domestic Rating Lists

A. DEMAND

(A) DEMAND NOTICES

176. Demand notices and their service.

For each chargeable financial year¹, a billing authority² must serve a written notice in accordance with the local non-domestic rating lists regulations³ (a 'demand notice')⁴ on every person who is a ratepayer⁵ of the authority in relation to the year⁶.

Where any notice which is required or authorised⁷ to be given to (or served on) a person relates to a hereditament⁸ which is (or, where such a notice relates to more than one hereditament, one or more of which is) a place of business of that person, it may be given or served by leaving it at (or by sending it by post to him at) the place of business (or, as the case may be, one of those places of business)⁹.

In relation to England only¹⁰, any notice required or authorised to be given to (or served by) a billing authority on any person¹¹, or any information required by the demand notice regulations¹² to be supplied to any person when a demand notice¹³ is served¹⁴:

254 (1) may be so given, served or supplied by sending the notice or information to that person by electronic communication¹⁵ to such address¹⁶ as may be notified by that person for that purpose¹⁷; or

255 (2) is to be treated as given, served or supplied to that person where¹⁸:

1

1. (a) the billing authority and that person have agreed for that purpose that any documents containing the notice or information may be accessed by that person on a website¹⁹;
2. (b) the document is a document to which that agreement applies²⁰;
3. (c) the billing authority has published the document on a website²¹; and
4. (d) that person is notified, in a manner for the time being agreed for those purposes between him and the billing authority, of the publication of the document on a website²², of the address of that website²³ and of the place on the website where the document may be accessed²⁴.

2

For the purpose of any legal proceedings in England, a notice given by a means described in heads (1) and (2)(a) to (2)(d) above must, unless the contrary is proved, be treated as served on the second business day²⁵ after it was sent in accordance with head (1) above²⁶ or on the second business day after notification of its publication was given in accordance with head (2) (d) above²⁷.

1 For the purposes of the Local Government Finance Act 1988, chargeable financial years are financial years beginning in 1990 and subsequent years: s 145(1). For the meaning of 'financial year' for these purposes see PARA 1 note 1 ante.

176 Demand notices and their service

TEXT AND NOTES 10-27--Corresponding provision now made in relation to Wales: SI 1989/1058 reg 2(3)-(7) (added by SI 2009/2706).

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(8) RECOVERY OF RATES/(ii) Local Non-domestic Rating Lists/A. DEMAND/(A) Demand Notices/177. The requirement for demand notices.

177. The requirement for demand notices.

Different demand notices¹ are to be served for different chargeable financial years². A demand notice must be served with respect to the amount payable³ for every hereditament as regards which a person is a ratepayer of the authority, though a single notice may relate to the amount payable with respect to more than one such hereditament⁴.

If a single demand notice relates to the amount payable with respect to more than one hereditament⁵, the amounts due under it, and the times at which they fall due, are to be determined as if separate notices were issued in respect of each hereditament⁶.

1 For the meaning of 'demand notice' see PARA 176 note 4 ante.

2 Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 4(2). For the purposes of the Local Government Finance Act 1988, chargeable financial years are financial years beginning in 1990 and subsequent years: s 145(1). For the meaning of 'financial year' for these purposes see PARA 1 note 1 ante.

3 For these purposes, 'amount payable' for a chargeable financial year or part of a chargeable financial year in relation to a ratepayer, a billing authority and a hereditament means:

- 76 (1) the amount the ratepayer is liable to pay to the authority as regards the hereditament in respect of the year or part under the Local Government Finance Act 1988 s 43 (as amended) (see PARAS 60, 70 et seq ante) or under s 45 (as amended) (see PARAS 62-63, 78-79 ante), whether calculated by reference to s 43(4)-(6) or s 45(4)-(6) (as those provisions are amended or substituted in any case by or under s 57, Sch 7A (as added and amended) (see PARA 83 ante)) or by reference to an amount or rules determined or prescribed under s 47(1)(a) (as amended) (discretionary relief) (see PARA 80 ante) or s 58(3)(a) (special provision for chargeable amounts in relation to Wales) (see PARA 85 ante) (Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 3(1)(a) (definition substituted by SI 1991/141)); or
- 77 (2) where an amount falls to be credited by the billing authority against the ratepayer's liability in respect of the year or part, the amount (if any) by which the amount referred to in head (1) supra exceeds the amount falling to be so credited (Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 3(1)(b) (definition as so substituted; amended by SI 1993/616)).

For the meaning of 'hereditament' see PARA 33 et seq ante; and for the meaning of 'ratepayer' see PARA 176 note 5 ante. As to billing authorities see PARA 5 ante. Under the Local Government Finance Act 1988, 'prescribed' in the context of regulations, means prescribed by the regulations: s 146(6).

'Amount payable' in the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058 (as amended) could only have the meaning set out in reg 3(1) (as amended) and could not be made to refer to a refund: *AEM (Avon) Ltd v Bristol City Council* [1999] LGR 93, [1998] RA 89.

4 Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 4(3).

5 I.e. subject to *ibid* reg 7(1) (as amended), Sch 1 para 5 (see PARA 184 note 1 post) and Sch 1 para 8 (as amended) (see PARA 190 post): see reg 4(4).

6 *Ibid* reg 4(4).

UPDATE

177 The requirement for demand notices

NOTE 3--Definition of 'amount payable' further amended in relation to England: SI 2008/428.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(8) RECOVERY OF RATES/(ii) Local Non-domestic Rating Lists/A. DEMAND/(A) Demand Notices/178. Time of service of demand notices.

178. Time of service of demand notices.

A demand notice¹ must be served² on or as soon as practicable after³:

- 256 (1) except in a case falling within head (2) below, 1 April in the relevant year⁴; or
- 257 (2) if the prescribed conditions as to liability⁵ are not fulfilled in respect of that day⁶ as regards the ratepayer⁷ and the hereditament⁸ concerned, the first day after that day in respect of which such conditions are fulfilled as regards them⁹.

A demand notice may¹⁰, if the non-domestic multiplier for the relevant year has been determined or set¹¹, be served before the beginning of the relevant year on a person with respect to whom on the day it is issued it appears to the billing authority¹² that the prescribed conditions¹³ are fulfilled¹⁴ as regards the hereditament to which it relates¹⁵.

A demand notice must not be served before the authority has set amounts of council tax for the relevant year¹⁶.

1 For the meaning of 'demand notice' see PARA 176 note 4 ante.

2 Is subject to the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 5(2) (as amended) (see the text and notes 10-15 infra): see reg 5(1).

3 Ibid reg 5(1).

The Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 5(1) contains a balance between the interests of the ratepayers and the practicalities of administration; Parliament must have intended that if the billing authority has not complied with the requirements of that provision it would be wrong in principle for the ratepayer to have an obligation thereafter to pay: *Encon Insulation Ltd v Nottingham City Council* [1999] RA 382, [1999] 24 LS Gaz R 40, [1999] All ER (D) 588 (council should have taken practicable steps at an earlier stage than November to locate the relevant premises and their failure to do so precluded recovery of the tax).

4 Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 5(1) (a). For these purposes, 'relevant year' in relation to a notice means the chargeable financial year to which the notice relates: reg 3(1). For the purposes of the Local Government Finance Act 1988, chargeable financial years are financial years beginning in 1990 and subsequent years: s 145(1). For the meaning of 'financial year' for these purposes see PARA 1 note 1 ante.

5 Is the conditions mentioned in the Local Government Finance Act 1988 s 43(1) (see PARA 60 ante) or s 45(1) (as amended) (see PARA 62 ante): see the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 5(1)(b). For these purposes, the conditions mentioned in the Local Government Finance Act 1988 s 43(1) or s 45(1) (as amended) are not to be treated as fulfilled as regards a hereditament on any day on which the chargeable amount for the day in respect of it is nil by virtue of a determination to that effect under s 47(1)(a) (as amended) (see PARA 80 ante): Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 3(2).

6 Where references are made in ibid Pt II (regs 3-9) (as amended) to the day on which a notice is issued, they must be taken to be references:

78 (1) if the notice is served in the manner described in reg 2(2) (see PARA 176 ante) or the Local Government Act 1972 s 233(2) (see LOCAL GOVERNMENT vol 69 (2009) PARA 576), by being left at (or sent by post to) a person's place of business or proper address, to the day on which it is so left or posted (Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 3(3)(a)); or

79 (2) in any other case, to the day on which it is served (reg 3(3)(b)).

If a demand notice¹ is issued before or during the relevant year² and it appears to the billing authority³ that the prescribed conditions as to liability⁴ are fulfilled⁵ in respect of the day on which the notice is issued⁶ as regards the ratepayer⁷ and the hereditament⁸ to which it relates, the notice is to require payment of an amount equal to the billing authority's estimate of the amount payable⁹ for the year, made as respects periods after the issue of the notice on the assumption that the conditions concerned will continue to be fulfilled on every day after that day¹⁰.

If a demand notice is issued after the end of the relevant year, it must require payment of the amount payable for the year¹¹.

10 Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 6(1) (amended by SI 1993/616).

If a demand notice is issued during the relevant year but the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 6(1) (as amended) does not apply, the notice must require payment of an amount equal to the amount payable for the period in the year up to the day on which the conditions mentioned in the Local Government Finance Act 1988 s 43(1) (see PARA 60 ante) or s 45(1) (as amended) (see PARA 62 ante) were last fulfilled as regards the ratepayer and hereditament concerned: Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 6(2). Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(8) RECOVERY OF RATES/(ii) Local Non-domestic Rating Lists/A. DEMAND/(A) Demand Notices/180. Content of demand notices.

180. Content of demand notices.

A rate demand notice¹ issued in England and Wales² for any financial year³ beginning on or after 1 April 2004 must contain certain matters prescribed by regulation⁴.

If the rate demand notice is served by the Common Council of the City of London (or an authorised person on behalf of the Common Council of the City of London) it must contain the following⁵:

- 258 (1) a statement of the address and description of each hereditament⁶ to which the notice relates (the 'relevant hereditament')⁷;
- 259 (2) a statement of the rateable value shown for each relevant hereditament in the authority's local non-domestic rating list⁸;
- 260 (3) a statement of the days (if any) on which, for the purposes of calculating the payments required to be made under the notice, it was understood or assumed that the prescribed conditions as to liability⁹ were or would be fulfilled in relation to any relevant hereditament, and a statement that as regards those days the chargeable amount is one-half of that which it would be if the ratepayer were in occupation¹⁰ of the hereditament¹¹;
- 261 (4) a statement of the days (if any) on which the method of calculating the payments required to be made is set out¹²;
- 262 (5) a statement of the non-domestic rating multipliers set by the Common Council of the City of London for the relevant year¹³ in accordance with statutory provision¹⁴;
- 263 (6) explanatory notes in prescribed wording¹⁵.

If the rate demand notice is served by or on behalf of a billing authority in England, other than the Common Council of the City of London or a rural settlement authority¹⁶, it must contain the matters as set out in heads (1) to (6) above¹⁷, except that the non-domestic rating multipliers to be stated under head (5) above are those set in relation to England under statutory provision¹⁸ and the explanatory notes mentioned in head (6) above are worded differently¹⁹. A rate demand notice served by or on behalf of a rural settlement authority must contain the same matters as required by any other billing authority in England, but subject to minor modification²⁰.

If the rate demand notice is served by or on behalf of a Welsh billing authority, it must contain the matters as set out in heads (1) to (5) above²¹, except that the non-domestic rating multipliers to be stated under head (5) above are those set in relation to Wales under statutory provision²² and the explanatory notes mentioned in head (6) above are worded differently and may be supplied in English or Welsh language versions (or in both languages)²³.

If a rate demand notice is served before the end of the relevant year²⁴, a billing authority must also supply other information, relating mainly to local government finance estimates, when it serves the rate demand notice²⁵.

So that a billing authority may fulfil its obligations with regard to the specified content of council tax demand notices²⁶, information must be supplied to them by precepting authorities²⁷ and (in relation to England only) by levying bodies²⁸.

1 For these purposes, 'rate demand notice' means a demand notice within the meaning of the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, Pt II (regs 3-9) (as amended) (see PARAS 176 et seq ante, 181 et seq post) which is served by a billing authority or any person authorised by a billing authority to exercise any functions relating to the collection of non-domestic rates (including such a notice served pursuant to the Non-Domestic Rating (Collection and Enforcement) (Miscellaneous Provisions) Regulations 1990, SI 1990/145, Pt II (regs 2-5) (as amended) (joint owners and occupiers)): Non-Domestic Rating (Demand Notices) (Wales) Regulations 1993, SI 1993/252, reg 2(1) (definition amended by SI 1996/1880); Council Tax and Non-Domestic Rating (Demand Notices) (England) Regulations 2003, SI 2003/2613, reg 1(2). 181. Consequence of omissions.

A rate demand notice¹ in England and Wales² is invalid if it does not contain the matters prescribed by regulation³.

However, where the failure so to comply was due to a mistake⁴, and where the amounts required to be paid under the notice were demanded in accordance with prescribed provisions⁵, the requirement to pay those amounts applies as if the notice were valid⁶. In such circumstances, the billing authority⁷ must, as soon as practicable after the mistake is discovered, issue to the liable ratepayer concerned a statement of the matters which were not contained in the notice and which should have been so contained⁸.

- 265 (2) the payment or payments required to be paid are found to be in excess of or less than the amount payable in relation to the hereditament for the year or the part⁷; and
- 266 (3) provision for adjusting the amounts required under the notice and (as appropriate) for the making of additional payments or the repaying or crediting of any amount overpaid is not made by any other provision⁸,

the billing authority must as soon as practicable after the expiry of the year or the part of a year serve a further notice on the ratepayer stating the amount payable for the year or part in relation to the hereditament, and adjusting (by reference to that amount) the amounts required to be paid under the notice referred to in head (1) above⁹.

9 Ibid reg 9(2) (amended by SI 1993/616). No notice can be made under the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 9(2) (as amended) requiring the payment of sums refunded in error: *AEM (Avon) Ltd v Bristol City Council* [1999] LGR 93, [1998] RA 89 (where the procedure in the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, Pt II (as amended) (see PARAS 176 et seq ante, 183 et seq post) had been complied with and exhausted by payment of the amount due, the liability order provisions in the Regulations had no application and the local authority's proper remedy was in restitution).

If there has been an overpayment in respect of any liability of the ratepayer under the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, Pt II (as amended), the amount overpaid for which such other provision as is mentioned in reg 9(1)(c) is not made:

80 (1) is to be repaid if the ratepayer so requires (reg 9(4)(a)); or

81 (2) in any other case is (as the billing authority determines) either to be repaid or be credited against any subsequent liability of the ratepayer to pay anything to the billing authority by way of non-domestic rate (reg 9(4)(b)) (amended by SI 1993/616).

(B) PAYMENT BY INSTALMENTS

183. Payment by instalments.

A billing authority¹ and a ratepayer² may agree that the estimate of the amount payable³ which is required to be paid⁴ should be paid in such manner as is provided by the agreement, rather than in accordance with the non-domestic rate instalment scheme⁵.

If such an agreement⁶ in relation to the relevant year⁷ has been reached between the billing authority and the ratepayer before the demand notice⁸ is issued, a prescribed notice⁹ must require the estimate of the amount payable to be paid in accordance with that agreement¹⁰.

Unless such an agreement¹¹ in relation to the relevant year has been reached between the ratepayer and the billing authority before the demand notice is issued, a notice¹² must require the estimate of the amount payable to be paid by instalments¹³.

A notice issued retrospectively in relation to a period of liability¹⁴ must require payment of the amount payable on the expiry of such period (being not less than 14 days) after the day¹⁵ of issue of the notice as is specified in it¹⁶.

No payment in respect of the amount payable by a ratepayer in relation to a hereditament¹⁷ for any chargeable financial year¹⁸ (whether interim, final or sole) need be made unless a statutory notice¹⁹ requires it²⁰.

183 Payment by instalments

TEXT AND NOTES--Special provision is made in relation to the collection of certain backdated liability to rates: SI 1989/1058 reg 7A, Sch 1A (added by SI 2009/204 (England), and SI 2009/461 (Wales)). In relation to England, a ratepayer subject to non-domestic rates in respect of the financial year 2009-10 who satisfies certain conditions may defer payment, to the financial years beginning on 1 April 2010 and 1 April 2011, of a specified proportion of his liability: SI 1989/1058 reg 7B, Schs 1B, 1C (added by SI 2009/1597). Corresponding provision is made in relation to Wales: see SI 1989/1058 reg 7C, Sch 1D (added by SI 2009/2154).

184. Payment of the aggregate amount under the non-domestic rate instalment scheme.

The provisions as to payment of the aggregate amount¹ apply where the demand notice is issued on or before 31 December in the relevant year². The aggregate amount is payable in monthly instalments, the number of such instalments being³ ten or, if less, the number of whole months remaining in the relevant year after the issue of the notice less one⁴.

The months in which the instalments are payable must be uninterrupted, but subject to that⁵ are to be such months in the relevant year as are specified in the notice; and the instalments are to be payable on such day in each month as is so specified⁶.

Detailed provisions apply in respect of calculating the instalments due⁷.

The demand notice must be issued at least 14 days before the day on which the first instalment is due under it⁸.

¹ I.e. the provisions contained in the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 7(1), Sch 1 para 1 (as amended): see Sch 1 para 1(1). For the purposes of Sch 1 Pt I (paras 1-5) (as amended), 'aggregate amount' means the amount of the estimate referred to in reg 6(1) (as amended) (see PARA 179 ante), or if pursuant to reg 4(3) (see PARA 177 ante) the demand notice relates to more than one hereditament for which such an estimate is made, the aggregate of the amount of those estimates: Sch 1 para 5. For the meaning of 'demand notice' see PARA 176 note 4 ante.

² Ibid Sch 1 para 1(1). These provisions have effect subject to Sch 1 para 3 (see note 7 infra): see Sch 1 para 1(1). For the meaning of 'relevant year' see PARA 178 note 4 ante.

Where the demand notice is issued in May, the number of instalments may be ten or the number ascertained in accordance with Sch 1 para 1(2) (as amended) (see the text and notes 3-4 infra), as the billing authority determines: Sch 1 para 1(2A) (added by SI 1991/1127; amended by SI 1993/616). As to billing authorities see PARA 5 ante.

Where the demand notice is issued between 1 January and 31 March in the relevant year, the aggregate amount is payable in a single instalment on such day as is specified in the notice: Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, Sch 1 para 2 (amended by SI 1991/1127).

³ I.e. subject to the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, Sch 1 para 1(2A) (as added and amended) (see note 2 supra): see Sch 1 para 1(2) (as amended: see note 4 infra).

⁶ Ibid Sch 1 para 1(3).

⁷ See ibid Sch 1 para 1(4), (5). Special provisions apply to cases where instalments payable in accordance with Sch 1 para 1 (as amended) would produce an amount for an instalment of less than £50: see Sch 1 para 3.

185. Cessation and adjustment of instalments where conditions as to liability not fulfilled.

Where the demand notice¹ has been served on a ratepayer² by a billing authority³, and in respect of a day⁴ in the relevant year⁵ (the 'relevant day') after its issue the prescribed conditions as to liability⁶ are not fulfilled as regards the ratepayer and the hereditament⁷ to which the notice relates⁸, no payments of instalments falling due after the relevant day are payable under the notice in relation to the hereditament⁹.

The billing authority must, on the relevant day or as soon as practicable after that day, serve a notice on the ratepayer stating the amount payable¹⁰ in relation to the hereditament for the period in the relevant year up to the relevant day¹¹.

If these provisions that apply where the prescribed conditions as to liability are not fulfilled¹² apply in relation to a demand notice, and after the relevant day the conditions as to liability¹³ are fulfilled again in the relevant year as regards the ratepayer and the hereditament concerned, a further notice must be served on him requiring payments with respect to the amount payable in relation to the hereditament for the period in the relevant year beginning with the day in respect of which the conditions are so fulfilled again¹⁴.

5 For the meaning of 'relevant year' see PARA 178 note 4 ante.

6 I.e. the conditions mentioned in the Local Government Finance Act 1988 s 43(1) (see PARA 60 ante) or s 45(1) (as amended) (see PARA 62 ante) (or, as the case may be, conditions as would be fulfilled if a list sent under s 41(5) (as amended) (see PARA 121 ante) were in force): see the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 7(1), Sch 1 para 6(1) (as amended: see note 8 infra). 9 Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, Sch 1 para 6(2). This provision is subject to Sch 1 para 6(5), (6) (para 6(5) as amended) (see the text and notes 11-14 infra): see Sch 1 para 6(2).

11 Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, Sch 1 para 6(3) (amended by SI 1993/616). If the amount stated in the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, Sch 1 para 6(3) (as amended) is less than the aggregate amount of any instalments which have fallen due on or before the relevant day in relation to the hereditament, the difference is to go in the first instance to discharge any liability to pay the instalments (to the

extent that they remain unpaid); and any residual overpayment in respect of any liability of the ratepayer under Pt II (regs 3-9) (as amended) (see PARAS 176 et seq ante, 186 et seq post):

82 (1) must be repaid if the ratepayer so requires (Sch 1 para 6(4)(a)); or

83 (2) in any other case must (as the billing authority determines) either be repaid or credited against any subsequent liability of the ratepayer to pay anything to the billing authority by way of non-domestic rate (Sch 1 para 6(4)(b)) (amended by SI 1993/616).

If the amount stated in the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, Sch 1 para 6(3) (as amended) is greater than the aggregate amount of any instalments which have fallen due in relation to the hereditament on or before the relevant day, the difference between the two is due from the ratepayer to the billing authority on the expiry of such period (being not less than 14 days) after the day of issue of the notice served under Sch 1 para 6(3) (as amended) as is specified in it: Sch 1 para 6(5) (amended by SI 1993/616).

As to these conditions see PARA 178 note 5 ante.

14 Ibid Sch 1 para 6(6). Regulations 5-8 (as amended) (see PARAS 178, 183 ante, 191 post) (and, so far as applicable, Sch 1) (as amended) are to apply to the further notice with respect to that period as if it were a demand notice and the conditions had not previously been fulfilled: Sch 1 para 6(6).

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(8) RECOVERY OF RATES/(ii) Local Non-domestic Rating Lists/A. DEMAND/(B) Payment by Instalments/186. Cessation and adjustment of instalments where estimate based on false factor or assumption.

186. Cessation and adjustment of instalments where estimate based on false factor or assumption.

Where the demand notice¹ has been served on a ratepayer² by a billing authority³, any factor or assumption by reference to which the estimate made for the purpose of the notice⁴ was calculated is shown to be false in respect of a day (the 'relevant day'), and where the circumstances affecting liability have not changed⁵ as regards the hereditament⁶ to which the notice relates⁷, the billing authority must, on or as soon as practicable after the relevant day⁸:

267 (1) adjust the instalments (if any) payable on or after the adjustment day⁹ (the 'remaining instalments') so that they accord with the amounts prescribed¹⁰; and

268 (2) serve a notice on the ratepayer stating the amount of the revised estimate¹¹ and the amount of any remaining instalment¹².

The amount of the revised estimate is the revised estimate of the billing authority of the amount payable¹³ for the relevant year¹⁴ in relation to the hereditament¹⁵.

The aggregate amount of the remaining instalments payable is equal to the amount by which the revised estimate¹⁶ exceeds the aggregate amount of the instalments payable under the demand notice before the adjustment day; and the amount of each remaining instalment (if there are more than one) must be calculated¹⁷ as if references to the aggregate amount and to instalments were references to the aggregate amount of the remaining instalments and to the remaining instalments respectively¹⁸.

If the revised estimate¹⁹ exceeds the aggregate amount of the instalments payable under the demand notice before the adjustment day, but no instalments are payable under it on or after that day, the amount of the excess is due from the ratepayer to the billing authority in a single instalment on the expiry of such period (being not less than 14 days) after the day²⁰ of issue of the notice²¹ as is specified in it²²; and if in any case the revised estimate is less than the aggregate amount of the instalments payable before the adjustment day, any overpayment in respect of any liability of the ratepayer²³: (a) must be repaid if the ratepayer so requires²⁴; or (b) in any other case is (as the billing authority determines) either to be repaid or credited against any subsequent liability of the ratepayer to pay anything to it by way of non-domestic rate²⁵.

Cessation and adjustment of instalments where notice of revised estimates not served before advent of transitional provisions.

187. Cessation and adjustment of instalments where notice of revised estimates not served before advent of transitional provisions.

In circumstances where:

- 269 (1) the demand notice¹ has been served on a ratepayer² by a billing authority³;
- 270 (2) the authority's estimate⁴ for the purposes of the notice (the 'original estimate') was made before the coming into force of transitional charging provisions⁵;
- 271 (3) the original estimate is shown to be false⁶;
- 272 (4) the specified event⁷ has not occurred as regards the hereditament⁸ to which the demand notice relates⁹; and
- 273 (5) no notice¹⁰ has been served¹¹,

the billing authority must, as soon as practicable after the day on which the transitional provisions mentioned in head (2) above come into force¹²:

- 274 (a) adjust the instalments payable on or after the transitional adjustment day¹³ (the 'remaining instalments') so that they accord with the instalments which would have been payable under the demand notice if those transitional provisions had been in force when the original estimate was made¹⁴, and that estimate had been made with reference to the transitional provisions¹⁵; and
- 275 (b) serve a transitional adjustment notice on the ratepayer stating:
 - 3
 - 5. (i) that it takes account of the transitional provisions¹⁶;
 - 6. (ii) the amount of the original estimate¹⁷;
 - 7. (iii) the amount of the revised estimate (the '1992 Act estimate')¹⁸;
 - 8. (iv) the amount of the difference between the amounts of the original estimate and the 1992 Act estimate¹⁹;
 - 9. (v) the amount of the instalments which would have been payable under the demand notice if the transitional provisions²⁰ had been in force when the original estimate was made and that estimate had been made with reference to those transitional provisions²¹;
 - 10. (vi) the amount of each remaining instalment²²;
 - 11. (vii) the day on which each such instalment is payable, being such of the days specified in the demand notice as fall after the transitional adjustment day²³; and
 - 12. (viii) the amount of any excess that has been determined²⁴.

4

A transitional adjustment notice must be served at least 14 clear days before the day on which an instalment falls to be paid under the demand notice²⁵.

In so far as the aggregate of any amounts paid (by reference to the original estimate) before the day²⁶ on which the transitional adjustment notice is issued exceeds the aggregate of the amounts that would have been payable before that day if the original estimate had been the same as the 1992 Act estimate, the amount of the excess²⁷: (A) must be repaid if the ratepayer

so requires²⁸; (b) in any other case, must (as the billing authority determines) either be repaid or be credited against any subsequent liability of the ratepayer to pay anything to the billing authority by way of non-domestic rate²⁹.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(8) RECOVERY OF RATES/(ii) Local Non-domestic Rating Lists/A. DEMAND/(B) Payment by Instalments/188. Cessation and adjustment of instalments where notice of revised estimates proved false by transitional provisions.

188. Cessation and adjustment of instalments where notice of revised estimates proved false by transitional provisions.

Where an original estimate has been proved false by transitional charging provisions and a revised notice has already been served¹, the billing authority² must as soon as practicable after the day on which the transitional charging provisions come into force³:

- 276 (1) adjust the instalments payable on or after the transitional adjustment day⁴ (the 'remaining instalments') so that they accord with the instalments which would have been payable under the demand notice⁵ (and any notice given⁶ in relation to the demand notice)⁷ if the transitional provisions had been in force when the original estimate was made⁸, and that estimate had been made with reference to the transitional provisions⁹; and
- 277 (2) serve a notice (a 'transitional adjustment notice') on the ratepayer¹⁰ stating:
 - 5 13. (a) that it takes account of the transitional provisions¹¹;
 14. (b) the amount of the revised estimate of which notice has been given¹² (or, if there has been more than one revised estimate, the last)¹³;
 15. (c) the amount of the estimate (the '1992 Act estimate')¹⁴;
 16. (d) the amount of the difference between the amounts of the revised estimate¹⁵ (or, if there has been more than one revised estimate, the last) and the 1992 Act estimate¹⁶;
 17. (e) the amount of the instalments which would have been payable under the demand notice (and any notice given¹⁷ in relation to the demand notice) if the transitional provisions¹⁸ had been in force when the original estimate was made and that estimate had been made with reference to the transitional provisions¹⁹;
 18. (f) the amount of each remaining instalment²⁰;
 19. (g) the day on which each such instalment is payable, being such of the days specified in the demand notice as fall after the transitional adjustment day²¹; and
 20. (h) the amount of any excess that has been determined²².

A transitional adjustment notice must be served at least 14 clear days before the day on which an instalment falls to be paid under the demand notice²³.

In so far as the aggregate of any amounts paid (by reference to the original estimate and any revised estimate of which notice has been given²⁴) before the day²⁵ on which the transitional adjustment notice is issued exceeds the aggregate of the amounts that would have been payable before that day if the original estimate had been the same as the 1992 Act estimate, the amount of the excess²⁶: (i) must be repaid if the ratepayer so requires²⁷; and (ii) in any other case, is (as the billing authority determines) either to be repaid or to be credited against any subsequent liability of the ratepayer to pay anything to the billing authority by way of non-domestic rate²⁸.

Where a further adjustment falls to be made under Sch 1 (as amended) (see PARA 184 et seq ante) after the service of a transitional adjustment notice pursuant to Sch 1 para 7A (as added and amended) (see PARA 187 ante) or Sch 1 para 7B (as added) (see PARA 188 ante):

- 91 (1) Sch 1 para 7 (as amended) (see PARA 186 ante) is to apply as if (so far as the context permits) references to the demand notice and to amounts in respect of instalments payable under it were references to the transitional adjustment notice and to the remaining instalments payable under it (Sch 1 para 9(2)(a) (as so substituted)); and
- 92 (2) in calculating the aggregate amount of instalments payable under a demand notice before the adjustment day for the purposes of Sch 1 para 7(4), (5) (Sch 1 para 7(5) as amended) (see PARA 186 ante) in consequence of the revised estimate mentioned in Sch 1 para 7(3) (as amended) (see PARA 186 ante), and without prejudice to Sch 1 para 7(6) (as amended) (see PARA 186 ante), there must not count as so payable any amount in respect of such instalments which has fallen to be repaid (or credited) under Sch 1 para 7A (as added and amended) or Sch 1 para 7B (as added), as the case may be (Sch 1 para 9(2)(b) (as so substituted)).

As to the repayment, crediting or adjustment of payments see PARA 183 note 5 ante.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(8) RECOVERY OF RATES/(ii) Local Non-domestic Rating Lists/A. DEMAND/(B) Payment by Instalments/191. Failure to pay instalments.

191. Failure to pay instalments.

Where:

- 281 (1) a demand notice¹ has been served by a billing authority² on a ratepayer³;
- 282 (2) instalments are payable under the notice in accordance with the non-domestic rate instalment scheme⁴; and
- 283 (3) any such instalment is not paid in accordance with the scheme⁵,

the billing authority must (unless all the instalments have fallen due) serve a further notice on the ratepayer stating the instalments required to be paid⁶.

If, after the service of such a further notice⁷, the ratepayer⁸:

- 284 (a) fails to pay, before the expiry of the period of seven days beginning with the day of service of the further notice, any instalments which fall due before the expiry of that period under the demand notice concerned⁹; or
- 285 (b) fails to pay any instalment which falls due after the expiry of that period under the demand notice concerned on or before the day on which it so falls due¹⁰,

the unpaid balance of the estimated amount¹¹ becomes payable by him at the expiry of a further period of seven days beginning with the day of the failure¹².

If any factor or assumption by reference to which the estimated amount was calculated in relation to a hereditament is shown to be false before the amount payable is capable of final determination¹³, the billing authority may (and if so required by the ratepayer must) make a calculation of the appropriate amount¹⁴ with a view to adjusting the ratepayer's liability in respect of the estimated amount and (as appropriate) to¹⁵:

- 286 (i) requiring an interim payment from the ratepayer if the appropriate amount is greater than the estimated amount¹⁶; or
- 287 (ii) making an interim repayment to the ratepayer if the appropriate amount is less than the amount of the estimated amount paid¹⁷.

On calculating the appropriate amount, the billing authority must notify the ratepayer in writing of it¹⁸.

1 For the meaning of 'demand notice' see PARA 176 note 4 ante. As to service see PARA 178 ante.

2 As to billing authorities see PARA 5 ante.

3 Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 8(1) (a) (amended by SI 1993/616). For the meaning of 'ratepayer' see PARA 176 note 5 ante.

4 Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 8(1) (b). The text refers to instalments payable under the notice in accordance with reg 7(1), Sch 1 (as amended) (see PARAS 183-190 ante): see reg 8(1)(b).

5 Ibid reg 8(1)(c). The text refers to any such instalment not being paid in accordance with Sch 1 (as amended) (see PARAS 183-190 ante): see reg 8(1)(c).

6 Ibid reg 8(1) (amended by SI 1993/616).

7 The service of a further notice under the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 8(1) (as amended) (see the text and notes 1-6 supra): see reg 8(2).

8 Ibid reg 8(2).

9 Ibid reg 8(2)(a).

10 Ibid reg 8(2)(b).

11 For these purposes, 'estimated amount' means the amount last estimated under ibid reg 6(1) (as amended) (see PARA 179 ante) for the purposes of the demand notice mentioned in reg 8(1)(a) (as amended) (see head (1) in the text) or any subsequent notice given under Sch 1 para 7(2) (as substituted and amended) (see PARA 186 ante) or, as the case may be, Sch 1 para 7A (as added and amended) (see PARA 187 ante) or Sch 1 para 7B (as added) (see PARA 188 ante) prior to the failure mentioned in reg 8(2), save that if in any case an interim adjustment has been required or made under reg 8(5) (as amended) (see the text and notes 13-17 infra) in relation to a hereditament, it means as regards the next payment, repayment or interim adjustment in relation to the hereditament under reg 8 (if any), the appropriate amount by reference to which the previous interim adjustment was so made: reg 8(8) (amended by SI 1992/1512). For the meaning of 'hereditament' see PARA 33 et seq ante.

12 Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 8(2). If the unpaid balance of the estimated amount has become payable under reg 8(2), and on calculating the amount payable for the relevant year in relation to a hereditament to which the demand notice concerned relates that amount proves to be greater than the estimated amount in relation to the hereditament, an additional sum equal to the difference between the two is, on the service by the billing authority on the ratepayer of a notice stating the amount payable, to be due from the person to the authority on the expiry of such period (being not less than 14 days) after the day of issue of the notice as is specified in it: reg 8(3) (amended by SI 1993/616).

However, if the unpaid balance of the estimated amount has become payable under the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 8(2), and on calculating the amount payable for the relevant year in relation to a hereditament to which the demand notice concerned relates that amount proves to be less than the estimated amount in relation to the hereditament, the billing authority is to notify the ratepayer in writing of the amount payable: reg 8(4) (amended by SI 1993/616). Any overpayment in respect of any liability of the ratepayer under the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, Pt II (regs 3-9) (as amended) (see PARA 176 et seq ante) is to be repaid if the ratepayer so requires (reg 8(4)(a)); or in any other case is (as the billing authority determines) either to be repaid or to be credited against any subsequent liability of the ratepayer to pay anything to the billing authority by way of non-domestic rate (reg 8(4)(b) (amended by SI 1993/616)). For the meaning of 'amount payable' see PARA 177 note 3 ante.

13 The for the purposes of the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 8(3), (4) (as amended) (see note 12 supra): see reg 8(5) (as amended: see note 15 infra).

14 For these purposes, the 'appropriate amount' is the amount which would be required to be paid under a demand notice if such a notice were issued with respect to the relevant year, the ratepayer and the hereditament on the day that the notice under ibid reg 8(7) (as amended) (see the text and note 18 infra) is issued or the repayment under reg 8(5)(b) (see head (ii) in the text) is made (as the case may be); and more than one calculation of the appropriate amount and interim payment or repayment may be required or made under reg 8(5) (as amended) according to the circumstances: reg 8(6), (8).

15 Ibid reg 8(5) (amended by SI 1993/616).

16 Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 8(5) (a).

17 Ibid reg 8(5)(b).

18 Ibid reg 8(7) (amended by SI 1993/616). A payment required under the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 8(5)(a) (as amended) (see head (i) in the text) is due from the ratepayer to the billing authority on the expiry of such period (being not less than 14 days) after the day of issue of the notice as is specified in it: reg 8(7) (as so amended).

A billing authority¹ and a person liable to pay to it an amount² may enter into an agreement that³:

- 288 (1) any interest of his in the hereditament⁴ as regards which the liability arises is to be charged to secure payment of the amount⁵; and
- 289 (2) in consideration of the charge, the authority will take no steps, for a period specified in the agreement, to recover any payment in respect of the amount⁶.

Such an agreement⁷:

- 290 (a) may also extend to any further amount the person may become liable to pay to the authority under the statutory provisions governing liability⁸ as regards the hereditament⁹;
- 291 (b) may provide for the payment of interest on sums outstanding¹⁰;

B. ENFORCEMENT

193. Reminder notices and liability orders: application.

A sum which has become payable to a billing authority¹ and which has not been paid² is recoverable under a liability order³, or in a court of competent jurisdiction⁴. Before a billing authority applies for a liability order, it must serve on the person against whom the application is to be made a notice ('reminder notice')⁵ stating every amount in respect of which the authority is to make the application⁶. A reminder notice may be served in respect of an amount at any time after it has become due⁷.

However, a reminder notice need not be served on a person who has been served with a further notice⁸ in respect of the amount concerned where there has been a failure to pay⁹ in relation to that notice¹⁰.

If an amount which has fallen due owing to such a failure to pay¹¹ is wholly or partly unpaid, or if the amount stated in a reminder notice¹² is wholly or partly unpaid at the expiry of the period of seven days beginning with the day on which the notice was served, the billing authority may apply to a magistrates' court for an order against the person by whom it is payable¹³. Such an application is to be instituted by making complaint to a justice of the peace¹⁴, and requesting the issue of a summons¹⁵ directed to that person to appear before the court to show why he has not paid the sum which is outstanding¹⁶. No liability order may be made in pursuance of a summons issued in this way unless 14 days have elapsed since the day on which the summons was served¹⁷.

A warrant for the arrest of a defendant who does not appear is not to be issued¹⁸ in any proceedings on application for a liability order¹⁹. However, the court may proceed to hear the complaint in the absence of the defendant upon proof that the summons was served on him in a reasonable time before the hearing²⁰.

1 le under the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, Pt II (regs 3-9) (as amended) (see PARAS 176-191 ante): see reg 10(2) (as amended: see note 4 infra). As to billing authorities see PARA 5 ante.

2 References in *ibid* Pt III (regs 10-23) (as amended) to a sum which has become payable and which has not been paid include references to a sum forming part of a larger sum which has become payable and the other part of which has been paid: reg 10(3).

3 For the purposes of *ibid* Pt III (as amended), 'liability order' means an order under reg 12 (as amended) (see the text and notes 11-19 infra): reg 10(1).

In relation to enforcement and recovery of a sum with respect to joint owners and occupiers, Pt III (as amended) applies with certain modifications: see the Non-Domestic Rating (Collection and Enforcement) (Miscellaneous Provisions) Regulations 1990, SI 1990/145, reg 4(1). As to the circumstances in which reg 4 (as amended) applies, see reg 3(1), (2), in accordance with which the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, Pt II (as amended) (see PARAS 176-191 ante) is applied with modifications: see the Non-Domestic Rating (Collection and Enforcement) (Miscellaneous Provisions) Regulations 1990, SI 1990/145, reg 3(3). Provision is made, *inter alia*, for joint and several liability in the event of there being more than one occupier of a hereditament or part of a hereditament shown in a non-domestic rating list, or more than one owner of the whole of such a hereditament (see reg 3(1), (2)); and for the manner in which notice is to be given in accordance with the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, Pt II (as amended) to those occupiers or owners (see the Non-Domestic Rating (Collection and Enforcement) (Miscellaneous Provisions) Regulations 1990, SI 1990/145, reg 3(3)-(6) (reg 3(5) amended by SI 1993/616)).

Provision is also made in respect of joint owners or occupiers being a charity or trustees for a charity (see the Non-Domestic Rating (Collection and Enforcement) (Miscellaneous Provisions) Regulations 1990, SI 1990/145, reg 3(7)); and for the procedure in the event of the need for repayment of any sum under the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, Pt II (as amended) (see the Non-Domestic Rating (Collection and Enforcement) (Miscellaneous Provisions) Regulations 1990, SI 1990/145, reg 3(8), (9) (reg 3(8) amended by SI 1993/616)).

As to enforcement and procedure in relation to partnerships, and the application of the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, Pts II and III (both as amended) in that context, see the Non-Domestic Rating (Collection and Enforcement) (Miscellaneous Provisions) Regulations 1990, SI 1990/145, reg 5.

4 Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 10(2) (amended by SI 1993/616). Recovery as mentioned in the text must be in accordance with the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, regs 11-21 (as amended) (see the text and notes 5-19 *infra*; and PARA 194 *et seq post*): see reg 10(2) (as so amended). Nothing in reg 10(2) (as amended) indicates that proceedings in a court of competent jurisdiction had to be confined to liability in respect of a single chargeable year: *Tower Hamlets London Borough Council v Merrick* [2001] EWHC Admin 799, [2001] RVR 305, [2001] All ER (D) 225 (Oct).

5 The reminder notice is in addition to any notice required to be served under the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, Pt II (as amended) (see PARAS 176-191 *ante*): see reg 11(1) (as amended: see note 6 *infra*). As to service see PARA 178 *ante*.

6 *Ibid* reg 11(1) (amended by SI 1993/616). This provision is subject to the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 11(3) (see the text and notes 8-10 *infra*): see reg 11(1) (as so amended).

7 *Ibid* reg 11(2).

8 *Ie* served with a further notice under *ibid* reg 8(1) (as amended) (see PARA 191 *ante*): see reg 11(3).

9 *Ie* such a subsequent failure to pay as is mentioned in *ibid* reg 8(2)(a) (see PARA 191 *ante*): see reg 11(3).

10 *Ibid* reg 11(3).

11 *Ie* under *ibid* reg 8(2) in consequence of such a failure as is mentioned in reg 8(2)(a) (see PARA 191 *ante*): see reg 12(1) (as amended: see note 13 *infra*).

12 *Ie* in a case where a reminder notice is required under *ibid* reg 11 (as amended) (see the text and notes 5-10 *supra*): see reg 12(1) (as amended: see note 13 *infra*).

13 *Ibid* reg 12(1) (amended by SI 1993/616). The Magistrates' Courts Act 1980 s 127(1) (limitation of time) (see MAGISTRATES vol 29(2) (Reissue) PARA 589) does not apply to such an application; but no application may be instituted in respect of a sum after the period of six years beginning with the day on which it became due under the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, Pt II (as amended) (see PARAS 176-191 *ante*): reg 12(3).

14 See PARA 201 *post*.

15 A summons issued under the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 12(2) may be served on a person:

93 (1) by delivering it to him (reg 13(2)(a));

94 (2) by leaving it at his usual or last-known place of abode, or in the case of a company, at its registered office (reg 13(2)(b));

95 (3) by sending it by post to him at his usual or last-known place of abode, or in the case of a company, to its registered office (reg 13(2)(c));

96 (4) where all or part of the sum to which it relates is payable with respect to a hereditament which is a place of business of the person, by leaving it at, or by sending it by post to him at, the place of business (reg 13(2)(d)); or

97 (5) by leaving it at, or by sending it by post to him at, an address given by the person as an address at which service of the summons will be accepted (reg 13(2)(e)).

As to the registered office of a company see COMPANIES vol 14 (2009) PARA 129. In *R (on the application of Pilot Foods Ltd) v Horseferry Road Magistrates' Court* [2003] EWHC 1447 (Admin), [2003] RVR 268, [2003] All ER (D) 286 (Jun), liability orders were quashed in circumstances where the summonses had been served at premises which the claimant had licensed to others (rather than at the claimant's registered office) thereby denying him the opportunity of appearing and opposing the making of the orders, in particular by putting evidence before the justices that he had not been in occupation at the relevant time.

16 Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 12(2). The officers of the billing authority may be authorised to appear on behalf of the authority before the magistrates: see the Local Government Act 1972 s 233 (service of notices to local authorities); and LOCAL GOVERNMENT vol 69 (2009) PARA 576. It has been held unfair to refuse a defendant in analogous (community charge) proceedings the assistance of a friend at the hearing: *R v Leicester City Justices, ex p Barrow* [1991] 2 QB 260, [1991] RA 205, CA.

UPDATE

193 Reminder notices and liability orders: application

NOTE 3--SI 1990/145 reg 3(2) amended, reg 3(7) substituted, in relation to England: SI 2008/428.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(8) RECOVERY OF RATES/(ii) Local Non-domestic Rating Lists/B. ENFORCEMENT/194. Liability orders.

194. Liability orders.

A magistrates' court must make a liability order¹ if it is satisfied that the sum has become payable by the defendant and has not been paid². Such an order³ must be made in respect of an amount equal to the aggregate of the sum payable and a sum of an amount equal to the costs reasonably incurred by the applicant in obtaining the order⁴. Where the sum payable is paid after a liability order has been applied for⁵ but before it is made, the court is nonetheless (if so requested by the billing authority) to make the order in respect of a sum of an amount equal to the costs reasonably incurred by the authority in making the application⁶.

A single liability order may deal with one person and one amount (or aggregate amount)⁷, or, if the court thinks fit, may deal with more than one person and more than one such amount (or aggregate amount)⁸.

The amount in respect of which a liability order is made is enforceable only in accordance with non-domestic rating regulations⁹.

When considering whether to make the liability order, the magistrates can decide whether the conditions of liability¹⁰ have been fulfilled in respect of the defendant and the relevant hereditament¹¹; they can also decide whether a hereditament falls within a category exempted wholly or partly from rateability¹². They cannot, however, consider within their jurisdiction whether an amendment to the local list was validly made¹³, or whether or not to issue a warrant in the light of poverty or hardship of the defendant¹⁴.

1 For the meaning of 'liability order' see PARA 193 note 3 ante. As to applications made to a magistrates' court for a liability order see PARA 193 ante.

2 Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 12(5). As to references to sums payable and not paid see PARA 193 note 2 ante.

The burden of proof (in proceeding for distress, as to which see PARA 195 post) as to whether the rates have been paid has been held to lie with the authority: *Tower Hamlets London Borough Council v Fallows and Fallows* [1990] RA 255, CA. There is authority (in relation to previous legislation) for magistrates to refuse to enforce the collection of rates where the rate has been satisfied without actual payment of the rate in question: see *R v Parker* (1857) 7 E & B 155; distinguished in *R v Kingston Justices and Phillips* (1858) EB & E 256. See also *Shillito v Hinchcliffe* [1922] 2 KB 236 at 248 per Shearman J. These were cases where the defendant had overpaid money in respect of a previous rate reduced on appeal, or where the authority had acted 'in flagrant violation of good faith' in taking the action. See also *London and North Western Ry Co v Bedford* (1852) 17 QB 978.

As to examples where the subject of a liability order sought judicial review of the order see *R (on the application of Lampkin) v Horseferry Road Magistrates' Court* [2005] EWHC 312 (Admin), [2005] RA 233 (in the event, the application was too late after the grounds had been established and the case lacked sufficient merit to extend the limit); and *R (on the application of Pilot Foods Ltd) v Horseferry Road Magistrates' Court* [2003] EWHC 1447 (Admin), [2003] RVR 268, [2003] All ER (D) 286 (Jun) (cited in PARA 193 note 15 ante). In *Liverpool City Council v Pleroma Distribution Ltd* [2002] EWHC 2467 (Admin), [2003] RA 34, (2002) Times, 2 December, justices were found not to have exceeded their jurisdiction or to have acted unlawfully when they reopened a case so as to set aside a liability order made in ignorance of a request for an adjournment.

The text refers to enforceability in accordance with Pt II (regs 3-9) (as amended) (see PARAS 176-191 ante); and, accordingly for the purposes of any of the provisions of the Magistrates' Courts Act 1980 Pt III (ss 75-96A) (as amended) (satisfaction and enforcement) (see MAGISTRATES vol 29(2) (Reissue) PARA 852 et seq), the amount in respect of which a liability order is made is not to be treated as a sum adjudged to be paid by order of the court: see the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 13(3).

As from a day to be appointed under the Tribunals, Courts and Enforcement Act 2007 s 148(5), where a liability order has been made against a person under regulations made under the Local Government Finance Act 1988 s 62, Sch 9 (as amended; prospectively further amended) (see PARA 170 ante), the billing authority may use the procedure in the Tribunals, Courts and Enforcement Act 2007 s 62(1), Sch 12 (taking control of goods) to recover the amount in respect of which the order was made, to the extent that it remains unpaid: see the Local Government Finance Act 1988 s 62A (prospectively added by the Tribunals, Courts and Enforcement Act 2007 s 62(3), Sch 13 paras 87, 88). However, at the date at which this volume states the law, no such day had been appointed.

195. Distress.

Where a liability order¹ has been made, the authority which applied for the order may levy the appropriate amount² by distress and sale of the goods of the debtor³ against whom the order was made⁴. However, no person making a distress may seize any such clothing, bedding, furniture, household equipment and provisions of the debtor as are necessary for satisfying the basic domestic needs of him and his family⁵.

If, before any goods are seized, the appropriate amount (including charges arising up to the time of the payment or tender) is paid or tendered to the authority, the authority must accept the amount and the levy must not be proceeded with⁶. Where an authority has seized goods of the debtor in pursuance of the distress, but before sale of those goods the appropriate amount (including charges arising up to the time of the payment or tender) is paid or tendered to the authority, the authority must accept the amount, the sale must not proceed and the goods must be made available for collection by the debtor⁷.

The person levying distress on behalf of an authority must carry with him the written authorisation of the authority, which he must show to the debtor if so requested⁸.

A distress is not to be deemed unlawful on account of any defect or want of form in the liability order, and no person making a distress is to be deemed a trespasser on that account; and no person making a distress is to be deemed a trespasser from the beginning on account of any subsequent irregularity in making the distress, but a person sustaining special damage by reason of the subsequent irregularity may recover full satisfaction for the special damage (and no more) by proceedings in trespass or otherwise⁹. A distress may be made anywhere in England and Wales¹⁰.

1 For the meaning of 'liability order' see PARA 193 note 3 ante. As to liability orders see PARAS 193-194 ante.

2 The appropriate amount for the purposes of the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 14(1) is the aggregate of:

98 (1) an amount equal to any outstanding sum which is or forms part of the amount in respect of which the liability order was made (reg 14(2)(a)); and

99 (2) a sum determined in accordance with reg 14(2)(b), Sch 3 (Sch 3 substituted by SI 1993/774; amended by SI 1998/3089; and in relation to Wales by SI 2004/1013; in relation to England by SI 2003/2210; SI 2006/3395; SI 2007/501) in respect of charges connected with the distress (Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 14(2)(b)).

As to references to sums payable and not paid see PARA 193 note 2 ante.

3 In *ibid* Pt III (regs 10-23) (as amended) 'debtor' means a person against whom a liability order has been made: reg 10(1).

4 *Ibid* reg 14(1). No distress under reg 14 may be made other than by a person who is authorised to act as a bailiff by a general certificate granted under the Law of Distress Amendment Act 1888 s 7 (as amended) (see DISTRESS vol 13 (2007 Reissue) PARA 994): Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 14(6A) (added by SI 1998/3089).

Since the levying of distress is limited to the 'appropriate amount', excessive distress constitutes wrongful interference with goods under the Torts (Interference with Goods) Act 1977: see *Steel Linings Ltd v Bibby & Co (a firm)* [1993] RA 27, [1993] NLJR 511, CA; *Quinlan v Hammersmith and Fulham London Borough Council* [1989] RA 43, 153 JP 180, CA (no excessive or illegal distress; distress on a public highway is lawful); *Evans v*

South Ribble Borough Council [1992] QB 757, [1991] RA 191 (no effective distress where no entry to debtor's premises).

In *Re ELS Ltd* [1995] Ch 11, [1994] 2 All ER 833, company property, made subject to a floating charge which had crystallised by the appointment of administrative receivers, was held to be no longer 'goods' for the purposes of the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 14(1).

5 Ibid reg 14(1A) (added by SI 1993/774). This provision is without prejudice to the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 14(8) (see note 10 infra): see reg 14(1A) (as so added).

6 Ibid reg 14(3). A debtor is not entitled to halt the distraint process by payment or tender at any time but only in accordance with the opportunities provided for under reg 14(3) and reg 14(4) (see the text and note 7 infra): *Wilson v South Kesteven District Council* [2000] 4 All ER 577, [2001] 1 WLR 387, CA.

7 Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 14(4). See note 6 supra.

8 Ibid reg 14(5). The person levying distress on behalf of an authority is to hand to the debtor or leave at the premises where the distress is levied a copy of reg 14 (as amended) and Sch 3 (as substituted and amended) (see note 2 supra) and a memorandum setting out the appropriate amount, and is to hand to the debtor a copy of any close or walking possession agreement entered into: reg 14(5). As to the memorandum required under reg 14(5) see *Wilson v South Kesteven District Council* [2000] 4 All ER 577, [2001] 1 WLR 387, CA.

9 Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 14(7). A failure to provide the documents required under reg 14(5) (see the text and note 8 supra) would clearly constitute a 'subsequent irregularity' within the meaning of reg 14(7), and would thus entitle the debtor to recover any special damage proved to have resulted from it, but the distraint process itself is not rendered unlawful by such an irregularity: *Wilson v South Kesteven District Council* [2000] 4 All ER 577, [2001] 1 WLR 387, CA.

10 Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 14(6). The provisions of reg 14 (as amended) are not to affect the operation of any enactment which protects goods of any class from distress: reg 14(8). For the meanings of 'England' and 'Wales' see PARA 1 note 2 ante.

Permission of the court is usually required for the taking of proceedings in execution of a judgment against a national serviceman or certain reservists or auxiliaries, including distress for rates: see the Reserve and Auxiliary Forces (Protection of Civil Interests) Act 1951 s 6(2); and ARMED FORCES vol 2(2) (Reissue) PARA 85.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(8) RECOVERY OF RATES/(ii) Local Non-domestic Rating Lists/B. ENFORCEMENT/196. Appeal against distress.

196. Appeal against distress.

A person aggrieved by the levy of, or an attempt to levy, a distress may appeal to a magistrates' court¹. The appeal must be instituted by making complaint to a justice of the peace², and requesting the issue of a summons directed to the authority which levied or attempted to levy the distress to appear before the court to answer to the matter by which he is aggrieved³.

If the court is satisfied that a levy was irregular, it may order the goods distrained to be discharged if they are in the possession of the authority; and it may by order award compensation in respect of any goods distrained and sold, of an amount equal to the amount which, in the opinion of the court, would be awarded by way of special damages in respect of the goods if proceedings were brought in trespass or otherwise in connection with the irregularity⁴.

If the court is satisfied that an attempted levy was irregular, it may by order require the authority to desist from levying in the manner giving rise to the irregularity⁵.

3 Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 15(2).

4 Ibid reg 15(3). The proceedings referred to in the text under which special damages are available in respect of goods are those that could be brought under reg 14(7) (see PARA 195 ante): see reg 15(3). It was held in *R v Basildon Justices, ex p Holding & Barnes plc* [1994] RA 157, (1994) 158 JP 980, that magistrates were under no duty to hear a complaint under the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 15 if there are legal and factual difficulties. In *R v Epping Magistrates, ex p Howard and Leach* [1997] RA 258, it was held that if the goods seized by irregular distress are still in the authority's possession, the court may not award compensation, but may merely order their release.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(8) RECOVERY OF RATES/(ii) Local Non-domestic Rating Lists/B. ENFORCEMENT/197. Commitment to prison.

197. Commitment to prison.

Where a billing authority¹ has sought to levy an amount by distress², the debtor³ is an individual, and the person making the distress reports to the authority that he was unable (for whatever reason) to find any or sufficient goods of the debtor on which to levy the amount, the authority may apply to a magistrates' court for the issue of a warrant committing the debtor to prison⁴.

On such application being made, the court must (in the debtor's presence) inquire as to his means and inquire whether the failure to pay which led to the liability order⁵ concerned being made against him was due to his wilful refusal or culpable neglect⁶.

If (and only if) the court is of the opinion that his failure was due to his wilful refusal or culpable neglect it may if it thinks fit⁷: (1) issue a warrant of commitment against the debtor⁸; or (2) fix a term of imprisonment and postpone the issue of the warrant until such time and on such conditions (if any) as the court thinks just⁹.

Where an application for the issue of such a warrant has been made¹⁰, and after the making of the requisite inquiries¹¹ no warrant is issued or term of imprisonment fixed, the court may remit all or part of the appropriate amount to which the application relates¹². Where an application for the issue of such a warrant has been made¹³, but no warrant is issued or term of imprisonment fixed, the application may be renewed¹⁴.

The warrant must be made in respect of the relevant amount¹⁵. The warrant: (a) must state the relevant amount¹⁶; (b) may be directed to the authority making the application and to such other persons (if any) as the court issuing it thinks fit¹⁷; and (c) may be executed anywhere in England and Wales by any person to whom it is directed¹⁸.

If, before a warrant has been issued, or a term of imprisonment fixed and the issue of a warrant postponed, an amount¹⁹ is paid or tendered to the authority²⁰, or if, after a term of imprisonment has been fixed and the issue of a warrant postponed, any amount the court has ordered the debtor to pay is paid or tendered to the authority²¹, or if, after a warrant has been issued, the amount stated in it is paid or tendered to the authority²², the authority must accept the amount concerned, no further steps may be taken as regards its recovery, and the debtor, if committed to prison, must be released²³.

The order in the warrant is that the debtor be imprisoned for a time specified in the warrant which is not to exceed three months, unless the amount stated in the warrant is sooner paid²⁴.

A statement in writing to the effect that wages of any amount have been paid to the debtor during any period, purporting to be signed by or on behalf of his employer, is evidence of the facts there stated²⁵.

A single warrant may not be issued under the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 16 (as amended) against more

than one person: reg 17(1) (amended in relation to Wales by SI 2003/1714; in relation to England by SI 2003/2210).

The Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, regs 16-17 (as amended) have effect subject to the Criminal Justice Act 1982 Pt I (ss 1-11) (largely repealed) (treatment of young offenders) (see now the Powers of Criminal Courts (Sentencing) Act 2000; and see SENTENCING AND DISPOSITION OF OFFENDERS vol 92 (2010) PARA 11 et seq); Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 17(7). 6 Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 16(2). For the purpose of enabling inquiry to be made as to the debtor's conduct and means under reg 16(2), a justice of the peace (as to which see PARA 201 post) may:

100 (1) issue a summons to him to appear before a magistrates' court and (if he does not obey the summons) issue a warrant for his arrest (reg 17(5)(a)); or

101 (2) issue a warrant for the debtor's arrest without issuing a summons (reg 17(5)(b)).

A warrant issued under reg 17(5) may be executed anywhere in England and Wales by any person to whom it is directed or by any constable acting within his police area; and the Magistrates' Courts Act 1980 s 125(3) (repealed) (execution of warrants) (see now s 125A (as added and amended) et seq; and MAGISTRATES vol 29(2) (Reissue) PARA 861) applies to such a warrant: Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 17(6). For the meanings of 'England' and 'Wales' see PARA 1 note 2 ante. As to police areas see POLICE vol 36(1) (2007 Reissue) PARA 136 et seq.

Committal proceedings are a 'legal process' within the meaning of the Insolvency Act 1986 s 285(1) (restriction on proceedings and remedies) (see BANKRUPTCY AND INDIVIDUAL INSOLVENCY vol 3(2) (2002 Reissue) PARA 218); therefore the magistrates had the power to stay such proceedings against a bankrupt: see *Smith (a bankrupt) v Braintree District Council* [1990] 2 AC 215, [1990] RA 1, HL (followed in *Lewis v Ogwr Borough Council* [1996] RA 124). 15 Ibid reg 16(4). The relevant amount for this purpose is the aggregate of:

102 (1) the appropriate amount mentioned in reg 14(2) (see PARA 195 ante), or (as the case may be) so much of it as remains outstanding (reg 16(4)(a)); and

103 (2) a sum of an amount equal to the costs reasonably incurred by the applicant in respect of the application (reg 16(4)(b)).

16 Ibid reg 16(5)(a). The relevant amount to be stated is that mentioned in reg 16(4) (see note 15 supra): see reg 16(5)(a).

18 Ibid reg 16(5)(c).

19 Ie determined in accordance with ibid reg 16(6A) (as added): see reg 16(6) (as substituted: see note 20 infra). The amount referred to in the text is the aggregate of the appropriate amount mentioned in reg 14(2) (see PARA 195 ante) (or so much of it as remains outstanding) and the authority's reasonable costs incurred up to the time of payment or tender in making one or more of the applications referred to in Sch 4 (added by SI 1998/3089; amended in relation to England only by SI 2006/3395): Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 16(6A) (reg 16(6A), (6B) added by SI 1998/3089). For these purposes, the authority's reasonable costs in respect of any application must not exceed the amount specified in the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, Sch 4 (as added and amended): reg 16(6B) (as so added).

20 Ibid reg 16(6)(a) (reg 16(6) substituted by SI 1998/3089).

21 Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 16(6)(b) (as substituted: see note 20 supra).

22 Ibid reg 16(6)(c) (as substituted: see note 20 supra).

23 Ibid reg 16(6) (as substituted: see note 20 supra).

24 Ibid reg 16(7). However:

104 (1) where a warrant is issued after a postponement under reg 16(3)(b) (see head (2) in the text) and, since the term of imprisonment was fixed but before the issue of the warrant, the amount mentioned in reg 16(4)(a) (see note 15 head (1) supra) with respect to which the warrant would (but for the postponement) have been made has been reduced by a part payment, the period of imprisonment ordered under the warrant must be the term fixed under reg 16(3) (see the text and notes 7-9 supra) reduced by such number of days as bears to the total number of days in that term less one day the same proportion as the part paid bears to that amount (reg 16(7)(a)); and

105 (2) where, after the issue of a warrant, a part payment of the amount stated in it is made, the period of imprisonment is to be reduced by such number of days as bears to the total number of days in the term of imprisonment specified in the warrant less one day the same proportion as the part paid bears to the amount so stated (reg 16(7)(b)).

In calculating a reduction required under reg 16(7), any fraction of a day is to be left out of account; and the Magistrates' Courts Rules 1981, SI 1981/552, r 55(1)-(3) (as amended) (payment after imprisonment imposed) (see MAGISTRATES vol 29(2) (Reissue) PARA 852 et seq) applies (so far as is relevant) to a part payment as if the imprisonment concerned were imposed for want of sufficient distress to satisfy a sum adjudged to be paid by a

magistrates' court: Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 16(8). The court cannot impose two consecutive periods of three months' imprisonment in one warrant of commitment, despite it relating to two separate sums: see *R v Bexley Justices, ex p Henry* (1971) 17 RRC 15. The principle of proportionality is relevant to fixing a term of imprisonment under the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 16 (as amended): see *R v Highbury Corner Magistrates' Court, ex p Uchendu* [1994] RA 51, 158 LGR 481.

198. Amount due under liability order deemed to be a debt for certain proceedings.

Where a liability order¹ has been made and the debtor² against whom it was made is an individual, the amount due is deemed to be a debt for the purposes of a creditor's petition³. Where a liability order has been made and the debtor against whom it was made is a company, the amount due is deemed to be a debt for the purposes of winding up proceedings⁴.

The amount due for these purposes⁵ is an amount equal to any outstanding sum which is or forms part of the amount in respect of which the liability order was made⁶.

199. Relationship between remedies.

Where a warrant of commitment is issued against (or a term of imprisonment is fixed in the case of) a person¹, no steps (or no further steps) may be taken pursuant to the enforcement provisions² by way of distress or bankruptcy in relation to the relevant amount³.

Steps by way of distress, commitment, bankruptcy or winding up⁴ may not be taken against a person under a liability order⁵ while steps by way of another of those methods are being taken against him under it⁶.

Where a step is taken by way of distress for the recovery of an outstanding sum which is or forms part of an amount in respect of which a liability order has been made, any sum recovered thereby which is less than the aggregate of the amount outstanding and any charges connected with distress⁷ are to be treated as discharging first the charges, the balance (if any) being applied towards the discharge of the outstanding sum⁸.

A sum which has become payable to a billing authority¹, which has not been paid, and in respect of which a liability order² has not been made may (as an alternative to recovery under a liability order) be recovered in a court of competent jurisdiction³.

Recovery of sums due in respect of non-domestic rates by this method is subject to a limitation period of six years⁴.

Subject to any other enactment authorising a District Judge (magistrates' courts) or other person to act by himself, a magistrates' court may not¹ hear a summons, entertain an application for a warrant or hold an inquiry as to means on such an application except when composed of at least two justices².

In any proceedings under the statutory provisions relating to the application for a liability order³, or to appeals in connection with distress⁴ or commitment to prison⁵, a statement⁶ contained in a document constituting or forming part of a record compiled by the applicant authority or an authorised person⁷ is admissible as evidence of any fact stated in it of which direct oral evidence would be admissible⁸.

202. Payment under a mistake.

A payment of rates under a mistake of fact may be recovered at common law¹.

Historically, money paid for rates under a mistake of law was not recoverable at common law² but it now seems that money paid by a subject to a public authority in the form of taxes or other levies paid pursuant to an ultra vires demand by the authority is prima facie recoverable by the subject as of right³ and it has been established as a principle in the law of restitution that monies paid under mistake of law are normally recoverable in restitution⁴.

If a liability order¹ has been made and² any part of the amount³ in respect of which the order was made would (if paid) fall to be repaid or credited against any subsequent liability, that part is to be treated⁴ as paid on the day the notification is given (or on the day that the multiplier in substitution is set⁵, as the case may be) and accordingly as no longer outstanding⁶.

If, after a warrant is issued or term of imprisonment is fixed⁷, and before the term of imprisonment has begun or been fully served, a billing authority gives such a notification as is prescribed⁸, or sets a multiplier in substitution⁹, it must forthwith notify accordingly the designated officer for the court which issued the warrant and (if the debtor¹⁰ is detained) the governor or keeper of the prison or place where he is detained or such other person as has lawful custody of him¹¹.

206. Outstanding liabilities on death.

The Secretary of State (or the Welsh Ministers, as the case may be)¹ may make such regulations² as he sees fit to deal with any case where a person dies and at any time before his death he was (or is alleged to have been) subject to a non-domestic rate³. Accordingly, where:

- 293 (1) before the deceased's death, a sum has become payable by him under the non-domestic rating billing provisions⁴ or by way of relevant costs⁵ in respect of a non-domestic rate but has not been paid⁶; or
- 294 (2) after the deceased's death, a sum would, but for his death (and whether or not on the service of a notice) become payable by him⁷ in respect of a non-domestic rate⁸,

his executor or administrator is⁹ liable to pay the sum and may deduct out of the assets and effects of the deceased any payments made (or to be made)¹⁰.

Where, before the deceased's death, a sum in excess of his liability¹¹ (including relevant costs¹² payable by him) in respect of a non-domestic rate has been paid (whether the excess arises because of his death or otherwise) and has not been repaid or credited under the non-domestic rating billing provisions¹³, his executor or administrator is entitled to the sum¹⁴.

In so far as is relevant to such liability¹⁵ in the administration of the deceased's estate, the executor or administrator may institute, continue or withdraw proceedings¹⁶. However, any matter which could be the subject of an appeal as regards matters connected with the alteration of rating lists¹⁷ may not be raised in proceedings to enforce a liability arising upon a ratepayer's death¹⁸. The contents of a local non-domestic rating list¹⁹ (or an extract from such a list) may be proved in such proceedings by production of a copy of the list (or relevant part of the list) purporting to be certified by the proper officer of the billing authority²⁰ to which the list (or extract) relates to be a true copy²¹.

In relation to Wales, any notice required or authorised by the central non-domestic rating lists regulations²¹ to be given to or served on a person by the Welsh Ministers may be given or served²²:

208. Time of service of demand notices.

A demand notice¹ must be served² on or as soon as practicable after³:

- 300 (1) except in a case falling within head (2) below, 1 April in the relevant year⁴; or
- 301 (2) if the ratepayer's⁵ name is not shown in a central list⁶ for that day, the first day after that day for which it is so shown⁷.

A demand notice may, if the non-domestic multiplier for the relevant year has been determined⁸, be served before the beginning of the relevant year on a person whose name, for the day on which it is issued⁹, is shown¹⁰ in a central list¹¹.

1 For the meaning of 'demand notice' see PARA 207 note 6 ante.

2 Ie subject to the Non-Domestic Rating (Collection and Enforcement) (Central Lists) Regulations 1989, SI 1989/2260, reg 5(2) (see the text and notes 8-11 infra): see reg 5(1).

3 Ibid reg 5(1).

4 Ibid reg 5(1)(a). For these purposes, 'relevant year' in relation to a notice means the chargeable financial year to which the notice relates: reg 2(1). For the purposes of the Local Government Finance Act 1988, chargeable financial years are financial years beginning in 1990 and subsequent years: s 145(1). For the meaning of 'financial year' for these purposes see PARA 1 note 1 ante.

5 For the meaning of 'ratepayer' see PARA 207 note 4 ante.

6 As to central non-domestic rating lists see PARA 125 et seq ante.

7 Non-Domestic Rating (Collection and Enforcement) (Central Lists) Regulations 1989, SI 1989/2260, reg 5(1)(b).

9 For these purposes, where references are made to the day on which a notice is issued, they are to be taken to be references:

116 (1) if the notice is served in the manner described in ibid reg 3 (substituted in relation to England) (see PARA 207 ante) by being left at, or sent by post to, a person's last-known place of abode or a body's registered or principal office (as the case may be), to the day on which it is so left or posted (reg 2(2)(a)); or

117 (2) in any other case, to the day on which it is served (reg 2(2)(b)).

10 Ie or would be so shown if a list sent under the Local Government Finance Act 1988 s 52(5) (as amended) (see PARA 125 ante) were in force: see the Non-Domestic Rating (Collection and Enforcement) (Central Lists) Regulations 1989, SI 1989/2260, reg 5(2).

11 Ibid reg 5(2). If a demand notice is so served, references to a ratepayer are, in relation to that notice and so far as the context permits, to be construed as references to that person: reg 5(2).

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(8) RECOVERY OF RATES/(iii) Central Non-domestic Rating Lists/A. DEMAND/(A) Demand Notices/209. Payments under demand notices.

209. Payments under demand notices.

If a demand notice¹ is issued before or during the relevant year² and the ratepayer's³ name is shown in a central list⁴ for the day on which it is issued⁵, the notice must require payment of an amount equal to the estimate made by the Secretary of State (or the Welsh Ministers, as the case may be)⁶ of the amount payable⁷ for the year, made as respects periods after the issue of the notice on the assumption that the ratepayer's name will be shown in a central list for every day in the relevant year after that day⁸.

If a demand notice is issued after the end of the relevant year, it must require payment of the amount payable for the year⁹.

1 For the meaning of 'demand notice' see PARA 207 note 6 ante.

2 For the meaning of 'relevant year' see PARA 208 note 4 ante.

3 For the meaning of 'ratepayer' see PARA 207 note 4 ante.

4 He or would be so shown if a list sent under the Local Government Finance Act 1988 s 52(5) (as amended) (see PARA 125 ante) were in force: see the Non-Domestic Rating (Collection and Enforcement) (Central Lists) Regulations 1989, SI 1989/2260, reg 6(1). As to central non-domestic rating lists see PARA 125 et seq ante.

5 As to references to the day on which a notice is issued see PARA 208 note 9 ante.

6 As to the Secretary of State and the Welsh Ministers see PARA 3 ante.

7 For these purposes, the 'amount payable' for a chargeable financial year (or part of a chargeable financial year) in relation to a ratepayer and a hereditament means: (1) the amount the ratepayer is liable to pay to the Secretary of State as regards the hereditament in respect of the year or part under the Local Government Finance Act 1988 s 54 (see PARA 69 ante); or (2) where an amount falls to be credited by the Secretary of State (or the Welsh Ministers, as the case may be) against the ratepayer's liability in respect of the year (or part), the amount (if any) by which the amount referred to in head (1) supra exceeds the amount falling to be so credited: Non-Domestic Rating (Collection and Enforcement) (Central Lists) Regulations 1989, SI 1989/2260, reg 2(1) (definition substituted by SI 1991/142). For the purposes of the Local Government Finance Act 1988, chargeable financial years are financial years beginning in 1990 and subsequent years: s 145(1). For the meaning of 'financial year' for these purposes see PARA 1 note 1 ante. For the meaning of 'hereditament' see PARA 33 et seq ante.

8 Non-Domestic Rating (Collection and Enforcement) (Central Lists) Regulations 1989, SI 1989/2260, reg 6(1). If a demand notice is issued during the relevant year but reg 6(1) does not apply, the notice is to require payment of an amount equal to the amount payable by the ratepayer for the period in the year up to the day for which his name is last shown in a central list: reg 6(2). If, after a notice to which reg 6(2) applies is served, the ratepayer's name is shown again in a central list for a day in the relevant year, a further notice must be served on him requiring payments with respect to the amount payable for the period in the relevant year beginning with the day for which his name is so shown again in the list; and regs 5-8 (reg 8 as amended) (see PARAS 208 ante, 211-217 post) (and, so far as applicable, reg 7(1), Schedule (as amended) (see PARAS 212-216 post)) are to apply to the further notice with respect to that period as if it were a demand notice and his name had not been shown in a central list for a day before that period begins: reg 6(3).

210. Demand notices: final adjustment.

Where:

- 302 (1) a notice has been issued by the Secretary of State (or by the Welsh Ministers, as the case may be)¹ requiring a payment or payments to be made by a ratepayer² in respect of the amount payable³ for a chargeable financial year⁴ or part of a chargeable financial year⁵;
- 303 (2) the payment or payments required to be paid are found to be in excess of or less than the amount payable for the year or the part⁶; and
- 304 (3) provision for adjusting the amounts required under the notice and (as appropriate) for the making of additional payments or the repaying or crediting of any amount overpaid is not made by any other provision⁷,

the Secretary of State (or the Welsh Ministers, as the case may be) must as soon as practicable after the expiry of the year or the part of a year serve a further notice on the ratepayer stating the amount payable for the year or part and adjusting (by reference to that amount) the amounts required to be paid under the notice referred to in head (1) above⁸.

1 le under the Non-Domestic Rating (Collection and Enforcement) (Central Lists) Regulations 1989, SI 1989/2260 (as amended): see reg 9(1)(a). As to the Secretary of State and the Welsh Ministers see PARA 3 ante.

8 Ibid reg 9(2). If the amount stated in the further notice is greater than the amount required to be paid under the notice referred to in reg 9(1)(a) (see head (1) in the text), the amount of the difference for which such other provision as is mentioned in reg 9(1)(c) (see head (3) in the text) is not made is due from the ratepayer to the Secretary of State (or the Welsh Ministers, as the case may be) on the expiry of such period (being not less than 14 days) after the day of issue of the notice as is specified in it: reg 9(3).

If there has been an overpayment in respect of any liability of the ratepayer under the Non-Domestic Rating (Collection and Enforcement) (Central Lists) Regulations 1989, SI 1989/2260 (as amended), the amount overpaid for which such other provision as is mentioned in reg 9(1)(c) is not made: (1) must be repaid if the ratepayer so requires (reg 9(4)(a)); or (2) in any other case must (as the Secretary of State or the Welsh Ministers, as the case may be, determine) either be repaid or be credited against any subsequent liability of the ratepayer to pay anything to the Secretary of State (or the Welsh Ministers, as the case may be) by way of non-domestic rate (reg 9(4)(b)).

(B) PAYMENT BY INSTALMENTS

211. Payment by instalments.

The Secretary of State (or the Welsh Ministers, as the case may be)¹ and a ratepayer² may agree that the estimate of the amount payable³ which is required to be paid⁴ should be paid in such manner as is provided by the agreement, rather than in accordance with the non-domestic rate instalment scheme⁵.

If such an agreement⁶ in relation to the relevant year⁷ has been reached between the Secretary of State (or the Welsh Ministers, as the case may be) and the ratepayer before the demand notice⁸ is issued, a notice⁹ must require the estimate of the amount payable to be paid in accordance with that agreement¹⁰.

Unless such an agreement¹¹ in relation to the relevant year has been reached between the ratepayer and the Secretary of State (or the Welsh Ministers, as the case may be) before the demand notice is issued, a notice¹² must require the estimate of the amount payable to be paid by instalments¹³.

A notice with retrospective application¹⁴ requires payment of the amount payable on the expiry of such period (being not less than 14 days) after the day of issue of the notice¹⁵ as is specified in it¹⁶.

No payment in respect of the amount payable by a ratepayer for any chargeable financial year¹⁷ (whether interim, final or sole) need be made unless a notice duly served¹⁸ requires it¹⁹.

Notwithstanding anything in reg 7(1), (2) (see the text and notes 6-13 infra) or in reg 7(3), such an agreement may be entered into either before or after the demand notice concerned is issued, and may make provision for the cessation or adjustment of payments, and for the making of fresh estimates, in the event of the estimate mentioned in reg 6(1) (see PARA 209 ante) turning out to be wrong; and if it is entered into after the demand notice has been issued, it may make provision dealing with the treatment for the purposes of the agreement of any sums paid in accordance with the Schedule (as amended) before it was entered into: reg 7(4).

212. Payment of the aggregate amount under the non-domestic rate instalment scheme.

The provisions as to payment of the aggregate amount¹ apply where the demand notice² is issued on or before 31 December in the relevant year³. The aggregate amount is payable in monthly instalments⁴, the number of such instalments being ten or, if less, the number of whole months remaining in the relevant year after the issue of the notice less one⁵.

The months in which the instalments are payable must be uninterrupted but⁶ are to be such months in the relevant year as are specified in the notice; and the instalments are to be payable on such day in each month as is so specified⁷.

If the aggregate amount divided by the number of instalments gives an amount which is a multiple of a pound, the instalments are to be of that amount⁸. However, if the aggregate amount so divided would not give such an amount, a statutory formula must be applied in respect of calculating the instalments due⁹.

The demand notice must be issued at least 14 days before the day on which the first instalment is due under it¹⁰.

213. Cessation and adjustment of instalments: ratepayer's name no longer shown in a central list.

Where the demand notice¹ has been served on a ratepayer² by the Secretary of State (or the Welsh Ministers, as the case may be)³, and for a day in the relevant year⁴ after its issue (the 'relevant day') the ratepayer's name is no longer shown in a central list⁵, no payments of instalments falling due after the relevant day are payable under the notice⁶.

The Secretary of State (or the Welsh Ministers, as the case may be) must, on the relevant day or as soon as practicable after that day, serve a notice on the ratepayer stating the amount payable⁷ for the period in the relevant year up to the relevant day⁸.

If these provisions⁹ apply in relation to a demand notice, and after the relevant day the ratepayer's name is shown again in a central list for a day in the relevant year, a further notice must be served on him requiring payments with respect to the amount payable for the period in the relevant year beginning with the day for which his name is so shown again in the list¹⁰.

2 For the meaning of 'ratepayer' see PARA 207 note 4 ante.

7 For the meaning of 'amount payable' see PARA 209 note 7 ante.

8 Non-Domestic Rating (Collection and Enforcement) (Central Lists) Regulations 1989, SI 1989/2260, Schedule para 6(3). If the amount stated in Schedule para 6(3) is less than the aggregate amount of any instalments which have fallen due on or before the relevant day, the difference is to go in the first instance to discharge any liability to pay the instalments (to the extent that they remain unpaid); and any residual overpayment in respect of any liability of the ratepayer under the Non-Domestic Rating (Collection and Enforcement) (Central Lists) Regulations 1989, SI 1989/2260 (as amended):

118 (1) must be repaid if the ratepayer so requires (Schedule para 6(4)(a)); or

119 (2) in any other case must (as the Secretary of State or the Welsh Ministers, as the case may be, determine) either be repaid or credited against any subsequent liability of the ratepayer to pay anything to the Secretary of State (or the Welsh Ministers, as the case may be) by way of non-domestic rate (Schedule para 6(4)(b)).

If the amount stated in Schedule para 6(3) is greater than the aggregate amount of any instalments which have fallen due on or before the relevant day, the difference between the two is due from the ratepayer to the Secretary of State (or the Welsh Ministers, as the case may be) on the expiry of such period (being not less than 14 days) after the day of issue of the notice served under Schedule para 6(3) as is specified in it: Schedule para 6(5).

9 Ibid Schedule para 6: see Schedule para 6(6).

10 Ibid Schedule para 6(6). Regulations 5-8 (and, as far as applicable, Schedule (as amended)) (see PARAS 208 et seq ante, 214 et seq post) apply to the further notice with respect to that period as if it were a demand notice and his name had not been shown in a central list for a day before that period begins: Schedule para 6(6).

DEMAND/(B) Payment by Instalments/214. Cessation and adjustment of instalments: false factor or assumption made in relation to estimate.

214. Cessation and adjustment of instalments: false factor or assumption made in relation to estimate.

Subject to transitional provisions¹, where the demand notice² has been served on a ratepayer³ by the Secretary of State (or by the Welsh Ministers, as the case may be)⁴, any factor or assumption by reference to which the estimate⁵ was calculated is shown to be false in respect of a day (the 'relevant day'), and the required event⁶ has not occurred as regards the ratepayer⁷, the Secretary of State (or the Welsh Ministers, as the case may be) must, on or as soon as practicable after the relevant day⁸:

- 305 (1) adjust the instalments (if any) payable on or after the adjustment day⁹ (the 'remaining instalments') so that they accord with the amounts prescribed¹⁰; and
- 306 (2) serve a notice on the ratepayer stating the amount of the revised estimate¹¹, and the amount of any remaining instalment¹².

The amount of the revised estimate is the revised estimate of the Secretary of State (or of the Welsh Ministers, as the case may be) of the amount payable¹³ for the relevant year¹⁴.

The aggregate amount of the remaining instalments payable is equal to the amount by which the revised estimate¹⁵ exceeds the aggregate amount of the instalments payable under the demand notice before the adjustment day; and the amount of each remaining instalment (if there are more than one) is calculated¹⁶ as if references to the aggregate amount and to instalments were references to the aggregate amount of the remaining instalments and to the remaining instalments respectively¹⁷.

If the revised estimate¹⁸ exceeds the aggregate amount of the instalments payable under the demand notice before the adjustment day, but no instalments are payable under it on or after that day, the amount of the excess is due from the ratepayer to the Secretary of State (or the Welsh Ministers, as the case may be) in a single instalment on the expiry of such period (being not less than 14 days) after the day of issue of the notice¹⁹ as is specified in it; and if in any case the revised estimate is less than the aggregate amount of the instalments payable before the adjustment day, any overpayment in respect of any liability of the ratepayer²⁰: (a) must be repaid if the ratepayer so requires²¹; or (b) in any other case, must (as the Secretary of State or the Welsh Ministers, as the case may be, determine) either be repaid or credited against any subsequent liability of the ratepayer to pay anything to the Secretary of State (or the Welsh Ministers, as the case may be) by way of non-domestic rate²².

215. Cessation and adjustment of instalments required by transitional provisions.

The central non-domestic rating lists regulations¹ applied special provisions, analogous to those applied by the local non-domestic rating lists regulations², where the original estimate for the purposes of the demand notice³ was shown to be false by reason of transitional charging provisions which were introduced subsequently⁴.

Such provision was made in relation to the transitional provisions contained in both the Non-Domestic Rating Act 1992⁵ and the Non-Domestic Rating Act 1993⁶.

1 Ie the Non-Domestic Rating (Collection and Enforcement) (Central Lists) Regulations 1989, SI 1989/2260 (as amended).

2 Ie the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058 (as amended). The special provisions referred to in this context are set out in full elsewhere in this title: see PARAS 187-189 ante.

3 For the meaning of 'demand notice' see PARA 207 note 6 ante.

4 The original estimate mentioned in the text refers to the estimate which was made by the Secretary of State under the Non-Domestic Rating (Collection and Enforcement) (Central Lists) Regulations 1989, SI 1989/2260, reg 6(1) (see PARA 209 ante) before the coming into force of the respective transitional provisions (as to which see the text and notes 5-6 infra).

5 Ie the Non-Domestic Rating Act 1992 ss 1-3 (s 2(2)(a) as amended). The special provision referred to in the text was made accordingly under the Non-Domestic Rating (Collection and Enforcement) (Central Lists) Regulations 1989, SI 1989/2260, reg 7(1), Schedule para 7A (added by SI 1992/1513), where no notice had been served in accordance with the Non-Domestic Rating (Collection and Enforcement) (Central Lists) Regulations 1989, SI 1989/2260, Schedule para 7(2) (as substituted) (see PARA 214 ante), and such provision was made under Schedule para 7B (added by SI 1992/1513), where a notice had been served in accordance with the Non-Domestic Rating (Collection and Enforcement) (Central Lists) Regulations 1989, SI 1989/2260, Schedule para 7(2) (as substituted).

6 Ie the Non-Domestic Rating Act 1993 s 1. The special provision referred to in the text was made accordingly under the Non-Domestic Rating (Collection and Enforcement) (Central Lists) Regulations 1989, SI 1989/2260, Schedule para 7C (added by SI 1993/1494), applying the Non-Domestic Rating (Collection and Enforcement) (Central Lists) Regulations 1989, SI 1989/2260, Schedule para 7A (as added: see note 5 supra) and Schedule para 7B (as added: see note 5 supra).

216. Multiple adjustments.

More than one adjustment of amounts paid or payable¹ under a demand notice² may be made³ as the circumstances require⁴.

4 Ibid Schedule para 8(1) (Schedule para 8 substituted by SI 1992/1513).

Special provision was made where a further adjustment fell to be made under the Non-Domestic Rating (Collection and Enforcement) (Central Lists) Regulations 1989, SI 1989/2260, Schedule Pt II (as amended) (see PARAS 213-215 ante) after the service of a transitional adjustment notice pursuant to Schedule paras 7A, 7B (both as added) (as to which see PARA 215 ante): see Schedule para 8(2) (as so substituted).

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(8) RECOVERY OF RATES/(iii) Central Non-domestic Rating Lists/A. DEMAND/(B) Payment by Instalments/217. Failure to pay instalments.

217. Failure to pay instalments.

Where:

- 307 (1) a demand notice¹ has been served by the Secretary of State (or by the Welsh Ministers, as the case may be)² on a ratepayer³;
- 308 (2) instalments are payable under the notice in accordance with the non-domestic rate instalment scheme⁴; and
- 309 (3) any such instalment is not paid in accordance with the scheme⁵,

the Secretary of State (or the Welsh Ministers, as the case may be) must (unless all the instalments have fallen due) serve a further notice on the ratepayer stating the instalments required to be paid⁶.

If, after the service of such a further notice⁷, the ratepayer⁸:

- 310 (a) fails to pay, before the expiry of the period of seven days beginning with the day of service of the further notice, any instalments which fall due before the expiry of that period under the demand notice concerned⁹; or
- 311 (b) fails to pay any instalment which falls due after the expiry of that period under the demand notice concerned on or before the day on which it falls due¹⁰,

the unpaid balance of the estimated amount¹¹ becomes payable by him at the expiry of a further period of seven days beginning with the day of the failure¹².

If any factor or assumption by reference to which the estimated amount was calculated is shown to be false before the amount payable is capable of final determination¹³, the Secretary of State (or the Welsh Ministers, as the case may be) may, and if so required by the ratepayer must, make a calculation of the appropriate amount¹⁴ with a view to adjusting the ratepayer's liability in respect of the estimated amount and (as appropriate) to¹⁵:

- 312 (i) requiring an interim payment from the ratepayer if the appropriate amount is greater than the estimated amount¹⁶; or
- 313 (ii) making an interim repayment to the ratepayer if the appropriate amount is less than the amount of the estimated amount paid¹⁷.

On calculating the appropriate amount, the Secretary of State (or the Welsh Ministers, as the case may be) must notify the ratepayer in writing of it¹⁸.

2 As to the Secretary of State and the Welsh Ministers see PARA 3 ante.

8 Ibid reg 8(2).

10 Ibid reg 8(2)(b).

11 For these purposes, 'estimated amount' means the amount last estimated under ibid reg 6(1) (see PARA 209 ante) for the purposes of the demand notice mentioned in reg 8(1)(a) (see head (1) in the text) or any subsequent notice given under Schedule para 7(2) (as substituted) (see PARA 214 ante) or, as the case may be, Schedule paras 7A, 7B (both as added) (see PARA 215 ante) prior to the failure mentioned in reg 8(2), save that if in any case an interim adjustment has been required or made under reg 8(5) (see notes 13-17 infra), it means in relation to the next payment, repayment or interim adjustment in that case under reg 8 (as amended), if any, the appropriate amount by reference to which the previous interim adjustment was so made: reg 8(8) (amended by SI 1992/1513).

12 Non-Domestic Rating (Collection and Enforcement) (Central Lists) Regulations 1989, SI 1989/2260, reg 8(2). If the amount payable for the relevant year proves to be greater than the estimated amount, an additional sum equal to the difference between the two is, on the service by the Secretary of State (or by the Welsh Ministers, as the case may be) on the ratepayer of a notice stating the amount payable, due from the person to the Secretary of State (or to the Welsh Ministers, as the case may be) on the expiry of such period (being not less than 14 days) after the day of issue of the notice as is specified in it: reg 8(3). For the meaning of 'relevant year' see PARA 208 note 4 ante.

If the amount payable for the relevant year proves to be less than the estimated amount, the Secretary of State (or the Welsh Ministers, as the case may be) must notify the ratepayer in writing of the amount payable; and any overpayment in respect of any liability of the ratepayer under the Non-Domestic Rating (Collection and Enforcement) (Central Lists) Regulations 1989, SI 1989/2260 (as amended): (1) must be repaid if the ratepayer so requires (reg 8(4)(a)); or (2) in any other case, must (as the Secretary of State or the Welsh Ministers, as the case may be, determine) either be repaid or be credited against any subsequent liability of the ratepayer to pay anything to the Secretary of State (or to the Welsh Ministers, as the case may be) by way of non-domestic rate (reg 8(4)(b)). For the meaning of 'amount payable' see PARA 209 note 7 ante.

13 Ie for the purposes of ibid reg 8(3), (4) (see note 12 supra): see reg 8(5).

14 For these purposes, 'appropriate amount' is the amount which would be required to be paid under a demand notice if such a notice were issued with respect to the relevant year and the ratepayer on the day that the notice under ibid reg 8(7) (see the text and note 18 infra) is issued; and more than one calculation of the appropriate amount and interim adjustment may be made under reg 8(5) according to the circumstances: reg 8(6), (8).

15 Ibid reg 8(5).

16 Ibid reg 8(5)(a).

17 Ibid reg 8(5)(b).

18 Ibid reg 8(7). A payment required under reg 8(5)(a) (see head (i) in the text) is due from the ratepayer to the Secretary of State (or the Welsh Ministers, as the case may be) on the expiry of such period (being not less than 14 days) after the day of issue of the notice as is specified in it: reg 8(7).

219. Outstanding liabilities on death.

The Secretary of State (or the Welsh Ministers, as the case may be)¹ may make such regulations² as he sees fit to deal with any case where a person dies and at any time before his death he was (or is alleged to have been) subject to a non-domestic rate³. Accordingly, where:

- 314 (1) before the deceased's death, a sum has become payable by him under the non-domestic rating billing provisions⁴ or by way of relevant costs⁵ in respect of a non-domestic rate but has not been paid⁶; or
- 315 (2) after the deceased's death, a sum would, but for his death (and whether or not on the service of a notice) become payable by him⁷ in respect of a non-domestic rate⁸,

his executor or administrator is⁹ liable to pay the sum and may deduct out of the assets and effects of the deceased any payments made (or to be made)¹⁰.

Where, before the deceased's death, a sum in excess of his liability¹¹ (including relevant costs¹² payable by him) in respect of a non-domestic rate has been paid (whether the excess arises because of his death or otherwise) and has not been repaid or credited under the non-domestic rating billing provisions¹³, his executor or administrator is entitled to the sum¹⁴.

In so far as is relevant to such liability¹⁵ in the administration of the deceased's estate, the executor or administrator may institute, continue or withdraw proceedings¹⁶. However, any matter which could be the subject of an appeal as regards matters connected with the alteration of rating lists¹⁷ may not be raised in proceedings to enforce liability for a central non-domestic rate¹⁸. The contents of a central non-domestic rating list¹⁹ (or an extract from such a list) may be proved in proceedings to enforce such liability²⁰ by production of a copy of the list (or relevant part of the list) purporting to be credited by or on behalf of the Secretary of State (or the Welsh Ministers, as the case may be) to be a true copy²¹.

Accordingly, the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, SI 1989/1058, reg 24 (as amended, applied and modified) applies where a person dies and at any time before his death he was (or is alleged to have been) subject to a central non-domestic rate: see reg 24(1) (as so applied).

(9) BID LEVY ON NON-DOMESTIC RATEPAYERS

(i) Arrangements for Business Improvement Districts

A. IN GENERAL

220. Arrangements with respect to business improvement districts.

A billing authority¹ may in accordance with Part 4 of the Local Government Act 2003² make arrangements ('BID arrangements')³ with respect to an area (a 'business improvement district')⁴ comprising all or part of the area of the authority⁵. The purpose of BID arrangements is to enable:

- 316 (1) the projects specified in the arrangements to be carried out for the benefit of the business improvement district or those who live, work or carry on any activity in the district⁶; and
- 317 (2) those projects to be financed (in whole or in part) by a levy ('BID levy')⁷ imposed on the non-domestic ratepayers⁸, or a class of such ratepayers, in the district⁹.

The Secretary of State (or the Welsh Ministers, as the case may be)¹⁰ may by regulations¹¹ make provision for or in connection with enabling two or more billing authorities to make BID arrangements with respect to a business improvement district comprising all or part of the area of each of the authorities¹².

The following persons, namely:

- 318 (a) the billing authority which has made the arrangements¹³;
- 319 (b) a county council or parish council any part of whose area falls within the business improvement district¹⁴; and
- 320 (c) any other person authorised or required to do so in accordance with the arrangements¹⁵,

may make financial contributions or take action for the purpose of enabling the projects specified in BID arrangements to be carried out¹⁶.

Where BID arrangements are in force, the billing authority which made the arrangements must comply with them¹⁷.

1 As to billing authorities for these purposes see PARA 5 ante.

2 Ie the Local Government Act 2003 Pt 4 (ss 41-59) (including regulations made under s 48). As to Crown application see PARA 5 ante.

3 'BID arrangements' has the meaning given by ibid s 41: s 59(1).

4 'Business improvement district' ('BID') has the meaning given by ibid s 41: s 59(1).

5 Ibid s 41(1). The White Paper *Strong Local Leadership - Quality Public Services* (Cm 5237) (2001) stated that the starting point in establishing a BID will be the identification of a gap or weakness in the services provided by local authorities, being a source of concern to local businesses (see PARA 7.19). The geographical boundaries of a BID area will be decided locally, as part of the BID proposal, and all ratepayers in that area will have a vote on the proposed BID (see PARA 7.20). As to the procedure for making and approving proposals for BID arrangements see PARA 221 et seq post.

6 Local Government Act 2003 s 41(2)(a).

7 'BID levy' has the meaning given by ibid s 41: s 59(1).

8 For these purposes, 'non-domestic ratepayer', in relation to any area, means a person subject to a non-domestic rate under the Local Government Finance Act 1988 s 43 (as amended) (see PARAS 60, 70 et seq ante) or s 45 (as amended) (see PARAS 62-63, 78-79 ante) because he is the owner or occupier of a hereditament situated in that area: Local Government Act 2003 s 59(1). For the meaning of 'hereditament' see PARA 33 et seq ante; definition applied by s 59(2). For the meaning of 'owner' see PARA 13 ante; definition applied by s 59(2). As to occupation for these purposes see PARA 12 et seq ante.

9 Ibid s 41(2)(b). As to the BID levy see PARA 225 et seq post.

10 As to the Secretary of State and the Welsh Ministers see PARA 3 ante.

11 As to provision for regulations made under the Local Government Act 2003 generally see s 123; and LOCAL GOVERNMENT vol 29(1) (Reissue) PARA 558 et seq.

The Secretary of State (or the Welsh Ministers, as the case may be) may by regulations make such supplementary, incidental, consequential or transitional provision as he considers necessary or expedient for the purposes of, in consequence of, or for giving full effect to, any provision made by or under Pt 4: s 56(1). The provision which may be made under s 56(1) includes provision amending any enactment (whenever passed or made): s 56(2). For these purposes, 'enactment' includes an enactment contained in a local or private Act or comprised in subordinate legislation within the meaning of the Interpretation Act 1978 (see STATUTES vol 44(1) (Reissue) PARA 1381): Local Government Act 2003 s 59(1). However, no regulations under s 56(1) which include provision amending an Act are to be made by the Secretary of State unless a draft of the statutory instrument containing the regulations (whether containing them alone or with other provisions) has been laid before, and approved by a resolution of, each House of Parliament: s 56(3). Section 56(3) does not apply in relation to Wales: s 58(1). As to the bringing of subordinate legislation made by the Welsh Ministers before the National Assembly for Wales see the Government of Wales Act 2006 Sch 11 paras 33-35 (as amended); and CONSTITUTIONAL LAW AND HUMAN RIGHTS. As to the regulations made under the power conferred by the Local Government Act 2003 s 56(1) see the Business Improvement Districts (England) Regulations 2004, SI 2004/2443; and the Business Improvement Districts (Wales) Regulations 2005, SI 2005/1312.

12 Local Government Act 2003 s 42(1). The provision which may be made by regulations under s 42 includes provision which modifies any provision made by or under Pt 4 in its application to such arrangements: s 42(2). At the date at which this volume states the law, no such regulations had been made.

13 Ibid s 43(2)(a).

14 Ibid s 43(2)(b). In its application in relation to Wales, head (b) in the text has effect as if for the reference to a county council or parish council there were substituted a reference to a community council: s 58(2). As to local government areas and authorities in England and their councils generally see LOCAL GOVERNMENT vol 69 (2009) PARA 24 et seq; and as to local government areas and authorities in Wales and their councils generally see LOCAL GOVERNMENT vol 69 (2009) PARA 37 et seq.

220-226 BID levy on non-domestic ratepayers

The Business Rate Supplements Act 2009 confers power on the Greater London Authority and certain local authorities to impose a business rate supplement levy on non-domestic ratepayers to raise money for expenditure on projects expected to promote economic development: see PARAS 226A-226E.

BID proposals¹ are not to be regarded as approved by a ballot² unless two conditions are satisfied³. The first condition is that a majority of the persons voting in the ballot⁴ have voted in favour of the BID proposals⁵. The second condition is that the aggregate of the rateable values of each hereditament⁶ in respect of which a person voting in the ballot has voted in favour of the BID proposals ('A')⁷ exceeds the aggregate of the rateable values of each hereditament in respect of which a person voting in the ballot has voted against the BID proposals ('B')⁸.

The Secretary of State (or the Welsh Ministers, as the case may be)⁹ may by regulations¹⁰ make provision in relation to ballots¹¹. The provision which may be made by such regulations includes provision¹²:

220-226 BID levy on non-domestic ratepayers

The Business Rate Supplements Act 2009 confers power on the Greater London Authority and certain local authorities to impose a business rate supplement levy on non-domestic ratepayers to raise money for expenditure on projects expected to promote economic development: see PARAS 226A-226E.

C. COMMENCEMENT AND DURATION OF BID ARRANGEMENTS

224. Commencement and duration of BID arrangements.

Where BID proposals¹ are approved by a ballot², the billing authority concerned³ must ensure that BID arrangements⁴ which give effect to the proposals are made by the time the arrangements are to come into force⁵, being on such day as may be provided under the BID proposals⁶.

BID arrangements are to have effect for such period (not exceeding five years) as may be specified in the arrangements⁷. BID arrangements may be renewed for one or more periods (each of which must not exceed five years) but only if the renewal of the arrangements on that or each occasion is approved by a ballot of the non-domestic ratepayers in the business improvement district⁸ who are liable for the BID levy⁹.

The Secretary of State (or the Welsh Ministers, as the case may be) may by regulations make provision¹⁰ as to the alteration of BID arrangements¹¹, and as to the termination of BID arrangements¹².

1 As to BID proposals see PARA 221 ante.

2 Local Government Act 2003 s 53(1). The text refers to a ballot held for the purposes of s 49(1) (see PARA 221 ante): see s 53(1).

3 As to billing authorities for these purposes see PARA 5 ante.

4 For the meaning of 'BID arrangements' see PARA 220 note 3 ante.

5 Local Government Act 2003 s 53(2). The text refers to the time the arrangements are to come into force in accordance with s 53: see s 53(2).

6 Ibid s 53(3). However, if the BID proposals are vetoed under s 51 (see PARA 223 ante), BID arrangements which give effect to the proposals are not to come into force unless the Secretary of State (or the Welsh Ministers, as the case may be) allows an appeal against the veto under s 52 (see PARA 223 ante): s 53(4). Where the Secretary of State (or the Welsh Ministers, as the case may be) allows such an appeal, BID arrangements which give effect to the proposals are to come into force on such day as the Secretary of State (or the Welsh Ministers, as the case may be) may determine: s 53(5). The day determined under s 53(5) must not be earlier than the day mentioned in s 53(3): s 53(6). Before making a determination under s 53(5), the Secretary of State (or the Welsh Ministers, as the case may be) must consult the billing authority concerned, and such persons as appear to him to be representative of the non-domestic ratepayers who are to be liable for the proposed BID levy: s 53(7). For the meaning of 'BID levy' see PARA 220 note 7 ante; and for the meaning of 'non-domestic ratepayer' for these purposes see PARA 220 note 8 ante. As to the Secretary of State and the Welsh Ministers see PARA 3 ante; and as to liability for the BID levy see PARA 225 post.

The renewal of BID arrangements is not to be regarded as approved by a ballot held for the purposes of s 54(2) unless the two conditions in s 50 (see PARA 222 ante), which apply to the approval of BID proposals, are satisfied in relation to the renewal of the arrangements: s 54(3).

10 Ibid s 54(4). No regulations under s 54(4) are to be made by the Secretary of State unless a draft of the statutory instrument containing the regulations (whether containing them alone or with other provisions) has

been laid before, and approved by a resolution of, each House of Parliament: s 54(7). Section 54(7) does not apply in relation to Wales: s 58(1). The provision which may be made by virtue of s 54(4)(a), (b) (see the text and notes 11-12 *infra*) includes provision preventing or restricting the alteration or early termination of BID arrangements: s 54(5). However, nothing in s 54(5) is to be taken as limiting the power conferred by s 54(4): s 54(6). As to provision for regulations made under the Local Government Act 2003 generally see s 123; and LOCAL GOVERNMENT vol 29(1) (Reissue) PARA 558 et seq; and as to provision that may be made specifically by or under Pt 4 (ss 41-59) see PARA 220 note 11 ante. (ii) Business Improvement District Levy

A. IN GENERAL

225. BID levy.

BID levy¹ is to be imposed in a business improvement district² only for periods ('chargeable periods') falling within the period in which BID arrangements³ are in force in respect of the district⁴. The length of any chargeable period, and the day on which it begins, are to be such as may be specified in the BID arrangements⁵. The amount of BID levy for any chargeable period: (1) is to be calculated in such manner as may be provided in the BID arrangements⁶; and (2) may be different for different cases⁷.

BID arrangements must specify the description of non-domestic ratepayers⁸ in the business improvement district who are to be liable for BID levy for a chargeable period⁹. A person is to be liable for BID levy for a chargeable period if he falls within that description at any time within the period¹⁰; and the amount of a person's liability for BID levy for any chargeable period is to be determined in accordance with the BID arrangements¹¹. Any amount of BID levy for which a person is liable is to be paid to the billing authority which made the arrangements¹².

The Secretary of State (or the Welsh Ministers, as the case may be)¹³ may by regulations¹⁴ make provision with respect to the imposition, administration, collection, recovery and application of BID levy¹⁵.

220-226 BID levy on non-domestic ratepayers

The Business Rate Supplements Act 2009 confers power on the Greater London Authority and certain local authorities to impose a business rate supplement levy on non-domestic ratepayers to raise money for expenditure on projects expected to promote economic development: see PARAS 226A-226E.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(9) BID LEVY ON NON-DOMESTIC RATEPAYERS/(ii) Business Improvement District Levy/B. ADMINISTRATION OF BID LEVY/226A. Business rate supplement levy.

226A. Business rate supplement levy.

1. Power to impose a BRS

A levying authority has power to impose a business rate supplement ('BRS') levy on non-domestic ratepayers in its area: Business Rate Supplements Act 2009 s 1(1). The purpose of imposing a BRS levy is to raise money for expenditure on a project that the authority is satisfied will promote economic development in its area: s 1(2). As to the meaning of 'levying authority' see Business Rate Supplements Act 2009 s 2(1); and as to the meaning of 'non-domestic ratepayer' see s 1(3). The power conferred on a levying authority may be exercised jointly with one or more other levying authorities: Business Rate Supplements Act 2009 s 2(2).

2. Use of money raised by a BRS levy

A levying authority must secure that the sums it receives in respect of a BRS levy (see PARA 226A.1) are used only for expenditure on the project to which the BRS levy relates, and that the authority would not have incurred had it not imposed the BRS levy: Business Rate Supplements Act 2009 s 3(1). A levying authority may use such sums to make payments in respect of money loaned for the purpose of providing funding for the project to which the BRS levy relates: s 3(2). A levying authority must not use sums it receives in respect of a BRS levy for specified purposes: see s 3(3), (4). The Greater London Authority may make arrangements with a functional body for some or all of the sums that it receives in respect of a BRS levy imposed by it to be used by the body for expenditure on the project to which the BRS levy relates: s 3(5).

3. Conditions for imposing a BRS levy

A levying authority may not impose a BRS levy (see PARA 226A.1) unless (1) it has published a document that sets out the proposal for the imposition of the BRS levy in the form of an initial prospectus; (2) it has consulted the relevant persons on the proposal (see PARA 226A.4); (3) where there is to be a ballot on the imposition of the BRS levy, the ballot has been held and the imposition of the BRS levy approved (see PARA 226A.5); and (4) it has published a document that sets out the arrangements for the imposition of the BRS levy in the form of a final prospectus: Business Rate Supplements Act 2009 s 4. Any initial or final prospectus must include the information specified in Sch 1, and may include such other information as the levying authority thinks appropriate: Business Rate Supplements Act 2009 s 5(1). The function of the levying authority of approving a final prospectus before publication is a function that must be discharged only by the whole authority; but that does not apply in the case of the Greater London Authority: s 5(2). After publishing an initial or final prospectus, a levying authority must place an electronic copy of the published prospectus on its website, and make copies of the published prospectus available for inspection at its principal office at all reasonable times of the day: s 5(3). In a case where two or more levying authorities are acting jointly by virtue of s 2, each authority must separately discharge the function of approving a final prospectus before publication, and comply with the duty imposed by s 5(3): s 5(4).

4. Consultation

The relevant persons for the purposes of consultation on the proposal in an initial prospectus are (1) each person who will be liable to pay the BRS levy (see PARA 226A.1); (2) each lower-tier authority in relation to the levying authority; and (3) such other persons as the levying authority thinks appropriate: Business Rate Supplements Act 2009 s 6(1). As to the meaning of 'lower-tier authority' see the Business Rate Supplements Act 2009 s 3(8). A person is regarded as a person who will be liable to pay a BRS levy if the levying authority thinks (a) that the person will be liable to pay a chargeable amount for the first day of the chargeable period of the BRS levy; (b) that the person would, but for s 13(7), (8), be liable to pay a chargeable amount for the first day of the chargeable period of the BRS levy; and (c) that the person would, but for s 15 or s 16, be liable to pay a chargeable amount for the first day of the chargeable period of the BRS, and will be liable to pay a chargeable amount before the end of that period: s 6(2)-(4). For the purposes of head (3) above, a levying authority must think whether it would be appropriate to consult persons who the authority thinks might become liable to pay a chargeable amount before the end of the chargeable period of the BRS levy: s 6(5). The levying authority must publish a revised version of an initial prospectus if, in the light of the consultation on the proposal in the prospectus, the authority thinks that it is necessary or appropriate to do so: s 6(6).

5. Ballot on the imposition of a BRS levy

There must be a ballot on the imposition of a BRS levy (see PARA 226A.1) in the specified form if the amount specified in the initial prospectus as the amount the authority expects to raise from the imposition of the BRS levy is more than one third of the amount the authority estimates as the total cost of the project to which the BRS levy relates: Business Rate Supplements Act 2009 s 7(1)-(3). A person is eligible to vote in a ballot on the imposition of a BRS levy if the person is within s 6(2)-(4) (see PARA 226A.4): s 7(4). If a ballot is held, the imposition of the BRS levy is approved if (1) a majority of the persons voting in the ballot have voted in favour of the imposition of the BRS levy; and (2) the aggregate of the rateable values of each hereditament in respect of which a person voting in the ballot has voted in favour of the imposition of the BRS levy exceeds that voted against: Business Rate Supplements Act 2009 s 8(1), (2). Regulations may make provision in relation to the holding of a ballot on the imposition of a BRS levy: see the Business Rate Supplements Act 2009 s 9.

6. Variation of a BRS levy

A levying authority may vary a BRS (see PARA 226A.1) in so far as the variation is of a kind that may be made in accordance with the final prospectus (see PARA 226A.3): Business Rate Supplements Act 2009 s 10(1). Otherwise, a levying authority may vary a BRS levy only if (1) it has published a document that sets out the proposal for the variation; (2) it has consulted the relevant persons on the proposal (see PARA 226A.4); (3) where there was a ballot on the imposition of the BRS levy or where there is to be a ballot on the proposal by virtue of s 10(7), a ballot on the proposal has been held and the variation approved (see PARA 226A.5); and (4) it has published a document that sets out the arrangements for making the variation: s 10(2). As to the document mentioned in heads (1) and (4) and its specifications, see s 10(3), (4), (6). As to the relevant persons for the purposes of consultation on a proposal to vary a BRS levy, see s 10(5). As to the circumstances when there must be a ballot on a proposal to vary a BRS levy and the specified form of the ballot, see s 10(7)-(10). A person is eligible to vote in a ballot on a proposal to vary a BRS levy if the person is within s 6(2)-(4) (see PARA 226A.4) and ss 8, 9 (see PARA 226A.5) apply to a ballot on a proposal to vary a BRS levy as they apply to a ballot on a proposal for the imposition of a BRS levy: s 10(11).

220-226 BID levy on non-domestic ratepayers

The Business Rate Supplements Act 2009 confers power on the Greater London Authority and certain local authorities to impose a business rate supplement levy on non-domestic ratepayers to raise money for expenditure on projects expected to promote economic development: see PARAS 226A-226E.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(9) BID LEVY ON NON-DOMESTIC RATEPAYERS/(ii) Business Improvement District Levy/B. ADMINISTRATION OF BID LEVY/226B. Liability to business rate supplement levy.

226B. Liability to business rate supplement levy.

1. Liability of non-domestic ratepayers to BRS levy

The Business Rate Supplements Act 2009 s 11 applies in relation to a person who, as regards a hereditament, is subject to a non-domestic rate under the Local Government Finance Act 1988 s 43 or s 45 in respect of a financial year: Business Rate Supplements Act 2009 s 11(1). The person is, in relation to that hereditament and in respect of that year, subject to such BRS levies (see PARA 226A.1) as are imposed for that year by the levying authority in whose area the hereditament is situated: s 11(2). But a person subject to a non-domestic rate under the Local Government Finance Act 1988 s 45 is not subject to a BRS levy if (1) s 45A applies to the hereditament; or (2) the final prospectus for the BRS levy states that such ratepayers are not to be subject to the BRS levy: Business Rate Supplements Act 2009 s 11(3). A person who is subject to a BRS levy in relation to a hereditament in respect of a financial year is liable to pay in respect of that year an amount calculated by finding the chargeable amount for each chargeable day and totalling those amounts: s 11(4). As to the meanings of 'chargeable day' and 'chargeable period' see s 11(5)-(7).

2. Rateable value condition

The rateable value condition is met in relation to a hereditament on any day on which the rateable value of the hereditament exceeds the amount prescribed by regulations: Business Rate Supplements Act 2009 s 12(1). However, if part only of a hereditament is occupied, and a person subject to a non-domestic rate under the Local Government Finance Act 1988 s 45 is not subject to the BRS levy (see PARA 226A.1) (1) the rateable value condition is met in relation to the hereditament on any day on which the rateable value of the occupied part exceeds the amount prescribed under the Business Rate Supplements Act 2009 s 12(1); and (2) the levying authority may require the valuation officer for the authority to apportion the rateable value of the hereditament between the occupied and unoccupied parts, and to certify the apportionment to the levying authority: s 12(3), (4). The levying authority may, for those purposes, rely on an apportionment under the Local Government Finance Act 1988 s 44A if satisfied that the apportionment will be accurate for those purposes: Business Rate Supplements Act 2009 s 12(5). As to the making of regulations, see s 12(6)-(8). In relation to England, the amount prescribed for the purposes of s 12(1) is £50,000: Business Rate Supplements (Rateable Value Condition) (England) Regulations 2009, SI 2009/2542. As to the formulae in determining the chargeable amount for a chargeable day in relation to various hereditaments, see the Business Rate Supplements Act 2009 ss 13, 14.

3. BRS levy relief

A levying authority that imposes a BRS levy (see PARA 226A.1) may apply such reliefs in relation to the BRS levy as it thinks appropriate: Business Rate Supplements Act 2009 s 15(1). If a levying authority applies a relief in relation to a BRS levy, the chargeable amount for a chargeable day in relation to a hereditament is determined in accordance with the rules set by the authority for the application of the relief: s 15(2). A levying authority may not apply a relief in relation to a BRS levy unless the rules for the application of the relief (1) are set out in the

final prospectus for the BRS levy or have effect by virtue of s 10; (2) operate by reference to the rateable value of a hereditament in respect of which the liability arises; (3) apply consistently to hereditaments in the levying authority's area regardless of the purpose for which they may be used or the basis on which they are owned or occupied; and (4) apply uniformly throughout the levying authority's area: s 15(3).

4. Interaction with BID levy

The following provisions are not yet in force.

A levying authority must set rules for the purposes of cases where a person is, by reference to a hereditament, liable for BID levy (see PARA 220 et seq) for the whole or part of a financial year in respect of which the person is subject to a BRS (see PARA 226A.1) imposed by the authority: Business Rate Supplements Act 2009 s 16(1), (4). The chargeable amount in relation to the hereditament for a chargeable day for which the person is also liable for BID levy by reference to the hereditament is the amount found by offsetting the amount of the person's liability for BID levy for the day against the amount that the person would be liable to pay in respect of the BRS for that day: s 16(2), (3). As to BRS-BID arrangements, see s 16(5), Sch 2.

5. Regulations to deal with joint ownership, joint occupation or death

Regulations may make provision for cases where a hereditament is owned or occupies by more than one person at a particular time: Business Rate Supplements Act 2009 s 17(1), (2). Regulations may make provision for cases where a person who has died was subject to a BRS (see PARA 226A.1): s 17(3), (4).

220-226 BID levy on non-domestic ratepayers

The Business Rate Supplements Act 2009 confers power on the Greater London Authority and certain local authorities to impose a business rate supplement levy on non-domestic ratepayers to raise money for expenditure on projects expected to promote economic development: see PARAS 226A-226E.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/2. NON-DOMESTIC RATING/(9) BID LEVY ON NON-DOMESTIC RATEPAYERS/(ii) Business Improvement District Levy/B. ADMINISTRATION OF BID LEVY/226C. Administration of BRS levy.

226C. Administration of BRS levy.

A levying authority which is not a billing authority must, for each financial year for which it intends to impose a BRS levy (see PARA 226A.1), give written notice relating to the BRS levy to each billing authority which is a lower-tier authority in relation to it: Business Rate Supplements Act 2009 s 18(1). As to billing authorities, see PARA 5. The notice must adhere to specific requirements and must be given before 1 March in the financial year preceding that for which the levying authority intends to impose the BRS levy: s 18(2), (3). In cases where levying authorities are not required to give such a notice relating to the imposition of a BRS levy under s 18, and in cases of variation under s 10, the levying authority must give such a notice during the financial year: see the Business Rate Supplements Act 2009 s 19. A billing authority which is a levying authority must calculate the chargeable amount which each person who is to be subject to a BRS levy imposed by it for a financial year is to be liable to pay in respect of that year: Business Rate Supplements Act 2009 s 20(1). It must calculate the chargeable amount that each person who is to be subject to the BRS levy to which the notice relates is to be liable to pay in respect of the financial year if a billing authority which is a lower-tier authority in relation to a levying authority receives a notice from the levying authority under s 18 or s 19: s 20(2), (3). However, if a billing authority receives a notice given for the purposes of a case within s 19(2), this duty applies only in so far as new calculations are required to be made as a result of the variation specified in the notice: s 20(4). Regulations may make provision in relation to the collection and recovery of sums due under the Business Rate Supplements Act 2009, which may authorise a billing authority to use a prescribed proportion of such sums as it collects or recovers in respect of a BRS levy to meet expenses it incurs in the collection or recovery: see the Business Rate Supplements Act 2009 ss 21, 22; and the Business Rate Supplements (Administrative Expenses) (England) Regulations 2010, 2010/134.

A levying authority that imposes a BRS levy must (1) in accordance with proper practices, keep a revenue account that is solely for that BRS levy; and (2) secure that such sums as the authority receives in respect of the BRS levy are credited to that account: Business Rate Supplements Act 2009 s 23, Sch 3 para 1. Regulations may make provision as to collection funds, refunds and credits, and in relation to revenue accounts for BRS levies: Sch 3 paras 2, 3, 5. See the Business Rate Supplements (Transfer of Revenue Accounts) (England) Regulations 2009, SI 2009/2543.

226D. Power to cancel a BRS levy.

If the Secretary of State or the Welsh Ministers ('the appropriate national authority') thinks that a levying authority has, in relation to a BRS levy (see PARA 226A.1) imposed by it, acted in a way that is materially inconsistent with information provided by it, then the appropriate national authority may direct the levying authority to cancel the imposition of the BRS levy, or may impose other directions: Business Rate Supplements Act 2009 ss 24(1)-(4), 30(1). The appropriate national authority may, in connection with the exercise or proposed exercise of a power under s 24, require the levying authority, a billing authority that is a lower-tier authority, or a functional body to provide such information relating to a BRS levy as the appropriate national authority may specify: s 24(5).

The Business Rate Supplements Act 2009 confers power on the Greater London Authority and certain local authorities to impose a business rate supplement levy on non-domestic ratepayers to raise money for expenditure on projects expected to promote economic development: see PARAS 226A-226E.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(1) IN GENERAL/227. Legislative developments leading to the council tax.

3. COUNCIL TAX

(1) IN GENERAL

227. Legislative developments leading to the council tax.

Until 1 April 1990, local authorities were authorised to raise money from the public by virtue of the general rate¹, whereby the occupier or owner of a hereditament was liable for a charge based upon the value of the hereditament².

With effect from 1 April 1990, rating was abolished in relation to domestic property, and a community charge was introduced which was based on the chargepayer rather than the value of the hereditament³. The new charge was payable by every person over 18 years of age except those expressly excluded⁴.

With effect from 1 April 1993, the community charge was abolished⁵ and replaced with the council tax⁶. The law governing council tax is derived from statute and delegated legislation, the principal Act governing the making and levying of council tax being the Local Government Finance Act 1992⁷, which introduced a new system of taxation of residential and domestic hereditaments on the model of the non-domestic rating system⁸. The new system imposes liability for council tax⁹, and also empowers local authorities to set and levy council tax¹⁰.

1 See the General Rate Act 1967 (repealed with savings). As to the general historical background to the modern law of rating and council tax see PARA 2 ante.

2 This system of rating survives but only in so far as it applies to non-domestic hereditaments: see the Local Government Finance Act 1988 Pt III (ss 41-67) (as amended); and PARA 3 et seq ante.

3 See the Local Government Finance Act 1988 Pt I (ss 1-31), Pt II (ss 32-40) (all repealed). The capitation basis of this system of taxation gave rise to the community charge's soubriquet: 'poll tax'.

4 See *ibid* s 2, Sch 1 (both repealed). Appeals in relation to the contents of the register were made to a valuation and community charge tribunal: see ss 23, 24 (both repealed). See now the valuation tribunals; and PARAS 147 et seq ante (in relation to valuation tribunals generally), 352 et seq post (in relation to council tax specifically).

5 See the Local Government Finance Act 1992 ss 100, 117, Sch 13 (as amended), Sch 14; and as to saving provisions enabling the collection of outstanding amounts of community charge see s 118.

6 As to the council tax see PARA 228 et seq post.

7 As to the citation, commencement and extent of the Local Government Finance Act 1992 see s 119. Nothing in any private or local Act (whenever passed) in any way affects the operation of the 1992 Act or of anything done under it: s 116(2).

8 As to the non-domestic rating system see the text and notes 1-2 *supra*. Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(1) IN GENERAL/228. The Secretary of State and the Welsh Ministers.

228. The Secretary of State and the Welsh Ministers.

The council tax legislation confers the functions of central government in relation to the council tax system upon the 'Secretary of State' without reference to a particular department or ministry¹, but in practice the Secretary of State for Communities and Local Government has responsibility for council tax². Many statutory functions vested in a Secretary of State or a Minister of the Crown are transferred so as to be exercisable in relation to Wales³ by the Welsh Ministers⁴. For the purposes of this title, the functions so transferred⁵ include, with minor exceptions⁶ and qualifications⁷, almost all functions under the Local Government Finance Act 1992⁸. One other function which is exercisable by a Minister of the Crown is exercisable subject to constraint⁹.

Any power of the Secretary of State, the Treasury or the Welsh Ministers under the Local Government Finance Act 1992 to make orders or regulations¹⁰ may be so exercised as to make different provision for different cases or descriptions of case, including different provision for different areas or for different authorities¹¹. Any such power to make orders or regulations includes power to make such incidental, consequential, transitional or supplementary provision as he, they or it thinks necessary or expedient¹². Any such power of the Secretary of State or of the Treasury to make orders or regulations is exercisable by statutory instrument, which subject to certain exceptions¹³, is subject to annulment in pursuance of a resolution of either House of Parliament¹⁴. Any power of the Welsh Ministers under the Local Government Finance Act 1992 to make orders or regulations is exercisable by statutory instrument¹⁵.

The Secretary of State (or the Welsh Ministers, as the case may be) has the power to designate or nominate an authority if he considers that the amount calculated by the authority as its annual budgetary requirement is excessive or represents an excessive increase over the preceding financial year¹⁶.

The Secretary of State (or the Welsh Ministers, as the case may be) may at any time by order make such supplementary, incidental, consequential or transitional provision as appears to him (or them) to be necessary or expedient for the general purposes or any particular purposes of the Local Government Finance Act 1992 or in consequence of any of its provisions or for giving full effect to it¹⁷. Any such provision is in addition and without prejudice to any other provision of the Local Government Finance Act 1992¹⁸; and no other provision of that Act is to be construed as prejudicing the generality of these powers¹⁹.

The Secretary of State (or the Welsh Ministers, as the case may be) may also issue Practice Notes in relation to the council tax system²⁰.

In circumstances where:

- 329 (1) the Secretary of State (or the Welsh Ministers, as the case may be) serves a notice on a relevant authority²¹ or relevant officer²² requiring it or him to supply to the Secretary of State (or the Welsh Ministers, as the case may be) information²³ specified in the notice²⁴;
- 330 (2) the information is required by the Secretary of State (or the Welsh Ministers, as the case may be) for the purpose of deciding whether to exercise his powers (and how to perform his functions) under Part I of the Local Government Finance Act 1992²⁵ or under Part III of the Greater London Authority Act 1999²⁶; and
- 331 (3) the information is not personal information²⁷,

the authority or officer must supply the information required, and must do so in such form and manner and at such time as the Secretary of State (or the Welsh Ministers, as the case may be) specifies in the notice²⁸. If an authority or officer fails so to comply, the Secretary of State (or the Welsh Ministers, as the case may be) may assume the information required to be such as he sees fit; and in such a case the Secretary of State (or the Welsh Ministers, as the case may be) may decide in accordance with the assumption whether to exercise his powers (and how to perform his functions) under Part I of the Local Government Finance Act 1992 or under Part III of the Greater London Authority Act 1999²⁹. In so deciding whether to exercise his powers (and how to perform his functions) the Secretary of State (or the Welsh Ministers, as the case may be) may also take into account any other information available to him, whatever its source and whether or not obtained under a provision contained in or made under Part I of the Local Government Finance Act 1992 or any other enactment³⁰.

There is to be paid out of money provided by Parliament:

- 332 (a) any sums required to enable valuations to be carried out in accordance with Part I or Part II³¹ of the Local Government Finance Act 1992³²;
- 333 (b) any expenses of the Secretary of State (or of the Welsh Ministers, as the case may be) incurred in consequence of the 1992 Act³³; and
- 334 (c) any increase attributable to the 1992 Act in the sums payable out of money so provided under any other enactment³⁴.

There is to be paid into the Consolidated Fund³⁵ any sums received by the Secretary of State (or by the Welsh Ministers, as the case may be) in consequence of the 1992 Act³⁶ and any increase attributable to the 1992 Act in the sums payable into that Fund under any other enactment³⁷.

In relation to council tax benefit³⁸, the relevant Secretary of State is the Secretary of State for Work and Pensions³⁹.

1 In any enactment, 'Secretary of State' means one of Her Majesty's principal Secretaries of State: see the Interpretation Act 1978 s 5, Sch 1. The office of Secretary of State is a unified office, and in law each Secretary of State is capable of performing the functions of all or any of them: see CONSTITUTIONAL LAW AND HUMAN RIGHTS vol 8(2) (Reissue) PARA 355. Accordingly, despite the fact that older statutes refer to ministers, to specific ministers or to government departments, in law the office of Secretary of State is one and accordingly many modern statutes refer simply to the 'Secretary of State' without reference to a particular department or ministry.

2 However, council tax benefit (as to which see PARA 371 et seq post) is part of the portfolio of the Secretary of State for Work and Pensions: see CONSTITUTIONAL LAW AND HUMAN RIGHTS vol 8(2) (Reissue) PARA 502 et seq. As to the Secretary of State in relation to non-domestic rating see PARA 3 ante.

3 For the meaning of 'Wales' see PARA 1 note 2 ante.

4 These functions were previously transferred to the National Assembly for Wales by Order in Council under the Government of Wales Act 1998 s 22 (see the National Assembly for Wales (Transfer of Functions) Order 1999, SI 1999/672, arts 2, 3, Sch 1) or, in the case of functions conferred under enactments subsequent to the Government of Wales Act 1998, by virtue of particular provision made under those enactments: see the Government of Wales Act 2006 s 162(1), Sch 11 para 30; and CONSTITUTIONAL LAW AND HUMAN RIGHTS. Further transfers of ministerial functions to the Welsh Ministers may be effected by Order in Council pursuant to s 58, Sch 3 paras 1-8. As to the exercise of transferred functions and the bringing of subordinate legislation made by the Welsh Ministers before the National Assembly for Wales see Sch 11 paras 33-35 (in the case of functions transferred to the Assembly by Order in Council under the Government of Wales Act 1998 s 22) or the Government of Wales Act 2006 Sch 3 para 9 (in the case of functions transferred to the Welsh Ministers by Order in Council under s 58); and CONSTITUTIONAL LAW AND HUMAN RIGHTS. As to the National Assembly for Wales see CONSTITUTIONAL LAW AND HUMAN RIGHTS. In general, Acts that have come into force since the establishment of the National Assembly for Wales have made specific provision for the exercise of functions in relation to Wales.

6 Ie except the power of the Secretary of State to include certain matters in a social security instrument under the Local Government Finance Act 1992 s 13(9) (see PARA 257 post) or to make provision for enforcing

As to the Treasury see CONSTITUTIONAL LAW AND HUMAN RIGHTS vol 8(2) (Reissue) PARAS 512-517.

7 The power of the Secretary of State to make regulations under the Local Government Finance Act 1992 s 1(3) (see PARA 231 post) is transferred to the Welsh Ministers except as regards a dwelling part only of which falls within the area of a Welsh billing authority: see the National Assembly for Wales (Transfer of Functions) Order 1999, SI 1999/672, Sch 1 (as amended). The functions of the Secretary of State under the Local Government Finance Act 1992 ss 14(1), 97(3), Sch 2 paras 14, 15 (power to make regulations regarding supply of information) (see PARA 279 post) are exercisable by the Welsh Ministers concurrently with the Secretary of State: see the National Assembly for Wales (Transfer of Functions) Order 1999, SI 1999/672, Sch 1 (as amended). Any reference to the approval of a report by the House of Commons is to be construed as a reference to the publication of the report by the National Assembly for Wales: see the National Assembly for Wales (Transfer of Functions) Order 1999, SI 1999/672, Sch 1 (as amended).

8 See *ibid* Sch 1 (as amended).

9 The function of the Secretary of State under the Local Government Finance Act 1992 s 1(3) (see PARA 231 post) is, as regards a dwelling part only of which falls within the area of a Welsh billing authority, exercisable only with the agreement of the Welsh Ministers: see the National Assembly for Wales (Transfer of Functions) Order 1999, SI 1999/672, art 5, Sch 2 (as amended).

Certain functions of an authority must be discharged only by the authority¹⁰ but the functions of a billing authority in relation to the administration and enforcement of council tax may, to the prescribed extent, be exercised by, or by the employees of, such person as may be authorised to exercise them by the authority whose functions they are¹¹.

230. Role of the Commissioners for Revenue and Customs and listing officers.

The Commissioners for Revenue and Customs¹ must appoint a listing officer for each billing authority². The remuneration of, and any expenses incurred by, listing officers in carrying out their functions³ (including the remuneration and expenses of persons, whether or not in the service of the Crown, to assist them) must be paid out of money provided by Parliament⁴.

The functions of the Commissioners for Revenue and Customs in relation to council tax include the duty to value dwellings in England and Wales⁵ and to furnish listing officers with certain information⁶. A listing officer or any other officer of the Commissioners (a 'valuation officer') may also enter on, survey and value a hereditament on giving at least three days' clear notice of the proposed entry⁷; and the listing officers and the Commissioners each have the power to request certain information relating to property, being information which the listing officer or the Commissioners reasonably believe will assist him or them in carrying out any of his or their functions⁸.

A person may require a listing officer to provide access to specified information thus collated upon request⁹.

(2) LIABILITY TO COUNCIL TAX

(i) In general

231. Council tax in respect of dwellings.

As regards the financial year¹, each billing authority² must, in accordance with the council tax provisions which have effect in relation to England and Wales³, levy and collect a tax ('council tax'), which is payable in respect of dwellings⁴ situated in its area⁵. For these purposes, the Secretary of State (or the Welsh Ministers, as the case may be)⁶ may make regulations⁷ containing rules for treating a dwelling as situated in a billing authority's area if part only of the dwelling falls within the area⁸.

Liability to pay council tax is determined on a daily basis⁹. For the purposes of determining for any day:

- 335 (1) whether any property is a chargeable dwelling¹⁰;
- 336 (2) which valuation band¹¹ is shown in the billing authority's valuation list¹² as applicable to any chargeable dwelling¹³;
- 337 (3) the person liable to pay council tax in respect of any such dwelling¹⁴; or
- 338 (4) whether any amount of council tax is subject to a discount and (if so) the amount of the discount¹⁵,

it is to be assumed that any state of affairs subsisting at the end of the day had subsisted throughout the day¹⁶.

1 I.e. the financial year beginning in 1993 and subsequent financial years: see the Local Government Finance Act 1992 s 1(1). For these purposes, 'financial year' means any period of 12 months beginning with 1 April (s 116(1)), although in Pt I (ss 1-69) (as amended) (see PARAS 228 et seq ante, 232 et seq post), 'financial year', except in references to earlier or preceding financial years, does not include the financial year beginning in 1992 or earlier financial years: s 69(1).

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(2) LIABILITY TO COUNCIL TAX/(ii) Chargeable Dwellings/232. Meaning of 'dwelling'.

(ii) Chargeable Dwellings

232. Meaning of 'dwelling'.

For the purposes of the council tax provisions which have effect in relation to England and Wales¹, provision is made for determining what is a dwelling². Accordingly, a dwelling is any property which³:

- 339 (1) would have been a hereditament for the purposes of the General Rate Act 1967 (now repealed)⁴ if that Act remained in force⁵; and
- 340 (2) is not for the time being shown or required to be shown in a local or a central non-domestic rating list in force at that time⁶; and
- 341 (3) is not for the time being exempt from local non-domestic rating⁷.

In applying heads (2) and (3) above, no account is to be taken of any rules as to Crown exemption⁸.

A hereditament which: (a) is a composite hereditament for the purposes of Part III of the Local Government Finance Act 1988⁹; and (b) would still be such a hereditament if certain provisions relating to the definition of domestic property for those purposes¹⁰ were omitted¹¹, is also a dwelling for the purposes of Part 1 of the Local Government Finance Act 1992¹².

None of the following property, namely:

- 342 (i) a yard, garden, outhouse or other appurtenance belonging to or enjoyed with property used wholly for the purposes of living accommodation¹³; or
- 343 (ii) a private garage which either has a floor area of not more than 25 square metres or is used wholly or mainly for the accommodation of a private motor vehicle¹⁴; or
- 344 (iii) private storage premises used wholly or mainly for the storage of articles of domestic use¹⁵,

is a dwelling except in so far as it forms part of a larger property which is itself a dwelling by virtue of heads (1) to (3) above¹⁶.

The Secretary of State (or the Welsh Ministers, as the case may be)¹⁷ may by order¹⁸ provide that in such cases as may be prescribed by or determined under the order¹⁹:

- 345 (A) anything which would (apart from the order) be one dwelling is to be treated as two or more dwellings²⁰; and
- 346 (B) anything which would (apart from the order) be two or more dwellings is to be treated as one dwelling²¹.

The Secretary of State (or the Welsh Ministers, as the case may be) may by order amend any definition of 'dwelling' which is for the time being effective for the purposes of Part 1 of the Local Government Finance Act 1992²².

1 le for the purposes of the Local Government Finance Act 1992 Pt I (ss 1-69) (as amended) (see PARAS 228 et seq ante, 233 et seq post): see s 3(1). For the meanings of 'England' and 'Wales' see PARA 1 note 2 ante.

2 Ibid s 3(1).

3 Ibid s 3(1), (2). The provision set out in s 3(2) is subject to s 3(3)-(6) (see the text and notes 9-22 infra): see s 3(2). In Pt I (as amended) (see PARAS 228 et seq ante, 233 et seq post) 'dwelling' has the meaning given by s 3: see s 69(1).

There is no need to imply that s 3(2) only applies to houses as the provision provides a satisfactory and working definition of 'dwelling' without that implication being made: see *Lewis v Christchurch Borough Council* [1996] RA 229 (beach huts held to be dwellings under the Local Government Finance Act 1992 s 3(2)).

4 le by virtue of the definition of 'hereditament' in the General Rate Act 1967 s 115(1) (repealed) (see PARA 33 ante): see the Local Government Finance Act 1992 s 3(1), (2)(a). For the purposes of the General Rate Act 1967, 'hereditament' was defined as property which is or may become liable to a rate, being a unit of such property which is, or would fall to be, shown as a separate item in the valuation list: see s 115(1) (repealed). As to rateable hereditaments under the Local Government Finance Act 1988 (the Act which repealed and replaced the General Rate Act 1967 and uses the same definition of 'hereditament' for its own purposes) see PARA 7 et seq ante. See *Stubbs v Hartnell (Listing Officer)* [1997] EWCA Civ 1817, [2002] RVR 90 (appellant's plot of land and mooring, together with his houseboat moored to it, was properly regarded as a hereditament for the purposes of the charge to council tax). A property is a composite hereditament for the purposes of council tax if at least one room is used exclusively for the purposes of a dwelling: see *Williams v Bristol District Valuation Officer* [1995] RA 189 (maisonette above a shop is a dwelling even if access is only through the shop). Similarly, a house may be a composite hereditament if one or more rooms are used mainly for the conduct of a business: see *Fotheringham v Wood (Valuation Officer)* [1995] RA 315, Lands Tribunal (rates liability arose where one room used mainly for business, another partly so); cf *Tully v Jorgensen (Valuation Officer)* [2003] RA 233, Lands Tribunal (rates liability did not arise in this case where a room was used to carry out employment-related office work because the use remained for the purposes of ordinary domestic living accommodation); and see PARA 120 ante (definition of 'domestic property' for non-domestic rating purposes).

19 Local Government Finance Act 1992 s 3(1), (5).

20 Ibid s 3(1), (5)(a).

In exercise of the power conferred by s 3(1), (5)(a), the Council Tax (Chargeable Dwellings) Order 1992, SI 1992/549 (as amended) has been made. Accordingly, where a single property contains more than one self-contained unit, for the purposes of the Local Government Finance Act 1992 Pt I (as amended) (see PARAS 228 et seq ante, 233 et seq post), the property is to be treated as comprising as many dwellings as there are such units included in it and each such unit is to be treated as a dwelling: Council Tax (Chargeable Dwellings) Order 1992, SI 1992/549, art 3 (amended in relation to England by SI 2003/3121; and in relation to Wales by SI 2004/2921). A care home is to be treated as comprising the number of dwellings found by adding one to the number of self-contained units occupied by (or, if currently unoccupied, provided for the purpose of accommodating) the person registered in respect of it in accordance with the Care Standards Act 2000 Pt II (ss 11-42) (as amended) (see SOCIAL SERVICES AND COMMUNITY CARE vol 44(2) (Reissue) PARA 1042), and each such unit is to be treated as a dwelling: Council Tax (Chargeable Dwellings) Order 1992, SI 1992/549, art 3A (added in relation to England by SI 2003/3121; and in relation to Wales by SI 2004/2921). For these purposes, 'care home' means a care home within the meaning of the Care Standards Act 2000 (see SOCIAL SERVICES AND COMMUNITY CARE vol 44(2) (Reissue) PARA 1042), in respect of which a person is registered in accordance with Part II (as amended): Council Tax (Chargeable Dwellings) Order 1992, SI 1992/549, art 2 (definition added in relation to England by SI 2003/3121; and in relation to Wales by SI 2004/2921). 'Self-contained unit' means a building or a part of a building which has been constructed or adapted for use as separate living accommodation: Council Tax (Chargeable Dwellings) Order 1992, SI 1992/549, art 2 (definition substituted by SI 1997/656). 'Single property' means property which would, apart from the Council Tax (Chargeable Dwellings) Order 1992, SI 1992/549 (as amended), be one dwelling within the meaning of the Local Government Finance Act 1992 s 3: Council Tax (Chargeable Dwellings) Order 1992, SI 1992/549, art 2.

A flat and a house within a single property are treated as two self-contained units for the purposes of the Council Tax (Chargeable Dwellings) Order 1992, SI 1992/549 (as amended) where both have the usual features of separate accommodation, such as bathing and cooking facilities, and are not affected by the fact that one is accessed through the other: *McColl v Sabacchi (Listing Officer)* [2001] EWHC Admin 712, [2001] RA 342, [2001] All ER (D) 04 (Sep). To determine whether part of a building is a self-contained unit for the purposes of the Council Tax (Chargeable Dwellings) Order 1992, SI 1992/549, art 3 (as amended) see *Williams (Listing Officer) v Royal National Institute for the Blind* [2003] EWHC 1308 (Admin), [2003] RA 158, [2003] All ER (D) 249 (May) (the question as to whether a building or part of a building has been constructed or adapted for use as separate living accommodation, is to be answered in the light of all the objective circumstances, including the use for which the rest of the building had been built). The judgment in *Williams (Listing Officer) v Royal National Institute for the Blind* supra considered factors identified in previous judgments, including those factors which should not be taken into account at all, such as the use to which a part of a building is actually put (*Batty v Burfoot* [1995] RA 299, [1995] 2 EGLR 142; *Beaseley v National Council of the YMCA* [2000] RA 429) or the impracticability of the sale of part of a building (*Batty v Burfoot* supra) or the subjective intention of the builder or developer (*Coleman (Listing Officer) v Rotzstein* [2003] EWHC 1057 (Admin), [2003] RA 152, [2003] All ER (D) 371 (Apr)) and those factors which should not be treated as of decisive effect, such as the terms of the grant of planning permission (*Batty v Burfoot* supra) or the absence of a bath or shower within the unit (*Clement (Listing Officer) v Bryant* [2003] EWHC 422 (Admin), [2003] RA 133, [2003] All ER (D) 216 (Feb)); cf *Jorgensen (Listing Officer) v Gomperts* [2006] EWHC 1885 (Admin), [2006] RA 300, [2006] All ER (D) 01 (Jul) (having regard to case law, the correct test to be applied was an objective 'bricks and mortar' test which looked at the reality of what had been constructed and/or how it had been adapted; the intention and use, whether actual or prospective, are irrelevant to the determination). See also *Daniels (Listing Officer) v Aristides* [2006] EWHC 3052 (Admin), [2006] RVR 379 (house and a studio in the garden of the house had to be listed separately for council tax purposes; intention of developer and actual use both irrelevant).

Planning conditions restricting or regulating use of the property are not necessarily relevant to the issue of actual self-containment of units, nor is it relevant to assess the degree of communal living or the fact that a part of the dwelling might be sold as a separate unit: see *Rodd v Ritchings* [1995] RA 299, 159 LG Rev 829.

As to exceptions from the general rule that each unit is a separate dwelling see PARAS 234-235 post.

21 Local Government Finance Act 1992 s 3(1), (5)(b).

In exercise of the power conferred by s 3(1), (5)(b), the Council Tax (Chargeable Dwellings) Order 1992, SI 1992/549 (as amended) has been made. Accordingly, where a multiple property:

124 (1) consists of a single self-contained unit, or such a unit together with or containing premises constructed or adapted for non-domestic purposes (art 4(1)(a)); and

125 (2) is occupied as more than one unit of separate living accommodation (art 4(1)(b)),

the listing officer may, if he thinks fit, treat the property as one dwelling (art 4(1)). In so exercising his discretion, the listing officer must have regard to all the circumstances of the case, including the extent, if any, to which the parts of the property separately occupied have been structurally altered: art 4(2). For these purposes, 'multiple property' means property which would, apart from the Council Tax (Chargeable Dwellings) Order 1992, SI 1992/549 (as amended), be two or more dwellings within the meaning of the Local Government Finance Act 1992 s 3: Council Tax (Chargeable Dwellings) Order 1992, SI 1992/549, art 2. As to listing officers see PARA 230 ante.

Where a property consisting of two or more flats is converted into a single property, a new dwelling is created for council tax purposes: see *R v East Sussex Valuation Tribunal, ex p Silverstone* [1996] RVR 203n.

22 Local Government Finance Act 1992 s 3(6). At the date at which this volume states the law no such order had been made.

Council tax¹ is payable in respect of any dwelling² which is not an exempt dwelling³. For the purposes of the main council tax provisions which have effect in relation to England and Wales⁴, any dwelling in respect of which council tax is payable is a 'chargeable dwelling'⁵.

234. Power to exempt dwellings.

For the purposes of the main council tax provisions which have effect in relation to England and Wales¹, an 'exempt dwelling' is any dwelling² of a class prescribed by an order made by the Secretary of State (or by the Welsh Ministers, as the case may be)³. For these purposes, a class of dwellings may be prescribed by reference to such factors as the Secretary of State (or the Welsh Ministers, as the case may be) sees fit⁴. In particular, a class of dwellings may be prescribed by reference to one or more of the following factors⁵, namely:

- 347 (1) the physical characteristics of dwellings⁶;
- 348 (2) the fact that dwellings are unoccupied or are occupied for prescribed purposes or are occupied or owned by persons of prescribed descriptions⁷.

3 Local Government Finance Act 1992 s 4(2). As to the Secretary of State and the Welsh Ministers, and as to the making of orders under the Local Government Finance Act 1992, see PARA 228 ante. In exercise of the power so conferred, the Council Tax (Exempt Dwellings) Order 1992, SI 1992/558 (as amended) has been made (see PARA 235 post). The specification of a class of exempt dwelling in an order of the Secretary of State (or of the Welsh Ministers, as the case may be) under the Local Government Finance Act 1992 s 4(2) may not be questioned except by an application for judicial review: s 66(1), (2)(a). 4 Council Tax (Exempt Dwellings) Order 1992, SI 1992/558, art 3.

5 For the purposes of *ibid* art 3 Class A (as substituted) and art 3 Class C (as substituted) (see head (3) in the text), a dwelling is vacant on any day if on the day:

126 (1) in the case of a dwelling consisting of a pitch occupied by a caravan or a mooring occupied by a boat, the caravan or boat is unoccupied (art 2(2)(a)(i)) (art 2(2) substituted by SI 1994/539); and

127 (2) in any other case, the dwelling is unoccupied and substantially unfurnished (Council Tax (Exempt Dwellings) Order 1992, art 2(2)(a)(ii) (as so substituted)).

In considering whether a dwelling has been vacant for any period, any one period, not exceeding six weeks, during which it was not vacant is to be disregarded: art 2(2)(b) (as so substituted).

'Caravan' is to be construed in accordance with the Caravan Sites and Control of Development Act 1960 Pt I (ss 1-30) (as amended) (see TOWN AND COUNTRY PLANNING vol 46(3) (Reissue) PARA 1033): Council Tax (Exempt Dwellings) Order 1992, SI 1992/558, art 2(1) (definition added by SI 1994/539). 'Unoccupied dwelling' means, subject to the Council Tax (Exempt Dwellings) Order 1992, SI 1992/558, art 2(3) (as added and substituted) (see note 12 *infra*), a dwelling in which no one lives; and 'occupied' is to be construed accordingly: art 2(1) (definition amended by SI 1994/539).

6 For these purposes, 'major repair work' includes structural repair work: Council Tax (Exempt Dwellings) Order 1992, SI 1992/558, art 3 Class A para (3) (art 3 Class A substituted in relation to England by SI 2000/424; and in relation to Wales by SI 2000/1025).

9 *Ibid* art 3 Class A para (2)(c) (as substituted: see note 6 *supra*).

10 *Ibid* art 3 Class A para (2)(c) (as substituted in relation to Wales: see note 6 *supra*), art 3 Class A para (2) (d) (as substituted in relation to England: see note 6 *supra*).

11 *Ibid* art 3 Class A para (1) (as substituted: see note 6 *supra*).

12 For the purposes of *ibid* art 3 Class B (as amended) and art 3 Class F (as substituted) (see head (6) in the text), in considering whether a dwelling has been unoccupied for any period, any one period (not exceeding six weeks) during which it was occupied must be disregarded: art 2(3) (added by SI 1993/150; substituted by SI 1994/539). For the meaning of 'unoccupied dwelling' generally see note 5 *supra*.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(2) LIABILITY TO COUNCIL TAX/(iii) Persons Liable/237. Persons liable to pay council tax.

(iii) Persons Liable

237. Persons liable to pay council tax.

The person who is liable to pay council tax¹ in respect of any chargeable dwelling² and any day is the person who falls within the first of heads (1) to (6) below to apply, taking head (1) first, head (2) next, and so on³. Accordingly, a person is liable to pay council tax in relation to any chargeable dwelling and any day if, on that day:

- 377 (1) he is a resident⁴ of the dwelling and has a freehold interest in the whole or any part of it⁵; or
- 378 (2) he is such a resident and has a leasehold interest in the whole or any part of the dwelling which is not inferior to another such interest held by another such resident⁶; or
- 379 (3) he is both such a resident and a statutory⁷, secure⁸ or introductory tenant⁹ of the whole or any part of the dwelling¹⁰; or
- 380 (4) he is such a resident and has a contractual licence to occupy the whole or any part of the dwelling¹¹; or
- 381 (5) he is such a resident¹²; or
- 382 (6) he is the owner¹³ of the dwelling¹⁴.

Where, in relation to any chargeable dwelling and any day, two or more persons fall within the first of heads (1) to (6) above to apply, they are each jointly and severally liable to pay the council tax in respect of the dwelling and that day¹⁵. However, as respects any day on which one or more of the persons so mentioned fall to be disregarded for the purposes of discount, either on grounds of severe mental impairment¹⁶ or owing to their status as a student, apprentice or trainee¹⁷, and one or more of them do not, liability to pay the council tax in respect of the dwelling and that day must be determined as follows¹⁸:

- 383 (a) if only one of those persons does not fall to be so disregarded, he is solely liable¹⁹;
- 384 (b) if two or more of those persons do not fall to be so disregarded, they are each jointly and severally liable²⁰.

In prescribed cases, these provisions relating to liability to pay council tax do not apply, and other provisions have effect in substitution, by virtue of which liability falls on the owner²¹.

1 As to council tax see PARA 227 et seq ante.

2 For the meaning of 'chargeable dwelling' see PARA 233 ante; and for the meaning of 'dwelling' see PARA 232 ante.

3 Local Government Finance Act 1992 s 6(1). Thus liability falls first on the person who is resident in the dwelling and has the principal legal interest in it; but if there is no resident, the non-resident owner is liable (eg liability attaches to holiday homes and second homes, although there may be a discount).

4 Unless the context otherwise requires, 'resident', in relation to any dwelling, means an individual who has attained the age of 18 years and has his sole or main residence in the dwelling: *ibid* ss 6(5), 69(1).

Where a person owns more than one property, it is a question of fact and degree which of the properties is the sole or main residence: see *Frost (Inspector of Taxes) v Feltham* [1981] 1 WLR 452, [1981] STC 115. 'Mainly' may be defined as indicating that more than half of the total time is spent in a certain property: see *Fawcett Properties Ltd v Buckinghamshire County Council* [1961] AC 636 at 669, [1960] 3 All ER 503 at 512, HL, per Lord Morton. However, the individual circumstances of each case must be weighed: see *Ward v Kingston-upon-Hull City Council* [1993] RA 71 (house with security of tenure but occupied only for six to nine weeks a year held to be main residence despite remaining time spent in rented accommodation tied to employment abroad). In *R (on the application of Williams) v Horsham District Council* [2004] EWCA Civ 39, [2004] 3 All ER 30, [2004] 1 WLR 1137, [2004] RA 49, it was held that, rather than attach too much weight to the issues of 'security of tenure' and the 'intention to return', a tribunal should view a person's main residence as being the dwelling that a reasonable onlooker, with knowledge of the material facts, would regard as that person's home at the material time, the words 'sole or main residence' in the Local Government Finance Act 1992 s 6(5) referring to premises in which a taxpayer actually resided but allowing for the fact that a person could reside in more than one place. See also *Parry v Derbyshire Dales District Council* [2006] EWHC 988 (Admin), [2006] RA 252, [2006] All ER (D) 70 (May) (the question of residence is one of fact, not simply one of law; while status for income tax purposes might not be determinative of his liability for council tax, it seemed anomalous that a person should be non-resident in the United Kingdom for income tax purposes, but mainly resident for the purpose of liability for council tax).

On the issue of residence see also *Doncaster MBC v Stark* [1998] RVR 80; *Bennett v Copeland Borough Council* [2004] EWCA Civ 672 at [33], [2004] RA 171 at [33] per Rix LJ (actual residence is critical to an understanding of the Local Government Finance Act 1992 s 6(2) (as amended)). Also relevant are cases decided in relation to the community charge, where sole or main occupation was a determinative criterion: see *Bradford Metropolitan City Council v Anderton* [1991] RA 45, 89 LGR 681 (length of time spent at an address an obviously relevant factor); *Codner v Wiltshire Valuation and Community Charge Tribunal* [1994] RVR 169 (relevant to consider joint ownership of a family home and location of family although working week passed elsewhere). See also *Cox v London (South West) Valuation and Community Charge Tribunal and Poole Borough Council Community Charge Registration Office* [1994] RVR 171. Other relevant factors include the degree of permanence, including where the majority of a person's possessions are kept: *Frost (Inspector of Taxes) v Feltham* supra. Matters of lesser weight include the person's own view as to his main residence, and where a person sleeps: *Mullaney v Watford Borough Council and Hertfordshire Valuation Tribunal* [1997] RA 225.

Some of the cases cited in this paragraph were decided under earlier legislation, and they must therefore now be considered in relation to the provisions of the Local Government Finance Act 1992 (see PARAS 228 et seq ante, 238 et seq post). Where, in relation to any chargeable dwelling¹ which consists of a pitch occupied by a caravan², or a mooring occupied by a boat³, on any day, the owner of the caravan or boat⁴ is not, but some other person is, a resident⁵ of the dwelling, that other person is liable to pay the council tax⁶ in respect of the dwelling and that day⁷. Where, on any day, two or more persons are liable to pay the council tax by virtue of the provisions in respect of caravans and boats, they are each jointly and severally so liable in respect of the dwelling and that day¹⁰. Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(2) LIABILITY TO COUNCIL TAX/(iii) Persons Liable/239. Liability in prescribed cases.

239. Liability in prescribed cases.

In relation to any chargeable dwelling¹ that is of a class prescribed for the purpose², the owner³ of the dwelling is liable to pay the council tax⁴ in respect of the dwelling and any day on which the provisions allowing for prescription have effect in relation to the dwelling⁵.

Where, on any day, two or more persons are liable to pay the council tax in respect of a chargeable dwelling which falls within a class so prescribed⁶, they are each jointly and severally liable to pay the council tax in respect of the dwelling and that day⁷. However, as respects any day on which one or more of the persons so mentioned fall to be disregarded for the purposes of discount, either on grounds of severe mental impairment⁸ or owing to their status as a student, apprentice or trainee⁹, and one or more of them do not, liability to pay the council tax in respect of the dwelling and that day must be determined as follows¹⁰:

- 387 (1) if only one of those persons does not fall to be so disregarded, he is solely liable¹¹;
- 388 (2) if two or more of those persons do not fall to be so disregarded, they are each jointly and severally liable¹².

For these purposes, a class of dwellings may be prescribed by reference to such factors as the Secretary of State (or the Welsh Ministers, as the case may be) sees fit¹³. In particular, a class of dwellings may be prescribed by reference to one or more of the following factors¹⁴, namely:

- 389 (a) the physical characteristics of dwellings¹⁵;
- 390 (b) the fact that dwellings are unoccupied or are occupied for prescribed purposes or are occupied or owned by persons of prescribed descriptions¹⁶.

1 For the meaning of 'chargeable dwelling' see PARA 233 ante; and for the meaning of 'dwelling' see PARA 232 ante.

2 le prescribed for the purposes of the Local Government Finance Act 1992 s 8(1) or s 8(2), as the case may be: see s 8(1), (2). The provisions of s 8(3), (4) (see the text and notes 3-7 infra) have effect in substitution for s 6 (as amended) (see PARA 237 ante) or (as the case may be) s 7 (see PARA 238 ante):

- 159 (1) in relation to any chargeable dwelling of a class prescribed for the purposes of s 8(1) (see s 8(1)); and
- 160 (2) in relation to any chargeable dwelling of a class prescribed for the purposes of s 8(2), if the billing authority so determines in relation to all dwellings of that class which are situated in its area (see s 8(2)).

A determination made under s 8(2) may not be questioned except by an application for judicial review: see s 66(1), (2)(b) (s 66(2)(b) amended by the Local Government Act 2003 s 127(1), Sch 7 paras 40, 49). If, on an application for judicial review, the court decides to grant relief in respect of any of the matter, it must quash the determination: see the Local Government Finance Act 1992 s 66(3). As to the procedure for judicial review see JUDICIAL REVIEW vol 61 (2010) PARA 659 et seq. As to billing authorities see PARA 229 ante.

'Prescribed' means prescribed by regulations made by the Secretary of State (or by the Welsh Ministers, as the case may be): s 116(1). As to the Secretary of State and the Welsh Ministers, and as to the making of regulations under the Local Government Finance Act 1992 generally, see PARA 228 ante. As to the regulations made under s 8(1) see the Council Tax (Liability for Owners) Regulations 1992, SI 1992/551 (amended by SI 1993/151; SI 1995/620; SI 1997/74; in relation to England by SI 2000/537; SI 2003/3125; and in relation to

Wales by SI 2000/1024; SI 2004/2920), which prescribe the following classes of chargeable dwellings for the purposes of the Local Government Finance Act 1992 s 8(1):

- 161 (a) Class A: Residential care homes, etc (see the Council Tax (Liability for Owners) Regulations 1992, SI 1992/551, reg 2 Class A (substituted in relation to England by SI 2003/3125; and in relation to Wales by SI 2004/2920));
- 162 (b) Class B: Dwellings inhabited by religious communities (see the Council Tax (Liability for Owners) Regulations 1992, SI 1992/551, reg 2 Class B);
- 163 (c) Class C: Houses in multiple occupation, etc (see reg 2 Class C (substituted by SI 1993/151; amended by SI 1995/620));
- 164 (d) Class D: Dwellings inhabited by resident staff (see the Council Tax (Liability for Owners) Regulations 1992, SI 1992/551, reg 2 Class D);
- 165 (e) Class E: Dwellings inhabited by ministers of religion (see reg 2 Class E);
- 166 (f) Class F: Dwellings provided to asylum seekers (see reg 2 Class F (added relation to England by SI 2000/537; and in relation to Wales by SI 2000/1024)).

As to head (a) supra, see *Henriques v Lambeth London Borough Council* [2007] EWHC 2974 (Admin), [2007] All ER (D) 295 (Nov) (evidence did not suggest that premises in which appellant had been residing was a residential care home and in any case was not a registered care home). As to head (c) supra, see *Hayes v Humberside Valuation Tribunal and Kingston upon Hull City Council* [1997] RA 236; affd [1998] RA 37, CA (test required no more than a consideration of whether dwelling was suitable for occupation by persons who did not constitute a single household); *UHU Property Trust v Lincoln City Council* [2000] RA 419 (valuation tribunal must look at the realities of the arrangements, not just at the written tenancy agreement); and *Hardy v Sefton Metropolitan Borough Council* [2006] EWHC 1928 (Admin), [2007] RA 140, [2006] All ER (D) 409 (Jul) (individuals, each having a tenancy agreement to occupy a named room within a certain rented property, did not constitute a single household; liability to council tax fell upon the owner).

At the date at which this volume states the law, no regulations had been made under the Local Government Finance Act 1992 s 8(2).

3 Regulations prescribing a class of chargeable dwellings for the purposes of *ibid* s 8(1) or s 8(2) (see note 2 supra) may provide that, in relation to any dwelling of that class, s 8(3) has effect as if for the reference to the owner of the dwelling there were substituted a reference to the person falling within such description as may be prescribed: s 8(6). Accordingly, in relation to a dwelling within the Council Tax (Liability for Owners) Regulations 1992, SI 1992/551, reg 2 Class C (as substituted and amended) (see note 2 head (c) supra), the Local Government Finance Act 1992 s 8(3) has effect as if, for the reference to the owner, there were substituted a reference to the person who has a relevant material interest which is not subject to a relevant material interest inferior to it, or, if there is no such person, the person who has a freehold interest in the whole or any part of the dwelling: Council Tax (Liability for Owners) Regulations 1992, SI 1992/551, reg 2A(1) (reg 2A added by SI 1993/151). For these purposes, 'relevant material interest' means a freehold or leasehold interest in the whole of the dwelling: Council Tax (Liability for Owners) Regulations 1992, SI 1992/551, reg 2A(2) (as so added). In relation to a dwelling within reg 2 Class E (see note 2 head (e) supra) where a minister of the Church of England is the inhabitant and the owner of the dwelling and is in receipt of a stipend, the Local Government Finance Act 1992 s 8(3) has effect as if, for the reference to the owner, there were substituted a reference to the diocesan board of finance of the diocese in which the dwelling is situated: Council Tax (Liability for Owners) Regulations 1992, SI 1992/551, reg 3 (amended by SI 1995/620). As to the Church of England see ECCLESIASTICAL LAW vol 14 para 313 et seq; and as to diocesan boards of finance see ECCLESIASTICAL LAW vol 14 paras 517-518.

241. Death of persons liable.

The Secretary of State (or the Welsh Ministers, as the case may be)¹ may make such regulations² as he or they think fit to deal with any case where a person dies, and at any time before his death³:

- 393 (1) he was (or is alleged to have been) liable to pay council tax through his residence in or ownership of a chargeable dwelling⁴;

- 397 (b) provide that where, before his death, a sum in excess of his liability has been paid (whether the excess arises because of his death or otherwise) and has not been repaid or credited, his executor or administrator is entitled to the sum⁹;
- 398 (c) provide for the recovery of any sum which is payable under the regulations and is not paid¹⁰;

(iv) Exclusion of Crown Exemption

242. Exclusion of Crown exemption in certain cases.

In the case of a dwelling¹ provided and maintained by an authority mentioned in any of heads (1) to (7) below for purposes connected with the administration of justice, police purposes or other Crown purposes², any rules as to Crown exemption which would have applied apart from this provision may not prevent either the dwelling being a chargeable dwelling³ or any person being liable to pay council tax⁴ in respect of the dwelling⁵. The authorities that are so excluded from such exemption are:

- 400 (1) a billing authority⁶ other than the Council of the Isles of Scilly⁷;
- 401 (2) a county council⁸;
- 402 (3) the Greater London Authority⁹;
- 403 (4) any functional body within the meaning of the Greater London Authority Act 1999¹⁰;
- 404 (5) a police authority¹¹;
- 405 (6) the Receiver for the Metropolitan Police District¹²;
- 406 (7) the Residuary Body for Wales ('Corff Gweddilliol Cymru')¹³.

The Secretary of State (or the Welsh Ministers, as the case may be)¹⁴ may by order¹⁵ provide that the provisions excluding Crown exemption¹⁶ are also to apply in relation to any dwelling of a class prescribed by the order¹⁷. For these purposes, a class of dwellings may be prescribed by reference to such factors as the Secretary of State (or the Welsh Ministers, as the case may be) sees fit¹⁸. In particular, a class of dwellings may be prescribed by reference to one or more of the following factors¹⁹, namely:

- 407 (a) the physical characteristics of dwellings²⁰;
- 408 (b) the fact that dwellings are unoccupied or are occupied for prescribed purposes or are occupied or owned by persons of prescribed descriptions²¹.

(3) AMOUNT OF COUNCIL TAX

(i) Basic Amount

243. Basic amounts payable.

The amount of council tax¹ is set each year by the billing authority², and is the sum payable on a daily basis in respect of each dwelling³.

Subject to the provisions regarding discounts and reduced amounts⁴, a person who is liable to pay council tax⁵ in respect of any chargeable dwelling⁶ and any day must, as respects the dwelling and the day, pay to the billing authority for the area in which the dwelling is situated an amount calculated in accordance with the formula:

$$\frac{A}{D}$$

where A is the amount which, for the financial year⁷ in which the day falls and for dwellings in the valuation band listed for the dwelling⁸, has been set by the authority for its area or (as the case may be) the part of its area in which the dwelling is situated; and where D is the number of days in the financial year⁹.

For the purposes of the Local Government Finance Act 1992 Pt I (ss 1-69) (as amended) (see PARAS 228 et seq ante, 244 et seq post), the Secretary of State (or the Welsh Ministers, as the case may be) may make regulations containing rules for ascertaining in what part of a billing authority's area a dwelling is situated (whether situated in the area in fact or by virtue of regulations made under s 1(3) (see PARA 231 ante)): s 10(2). As to the Secretary of State and the Welsh Ministers, and as to the making of regulations under the Local Government Finance Act 1992 generally, see PARA 228 ante. Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(3) AMOUNT OF COUNCIL TAX/(i) Basic Amount/244. Different amounts for dwellings in different valuation bands.

244. Different amounts for dwellings in different valuation bands.

For the purposes of calculating liability for the council tax¹, dwellings² are categorised according to their value into different valuation bands; the amounts of council tax payable³ in respect of dwellings situated in the same billing authority's⁴ area (or the same part of such an area) and listed in different valuation bands⁵ must be in the proportion specified⁶.

The valuation bands for dwellings in England are⁷:

- 409 (1) valuation band A: values not exceeding £40,000⁸;
- 410 (2) valuation band B: values exceeding £40,000 but not exceeding £52,000⁹;
- 411 (3) valuation band C: values exceeding £52,000 but not exceeding £68,000¹⁰;
- 412 (4) valuation band D: values exceeding £68,000 but not exceeding £88,000¹¹;
- 413 (5) valuation band E: values exceeding £88,000 but not exceeding £120,000¹²;
- 414 (6) valuation band F: values exceeding £120,000 but not exceeding £160,000¹³;
- 415 (7) valuation band G: values exceeding £160,000 but not exceeding £320,000¹⁴;
- 416 (8) valuation band H: values exceeding £320,000¹⁵.

The valuation bands for dwellings in Wales are¹⁶:

- 417 (a) valuation band A: values not exceeding £44,000¹⁷;
- 418 (b) valuation band B: values exceeding £44,000 but not exceeding £65,000¹⁸;
- 419 (c) valuation band C: values exceeding £65,000 but not exceeding £91,000¹⁹;
- 420 (d) valuation band D: values exceeding £91,000 but not exceeding £123,000²⁰;
- 421 (e) valuation band E: values exceeding £123,000 but not exceeding £162,000²¹;
- 422 (f) valuation band F: values exceeding £162,000 but not exceeding £223,000²²;
- 423 (g) valuation band G: values exceeding £223,000 but not exceeding £324,000²³;
- 424 (h) valuation band H: values exceeding £324,000 but not exceeding £424,000²⁴;
- 425 (i) valuation band I: values exceeding £424,000²⁵.

The Secretary of State (or the Welsh Ministers, as the case may be)²⁶ may by order²⁷, as regards financial years beginning on or after such date as is specified in the order:

- 426 (i) substitute another proportion for that which is for the time being effective for the above purposes²⁸; or
- 427 (ii) substitute other valuation bands for those which are for the time being effective for the above purposes²⁹.

The Secretary of State (or the Welsh Ministers, as the case may be) may by regulations³⁰ make provision for the purpose of smoothing changes in council tax liability resulting from the coming into force in relation to a billing authority in England (or in Wales, as the case may be) of such an order³¹. Such regulations may, in particular:

- 428 (A) make provision about the circumstances in which changes are to be smoothed³²;
- 429 (B) make provision for changes to be smoothed over such one or more financial years as may be specified in the regulations³³;

430 (c) make provision for liability for any financial year to be determined in accordance with such rules as may be so specified, which may result in liability being the same as or different from what it would otherwise be³⁴.

Such regulations may make different provision for different financial years³⁵.

1 As to council tax see PARA 227 et seq ante.

2 For the meaning of 'dwelling' see PARA 232 ante.

3 Any reference in the Local Government Finance Act 1992 Pt I (ss 1-69) (as amended) (see PARAS 228 et seq ante, 245 et seq post) to an amount payable in respect of council tax for any financial year includes a reference to an amount payable in respect of council tax for any period falling within that year: s 69(2)(b). For the meaning of 'financial year' see PARA 231 note 1 ante.

4 As to billing authorities see PARA 229 ante.

5 Any reference in the Local Government Finance Act 1992 Pt I (ss 1-69) (as amended) to dwellings listed in a particular valuation band is to be construed as a reference to dwellings to which that valuation band is shown as applicable in the billing authority's valuation list: ss 5(6), 69(2)(a). As to valuation lists see PARA 268 et seq post.

6 Ibid s 5(1). In relation to dwellings situated in England, the specified proportion is as follows: 6:7:8:9:11:13:15:18, where 6 is for dwellings listed in valuation band A (see head (1) in the text), 7 is for dwellings listed in valuation band B (see head (2) in the text), and so on: see s 5(1). For the purposes of the application of s 5(1) to dwellings situated in Wales, for the purposes of financial years beginning on or after 1 April 2005, for the proportion specified in s 5(1) there is substituted the following proportion: 6:7:8:9:11:13:15:18:21: s 5(1A) (added by the Council Tax (Valuation Bands) (Wales) Order 2003, SI 2003/3046, art 2(1), (2)). A. IN GENERAL

245. Discounts.

The amount of council tax payable¹ in respect of any chargeable dwelling² and any day is subject to a discount equal to the appropriate percentage³ of that amount if on that day⁴:

Subject to the special provisions made for England and Wales⁸, the amount of council tax payable in respect of any chargeable dwelling and any day is subject to a discount equal to twice the appropriate percentage of that amount if on that day⁹:

- 433 (a) there is no resident of the dwelling¹⁰; or

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(3) AMOUNT OF COUNCIL TAX/(ii) Discounts/A. IN GENERAL/246. Special provision for discounts where dwellings in England have no resident.

246. Special provision for discounts where dwellings in England have no resident.

The Secretary of State¹ may for any financial year² by regulations prescribe³ one or more classes of dwelling⁴ in England⁵ for the purposes⁶ of allowing a billing authority⁷ in England by determination to provide in relation to all dwellings of that class in its area (or in such part of its area as it may specify in the determination) that the discount which applies to the amount payable in respect of council tax where there is no resident of the dwelling⁸, either:

- 435 (1) is to be such lesser percentage of at least ten as it may so specify⁹; or
- 436 (2) does not apply¹⁰ or is to be such lesser percentage as it may so specify¹¹.

For each financial year beginning on or after 1 April 2004, the following classes are prescribed as classes of dwellings for the purposes of head (1) above¹²:

- 437 (a) Class A: comprising every chargeable dwelling in England¹³:
31
 - 47. (i) which is not the sole or main residence of an individual¹⁴;
 - 48. (ii) which is furnished¹⁵; and
 - 49. (iii) the occupation of which is restricted by a planning condition preventing occupancy for a continuous period of at least 28 days in the relevant year¹⁶;
- 32
 - 438 except that the class of dwellings so described is not to include any dwelling which is excluded from that class by virtue of head (A) or head (B) below¹⁷;
- 439 (b) Class B: comprising every chargeable dwelling in England¹⁸:
33
 - 50. (i) which is not the sole or main residence of an individual¹⁹;
 - 51. (ii) which is furnished²⁰; and
 - 52. (iii) the occupation of which is not restricted by a planning condition preventing occupancy for a continuous period of at least 28 days in the relevant year²¹;
- 34
 - 440 except that the class of dwellings so described is not to include any dwelling which is excluded from that class by virtue of head (A) or head (B) below²².

Neither Class A nor Class B is to include:

- 441 (A) any dwelling which consists of a pitch occupied by a caravan²³, or a mooring occupied by a boat²⁴; or

For each financial year beginning on or after 1 April 2004, Class C is prescribed as a class of dwellings for the purposes of head (2) above²⁹, comprising every chargeable dwelling in England which is unoccupied³⁰, and which is substantially unfurnished³¹.

247. Special provision for discounts where dwellings in Wales have no resident.

The Welsh Ministers¹ may for any financial year² by regulations prescribe³ one or more classes of dwelling⁴ in Wales⁵ for the purposes⁶ of allowing a billing authority⁷ in Wales by determination to provide in relation to all dwellings of that class in its area (or in such part of its area as it may specify in the determination) that the discount which applies to the amount payable in respect of council tax where there is no resident of the dwelling⁸, either:

- 443 (1) is to be such lesser percentage of at least ten as it may so specify⁹; or
- 444 (2) does not apply¹⁰ or is to be such lesser percentage as it may so specify¹¹.

For each financial year beginning on or after 1 April 1998, the following classes are prescribed as classes of dwellings for the purposes of both heads (1) and (2) above¹²:

- 445 (a) Class A: comprising every dwelling in Wales¹³:
 - 35
 - 53. (i) which is not the sole or main residence of an individual¹⁴;

 - 56. (i) which is not the sole or main residence of an individual¹⁹;
 - 57. (ii) which is furnished²⁰; and
 - 58. (iii) the occupation of which is not prohibited by law for a continuous period of at least 28 days in the relevant year²¹;
 - 38
 - 448 except that the class of dwellings so described is not to include any dwelling which is excluded from that class by virtue of heads (A) to (C) below²².

Neither Class A nor Class B is to include:

- 450 (B) any unoccupied dwelling²⁵ in relation to which a person is a qualifying person²⁶ in his capacity as personal representative²⁷, if no person is a qualifying person in any other capacity²⁸, and either no grant of probate or of letters of administration has been made, or less than 12 months have elapsed since the day on which such a grant was made²⁹;
- 451 (C) any dwelling where a qualifying person in relation to that dwelling is a qualifying person in relation to another dwelling which for him is job-related³⁰.

For each financial year beginning on or after 1 April 2004, Class C is prescribed as a class of dwellings for the purposes of head (2) above only³¹, comprising every chargeable dwelling in Wales which is unoccupied³², and which is substantially unfurnished³³.

COUNCIL TAX/(3) AMOUNT OF COUNCIL TAX/(ii) Discounts/B. PERSONS DISREGARDED FOR
DISCOUNT/248. Persons in detention.

B. PERSONS DISREGARDED FOR DISCOUNT

248. Persons in detention.

A person is to be disregarded for the purposes of discounts which may be applied to the amount payable in respect of council tax on a particular day¹ if, on the day²:

- 452 (1) he is detained in a prison, a hospital or any other place by virtue of an order of a court³ in the United Kingdom⁴ or of a standing civilian court established under the Armed Forces Act 1976⁵;
- 453 (2) he is detained under the Immigration Act 1971 pending deportation⁶;
- 454 (3) he is detained under specified powers available under the Mental Health Act 1983⁷.

The Secretary of State (or the Welsh Ministers, as the case may be)⁸ may by order⁹ provide that a person is to be disregarded for the purposes of discount on a particular day¹⁰:

- 455 (a) if, on the day he is imprisoned, detained or in custody under the Army Act 1955, the Air Force Act 1955 or the Naval Discipline Act 1957¹¹; and
- 456 (b) if such conditions as may be prescribed by the order are fulfilled¹².

1 As to discounts applicable to an amount payable in respect of council tax see PARAS 245-247 ante. As to references to an amount payable in respect of council tax see PARA 244 note 3 ante. As to council tax see PARA 227 et seq ante.

2 Local Government Finance Act 1992 s 11(5), Sch 1 para 1(1).

3 See *ibid* Sch 1 para 1(1)(a). For these purposes, 'order' includes a sentence, direction, warrant or other means of giving effect to the decision of the court concerned: Sch 1 para 1(5).

As from a day to be appointed under the Armed Forces Act 2006 s 383(2), the Local Government Finance Act 1992 Sch 1 para 1(1)(a) is amended so that the words 'order of a court' are replaced by the words 'order or award': see the Local Government Finance Act 1992 Sch 1 para 1(1)(a) (prospectively amended by the Armed Forces Act 2006 s 378(1), Sch 16 para 123(1), (2)(a)). However, at the date at which this volume states the law, no such day had been appointed.

4 See the Local Government Finance Act 1992 Sch 1 para 1(1)(a), (2)(a). See notes 3 *supra*, 5 *infra*. For the meaning of 'United Kingdom' see PARA 127 note 20 ante.

5 See *ibid* Sch 1 para 1(1)(a), (2)(b). As to standing civilian courts see ARMED FORCES vol 2(2) (Reissue) PARA 520 et seq.

As from a day to be appointed under the Armed Forces Act 2006 s 383(2), the Local Government Finance Act 1992 Sch 1 para 1(2) is substituted so that Sch 1 para 1(2)(a) (see the text and note 4 *supra*) continues to refer to 'an order of a court in the United Kingdom' but so that Sch 1 para 1(2)(b) refers to 'an order or award (whether or not of a court) made (anywhere) in proceedings in respect of a service offence within the meaning of the Armed Forces Act 2006': see the Local Government Finance Act 1992 Sch 1 para 1(2)(b) (Sch 1 para 1(2) prospectively substituted by the Armed Forces Act 2006 Sch 16 para 123(1), (2)(b)). However, at the date at which this volume states the law, no such day had been appointed.

The Local Government Finance Act 1992 Sch 1 para 1(1) (as amended; prospectively further amended) does not apply where the person:

177 (1) is detained under regulations made under s 14(3), Sch 4 para 8 (prospectively amended) (see PARA 338 post) (Sch 1 para 1(4)(a)); or

178 (2) is detained under the Magistrates' Courts Act 1980 s 76 (as amended) (see MAGISTRATES) or under the Powers of Criminal Courts (Sentencing) Act 2000 s 108 (prospectively repealed) (see SENTENCING AND DISPOSITION OF OFFENDERS vol 92 (2010) PARA 11) for default in payment of a fine (Local Government Finance Act 1992 Sch 1 para 1(4)(b) (amended by the Powers of Criminal Courts (Sentencing) Act 2000 s 165(1), Sch 9 para 152)).

As from a day to be appointed under the Criminal Justice and Court Services Act 2000 s 80(1), the reference in head (2) supra to 's 108 (prospectively repealed)' is repealed: see the Local Government Finance Act 1992 Sch 1 para 1(4)(b) (as so amended; prospectively further amended by the Criminal Justice and Court Services Act 2000 s 75, Sch 8). However, at the date at which this volume states the law, no such day had been appointed.

If a person is temporarily discharged under the Prison Act 1952 s 28 (as amended) (power to discharge prisoners temporarily on account of ill health) (see PRISONS vol 36(2) (Reissue) PARA 528) or temporarily released under rules under s 47(5) (as amended) (power to release temporarily certain prisoners after conviction and sentencing) (see PRISONS vol 36(2) (Reissue) PARA 612) then, for the purposes of the Local Government Finance Act 1992 Sch 1 para 1(1) (prospectively amended) he is to be treated as detained: Sch 1 para 1(3)(a). As from a day to be appointed under the Armed Forces Act 2006 s 383(2), the Local Government Finance Act 1992 Sch 1 para 1(3)(aa) is added so that a person temporarily released under rules made under the Armed Forces Act 2006 s 300 is also to be treated as detained for these purposes: see the Local Government Finance Act 1992 Sch 1 para 1(3)(aa) (prospectively added by the Armed Forces Act 2006 Sch 16 para 123(1), (2)(c)). However, at the date at which this volume states the law, no such day had been appointed.

11 Ibid Sch 1 para 1(6)(a).

As from a day to be appointed under the Armed Forces Act 2006 s 383(2), the Local Government Finance Act 1992 Sch 1 para 1(6)(a) is amended so that the words 'imprisoned, detained or in custody under the Army Act 1955, the Air Force Act 1955 or the Naval Discipline Act 1957' are replaced by the words 'in service custody': see the Local Government Finance Act 1992 Sch 1 para 1(6)(a) (prospectively amended by the Armed Forces Act 2006 Sch 16 para 123(1), (2)(d)). However, at the date at which this volume states the law, no such day had been appointed.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(3) AMOUNT OF COUNCIL TAX/(iii) Other Relief/257. Central government's power to reduce amounts of council tax payable.

(iii) Other Relief

257. Central government's power to reduce amounts of council tax payable.

The Secretary of State (or the Welsh Ministers, as the case may be)¹ may make regulations² as regards any case where:

- 479 (1) a person is liable to pay an amount to a billing authority³ in respect of council tax⁴ for any financial year⁵ which is prescribed⁶; and
- 480 (2) prescribed conditions are fulfilled⁷.

The conditions mentioned in head (2) above may be prescribed by reference to such factors as the Secretary of State (or the Welsh Ministers, as the case may be) thinks fit⁸. In particular, such factors may include the making of an application by the person concerned, and all or any of the following factors⁹, namely:

- 481 (a) community charges for a period before 1 April 1993¹⁰;
- 482 (b) the circumstances of, or other matters relating to, the person concerned¹¹;
- 483 (c) an amount relating to the authority concerned and specified (or to be specified) for the purposes of the regulations in a report laid (or to be laid) before the House of Commons (or the National Assembly for Wales, as the case may be)¹²;
- 484 (d) such other amounts as may be prescribed or arrived at in a prescribed manner¹³;

or all or any of the following factors¹⁴, namely:

- 485 (i) a disabled person having his sole or main residence in the dwelling concerned¹⁵;
- 486 (ii) the circumstances of, or other matters relating to, that person¹⁶;
- 487 (iii) the physical characteristics of, or other matters relating to, that dwelling¹⁷.

Further to head (1) above, the regulations may provide that the amount a person is liable to pay is to be an amount which is less than the amount it would be apart from the regulations¹⁸ and which is determined in accordance with prescribed rules¹⁹. Those rules may be prescribed by reference to such factors as the Secretary of State (or the Welsh Ministers, as the case may be) thinks fit²⁰; and in particular such factors may include all or any of the factors mentioned in heads (a) to (d) above or in head (ii) or head (iii) above²¹.

The regulations so made²² may include²³:

- 488 (A) provision requiring the Secretary of State (or the Welsh Ministers, as the case may be) to specify in a report, for the purposes of the regulations, an amount in relation to each billing authority²⁴;
- 489 (B) provision requiring the Secretary of State to lay the report before the House of Commons (or the Welsh Ministers to lay the report before the National Assembly for Wales, as the case may be)²⁵;

- 490 (c) provision for the review of any prescribed decision of a billing authority relating to the application or operation of the regulations²⁶;
- 491 (d) provision that no appeal may be made to a valuation tribunal in respect of such a decision²⁷.

To the extent that he would not have power to do so otherwise, the Secretary of State²⁸ may include in such regulations such amendments of any social security instrument²⁹ as he thinks expedient in consequence of such regulations³⁰; and he may include in any social security instrument such provision as he thinks expedient in consequence of such regulations³¹.

6 Local Government Finance Act 1992 s 13(1)(a). 'Prescribed' means prescribed by regulations made by the Secretary of State (or by the Welsh Ministers, as the case may be): s 116(1). The regulations so prescribed have made provision for reduced amounts to be payable where special facilities for disabled persons have placed a property in a higher valuation band (see heads (i) to (iii) in the text): see the Council Tax (Reductions for Disabilities) Regulations 1992, SI 1992/554 (amended by SI 1993/195; SI 1999/1004; and in relation to Wales by SI 2005/702; modified by SI 1995/3150; SI 2004/3142). As to valuation bands see PARA 244 ante. There must be an appropriate causal link between the disability and the requirement for the use of the accommodation: see *Howell-Williams v Wirral Borough Council* (1981) 79 LGR 697, [1981] RA 189, CA; *Luton Borough Council v Ball* [2001] EWHC Admin 328, [2001] RVR 198 (the purpose of the statutory instrument was to relieve eligible persons from an increase in their council tax liability when they needed an extra room to meet their needs); *Sandwell Metropolitan Borough Council v Perks* [2003] EWHC 1749 (Admin), [2003] RVR 317, [2003] All ER (D) 118 (Jul); *South Gloucestershire Council v Titley* [2006] EWHC 3117 (Admin), [2007] RA 27 (no basis in the regulations for a requirement that without the room or extra feature the disabled person must find it physically impossible or extremely difficult to live in the dwelling, or that his health would suffer or the disability would be likely to become more severe); and see *Hanson v Middlesbrough Borough Council* [2006] EWHC 1700 (Admin), [2006] RA 320.

The regulations so prescribed also have made provision for payment of reduced amounts under transitional arrangements (see heads (a) to (d) in the text), now largely of historical interest: see the Council Tax (Transitional Reduction Scheme) (England) Regulations 1993, SI 1993/175 (amended by SI 1993/253; SI 1993/401); the Council Tax (Transitional Reduction Scheme) (England) Regulations 1994, SI 1994/135; the Council Tax (Transitional Reduction Scheme) (England) Regulations 1995, SI 1995/209; the Local Government Reorganisation (Wales) (Council Tax Reduction Scheme) Regulations 1996, SI 1996/309; the Local Government Reorganisation (Wales) (Council Tax Reduction Scheme) Regulations 1997, SI 1997/261; the Council Tax Reduction Scheme (Wales) Regulations 1998, SI 1998/266; the Local Government Changes for England (Council Tax) (Transitional Reduction) Regulations 1999, SI 1999/259; the Council Tax Reduction Scheme (Wales) Regulations 1999, SI 1999/347; the Council Tax (Reduction Scheme) and (Demand Notices Transitional Provisions) (Wales) Regulations 2000, SI 2000/501; and the Council Tax (Transitional Arrangements) (Wales) Regulations 2004, SI 2004/3142 (amended by SI 2005/702).

258. Billing authority's power to reduce amounts of council tax payable.

Where a person is liable to pay council tax¹ in respect of any chargeable dwelling² and any day, the billing authority³ for the area in which the dwelling is situated may reduce the amount which he is liable to pay⁴ as respects the dwelling and the day to such extent as it thinks fit⁵. This power may be exercised in relation to particular cases or by determining a class of case in which liability is to be reduced to an extent provided by the determination⁶. Where a billing authority exercises this power by determining a class of case in which liability is to be reduced⁷:

- 492 (1) where the determination provides for liability to be reduced to nil, any dwelling in relation to which the reduction applies is to be treated for the purposes of council tax administration⁸ as an exempt dwelling⁹; and
- 493 (2) where the determination provides for liability to be reduced otherwise than to nil, any amount in relation to which the reduction applies is to be treated for the purposes of council tax administration¹⁰ as subject to a discount equal to the amount of the reduction¹¹.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(3) AMOUNT OF COUNCIL TAX/(iv) Calculation/260. Amounts for different categories of dwellings.

(iv) Calculation

260. Amounts for different categories of dwellings.

For each financial year¹ and each category of dwellings² in its area, a billing authority³ must set an amount of council tax⁴. An amount so set is to be calculated by taking the aggregate of:

- 496 (1) the amount which, in relation to the year and the category of dwellings, has been calculated (or last calculated) by the authority in accordance with the requisite calculations⁵; and
- 497 (2) any amounts which, in relation to the year and the category of dwellings, have been calculated in accordance with the requisite calculations by major precepting authorities⁶ and have been stated (or last stated) in accordance with the provisions with regard to the issue of precepts⁷ in precepts issued to the authority by major precepting authorities⁸.

Where the aggregate amount so given is a negative amount, the amount set must be nil⁹.

A billing authority must assume for these purposes that each of the valuation bands is shown in its valuation list¹⁰ as applicable to one or more dwellings situated in its area or (as the case may be) each part of its area as respects which different calculations have been so made¹¹.

Any amount must be set before 11 March in the financial year preceding that for which it is set, but is not invalid merely because it is set on or after that date¹². No amount may be set before the earlier of the following:

- 498 (a) 1 March in the financial year preceding that for which the amount is set¹³;
- 499 (b) the date of the issue to the authority of the last precept capable of being issued to it (otherwise than by way of substitute) by a major precepting authority for the financial year for which the amount is set¹⁴.

No amount may be set unless the authority has made in relation to the year the requisite calculations¹⁵.

1 For the meaning of 'financial year' see PARA 231 note 1 ante.

2 For the meaning of 'dwelling' see PARA 232 ante.

3 As to billing authorities see PARA 229 ante.

4 Local Government Finance Act 1992 s 30(1). As to council tax see PARA 227 et seq ante.

Dwellings fall within different categories for the purposes of s 30(1), (2) according as different calculations have been made in relation to them in accordance with ss 32-36 (as amended) (see PARAS 262-264 post) or ss 43-47 (as amended) (see LOCAL GOVERNMENT vol 29(1) (Reissue) PARA 524 et seq) or both: s 30(4). However, where the major precepting authority in question is the Greater London Authority, s 30(2)(b) (see head (2) in the text) and s 30(4) have effect as if the references to ss 43-47 (as amended) were references to the appropriate Greater London provisions: s 30(10) (s 30(10), (11) added by the Greater London Authority Act 1999 s 81). For these purposes, 'appropriate Greater London provisions' means the Local Government Finance Act 1992 s 47 (as amended) (see LOCAL GOVERNMENT vol 29(1) (Reissue) PARA 524) and the Greater London Authority Act 1999 ss 85-90 (as amended) (see LONDON GOVERNMENT vol 29(2) (Reissue) PARA 233 et seq) or, in the case of calculations

by way of substitute, ss 85, 86 (both as amended) (see LONDON GOVERNMENT vol 29(2) (Reissue) PARA 233) and ss 88, 89 (both as amended), s 90, and s 98, Sch 7 (see LONDON GOVERNMENT vol 29(2) (Reissue) PARAS 235, 236) and the Local Government Finance Act 1992 s 47 (as amended): s 30(11) (as so added).

A calculation made in accordance with any of ss 32-36 (as amended) or ss 43-47 (as amended), whether originally or by way of substitute, or in accordance with any of the Greater London Authority Act 1999 ss 85-90 (as amended), or a substitute calculation made in accordance with any of ss 85, 86 (both as amended) and ss 88, 89 (both as amended), s 90, and s 98, Sch 7, is not to be questioned except by an application for judicial review: see the Local Government Finance Act 1992 s 66(1), (2)(c)-(cd) (s 66(2)(c) amended by the Local Government Act 1999 s 30, Sch 1 Pt II paras 2, 6; the Local Government Finance Act 1992 s 66(2)(cc), (cd) added by the Greater London Authority Act 1999 s 107). If, on an application for judicial review, the court decides to grant relief in respect of any of the matter, it must quash the calculation: see the Local Government Finance Act 1992 s 66(3). As to the procedure for judicial review see JUDICIAL REVIEW vol 61 (2010) PARA 659 et seq.

5 Ibid s 30(2)(a). The text refers to the requisite calculations made in accordance with ss 32-36 (as amended) (see PARAS 262-264 post): see s 30(2)(a). Accordingly, the amount to be taken into account under s 30(2)(a) for any financial year in respect of a category of dwellings listed in a particular valuation band is to be calculated by applying the formula:

$$A \times \left(\frac{N}{D} \right)$$

where A is the amount calculated (or last calculated) by the billing authority for that year under s 33(1) (as amended) (see PARA 263 post) or, where s 34 applies (see PARA 264 post), the amount calculated (or last calculated) by it for that year under s 34(2) or (3) in relation to that category of dwellings; N is the number which, in the proportion set out in s 5(1) (see PARA 244 ante), is applicable to dwellings listed in that valuation band; and D is the number which, in that proportion, is applicable to dwellings listed in valuation band D: s 36(1). Dwellings fall within different categories for the purposes of s 36 according as different calculations have been made in relation to them under s 34: s 36(2). For the meaning of dwellings listed in a particular valuation band see PARA 244 note 5 ante. As to valuation bands see PARA 244 ante.

6 Ie in accordance with ibid ss 43-47 (as amended) (see LOCAL GOVERNMENT vol 29(1) (Reissue) PARA 524 et seq): see s 30(2)(b). See note 4 supra. As to major precepting authorities for these purposes see PARA 228 note 21 ante.

15 Ibid s 30(8). The calculations referred to in the text are those required by Pt I Ch III (ss 30-38) (as amended) (see notes 4, 5 supra): see s 30(8). See also note 13 supra.

COUNCIL TAX/(3) AMOUNT OF COUNCIL TAX/(iv) Calculation/261. Substituted amounts.

261. Substituted amounts.

Where a billing authority¹ has set amounts for different categories of dwellings for a financial year², and at any later time³:

- 500 (1) it makes substitute calculations⁴; or
- 501 (2) it is issued with a precept for the year (originally or by way of substitute) by a major precepting authority⁵,

it must as soon as reasonably practicable after that time set amounts in substitution so as to give effect to those calculations or that precept⁶.

Where a billing authority so sets any amount in substitution (a 'new amount'), anything paid to it by reference to the amount for which it is substituted (the 'old amount') is to be treated as paid by reference to the new amount⁷. If the old amount exceeds the new amount, the following applies as regards anything paid if it would not have been paid had the old amount been the same as the new amount⁸:

- 502 (a) it must be repaid if the person by whom it was paid so requires⁹;
- 503 (b) in any other case it must (as the billing authority determines) either be repaid or be credited against any subsequent liability of the person to pay in respect of any council tax¹⁰ set by the authority¹¹.

Where an authority sets amounts in substitution under head (2) above, it may recover from the major precepting authority administrative expenses incurred by it in, or in consequence of, so doing¹².

- 59. (a) the expenditure which the authority estimates it will incur in the year in performing its functions and will charge to a revenue account for the year⁵;
 - 60. (b) such allowance as the authority estimates will be appropriate for contingencies in relation to expenditure to be charged to a revenue account for the year⁶;
 - 61. (c) the financial reserves which the authority estimates it will be appropriate to raise in the year for meeting its estimated future expenditure⁷;
 - 62. (d) such financial reserves as are sufficient to meet so much of the amount estimated by the authority to be a revenue account deficit for any earlier financial year as has not already been provided for⁸; and
 - 63. (e) any amounts which it estimates will be transferred from its general fund to its collection fund pursuant to a direction⁹ and charged to a revenue account for the year, other than (in the case of an authority in England) any amounts which it estimates will be so transferred pursuant to such a direction relating to the difference between amounts in respect of community charges credited and charged to a revenue account for any earlier financial year¹⁰; and
- 40
- 505 (2) calculating the aggregate of¹¹:
- 41
- 64. (a) the sums which it estimates will be payable for the year into its general fund or (as the case may be) council fund¹² and in respect of which amounts will be credited to a revenue account for the year, other than sums which it estimates will be so payable in respect of redistributed non-domestic rates¹³, revenue support grant¹⁴, additional grant¹⁵ or (in relation to England only) BID levy or financial contribution made under the BID provisions of the Local Government Act 2003¹⁶ or (in the case of the Common Council of the City of London only) police grant¹⁷;
 - 65. (b) any amounts which it estimates will be transferred from its collection fund to its general fund pursuant to a direction¹⁸ and credited to a revenue account for the year, other than (in the case of an authority in England) any amounts which it estimates will be so transferred¹⁹: (i) pursuant to such a direction relating to the difference between amounts in respect of community charges credited and charged to a revenue account for any earlier financial year²⁰; and (ii) in the case of the Common Council of the City of London, pursuant to such a direction in respect of an amount calculated by reference to the provisional amount of its non-domestic rating contribution²¹; and
 - 66. (c) the amount of the financial reserves which the authority estimates that it will use in order to provide for the items mentioned in heads (1)(a), (1)(b) and (1)(e) above²².

If the aggregate calculated under heads (1)(a) to (1)(e) above exceeds that calculated under heads (2)(a) to (2)(c) above, the authority must calculate the amount equal to the difference; and the amount so calculated is to be its budget requirement for the year²³.

Calculations to be made in relation to a particular financial year under this provision must be made before 11 March in the preceding financial year, but they are not invalid merely because they are made on or after that date²⁴.

1 For the meaning of 'financial year' see PARA 231 note 1 ante.

2 As to billing authorities see PARA 229 ante.

3 Local Government Finance Act 1992 s 32(1).

Before a billing authority makes its calculations (otherwise than by way of substitute) (as to which see PARA 265 post) in relation to the financial year under s 32 (as amended), it must consult persons or bodies appearing to it to be representative of persons subject to non-domestic rates under the Local Government Finance Act 1988 s 43 (as amended) (see PARAS 9, 60, 70 et seq ante) and s 45 (as amended) (see PARAS 62-63, 78-79 ante) as regards hereditaments situated in the authority's area: see the Local Government Finance Act 1992 s 65(1), (3), (4) (s 65(3) amended by the Greater London Authority Act 1999 s 423, Sch 34 Pt I). For the meaning of 'hereditament' see PARA 33 et seq ante. Consultations must be made as to each financial year, and must be about the authority's proposals for expenditure (including capital expenditure) in that financial year: Local Government Finance Act 1992 s 65(2). The Secretary of State (or the Welsh Ministers, as the case may be) may by regulations prescribe matters which are to be treated as expenditure for this purpose: see s 65(2). As to the Secretary of State and the Welsh Ministers, and as to the making of regulations under the Local Government Finance Act 1992 generally, see PARA 228 ante. At the date at which this volume states the law, no such regulations had been made under s 65(2).

In performing the duty to consult, an authority must have regard to any guidance issued by the Secretary of State (or by the Welsh Ministers, as the case may be) concerning:

- 198 (1) persons or bodies to be regarded for these purposes as representative of persons subject to non-domestic rates under the Local Government Finance Act 1988 ss 43, 45 (both as amended) as regards hereditaments situated in the authority's area (Local Government Finance Act 1992 s 65(5)(a)); and

- 199 (2) the timing and manner of consultations under s 65 (as amended) (s 65(5)(b)).

As to non-domestic rating see PARA 4 et seq ante. An authority must make available to persons or bodies it proposes to consult such information as may be prescribed and is in its possession or control, and it must do so in such form and manner and at such time as may be prescribed: see s 65(6). 'Prescribed' means prescribed by regulations made by the Secretary of State (or by the Welsh Ministers, as the case may be): s 116(1). As to the meaning of 'information' see PARA 228 note 23 ante. As to the regulations so made under s 65(6) see the Non-Domestic Ratepayers (Consultation) Regulations 1992, SI 1992/3171.

Where an authority to which the Local Government Finance Act 1992 s 32 (as amended) or s 43 (as amended) (billing or major precepting authority) (see LOCAL GOVERNMENT vol 29(1) (Reissue) PARA 525) applies or to which the Greater London Authority Act 1999 s 85 (as amended) (the Greater London Authority) (see LONDON GOVERNMENT vol 29(2) (Reissue) PARA 233) applies is making calculations in accordance with that section, the chief finance officer of the authority must report to it on matters such as the robustness of the estimates made for the purposes of the calculations, and the adequacy of the proposed financial reserves, and must review those calculations throughout the year: see the Local Government Act 2003 ss 25-28; LOCAL GOVERNMENT vol 29(1) (Reissue) PARA 525; and LONDON GOVERNMENT vol 29(2) (Reissue) PARA 233.

4 Local Government Finance Act 1992 s 32(2). In making the calculation under s 32(2) (as amended), an authority in England must ignore:

- 200 (1) payments which must be met from its collection fund under the Local Government Finance Act 1988 s 90(2) (as substituted) (see LOCAL GOVERNMENT vol 29(1) (Reissue) PARA 545) or from a trust fund (Local Government Finance Act 1992 s 32(5)(a)); and

- 201 (2) subject to s 32(2)(e) (as substituted) (see head (1)(e) in the text), sums which have been or are to be transferred from its general fund to its collection fund (s 32(5)(b)).

As to the funds established for the purposes of local government finance see LOCAL GOVERNMENT vol 29(1) (Reissue) PARA 545 et seq. In making the calculation under s 32(2) (as amended), a county council or county borough council in Wales must ignore:

- 202 (a) payments which must be met from a trust fund (s 32(5)(a) (s 32(5) substituted in relation to Wales by s 32(8B) (added by the Local Government (Wales) Act 1994 s 38(11), Sch 12 para 4(3), (5)));;
- 203 (b) payments to be made to the Welsh Ministers under the Local Government Finance Act 1988 s 60, Sch 8 para 5 (as amended) (see PARA 1 ante) or regulations made under Sch 8 para 5(15) (as substituted) (see PARA 1 ante) (Local Government Finance Act 1992 s 32(5)(b) (as so substituted));
- 204 (c) payments to be made in respect of the amount of any precept issued by a major precepting authority under Pt I (ss 1-69) (as amended) (see PARAS 228 et seq ante, 263 et seq post) (but not payments to be so made in respect of interest on such an amount) (ibid s 32(5)(c) (as so substituted)); and
- 205 (d) payments to be made to another person in repaying, under regulations under the Local Government Finance Act 1988 or the Local Government Finance Act 1992 Pt I (as amended), excess receipts by way of non-domestic rates or council tax (s 32(5)(d) (as so substituted)).

For the meanings of 'England' and 'Wales' see PARA 1 note 2 ante. As to council tax generally see PARA 227 et seq ante. As to major precepting authorities for these purposes see PARA 228 note 21 ante. As to local government areas and authorities in Wales and their councils generally see LOCAL GOVERNMENT vol 69 (2009) PARA 37 et seq.

5 Ibid s 32(2)(a). As to the charging of expenditure to revenue account see LOCAL GOVERNMENT vol 29(1) (Reissue) PARA 560 et seq. In relation to England only, head (1)(a) in the text refers to expenditure which the authority will charge to a revenue account, other than a BID revenue account, for the year (including any expenditure to be incurred by virtue of the Local Government Act 2003 s 43(2)(a) (see PARA 220 ante), or in paying any BID levy for which the authority is liable): see the Local Government Finance Act 1992 s 32(2)(a) (substituted in relation to England by the Local Authorities (Alteration of Requisite Calculations) (England) Regulations 2005, SI 2005/190, reg 2(a)). For the meaning of 'BID levy' for these purposes see PARA 220 note 7 ante; definition applied by the Local Government Finance Act 1992 s 32(13) (added in relation to England by the Local Authorities (Alteration of Requisite Calculations) (England) Regulations 2005, SI 2005/190, reg 2(d)). For the meaning of 'BID revenue account' for these purposes see PARA 226 ante; definition applied by the Local Government Finance Act 1992 s 32(13) (as so added).

In making its estimation under s 32(2)(a) (as substituted in relation to England), the authority must take into account:

- 206 (1) the amount of any precept issued to it for the year by a local precepting authority (s 32(6)(a)); and
- 207 (2) the amount of any levy or special levy issued to it for the year (s 32(6)(b)),

but, except as provided by regulations under s 41 (see LOCAL GOVERNMENT vol 29(1) (Reissue) PARA 526) or regulations under the Local Government Finance Act 1988 s 74 (as amended) (levies) (see LOCAL GOVERNMENT vol 29(1) (Reissue) PARA 530) or s 75 (as amended) (special levies) (see LOCAL GOVERNMENT vol 29(1) (Reissue) PARA 530), must not anticipate a precept, levy or special levy not issued (Local Government Finance Act 1992 s 32(6)). For these purposes, 'levy' means a levy under regulations made under the Local Government Finance Act 1988 s 74 (as amended); and 'special levy' means a levy under regulations made under s 75 (as amended): Local Government Finance Act 1992 s 69(1). As local precepting authorities for these purposes see PARA 228 note 21 ante.

6 Ibid s 32(2)(b).

7 Ibid s 32(2)(c). For the purposes of s 32(2)(c), an authority's estimated future expenditure is:

- 208 (1) that which the authority estimates it will incur in the financial year following the year in question, will charge to a revenue account for the year and will have to defray in the year before the following sums are sufficiently available (s 32(7)(a)), namely:
 - 12. (a) sums which will be payable for the year into its general fund or (as the case may be) council fund and in respect of which amounts will be credited to a revenue account for the year (s 32(7)(a)(i) (amended by the Local Government (Wales) Act 1994 Sch 12 para 4(4))); and
 - 13. (b) sums which will be transferred as regards the year from its collection fund to its general fund (Local Government Finance Act 1992 s 32(7)(a)(ii)); and

- 209 (2) that which the authority estimates it will incur in the financial year referred to in head (1) supra or any subsequent financial year in performing its functions and which will be charged to a revenue account for that or any other year (s 32(7)(b)).

Head (1)(b) supra does not apply in relation to a Welsh county council or county borough council: see s 32(8A) (added by the Local Government (Wales) Act 1994 Sch 12 para 4(3), (5)).

8 Local Government Finance Act 1992 s 32(2)(d).

9 le under the Local Government Finance Act 1988 s 98(5) (as amended) (see LOCAL GOVERNMENT vol 29(1) (Reissue) PARA 548): see the Local Government Finance Act 1992 s 32(2)(e) (as substituted: see note 10 infra).

10 Ibid s 32(2)(e) (substituted by the Local Authorities (Alteration of Requisite Calculations and Funds) Regulations 1994, SI 1994/246, reg 3). With effect from 1 April 1993, the community charge was abolished and replaced with the council tax: see PARA 227 ante. The Local Government Finance Act 1992 s 32(2)(e) (as substituted) does not apply in relation to a Welsh county council or county borough council: see s 32(8A) (as added: see note 7 supra).

11 Ibid s 32(3). In making the calculation under s 32(3) (as amended), an authority in England must ignore, subject to s 32(3)(b) (as substituted) (see head (2)(b) in the text), sums which have been or are to be transferred from its collection fund to its general fund: s 32(8). Section 32(8) does not apply in relation to a Welsh county council or county borough council: see s 32(8A) (as added: see note 7 supra). In relation to Welsh authorities see note 12 infra.

12 In the case of any billing authority in Wales, head (2)(a) in the text does not require the estimation of sums payable into its council fund in respect of council tax, non-domestic rates or the grant paid to it under the Local Government Finance Act 1988 s 88A (as added and substituted) (see LOCAL GOVERNMENT vol 29(1) (Reissue) PARA 537): Local Government Finance Act 1992 s 32(3A) (added by the Local Government (Wales) Act 1994 Sch 12 para 4; amended by the Local Government Reorganisation (Wales) (Council Tax Reduction Scheme) Order 1996, SI 1996/56, art 2).

13 For these purposes, in relation to England, references to sums payable for the financial year in respect of redistributed non-domestic rates are references to sums so payable in accordance with the Local Government Finance Report (England) 2008/2009 approved by a resolution of the House of Commons pursuant to the Local Government Finance Act 1988 s 79(2) (see LOCAL GOVERNMENT vol 29(1) (Reissue) PARA 537) and s 60, Sch 8 para 11(2) (see PARA 1 ante) on 4 February 2008: see the Local Government Finance Act 1992 s 32(12A)(a) (s 32(12A) added in relation to England only by the Local Authorities (Alteration of Requisite Calculations) (England) Regulations 2008, SI 2008/227, reg 3(c)). In relation to Wales, references to sums payable for the financial year in respect of redistributed non-domestic rates are references to sums so payable in accordance with the Local Government Finance Report (No 1) 2007-2008 (Final Settlement--Councils) published by the National Assembly for Wales pursuant to the Local Government Finance Act 1988 s 84G(4) (as added and amended) (see LOCAL GOVERNMENT vol 29(1) (Reissue) PARA 534) on 21 December 2006: see the Local Government Finance Act 1992 s 32(12A)(a) (s 32(12A) added in relation to Wales only by the Local Authorities (Alteration of Requisite Calculations) (Wales) Regulations 2007, SI 2007/571, reg 2(b)). 'Redistributed non-domestic rates' means any sums payable by the Secretary of State (or by the Welsh Ministers, as the case may be) under the Local Government Finance Act 1988 Sch 8 para 12 (as amended) (see PARA 1 ante) or Sch 8 para 15 (as substituted) (see PARA 1 ante): Local Government Finance Act 1992 s 69(1).

14 For these purposes, references to sums payable for the financial year in respect of revenue support grant are references to sums so payable in accordance with the report mentioned in ibid s 32(12A)(a) (as added) (see note 13 supra): see s 32(12A)(b) (as added: see note 13 supra). For the meaning of 'revenue support grant' see the Local Government Finance Act 1988 s 78(1) (as amended in relation to Wales; prospectively amended in relation to England) (see LOCAL GOVERNMENT vol 29(1) (Reissue) PARA 532); definition applied by virtue of the Local Government Finance Act 1992 s 69(1) (definition repealed in relation to Wales by the Local Government Act 2003 s 127(1), (2), Sch 7 paras 40, 51(1), (2), Sch 8 Pt I). As from a day to be appointed under s 128(4)(f), the definition of 'revenue support grant' in the Local Government Finance Act 1992 s 69(1) is repealed in relation to England also but at the date at which this volume states the law no such day had been so appointed.

15 For the meaning of 'additional grant' see the Local Government Finance Act 1988 s 85(2) (as amended in relation to Wales; prospectively amended in relation to England) (see LOCAL GOVERNMENT vol 29(1) (Reissue) PARA 535); definition applied by virtue of the Local Government Finance Act 1992 s 69(1).

2005/190, reg 2(b); and the Local Authorities (Alteration of Requisite Calculations) (England) Regulations 2008, SI 2008/227, reg 3(a); and in relation to Wales only by the Local Authorities (Alteration of Requisite Calculations) (Wales) Regulations 2007, SI 2007/571, reg 2(a)). For these purposes, 'police grant' means so much of the grant payable in accordance with column (a) of paragraph 3.1 of the Police Grant Report (England and Wales) 2008/09 approved by a resolution of the House of Commons pursuant to the Police Act 1996 s 46 (as amended) (see POLICE vol 36(1) (2007 Reissue) PARA 217) on 4 February 2008: Local Government Finance Act 1992 s 32(12) (substituted by the Local Authorities (Alteration of Requisite Calculations) (England) Regulations 2008, SI 2008/227, reg 3(b)). As to what constitutes the area of the Common Council of the City of London for these purposes see PARA 229 note 4 ante.

22 Ibid s 32(3)(c).

23 Ibid s 32(4). The Secretary of State (or the Welsh Ministers, as the case may be) may by regulations do one or both of the following:

- 210 (1) alter the constituents of any calculation to be made under s 32(2) (as amended) (see heads (1)(a) to (1)(e) in the text) or s 32(3) (as amended) (see heads (2)(a) to (2)(c) in the text), whether by adding, deleting or amending items (s 32(9)(a));
- 211 (2) alter the rules governing the making of any calculation under s 32(2) (as amended) or s 32(3) (as amended), whether by deleting or amending s 32(5)-(8B) (as amended), or any of them, or by adding other provisions, or by a combination of those methods (s 32(9)(b) (amended by the Local Government (Wales) Act 1994 Sch 12 para 4(6))).

In exercise of the power so conferred, the following regulations have been made under the Local Government Finance Act 1992 s 32(9) (as amended): the Billing Authorities (Alteration of Requisite Calculations and Transitional Reduction Scheme) (England) Regulations 1993, SI 1993/401; the Local Authorities (Alteration of Requisite Calculations and Funds) Regulations 1994, SI 1994/246; the Local Authorities (Alteration of Requisite Calculations and Funds) Regulations 1995, SI 1995/234; the Local Government Finance (New Parishes) Regulations 1998, SI 1998/119; the Local Government Finance (New Parishes) (Amendment) Regulations 1998, SI 1998/3270; the Local Authorities (Alteration of Requisite Calculations) (Wales) Regulations 1999, SI 1999/296; the Local Authorities (Alteration of Requisite Calculations) (England) Regulations 2000, SI 2000/213; the Local Authorities (Alteration of Requisite Calculations) (Wales) Regulations 2000, SI 2000/717; the Local Authorities (Alteration of Requisite Calculations) (England) Regulations 2001, SI 2001/216; the Local Authorities (Alteration of Requisite Calculations) (Wales) Regulations 2001, SI 2001/559; the Local Authorities (Alteration of Requisite Calculations) (England) Regulations 2002, SI 2002/155; the Local Authorities (Alteration of Requisite Calculations) (Wales) Regulations 2002, SI 2002/328; the Local Authorities (Alteration of Requisite Calculations) (England) Regulations 2003, SI 2003/195; the Local Authorities (Alteration of Requisite Calculations) (England) Regulations 2004, SI 2004/243; the Local Authorities (Alteration of Requisite Calculations) (England) Regulations 2005, SI 2005/190; the Local Authorities (Alteration of Requisite Calculations) (England) Regulations 2006, SI 2006/247; the Local Authorities (Alteration of Requisite Calculations) (Wales) Regulations 2006, SI 2006/344; the Local Authorities (Alteration of Requisite Calculations) (England) Regulations 2007, SI 2007/227; the Local Authorities (Alteration of Requisite Calculations) (Wales) Regulations 2007, SI 2007/571; and the Local Authorities (Alteration of Requisite Calculations) (England) Regulations 2008, SI 2008/227. Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(3) AMOUNT OF COUNCIL TAX/(iv) Calculation/263. Calculation of basic amount of tax.

263. Calculation of basic amount of tax.

In relation to each financial year¹, a billing authority² must calculate the basic amount of its council tax³ by applying the formula⁴:

$$\frac{(R - P)}{T}$$

where R is the amount calculated (or last calculated) by the authority⁵ as its budget requirement for the year⁶; P is the aggregate of the sums which the authority estimates will be payable for the year into its general fund or (as the case may be) council fund in respect of redistributed non-domestic rates⁷, revenue support grant⁸, additional grant⁹ or (in the case of the Common Council of the City of London¹⁰ only) police grant¹¹; and T is the amount which is calculated by the authority as its council tax base for the year and, where one or more major precepting authorities¹² have power to issue precepts to it, is notified by it to those authorities (the 'major precepting authorities concerned') within the prescribed period¹³.

The aggregate of the sums mentioned in item P above must be increased or reduced by the amount calculated in accordance with the following formula, according to whether that amount is positive or negative¹⁴:

$$W + X - (Y + Z)$$

where W is the amount of any sum which the authority estimates will be transferred in the year from its collection fund to its general fund¹⁵; X in the case of an authority in Wales is nil and, in the case of an authority in England, is¹⁶ the amount of any sum which the authority estimates will be:

- 506 (1) transferred from its collection fund to its general fund pursuant to a direction¹⁷ relating to the difference between amounts in respect of community charges credited and charged to a revenue account for any earlier financial year¹⁸; and
- 507 (2) credited to a revenue account for the year¹⁹;

Y is the amount of any sum which the authority estimates will be transferred in the year from its general fund to its collection fund²⁰; and Z, in the case of an authority in Wales, is nil and, in the case of an authority in England, is the amount of any sum which the authority estimates will be:

- 508 (a) transferred from its general fund to its collection fund pursuant to a direction²¹ relating to the difference between amounts in respect of community charges credited and charged to a revenue account for any earlier financial year²²; and
- 509 (b) charged to a revenue account for the year²³.

Regulations²⁴ may make such consequential alterations of the constituents of any calculation required by item P above (or in the calculated adjustments made to that amount), whether by adding, deleting or amending items, as appear to the Secretary of State (or the Welsh

Ministers, as the case may be) to be necessary or expedient²⁵. The Secretary of State (or the Welsh Ministers, as the case may be) must make regulations containing rules for making for any year the calculation required by item T; and a billing authority must make the calculation for any year in accordance with the rules for the time being effective (as regards the year) under the regulations²⁶. Regulations prescribing a period for the purposes of item T may provide that, in any case where a billing authority fails to notify its calculation to the major precepting authorities concerned within that period, that item must be determined in the prescribed manner by such authority or authorities as may be prescribed²⁷.

1 For the meaning of 'financial year' see PARA 231 note 1 ante.

2 As to billing authorities see PARA 229 ante.

3 As to council tax generally see PARA 227 et seq ante.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(3) AMOUNT OF COUNCIL TAX/(iv) Calculation/264. Additional calculations where special items relate to part only of area.

264. Additional calculations where special items relate to part only of area.

Where, for any financial year¹, an item (a 'special item')² relates to a part only of a billing authority's area³, the authority must calculate the basic amount of its council tax⁴ for dwellings⁵ in a part of its area to which no special item relates by applying the formula:

$$B - \left(\frac{A}{T} \right)$$

where B is the amount calculated (or last calculated) by the authority⁶ as the basic amount of its council tax⁷; A is the aggregate amount of all special items⁸; and T is the amount determined for item T in the calculation of the basic amount of council tax⁹.

The authority must calculate the basic amount of its council tax for dwellings in a part of its area to which one or more special items relate by adding to the amount given by the above formula the aggregate of the amounts which, in relation to each of those special items, are given by the formula:

$$\frac{S}{TP}$$

where S is (in each case) the amount of the special item¹⁰; and TP is (in each case) the amount of the authority's council tax base for the relevant part¹¹ as calculated by it for the year¹². The Secretary of State (or the Welsh Ministers, as the case may be)¹³ must make regulations¹⁴ containing rules for making for any year any calculation required by item TP; and a billing authority must make the calculation for any year in accordance with the rules for the time being effective (as regards the year) under the regulations¹⁵.

The special items referred to for these purposes are:

- 510 (1) any precept issued to or anticipated by the authority which is or is believed to be applicable to a part of its area and was taken into account by it in making the calculation (or last calculation) in relation to the year¹⁶; and
- 511 (2) any expenses of the authority which are its special expenses and were taken into account by it in making that calculation¹⁷.

For the purposes of heads (1) and (2) above:

- 512 (a) provided a resolution of a billing authority to the following effect is in force, the expenses of meeting a levy or special levy¹⁸ issued to or anticipated by it are its special expenses or (if the resolution relates to some only of those expenses) those to which the resolution relates are its special expenses¹⁹;
- 513 (b) any expenses which a billing authority believes will have to be met out of amounts transferred or to be transferred from its collection fund to its general fund²⁰, and which arise out of its possession of property held in trust for a part of its area, are its special expenses²¹;
- 514 (c) any expenses which a billing authority believes will have to be met out of amounts transferred or to be transferred from its collection fund to its general fund,

- and which relate to a part of its area, are its special expenses provided that expenses of the same kind which relate to another part of its area are to be met out of property held in trust for that part²²;
- 515 (d) any expenses incurred by a billing authority in performing in a part of its area a function performed elsewhere in its area by the sub-treasurer of the Inner Temple²³, the under-treasurer of the Middle Temple²⁴, a parish or community council or the chairman of a parish meeting²⁵ are the authority's special expenses unless a resolution of the authority to the contrary effect is in force²⁶; and
- 516 (e) provided a resolution of a billing authority to the following effect is in force, the expenses incurred by it in performing in a part of its area a function performed elsewhere in its area by a body with power to issue a levy or special levy to it are its special expenses or (if the resolution relates to some only of those expenses) those to which the resolution relates are its special expenses²⁷.

The following rules apply to the making of a resolution under head (e) above by a billing authority:

- 517 (i) no such resolution may be made unless the body mentioned in head (e) above is one in relation to which the billing authority has made under head (a) above a resolution which is in force²⁸;
- 518 (ii) the resolution under head (e) above may not be made so as to be in force at any time when that under head (a) above is not in force²⁹;
- 519 (iii) the fact that the resolution under head (a) above relates to all the expenses concerned does not mean that the resolution under head (e) above must relate to all the expenses concerned³⁰; and
- 520 (iv) the fact that the resolution under head (a) above relates to part of the expenses concerned does not mean that the resolution under head (e) above must relate to part, or any particular part, of the expenses concerned³¹.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3.
COUNCIL TAX/(3) AMOUNT OF COUNCIL TAX/(iv) Calculation/265. Substitute calculations.

265. Substitute calculations.

A billing authority¹ which has made the requisite calculations² in relation to a financial year³ (originally or by way of substitute) may make calculations in substitution in relation to the year⁴.

1 As to billing authorities see PARA 229 ante.

2 In accordance with the Local Government Finance Act 1992 ss 32-36 (as amended) (see PARAS 262-264 ante); see s 37(1).

3 For the meaning of 'financial year' see PARA 231 note 1 ante.

4 Local Government Finance Act 1992 s 37(1). The text refers to calculations being made in substitution in relation to the year in accordance with ss 32-36 (as amended) (see PARAS 262-264 ante), ignoring s 32(10) (see PARA 262 ante) for this purpose: see s 37(1).

None of the substitute calculations is to have any effect if:

214 (1) the amount calculated under s 32(4) (see PARA 262 ante), or any amount calculated under s 33(1) (as amended) (see PARA 263 ante) or s 34(2) or s 34(3) (see PARA 264 ante) as the basic amount of council tax applicable to any dwelling, would exceed that so calculated in the previous calculations (s 37(2)(a)); or

215 (2) the billing authority fails to comply with s 37(3) in making the substitute calculations (s 37(2)(b)).

For the meaning of 'dwelling' see PARA 232 ante. As to council tax generally see PARA 227 et seq ante. For the purposes of s 37(2)(a), one negative amount must be taken to exceed another if it is closer to nil (so that minus £1 must be taken to exceed minus £2): s 37(4). In making substitute calculations under s 33(1) (as amended) or s 34(3), the billing authority must use any amount determined in the previous calculations for item P or item T in s 33(1) (as amended) or item TP in s 34(3): s 37(3). For the purposes of s 37(3), the billing authority may treat any amount determined in the previous calculations for item P in s 33(1) (as amended) as increased by the amount of any sum which:

216 (a) it estimates will be payable for the year into its general fund or (as the case may be) council fund in respect of additional grant (s 37(5)(a) (amended by the Local Government (Wales) Act 1994 s 38(11), Sch 12 para 7)); and

217 (b) was not taken into account by it in making those calculations (Local Government Finance Act 1992 s 37(5)(b)).

For the meaning of 'additional grant' see PARA 262 note 15 ante. As to the funds established for the purposes of local government finance generally see LOCAL GOVERNMENT vol 29(1) (Reissue) PARA 545 et seq. As to references to a billing authority's general fund for these purposes see PARA 264 note 20 ante.

However, s 37(2), (3) does not apply if the previous calculations have been quashed because of a failure to comply with ss 32-36 (as amended) in making the calculations: s 37(6).

266. Information for purposes of the setting of council tax.

If the Secretary of State (or the Welsh Ministers, as the case may be)¹ so requires by regulations², a precepting authority³ must supply prescribed information⁴ within a prescribed period to any billing authority⁵ to which it has power to issue a precept⁶. A billing authority which has set amounts for different categories of dwellings⁷ (originally or by way of substitute) must, before the end of the period of 21 days beginning with the day of doing so, publish a notice of the amounts in at least one newspaper circulating in the authority's area⁸.

1 As to the Secretary of State and the Welsh Ministers see PARA 228 ante.

2 As to the making of regulations under the Local Government Finance Act 1992 generally see PARA 228 ante. In exercise of the power so conferred, the following regulations have been made under s 38(1): see the Local Authorities (Calculation of Council Tax Base) (Supply of Information) Regulations 1992, SI 1992/2904 (amended by SI 1995/3150).

3 As to precepting authorities for these purposes see PARA 228 note 21 ante.

4 As to the meaning of 'information' see PARA 228 note 23 ante. 'Prescribed' means prescribed by regulations made by the Secretary of State (or by the Welsh Ministers, as the case may be): Local Government Finance Act 1992 s 116(1). As to the regulations so made under s 38(1) see note 2 supra.

5 As to billing authorities see PARA 229 ante.

6 Local Government Finance Act 1992 s 38(1). As to local government finance generally see LOCAL GOVERNMENT vol 29(1) (Reissue) PARA 514 et seq.

7 Ie in accordance with *ibid* s 30 (as amended) (see PARA 260 ante): see s 38(2). For the meaning of 'dwelling' see PARA 232 ante.

8 *Ibid* s 38(2). Failure to comply with s 38(2) does not make the setting of amounts invalid: s 38(3).

The Commissioners for Revenue and Customs¹ must²:

- 521 (1) carry out such valuations of dwellings³ in England and Wales⁴;
- 522 (2) furnish listing officers⁵ with such information⁶ obtained in carrying out the valuations or in the exercise of their powers to obtain information about properties⁷; and

The valuations must be carried out by reference to the appropriate date¹⁰ and on such assumptions and in accordance with such principles as may be prescribed¹¹.

Without prejudice to the generality of their powers, the Commissioners for Revenue and Customs may appoint persons who are not in the service of the Crown to assist them in carrying out the valuations¹²; and, for the purposes of the valuations, the Commissioners may disclose to a person so appointed:

- 524 (a) any survey report obtained for any purpose of rating, including non-domestic rating¹³; and
- 525 (b) any information obtained in the exercise of their powers to obtain information about properties¹⁴.

If any person to whom any report or information is so disclosed uses or discloses the report or information, in whole or in part, otherwise than for the purposes of the valuations, he is liable on conviction on indictment to imprisonment for a term not exceeding two years or a fine or both¹⁵, and on summary conviction to imprisonment for a term not exceeding six months or a fine not exceeding the statutory maximum¹⁶ or both¹⁷.

269. Compilation and maintenance of first valuation lists.

The listing officer¹ for a billing authority² had to compile, and was placed under a duty to maintain, a list for the authority (to be called its 'valuation list') in accordance with the statutory provisions³.

The list had to be compiled on 1 April 1993 (and came into force on that day) and was to remain in force until a new list for the authority was compiled⁴. Before the first list was compiled, the listing officer had to take such steps as were reasonably practicable in the time available to ensure that it was accurately compiled on 1 April 1993⁵.

The listing officer had to send to the billing authority a copy of the list which he proposed (on the information⁶ then before him) to compile⁷. As soon as reasonably practicable after so receiving the copy, the authority had to deposit it at its principal office and take such steps as it thought most suitable for giving notice of it⁸. As soon as reasonably practicable after compiling a list, the listing officer had to send a copy of it to the authority⁹. As soon as reasonably practicable after so receiving the copy the authority had to deposit it at its principal office¹⁰.

The list was to be maintained for so long as is necessary for the purposes of Part I of the Local Government Finance Act 1992¹¹.

Section 22(2)-(8) (as amended) does not apply in relation to an amalgamated valuation list for Welsh billing authorities: see s 22A(6) (as added); and PARA 270 post.

5 Ibid s 22(3). Any valuation of a dwelling carried out by the listing officer in pursuance of s 22(3) had to be carried out in accordance with s 21(2) (as amended) (see PARA 268 ante): s 22(4).

6 As to the meaning of 'information' see PARA 228 note 23 ante.

7 See the Local Government Finance Act 1992 s 22(5). The copy of the list referred to in the text had to be sent at the following times, namely: (1) not later than 1 September 1992 (s 22(5)(a)); and (2) not earlier than 15 November 1992 and not later than 1 December 1992 (s 22(5)(b)).

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(4) VALUATION LISTS/270. Amalgamated valuation lists for Welsh billing authorities.

270. Amalgamated valuation lists for Welsh billing authorities.

On 1 April 1996, every new listing officer¹ appointed for a new billing authority had to compile a list (the 'amalgamated list') for that authority, based on the information² provided for him as follows³.

The amalgamated list had to contain information which was included in the valuation lists⁴ compiled on 1 April 1993 for the old billing authorities (the 'current lists') so far as that was relevant information⁵. The amalgamated list also had to include relevant information which was included in any current list by way of an alteration⁶. A new listing officer's amalgamated list must be treated, for the purposes of the Local Government Finance Act 1992, as the valuation list for his new billing authority and is deemed to have come into force on 1 April 1993⁷. Where an amalgamated list contains information which is derived from any alteration made to any valuation list or lists from which it is derived, the amalgamated list must be treated as having been varied on the date on which the alteration was made⁸.

Every listing officer had to:

- 526 (1) on or before 15 November 1995, provide the appropriate new listing officer⁹ with relevant information recorded in his valuation list¹⁰ as at 31 October 1995¹¹; and
- 527 (2) on 31 March 1996, provide the appropriate new listing officer with relevant information recorded in his valuation list as at that date¹².

A new listing officer receiving any information under head (1) above had to send a copy of it to his new billing authority as soon as reasonably practicable¹³. As soon as reasonably practicable after compiling the amalgamated list, a new listing officer had to send a copy of it to his new billing authority¹⁴. A new billing authority receiving a copy of an amalgamated list in this way had to, as soon as reasonably practicable, deposit it at its principal office¹⁵.

1 For these purposes, 'new listing officer' means a listing officer for a new billing authority: Local Government Finance Act 1992 s 22A(11) (s 22A added by the Local Government (Wales) Act 1994 s 36). 'Listing officer' means a listing officer for an old billing authority: Local Government Finance Act 1992 s 22A(11) (as so added). 'New billing authority' means an authority which is a new principal council (see PARA 1 note 4 ante); and 'new principal council' has the same meaning as in the Local Government (Wales) Act 1994 (see PARA 1 note 4 ante): Local Government Finance Act 1992 s 22A(11) (as so added). 'Old billing authority' means a billing authority which is an old authority; and 'old authority' has the same meaning as in the Local Government (Wales) Act 1994 (see PARA 1 note 4 ante): Local Government Finance Act 1992 s 22A(11) (as so added). As to billing authorities generally see PARA 229 ante; and as to listing officers generally see PARA 230 ante.

2 As to the meaning of 'information' see PARA 228 note 23 ante. Information is relevant in relation to a new listing officer, or his area, if it relates to a dwelling which is in his area: *ibid* s 22A(12)(d) (as added: see note 1 supra). A new listing officer's area is the area of the new billing authority for which he is appointed: s 22A(12)(b) (as so added). For the meaning of 'dwelling' see PARA 232 ante.

3 See *ibid* s 22A(1) (as added: see note 1 supra). Section 22(2)-(8) (as amended) (see PARA 269 ante) does not apply in relation to an amalgamated list: s 22A(6) (as so added). As to the compilation and maintenance of new lists see PARA 271 post.

4 As to valuation lists see PARAS 268 et seq ante, 271 et seq post.

5 See the Local Government Finance Act 1992 s 22A(2) (as added: see note 1 supra).

- 6 See *ibid* s 22A(3) (as added: see note 1 *supra*).
- 7 *Ibid* s 22A(4) (as added: see note 1 *supra*).
- 8 *Ibid* s 22A(5) (as added: see note 1 *supra*).
- 9 The appropriate new listing officer, in relation to any information which relates to a dwelling, is the new listing officer for the new billing authority in whose area the dwelling is situated: *ibid* s 22A(12)(c) (as added: see note 1 *supra*).
- 10 References to a listing officer's valuation list are references to the valuation list maintained by him under the Local Government Finance Act 1992: s 22A(12)(a) (as added: see note 1 *supra*).
- 11 See *ibid* s 22A(7)(a) (as added: see note 1 *supra*).
- 12 See *ibid* s 22A(7)(b) (as added: see note 1 *supra*).

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(4) VALUATION LISTS/271. Compilation and maintenance of new lists.

271. Compilation and maintenance of new lists.

The listing officer¹ for a billing authority² must compile, and then maintain, new lists for the authority in accordance with the statutory provisions³ (each such list to be called its 'valuation list')⁴.

A new list must be compiled:

- 528 (1) in relation to billing authorities in England⁵, on 1 April in each year specified by order made by the Secretary of State⁶; and
- 529 (2) in relation to billing authorities in Wales⁷, on 1 April 2005⁸, and, after that, on the earlier of the tenth anniversary of the compilation of the previous list and 1 April in such year as may be specified by order made by the Welsh Ministers⁹.

A new list is to come into force on the day on which it is compiled and will remain in force until the next such list is compiled¹⁰. The duty to maintain a new list¹¹ continues for so long as is necessary for the purposes of Part I of the Local Government Finance Act 1992¹² and is not affected by the list ceasing to be in force¹³.

Before a new list is compiled¹⁴, the listing officer must take such steps as are reasonably practicable in the time available to ensure that it is accurately compiled on the date on which it is to be compiled¹⁵.

Where a new list is to be compiled¹⁶, the listing officer for a billing authority must send the authority a copy of the list he proposes to compile (on the information¹⁷ then before him) not later than 1 September before the date on which it is to be compiled¹⁸. As soon as reasonably practicable after receiving such a copy list, a billing authority must deposit it at its principal office and take such steps as it thinks most suitable for giving notice of it¹⁹.

As soon as reasonably practicable after the listing officer for a billing authority has compiled a new list²⁰, he must send a copy of it to the authority²¹. As soon as reasonably practicable after receiving such a copy list, a billing authority must deposit it at its principal office²².

The Secretary of State (or the Welsh Ministers, as the case may be) may by regulations²³ make provision for the purpose of smoothing changes in council tax liability resulting from the coming into force in relation to a billing authority in England (or in Wales, as the case may be) of a new list²⁴. Such regulations may, in particular:

- 530 (a) make provision about the circumstances in which changes are to be smoothed²⁵;
- 531 (b) make provision for changes to be smoothed over such one or more financial years as may be specified in the regulations²⁶;
- 532 (c) make provision for liability for any financial year to be determined in accordance with such rules as may be so specified, which may result in liability being the same as or different from what it would otherwise be²⁷.

Such regulations may make different provision for different financial years²⁸.

COUNCIL TAX/(4) VALUATION LISTS/272. Contents of lists.

272. Contents of lists.

A valuation list¹ must show, for each day for which it is in force, each dwelling² which is situated in the billing authority's³ area⁴. For each day on which a dwelling is shown in a list, the list must also show which of the valuation bands is applicable to the dwelling⁵. A list must also contain such information⁶ about dwellings shown in it as may be prescribed⁷. Accordingly, for each day on which a dwelling is shown in a valuation list⁸, the list must also contain⁹:

- 533 (1) the reference number ascribed to the dwelling by the listing officer¹⁰;
- 534 (2) if it be the case, an indication that the dwelling is a composite hereditament¹¹;
- 535 (3) where the list is altered as regards the dwelling¹², an indication:
- 43 67. (a) of the period for which (or, as the case may be, the day from which) the alteration has effect¹³; and
- 68. (b) if it be the case, that the alteration was made pursuant to the order of a valuation tribunal or the High Court¹⁴.
- 44

The omission from a list of any matter required to be included in it does not of itself render the list invalid¹⁵. Any rules as to Crown exemption which otherwise would have applied¹⁶ do not prevent a list showing a dwelling, showing the valuation band applicable to a dwelling and containing any prescribed information about a dwelling¹⁷.

COUNCIL TAX/(4) VALUATION LISTS/273. Provision made for the alteration of lists.

273. Provision made for the alteration of lists.

The Secretary of State (or the Welsh Ministers, as the case may be)¹ may make regulations² about the alteration by listing officers³ of valuation lists which have been compiled under the statutory provisions⁴.

The regulations may include provision:

- 536 (1) that where a listing officer intends to alter the list with a view to its being accurately maintained, he must not alter it unless prescribed⁵ conditions (as to notice or otherwise) are fulfilled⁶;
 - 537 (2) that any valuation of a dwelling⁷ carried out in connection with a proposal for the alteration of the list must be carried out in accordance with the statutory provisions that apply to the compilation and maintenance of such lists⁸;
 - 538 (3) that no alteration may be made of a valuation band⁹ shown in the list as applicable to any dwelling unless¹⁰:
- 45
69. (a) since the valuation band was first shown in the list as applicable to the dwelling: (i) there has been a material increase¹¹ in the value of the dwelling and a relevant transaction¹² has been subsequently carried out in relation to the whole or any part of it¹³; (ii) there has been a material reduction¹⁴ in the value of the dwelling¹⁵; (iii) the dwelling has become or ceased to be a composite hereditament for the purposes of the non-domestic rating provisions¹⁶; or (iv) in the case of a dwelling which continues to be such a hereditament, there has been an increase or reduction in its domestic use¹⁷, and (in any case) prescribed conditions are fulfilled¹⁸;

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(4) VALUATION LISTS/274. Regulations made about the alteration of lists and related appeals.

274. Regulations made about the alteration of lists and related appeals.

Regulations that have been made¹ about the alteration by listing officers² of valuation lists³ make provision as to:

- 551 (1) restrictions on the alteration of valuation bands⁴;
- 552 (2) the circumstances and periods in which proposals to alter lists may be made⁵;
- 553 (3) the manner of making such proposals and the information to be included in such proposals⁶;
- 554 (4) the acknowledgement of proposals by the listing officer⁷;
- 555 (5) the procedure by which proposals may be treated as invalid⁸;
- 556 (6) the service of copies of a valid proposal⁹;
- 557 (7) the procedure that applies where the listing officer is of the opinion that a proposal is well-founded and he agrees to alter the list accordingly¹⁰;
- 558 (8) the procedure that applies where a proposer wishes to withdraw a proposal¹¹;
- 559 (9) the procedure that applies where, following the making of a proposal, certain persons all agree on an alteration of the list in terms other than those contained in the proposal¹²;
- 560 (10) the procedure that applies where the listing officer is of the opinion that a proposal is not well-founded, and the proposal is not withdrawn under head (8) above, and there is no agreement as provided in head (9) above¹³;
- 561 (11) the day from which an alteration has effect¹⁴;
- 562 (12) the notifications required where a list has been altered¹⁵.

A disagreement under head (10) above must, no later than the expiry of the period of six months beginning on the day on which the proposal was served on him, be referred by the listing officer to the relevant valuation tribunal¹⁶, as an appeal by the proposer against the listing officer's refusal to alter the list¹⁷.

An appeal lies to the High Court on a question of law arising out of a decision or order which is given or made by a relevant valuation tribunal under the regulations; and the High Court may confirm, vary, set aside, revoke or remit the decision or order of the tribunal, and may make any order the tribunal could have made¹⁸.

No rule of confidentiality applicable to the Commissioners of Inland Revenue prevents the disclosure for the purposes of an appeal under the Council Tax (Alteration of Lists and Appeals) Regulations 1993, SI 1993/290 (as amended) of particulars delivered documents: see reg 37. For the meaning of 'particulars delivered document' see PARA 268 note 8 ante; definition applied by reg 16(1). Where at any time before the beginning of a hearing (or the consideration by a tribunal of written representations) it is so agreed in writing between the persons who (if a dispute were to be the subject of an appeal to the tribunal) would be the parties to the appeal, the question may be referred to arbitration: see reg 33.

18 See *ibid* reg 32. See eg *Cselko v Listing Officer for Camden* [2001] RVR 280 (tribunal might have reached a different conclusion because its global valuation of the flats failed to have regard to the special circumstances of the appeal property).

563 (1) at least three clear days' notice in writing of the proposed exercise of the power is given⁴; and

564 (2) in a case where a person authorised by a valuation officer proposes to exercise the power, that person (if required) produces his authority⁵.

If a person intentionally delays or obstructs a person in the exercise of such power of entry, he is liable on summary conviction to a fine not exceeding level 2 on the standard scale⁶.

1 'Valuation officer' means any listing officer and any other officer of the Commissioners for Revenue and Customs who is for the time being appointed by them to carry out any of their functions: Local Government Finance Act 1992 s 26(5). Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(4) VALUATION LISTS/276. Information about properties.

276. Information about properties.

In any case where:

- 565 (1) a notice is served by a listing officer¹ or the Commissioners for Revenue and Customs² on a charging or billing authority³, a community charges registration officer⁴ or any other person prescribed for these purposes⁵;
- 566 (2) the notice requests the supply of information⁶ of a description specified in the notice⁷; and
- 567 (3) the information relates to property and is information which the listing officer or the Commissioners reasonably believe will assist him or them in carrying out any of his or their functions⁸,

the authority, officer or other person must supply the information requested, and must do so in such form and manner and at such time as the listing officer or the Commissioners specify in the notice⁹.

For the purpose of carrying out any of his functions, a valuation officer¹⁰ may serve on a person who is or has been an owner¹¹ or occupier of any dwelling¹² a notice:

- 568 (a) requesting him to supply to the officer information which is of a description specified in the notice¹³; and
- 569 (b) stating that the officer believes the information requested will assist him in carrying out his functions¹⁴.

A person on whom such a notice is served must supply the information requested if it is in his possession or control, and must do so in such form and manner as is specified in the notice and within the period of 21 days beginning with the day on which the notice is served¹⁵. If a person on whom such a notice has been served fails without reasonable excuse to comply with this provision, he is liable on summary conviction to a fine not exceeding level 2 on the standard scale¹⁶. If a person¹⁷, in supplying information in purported compliance with a request for information from a valuation officer, either makes a statement which he knows to be false in a material particular¹⁸ or recklessly makes a statement which is false in a material particular¹⁹, he is liable on summary conviction to imprisonment for a term not exceeding three months or a fine not exceeding level 3 on the standard scale or both²⁰.

If in the course of the exercise of its functions any information comes to the notice of a charging or billing authority which it considers would assist a listing officer in carrying out any of his functions, it is the authority's duty to inform the listing officer²¹.

In carrying out any of his or their functions, a listing officer or the Commissioners for Revenue and Customs may also take into account any other information available to him or them, whatever its source and whether or not obtained under a provision contained in or made under the Local Government Finance Act 1992 or any other Act²².

277. Information about valuation lists.

A person may require a listing officer¹ to give him access to such information² as will enable him to establish what is the state of a valuation list³ (or has been its state at any time since it came into force)⁴ if:

- 570 (1) the officer is maintaining the list⁵; and
- 571 (2) the list is in force or has been in force at any time in the preceding five years⁶.

A person may require a billing authority⁷ to give him access to such information as will enable him to establish what is the state of a copy of a list (or has been its state at any time since it was deposited)⁸ if:

- 572 (a) the authority has deposited such a copy⁹; and
- 573 (b) the list is in force or has been in force at any time in the preceding five years¹⁰.

A person may require a billing authority to give him access to such information as will enable him to establish what is the state of a copy of a proposed list¹¹ if:

- 574 (i) the authority has deposited such a copy¹²; and
- 575 (ii) the list itself is not yet in force¹³.

Any such requirement for access to information¹⁴ must be complied with at a reasonable time and place and without payment being sought; but the information may be in documentary or other form, as the person or authority of whom the requirement is made thinks fit¹⁵. Where access is so given to information in documentary form, the person to whom access is given may make copies of (or of extracts from) the document¹⁶; and may require a person having custody of the document to supply to him a photographic copy of (or of extracts from) the document¹⁷. Where access is so given to information in a form which is not documentary, the person to whom access is given may make transcripts of (or of extracts from) the information¹⁸; and may require a person having control of access to the information to supply to him a copy in documentary form of (or of extracts from) the information¹⁹. If a reasonable charge is required for the copying or transcribing of (or extracting from) documents²⁰, the facility may not be made available to a person²¹ unless the person seeking to avail himself of the facility pays the charge²².

If without reasonable excuse a person having custody of a document containing (or having control of access to) information access to which is sought²³:

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(5) ADMINISTRATION OF COUNCIL TAX/(i) In general/280. Service of notices.

280. Service of notices.

Where any notice which is required or authorised by the council tax administration and enforcement regulations¹ to be given to or served on any person falls to be given or served by or on behalf of the Common Council of the City of London² it may be given or served in any manner in which it might be given or served under the Local Government Act 1972³ if the Common Council were a local authority for those purposes⁴.

If the name of any person on whom a notice is to be served (either for the purposes of obtaining information from residents, owners or managing agents of a dwelling⁵ or for the purposes of obtaining information from such persons relating to exempt dwellings⁶) cannot after reasonable inquiry be ascertained, the notice may be served by addressing it to 'The Resident'⁷ or, as the case may be, 'The Owner'⁸ or 'The Managing Agent'⁹ of the dwelling concerned (naming the dwelling) without further name or description¹⁰.

If the name of any person to whom a notice is to be given or on whom a notice is to be served in accordance with any of the billing provisions¹¹ cannot after reasonable inquiry be ascertained, the notice may be given or served by addressing it to 'The Council Tax Payer' of the dwelling concerned (naming the dwelling) without further name or description¹².

In relation to England only¹³, any notice which is required or authorised to be given to (or served by) a billing authority on any person in connection with obtaining information (including with regard to exempt dwellings) or for billing purposes¹⁴, or any information which is required by the demand notice regulations¹⁵ to be supplied to any person when a demand notice¹⁶ is served¹⁷:

584 (1) may be so given, served or supplied by sending the notice or information to that person by electronic communication¹⁸ to such address¹⁹ as may be notified by that person for that purpose²⁰; or

585 (2) is to be treated as given, served or supplied to that person where²¹:
47

48

For the purpose of any legal proceedings in England, a notice given by a means described in head (1) and heads (2)(a) to (2)(d) above must, unless the contrary is proved, be treated as served on the second business day²⁸ after it was sent in accordance with head (1) above²⁹ or on the second business day after notification of its publication was given in accordance with head (2)(d) above³⁰.

A person who has notified an address for the purpose of reg 2(4)(a) (as added) also may, by notice in writing to the billing authority, withdraw that notification; and the withdrawal takes effect on the third business day after the date on which the notice is received by the billing authority: reg 2(7) (as so added).

21 Ibid reg 2(4)(b) (as added: see note 17 supra).

A billing authority¹ may, for the purpose of carrying out its functions under Part I of the Local Government Finance Act 1992², request (by notice given in writing)³ any other billing authority⁴, any precepting authority⁵, any levying authority⁶ and the electoral registration officer for any area in Great Britain⁷ to supply to it such information as is specified in the notice which does not fall within any of the following categories⁸, namely that which is not:

- 589 (1) information obtained by the person concerned or by a committee, any executive⁹, a committee of any executive or a member of any executive, of such a person¹⁰: (a) in its capacity as police authority¹¹; or (b) in its capacity as a constituent council of such an authority¹²;
- 590 (2) information obtained by the person concerned in its capacity as an employer¹³; or
- 591 (3) information consisting of anything other than the name, address and any past or present place of residence of any person and the dates during which he is known or thought to have resided at that place¹⁴.

A billing authority may also, for the purpose of carrying out its functions under Part I of the Local Government Finance Act 1992, request (by notice given in writing)¹⁵ community charges registration officers¹⁶ to supply to it such information as is specified in the notice which does not consist of anything other than¹⁷:

- 592 (i) the name, address and any past or present place of residence of any person and the dates during which he is known or thought to have resided at that place¹⁸;
- 593 (ii) information relevant to the status of any person as an exempt individual¹⁹; and
- 594 (iii) the days on which any person was an exempt individual²⁰.

Information requested by a billing authority from any of the specified authorities must be supplied by the person requested to supply it if it is in his possession or control, and it must be so supplied within 21 days of the day on which the request is made²¹. A billing authority may²² supply relevant information²³ to another billing authority (or to a levying authority) even if it is not requested to supply the information²⁴.

Regulations under the Local Government Finance Act 1992¹ may include provision that, in carrying out its functions under Part I of that Act², an authority may use information³ which is obtained under any other enactment⁴ and which does not fall within any prescribed description of information which cannot be used⁵. Accordingly, in carrying out its functions under Part I of the Local Government Finance Act 1992⁶, a billing authority⁷ may use information obtained under any other enactment provided that it was not obtained by a committee of the authority in its capacity as a police authority⁸.

A billing authority¹ which received a copy of a proposed first list² had to, as respects each dwelling³ shown in the copy which in the opinion of the authority would be a relevant dwelling⁴ on the day when the list came into force, notify the person concerned⁵ of the valuation band shown in the copy as applicable to the dwelling⁶. Where:

- 600 (1) a dwelling is not shown in the copy of such a proposed list but is shown in the copy of the list that was compiled and sent to the authority⁷; and
- 601 (2) in the opinion of the authority the dwelling was a relevant dwelling on the day when the list came into force⁸,

the authority must notify the person concerned of the valuation band shown in the list as applicable to the dwelling⁹.

1 As to billing authorities see PARA 229 ante.

2 le sent to it under the Local Government Finance Act 1992 s 22(5)(b) (see PARA 269 ante): see the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 7(1) (as amended: see note 6 infra).

226 (1) on the day the dwelling is an exempt dwelling (Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 7(6)(a)(i)); or

227 (2) in respect of the financial year in which the day falls and the dwelling, the amount set under the Local Government Finance Act 1992 s 30 (as amended) (see PARA 260 ante) is nil (Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 7(6)(a)(ii)).

229 (2) in the opinion of the authority, the dwelling was a relevant dwelling on the day when the list came into force (reg 7(3)(b)),

the authority must notify the person concerned of the reason for the difference (reg 7(3) (amended by SI 1992/3008)). The Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 7(2), (3) (both as amended) is expressed to be subject to reg 7(3A) (as added) (see note 6 supra): see reg 7(2), (3) (both as so amended).

A notification required to be given by reg 7(2), (3) (both as amended) must be given within the period of two months beginning on the day on which the authority received a copy of the list: reg 7(4)(b). A billing authority¹ must, as regards each financial year² commencing with the financial year beginning on 1 April 1993, take reasonable steps to ascertain whether any dwellings³ in its area will be or were exempt dwellings⁴ for any period during the year⁵.

Where, having taken such steps, a billing authority has no reason to believe that a particular dwelling will be or was an exempt dwelling for any period during the year, it must assume, for billing purposes⁶, that the dwelling will be or was a chargeable dwelling⁷ for that period⁸. Where, having taken such steps, a billing authority has reason to believe that a particular dwelling will be or was an exempt dwelling for a period during the year, it must assume, for billing purposes⁹, that the dwelling will be or was an exempt dwelling for that period¹⁰.

Notification of assumption.

287. Notification of assumption.

A billing authority¹ which has made an assumption² that a particular dwelling³ will be or was an exempt dwelling⁴ for a period during the financial year⁵ must inform⁶ the relevant person⁷ of the assumption made in his case⁸. Such information must be given by notice in writing and as soon as reasonably practicable after the assumption has been made⁹.

1 As to billing authorities see PARA 229 ante.

2 Ie under the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 9(2) (see PARA 286 ante); see reg 10(1).

3 For the meaning of 'dwelling' see PARA 232 ante.

4 For the meaning of 'exempt dwelling' see PARA 280 note 6 ante.

5 For the meaning of 'financial year' under the Local Government Finance Act 1992 see PARA 231 note 1 ante.

6 Ie in accordance with the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 10(2) (see the text and note 9 infra); see reg 10(1). Information need not be given under reg 10 (as amended):

230 (1) where the dwelling in respect of which such an assumption is made is an exempt dwelling within the Council Tax (Exempt Dwellings) Order 1992, SI 1992/558, art 3 Class O (as amended) (see PARA 235 ante) (Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 10(6)(a) (reg 10(6) substituted by SI 1992/3008)); or

231 (2) in so far as it would be repetitive of information given to the person concerned in accordance with the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 7 (as amended) (see PARA 285 ante) or any provision of demand notice regulations (reg 10(6)(b) (as so substituted)).

For the meaning of 'demand notice regulations' see PARA 280 note 15 ante.

7 For these purposes, references to the relevant person are references to a person who, in respect of the particular dwelling, would be liable (whether solely or jointly and severally) to pay to the authority an amount in respect of council tax for the period to which the assumption relates if the dwelling were not or had not been an exempt dwelling for that period: *ibid* reg 10(7). As to references under the Local Government Finance Act 1992 to an amount payable in respect of council tax see PARA 244 note 3 ante; and as to council tax see PARA 227 et seq ante.

8 Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 10(1). The provision set out in the text is expressed to be subject to reg 10(5) and reg 10(6) (as substituted) (see note 6 supra): see reg 10(1). Accordingly, where, as regards a particular dwelling and period, there is more than one relevant person, nothing in reg 10(1) requires information to be given, as regards that dwelling and period, to more than one of them: reg 10(5).

9 *Ibid* reg 10(2). As to the service of notices see PARA 280 ante.

Subject to reg 10(6) (as substituted) (see note 6 supra), a billing authority must supply with any notice given in accordance with reg 10(2) a statement:

232 (1) specifying the valuation band shown in the authority's valuation list as applicable to the dwelling (reg 10(3)(a));

233 (2) summarising the effect of any regulations under the Local Government Finance Act 1992 s 24 (as amended) (alteration of lists) (see PARA 273 ante) relevant to the making by a person

(other than a billing authority) of a proposal for the alteration of that list (Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 10(3)(b));

- 234 (3) specifying: (a) where the notice is given after the end of the financial year in which the period to which the assumption relates falls, the amount which, subject to reg 10(4), would have been payable in respect of council tax for that period if the dwelling had been a chargeable dwelling throughout that period (reg 10(3)(c)(i)); or (b) in any other case, the authority's estimate of that amount (reg 10(3)(c)(ii));
- 235 (4) summarising the classes of dwelling which are for the time being exempt dwellings for the purposes of the Local Government Finance Act 1992 Pt I Ch I (ss 1-19) (as amended) (see PARA 231 et seq ante) (Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 10(3)(d)); and
- 236 (5) where the amount first set for the financial year in question under the Local Government Finance Act 1992 s 30 (as amended) (see PARA 260 ante) is nil, that, if the dwelling is or becomes a chargeable dwelling on any day of that year, no council tax is to be payable for that year in respect of the dwelling unless an amount is set in substitution for the nil amount (Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 10(3)(e)).

In determining an amount for the purpose of reg 10(3)(c) (see head (3) supra), the authority must assume that, as regards each day of the period to which the assumption relates, the Local Government Finance Act 1992 s 11 (as amended) (discounts) (see PARA 245 ante) and s 12 (as substituted) (special provision for discounts) (see PARA 247 ante), the Social Security Contributions and Benefits Act 1992 s 131 (as substituted) (council tax benefit) (see PARA 376 post) and regulations under the Local Government Finance Act 1992 s 13 (as amended) (reduced amounts) (see PARA 257 ante) do not apply in the case of the person concerned: Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 10(4).

As to valuation bands see PARA 244 ante; and as to valuation lists see PARA 268 et seq ante. For the meaning of 'chargeable dwelling' under the Local Government Finance Act 1992 see PARA 233 ante.

289. Information relating to exempt dwellings etc.

A person who appears to a billing authority¹ to be a resident², owner³ or managing agent⁴ of a particular dwelling⁵ in respect of which an assumption⁶ has been made, that the dwelling will be or was an exempt dwelling⁷ for a period during the financial year⁸, must supply to the authority such information as fulfils the following conditions⁹, namely that:

- 604 (1) the information is in the possession or control of the person concerned¹⁰;
- 605 (2) the authority requests (by notice in writing) the person concerned to supply the information¹¹; and
- 606 (3) the information is requested by the authority for the purposes of identifying the person who, in respect of any period specified in the notice, is or will be the relevant person¹² in relation to the dwelling¹³.

A person on whom such a notice is served must supply the information so requested: (a) within the period of 21 days beginning on the day on which the notice was served¹⁴; and (b) if the authority so requires, in the form specified in the request¹⁵.

Ascertainment of entitlement to and assumptions as to discount.

290. Ascertainment of entitlement to and assumptions as to discount.

Before making any calculation of the chargeable amount¹ for the purposes of billing² in respect of any dwelling in its area, a billing authority must take reasonable steps to ascertain whether that amount is subject to any discount³, and if so, the amount of that discount⁴.

Where, having taken such steps, a billing authority has no reason to believe that the chargeable amount for the financial year concerned is subject to a discount, it must assume, in making any calculation of the chargeable amount for the purposes of billing⁵, that the chargeable amount is not subject to any discount⁶.

Where, having taken such steps, a billing authority has reason to believe that the chargeable amount for the financial year concerned is subject to a discount of a particular amount, it must assume, in making any calculation of the chargeable amount for the purposes of billing that the chargeable amount is subject to a discount of that amount⁷.

¹ For these purposes, any reference to the chargeable amount is a reference to an amount which a person is liable to pay (whether solely or jointly and severally) in respect of a particular dwelling to a billing authority in respect of council tax for a financial year and includes, unless the context otherwise requires, an amount which in the opinion of the authority a person will be so liable to pay (Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 13(a)); and any reference to any calculation of the chargeable amount includes a reference to any estimate of the amount (reg 13(b)). For the meaning of 'dwelling' see PARA 232 ante; and for the meaning of 'financial year' under the Local Government Finance Act 1992 see PARA 231 note 1 ante. As to references under the Local Government Finance Act 1992 to an amount payable in respect of council tax see PARA 244 note 3 ante; and as to council tax see PARA 227 et seq ante. ³ For these purposes, 'discount' means a discount under the Local Government Finance Act 1992 s 11 (as amended) (discounts) (see PARA 245 ante) or s 11A (as added) (special provision for discounts where dwellings in England have no resident) (see PARA 246 ante) or a reduction in the amount of council tax payable for a dwelling under s 13A (as added) (billing authority's power to reduce amounts of council tax) (see PARA 258 ante) where the dwelling falls into a class for which the billing authority has determined under s 13A(3) (as added) (see PARA 258 ante) that liability is to be reduced otherwise than to nil: Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 1(2) (definition added in relation to Wales by SI 2004/785; and in relation to England by SI 2004/927).

291. Correction of discount assumptions.

Where a person:

- 607 (1) has been informed in accordance with any provision of demand notice regulations¹ of an assumption as to discount² made in his case³; and
- 608 (2) at any time before the end of the financial year⁴ following the financial year in respect of which the assumption is made, he has reason to believe that the chargeable amount⁵ is not in fact subject to any discount, or is subject to a discount of a smaller amount⁶,

he must, within the period of 21 days beginning on the day on which he first has reason so to believe, notify the authority in writing of his belief⁷. Where persons are jointly and severally liable to pay council tax⁸ in respect of the dwelling⁹ and period concerned, the duty so to supply information is a duty of each of them, but is discharged if one of them supplies the information on behalf of both or all of them¹⁰.

For these purposes, the fact that any person concerned has wholly or partly discharged his liability to pay the amount must be ignored¹¹.

(iii) Demand Notices and Reminder Notices

292. The requirement for demand notices.

For each financial year¹, a billing authority² must serve a notice in writing on every liable person³. However, where⁴ notices would fall to be served in accordance with the billing provisions⁵ at the same time⁶ and in respect of the same dwelling⁷, in relation to a financial year not then ended and any preceding financial year, a billing authority is not required thereby to serve more than one notice⁸. If a person is liable in any financial year to pay to the same billing authority different chargeable amounts in respect of different dwellings, a demand notice⁹ must be served in respect of each chargeable amount¹⁰.

1 For the meaning of 'financial year' under the Local Government Finance Act 1992 see PARA 231 note 1 ante.

2 As to billing authorities see PARA 229 ante.

3 Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 18(1). The text refers to service in accordance with regs 19-21 (as amended) (see also PARAS 295, 296 post): see reg 18(1). As to the service of notices generally see PARA 280 ante. Except where the context otherwise requires, and subject to reg 17(5), any reference in Pt V (regs 17-31) (as amended) (see PARA 295 et seq post) to the liable person (however expressed) is a reference:

239 (1) to a person who is, or in the opinion of the billing authority will be, solely liable to pay to the authority, an amount in respect of council tax in respect of a particular dwelling and a day (reg 17(2)(a) (reg 17(2) substituted by SI 1992/3008)); or

240 (2) where persons are joint taxpayers, to those persons (Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 17(2)(b) (as so substituted)).

'Joint taxpayers' means two or more persons who are (or in the opinion of the billing authority will be) jointly and severally liable to pay to the authority an amount in respect of council tax in respect of a particular dwelling and a day (whether such liability arises by virtue of the Local Government Finance Act 1992 s 6(3) or s 6(4)(b) (see PARA 237 ante), s 7(4) or s 7(5) (see PARA 238 ante), s 8(4) or s 8(5) (see PARA 239 ante) or s 9(1) (as amended) (see PARA 240 ante)): Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 17(1) (definition added by SI 1992/3008). The Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, Pt V (as amended) applies (amongst other matters) for the making of payments in relation to the chargeable amount for a financial year; but its application as regards persons who are joint taxpayers is subject to the provisions of reg 27 (as substituted), reg 28 (as substituted and amended) (see PARA 297 post) and reg 28A (as added) (see PARA 297 post): reg 17(5) (substituted by SI 1992/3008). Various provisions of the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, Pt V (as amended) are modified by reg 27 (as substituted), which applies in the case of joint taxpayers, although its application to joint taxpayers on whom a joint taxpayers' notice is served is subject to reg 28A (as added): see reg 27 (substituted by SI 1992/3008). For the meaning of 'joint taxpayers' notice' see PARA 297 note 4 post. For these purposes, any reference to the chargeable amount is a reference to the amount the liable person is or will be liable to pay: Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 17(3). For the meaning of 'dwelling' see PARA 232 ante. As to references under the Local Government Finance Act 1992 to an amount payable in respect of council tax see PARA 244 note 3 ante; and as to council tax see PARA 227 et seq ante.

The liability to pay council tax requires a demand by the billing authority to transform it into a duty to pay: see *Regentford Ltd v Thanet District Council* [2004] EWHC 246 (Admin), [2004] RA 113, (2004) Times, 4 March (there is an analogy between liability for council tax and the liability in the ordinary sense of a guarantor who is at all times exposed to a potential duty to discharge the guaranteed obligation, but a duty that is triggered only when a demand is made of him).

4 Ie but for the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 18 (as amended): see reg 18(2) (as amended: see note 8 infra).

5 Ibid reg 18(2) (as amended: see note 8 infra). The text refers to notices falling to be served in accordance with Pt V (as amended) (see PARA 295 et seq post): see reg 18(2) (as so amended).

6 Ibid reg 18(2)(a). Any reference to the day on or time at which a notice is issued, is a reference:

241 (1) if the notice is served in the manner described in the Local Government Act 1972 s 233(2) (service of notices to local authorities) (see LOCAL GOVERNMENT vol 69 (2009) PARA 576) by being left at, or sent by post to, a person's proper address, to the day on or time at which it is so left or posted (Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 17(4)(a)); or

242 (2) in any other case, to the day on or time at which the notice is served (reg 17(4)(b)).

7 Ibid reg 18(2)(b).

8 Ibid reg 18(2) (amended by SI 1997/393).

9 'Demand notice' means the notice required to be served by the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 18(1) (see the text and notes 1-3 supra): reg 17(1).

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(5) ADMINISTRATION OF COUNCIL TAX/(iii) Demand Notices and Reminder Notices/293. Content of demand notices.

293. Content of demand notices.

A council tax demand notice¹ served in England and Wales² for any financial year³ beginning on or after 1 April 2004 must contain certain matters prescribed by regulation⁴, as follows:

- 609 (1) a statement of the name (if any) of the person to whom the notice is given⁵;
- 610 (2) a statement of the day of issue of the notice⁶;
- 611 (3) a statement of the period to which the notice relates⁷;
- 612 (4) a statement of the address of the dwelling to which the notice relates (the 'relevant dwelling')⁸;
- 613 (5) a statement of the relevant valuation band as regards the relevant dwelling⁹;
- 614 (6) a statement as regards: (a) the relevant year;¹⁰ (b) the category of dwellings which includes the relevant dwelling¹¹; and (c) the relevant valuation band¹², of the amounts set or calculated for these purposes¹³;
- 615 (7) a statement of the days (if any) as regards which it was assumed that the amount required to be paid under the notice would fall to be calculated by reference to provisions governing discounts and reductions¹⁴;
- 616 (8) a statement of the amount (if any) falling to be credited against the amount of council tax which would otherwise be payable for the relevant year¹⁵;
- 617 (9) a statement of the amount of any penalty or penalties or any overpayment of council tax benefit being recovered under the notice¹⁶;
- 618 (10) where the notice requires the payment of an amount of council tax in respect of the relevant dwelling and a financial year (or years) preceding the relevant year and there has not previously been served on the person to whom the notice is issued a council tax demand notice requiring payment of that amount, a statement of that amount¹⁷;
- 619 (11) a statement of the amount required to be paid under the notice, together with a statement of the instalments or other payments required to be paid and the manner in which those payments may be made¹⁸;
- 620 (12) a statement of the address and telephone number to which inquiries may be directed as to any matter of which a statement is required to be given by any of heads (1) to (11) above¹⁹;
- 621 (13) explanatory notes, which must include a general indication of the principles relevant to the compilation of the authority's valuation list²⁰, a general indication as to the circumstances in which exemptions, discounts or reductions may be applied²¹ and a statement as to the procedures to be followed either by a person who wishes to dispute any matter shown in the authority's valuation list in relation to the dwelling to which the notice relates²² or by a person aggrieved²³.

So that a billing authority may fulfil its obligations with regard to the information which must be supplied with council tax demand notices²⁴, such information as is specified (mostly relating to financial estimates and budgetary matters) must be supplied to it by precepting authorities²⁵ and (in relation to England only) by levying bodies²⁶.

¹ For these purposes, 'council tax demand notice' means a demand notice within the meaning of the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, Pt V (regs 17-31) (as amended) (see PARAS 292 ante, 295 et seq post) which is served by a billing authority or any person authorised by a billing

authority to exercise any functions relating to the administration of the council tax: see the Council Tax (Demand Notices) (Wales) Regulations 1993, SI 1993/255, reg 2(1) (definition amended by SI 1996/1880); and the Council Tax and Non-Domestic Rating (Demand Notices) (England) Regulations 2003, SI 2003/2613, reg 1(2). As to billing authorities see PARA 229 ante.

2 For the meanings of 'England' and 'Wales' see PARA 1 note 2 ante.

3 For the meaning of 'financial year' under the Local Government Finance Act 1992 see PARA 231 note 1 ante.

4 Council Tax (Demand Notices) (Wales) Regulations 1993, SI 1993/255, regs 1, 3(1) (reg 1 amended by SI 1996/1880); Council Tax and Non-Domestic Rating (Demand Notices) (England) Regulations 2003, SI 2003/2613, regs 2, 3(1). The text refers to the matters prescribed, in relation to Wales, in the Council Tax (Demand Notices) (Wales) Regulations 1993, SI 1993/255, reg 3(1), Sch 1 (as amended) (see heads (1) to (13) in the text) and, in relation to England, in the Council Tax and Non-Domestic Rating (Demand Notices) (England) Regulations 2003, SI 2003/2613, reg 3(1), Sch 1 (as amended) (see heads (1) to (13) in the text): see the Council Tax (Demand Notices) (Wales) Regulations 1993, SI 1993/255, reg 3(1); and the Council Tax and Non-Domestic Rating (Demand Notices) (England) Regulations 2003, SI 2003/2613, reg 3(1). As to demand notices which are invalid through non-compliance with the requirement to contain specified matters see PARA 294 post.

When a billing authority in England serves a council tax demand notice it must supply to the person on whom the notice is served the information mentioned in reg 3(4), Sch 3 Pts I, III (Sch 3 Pt III amended by SI 2003/3081; SI 2006/3395): see the Council Tax and Non-Domestic Rating (Demand Notices) (England) Regulations 2003, SI 2003/2613, reg 3(4). This does not apply when a council tax demand notice is served after the end of the relevant year: see reg 3(5). 'Relevant year', in relation to a demand notice, means the financial year to which the demand for payment made by the notice relates: see reg 1(2). Without prejudice to the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 18(2) (as amended) (see PARA 292 ante), a council tax demand notice which is served on a person after the end of the relevant year and at the same time as a council tax demand notice relating to another financial year not then ended is served on him, need not contain the matter specified in head (13) in the text: Council Tax and Non-Domestic Rating (Demand Notices) (England) Regulations 2003, SI 2003/2613, reg 3(2).

When a billing authority in Wales serves a council tax demand notice, it must supply to the person on whom the notice is served the information mentioned in the Council Tax (Demand Notices) (Wales) Regulations 1993, SI 1993/255, reg 4(1), Sch 2 Pts I, II (Sch 2 Pt I amended by SI 1995/160; SI 1996/310; SI 2004/460): see the Council Tax (Demand Notices) (Wales) Regulations 1993, SI 1993/255, reg 4(1). This does not apply when a council tax demand notice is served after the end of the relevant year: see reg 4(2). 'Relevant year', in relation to a demand notice, means the financial year to which the demand for payment made by the notice relates: see reg 2(1). If it appears requisite to such a billing authority when it serves a demand notice that the information mentioned in Sch 2 Pt I (as amended) should be supplied in English and Welsh, instead of in English or in Welsh, it is to be so supplied: see reg 4(3).

Nothing requires a council tax demand notice to be given on a single sheet of paper, but if more than one sheet is used, the sheets are to be issued together, whether or not attached, so as to comprise one notice: Council Tax (Demand Notices) (Wales) Regulations 1993, SI 1993/255, reg 3(2); Council Tax and Non-Domestic Rating (Demand Notices) (England) Regulations 2003, SI 2003/2613, reg 3(6).

6 Council Tax (Demand Notices) (Wales) Regulations 1993, SI 1993/255, Sch 1 para 2; Council Tax and Non-Domestic Rating (Demand Notices) (England) Regulations 2003, SI 2003/2613, Sch 1 para 2.

9 Council Tax (Demand Notices) (Wales) Regulations 1993, SI 1993/255, Sch 1 para 5; Council Tax and Non-Domestic Rating (Demand Notices) (England) Regulations 2003, SI 2003/2613, Sch 1 para 5. Any reference to the relevant valuation band in relation to a dwelling is a reference to the valuation band shown as applicable to the dwelling in the billing authority's valuation list: see the Council Tax (Demand Notices) (Wales) Regulations 1993, SI 1993/255, reg 2(2) (reg 2(2), (3) added by SI 2004/460); and the Council Tax and Non-Domestic Rating (Demand Notices) (England) Regulations 2003, SI 2003/2613, reg 1(3) (amended by SI 2003/3081). As to valuation bands see PARA 244 ante; and as to valuation lists see PARA 268 et seq ante.

If a new valuation list is due to come into force in relation to Wales for the relevant year under the Local Government Finance Act 1992 s 22B(2) (as added and amended) (see PARA 271 ante) or s 22B(3) (as added and

amended) (see PARA 271 ante), then the reference is to the valuation band shown as applicable to the dwelling in the list proposed to be compiled as the new list (the 'proposed list') by the listing officer and sent to the billing authority under s 22B(7) (as added) (see PARA 271 ante) or, where the listing officer supplies the authority with information relating to property shown in the proposed list (including information relating to the application to such property of the Council Tax (Chargeable Dwellings) Order 1992, SI 1992/549, art 3 (as amended) (see PARA 232 ante) or art 4 (see PARA 232 ante)), in information ('relevant information') to the extent that it differs from information contained in the proposed list: see the Council Tax (Demand Notices) (Wales) Regulations 1993, SI 1993/255, reg 2(2), (3) (as so added). 294. Consequence of omissions.

A council tax demand notice¹ in England and Wales² is invalid if it does not contain the matters prescribed by regulation³.

However, where the failure so to comply was due to a mistake⁴, and where the amounts required to be paid under the notice were duly demanded in accordance with the administration provisions⁵, the requirement to pay those amounts applies as if the notice were valid⁶. In such circumstances, the billing authority⁷ must, as soon as practicable after the mistake is discovered, issue to the liable ratepayer concerned a statement of the matters which were not contained in the notice and which should have been so contained⁸.

295. Service of demand notices.

The council tax demand notice¹ is to be served² on or as soon as practicable after the day³ the billing authority⁴ first sets an amount of council tax⁵ for the relevant year⁶ for the category⁷ of dwellings which includes the chargeable dwelling to which the notice relates⁸.

1 For the meaning of 'demand notice' see PARA 292 note 9 ante. As to council tax generally see PARA 227 et seq ante.

2 As to the service of notices generally see PARA 280 ante. The use of the words 'is to be' in the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 19 (as substituted) admitted of the construction that a breach of that statutory duty by a billing authority did not operate in all cases as a windfall to the person liable, but precluded a claim to payment and a duty to pay only when the breach had occasioned some procedural or substantive prejudice: see *Regentford Ltd v Thanet District Council* [2004] EWHC 246 (Admin), [2004] RA 113, (2004) Times, 4 March.

3 As to the day on or time at which a notice is issued see PARA 292 note 6 ante.

4 As to billing authorities see PARA 229 ante.

5 As to references under the Local Government Finance Act 1992 to an amount payable in respect of council tax see PARA 244 note 3 ante.

6 'Relevant year', in relation to a notice, means the financial year to which the notice relates: Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 17(1). For the meaning of 'financial year' under the Local Government Finance Act 1992 see PARA 231 note 1 ante.

7 For these purposes, 'category' is to be construed in accordance with the Local Government Finance Act 1992 s 30(4) (see PARA 260 ante); and where a demand notice was served before 1 April 1993, a dwelling was to be treated as included in the category in which, in the opinion of the billing authority, it would be included on 1 April 1993: Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 19(2) (reg 19 substituted by SI 1992/3008). For the meaning of 'dwelling' see PARA 232 ante.

8 Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 19(1) (as substituted: see note 7 supra).

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(5) ADMINISTRATION OF COUNCIL TAX/(iii) Demand Notices and Reminder Notices/296. Demand notices: payments required.

296. Demand notices: payments required.

If the council tax demand notice¹ is issued before or during the relevant year², the notice must require the making of payments on account of the following amount³:

- 622 (1) the billing authority's⁴ estimate of the chargeable amount⁵, made as respects the relevant year (or part, as the case may be) on the assumptions referred to in heads (a) to (g) below⁶; or
- 623 (2) where an amount falls to be credited⁷ by the billing authority against the chargeable amount, the amount (if any) by which the amount estimated as mentioned in head (1) above exceeds the amount falling to be so credited⁸.

The assumptions on which an estimate is made are:

- 624 (a) that the person will be liable to pay the council tax⁹ to which the notice relates on every day after the issue of the notice¹⁰;
- 625 (b) that, as regards the dwelling concerned, the relevant valuation band¹¹ on the day the notice is issued will remain the relevant valuation band for the dwelling as regards every day after the issue of the notice¹²;
- 626 (c) if on the day the notice is issued the person satisfies conditions prescribed for the purposes of allowing reduced amounts to be paid¹³ (and consequently the chargeable amount in his case is less than it would otherwise be), that he will continue to satisfy those conditions as regards every day after the issue of the notice¹⁴;
- 627 (d) if¹⁵ the dwelling to which the notice relates is assumed to be a chargeable dwelling¹⁶ on the day the notice is issued, that it will continue to be a chargeable dwelling as regards every day after the issue of the notice¹⁷;
- 628 (e) if¹⁸ the chargeable amount is assumed not to be subject to a discount on the day the notice is issued, that it will not be subject to a discount as regards any day after the issue of the notice¹⁹;
- 629 (f) if²⁰ the chargeable amount is assumed to be subject to a discount on the day the notice is issued, that it will continue to be subject to the same rate of discount as regards every day after the issue of the notice²¹; and
- 630 (g) if on the day the notice is issued a determination as to council tax benefit to which the person is entitled is in effect, and by virtue of regulations which prescribe the nature of such benefits²² the benefit allowed as regards that day takes the form of a reduction in the amount the person is liable to pay in respect of council tax for the relevant year, that as regards every day after that day he will be allowed the same reduction in that amount²³.

If the demand notice is issued during the relevant year and the liable person is not liable to pay an amount by way of council tax in respect of the day on which the notice is issued, the demand notice must require payment of²⁴:

- 631 (i) the chargeable amount for the period in the year up to the last day in respect of which he was so liable²⁵; or

- 632 (ii) where an amount falls to be credited by the billing authority against that chargeable amount, an amount equal to the amount (if any) by which that chargeable amount exceeds the amount falling to be so credited²⁶.

If the demand notice is issued after the end of the relevant year, it must require payment of²⁷:

- 633 (A) the chargeable amount²⁸; or
 634 (B) where an amount falls to be credited by the billing authority against the chargeable amount, an amount equal to the amount (if any) by which the chargeable amount exceeds the amount falling to be so credited²⁹.

No payment on account of the chargeable amount (whether interim, final or sole) need be made unless a notice served under the billing provisions³⁰ requires it³¹.

1 For the meaning of 'demand notice' see PARA 292 note 9 ante. As to council tax generally see PARA 227 et seq ante.

2 For the meaning of 'relevant year' for these purposes see PARA 295 note 6 ante. As to the service of notices generally see PARA 280 ante.

3 Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 20(1). The payments are generally to be paid by instalments: see note 8 infra.

4 As to billing authorities see PARA 229 ante.

5 As to references to the chargeable amount for these purposes see PARA 292 note 3 ante.

6 Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 20(2)(a). See also note 8 infra.

7 The provisions of *ibid* Pt V (regs 17-31) (as amended) (see PARAS 292 et seq ante, 297 et seq post) which provide for the repayment or crediting of any amount or the adjustment of payments due under a notice have effect subject to the Local Government Finance Act 1992 s 31(4) (see PARA 261 ante): Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 17(6).

8 *Ibid* reg 20(2)(b). Unless:

243 (1) an agreement under reg 21(5) in relation to the relevant year has been reached between the billing authority and the liable person before the demand notice is issued (reg 21(1)(a)); or

244 (2) the authority has resolved that a Part II scheme is to have effect for the relevant year as regards dwellings of a class which includes the dwelling in respect of which the chargeable amount falls to be paid (reg 21(1)(b)),

a notice to which reg 20(1) (see the text and notes 1-3 supra) applies must require the amount mentioned in reg 20(2) to be paid by instalments in accordance with reg 21, Sch 1 Pt I (as amended) (see PARA 300 post): reg 21(1). 'Part II scheme' means a scheme for the payment of the chargeable amount by instalments in accordance with a scheme complying with the requirements of Sch 1 Pt II (as amended) (see PARA 301 post): reg 17(1). For the meaning of 'dwelling' see PARA 232 ante. For the meaning of references to the liable person see PARA 292 note 3 ante.

A billing authority and a liable person may agree that the amount mentioned in reg 20(2) which is required to be paid under a notice to which reg 20(1) applies must be paid in such manner as is provided by the agreement: reg 21(5). Where a billing authority has resolved as mentioned in head (2) supra, a notice to which reg 20(1) applies must require the amount mentioned in reg 21(2) to be paid by instalments in accordance with the provisions of the authority's Part II scheme: reg 21(2). Where instalments are required to be paid in accordance with a Part II scheme or under Sch 1 Pt I (as amended), Sch 1 Pt III (as amended) (see PARAS 302-303 post) applies for their cessation or adjustment in the circumstances described in Sch 1 Pt III (as amended) (subject, in the case of payments in accordance with a Part II scheme, to provision included in the scheme pursuant to Sch 1 Pt II para 8(6) (see PARA 301 post)): reg 21(3). If an agreement under reg 21(5) in relation to the relevant year has been reached between the billing authority and the liable person before the demand notice is issued, a notice to which reg 20(1) applies must require the amount mentioned in reg 20(2) to be paid in accordance with that agreement: reg 21(4). Notwithstanding the provisions of reg 21(1)-(5), such an

agreement may be entered into either before or after the demand notice concerned is issued, and may make provision for the cessation or adjustment of payments, and for the making of fresh estimates, in the event of the estimate mentioned in reg 20(2) turning out to be wrong; and if it is entered into after the demand notice has been issued, it may make provision dealing with the treatment for the purposes of the agreement of any sums paid in accordance with Sch 1 Pt I (as amended) or a Part II scheme before it was entered into: reg 21(6). See also note 7 supra.

9 As to liability to council tax generally see PARA 231 et seq ante.

10 Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 20(3)(a). As to the day on or time at which a notice is issued see PARA 292 note 6 ante.

11 Any reference to the relevant valuation band in relation to a dwelling is a reference to the valuation band shown as applicable to the dwelling in the billing authority's valuation list: *ibid* reg 17(1A)(a) (reg 17(1A), (1B) added by SI 1993/196). As to valuation bands see PARA 244 ante; and as to valuation lists see PARA 268 et seq ante. If no such list is in force, the reference is to the valuation band shown as applicable to the dwelling:

245 (1) except in a case to which the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 17(1B) (as added) applies, in the copy of the proposed list supplied to the authority between 15 November 1992 and 1 December 1992 (ie under the Local Government Finance Act 1992 s 22(5)(b) (see PARA 269 ante)) (Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 17(1A)(b)(i) (as so added));

246 (2) in a case to which reg 17(1B) (as added) applies, in information which for the purposes of reg 17(1A) (as so added) is relevant information (reg 17(1A)(b)(ii) (as so added)).

The provisions of reg 17(1B) (as added) apply where the listing officer supplies the authority with information relating to property shown in the proposed list (including information relating to the application to such property of the Council Tax (Chargeable Dwellings) Order 1992, SI 1992/549, art 3 (as amended) (see PARA 232 ante) or art 4 (see PARA 232 ante)); and such information is relevant information for the purposes of the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 17(1A)(b)(ii) (as added) to the extent that it differs from information contained in the proposed list: reg 17(1B) (as so added). Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(5) ADMINISTRATION OF COUNCIL TAX/(iii) Demand Notices and Reminder Notices/297. Joint taxpayers' notice.

297. Joint taxpayers' notice.

An amount payable by way of council tax¹ is not payable by a person who is one of joint taxpayers² and on whom a council tax demand notice³ has not been served unless a notice ('joint taxpayers' notice') is served on him in accordance with the following provisions⁴. A joint taxpayers' notice may not be served on a person after the expiry of the period of six years beginning with the first day of the financial year⁵ to which the notice relates⁶. Where:

- 635 (1) a joint taxpayers' notice is served during the relevant year⁷; and
- 636 (2) the person on whom (as one of the joint taxpayers) a demand notice for that year was served (or, if more than one person was so served, each of them) is not on the day of issue of the notice⁸ one of the joint taxpayers⁹; and
- 637 (3) the unpaid balance of the estimated amount has not become due¹⁰,

the notice is to require the payment of the adjusted amount¹¹.

The amount required to be so paid is payable by instalments of such amounts, and at such intervals and on such days in each interval, as are specified in the notice; provided that the number of instalments is not less than the number of instalments payable under the agreement, the demand notice or any subsequent notice¹², as the case may be, as regards the period beginning on the day on which the joint taxpayers' notice is served and ending on the last day of the relevant year¹³.

A joint taxpayers' notice which is issued after the end of the relevant year, or after the unpaid balance of the estimated amount has become due¹⁴, must (as the billing authority determines) require payment of the amount concerned¹⁵:

- 638 (a) on the expiry of such period (being not less than 14 days) after the issue of the notice as is specified in it¹⁶; or
- 639 (b) by instalments of such amounts as are specified in the notice, payable at such intervals and on such day in each interval as is so specified¹⁷.

A billing authority and a person on whom a joint taxpayers' notice is served may agree that the amount required to be paid under the notice must be paid in such manner as is provided by the agreement¹⁸.

If the amount required to be paid under a joint taxpayers' notice is shown to be incorrect, the billing authority must serve a further notice on every person on whom the joint taxpayers' notice was served stating the revised sum required to be paid¹⁹. If the amount stated in the further notice so served is greater than the amount required to be paid under the joint taxpayers' notice, the further notice must also state the revised amount of each remaining instalment or, as the case may be, the period (being not less than 14 days) after the issue of that further notice within which the further sum payable is required to be paid²⁰. If the amount stated in the further notice so served is less than the amount required to be paid under the joint taxpayers' notice, any overpayment:

- 640 (i) must be repaid²¹ if the person on whom the joint taxpayers' notice was served so requires²²; or

641 (ii) in any other case must (as the billing authority determines) either be repaid or be credited against any subsequent liability of that person to make a payment in respect of council tax to the authority²³.

1 As to references under the Local Government Finance Act 1992 to an amount payable in respect of council tax see PARA 244 note 3 ante; and as to council tax see PARA 227 et seq ante.

4 Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 28(1) (reg 28 substituted, and reg 28A added, by SI 1992/3008). Accordingly, 'joint taxpayers' notice' means a notice served in accordance with the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 28 (as substituted): reg 17(1) (definition added by SI 1992/3008). As to the service of notices generally see PARA 280 ante.

7 Ibid reg 28(3)(a) (as substituted: see note 4 supra). For the meaning of 'relevant year' for these purposes see PARA 295 note 6 ante.

8 As to the day on or time at which a notice is issued see PARA 292 note 6 ante.

9 Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 28(3)(b) (as substituted: see note 4 supra).

10 Ibid reg 28(3)(c) (as substituted: see note 4 supra). The text refers to the unpaid balance that has not become due as mentioned in reg 23(3), (4) (as amended) (see PARA 298 post): see reg 28(3)(c) (as so substituted).

11 Ibid reg 28(3) (as substituted: see note 4 supra). For these purposes, 'adjusted amount' means an amount equal to the lesser of the billing authority's estimate of the chargeable amount made as respects the period to which the joint taxpayers' notice relates and the relevant sum: see reg 28(4) (reg 28(4) as so substituted; definition amended by SI 1994/505). The Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 20(3) (see PARA 296 ante) has effect for these purposes as it has effect in a case to which reg 27 (as substituted) (see PARA 292 ante) applies and as if references in reg 27(2)(b) (application with modifications of reg 20) to the demand notice were references to the joint taxpayers' notice: see reg 28(4) (as so substituted and amended). For these purposes, 'relevant sum' means an amount equal to the difference between:

249 (1) the amount estimated or last estimated as regards the dwelling concerned:

16. (a) for the purposes of an agreement under reg 21(5) (see PARA 296 ante) (reg 28(4)(a)(i) (as so substituted)); or
16

17. (b) under reg 20(2) (see PARA 296 ante) for the purposes of the demand notice or any subsequent notice given under reg 21, Sch 1 Pt III para 10 (as amended) (see PARA 303 post) (reg 28(4)(a)(ii) (as so substituted)); and

298. Reminder notices.

In circumstances where:

- 642 (1) a council tax demand notice¹ has been served by a billing authority² on a liable person³;
- 643 (2) instalments in respect of the council tax to which the notice relates are payable⁴; and
- 644 (3) any such instalment is not so paid⁵,

the billing authority must serve a notice ('reminder notice') on the liable person stating⁶:

- 645 (a) the amount which is the aggregate of the instalments which are due under the demand notice or any subsequent notice⁷ and which are unpaid and the instalments that will become due within the period of seven days beginning with the day on which the reminder notice is issued⁸;
- 646 (b) that the amount mentioned in head (a) above is required to be paid by him within the period there mentioned⁹;
- 647 (c) the liability that will be incurred by a failure to pay following the issue of a reminder notice¹⁰ and the amount that will become payable by him in the circumstances¹¹; and
- 648 (d) where the notice is the second such notice as regards the relevant year, the liability that will be incurred by a failure to pay subsequent instalments¹².

If, within the period of seven days beginning with the day on which a reminder notice is issued, the liable person fails to pay any instalments which are or will become due before the expiry of that period, the unpaid balance of the estimated amount (or, as the case may be, the chargeable amount¹³) becomes payable by him at the expiry of a further period of seven days beginning with the day of the failure¹⁴. If, after making a payment in accordance with a reminder notice which is the second such notice as regards the relevant year¹⁵, the liable person fails to pay any subsequent instalment as regards that year on or before the day on which it falls due, the unpaid balance of the estimated amount (or, as the case may be, the chargeable amount) becomes payable by him on the day following the day of the failure¹⁶.

- 650 (2) the payment or payments required to be made are found to be in excess of or less than his liability for the year or the part⁶; and
- 651 (3) provision for adjusting the amounts required under the notice and (as appropriate) for the making of additional payments or the repaying or crediting of any amount⁷ overpaid is not made by any other of the billing provisions, or by any other provision of the Local Government Finance Act 1992⁸ or by any other provision of any agreement⁹,

the billing authority must as soon as practicable after the expiry of the year or the part of a year serve a further notice on the person stating the amount of his liability for the year or the part, and adjusting (by reference to that amount) the amounts required to be paid under the notice referred to in head (1) above¹⁰. If the amount stated in the further notice is greater than the amount required to be paid under the notice referred to in head (1) above, the amount of the difference for which such other provision as is mentioned in head (3) above is not made is due from the person to the billing authority on the expiry of such period (being not less than 14 days) after the day of issue of the notice¹¹ as is specified in it¹². If there has been an overpayment, the amount overpaid for which such other provision as is mentioned in head (3) above is not made¹³: (a) must be repaid if the person so requires¹⁴; or (b) in any other case, must (as the billing authority determines) either be repaid or be credited against any subsequent liability of the person to make a payment in respect of any council tax of the authority¹⁵.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(5) ADMINISTRATION OF COUNCIL TAX/(iv) Payment/300. Payment of the aggregate amount: monthly instalments.

(iv) Payment

300. Payment of the aggregate amount: monthly instalments.

Where the council tax demand notice¹ is issued on or before 31 December² in the relevant year³, the aggregate amount⁴ is payable in monthly instalments⁵. The number of such instalments⁶:

- 652 (1) where the notice is issued before the beginning of the relevant year or at any time in the period beginning on the first day of that year and ending on 30 April of that year, must be ten⁷;
- 653 (2) where the notice is issued on or after 1 May in the relevant year, must be one less than the number of whole months remaining in the relevant year after the issue of the notice⁸.

The months in which the instalments are payable must be uninterrupted, but subject to that are to be such months in the relevant year as are specified in the notice; and the instalments are to be payable on such day in each month as is so specified⁹. If the aggregate amount divided by the number of instalments gives an amount which is a multiple of a pound, the instalments must be of that amount¹⁰. If the aggregate amount so divided would not give such an amount, all but the first instalment must be of an amount equal to A and the first instalment must be of an amount equal to B, where A is equal to C divided by D, rounded up or down (as the case may be) to the nearest pound; and B is equal to:

$$C - ((D - 1) \times A)$$

where C is equal to the aggregate amount; and D is equal to the number of instalments to be paid¹¹. If the calculation of instalments in accordance with these formulae would produce an amount for an instalment of less than £5, the demand notice may require that the amount which¹² would be the second instalment must be added to the amount which¹³ would be the first instalment, and the number of instalments must be reduced by one¹⁴.

If amounts so calculated would produce an amount for an instalment of less than £5¹⁵, the demand notice may require the aggregate amount to be paid¹⁶:

- 654 (a) where the aggregate amount is less than £10, in a single instalment payable on such day as is specified in the notice¹⁷; or
- 655 (b) where the aggregate amount is equal to or greater than £10, by a number of monthly instalments equal to the greatest whole number by which £5 can be multiplied to give a product which is less than or equal to the aggregate amount¹⁸.

Where the demand notice is issued between 1 January and 31 March in the relevant year, the aggregate amount is to be payable in a single instalment on such day as is specified in the notice¹⁹. The demand notice must be issued at least 14 days before the day on which the first instalment is due under it²⁰.

301. Payment of the aggregate amount: authorities' instalment schemes.

Where the council tax demand notice¹ is issued before or during the relevant year², a scheme made by a billing authority³ for the payment by instalments of the aggregate amount⁴ must be expressed to have effect for all financial years⁵ commencing with the financial year for which it first has effect unless varied or revoked⁶. The scheme must provide:

- 656 (1) that no variation may affect the operation of the scheme as regards a particular financial year unless the variation is made before the day on which the authority first sets an amount for the year⁷; and
- 657 (2) that it may not be revoked later than 31 December immediately preceding the financial year from which it is desired that it should cease to have effect⁸.

The scheme must provide for its application as regards chargeable dwellings⁹ in the authority's area in respect of which the aggregate amount as regards the dwelling and the relevant year falls or, in the opinion of the authority, will fall to be paid by a person by whom an amount by way of rent for that dwelling for periods in that year is or, in the opinion of the authority, will be payable to the authority¹⁰. The scheme may provide for its continued application, as regards any period in the relevant year in respect of which rent is not so payable where such period follows a period in respect of which rent is so payable¹¹. The scheme must provide:

- 658 (a) for the aggregate amount to be payable in instalments¹²;
- 659 (b) subject to head (c) below, for the number of instalments to be not less than ten nor more than 52¹³;
- 660 (c) for the first instalment to be required to be paid no earlier than 14 days after the day on which the demand notice was issued and for the last instalment to be required to be paid before the end of the relevant year but, subject to that, for instalments to be payable on such day in each interval as is specified in the scheme¹⁴;
- 661 (d) for the determination of the amount of any instalment where the aggregate amount divided by the number of instalments does not give an amount which is a multiple of ten pence¹⁵.

302. Cessation of instalments.

Where the council tax demand notice¹ has been served on a liable person² by a billing authority³ and after its issue the person ceases to be the liable person in respect of the chargeable dwelling⁴ and the period to which the notice relates⁵, no payments of instalments falling due after the relevant day⁶ are payable under the notice⁷.

The billing authority must on the relevant day or as soon as practicable after that day serve a notice on the liable person stating the amount of his liability in respect of the council tax to which the demand notice relates as it has effect for the period in the relevant year⁸ up to the day on which he ceased to be so liable⁹. If the amount so stated is less than the aggregate amount of any instalments which have fallen due on or before the relevant day, the difference must go in the first instance to discharge any liability to pay the instalments (to the extent that they remain unpaid)¹⁰; and any residual overpayment must be repaid¹¹ if the liable person so requires¹²; or, in any other case, any residual overpayment must (as the billing authority determines) either be repaid or be credited against any subsequent liability of the person to make a payment in respect of any council tax of the authority¹³. However, if the amount so stated is greater than the aggregate amount of any instalments which have fallen due on or before the relevant day, the difference between the two is due from the liable person to the billing authority on the expiry of such period (being not less than 14 days) after the day of issue of the notice so served¹⁴ as is specified in it¹⁵.

If, after the issue of a demand notice, a person ceases to be the liable person in respect of the chargeable dwelling and the period to which the notice relates¹⁶ and if, after the person ceases to be liable to pay an amount in respect of council tax for the relevant year, he again becomes liable to make such a payment, a further notice must be served on the liable person requiring payments in respect of the council tax as it has effect for the period in the year after he becomes so liable¹⁷.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(5) ADMINISTRATION OF COUNCIL TAX/(iv) Payment/303. Adjustment of instalments.

303. Adjustment of instalments.

Where the council demand notice¹ has been served on a liable person² by a billing authority³, and after its issue the person continues to be the liable person in respect of the chargeable dwelling⁴ and the period to which the notice relates⁵, but it comes to the attention of the authority that one or more of the following events has occurred⁶:

- 662 (1) the notice was so served by reference to an amount set by the billing authority for the relevant year⁷ and after the issue of the notice the authority sets a different amount in substitution for that amount⁸;
- 663 (2) the notice was so served on the assumption that, as regards any day in the period to which the notice relates, the dwelling concerned would be or was a chargeable dwelling and the dwelling was not or has ceased to be a chargeable dwelling as regards any day in that period⁹;
- 664 (3) the notice was so served on the assumption that, as regards any day in the period to which the notice relates, the dwelling concerned would be or was in a particular valuation band and the dwelling was not or has ceased to be in that band as regards any day in that period¹⁰;
- 665 (4) the notice was so served on the assumption that, as regards any day in the period to which the notice relates, the person would be or was entitled to a discount and he was not or has ceased to be so entitled or was or is entitled to a discount of a smaller amount than had been assumed¹¹;
- 666 (5) the notice was so served on the assumption that, as regards any day in the period to which the notice relates, the person was not or would not be entitled to a discount and he was or is so entitled¹²;
- 667 (6) the notice was so served on the assumption that, as regards any day in the period to which the notice relates, the person was or would be liable to pay an amount in respect of council tax and, by virtue of regulations under the Local Government Finance Act 1992¹³, he was or is liable to pay a greater or lesser amount than the amount stated in the notice¹⁴;
- 668 (7) the notice was so served on the assumption that, as regards any day in the period to which the notice relates, the person was or would be entitled to a reduction in the amount he is liable to pay in respect of council tax under regulations made under the Social Security Administration Act 1992¹⁵, and he was or is allowed a larger or smaller reduction than had been so assumed¹⁶;
- 669 (8) the notice was so served on the assumption that, as regards any day in the period to which the notice relates, the person was not or would not be entitled to such a reduction as is mentioned in head (7) above, and he was or is so entitled¹⁷,

the billing authority must on or as soon as practicable after the relevant day¹⁸:

- 670 (a) adjust the instalments (if any) payable on or after the adjustment day¹⁹ (the 'remaining instalments') in accordance with the amounts and aggregate amount specified for the remaining instalments²⁰; and
- 671 (b) serve a notice on the liable person which is to state: (i) the amount of the revised estimate²¹; and (ii) the amount of any remaining instalments²².

If the revised estimate referred to in head (b)(i) above exceeds the aggregate amount of the instalments payable under the demand notice before the adjustment day, but no instalments are payable under it on or after that day, the amount of the excess is due from the liable person to the billing authority in a single instalment on the expiry of such period (being not less than 14 days) after the day of issue of the notice so served as is specified in it²³; and if in any case the revised estimate is less than the aggregate amount of the instalments payable before the adjustment day, any overpayment²⁴:

672 (A) must be repaid²⁵ if the liable person so requires²⁶; or

673 (B) in any other case, must (as the billing authority determines) either be repaid or be credited against any subsequent liability of the person to make a payment in respect of any council tax of the authority²⁷.

More than one adjustment of amounts paid or payable under a demand notice may be so made as the circumstances require²⁸.

18 Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, Sch 1 para 10(2). For these purposes, 'relevant day' means the day with respect to which the assumption mentioned in Sch 1 para 10(1) (as amended) (see the text and notes 1-6 supra) is wrong or the day the amount set in substitution (see head (1) in the text) is so set: Sch 1 para 10(8).

19 For these purposes, 'adjustment day' means the day 14 days after the day the notice served under ibid Sch 1 para 10(2) is issued: Sch 1 para 10(8).

20 Ibid Sch 1 para 10(2)(a). The text refers to the amounts mentioned in Sch 1 para 10(4) (as amended): see Sch 1 para 10(2)(a). Accordingly, subject to Sch 1 para 10(6A) (as added), the aggregate amount of the remaining instalments payable must be equal to the amount by which the revised estimate mentioned in Sch 1 para 10(3) (see note 21 infra) exceeds the aggregate amount of the instalments payable under the demand notice before the adjustment day; and, where instalments are payable in accordance with Sch 1 Pt I (paras 1-5) (as amended) (see PARA 300 ante), the amount of each remaining instalment (if there are more than one) must be calculated in accordance with Sch 1 Pt I (as amended), as if references in Sch 1 Pt I (as amended) to the aggregate amount and to instalments were references to the aggregate amount of the remaining instalments and to the remaining instalments respectively: Sch 1 para 10(4) (amended by SI 1995/22). For the purposes of the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, Sch 1 para 10(4) (as amended), the aggregate amount of the remaining instalments payable must be reduced by the amount of any payment to the authority on or after the relevant day and before the adjustment day with respect to an instalment, or part of an instalment, which is payable on or after the adjustment day: Sch 1 para 10(6A) (added by SI 1995/22).

In calculating the aggregate amount of instalments payable under a demand notice before the adjustment day for the purposes of the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, Sch 1 para 10(4), or for the purposes of Sch 1 para 10(5) in consequence of the making of a revised estimate under Sch 1 para 10(3) (see the text and notes 23-27 infra):

- 251 (1) there must count as so payable any amount in respect of such instalments which has been treated as paid to the authority under the Local Government Finance Act 1992 s 31(3) (see PARA 261 ante) or has been credited under s 31(4) (see PARA 261 ante) or (on the occasion of the making of a previous revised estimate under the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, Sch 1 para 10(3)) under Sch 1 para 10(5) (Sch 1 para 10(6)(a));
- 252 (2) there must count as so payable any amount paid to the authority before the relevant day with respect to an instalment, or part of an instalment, which is payable on or after the adjustment day (Sch 1 para 10(6)(aa) (added by SI 1995/22)); and
- 253 (3) there must not count as so payable any amount in respect of such instalments which has been repaid under the Local Government Finance Act 1992 s 31 (as amended) (see PARA 261 ante) or under the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, Sch 1 para 10(5) (Sch 1 para 10(6)(b)).

Where a notice has been given under Sch 1 para 10(2), in the operation of Sch 1 para 10 (as amended) as respects any further notice that may fall to be given under it, references in Sch 1 para 10 (as amended) to the demand notice and to amounts in respect of instalments payable under it must be construed (so far as the context permits) as references to the demand notice, and amounts in respect of instalments payable under the notice, as from time to time previously adjusted under Sch 1 para 10 (as amended): Sch 1 para 10(7).

21 Ibid Sch 1 para 10(2)(b)(i). For these purposes, the revised estimate is the revised estimate of the billing authority of the amount that the person is liable to pay in respect of council tax for the relevant year made on the assumptions mentioned in reg 20(3) (see PARA 296 ante) and as if the notice mentioned in reg 20(3) were the notice referred to in Sch 1 para 10(2): Sch 1 para 10(3). See note 20 supra.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(5) ADMINISTRATION OF COUNCIL TAX/(iv) Payment/304. Payments: adjustments.

304. Payments: adjustments.

If the chargeable amount in respect of council tax¹ proves to be greater than the estimated amount², an additional sum equal to the difference between the two is, on the service by the billing authority³ on the liable person⁴ of a notice stating the chargeable amount, due from him to the authority on the expiry of such period (being not less than 14 days) after the day of issue of the notice as is specified in it⁵.

If the chargeable amount proves to be less than the estimated amount, the billing authority must notify the liable person in writing of the chargeable amount; and any overpayment of the chargeable amount: (1) must be repaid if the liable person so requires⁶; or (2) in any other case, must (as the billing authority determines) either be repaid or be credited against any subsequent liability of the liable person to make a payment in respect of any council tax⁷ of the authority⁸.

If any assumption by reference to which the estimated amount was calculated is shown to be false before the chargeable amount is capable of final determination⁹, the billing authority may, and if so required by the liable person must, make a calculation of the appropriate amount with a view to adjusting the liable person's liability in respect of the estimated amount and (as appropriate) to¹⁰:

- 674 (a) requiring an interim payment from the liable person if the appropriate amount is greater than the estimated amount¹¹; or
- 675 (b) making an interim repayment to the liable person if the appropriate amount is less than the amount of the estimated amount paid¹².

On calculating the appropriate amount the billing authority must notify the liable person in writing of it; and a payment required under head (a) above is due from the liable person to the billing authority on the expiry of such period (being not less than 14 days) after the day of issue of the notice as is specified in it¹³.

If the chargeable amount or the appropriate amount is less than the estimated amount in consequence of the liable person ceasing during the relevant year to be liable to make the payment to which the estimated amount relates, and he becomes liable, in respect of a different chargeable dwelling, to make a payment to the same billing authority by way of council tax in respect of the same day as that on which he so ceases, the billing authority may require that the amount of any overpayment¹⁴ or any difference mentioned in head (b) above must, instead of being repaid, be credited against his liability in respect of the different dwelling¹⁵.

1 As to references to the chargeable amount for these purposes see PARA 292 note 3 ante. As to council tax generally see PARA 227 et seq ante.

2 For these purposes, 'estimated amount' means the amount last estimated under the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 20(2) (see PARA 296 ante) for the purposes of a demand notice or any subsequent notice given under reg 21, Sch 1 para 10 (as amended) (see PARA 303 ante) prior to the failure mentioned in reg 23(3) (as amended) (see PARA 298 ante), save that if in any case an interim adjustment has been made under reg 24(3) (see the text and notes 9-12 infra), it means in relation to the next payment, repayment or interim adjustment in that case under reg 24 (if any) the appropriate amount by reference to which the previous interim adjustment was so made: reg 24(7). For the

meaning of 'demand notice' see PARA 292 note 9 ante. As to the repayment or crediting of any amount or the adjustment of payments due under a notice see PARA 296 note 7 ante. See *R (on the Application of Daniels) v Barnet London Borough Council* [2007] EWHC 1885 (Admin), [2007] RVR 300, [2007] All ER (D) 236 (May) (billing authority has power to correct retrospectively the rate of discount allowed in any demand if information provided by the person liable to pay council tax was incorrect). For the purposes of the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 24(3), the 'appropriate amount' is the amount which would be required to be paid under a demand notice if such a notice were issued with respect to the relevant year on the day that the notice under reg 24(5) (see the text and note 13 infra) is issued; and more than one calculation of the appropriate amount and interim adjustment may be made under reg 24(3) according to the circumstances: see reg 24(4), (7). Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3.
COUNCIL TAX/(5) ADMINISTRATION OF COUNCIL TAX/(iv) Payment/305. Lump sum payments.

305. Lump sum payments.

A billing authority¹ may, subject to the conditions set out in heads (1) and (2) below, accept an amount payable in respect of council tax² in a single lump sum in such cases as it may determine and in satisfaction of any liability of a liable person³ under a demand notice⁴ to pay the estimated amount⁵, being a lump sum which is of an amount determined by the authority and less than the estimated amount⁶. The conditions are that:

676 (1) such determinations as to the cases where a lump sum will be accepted and as to the amount of the sum in those cases must be made by the authority on or before the day on which it first sets an amount for the relevant year⁷;

677 (2) under those determinations persons liable to pay the same number of instalments in the relevant year must be treated alike, and so that in particular the proportion that the amount of the single lump sum to be accepted in relation to a person bears to the estimated amount payable by him must be the same as that applicable to all other persons liable to pay the same number of instalments in the relevant year⁸; and

678 (3) for a lump sum to be accepted under those determinations as they have effect in any case:

49

76. (a) at least two instalments must fall to be paid under the demand notice concerned⁹; and

77. (b) the single lump sum payment must be made on or before the day on which the first instalment falls due under the notice¹⁰.

50

Such a determination may be revoked at any time, and if revoked may (but only on or before the day mentioned in head (1) above) be replaced by a fresh determination¹¹.

If the chargeable amount in respect of council tax¹² proves to be greater than the estimated amount, an additional sum equal to the difference between the two, proportionately reduced¹³, is, on the service by the billing authority on the liable person of a notice stating the chargeable amount, due from him to the authority on the expiry of such period (being not less than 14 days) after the day of issue of the notice as is specified in it¹⁴. If the chargeable amount proves to be less than the estimated amount, the billing authority must notify the liable person in writing of the chargeable amount; and any overpayment of the chargeable amount¹⁵ must be repaid if the liable person so requires¹⁶ or, in any other case, must (as the billing authority determines) either be repaid or be credited against any subsequent liability of the liable person to make a payment in respect of any council tax of the authority¹⁷.

If any assumption by reference to which the estimated amount was calculated is shown to be false before the chargeable amount is capable of final determination¹⁸, the billing authority may (and, if so required by the liable person, must) make a calculation of the appropriate amount with a view to adjusting the liable person's liability in respect of the estimated amount and (as appropriate) to¹⁹:

679 (i) requiring an interim payment from the liable person²⁰ if the appropriate amount is greater than the estimated amount²¹; or

- 680 (ii) making an interim repayment to the liable person²² if the appropriate amount is less than the amount of the estimated amount paid²³.

On calculating the appropriate amount the billing authority must notify the liable person in writing of it; and a payment required under head (i) above is due from the liable person to the billing authority on the expiry of such period (being not less than 14 days) after the day of issue of the notice as is specified in it²⁴.

The proportion by reference to which a payment or repayment (or sum to be credited)²⁵ is to be reduced is to be the proportion determined under head (2) above in respect of the lump sum concerned in that case; but in determining whether there has been an overpayment of the chargeable amount or appropriate amount (and the amount of any sum to be repaid or credited before reduction) one payment of the lump sum must be treated as a payment of the estimated amount in full, and any other proportionately reduced payment or repayment already made must be treated as not having been so reduced²⁶.

As to the repayment or crediting of any amount or the adjustment of payments due under a notice see PARA 296 note 7 ante. COUNCIL TAX/(5) ADMINISTRATION OF COUNCIL TAX/(iv) Payment/306. Non-cash payments.

306. Non-cash payments.

A billing authority¹ may, subject to the conditions set out in heads (1) and (2) below, accept an amount (the 'discounted amount') in such cases as it may determine and in satisfaction of any liability of a person to pay to it any instalment or other payment due under a notice given under the billing provisions², being an amount determined by the authority and less than the amount of the instalment or other payment due³. The conditions are that:

- 681 (1) the discounted amount is paid to the authority otherwise than by either bank notes⁴ or coin⁵; and
- 682 (2) the determinations as to the cases where a discounted amount will be accepted and as to the proportion that the amount is to bear to the amount of the instalment or other payment due in those cases must be made by the authority on or before the day on which it first sets an amount for the relevant year⁶.

Such a determination may be revoked at any time, and if revoked may (but only on or before the day mentioned in head (2) above) be replaced by a fresh determination⁷.

For the purpose of determining whether an adjustment of any amount paid (whether by way of repayment⁸, crediting or otherwise) falls to be made under the billing provisions⁹ where a discounted amount has been accepted, the instalment or other payment by reference to which the discounted amount was accepted must be treated as having been paid in full; but any amount to be repaid or credited against any subsequent liability in any case must, in so far as it is attributable to such an instalment or other payment, be reduced in accordance with the proportion determined under head (2) above in respect of that case¹⁰.

307. Outstanding liabilities on death.

Where a person dies and at any time before his death:

- 683 (1) he was (or is alleged to have been) liable to pay council tax¹ under the Local Government Finance Act 1992²; or
- 684 (2) he was (or is alleged to have been) so liable, as spouse or civil partner³; or
- 685 (3) a penalty was imposed on him⁴;

and where:

- 686 (a) before the deceased's death a sum has become payable by him under the billing provisions⁵ or by way of relevant costs⁶ in respect of one of the matters mentioned in heads (1) to (3) above but has not been paid⁷; or
- 687 (b) after the deceased's death a sum would, but for his death (and whether or not on the service of a notice), become payable by him under the billing provisions⁸ in respect of one of those matters⁹,

his executor or administrator is, and to the extent that it is not in excess of the deceased's liability under the Local Government Finance Act 1992 (including relevant costs payable by him) in respect of the matter, liable to pay the sum and may deduct out of the assets and effects of the deceased any payments made (or to be made)¹⁰.

Where before the deceased's death a sum in excess of his liability under the Local Government Finance Act 1992 (including relevant costs payable by him) in respect of one of the matters mentioned in heads (1) to (3) above has been paid (whether the excess arises because of his death or otherwise) and has not been repaid or credited under the billing provisions¹¹, his executor or administrator is entitled to the sum¹².

In so far as is relevant to his liability in the administration of the deceased's estate, the executor or administrator may institute, continue or withdraw proceedings (whether by way of appeal under the Local Government Finance Act 1992¹³ or otherwise)¹⁴.

(6) PENALTIES

308. Imposition of penalties.

Where a person is requested by a billing authority¹ to supply information² under any provision included in certain regulations made for the purposes of administering the council tax³, the authority may impose a penalty of £50 on him⁴:

- 688 (1) if he fails to supply the information in accordance with the provision⁵; or
- 689 (2) if, in purported compliance with the provision, he knowingly supplies information which is inaccurate in a material particular⁶.

Where a penalty has been so imposed on a person and he is requested by the authority again to supply the same information under the same provision, the authority may impose a further penalty of £200 on him⁷:

- 690 (a) if he fails to supply the information in accordance with the provision⁸; or
- 691 (b) if, in purported compliance with the provision, he knowingly supplies information which is inaccurate in a material particular⁹.

The power to impose further penalties applies each time the authority repeats a request¹⁰.

In any case where a person is required by any provision included in certain regulations made for the purposes of administering the council tax¹¹ to notify a billing authority¹², and he fails without reasonable excuse to notify the authority in accordance with the provision¹³, the authority may impose a penalty of £50 on him¹⁴.

Any such penalty¹⁵ must be paid to the authority imposing it¹⁶; and an authority may quash any such penalty imposed by it¹⁷. A person may appeal to a valuation tribunal¹⁸ if he is aggrieved by the imposition on him of such a penalty¹⁹. Where a penalty is so imposed on a person, and he alleges that there is no power in the case concerned to impose a penalty of the amount imposed, he may appeal against the imposition²⁰. Where a person is convicted of an offence, the conduct by reason of which he is convicted does not also allow a penalty to be so imposed²¹.

The Secretary of State (or the Welsh Ministers, as the case may be)²² may make regulations containing provision as to the collection of amounts so payable as penalties²³. The regulations may include:

- 692 (i) provision for the collection of such amounts (including provision about instalments and notices) which is equivalent to that made in other regulations²⁴ for the collection of amounts persons are liable to pay in respect of council tax subject to any modifications the Secretary of State (or the Welsh Ministers, as the case may be) thinks fit²⁵;
- 693 (ii) provision that, where the imposition of a penalty is subject to an appeal²⁶, no amount is to be payable in respect of the penalty while the appeal is outstanding²⁷;
- 694 (iii) rules for ascertaining whether an imposition is subject to an appeal, and whether an appeal is outstanding; and the regulations may treat an appeal as

- outstanding unless it is finally disposed of or abandoned or fails for non-prosecution²⁸;
- 695 (iv) provisions dealing with any case where such a penalty is quashed or revoked, and may in particular provide for the repayment of an amount or the allowance of an amount by way of deduction against a sum due²⁹.

If it appears to the Treasury³⁰ that there has been a change in the value of money since the passing of the Local Government Finance Act 1992³¹ or (as the case may be) the last occasion when the power to vary penalties³² was exercised, it may by order substitute for any sum for the time being specified such other sum as appears to it to be justified by the change³³. Such an order must not apply in relation to any failure which began or anything done before the date on which the order comes into force³⁴.

308 Imposition of penalties

TEXT AND NOTES 4, 14--Respective penalties both now £70: Local Government Finance Act 1992 Sch 3 para 1(1), (2) (amended by SI 2008/981).

TEXT AND NOTE 7--Penalty now £280: Local Government Finance Act 1992 Sch 3 para 1(3) (amended by SI 2008/981).

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(6) PENALTIES/309. Collection of penalties.

309. Collection of penalties.

Where a penalty is payable by a person to a billing authority¹ it may be collected, as the authority to which it is payable determines², either:

- 696 (1) by treating the penalty³ as if it were part of the amount that the person is or will be liable to pay in respect of council tax⁴ as regards any demand notice⁵ after the penalty is imposed⁶; or
- 697 (2) by the service by the authority on the person of a notice requiring payment of the penalty on the expiry of such period (being not less than 14 days) after the issue of the notice⁷ as is specified in it⁸.

Where the imposition of a penalty is subject to an appeal or arbitration, no amount is payable in respect of the penalty while the appeal or arbitration is outstanding⁹. The imposition of a penalty is to be treated¹⁰ as subject to an appeal or arbitration until such time as the matter is finally disposed of¹¹ or is abandoned or fails for non-prosecution; and the circumstances in which an appeal is to be treated as failing for non-prosecution include the expiry of any time prescribed¹² in consequence of which any such appeal would be required to be dismissed by a valuation tribunal¹³. A demand notice making provision for the recovery of a penalty which is subject to appeal or arbitration may not be issued under head (1) above during the period that the appeal or arbitration concerned is outstanding; and where a penalty becomes subject to appeal or arbitration after the issue of a demand notice which makes such provision, such proportion of the instalments due under it as are attributable to the penalty must not fall due until the appeal or arbitration is finally disposed of, abandoned or fails for non-prosecution¹⁴.

Where an amount has been paid by a person in respect of a penalty which is quashed by the authority¹⁵ or pursuant to the order of a valuation tribunal or the High Court¹⁶, the billing authority which imposed the penalty may allow the amount to him by way of deduction against any other sum which has become due from him under the billing provisions¹⁷ (whether in respect of another penalty or otherwise); and any balance must be repaid¹⁸ to him¹⁹.

The Secretary of State (or the Welsh Ministers, as the case may be) may also make regulations in relation to the recovery of any sum which has become payable (by way of repayment) to a person other than a billing authority⁶ and has not been paid⁷.

Regulations for the recovery of sums payable⁸ may apply any provision contained in or made under a relevant enactment⁹, or may apply any such provision subject to prescribed¹⁰ modifications, or may contain provision equivalent to any such provision (whether or not subject to prescribed modifications)¹¹.

COUNCIL TAX/(7) RECOVERY OF COUNCIL TAX/(i) In general/312. Joint and several liability.

312. Joint and several liability.

A final notice served¹ on every person against whom the application for a liability order² is to be made may be addressed to two or more joint taxpayers³ in joint names⁴. A liability order may be made against one or more joint taxpayers in respect of an amount for which they are jointly and severally liable⁵. Where a liability order has been made against two or more joint taxpayers⁶:

- 698 (1) an attachment of allowances order⁷ or an attachment of earnings order⁸ may be made against one of them, or different such orders may be made against more than one⁹;
- 699 (2) a distress may be made against one or more of them¹⁰;
- 700 (3) a charging order¹¹ may be made against one of them, or against more than one jointly, or different such orders may be made against more than one of them (as the circumstances require)¹²; and
- 701 (4) deductions may be made under the Income Support Regulations¹³ from any amount payable to one or more of them by way of income support¹⁴.

Where a liability order has been made against two or more joint taxpayers in respect of an amount, steps by way of any method specified in heads (1) to (4) above¹⁵:

- 702 (a) may not be taken under it in respect of one of them while steps by way of that or another of those methods are being taken under it in respect of another of them¹⁶; and
- 703 (b) may be taken under it in respect of one of them notwithstanding that no steps by way of that or another of those methods have been taken under it in respect of another of them¹⁷.

Where a liability order has been made against two or more joint taxpayers and an amount is payable to one of them by way of income support¹⁸, and:

- 704 (i) deductions are being made under the Income Support Regulations from any such amount¹⁹; or
- 705 (ii) an application under the Income Support Regulations²⁰ has been made in respect of him to the Secretary of State (or to the Welsh Ministers, as the case may be)²¹ and remains undetermined²²,

no steps, or no further steps, by way of attachment of allowances or earnings, distress, commitment, bankruptcy or charging may be taken, under that or any other liability order, against him or any other of those joint taxpayers who is a member of his family²³.

Where a distress has been made against two or more joint taxpayers in respect of an amount, a warrant of commitment may²⁴ be applied for at any time against one of them or different warrants may be applied for against more than one of them²⁵. However, no such application may be made in respect of any of them who has not attained the age of 18 years²⁶; and where a liability order has been made against two or more joint taxpayers in respect of an amount, a warrant of commitment may not be applied for unless²⁷:

- 706 (A) distress has been made against all of them²⁸; and
 707 (B) the person making the distress reports to the authority that, in relation to each of them, he was unable (for whatever reason) to find any or sufficient goods²⁹.

Where a liability order has been made against two or more joint taxpayers in respect of an amount, and a warrant of commitment is issued against one of them or a term of imprisonment is fixed in the case of one of them³⁰, no steps, or no further steps, may be taken against any of them by way of attachment of allowances or earnings, distress, bankruptcy or charging in relation to the relevant amount in respect of which a warrant of commitment may be made³¹.

Where a liability order has been made against persons who are joint taxpayers, and a warrant of commitment is issued against one of them or a term of imprisonment is fixed in the case of one of them³², no steps, or further steps, may be taken under the Income Support Regulations in respect of any of them in relation to the relevant amount in respect of which a warrant of commitment may be made³³.

Where a liability order has been made against two or more joint taxpayers in respect of an amount and in making distress against one of them goods jointly owned by both or all of them are found, distress may be levied against those goods with respect to that amount; but in any subsequent proceedings³⁴, charges arising³⁵ from such a distress must be treated as charges relating to the person against whose goods the levy was intended to be made when the joint goods were found, and not as charges relating to the other or others³⁶.

(ii) Liability Orders

313. Provision for liability orders.

Regulations made under the provisions that govern the recovery of sums which have become payable in respect of the council tax but have not been paid¹ may provide that²:

- 708 (1) the authority concerned may apply to a magistrates' court for an order (a 'liability order') against the person by whom the sum is payable³;
- 709 (2) the magistrates' court must make the order if it is satisfied that the sum has become payable by the person concerned and has not been paid⁴.

The regulations may include provision:

- 710 (a) that the order must be made in respect of an amount equal to the aggregate of: (i) the sum payable⁵; and (ii) a sum (of a prescribed⁶ amount or an amount determined in accordance with prescribed rules) in respect of the costs incurred in obtaining the order⁷;
- 711 (b) that, where the sum payable is paid after the order has been applied for but before it is made, the magistrates' court must nonetheless make the order in respect of a sum (of a prescribed amount or an amount determined in accordance with prescribed rules) in respect of the costs incurred in applying for it⁸;
- 712 (c) prescribing steps to be taken before an application may be made⁹;
- 713 (d) that no application may be made after a prescribed period has expired¹⁰;
- 714 (e) prescribing the procedure to be followed for the initiation of an application (which may include provision as to form)¹¹;
- 715 (f) prescribing the procedure to be followed in dealing with an application¹²;
- 716 (g) prescribing the form and contents of an order¹³.

Separate provision is made as to the circumstances in which, a liability order having been made, it may be quashed¹⁴.

314. Preliminary steps in the application for a liability order.

Before a billing authority¹ applies for a liability order² it must serve on the person against whom the application is to be made a notice³ (a 'final notice') which is to state every amount in respect of which the authority is to make the application⁴. A final notice may be served in respect of an amount at any time after it has become due⁵.

1 As to billing authorities see PARA 229 ante.

2 For the meaning of 'liability order' see PARA 312 note 2 ante.

3 As to the service or giving of notices generally see PARA 280 ante.

4 Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 33(1) (amended by SI 1994/505). However, nothing in the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 33(1) (as amended) requires the service of a final notice in the circumstances mentioned in reg 23(3) (as amended) (see PARA 298 ante) (including reg 23(3) (as amended) as applied as mentioned in reg 28A(2) (as added) (see PARA 297 ante)): reg 33(3) (substituted by SI 1994/505).

The Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, regs 33-53 (as amended) (see also PARA 315 et seq post) apply for the recovery of a sum which has become payable to a billing authority under Pt V (regs 17-31) (as amended) (see PARA 292 et seq ante) and which has not been paid; but their application in relation to a sum for which persons are jointly and severally liable under Pt V (as amended) is subject to the provisions of reg 54 (as amended) (see PARA 312 ante): reg 32(3). For these purposes, references to a sum which has become payable and which has not been paid include references to a sum forming part of a larger sum which has become payable and the other part of which has been paid: reg 32(4).

5 Ibid reg 33(2). See note 4 supra.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(7) RECOVERY OF COUNCIL TAX/(ii) Liability Orders/315. Application for liability order.

315. Application for liability order.

If an amount which has fallen due¹ is wholly or partly unpaid², or (in a case where a final notice is required³) the amount stated in the final notice is wholly or partly unpaid at the expiry of the period of seven days beginning with the day on which the notice was issued⁴, the billing authority⁵ may apply to a magistrates' court for an order (a 'liability order') against the person by whom it is payable⁶. The application is to be instituted by making complaint to a justice of the peace⁷, and requesting the issue of a summons directed to that person to appear before the court to show why he has not paid the sum which is outstanding⁸. If, after a summons has been so issued but before the application is heard, there is paid or tendered to the authority an amount equal to the aggregate of⁹:

- 717 (1) the sum specified in the summons as the sum outstanding or so much of it as remains outstanding (as the case may be)¹⁰; and
- 718 (2) a sum of an amount equal to the costs reasonably incurred by the authority in connection with the application up to the time of the payment or tender¹¹,

the authority must accept the amount and the application must not be proceeded with¹².

The court must make the order if it is satisfied that the sum has become payable by the defendant and has not been paid¹³. An order so made must be made in respect of an amount equal to the aggregate of: (a) the sum payable¹⁴; and (b) a sum of an amount equal to the costs reasonably incurred by the applicant in obtaining the order¹⁵. Where the sum payable is paid after a liability order has been duly applied for¹⁶ but before it is made, the court must nonetheless (if so requested by the billing authority) make the order in respect of a sum of an amount equal to the costs reasonably incurred by the authority in making the application¹⁷.

The amount in respect of which a liability order is made is enforceable in accordance with the council tax enforcement provisions¹⁸; and accordingly, for the purposes of any of the provisions of Part III of the Magistrates' Courts Act 1980¹⁹, it is not to be treated as a sum adjudged to be paid by order of the court²⁰.

1 Ie under the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 23(3), (4) (as amended) (see PARA 298 ante) (including reg 23(3), (4) as applied as mentioned in reg 28A(2) (as added) (see PARA 297 ante)); see reg 34(1) (as amended: see note 6 infra).

2 As to sums which have become payable and which have not been paid see PARA 314 note 4 ante.

4 For these purposes, any reference to the day on or time at which a notice is issued, is a reference:

260 (1) if the notice is served in the manner described in the Local Government Act 1972 s 233(2) (see LOCAL GOVERNMENT vol 69 (2009) PARA 576) by being left at, or sent by post to, a person's proper address, to the day on or time at which it is so left or posted (Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 32(5)(a) (reg 32(5) added by SI 1992/3008)); or

261 (2) in any other case, to the day on or time at which the notice is served (Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 32(5)(b) (as so added)).

As to the service or giving of notices generally see PARA 280 ante.

5 As to billing authorities see PARA 229 ante.

6 Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 34(1) (amended by SI 1992/3008). 'Liability order' means an order under the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 34 (as amended) or reg 36A(5) (as added) (see PARA 323 post): see reg 32(1) (definition as amended); and PARA 312 note 2 ante. As to the magistrates' court, and as to the admissibility in proceedings under reg 34 (as amended) of evidence derived from records compiled by the applicant authority (or by an authorised person) before such a court, see PARA 344 post.

As to the application of reg 34 (as amended) and reg 35 (as amended) (see the text and notes 8, 15, 18-20 infra) to Pt V (regs 17-31) (as amended) (see PARA 292 et seq ante) see PARA 314 note 4 ante.

A pending claim for council tax benefit (as to which see PARA 371 et seq post) is unlikely to give the tax payer a defence to the billing authority's application for a liability order: see *R v Bristol City Magistrates' Court and Bristol City Council, ex p Willsman* [1991] RA 292, 156 LGR 442, CA; and see *R (on the application of Williams) v Pontefract Magistrates' Court* [2002] EWHC 1265 (Admin), [2002] RVR 259, [2002] All ER (D) 465 (May) (the issues for determination on an application for a liability order do not include a consideration of whether the defaulter should or should not have received council tax benefit). Some of the cases cited in this paragraph were decided under earlier legislation, and they must therefore now be considered in relation to the provisions of the Local Government Finance Act 1992 (see PARAS 228 et seq ante, 316 et seq post). As to the historical development of rating law and the continuing relevance of old case law to the current statutory regime governing council tax see PARA 2 ante.

7 References to a justice of the peace in the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 34(2) must be construed subject to the Justices' Clerks Rules 2005, SI 2005/545, r 3 (as amended) (which authorises certain matters authorised to be done by a justice of the peace to be done by a justices' clerk) (see MAGISTRATES vol 29(2) (Reissue) PARA 638): Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 53(3).

The Magistrates' Courts Act 1980 s 127(1) (limitation of time) (see MAGISTRATES vol 29(2) (Reissue) PARA 589) does not apply to an application under the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 34 (as amended); but no application may be instituted in respect of a sum after the period of six years beginning with the day on which it became due under Pt V (as amended) (see PARA 292 et seq ante): reg 34(3). Accordingly, the limitation period in reg 34(3) runs from the date of the demand under reg 18(1) (see PARA 292 ante): see *Regentford Ltd v Thanet District Council* [2004] EWHC 246 (Admin), [2004] RA 113, (2004) Times, 4 March.

No liability order is to be made in pursuance of a summons issued under reg 34(2) unless 14 days have elapsed since the day on which the summons was served: reg 35(2A) (added by SI 1998/295). For these purposes, a summons issued under the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 34(2) may be served on a person:

- 262 (1) by delivering it to him (reg 35(2)(a)); or

316. Provision for information.

Regulations made under the provisions that govern the recovery of sums which have become payable in respect of the council tax but have not been paid¹ may provide that where a magistrates' court has made a liability order² against a person (the 'debtor') he is to be, during such time as the amount in respect of which the order was made remains wholly or partly unpaid, under a duty to supply relevant information³ to the authority concerned⁴. The regulations may include provision that the information is to be supplied in a prescribed form and within a prescribed period of the request being made⁵.

1 The regulations under the Local Government Finance Act 1992 s 14(3), Sch 4 para 1(1) (prospectively amended) (see PARA 310 ante): see Sch 4 para 4(1). As to the making of regulations under the Local Government Finance Act 1992 generally see PARA 228 ante; and as to the regulations so made under Sch 4 para 1(1) (prospectively amended) see PARA 310 note 2 ante; and PARA 317 post. As to council tax generally see PARA 227 et seq ante.

2 As to provision made for liability orders see PARA 313 et seq ante.

3 Relevant information is such information as fulfils the following conditions:

266 (1) it is in the debtor's possession or control (Local Government Finance Act 1992 Sch 4 para 4(2)(a));

267 (2) the authority requests him to supply it (Sch 4 para 4(2)(b)); and

268 (3) it falls within a prescribed description of information (Sch 4 para 4(2)(c)).

For these purposes, 'prescribed' means prescribed by regulations made (in relation to England) by the Secretary of State and (in relation to Wales) by the Welsh Ministers: Sch 4 para 20 (added by the Local Government Act 2003 s 127(1), Sch 7 paras 40, 54). Where a liability order¹ has been made, the debtor² against whom it was made is, during such time as the amount in respect of which the order was made remains wholly or partly unpaid³, under a duty to supply relevant information⁴ to the billing authority on whose application it was made⁵. Information is to be supplied within 14 days of the day on which the request is made⁶.

1 For the meaning of 'liability order' see PARA 312 note 2 ante.

2 For these purposes, 'debtor' means a person against whom a liability order has been made: Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 32(1).

4 For these purposes, 'relevant information' is such information as fulfils the following conditions:

269 (1) it is in the debtor's possession or control (Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 36(2)(a));

270 (2) the billing authority requests him by notice given in writing to supply it (reg 36(2)(b)); and

271 (3) it falls within reg 36(3) (as amended) (reg 36(2)(c)).

Information falls within reg 36(3) (as amended) if it is specified in the notice mentioned in reg 36(2)(b) (see head (2) supra) and it falls within one or more of the following descriptions:

272 (a) information as to the name and address of an employer of the debtor (reg 36(3)(a));

273 (b) information as to earnings or expected earnings of the debtor (reg 36(3)(b));

274 (c) information as to deductions and expected deductions from such earnings in respect of the matters referred to in heads (A)-(C) infra (ie in the definition of 'net earnings') or attachment of earnings orders (ie made under Pt VI (regs 32-57) (as amended) (see PARAS 314 et seq ante, 319 et seq post); the Community Charges (Administration and Enforcement) Regulations 1989, SI 1989/438, reg 32 (now lapsed); the Attachment of Earnings Act 1971 (see CIVIL PROCEDURE vol 12 (2009) PARA 1431 et seq); or the Child Support Act 1991 (see CHILDREN AND YOUNG PERSONS vol 5(3) (2008 Reissue) PARA 559)) (Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 36(3)(c) (amended by SI 1993/773));

275 (d) information as to the debtor's work or identity number in an employment, or such other information as will enable an employer of the debtor to identify him (Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 36(3)(d));

276 (e) information as to sources of income of the debtor other than an employer of his (reg 36(3)(e));

277 (f) information as to whether another person is jointly and severally liable with the debtor for the whole or any part of the amount in respect of which the order was made (reg 36(3)(f)).

As to billing authorities see PARA 229 ante. As to the service or giving of notices generally see PARA 280 ante.

'Earnings' means sums payable to a person by way of wages or salary (including any fees, bonus, commission, overtime pay or other emoluments payable in addition to wages or salary or payable under a contract of service) or by way of statutory sick pay: reg 32(1). However, in so far as the following would otherwise be treated as earnings, they must not be treated as such: (i) sums payable by any public department of the government of Northern Ireland or of a territory outside the United Kingdom; (ii) pay or allowances payable to the debtor as a member of Her Majesty's forces other than pay or allowances payable by his employer to him as a special member of a reserve force (within the meaning of the Reserve Forces Act 1996 (see ARMED FORCES vol 2(2) (Reissue) PARA 223 et seq)); (iii) allowances or benefit payable under the Social Security Contributions and

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(7) RECOVERY OF COUNCIL TAX/(ii) Liability Orders/320. Provision for charging orders.

320. Provision for charging orders.

Regulations made under the provisions that govern the recovery of sums which have become payable in respect of the council tax but have not been paid¹ may provide that where a magistrates' court has made a liability order against a person² (the 'debtor') and prescribed³ conditions are fulfilled⁴:

- 719 (1) the authority concerned may apply to a court for an order (a 'charging order') imposing, on any interest held by the debtor beneficially in the relevant dwelling⁵, a charge for securing the due amount⁶; and
- 720 (2) a charge imposed by a charging order must have the like effect and must be enforceable in the same courts and in the same manner as an equitable charge created by the debtor by writing under his hand⁷.

The regulations may include provision:

- 721 (a) as to the court to which an application may be made (which may be the High Court or a county court)⁸;
- 722 (b) as to the factors to be considered by the court in deciding whether to make a charging order⁹;
- 723 (c) requiring an order to specify the dwelling and interest concerned, and such other matters as may be prescribed¹⁰;
- 724 (d) requiring an order to be in a prescribed form¹¹;
- 725 (e) allowing an order to be made absolutely or subject to conditions¹²;
- 726 (f) as to the discharge or variation of an order¹³.

1 The regulations under the Local Government Finance Act 1992 s 14(3), Sch 4 para 1(1)(a) (see PARA 310 ante): see Sch 4 para 11(1). This excludes regulations made under Sch 4 para 1(1)(b), ie those relating to the collection of amounts payable as penalties: see PARA 310 ante. As to the making of regulations under the Local Government Finance Act 1992 generally see PARA 228 ante; and as to the regulations so made under Sch 4 para 1(1) (prospectively amended) see PARA 310 note 2 ante; and PARA 321 post. As to council tax generally see PARA 227 et seq ante.

2 Regulations under *ibid* Sch 4 para 1(1)(a) (see PARA 310 ante) may provide that two or more liability orders against the same person will be treated as a single liability order for the purposes of provision included by virtue of Sch 4 para 11 if an application under such provision could be made in respect of each of them in relation to the same dwelling: Sch 4 para 11A (added by the Local Government Act 2003 s 81). For the meaning of 'dwelling' see PARA 232 ante. As to provision made for liability orders see PARA 313 et seq ante.

3 For these purposes, 'prescribed' means prescribed by regulations made (in relation to England) by the Secretary of State and (in relation to Wales) by the Welsh Ministers: Local Government Finance Act 1992 Sch 4 para 20 (added by the Local Government Act 2003 s 127(1), Sch 7 paras 40, 54). 4 Local Government Finance Act 1992 Sch 4 para 11(1).

5 For these purposes, the relevant dwelling is the dwelling in respect of which, at the time the application for the liability order was made, the debtor was liable to pay the sum falling within *ibid* Sch 4 para 1(1)(a) (see PARA 310 ante): Sch 4 para 11(2).

6 *Ibid* Sch 4 para 11(1)(a). For these purposes, the due amount is the aggregate of:

278 (1) an amount equal to any outstanding sum which is or forms part of the amount in respect of which the liability order was made (Sch 4 para 11(3)(a)); and

279 (2) a sum (of a prescribed amount or an amount determined in accordance with prescribed rules) in respect of costs connected with the charging order (Sch 4 para 11(3)(b)).

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(7) RECOVERY OF COUNCIL TAX/(ii) Liability Orders/321. Charging orders.

321. Charging orders.

In circumstances where:

- 727 (1) a magistrates' court has made one or more liability orders¹;
- 728 (2) the amount² in respect of which the liability order was made, or, where more than one liability order was made, the aggregate of the amounts³ in respect of which each such liability order was made, is an amount the debtor⁴ is liable to pay under the billing provisions⁵; and
- 729 (3) at the time that the application is made at least £1,000 of the amount in respect of which the liability order was made, or, where more than one liability order was made, the aggregate of the amounts in respect of which those liability orders were made, remains outstanding⁶,

an application to the appropriate court⁷ may be made⁸, being an application by the authority concerned⁹ for an order imposing, on any interest held by the debtor beneficially in the relevant dwelling, a charge for securing the due amount¹⁰; and the court may make such an order (a 'charging order')¹¹ on such an application¹².

In deciding whether to make a charging order, the court must consider all the circumstances of the case, and in particular any evidence before it as to: (a) the personal circumstances of the debtor¹³; and (b) whether any other person would be likely to be unduly prejudiced by the making of the order¹⁴.

A charging order must specify the dwelling concerned and the interest held by the debtor beneficially in it¹⁵; and may, as the court thinks fit, be made absolutely or subject to conditions as to the time when the charge is to become enforceable or as to other matters¹⁶.

A charge imposed by a charging order has the like effect and is enforceable in the same courts and in the same manner as an equitable charge created by the debtor by writing under his hand¹⁷. The court by which a charging order was made may at any time, on the application of the debtor, the authority on whose application the order was made or any person interested in the dwelling, make an order discharging or varying the charging order¹⁸. The Land Charges Act 1972 and the Land Registration Act 1925 apply in relation to charging orders as they apply in relation to orders or writs issued or made for the purposes of enforcing judgments¹⁹.

10 For these purposes, the due amount is the aggregate of: (1) an amount equal to any outstanding sum which is or forms part of the amount in respect of which the one or more liability orders were made (ibid reg 50(3)(c)(i) (as substituted: see note 1 supra)); and (2) a sum of an amount equal to the costs reasonably incurred by the applicant in obtaining the charging order (reg 50(3)(c)(ii) (as so substituted)).

322. Provision for quashing of liability orders on application.

Regulations made under the provisions that govern the recovery of sums which have become payable in respect of the council tax but have not been paid¹ may provide²:

- 730 (1) that, where on an application by the authority concerned a magistrates' court is satisfied that a liability order³ should not have been made, it must quash the order⁴;
- 731 (2) that, where on an application to a magistrates' court for the quashing of a liability order, the court is satisfied that, had the original application been for a liability order in respect of a lesser sum payable, such an order could properly have been made, it must substitute a liability order in respect of the aggregate of⁵: (a) that lesser sum⁶; and (b) any sum included in the quashed order in respect of the costs incurred in obtaining it⁷.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(7) RECOVERY OF COUNCIL TAX/(ii) Liability Orders/323. Quashing of liability orders following application.

323. Quashing of liability orders following application.

Where a magistrates' court has made a liability order¹ and the authority on whose application the liability order was made considers that the order should not have been made², the authority may apply to a magistrates' court to have the liability order quashed³. Where, on such an application, the magistrates' court is satisfied that the liability order should not have been made, it must quash the order⁴.

Where an authority makes an application⁵ for a liability order (the 'original order') to be quashed, and a lesser amount than the amount for which the original order was made has fallen due⁶ and is wholly or partly unpaid or, in a case where a final notice is required⁷, the amount stated in the final notice is wholly or partly unpaid at the expiry of the period of seven days beginning with the day on which the notice was issued, the billing authority may also apply to the magistrates' court for an order against the person by whom the lesser amount was payable⁸. The application is to be instituted by making complaint to a justice of the peace⁹, and requesting the issue of a summons directed to that person to appear before the court to show why he has not paid the sum which is outstanding¹⁰. If, after a summons has been so issued but before the application is heard, there is paid or tendered to the authority an amount equal to the aggregate of¹¹:

- 732 (1) the sum specified in the summons as the sum outstanding or so much of it as remains outstanding (as the case may be)¹²; and
- 733 (2) a sum of an amount equal to the costs reasonably incurred by the authority in connection with the application up to the time of the payment or tender¹³,

the authority must accept the amount and the application must not be proceeded with¹⁴.

Where, having quashed a liability order¹⁵, the magistrates' court is satisfied that, had the original application for the liability order been for a liability order in respect of a lesser sum payable, such an order could properly have been made, it must make a liability order in respect of the aggregate of¹⁶: (a) the lesser sum payable¹⁷; and (b) any sum included in the quashed order in respect of the costs reasonably incurred by the authority in obtaining the quashed order¹⁸.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(7) RECOVERY OF COUNCIL TAX/(iii) Attachment of Earnings/324. Provision for attachment of earnings etc.

(iii) Attachment of Earnings

324. Provision for attachment of earnings etc.

Regulations made under the provisions that govern the recovery of sums which have become payable in respect of the council tax but have not been paid¹ may provide that where a magistrates' court has made a liability order² against a person (the 'debtor') and the debtor is an individual³:

- 734 (1) the authority concerned may make an order (an 'attachment of earnings order') to secure the payment of the appropriate amount⁴;
- 735 (2) such an order must be expressed to be directed to a person who has the debtor in his employment⁵, and is to operate as an instruction to such a person to make deductions from the debtor's earnings⁶ and to pay the amounts deducted to the authority⁷;
- 736 (3) the authority may serve a copy of the order on a person who appears to the authority to have the debtor in his employment⁸; and
- 737 (4) a person who has the debtor in his employment must comply with the order if a copy of it is served on him⁹.

The regulations may include:

- 738 (a) provision allowing an attachment of earnings order to be varied¹⁰;
- 739 (b) provision requiring a person who has the debtor in his employment to comply with the order as varied if a copy of the order as varied is served on him¹¹;
- 740 (c) provision requiring an order to be in a prescribed form¹²;
- 741 (d) provision requiring an order to specify the sum to which the order relates, the rate at which the debtor's earnings are to be applied to meet the sum, and such other particulars as may be prescribed¹³;
- 742 (e) rules about the rate which may be so specified¹⁴;
- 743 (f) provision allowing the person who deducts and pays amounts under the order to deduct from the debtor's earnings prescribed sums (or sums determined in accordance with prescribed rules) towards his administrative costs¹⁵;
- 744 (g) provision requiring the person who deducts and pays amounts under the order to notify the debtor, in a prescribed manner and at any prescribed time, of the total amount of sums (including sums towards administrative costs) deducted up to the time of the notification or of the total amount of sums (including sums towards such costs) that will fall to be deducted after that time¹⁶;
- 745 (h) provision requiring any person on whom a copy of the order is served to notify the authority in a prescribed manner and within a prescribed period if he does not have, or subsequently ceases to have, the debtor in his employment¹⁷;
- 746 (i) provision that, where the whole amount to which the order relates has been paid, the authority must give notice of that fact to any person who appears to it to have the debtor in his employment and who has been served with a copy of the order¹⁸;
- 747 (j) provision allowing or requiring an order to be discharged¹⁹.

The regulations may include provision that while an attachment of earnings order is in force:

- 748 (i) the debtor must from time to time notify the authority concerned, in a prescribed manner and within a prescribed period, of each occasion when he leaves any employment or becomes employed or re-employed, and must include in such a notification a statement of his earnings and expected earnings from the employment concerned and of such other matters as may be prescribed²⁰;
- 749 (ii) any person who becomes the debtor's employer and knows that the order is in force and by what authority it was made must notify the authority concerned, in a prescribed manner and within a prescribed period, that he is the debtor's employer, and must include in such a notification a statement of the debtor's earnings and expected earnings from the employment concerned and of such other matters as may be prescribed²¹.

The regulations may include provision with respect to the priority to be accorded as between two or more orders made under the regulations²²; and orders made under the regulations and orders made under the Attachment of Earnings Act 1971²³ or the Child Support Act 1991²⁴.

The regulations may include provision that a person may appeal to a magistrates' court if he is aggrieved by the making or the terms of an attachment of earnings order, or if there is a dispute whether payments constitute earnings or as to any other prescribed matter relating to the order²⁵. The regulations also may include:

- 750 (A) provision prescribing the procedure to be followed for initiating an appeal²⁶;
- 751 (B) provision prescribing the procedure to be followed in dealing with an appeal²⁷;
- 752 (C) provision as to the powers of the court (which may include provision as to the quashing of an attachment of earnings order or the variation of the terms of such an order)²⁸.

3 Local Government Finance Act 1992 Sch 4 para 5(1).

4 Ibid Sch 4 para 5(1)(a) (amended by the Local Government Act 2003 s 80(1), (2)). For these purposes, the appropriate amount is the aggregate of:

- 280 (1) any outstanding sum which is or forms part of the amount in respect of which the liability order was made (Local Government Finance Act 1992 Sch 4 para 5(1A)(a) (Sch 4 para 5(1A) added by the Local Government Act 2003 s 80(1), (3))); and
- 281 (2) where the authority concerned has sought to levy an amount by distress and sale of the debtor's goods under provision included by virtue of the Local Government Finance Act 1992 Sch 4 para 7 (as amended; prospectively repealed) (see PARA 334 post) and the person making the distress has reported that he was unable (for whatever reason) to find any or sufficient goods of the debtor on which to levy the amount (Sch 4 para 5(1A)(b) (as so added)): (a) such sum as is referred to in Sch 4 para 7(2)(b) (prospectively repealed) (see PARA 334 post) (Sch 4 para 5(1A)(b)(i) (as so added)); and (b) if the authority has applied for the issue of a warrant committing the debtor to prison under provision included by virtue of Sch 4 para 8 (prospectively amended) (see PARA 338 post), a sum (of a prescribed amount or an amount determined in accordance with prescribed rules) in respect of the costs of the application (Sch 4 para 5(1A)(b)(ii) (as so added)).

For these purposes, 'prescribed' means prescribed by regulations made (in relation to England) by the Secretary of State and (in relation to Wales) by the Welsh Ministers: Sch 4 para 20 (added by the Local Government Act

2003 s 127(1), Sch 7 paras 40, 54). See note 1 supra. For the meanings of 'England' and 'Wales' see PARA 1 note 2 ante. As to the Secretary of State and the Welsh Ministers see PARA 228 ante.

As from a day to be appointed under the Tribunals, Courts and Enforcement Act 2007 s 148(5), the Local Government Finance Act 1992 Sch 4 para 5(1A) (as added) is amended so that the appropriate amount becomes the aggregate of:

- 282 (i) any outstanding sum which is or forms part of the amount in respect of which the liability order was made (unless head (ii) infra applies) (Sch 4 para 5(1A)(a) (as so added; prospectively amended by the Tribunals, Courts and Enforcement Act 2007 s 62(3), Sch 13 paras 101, 107(1), (3)(a)));
- 283 (ii) where a person authorised to act under the power conferred by the Local Government Finance Act 1992 s 14(4) (prospectively added) (see PARA 313 note 3 ante) has reported to the authority concerned that he was unable (for whatever reason) to find sufficient goods of the debtor to pay the amount outstanding (Sch 4 para 5(1A)(b) (as so added; prospectively substituted by the Tribunals, Courts and Enforcement Act 2007 Sch 13 paras 101, 107(1), (3)(b))): (A) the amount outstanding at the time when the attachment of earnings order is made (Local Government Finance Act 1992 Sch 4 para 5(1A)(b)(i) (as so added; prospectively substituted by the Tribunals, Courts and Enforcement Act 2007 Sch 13 paras 101, 107(1), (3)(b))); and (B) if the authority has applied for the issue of a warrant committing the debtor to prison under provision included by virtue of the Local Government Finance Act 1992 Sch 4 para 8 (prospectively amended), a sum (of a prescribed amount or an amount determined in accordance with prescribed rules) in respect of the costs of the application (Sch 4 para 5(1A)(b)(ii) (as so added)).

For these purposes, 'amount outstanding' has the meaning given by the Tribunals, Courts and Enforcement Act 2007 s 62(1), Sch 12 para 50(3) (not yet in force); Local Government Finance Act 1992 Sch 4 para 5(9) (prospectively added by the Tribunals, Courts and Enforcement Act 2007 Sch 13 paras 101, 107(1), (3)(c)). At the date at which this volume states the law, no such day had been appointed.

5 The provisions of the Local Government Finance Act 1992 Sch 4 para 5 (as amended; prospectively further amended) (except Sch 4 para 5(3), (4)(b) (see the text and notes 20-21, 23-24 infra)) apply to elected members of billing authorities or relevant precepting authorities as they apply to persons in employment; and for the purposes of the application of those provisions in relation to any such members any reference to a person having the debtor in his employment must be construed as a reference to such an authority having the debtor as an elected member: Sch 4 para 5(7)(a). As to billing authorities see PARA 229 ante. For these purposes, a relevant precepting authority is a major precepting authority other than the Receiver for the Metropolitan Police District (Sch 4 para 5(8)(a)); and a person is an elected member of a relevant precepting authority other than a county council if he is appointed to the authority by a constituent council of which he is an elected member (Sch 4 para 5(8)(b)). As to major precepting authorities and precepting authorities for these purposes see PARA 228 note 21 ante. As from a day to be appointed under the Greater London Authority Act 1999 s 425(2), the words 'other than the Receiver for the Metropolitan Police District' in the Local Government Finance Act 1992 Sch 4 para 5(8)(a) are repealed by the Greater London Authority Act 1999 s 423, Sch 34 Pt I. However, at the date at which this volume states the law, no such day had been appointed.

325. Making of attachment of earnings order.

Where a liability order¹ has been made and the debtor² against whom it was made is an individual, the authority which applied for the order may³ make an order (an 'attachment of earnings order')⁴ to secure the payment of the appropriate amount⁵. The authority may serve a copy of the order on a person who appears to the authority to have the debtor in his employment; and a person on whom it is so served who has the debtor in his employment must comply with it⁶.

However, an attachment of earnings order may not be made by an authority if the effect would be that the number of orders for the time being in force made by that authority in relation to the debtor in question exceeded two⁷.

1 For the meaning of 'liability order' see PARA 312 note 2 ante.

2 For the meaning of 'debtor' see PARA 317 note 2 ante.

3 Is subject to the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 37(4) (as added) (see the text and note 7 infra): see reg 37(1) (as amended: see note 5 infra).

4 Is an order under *ibid* reg 37 (as amended): see regs 32(1), 37(1) (as amended: see note 5 infra); and PARA 312 note 8 ante. Such an order:

284 (1) must be in the form specified in (and accordingly contain the matters specified in) reg 37 (as amended), Sch 3 (amended by SI 1992/1741; SI 1992/3008; SI 1993/773; SI 1999/534; and in relation to England by SI 2007/501) (form of attachment of earnings order) (Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 37(2)(a)); and

285 (2) must remain in force until discharged under reg 41(2) (see PARA 329 post) or until the whole amount to which it relates has been paid (whether by attachment of earnings or otherwise) (reg 37(2)(b)).

As to the application of reg 37 (as amended) to Pt V (regs 17-31) (as amended) (see PARA 292 et seq ante) see PARA 314 note 4 ante.

5 *Ibid* reg 37(1) (amended by SI 1998/295; in relation to Wales by SI 2004/785; in relation to England by SI 2004/927). For these purposes, the appropriate amount is the aggregate of:

286 (1) any outstanding sum which is or forms part of the amount in respect of which the liability order was made (Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 37(1A)(a) (reg 37(1A) added in relation to Wales by SI 2004/785; in relation to England by SI 2004/927)); and

287 (2) where the authority concerned has sought to levy an amount by distress and sale of the debtor's goods under the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 45 (as amended) (see PARA 335 post) and the person making the distress has reported that he was unable (for whatever reason) to find any or sufficient goods of the debtor on which to levy the amount (reg 37(1A)(b) (as so added)): (a) a sum determined in accordance with reg 45(2)(b), Sch 5 (as substituted and amended) (see PARA 335 post) in respect of charges connected with the distress (reg 37(1A)(b)(i) (as so added)); and (b) if the authority has applied for the issue of a warrant committing the debtor to prison in accordance with reg 47 (as amended) (see PARA 339 post), the authority's reasonable costs incurred up to the time of the making of the order under reg 37 (as amended), in making one or more of the applications referred to in reg 47(6A), (6B) (as added), Sch 6 (as added and amended) (see PARA 339 post), but not exceeding the amount specified for that application in Sch 6 (as added and amended) (reg 37(1A)(b)(ii) (as so added)).

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(7) RECOVERY OF COUNCIL TAX/(iii) Attachment of Earnings/326. Deductions under attachment of earnings order.

326. Deductions under attachment of earnings order.

The sum to be deducted by an employer under an attachment of earnings order¹ on any pay-day is to be²:

- 753 (1) where the debtor's³ earnings⁴ from the employer are payable weekly, a sum equal to the appropriate percentage of the net earnings⁵ otherwise payable on that pay-day⁶;
 - 754 (2) where his earnings from the employer are payable monthly, a sum equal to the appropriate percentage of the net earnings otherwise payable on that pay-day⁷;
 - 755 (3) where his earnings from the employer are payable at regular intervals of a whole number of weeks or months, the sum arrived at by:
 - 51 78. (a) calculating what would be his weekly or monthly net earnings by dividing the net earnings payable to him by the employer on the pay-day by that whole number (of weeks or months, as the case may be)⁸;
 79. (b) ascertaining the specified percentage (or percentages)⁹ within which the notional net earnings calculated under head (3)(a) above fall¹⁰; and
 80. (c) calculating the sum which equals the appropriate percentage (or percentages) of the notional net earnings for any of those weeks or months and multiplying that sum by the whole number of weeks or months, as appropriate¹¹.
- 52

Where a sum is to be deducted by an employer under an attachment of earnings order in this way and the amount to be paid to the debtor on any pay-day includes an advance in respect of future pay, the sum to be deducted on that pay-day is the aggregate of the amount which would otherwise fall to be deducted¹², and:

- 756 (i) where the amount advanced would otherwise have been paid on a single pay-day, the sum which would have been deducted on that pay-day¹³ if the amount advanced had been the amount of net earnings on that day¹⁴; or
- 757 (ii) where the amount advanced would otherwise have been paid on more than one pay-day, the sums which would have been deducted on each of the relevant pay-days¹⁵ if an equal proportion of the amount advanced had been paid on each of those days¹⁶ and if the net earnings of the debtor on each of those days had been an amount equal to that proportion¹⁷.

Where the debtor's earnings from the employer are payable at regular intervals other than at the intervals mentioned above¹⁸, the sum to be deducted on any pay-day is to be arrived at by¹⁹:

- 758 (A) calculating what would be his daily net earnings by dividing the net earnings payable to him by the employer on the pay-day by the number of days in the interval²⁰;
- 759 (B) ascertaining the specified percentage (or percentages)²¹ within which the notional net earnings calculated under head (A) above fall²²; and

- 760 (c) calculating the sum which equals the appropriate percentage (or percentages) of the notional daily net earnings and multiplying that sum by the number of days in the interval²³.

Where the debtor's earnings are payable at such intervals²⁴, and the amount to be paid to the debtor on any pay-day includes an amount advanced in respect of future pay, the amount of the debtor's notional net earnings under head (A) above must be calculated in accordance with the formula:

$$\frac{(A + B)}{(C + D)}$$

where A is the amount of net earnings payable to him on that pay-day (exclusive of the amount advanced); B is the amount advanced; C is the number of days in the period for which the amount of net earnings is payable; and D is the number of days in the period for which, but for the agreement to pay in advance, the amount advanced would have been payable²⁵.

Where the debtor's earnings from the employer are payable at irregular intervals, the sums to be deducted on any pay-day are arrived at by²⁶:

- 761 (aa) calculating what would be his daily net earnings by dividing the net earnings payable to him by the employer on the pay-day by the number of days since earnings were last payable by the employer to him²⁷, or (if the earnings are the first earnings to be payable by the employer to him with respect to the employment in question) by the number of days since he began the employment²⁸;
- 762 (bb) ascertaining the specified percentage (or percentages)²⁹ within which the notional net earnings calculated under head (aa) above fall³⁰; and
- 763 (cc) calculating the sum which equals the appropriate percentage (or percentages) of the daily net earnings and multiplying that sum by the same number as that of the divisor for the purposes of the calculation mentioned in head (aa) above³¹.

Where on the same pay-day there are payable to the debtor by the employer both earnings payable at regular intervals and earnings payable at irregular intervals, for the purpose of arriving at the sum to be deducted on the pay-day under the above provisions all the earnings must be aggregated and treated as earnings payable at the regular interval³². Where there are earnings payable to the debtor by the employer at regular intervals on one pay-day, and earnings are payable by the employer to him at irregular intervals on a different pay-day, the sum to be deducted on each of the pay-days on which the earnings which are payable at irregular intervals are so payable must be 20 per cent of the net earnings payable to him on the day³³.

327. Ancillary powers and duties of employers and others served.

An employer who deducts and pays amounts under an attachment of earnings order¹ may, on each occasion that he makes such a deduction, also deduct from the debtor's² earnings³ the sum of one pound towards his administrative costs⁴.

An employer who deducts and pays amounts under an attachment of earnings order must notify the debtor in writing of⁵:

- 764 (1) the total amount of the sums (including such sums deducted towards administrative costs) deducted under the order up to the time of the notification⁶;
or
- 765 (2) the total amount of the sums (including such sums deducted towards administrative costs) that will fall to be so deducted after that time⁷.

Such a notification must be given at the time that the pay statement given by the employer to the debtor next after a deduction has been made is so given, or, if no such statements are usually issued by the employer, as soon as practicable after a deduction has been made⁸.

A person on whom a copy of an attachment of earnings order has been served must notify in writing the authority which made the order if he does not have the debtor against whom it was made in his employment or the debtor subsequently ceases to be in his employment⁹. Such a notification must be given within 14 days of the day on which the copy of the order was served on him or the debtor ceased to be in his employment (as the case may be)¹⁰.

While an attachment of earnings order is in force, any person who becomes the debtor's employer and knows that the order is in force and by what authority it was made must notify that authority in writing that he is the debtor's employer¹¹. Such a notification must be given within 14 days of the day on which the debtor became the person's employee or of the day on which the person first knows that the order is in force and the identity of the authority by which it was made, whichever is the later¹².

- 766 (1) his earnings⁴ and (so far as he is able) expected earnings from the employment concerned⁵;

Such notification must be given within 14 days of the day on which the debtor leaves or commences (or recommences) the employment (as the case may be), or (if later) the day on which he is informed by the authority that the order has been made¹¹.

Where the whole amount to which an attachment of earnings order¹ relates has been paid (whether by attachment of earnings or otherwise), the authority by which it was made must give notice of the fact to any person who appears to it to have the debtor² in his employment and who has been served with a copy of the order³.

The authority by which an attachment of earnings order was made may, on its own account or on the application of the debtor or an employer of the debtor, make an order discharging the attachment of earnings order; and if it does so it must give notice of that fact to any person who appears to it to have the debtor in his employment and who has been served with a copy of the order⁴.

- 771 (2) deal with any later order as if the earnings⁵ to which it relates were the residue of the debtor's⁶ earnings after the making of any deduction to comply with any earlier order⁷.

Where an employer would otherwise⁸ be obliged to comply with one or more attachment of earnings orders and with one or more deduction orders⁹, he must deal with the orders according to the respective dates on which they were made in like manner as under heads (1) and (2) above¹⁰.

331. Persons employed under the Crown.

Where a debtor¹ is in the employment of the Crown and an attachment of earnings order² is made in respect of him, then for the purposes of the council tax enforcement provisions³:

- 772 (1) the chief officer for the time being of the department, office or other body in which the debtor is employed must be treated as having the debtor in his employment (any transfer of the debtor from one department, office or body to another being treated as a change of employment)⁴; and
- 773 (2) any earnings paid by the Crown or a Minister of the Crown, or out of the public revenue of the United Kingdom, must be treated as paid by that chief officer⁵.

If any question arises as to what department, office or other body is concerned for these purposes, or as to who for these purposes is its chief officer, the question must be referred to and determined by the Minister for the Civil Service⁶. 332. Attachment of allowances orders.

Where a liability order¹ has been made and the debtor² against whom it was made is an elected member of a relevant billing authority³ or an elected member of a relevant precepting authority⁴, the authority which applied for the order may make an order (an 'attachment of allowances order')⁵ to secure the payment of any outstanding sum which is or forms part of the amount in respect of which the liability order was made⁶. Such an order must be expressed to be directed to the authority of whom the debtor is an elected member and must operate as an instruction to the authority to make deductions from attachable allowances⁷ payable to the debtor and to pay the sums so deducted to the authority by which the order was made⁸. Such an order remains in force until discharged or until the whole sum to which it relates has been paid (whether by attachment of allowances or otherwise)⁹.

The sum to be deducted by an authority under such an order on any day must be a sum equal to 40 per cent of the aggregate of attachable allowances payable to the debtor on that day¹⁰.

1 For the meaning of 'liability order' see PARA 312 note 2 ante.

(iv) Distress

334. Provision for distress.

Until a day to be appointed, the following provisions have effect¹.

Regulations made under the provisions that govern the recovery of sums which have become payable in respect of the council tax but have not been paid² may provide that where a magistrates' court has made a liability order³ against a person (the 'debtor') the authority concerned may levy the appropriate amount⁴ by distress and sale of the debtor's goods⁵. The regulations may include provision that:

- 780 (1) a distress may be made anywhere in England and Wales⁶;
- 781 (2) a distress is not to be deemed unlawful on account of any defect or want of form in the liability order and no person making a distress is to be deemed a trespasser on that account⁷;
- 782 (3) no person making a distress is to be deemed a trespasser from the beginning on account of any subsequent irregularity in making the distress, but a person sustaining special damage by reason of the irregularity may recover full satisfaction for the special damage (and no more) by proceedings in trespass or otherwise⁸;
- 783 (4) no person may make a distress unless he is an officer of the authority concerned, or he is a person of a prescribed description and any prescribed conditions are fulfilled⁹;
- 784 (5) no person making a distress is to seize goods of a prescribed description¹⁰.

The regulations also may include provision with respect to the supply of information to the debtor by a person who makes (or attempts to make) a distress¹¹ or, where it has levied any amount by distress, the authority concerned¹².

The regulations may include provision that a person may appeal to a magistrates' court if he is aggrieved by the levy of (or an attempt to levy) a distress¹³. The regulations also may include:

- 785 (a) provision prescribing the procedure to be followed for initiating an appeal¹⁴;
- 786 (b) provision prescribing the procedure to be followed in dealing with an appeal¹⁵;
- 787 (c) provision as to the powers of the court (which may include provision as to the discharge of goods distrained or the payment of compensation in respect of goods distrained and sold)¹⁶.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(7) RECOVERY OF COUNCIL TAX/(iv) Distress/335. Distress.

335. Distress.

Where a liability order¹ has been made, the authority which applied for the order may² levy the appropriate amount³ by distress and sale of the goods of the debtor⁴ against whom the order was made⁵. However, no person making a distress may seize any goods of the debtor of the following descriptions:

- 788 (1) such tools, books, vehicles and other items of equipment as are necessary to the debtor for use personally by him in his employment, business or vocation⁶;
- 789 (2) such clothing, bedding, furniture, household equipment and provisions as are necessary for satisfying the basic domestic needs of the debtor and his family⁷.

If, before any goods are seized, the appropriate amount (including charges arising up to the time of the payment or tender) is paid or tendered to the authority, the authority must accept the amount and the levy must not be proceeded with⁸. Where an authority has seized goods of the debtor in pursuance of the distress, but before sale of those goods the appropriate amount (including charges arising up to the time of the payment or tender) is paid or tendered to the authority, the authority must accept the amount, the sale must not be proceeded with and the goods must be made available for collection by the debtor⁹.

The person levying distress on behalf of an authority must carry with him the written authorisation of the authority, which he must show to the debtor if so requested; and he must hand to the debtor or leave at the premises where the distress is levied a copy of the pertinent statutory provisions¹⁰ and a memorandum setting out the appropriate amount, and he must also hand to the debtor a copy of any close or walking possession agreement entered into¹¹.

A distress may be made anywhere in England and Wales¹².

A distress is not to be deemed unlawful on account of any defect or want of form in the liability order, and no person making a distress is deemed a trespasser on that account; and no person making a distress is deemed a trespasser from the beginning on account of any subsequent irregularity in making the distress, but a person sustaining special damage by reason of the subsequent irregularity may recover full satisfaction for the special damage (and no more) by proceedings in trespass or otherwise¹³.

3 For these purposes, the appropriate amount is the aggregate of:

- 295 (1) an amount equal to any outstanding sum which is or forms part of the amount in respect of which the liability order was made (ibid reg 45(2)(a)); and
- 296 (2) a sum determined in accordance with reg 45(2)(b), Sch 5 (Sch 5 substituted by SI 1993/773; amended by SI 1998/295; in relation to England by SI 2003/2211; SI 2006/3395; SI 2007/501; in relation to Wales by SI 2004/1013) in respect of charges connected with the distress (Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 45(2)(b)).

No distress may be made for the purposes of enforcing the council tax provisions¹ unless, no less than 14 days before a visit in connection with the distress is first made to the premises where it is to be levied, the authority has sent to the debtor² written notice of the following matters³, namely:

- 790 (1) the fact that a liability order⁴ has been made against the debtor⁵;
- 791 (2) the amount in respect of which the liability order was made and, where this is a different amount, the amount which remains outstanding⁶;
- 792 (3) a warning that unless the amount specified has been paid before the expiry of 14 days beginning on the date of the sending of the notice, distress may be levied⁷;
- 793 (4) notice that if distress is levied further costs will be incurred by the debtor⁸;
- 794 (5) the fees prescribed⁹;

337. Appeals in connection with distress.

A person aggrieved by the levy of (or an attempt to levy) a distress¹ may appeal to a magistrates' court². The appeal is instituted by making complaint to a justice of the peace³, and requesting the issue of a summons directed to the authority which levied or attempted to levy the distress to appear before the court to answer to the matter by which the person is aggrieved⁴.

If the court is satisfied that a levy was irregular, it may order the goods distrained to be discharged if they are in the possession of the authority; and it may by order award compensation in respect of any goods distrained and sold of an amount equal to the amount which, in the opinion of the court, would be awarded by way of special damages in respect of the goods if proceedings were brought in trespass or otherwise in connection with the irregularity⁵.

If the court is satisfied that an attempted levy was irregular, it may by order require the authority to desist from levying in the manner giving rise to the irregularity⁶.

(v) Commitment

338. Provision for commitment to prison.

Regulations made under the provisions that govern the recovery of sums which have become payable in respect of the council tax but have not been paid¹ may provide that²:

- 796 (1) where an authority has sought to levy an amount by distress³, where the debtor⁴ is an individual who has attained the age of 18 years, and where the person making the distress reports to the authority that he was unable (for whatever reason) to find any or sufficient goods of the debtor on which to levy the amount, the authority may apply to a magistrates' court for the issue of a warrant committing the debtor to prison⁵;
- 797 (2) on such application being made the court must (in the debtor's presence) inquire as to his means and inquire whether the failure to pay which has led to the application is due to his wilful refusal or culpable neglect⁶;
- 798 (3) if (and only if) the court is of opinion that his failure is due to his wilful refusal or culpable neglect it may if it thinks fit issue a warrant of commitment against the debtor, or fix a term of imprisonment and postpone the issue of the warrant until such time and on such conditions (if any) as the court thinks just⁷;
- 799 (4) the warrant must be made in respect of the relevant amount⁸;
- 800 (5) the warrant must state that amount⁹;
- 801 (6) the order in the warrant must be that the debtor be imprisoned for a time specified in the warrant (which must not exceed three months), unless the amount stated in the warrant is sooner paid¹⁰;
- 802 (7) the period of imprisonment must be reduced by a prescribed amount in respect of part payment in prescribed circumstances¹¹;
- 803 (8) a warrant may be directed to the authority concerned and to such other persons (if any) as the court issuing it thinks fit¹²;
- 804 (9) a warrant may be executed anywhere in England and Wales by any person to whom it is directed¹³.

The regulations may include:

- 805 (a) provision that a single warrant must not be issued against more than one person¹⁴;
- 806 (b) provision as to the form of a warrant¹⁵;
- 807 (c) provision allowing remission of payment where no warrant is issued or term of imprisonment fixed¹⁶;

- 810 (f) provision that, for the purpose of enabling inquiry to be made as to the debtor's conduct and means, a justice of the peace may issue a summons to him to

appear before a magistrates' court and (if he does not obey the summons) may issue a warrant for his arrest¹⁹;

811 (g) provision that, for the purpose of enabling such inquiry, a justice of the peace may issue a warrant for the debtor's arrest without issuing a summons²⁰;

812 (h) provision as to the execution of a warrant for arrest (which may include provision allowing it to be executed anywhere in England and Wales)²¹.

8 Ibid Sch 4 para 8(1)(d). For these purposes, the relevant amount is the aggregate of:

297 (1) an amount equal to the appropriate amount within the meaning of Sch 4 para 7 (as amended; prospectively repealed) (see PARA 334 ante) or (as the case may be) to so much of it as remains outstanding (Sch 4 para 8(2)(a)); and

298 (2) a sum (of a prescribed amount or an amount determined in accordance with prescribed rules) in respect of the costs of commitment (Sch 4 para 8(2)(b)).

For these purposes, 'prescribed' means prescribed by regulations made (in relation to England) by the Secretary of State and (in relation to Wales) by the Welsh Ministers: Sch 4 para 20 (added by the Local Government Act 2003 s 127(1), Sch 7 paras 40, 54). See note 1 supra. For the meanings of 'England' and 'Wales' see PARA 1 note 2 ante. As to the Secretary of State and the Welsh Ministers see PARA 228 ante.

As from a day to be appointed under the Tribunals, Courts and Enforcement Act 2007 s 148(5), the Local Government Finance Act 1992 Sch 4 para 8(2)(a) (see head (1) supra) is substituted so that it reads 'the amount outstanding at the time when the warrant of commitment is issued': see Sch 4 para 8(2)(a) (prospectively substituted by the Tribunals, Courts and Enforcement Act 2007 Sch 13 paras 101, 107(1), (5)(c)). For these purposes, 'amount outstanding' has the meaning given by the Tribunals, Courts and Enforcement Act 2007 s 62(1), Sch 12 para 50(3) (not yet in force): Local Government Finance Act 1992 Sch 4 para 8(4) (prospectively added by the Tribunals, Courts and Enforcement Act 2007 Sch 13 paras 101, 107(1), (5)(d)). However, at the date at which this volume states the law, no such day had been appointed.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3.
COUNCIL TAX/(7) RECOVERY OF COUNCIL TAX/(v) Commitment/339. Commitment to prison.

339. Commitment to prison.

In circumstances where:

- 813 (1) a billing authority¹ has sought to levy an amount by distress²;
- 814 (2) the debtor³ is an individual who has attained the age of 18 years⁴; and
- 815 (3) the person making the distress reports to the authority that he was unable (for whatever reason) to find any or sufficient goods of the debtor on which to levy the amount⁵,

the authority may apply to a magistrates' court for the issue of a warrant committing the debtor to prison⁶. On such application being made, the court must (in the debtor's presence) inquire as to his means and inquire whether the failure to pay which has led to the application is due to his wilful refusal or culpable neglect⁷.

If (and only if) the court is of the opinion that his failure is due to his wilful refusal or culpable neglect it may if it thinks fit issue a warrant of commitment against the debtor⁸, or fix a term of imprisonment and postpone the issue of the warrant until such time and on such conditions (if any) as the court thinks just⁹. The warrant must be made in respect of the relevant amount¹⁰ and must state the relevant amount¹¹. It may be directed to the authority making the application and to such other persons (if any) as the court issuing it thinks fit¹², and may be executed anywhere in England and Wales¹³ by any person to whom it is directed¹⁴.

However, if:

- 816 (a) before a warrant has been issued, or a term of imprisonment fixed and the issue of a warrant postponed, an amount to be determined¹⁵ is paid or tendered to the authority¹⁶; or
- 817 (b) after a term of imprisonment has been fixed and the issue of a warrant postponed, the amount (if any) the court has ordered the debtor to pay is paid or tendered to the authority¹⁷; or
- 818 (c) after a warrant has been issued, the amount stated in it is paid or tendered to the authority¹⁸,

the authority must accept the amount concerned, no further steps may be taken as regards its recovery, and the debtor (if committed to prison) must be released¹⁹.

The order in the warrant must be that the debtor be imprisoned for a time specified in the warrant which must not exceed three months, unless the amount stated in the warrant is sooner paid²⁰.

A single warrant committing a debtor to prison may not be issued against more than one person²¹.

Where an application for the issue of a warrant committing the debtor to prison has been made²² and, after the making of the proper inquiries²³, no warrant is issued or term of imprisonment fixed, the court may remit all or part of the appropriate amount²⁴ with respect to which the application related²⁵. Where such an application has been made but no warrant is issued or term of imprisonment fixed, the application may be renewed (except so far as

regards any sum so remitted) on the ground that the circumstances of the debtor have changed²⁶.

A statement in writing to the effect that wages of any amount have been paid to the debtor during any period, purporting to be signed by or on behalf of his employer, is in any proceedings for committal evidence of the facts there stated²⁷. For the purpose of enabling inquiry to be made as to the debtor's conduct and means, a justice of the peace may²⁸:

- 819 (i) issue a summons to him to appear before a magistrates' court and (if he does not obey the summons) issue a warrant for his arrest²⁹; or
- 820 (ii) issue a warrant for the debtor's arrest without issuing a summons³⁰.

A warrant issued under head (i) or head (ii) above may be executed anywhere in England and Wales by any person to whom it is directed or by any constable acting within his police area³¹.

There is no express provision made in the regulations for a taxpayer to challenge an order for commitment to prison³².

1 As to billing authorities see PARA 229 ante.

2 See the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 47(1). The text refers to an amount levied by distress under reg 45 (as amended) (see PARA 335 ante): see reg 47(1).

Regulation 47 (as amended) and reg 48 (as amended) (see the text and notes 21-31 infra) both have effect subject to the Criminal Justice Act 1982 Pt I (ss 1-11) (largely repealed) (treatment of young offenders) (see now the Powers of Criminal Courts (Sentencing) Act 2000; and see SENTENCING AND DISPOSITION OF OFFENDERS VOL 92 (2010) PARA 10 et seq): Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 48(7).

As to the magistrates' court, and as to the admissibility in proceedings under reg 47 of evidence derived from records compiled by the applicant authority (or by an authorised person) before such a court, see PARA 344 post. The power of committal to prison for failure to pay local taxes or fines has been considered by the European Court of Human Rights in *Lloyd v United Kingdom* [2006] RA 329, ECtHR, and in *Beet v United Kingdom* [2006] RA 384, ECtHR. See *R v Newcastle Justices, ex p Ashley* [1993] RA 264 (community charge case, where the warrant was quashed because the magistrates failed to consider alternative ways of dealing with the debtor); *R v Highbury Corner Magistrates' Court, ex p Uchendu* [1994] RA 51, 158 LGR 481. See also non-domestic rating cases, eg *Stevenson v Southwark London Borough Council* [1993] RA 113 (cited in PARA 197 note 7 ante), which may be considered in this context.

Most of the cases cited in this paragraph were decided under earlier legislation, and they must therefore now be considered in relation to the provisions of the Local Government Finance Act 1992 (see PARAS 228 et seq ante, 340 et seq post). As to the historical development of rating law and the continuing relevance of old case law to the current statutory regime governing council tax see PARA 2 ante.

10 Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 47(4). The relevant amount for this purpose is the aggregate of:

299 (1) an amount equal to the appropriate amount mentioned in reg 45(2) (see PARA 335 ante) or (as the case may be) so much of it as remains outstanding (reg 47(4)(a)); and

300 (2) a sum of an amount equal to the costs reasonably incurred by the applicant in respect of the application (reg 47(4)(b)).

11 Ibid reg 47(5)(a). The reference to the relevant amount is to that mentioned in reg 47(4) (see note 10 supra): see reg 47(5)(a).

12 Ibid reg 47(5)(b).

13 For the meanings of 'England' and 'Wales' see PARA 1 note 2 ante.

14 Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 47(5)(c).

15 Is determined in accordance with ibid reg 47(6A) (as added): see reg 47(6)(a) (as substituted: see note 16 infra). The amount referred to in reg 47(6)(a) (as substituted) is the aggregate of:

301 (1) the appropriate amount mentioned in reg 45(2) (see PARA 335 ante) (or so much of it as remains outstanding) (reg 47(6A)(a) (reg 47(6A), (6B), Sch 6 added by SI 1994/505)); and

302 (2) subject to the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 47(6B) (as added), the authority's reasonable costs incurred up to the time of payment or tender in making one or more of the applications referred to in reg 47(6A), (6B) (as added), Sch 6 (as so added; amended in relation to England by SI 2006/3395) (Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 47(6A)(b) (as so added)).

For the purposes of reg 47(6A)(b) (as added) (see head (2) supra), the authority's reasonable costs in respect of any application must not exceed the amount specified for that application in Sch 6 (as added and amended): reg 47(6B) (as so added).

16 Ibid reg 47(6)(a) (reg 47(6) substituted by SI 1994/505).

17 Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 47(6)(b) (as substituted: see note 16 supra).

18 Ibid reg 47(6)(c) (as substituted: see note 16 supra).

19 Ibid reg 47(6) (as substituted: see note 16 supra).

20 Ibid reg 47(7).

However, where a warrant is issued after a postponement under reg 47(3)(b) (see the text and note 9 supra) and, since the term of imprisonment was fixed but before the issue of the warrant, the amount mentioned in reg 47(4)(a) (see note 10 head (1) supra) with respect to which the warrant would (but for the postponement) have been made has been reduced by a part payment, the period of imprisonment ordered under the warrant must be the term fixed under reg 47(3) (see the text and note 9 supra) reduced by such number of days as bears to the total number of days in that term less one day the same proportion as the part paid bears to that amount: reg 47(7)(a). Where, after the issue of a warrant, a part payment of the amount stated in it is made, the period of imprisonment must be reduced by such number of days as bears to the total number of days in the term of imprisonment specified in the warrant less one day the same proportion as the part paid bears to the amount so stated: reg 47(7)(b). In calculating a reduction required under reg 47(7), any fraction of a day is to be left out of account; and the Magistrates' Courts Rules 1981, SI 1981/552, r 55(1)-(3) (as amended) (payment after imprisonment imposed) (see MAGISTRATES vol 29(2) (Reissue) PARA 852 et seq) applies (so far as is relevant) to a part payment as if the imprisonment concerned were imposed for want of sufficient distress to satisfy a sum adjudged to be paid by a magistrates' court: Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 47(8).

21 Ibid reg 48(1) (amended in relation to Wales by SI 2003/1715; in relation to England by SI 2003/2211).

22 Is under the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 47 (as amended) (see the text and notes 1-20 supra): see reg 48(2).

23 Is the inquiries mentioned in ibid reg 47(2) (see the text and note 7 supra): see reg 48(2).

24 Is the appropriate amount mentioned in ibid reg 45(2) (see PARA 335 ante): see reg 48(2).

25 Ibid reg 48(2). See *R (on the application of Broadhurst) v Sheffield Justices* [2001] RVR 245 (the court should consider the question of remission of part or all of the sums due before it considers the question of imprisonment); and *Teignbridge District Council v Saunders* [2001] EWHC Admin 344, [2001] RVR 282, [2001] All ER (D) 94 (May) (justices had no discretion to rescind or cancel an order for imprisonment reasonably imposed at an earlier hearing and then to proceed to exercise their power of remission in the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 48(2) which expressly applied only where no order for imprisonment had been made).

26 Ibid reg 48(3).

27 Ibid reg 48(4).

28 Ibid reg 48(5).

29 Ibid reg 48(5)(a).

30 Ibid reg 48(5)(b).

31 Ibid reg 48(6). The Magistrates' Courts Act 1980 s 125(3) (repealed) (execution of warrants) (see now s 125A (as added and amended) et seq; and MAGISTRATES vol 29(2) (Reissue) PARA 861) applies to such a warrant: see the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 48(6). As to police areas see POLICE vol 36(1) (2007 Reissue) PARA 136 et seq.

32 Accordingly, remedies must be sought by means outside the regulations: see eg *R (on the application of Nwankwo) v Hendon Magistrates' Court* [2003] EWHC 1659 Admin, [2003] All ER (D) 27 (Jun) (on application for judicial review, the justices' decision to commit the taxpayer to prison was quashed on grounds that the hearing had been unfair and that the procedure set out under the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613 (as amended), governing the steps to be taken before committal is considered, had not been followed); and see *R v Newcastle upon Tyne Justices, ex p Devine* [1998] RA 97, 162 JP 602 (a community charge case). See also *R v Thanet District Council, ex p Haddow* [1992] RA 245 (a community charge case).

UPDATE

340 Provision for the relationship between remedies

NOTES 8, 13--Day appointed for coming into force of Welfare Reform Act 2007 Sch 3 para 11 is 27 October 2008: SI 2008/787.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(7) RECOVERY OF COUNCIL TAX/(vi) Procedural Matters/341. Relationship between remedies.

341. Relationship between remedies.

Where a warrant of commitment is issued against (or a term of imprisonment is fixed in the case of) a person¹, no steps, or no further steps, may be taken under the council tax enforcement provisions², by way of attachment of allowances, attachment of earnings, distress, bankruptcy or charging, or under the Income Support Regulations³, in relation to the relevant amount⁴. Steps under the council tax enforcement provisions⁵ by way of attachment of allowances, attachment of earnings, distress, commitment, bankruptcy, winding up or charging may not be taken in relation to a person against whom a liability order⁶ has been made while⁷:

- 826 (1) steps by way of another of those methods are being taken against him under it⁸; or
- 827 (2) deductions are being made under the Income Support Regulations from any amount payable to him by way of income support or jobseeker's allowance⁹; or
- 828 (3) an application under the Income Support Regulations¹⁰ has been made in respect of him to the Secretary of State¹¹ and remains undetermined¹².

An application as mentioned in head (3) above¹³ may not be made in respect of a person against whom a liability order has been made while steps under the council tax enforcement provisions¹⁴ are being taken against him for the recovery of an amount equal to any outstanding sum which is or forms part of the amount in respect of which the liability order was made¹⁵.

Attachment of allowances, attachment of earnings, deductions under the Income Support Regulations or distress may be resorted to more than once¹⁶; and attachment of allowances, attachment of earnings, deductions under the Income Support Regulations or distress may be resorted to in any order or alternately (or both)¹⁷.

Where a step is taken for the recovery of an outstanding sum which is or forms part of an amount in respect of which a liability order has been made and under which additional costs or charges with respect to the step are also recoverable in accordance with the council tax enforcement provisions¹⁸, any sum recovered thereby which is less than the aggregate of the amount outstanding and such additional costs and charges is to be treated as discharging first the costs and charges, the balance (if any) being applied towards the discharge of the outstanding sum¹⁹.

If a liability order has been made, and:

- 303 (1) by virtue of a notification which is given by the billing authority or an authorised person under the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 24(2) or (5) (see PARA 304 ante), reg 25(5) or (8) (see PARA 305 ante), reg 28(3) (as substituted) (see PARA 297 ante) or reg 28(4) (as substituted and amended) (see PARA 297 ante) or reg 31(2) (see PARA 299 ante), or reg 21, Sch 1 Pt III para 9(3) (see PARA 302 ante) or Sch 1 Pt III para 10(2) (a) (see PARA 303 ante) (reg 57(2)(a) (amended by SI 1996/1880)); or

any part of the amount mentioned in reg 34(5)(a) (see PARA 315 ante) in respect of which the order was made would (if paid) fall to be repaid or credited against any subsequent liability, that part is to be treated for the purposes of Pt VI (as amended) as paid on the day the notification is given or the amount in substitution is set under the Local Government Finance Act 1992 s 31(2) (see PARA 261 ante) and accordingly as no longer outstanding (Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 57(2) (amended by SI 1992/3008)). For the meaning of 'authorised person' see PARA 344 note 7 ante; and for the meaning of 'liability order' see PARA 312 note 2 ante. As to billing authorities see PARA 229 ante.

If, after a warrant is issued or term of imprisonment is fixed under the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 47(3) (see PARA 339 ante), and before the term of imprisonment has begun or been fully served, a billing authority gives such a notification as is mentioned in reg 57(2)(a) (as amended) (see head (1) supra) in the case in question, or sets an amount in substitution so that the Local Government Finance Act 1992 s 31(4) applies in the case in question, it must forthwith notify accordingly the designated officer for the court which issued the warrant and (if the debtor is detained) the governor or keeper of the prison or place where he is detained or such other person as has lawful custody of him: Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 57(3) (amended by SI 2005/617; in relation to England by SI 2001/362; in relation to Wales by SI 2001/1076). For the meaning of 'debtor' see PARA 317 note 2 ante.

If the debtor is treated as having paid an amount under the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, reg 57(2) (as amended) on any day (reg 57(4)), and:

- 305 (a) that day falls after the completion of the service of a term of imprisonment imposed under reg 47 (as amended) (see PARA 339 ante) in respect of the amount he is treated as having paid (reg 57(4)(a)); or
- 306 (b) the debtor is serving a term of imprisonment imposed under reg 47 (as amended) on that day and the amount he is treated as having paid exceeds the amount of any part payment which, if made, would cause the expiry of the term of imprisonment pursuant to reg 47(7)(b) (see PARA 339 ante) on that day (reg 57(4)(b)),

then the amount mentioned in head (a) supra or the excess mentioned in head (b) supra must be paid to the debtor or credited against any subsequent liability of his, as the debtor requires (reg 57(4)).

If a person fails so to comply, he is for each offence liable on summary conviction to a fine not exceeding level 3 on the standard scale¹³, unless he proves that he did not know either that these restrictions applied to him at the time of the meeting¹⁴ or that the matter in question was the subject of consideration at the meeting¹⁵. Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(8) COUNCIL TAX APPEALS/(ii) Appeals to Valuation Tribunals/353. Appeals to valuation tribunals.

(ii) Appeals to Valuation Tribunals

353. Appeals to valuation tribunals.

A person may appeal to a valuation tribunal¹ if he is aggrieved by²:

- 855 (1) any decision of a billing authority³ that a dwelling⁴ is a chargeable dwelling⁵, or that he is liable to pay council tax⁶ in respect of such a dwelling⁷; or
- 856 (2) any calculation made by such an authority of an amount⁸ which he is liable to pay to the authority in respect of council tax⁹.

However, no such appeal may be made unless the aggrieved person serves a written notice¹⁰, and one of the following conditions is fulfilled¹¹, namely that:

- 857 (a) the aggrieved person is notified in writing, by the authority on which he served the notice, that the authority believes the grievance is not well founded, but the person is still aggrieved¹²;
- 858 (b) the aggrieved person is notified in writing, by the authority on which he served the notice, that steps have been taken to deal with the grievance, but the person is still aggrieved¹³;
- 859 (c) the period of two months, beginning with the date of service of the aggrieved person's notice, has ended without his being notified under head (a) or (b) above¹⁴.

Where a written notice is served on an authority by an aggrieved person in this way¹⁵, the authority must¹⁶:

- 860 (i) consider the matter to which the notice relates¹⁷;
- 861 (ii) include in any notification under head (a) above the reasons for the belief concerned¹⁸;
- 862 (iii) include in any notification under head (b) above a statement of the steps taken¹⁹.

1 As to valuation tribunals and the jurisdiction conferred on them by or under the Local Government Finance Act 1992 see PARAS 351-352 ante.

2 Local Government Finance Act 1992 s 16(1). As to persons aggrieved see JUDICIAL REVIEW vol 61 (2010) PARAS 656, 664.

Section 16(1) does not apply where the grounds on which the person concerned is aggrieved fall within such category or categories as may be prescribed: s 16(3). 'Prescribed' means prescribed by regulations made by the Secretary of State (or by the Welsh Ministers, as the case may be): s 116(1). As to the Secretary of State and the Welsh Ministers, and as to the making of regulations under the Local Government Finance Act 1992 generally, see PARA 228 ante. Accordingly, the provisions of s 16(1) do not apply where the ground on which the person concerned is aggrieved is that any assumption as to the future that is required by the Council Tax (Administration and Enforcement) Regulations 1992, SI 1992/613, Pt V (regs 17-31) (as amended) (see PARA 292 et seq ante) to be made in the calculation of an amount may prove to be inaccurate: reg 30.

9 *Ibid* s 16(1)(b). As to references to an amount payable in respect of council tax see PARA 244 note 3 ante.

10 *Ibid* s 16(4)(a). The text refers to a notice served under s 16: see s 16(4)(a). A notice under s 16(4) must be served on the billing authority concerned (s 16(5)); and must state the matter by which and the grounds on which the person is aggrieved (s 16(6)).

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3.
COUNCIL TAX/(8) COUNCIL TAX APPEALS/(ii) Appeals to Valuation Tribunals/354. Jurisdiction.

354. Jurisdiction.

An appeal¹ other than an appeal against the imposition of a penalty² is to be dealt with by the tribunal³ established for the area⁴ in which is situated the dwelling to which the appeal relates⁵. An appeal against the imposition of a penalty is to be dealt with by the tribunal whose area of jurisdiction includes the area of the billing authority⁶ concerned⁷.

Where:

- 863 (1) more than one billing authority has decided that a person is liable to pay council tax for the same day because he is a resident in relation to a dwelling⁸; and
- 864 (2) the person appeals under the Local Government Finance Act 1992⁹ against both or all of the decisions¹⁰; and
- 865 (3) but for this provision, the appeals would fall to be dealt with by different valuation tribunals¹¹,

the appeals are to be dealt with by such one of those tribunals as he may, by notice in writing given to the clerk¹², elect¹³. Where the appellant is an employee¹⁴ or member of the valuation tribunal which, but for this provision, would deal with his appeal, that tribunal must not deal with it; but it must be dealt with by such other tribunal as may be appointed for the purpose, in relation to England, by the Secretary of State¹⁵ or, in relation to Wales, by the Valuation Tribunal Service for Wales¹⁶.

Where the appellant is a former member or employee¹⁷ of the tribunal by which, in pursuance of this provision, his appeal would fall to be dealt with, and the president¹⁸ determines that it must not be dealt with by the tribunal, it must be dealt with by such other tribunal as may be appointed for the purpose, in relation to England, by the Secretary of State or, in relation to Wales, by the Valuation Tribunal Service for Wales¹⁹.

Where it appears to the president of a tribunal which, but for this provision, would deal with an appeal, that by reason of a conflict of interests (or the appearance of such a conflict) it would be inappropriate for an appeal to be dealt with by that tribunal, the Secretary of State, in relation to England, or the Valuation Tribunal Service for Wales, in relation to Wales, must, on being so notified by the president, appoint another tribunal to deal with that appeal²⁰.

1 For these purposes, 'appeal', unless the context otherwise requires, means an appeal under: (1) the Local Government Finance Act 1992 s 16 (see PARA 353 ante) (appeals: general); (2) s 14(2), Sch 3 para 3(1) (see PARA 308 ante) (penalties); or (3) the Local Government Finance Act 1988 s 46A(1) (as added), Sch 4A para 4 (as added and amended) (see PARA 68 ante) as it applies for the purposes of the Local Government Finance Act 1992 Pt I (ss 1-69) (as amended) (see PARA 231 et seq ante) ('appeal against a completion notice'): see the Valuation and Community Charge Tribunals Regulations 1989, SI 1989/439, reg 34(1), (2)(b) (reg 34 added by SI 1993/292); and the Valuation Tribunals (Wales) Regulations 2005, SI 2005/3364, reg 3(1)(a), (d). 'Completion notice' means a notice under the Local Government Finance Act 1988 Sch 4A (as added and amended) as it applies for the purposes of the Local Government Finance Act 1992 Pt I (as amended): see the Valuation and Community Charge Tribunals Regulations 1989, SI 1989/439, reg 34(1), (2)(b) (as so added); and the Valuation Tribunals (Wales) Regulations 2005, SI 2005/3364, reg 3(1). As to the completion notice provisions as so applied see PARA 236 ante.

2 For these purposes, 'penalty' means a penalty imposed under the Local Government Finance Act 1992 Sch 3 para 1 (see PARA 308 ante): Valuation and Community Charge Tribunals Regulations 1989, SI 1989/439, reg 34(1), (2)(b) (as added: see note 1 supra); Valuation Tribunals (Wales) Regulations 2005, SI 2005/3364, reg 3(1).

3 For these purposes, 'tribunal', unless the context otherwise requires, means the members of a tribunal convened in accordance with, in relation to England, the Valuation and Community Charge Tribunals Regulations 1989, SI 1989/439, Pt V (regs 34-52) (as added and amended) or, in relation to Wales, the Valuation Tribunals (Wales) Regulations 2005, SI 2005/3364, Pt 5 (regs 24-42) (as the case may be) for the purposes of disposing of an appeal: see the Valuation and Community Charge Tribunals Regulations 1989, SI 1989/439, reg 34(1) (as added: see note 1 supra); and the Valuation Tribunals (Wales) Regulations 2005, SI 2005/3364, reg 3(1). For the meanings of 'England' and 'Wales' see PARA 1 note 2 ante.

4 For the meaning of 'area' in relation to a tribunal see PARA 147 note 8 ante.

5 Valuation and Community Charge Tribunals Regulations 1989, SI 1989/439, reg 35(1)(a) (reg 35 added by SI 1993/292); Valuation Tribunals (Wales) Regulations 2005, SI 2005/3364, reg 25(1)(a). For the meaning of 'dwelling' under the Local Government Finance Act 1992 see PARA 232 ante.

Notwithstanding the provisions of the Valuation Tribunals (Wales) Regulations 2005, SI 2005/3364, reg 25, where it appears appropriate to the Valuation Tribunal Service for Wales, it may appoint a special tribunal to deal with an appeal: reg 25(7). For these purposes, 'special tribunal' means a tribunal established under reg 25(7): see reg 3(1). In cases dealt with under reg 25(7), the Valuation Tribunal Service for Wales is to appoint one of the clerks appointed under reg 18(5) or reg 18(7) (see PARA 150 ante) to serve that Tribunal: see reg 25(9). As to the clerks see also note 12 infra. As to the Valuation Tribunal Service for Wales see PARA 150 et seq ante.

6 As to billing authorities see PARA 229 ante.

7 Valuation and Community Charge Tribunals Regulations 1989, SI 1989/439, reg 35(1)(b) (as added: see note 5 supra); Valuation Tribunals (Wales) Regulations 2005, SI 2005/3364, reg 25(1)(b).

8 Valuation and Community Charge Tribunals Regulations 1989, SI 1989/439, reg 35(2)(a) (as added: see note 5 supra); Valuation Tribunals (Wales) Regulations 2005, SI 2005/3364, reg 25(2)(a). As to council tax generally see PARA 227 et seq ante; and as to liability to council tax see PARA 231 et seq ante.

11 Valuation and Community Charge Tribunals Regulations 1989, SI 1989/439, reg 35(2)(c) (as added: see note 5 supra); Valuation Tribunals (Wales) Regulations 2005, SI 2005/3364, reg 25(2)(c).

12 In relation to England, the notice must be given to the clerks of those different tribunals: see the Valuation and Community Charge Tribunals Regulations 1989, SI 1989/439, reg 35(2) (as added: see note 5 supra). In relation to Wales, the notice must be given to the clerk of such one of the tribunals as the person may elect: see the Valuation Tribunals (Wales) Regulations 2005, SI 2005/3364, reg 25(2).

In relation to England, 'clerk' means the clerk of the tribunal appointed in accordance with the Local Government Act 2003 s 105(9), Sch 4 paras 8-9 (see PARA 149 ante): Valuation and Community Charge Tribunals Regulations 1989, SI 1989/439, reg 2(1) (definition substituted by SI 2004/482). In relation to Wales, for the purposes of the Valuation Tribunals (Wales) Regulations 2005, SI 2005/3364, Pt 5, 'clerk' means an interim clerk appointed under reg 18(5) or a clerk appointed under reg 18(7) (see PARA 150 ante), and any other employee of the Valuation Tribunal Service for Wales appointed under reg 18(8) to which part or all of the functions of the clerk in Pt 5 have been delegated: reg 24(2).

13 Valuation and Community Charge Tribunals Regulations 1989, SI 1989/439, reg 35(2) (reg 35 as added (see note 5 supra); reg 35(2) amended by SI 2000/409); Valuation Tribunals (Wales) Regulations 2005, SI 2005/3364, reg 25(2).

14 Where the appellant is an employee of the Valuation Tribunal Service for Wales, the appeal is to be dealt with by a special tribunal as may be appointed for the purpose by the Valuation Tribunal Service for Wales: *ibid* reg 25(5). For these purposes, 'special tribunal' means a tribunal established under reg 25(5): see reg 3(1). In cases dealt with under reg 25(5), the Valuation Tribunal Service for Wales is to appoint one of the clerks appointed under reg 18(5) or reg 18(7) (see PARA 150 ante) to serve that tribunal: see reg 25(9).

Where: (1) the appellant is a former member or employee of an old tribunal (ie a Valuation Tribunal in Wales which existed immediately before 15 February 2006: see *ibid* reg 3(1)) (reg 25(8)(a)); and (2) in pursuance of reg 25(1), (2) (see the text and notes 1-13 *supra*), his appeal would fall to be dealt with by a tribunal whose area includes all or part of the area of that old tribunal (reg 25(8)(b)); and (3) the president determines that the appeal is not to be dealt with by that tribunal (reg 25(8)(b)), it must be dealt with by a special tribunal as may be appointed for the purpose by the Valuation Tribunal Service for Wales (reg 25(8)). 355. Initiating an appeal.

An appeal in relation to the council tax¹ is initiated by serving on the clerk² of the tribunal³ having jurisdiction in relation to the appeal⁴ a notice in writing (a 'notice of appeal')⁵. Where the appeal is made under the Local Government Finance Act 1992⁶, the notice of appeal must contain the following information⁷:

- 866 (1) the grounds on which the appeal is made⁸;
- 867 (2) the date on which the notice under the Local Government Finance Act 1992⁹ was served on the billing authority¹⁰; and
- 868 (3) the date, if any, on which the appellant was notified by the authority under the Local Government Finance Act 1992¹¹.

Where the appeal is an appeal against a completion notice¹², the notice of appeal must be accompanied by a copy of the completion notice¹³, and by a statement of the grounds on which the appeal is made¹⁴.

Where the appeal is against the imposition of a penalty¹⁵, the notice of appeal must contain the grounds on which the appeal is made¹⁶, and the date of service of written notice of the imposition of a penalty¹⁷.

The clerk must, within two weeks of service of the notice of appeal, notify the appellant that he has received it, and must serve a copy of it on the billing authority whose decision, action or notice is the subject of the appeal, and any other billing authority appearing to the clerk to be concerned¹⁸.

359. Disposal by written representations.

An appeal in relation to the council tax¹ may be disposed of on the basis of written representations if all the parties² have given their agreement in writing³.

Where all the parties have so given their agreement, the clerk⁴ must serve notice⁵ on the parties accordingly⁶; and, within four weeks of the service of such a notice on him, each party may serve on the clerk a notice stating⁷:

- 872 (1) his reasons or further reasons for the disagreement giving rise to the appeal⁸;
or
- 873 (2) that he does not intend to make further representations⁹.

A copy of any notice so served must be served by the clerk on the other party or parties to the appeal¹⁰.

Any party on whom such a copy of a notice is so served may, within four weeks of that service, serve on the clerk a further notice stating that party's reply to the other party's statement, or that that party does not intend to make further representations, as the case may be; and the clerk must serve a copy of any such further notice on the other party or parties¹¹. After the expiry of four weeks beginning with the expiry of the period of four weeks last mentioned, the clerk must submit copies of¹²:

- 874 (a) any information transmitted to him under the regulations¹³; and
- 875 (b) any notice served on him under the written representations procedure¹⁴,

to a tribunal¹⁵. The tribunal to which an appeal is referred in this way may, if it thinks fit:¹⁶

- 876 (i) require any party to furnish in writing further particulars of the grounds relied on and of any relevant facts or contentions¹⁷; or
- 877 (ii) order that the appeal be disposed of on the basis of a hearing¹⁸.

362. Conduct of the hearing.

A valuation tribunal's¹ function of hearing or determining an appeal in relation to the council tax² is to be discharged by three members³ of the tribunal who must include at least one chairman⁴; and a chairman must preside⁵. However, where all parties to an appeal⁶ who appear⁷ so agree, the appeal may be decided by two members of a tribunal, and notwithstanding the absence of a chairman⁸.

The hearing must take place in public, unless the tribunal otherwise orders on the application of a party and on being satisfied that the interests of that party would be prejudicially affected⁹.

If the appellant fails to appear at the hearing, the tribunal may dismiss the appeal, and if any other party does not appear the tribunal may hear and determine the appeal in his absence¹⁰.

The tribunal may require any witness to give evidence under oath or affirmation, and has power for that purpose to administer an oath or affirmation in due form¹¹. Parties at the hearing may be heard in such order as the tribunal may determine, and may examine any witness before the tribunal and call witnesses¹².

A hearing may be adjourned for such time, to such place and on such terms (if any) as the tribunal thinks fit; and reasonable notice of the time and place to which the hearing has been adjourned must be given to every party¹³.

If it thinks fit, a tribunal may, after notice to the parties inviting them to be present, inspect any dwelling which is the subject of an appeal¹⁴.

Subject to any provisions of the council tax tribunal regulations¹⁵, the tribunal: (1) must conduct the hearing in such manner as it considers most suitable to the clarification of the issues before it and generally to the just handling of the proceedings¹⁶; (2) must, so far as appears to it appropriate, seek to avoid formality in its proceedings¹⁷; and (3) is not bound by any enactment or rule of law relating to the admissibility of evidence before courts of law¹⁸.

As soon as is reasonably practicable after a decision has been made, it must (in the case of a decision given orally) be confirmed⁸ and, in any other case, be communicated⁹, by notice in writing to the parties¹⁰; and the notice must be accompanied by a statement of the reasons for the decision¹¹.

In the case of an appeal against a completion notice¹², the clerk must send notice of the decision to the listing officer¹³ appointed for the billing authority¹⁴ which is a party to the appeal¹⁵.

See now Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2009, SI 2009/2268; Valuation Tribunal for England (Council Tax and Rating Appeals) (Procedure) Regulations 2009, SI 2009/2269; and PARA 128-142.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(8) COUNCIL TAX APPEALS/(ii) Appeals to Valuation Tribunals/367. Review of decisions.

367. Review of decisions.

A valuation tribunal¹ has power² on written application by a party³ to review or set aside by certificate under the hand of the presiding member⁴:

- 889 (1) any decision⁵ on any of the following grounds⁶, namely:
- 57
- 86. (a) that the decision was wrongly made as a result of clerical error⁷;
 - 87. (b) that a party did not appear and can show reasonable cause why he did not do so⁸;
 - 88. (c) that the decision is affected by a decision of, or on appeal from, the High Court or the Lands Tribunal in relation to an appeal in respect of the dwelling which, or, as the case may be, the person who, was the subject of the tribunal's decision⁹; and
- 58
- 890 (2) a decision¹⁰ on an appeal against a completion notice¹¹, on the additional ground¹² that new evidence, the existence of which could not have been ascertained by reasonably diligent inquiry or could not have been foreseen, has become available since the conclusion of the proceedings to which the decision relates¹³.

Such an application to review or set aside may be dismissed if it is not made within the period of four weeks beginning on the day on which notice is given¹⁴ of the decision in question¹⁵.

If a tribunal sets aside a decision¹⁶, it must revoke any order made in consequence of that decision and must order a rehearing or redetermination before either the same or a different tribunal¹⁷. The clerk¹⁸ must as soon as reasonably practicable notify the parties to the appeal in writing of¹⁹:

- 891 (i) a determination that the tribunal will not undertake such a review²⁰;
- 892 (ii) the determination of the tribunal, having undertaken such a review, that it will not set aside the decision concerned²¹;
- 893 (iii) the issue of any certificate either reviewing or setting aside a decision²²; and
- 894 (iv) the revocation of any order²³.

Where, in relation to a decision in respect of which an application to review or set aside is made, an appeal to the High Court remains undetermined on the relevant day²⁴, the clerk must notify the High Court as soon as reasonably practicable after the occurrence of the relevant event²⁵.

1 For the meaning of 'tribunal' see PARA 354 note 3 ante. So far as is reasonably practicable, the tribunal appointed to review a decision is to consist of the same members as constituted the tribunal which took the decision: Valuation and Community Charge Tribunals Regulations 1989, SI 1989/439, reg 49(4) (reg 49 added by SI 1993/292); Valuation Tribunals (Wales) Regulations 2005, SI 2005/3364, reg 39(4).

367 Review of decisions

TEXT AND NOTE 9--Reference to Lands Tribunal now to Upper Tribunal: SI 1989/439 reg 49(5)(c) (amended by SI 2009/1307).

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(8) COUNCIL TAX APPEALS/(ii) Appeals to Valuation Tribunals/368. Records of decisions etc.

368. Records of decisions etc.

It is the duty of the clerk¹ to make arrangements for each decision, each order made by a valuation tribunal², and the effect of each certificate and revocation³, to be recorded⁴. Records may be kept in any form, whether documentary or otherwise, and must contain the following particulars⁵:

- 895 (1) the appellant's name and address⁶;
- 896 (2) the date of the appeal⁷;
- 897 (3) the matter appealed against⁸;
- 898 (4) the name of the billing authority⁹ whose decision was appealed against¹⁰;
- 899 (5) the date of the hearing or determination¹¹;
- 900 (6) the names of the parties¹² who appeared, if any¹³;
- 901 (7) the decision of the tribunal and its date¹⁴;
- 902 (8) the reasons for the decision¹⁵;
- 903 (9) any order made in consequence of the decision¹⁶;
- 904 (10) the date of any such order¹⁷;
- 905 (11) any certificate setting aside the decision¹⁸;
- 906 (12) any revocation¹⁹.

A copy, in documentary form, of the relevant entry in the record must, as soon as reasonably practicable after the entry has been made, be sent to each party to the appeal to which the entry relates²⁰.

Each record must be retained for the period of six years beginning on the day on which an entry was last made in it²¹.

Any person may, at a reasonable time stated by or on behalf of the tribunal concerned and without making payment, inspect the records which are so required to be made²². If without reasonable excuse a person having custody of the record intentionally obstructs a person in exercising the right of inspection so conferred, he is liable on summary conviction to a fine not exceeding level 1 on the standard scale²³.

The member²⁴ who presided at the hearing or determination of an appeal may authorise the correction of any clerical error in the record, and a copy of the corrected entry must be sent to the persons to whom a copy of the original entry was sent²⁵.

The production in any proceedings in any court of law of a document purporting to be certified by the clerk of a tribunal to be a true copy of a record or decision of that tribunal is, unless the contrary is proved, sufficient evidence of the document and of the facts it records²⁶.

(i) Framework of Council Tax Benefit Scheme

371. Council tax benefit scheme.

Amongst the schemes which are prescribed under the Social Security Contributions and Benefits Act 1992¹ to provide for 'income-related benefits', a scheme is prescribed for council tax benefit²; and each billing authority³: (1) must take such steps as appears to it appropriate for the purpose of securing that any person who may be entitled to council tax benefit in respect of council tax payable to the authority⁴ becomes aware that he may be entitled to it⁵; and (2) must make copies of the council tax benefit scheme, with any modifications adopted by it under the Social Security Administration Act 1992⁶ available for public inspection at its principal office at all reasonable hours without payment⁷.

1 Under the Social Security Contributions and Benefits Act 1992 Pt VII (ss 123-137) (as amended) (income-related benefits): see SOCIAL SECURITY AND PENSIONS vol 44(2) (Reissue) PARA 173 et seq.

'Prescribed' means specified in or determined in accordance with regulations: s 137(1). As to matters for which such regulations may make provision see s 137(2) (amended by the Jobseekers Act 1995 s 41(4), Sch 2 para 35). As to the exercise of the power to make regulations, orders and schemes under the Social Security Contributions and Benefits Act 1992 see s 175 (as amended); and SOCIAL SECURITY AND PENSIONS vol 44(2) (Reissue) PARA 30. As to the scheme mentioned in the text see note 2 infra.

2 See *ibid* s 123(1)(e) (substituted by the Local Government Finance Act 1992 s 103, Sch 9 para 1). Special provision is made in relation to council tax benefit in the case of any person who has attained the qualifying age for state pension credit: see the Social Security Contributions and Benefits Act 1992 s 136A (as added); and PARA 372 post.

Accordingly, the scheme mentioned in the text has been set out in two sets of regulations: one relating to persons who have attained the qualifying age for state pension credit (see the Council Tax Benefit (Persons who have attained the qualifying age for state pension credit) Regulations 2006, SI 2006/216 (as amended); and PARA 375 post); and the other for those who have not (or who have attained that age but are on income support or an income-based jobseeker's allowance) (see the Council Tax Benefit Regulations 2006, SI 2006/215 (as amended); and PARA 375 post): see the Council Tax Benefit Regulations 2006, SI 2006/215, reg 5; and the Council Tax Benefit (Persons who have attained the qualifying age for state pension credit) Regulations 2006, SI 2006/216, reg 5. As to state pension credit see SOCIAL SECURITY AND PENSIONS. As to income support see SOCIAL SECURITY AND PENSIONS vol 44(2) (Reissue) PARA 176 et seq. As to income-based jobseeker's allowance see SOCIAL SECURITY AND PENSIONS vol 44(2) (Reissue) PARA 271 et seq.

Where a person, who has made a claim for asylum, is notified that he has been recorded by the Secretary of State as a refugee, the Council Tax Benefit Regulations 2006, SI 2006/215 (as amended) and the Council Tax Benefit (Persons who have attained the qualifying age for state pension credit) Regulations 2006, SI 2006/216 (as amended), as the case may be, have effect with respect to his entitlement to council tax benefit for the relevant period which applies in his case: see the Council Tax Benefit Regulations 2006, SI 2006/215, reg 7A, Sch A1 (both added by SI 2006/217); and the Council Tax Benefit (Persons who have attained the qualifying age for state pension credit) Regulations 2006, SI 2006/216, reg 7A, Sch A1 (both added by SI 2006/217); and see PARA 375 post. NOTE 2--SI 2006/215 reg 5; and SI 2006/216 reg 5 amended: SI 2008/1082.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3.
COUNCIL TAX/(9) COUNCIL TAX BENEFIT/(i) Framework of Council Tax Benefit Scheme/372.
Effect of attaining qualifying age for state pension credit.

372. Effect of attaining qualifying age for state pension credit.

In the case of any person who has attained the qualifying age for state pension credit¹, certain of the statutory provisions relating to council tax benefit may be modified².

Regulations under the Social Security Contributions and Benefits Act 1992 may make provision for the provisions as to exclusion from benefit³ or as to the treatment of income and capital⁴ not to have effect in relation to those benefits in the case of any such person⁵.

In relation to council tax benefit, regulations may make provision for the determination of the income and capital of any such person; and any such regulations may include provision applying (with such modifications as the Secretary of State⁶ thinks fit) the following statutory provisions⁷, being those:

- 907 (1) in respect of state pension credit under which, where the claimant is a member of a couple, the income of the other member of the couple is treated as the income of the claimant⁸; and
- 908 (2) as to the determination of income and capital for purposes of state pension credit⁹.

Such regulations may also include provision:

- 909 (a) authorising or requiring the use of any calculation or estimate of a person's income or capital made by the Secretary of State for the purposes of the State Pension Credit Act 2002¹⁰; or
- 910 (b) requiring that, if and so long as an assessed income period is in force¹¹ in respect of a person who has attained the qualifying age for state pension credit¹²:
 - (i) the assessed amount¹³ of any element of his retirement provision¹⁴ is to be treated as the amount of that element for the purposes of council tax benefit¹⁵; and
 - (ii) his income is to be taken for those purposes not to include any element of retirement provision which it is taken not to include for the purposes of state pension credit¹⁶.

The Secretary of State also may by regulations make provision for the preceding provisions to apply with modifications in relation to polygamous marriages¹⁷.

1 For these purposes, the 'qualifying age for state pension credit' is (in accordance with the State Pension Credit Act 2002 s 1(2)(b), (6): see SOCIAL SECURITY AND PENSIONS): (1) in the case of a woman, pensionable age; or (2) in the case of a man, the age which is pensionable age in the case of a woman born on the same day as the man: Social Security Contributions and Benefits Act 1992 s 137(1) (definition added by the State Pension Credit Act 2002 s 14, Sch 2 Pt 1 paras 1, 4). 'Pensionable age' has the meaning given by the rules in the Pensions Act 1995 s 126 (as amended), Sch 4 para 1 (as substituted) (see SOCIAL SECURITY AND PENSIONS vol 44(2) (Reissue) PARA 562): Social Security Contributions and Benefits Act 1992 s 137(1) (definition added by the State Pension Credit Act 2002 Sch 2 Pt 1 paras 1, 4). As to state pension credit see SOCIAL SECURITY AND PENSIONS.

2 See the Social Security Contributions and Benefits Act 1992 s 136A(1) (s 136A added by the State Pension Credit Act 2002 Sch 2 Pt 1 paras 1, 3). The Social Security Contributions and Benefits Act 1992 s 136A(1) (as added) is subject to s 136A(2), (3) (as added) (see the text and notes 3-9 infra) which may disapply, or apply with modification, the provisions specified therein: see s 136A(1) (as so added).

3 le *ibid* s 134(1) (see PARA 379 post): see s 136A(2) (as added: see note 2 supra).

4 le *ibid* s 136 (see PARA 381 post): see s 136A(2) (as added: see note 2 supra).

COUNCIL TAX/(9) COUNCIL TAX BENEFIT/(i) Framework of Council Tax Benefit Scheme/373.
Arrangements for administering council tax benefit scheme.

373. Arrangements for administering council tax benefit scheme.

Council tax benefit provided for by virtue of a council tax benefit scheme¹ is to be administered by the appropriate authority². A billing authority may modify³ any part of the council tax benefit scheme administered by the authority⁴:

- 911 (1) so as to provide for disregarding, in determining a person's income, the whole or part of any prescribed⁵ war disablement pension or prescribed war widow's pension⁶ payable to that person or to his partner⁷ or to a person to whom he is polygamously married⁸;
- 912 (2) to such extent in other respects as may be prescribed⁹,

and any such modifications may be adopted by resolution of an authority¹⁰.

Modifications other than such modifications as are mentioned in head (1) above must be so framed as to secure that, in the estimate of the authority adopting them, the total of the amount of benefit which will be paid by it in any year will not exceed the permitted total or any subsidiary limit specified by order of the Secretary of State¹¹. An authority which has adopted modifications may by resolution revoke or vary them¹². If the council tax benefit scheme includes power for an authority to exercise a discretion in allowing council tax benefit, the authority must not exercise that discretion so that the total of the amount of benefit paid by it in any year exceeds the permitted total or any subsidiary limit specified by order of the Secretary of State¹³.

The Secretary of State:

- 913 (a) must by order specify the permitted total of council tax benefit payable by any authority in any year¹⁴; and
- 914 (b) may by order specify one or more subsidiary limits on the amount of council tax benefit payable by any authority in any year in respect of any matter or matters specified in the order¹⁵.

The power to specify the permitted total or a subsidiary limit may be exercised by fixing an amount or by providing rules for its calculation¹⁶.

1 le a scheme under the Social Security Contributions and Benefits Act 1992 s 123 (as amended) (see PARA 371 ante) (a 'council tax benefit scheme'): see the Social Security Administration Act 1992 s 139(1) (as amended: see note 2 infra).

2 Ibid s 139(1) (amended by the Local Government Finance Act 1992 s 103, Sch 9 para 20). For these purposes, the appropriate authority is the billing authority which levied the council tax as regards which a person is entitled to the benefit: Social Security Administration Act 1992 s 139(2) (substituted by the Local Government Finance Act 1992 Sch 9 para 20). For the meaning of 'billing authority' see PARA 229 ante; definition applied by virtue of the Social Security Administration Act 1992 s 191 (definition substituted by the Local Government Finance Act 1992 Sch 9 para 25(a)). Nothing in the Social Security Administration Act 1992 s 139 (as amended) is to be read as excluding the general provisions of the Local Government Act 1972 (see generally LOCAL GOVERNMENT vol 69 (2009) PARA 1et seq) from applying in relation to the council tax benefit functions of a local authority: Social Security Administration Act 1992 s 139(4) (substituted by the Housing Act 1996 s 121, Sch 12 para 3(2)).

3 For these purposes, 'modifications' includes additions, omissions and amendments, and related expressions must be construed accordingly: see the Social Security Administration Act 1992 s 139(11).

4 Ibid s 139(6) (amended by the Local Government Finance Act 1992 Sch 9 para 20).

5 'Prescribe' means prescribe by regulations; and 'prescribed' must be construed accordingly: see the Social Security Administration Act 1992 s 191(1) (definition amended by the Welfare Reform Act 2007 s 40, Sch 5 paras 2, 10). See note 8 *infra*.

6 'War widow's pension' includes any corresponding pension payable to a widower or surviving civil partner: see the Social Security Administration Act 1992 s 139(11) (definition substituted by the Welfare Reform Act 2007 Sch 5 paras 2, 4(b)).

7 'Partner', in relation to a person, means the other member of the couple concerned: see the Social Security Administration Act 1992 s 139(11).

8 Ibid s 139(6)(a) (amended by the Welfare Reform Act 2007 Sch 5 paras 2, 4(a)). In exercise of the power so conferred the Secretary of State has made the Housing Benefit and Council Tax Benefit (War Pension Disregards) Regulations 2007, SI 2007/1619, regs 2-3, Schedule.

9 Social Security Administration Act 1992 s 139(6)(b). In exercise of the power so conferred the Secretary of State has made the Council Tax Benefit Regulations 2006, SI 2006/215 (as amended); and the Council Tax Benefit (Persons who have attained the qualifying age for state pension credit) Regulations 2006, SI 2006/216 (as amended) (see *PARA 375 post*).

10 Social Security Administration Act 1992 s 139(6).

11 Ibid s 139(7) (amended by the Housing Act 1996 Sch 12 para 3(3)). As to the Secretary of State see *PARA 228 ante*.

12 Social Security Administration Act 1992 s 139(8).

13 Ibid s 139(9) (amended by the Local Government Finance Act 1992 Sch 9 para 20; and the Housing Act 1996 Sch 12 para 3(4)).

14 Social Security Administration Act 1992 s 139(10)(a) (s 139(10) substituted by the Housing Act 1996 Sch 12 para 3(5)). Any power under the Social Security Administration Act 1992 Pt VIII (ss 134-140G) (as added and amended) to make provision by order for or in relation to a year does not require the making of a new order each year: see s 140F(1) (s 140F added by the Housing Act 1996 Sch 12 para 4). Any order made under the power may be revoked or varied at any time, whether before, during or after the year to which it relates: Social Security Administration Act 1992 s 140F(2) (as so added). For these purposes, 'year' means a financial year within the meaning of the Local Government Finance Act 1992 (see *PARA 231 note 1 ante*): see the Social Security Administration Act 1992 s 140G (s 140G added by the Housing Act 1996 Sch 12 para 4).

15 Social Security Administration Act 1992 s 139(10)(b) (as substituted: see note 14 *supra*).

16 Ibid s 139(10) (as substituted: see note 14 *supra*). In exercise of the power so conferred the Secretary of State has made the Council Tax Benefit (Permitted Totals) Order 1996, SI 1996/678 (amended by SI 2001/1130).

Secretary of State's consultation on benefit regulations.

374. Secretary of State's consultation on benefit regulations.

The Secretary of State¹:

- 915 (1) before making regulations relating to housing benefit or council tax benefit² (other than regulations of which the effect is to increase any amount specified in regulations previously made)³; or
- 916 (2) before making regulations for making discretionary housing payments to persons who are entitled to housing benefit or council tax benefit (or persons who are entitled to both)⁴; or
- 917 (3) before making an order under any provision of Part VIII of the Social Security Administration Act 1992⁵,

must consult with organisations appearing to him to be representative of the authorities concerned⁶.

However, this requirement does not require the Secretary of State to undertake consultations if it appears to him that by reason of the urgency of the matter it is inexpedient to do so⁷, or if the organisations have agreed that consultations should not be undertaken⁸.

Where the Secretary of State has undertaken such consultations, he may make any regulations or order to which the consultations relate without completing the consultations if it appears to him that by reason of the urgency of the matter it is expedient to do so⁹.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3.
COUNCIL TAX/(9) COUNCIL TAX BENEFIT/(ii) Entitlement to Council Tax Benefit/376. Persons entitled to council tax benefit generally.

(ii) Entitlement to Council Tax Benefit

376. Persons entitled to council tax benefit generally.

A person is entitled to council tax benefit¹ in respect of a particular day falling after 31 March 1993 if the following are fulfilled, namely²:

- 929 (1) the condition (the 'main condition' for these purposes) that the person concerned³:
 - 59 89. (a) is for the day liable to pay council tax in respect of a dwelling⁴ of which he is a resident⁵; and
 - 90. (b) is not a prescribed⁶ person or a person of a prescribed class⁷;
 - 60 930 and either⁸:
 - 931 (2) each of the following two conditions⁹, namely:
 - 61 91. (a) the condition (the 'first condition' for these purposes) that there is an appropriate maximum council tax benefit in the case of the person concerned¹⁰; and
 - 92. (b) the condition (the 'second condition' for these purposes) that¹¹: (i) the day falls within a week¹² in respect of which the person concerned has no income¹³; (ii) the day falls within a week in respect of which his income does not exceed the applicable amount¹⁴; or (iii) neither head (2)(b)(i) nor head (2)(b)(ii) above is fulfilled in his case but amount A exceeds amount B, where amount A is the appropriate maximum council tax benefit in his case¹⁵ and amount B is a prescribed percentage of the difference between his income in respect of the week in which the day falls and the applicable amount¹⁶;
 - 62 932 or:
 - 933 (3) the condition that¹⁷:
 - 63 93. (a) no other resident of the dwelling is liable to pay rent to the person concerned in respect of the dwelling¹⁸; and
 - 94. (b) there is an alternative maximum council tax benefit in the case of that person which is derived from the income or aggregate incomes of one or more residents to whom this provision applies¹⁹.
 - 64

Where a person is entitled to council tax benefit in respect of a day²⁰, the amount to which he is entitled is:

- 934 (A) if head (2)(b)(i) or head (2)(b)(ii) above applies, the amount which is the appropriate maximum council tax benefit in his case²¹;
- 935 (B) if head (2)(b)(iii) above applies, the amount found by deducting amount B from amount A²²; and
- 936 (C) if head (3) above applies, the amount which is the alternative maximum council tax benefit in his case²³.

However, where a person is entitled to council tax benefit in respect of a day, and heads (2) and (3) above both apply, the amount to which he is entitled is whichever is the greater of the amount given by head (A) or, as the case may be, head (B) above²⁴ and the amount given by head (C) above²⁵.

Regulations under the Social Security Contributions and Benefits Act 1992 must prescribe the manner in which the appropriate maximum council tax benefit and the alternative maximum council tax benefit are to be determined in any case²⁶.

1 Council tax benefit:

327 (1) is not allowed to a person in respect of any day falling before the day on which his entitlement is to be regarded as commencing for that purpose by virtue of the Social Security Administration Act 1992 s 6(1)(l) (see PARA 382 post) (Social Security Contributions and Benefits Act 1992 s 131(2)(a) (s 131 substituted by the Local Government Finance Act 1992 s 103, Sch 9 para 4)); but

328 (2) may be allowed to him in respect of not more than six days immediately following the day on which his period of entitlement would otherwise come to an end, if his entitlement is to be regarded by virtue of the Social Security Administration Act 1992 s 6(1)(l) as not having ended for that purpose (Social Security Contributions and Benefits Act 1992 s 131(2)(b) (as so substituted)).

2 See *ibid* s 131(1) (as substituted: see note 1 *supra*).

3 See *ibid* s 131(1), (3) (as substituted: see note 1 *supra*).

4 For the meaning of 'dwelling' see PARA 232 ante; definition applied by virtue of *ibid* s 131(11) (as substituted: see note 1 *supra*).

5 *Ibid* s 131(3)(a) (as substituted: see note 1 *supra*). For the meaning of 'resident' see PARA 237 note 4 ante; definition applied by virtue of s 131(11) (as so substituted).

6 'Prescribed' means specified in or determined in accordance with regulations: *ibid* s 137(1). As to regulations so made generally see PARA 371 note 1 ante. As to the regulations made for the purposes of s 131(3)(b) (as substituted) see the Council Tax Benefit Regulations 2006, SI 2006/215, regs 7, 8 (reg 7 amended by SI 2006/1026; SI 2006/2528; SI 2006/3341); and the Council Tax Benefit (Persons who have attained the qualifying age for state pension credit) Regulations 2006, SI 2006/216, regs 7, 8 (reg 7 amended by SI 2006/1026; SI 2006/2528; SI 2006/3341); and see PARA 375 ante.

7 Social Security Contributions and Benefits Act 1992 s 131(3)(b) (as substituted: see note 1 *supra*).

8 See *ibid* s 131(1) (as substituted: see note 1 *supra*).

9 See *ibid* s 131(1)(a) (as substituted: see note 1 *supra*).

10 *Ibid* s 131(4) (as substituted: see note 1 *supra*). As to provision made in regulations for council tax benefit see PARA 375 ante.

11 See *ibid* s 131(5) (as substituted: see note 1 *supra*).

12 For these purposes, 'week', in relation to council tax benefit, means a period of seven days beginning with a Monday: *ibid* s 137(1) (amended by the Local Government Finance Act 1992 Sch 9 para 9(d)).

13 Social Security Contributions and Benefits Act 1992 s 131(5)(a) (as substituted: see note 1 *supra*).

14 *Ibid* s 131(5)(b) (as substituted: see note 1 *supra*). As to the applicable amount see PARA 380 post.

15 *Ibid* s 131(5)(c)(i) (as substituted: see note 1 *supra*).

16 *Ibid* s 131(5)(c)(ii) (as substituted: see note 1 *supra*). As to the regulations made for the purposes of s 131(5)(c)(ii) (as substituted) (council tax benefit taper) see the Council Tax Benefit Regulations 2006, SI 2006/215, reg 59; and the Council Tax Benefit (Persons who have attained the qualifying age for state pension credit) Regulations 2006, SI 2006/216, reg 43; and see PARA 375 ante.

17 See the Social Security Contributions and Benefits Act 1992 s 131(1)(b), (6) (as substituted: see note 1 supra).

18 Ibid s 131(6)(a) (as substituted: see note 1 supra).

19 Ibid s 131(6)(b) (as substituted: see note 1 supra). Section 131(6) (as substituted) applies to any other resident of the dwelling who:

329 (1) is not a person who, in accordance with the Local Government Finance Act 1992 s 11(5), Sch 1 (as amended) (see PARAS 248-256 ante) falls to be disregarded for the purposes of discount (Social Security Contributions and Benefits Act 1992 s 131(7)(a) (as so substituted)); and

330 (2) is not a prescribed person or a person of a prescribed class (s 131(7)(b) (as so substituted)).

Accordingly, s 131(6) (as substituted) does not apply in respect of any person referred to in the Council Tax Benefit Regulations 2006, SI 2006/215, reg 63; and the Council Tax Benefit (Persons who have attained the qualifying age for state pension credit) Regulations 2006, SI 2006/216, reg 47; and see PARA 375 ante.

20 As to the period of entitlement and prescribed circumstances that may affect entitlement see the Council Tax Benefit Regulations 2006, SI 2006/215, Pt 7 (regs 64-67) (reg 67 amended by SI 2007/2470); and the Council Tax Benefit (Persons who have attained the qualifying age for state pension credit) Regulations 2006, SI 2006/216, Pt 6 (regs 48-51) (reg 50 amended by SI 2006/2378; SI 2007/2470); and see PARA 375 ante.

21 See the Social Security Contributions and Benefits Act 1992 s 131(8)(a) (as substituted: see note 1 supra).

22 See ibid s 131(8)(b) (as substituted: see note 1 supra). For these purposes, 'amount A' and 'amount B' have the meanings given by s 131(5)(c) (as substituted) (see head (2)(b)(iii) in the text): see s 131(8)(b) (as so substituted).

23 See ibid s 131(8)(c) (as substituted: see note 1 supra).

24 See ibid s 131(9)(a) (as substituted: see note 1 supra).

25 See ibid s 131(9)(b) (as substituted: see note 1 supra).

26 Ibid s 131(10) (as substituted: see note 1 supra). As to the regulations made for the purposes of s 131(10) (as substituted) see the Council Tax Benefit Regulations 2006, SI 2006/215, Pt 6 (regs 57-63, Schs 2, 6, 7) (Pt 6 amended by SI 2005/2502; SI 2006/217; SI 2007/688); and the Council Tax Benefit (Persons who have attained the qualifying age for state pension credit) Regulations 2006, SI 2006/216, Pt 5 (regs 40-47, Schs 5, 6) (Pt 5 amended by SI 2005/2502; SI 2006/217; SI 2007/688); and see PARA 375 ante.

As from a day to be appointed under the Welfare Reform Act 2007 s 70(2), new provision is made for making extended payments (currently set out in regulations made under powers eg in the Social Security Contributions and Benefits Act 1992 s 131(10) (as substituted)) and removing the need for those who receive extended payments to submit a new claim for any in-work council tax benefit so that any move to employment (and entitlement to an extended payment) is to be treated as if it were a change of circumstances in a continuing award: see the Welfare Reform Act 2007 ss 32-34 (not yet in force). At the date at which this volume states the law, no such day had been appointed.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3.
COUNCIL TAX/(9) COUNCIL TAX BENEFIT/(ii) Entitlement to Council Tax Benefit/377. Couples.

377. Couples.

As regards any case where a person is a member of a couple¹ throughout a particular day, regulations may make such provision as the Secretary of State² sees fit as to³:

- 937 (1) the entitlement of the person to council tax benefit in respect of the day⁴; and
- 938 (2) the amount to which he is entitled⁵.

The regulations may provide that:

- 939 (a) prescribed provisions are to apply instead of prescribed provisions of Part VII of the Social Security Contributions and Benefits Act 1992⁶, or that prescribed provisions of Part VII are not to apply or are to apply subject to prescribed amendments or adaptations⁷; and
- 940 (b) for the purpose of calculating income, capital, the applicable amount, the appropriate maximum council tax benefit and the alternative maximum council tax benefit⁸ in the case of the person concerned, prescribed amounts relating to the person and his partner⁹ are to be aggregated and the aggregate is to be apportioned¹⁰.

The regulations may contain different provision as to the following different cases:

- 941 (i) cases where the main condition¹¹ is fulfilled on the day concerned by the person concerned but not by his partner¹²;
- 942 (ii) cases where the main condition is fulfilled on the day concerned by the person concerned and by his partner¹³.

The regulations may include such supplementary, incidental or consequential provisions as appear to the Secretary of State to be necessary or expedient¹⁴.

1 For these purposes, 'couple' means: (1) a man and woman who are married to each other and are members of the same household; (2) a man and woman who are not married to each other but are living together as husband and wife otherwise than in prescribed circumstances; (3) two people of the same sex who are civil partners of each other and are members of the same household; or (4) two people of the same sex who are not civil partners of each other but are living together as if they were civil partners otherwise than in prescribed circumstances: Social Security Contributions and Benefits Act 1992 s 137(1) (definition added by the Civil Partnership Act 2004 s 254(1), Sch 24 Pt 3 para 46(1), (3)). For the purposes of the Social Security Contributions and Benefits Act 1992 Pt VII (ss 123-137) (as amended), two people of the same sex are to be regarded as living together as if they were civil partners if, but only if, they would be regarded as living together as husband and wife were they instead two people of the opposite sex: s 137(1A) (added by the Civil Partnership Act 2004 Sch 24 Pt 3 para 46(1), (5)). As to polygamous marriages see PARA 378 post.

'Prescribed' means specified in or determined in accordance with regulations: Social Security Contributions and Benefits Act 1992 s 137(1). As to regulations so made generally see PARA 371 note 1 ante. Accordingly, see also the definition of 'couple' in the Council Tax Benefit Regulations 2006, SI 2006/215, reg 2(1); and the Council Tax Benefit (Persons who have attained the qualifying age for state pension credit) Regulations 2006, SI 2006/216, reg 2(1); and see PARA 375 ante.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3.
COUNCIL TAX/(9) COUNCIL TAX BENEFIT/(iv) Local Authority Powers/A. ENFORCEMENT/390.
Authorisations by local authorities.

(iv) Local Authority Powers

A. ENFORCEMENT

390. Authorisations by local authorities.

An individual who for the time being has the authorisation of an authority administering housing benefit or council tax benefit¹ is entitled, for any one or more of the purposes mentioned in heads (1) to (3) below, to exercise any of the powers which are conferred on an authorised officer² in relation to the requiring of information³ and entry upon premises⁴. Those purposes are⁵:

- 985 (1) ascertaining in relation to any case whether housing benefit or council tax benefit is or was payable in that case⁶;
- 986 (2) ascertaining whether provisions of the relevant social security legislation that relate to housing benefit or council tax benefit are being, have been or are likely to be contravened (whether by particular persons or more generally)⁷;
- 987 (3) preventing, detecting and securing evidence of the commission (whether by particular persons or more generally) of benefit offences relating to housing benefit or council tax benefit⁸.

However, nothing in the above provisions conferring any power on an authorised officer in relation to housing benefit or council tax benefit requires that power to be exercised only in relation to cases in which the authority administering the benefit is the authority by whom that officer's authorisation was granted⁹.

Where it appears to an authority administering housing benefit or council tax benefit:

- 988 (a) that a person who has or may have possession of or access to any information about any matter that is relevant for one or more of the specified investigatory purposes¹⁰ keeps any electronic records¹¹;
- 989 (b) that the records contain or are likely, from time to time, to contain information about any matter that is relevant for any one or more of the purposes mentioned in heads (1) to (3) above¹²; and
- 990 (c) that facilities exist under which electronic access to those records is being provided (or is capable of being provided) by that person to other persons¹³,

that authority may require that person to enter into arrangements under which authorised officers are allowed such access to those records¹⁴. However, an authorised officer:

- 991 (i) is entitled to obtain information in accordance with such arrangements only if his authorisation states that it applies for such purposes¹⁵; and
- 992 (ii) is not to seek to obtain any information in accordance with any such arrangements other than information which relates to a particular person¹⁶, and could be the subject of a requirement¹⁷ to disclose¹⁸.

The matters that may be included in such arrangements may include:

- 993 (A) requirements as to the electronic access to records that is to be made available to authorised officers¹⁹;
- 994 (B) requirements as to the keeping of records of the use that is made of the arrangements²⁰;
- 995 (C) requirements restricting the disclosure of information about the use that is made of the arrangements²¹; and
- 996 (D) such other incidental requirements as the authority in question considers appropriate in connection with allowing access to records to authorised officers²².

An authorised officer who is allowed access in accordance with any such arrangements is entitled to make copies of, and to take extracts from, any records containing information which he is entitled to make the subject of a requirement such as is mentioned in head (ii) above²³. An authority administering housing benefit or council tax benefit must not require any person to enter into arrangements for allowing authorised officers to have electronic access to records²⁴ or, otherwise than in pursuance of a requirement to do so, enter into any arrangements with a person referred to in head (a) above for allowing anyone acting on behalf of the authority for purposes connected with any benefit to have electronic access to any private information²⁵ contained in any records²⁶, except with the consent of the Secretary of State and subject to any conditions imposed by him by the provisions of the consent²⁷.

1 le an authorisation for the purposes of the Social Security Administration Act 1992 Pt VI (ss 109A-121DA) (as amended) (see also PARAS 389 ante, 396 post) (a 'local authority authorisation'): see s 110A(1) (s 110A added by the Social Security Administration (Fraud) Act 1997 s 12; and substituted by the Child Support, Pensions and Social Security Act 2000 s 67, Sch 6 paras 1, 3). An individual has the authorisation for the purposes of the Social Security Administration Act 1992 Pt VI (as amended) of an authority administering housing benefit or council tax benefit if, and only if, that authority has granted him an authorisation for those purposes and he is:

- 352 (1) an individual employed by that authority (s 110A(3)(a) (as so added and substituted));
- 353 (2) an individual employed by another authority or joint committee that carries out functions relating to housing benefit or council tax benefit on behalf of that authority (s 110A(3)(b) (as so added and substituted));
- 354 (3) an individual employed by a person authorised by or on behalf of: (a) the authority in question (s 110A(3)(c)(i) (as so added and substituted)); (b) any such authority or joint committee as is mentioned in head (2) supra (s 110A(3)(c)(ii) (as so added and substituted)), to carry out functions relating to housing benefit or council tax benefit for that authority or committee (s 110A(3)(c) (as so added and substituted));
- 355 (4) an official of a government department (s 110A(3)(d) (as so added and substituted)).

As to council tax benefit see PARA 371 et seq ante. As to housing benefit see HOUSING vol 22 (2006 Reissue) PARA 140 et seq.

The Social Security Administration Act 1992 s 109A(4) (as added) (requirements as to authorisations for investigators: see SOCIAL SECURITY AND PENSIONS vol 44(2) (Reissue) PARA 401) applies in relation to a local authority authorisation as it applies in relation to an authorisation under s 109A (as added): s 110A(4) (as so added and substituted).

A local authority authorisation may be withdrawn at any time by the authority that granted it or by the Secretary of State: s 110A(5) (as so added and substituted). As to the Secretary of State see PARA 228 ante.

The certificate or other instrument containing the grant or withdrawal by any local authority of any local authority authorisation must be issued under the hand of either:

- 356 (i) the officer designated under the Local Government and Housing Act 1989 s 4 (as amended in relation to Scotland) (see LOCAL GOVERNMENT vol 69 (2009) PARA 427) as the head of the authority's paid service (Social Security Administration Act 1992 s 110A(6)(a) (as so added and substituted)); or

- 357 (ii) the officer who is the authority's chief finance officer within the meaning of the Local Government and Housing Act 1989 s 5 (as amended) (see LOCAL GOVERNMENT vol 29(1) (Reissue) PARA 335) (Social Security Administration Act 1992 s 110A(6)(b) (as so added and substituted)).

It is the duty of any authority with power to grant local authority authorisations to comply with any directions of the Secretary of State as to:

- 358 (A) whether or not such authorisations are to be granted by that authority (s 110A(7)(a) (as so added and substituted));
- 359 (B) the period for which authorisations granted by that authority are to have effect (s 110A(7)(b) (as so added and substituted));
- 360 (C) the number of persons who may be granted authorisations by that authority at any one time (s 110A(7)(c) (as so added and substituted)); and
- 361 (D) the restrictions to be contained by virtue of s 110A(4) (as added and substituted) in the authorisations granted by that authority for those purposes (s 110A(7)(d) (as so added and substituted)).

For the purposes of Pt VI (as amended), any reference to a person authorised to carry out any function relating to housing benefit or council tax benefit includes a reference to a person providing services relating to the benefit directly or indirectly to an authority administering it; and any reference to the carrying out of a function relating to such a benefit includes a reference to the provision of any services relating to it: s 121DA(6) (s 121DA added by the Child Support, Pensions and Social Security Act 2000 Sch 6 paras 1, 8).

2 For these purposes, 'authorised officer' means a person acting in accordance with any authorisation for the purposes of the Social Security Administration Act 1992 Pt VI (as amended) which is for the time being in force in relation to him: s 121DA(2) (as added: see note 1 supra).

3 The powers conferred by ibid s 109B (as added and amended) (see SOCIAL SECURITY AND PENSIONS vol 44(2) (Reissue) PARA 401): see s 110A(1) (as added and substituted: see note 1 supra).

4 Ibid s 110A(1) (as added and substituted: see note 1 supra). The powers of entry upon premises referred to in the text are those conferred by s 109C (as added) (see SOCIAL SECURITY AND PENSIONS vol 44(2) (Reissue) PARA 401): s 110A(1) (as so added and substituted).

The entitlement to exercise the powers conferred by s 109B (as added and amended) (see SOCIAL SECURITY AND PENSIONS vol 44(2) (Reissue) PARA 401) and s 109C (as added) (see SOCIAL SECURITY AND PENSIONS vol 44(2) (Reissue) PARA 401) is subject to s 110A(8) (as added and substituted): see s 110A(1) (as so added and substituted). Accordingly, the powers so conferred have effect in the case of an individual who is an authorised officer by virtue of s 110A (as added and substituted) as if those provisions had effect:

- 362 (1) with the substitution for every reference to the purposes mentioned in s 109A(2) (as added) of a reference to the purposes mentioned in s 110A(2) (as added and substituted) (see heads (1) to (3) in the text) (s 110A(8)(a) (as so added and substituted; and amended by the Social Security Fraud Act 2001 ss 1(1), 19, Schedule)); and
- 363 (2) with the substitution for every reference to the relevant social security legislation of a reference to so much of it as relates to housing benefit or council tax benefit (Social Security Administration Act 1992 s 110A(8)(b) (as so added and substituted)); and
- 364 (3) with the omission of s 109B(2D) (as added; amended in relation to Scotland) (s 110A(8)(c) (s 110A as so added and substituted; s 110A(8)(c) added by the Social Security Fraud Act 2001 ss 1(1), (5)).

For the meaning of 'relevant social security legislation' for these purposes see SOCIAL SECURITY AND PENSIONS vol 44(2) (Reissue) PARA 401.

As from a day to be appointed under the Welfare Reform Act 2007 s 70(2), the Social Security Administration Act 1992 s 110A(1), (8) (as added and substituted) are amended, and s 110A(1A)-(1C) added, by the Welfare Reform Act 2007 s 46. Accordingly, the reference in the Social Security Administration Act 1992 s 110A(1) (as added and substituted) to 'any one or more of the purposes specified in heads (1) to (3) below' is replaced by a reference to 'a relevant purpose': see s 110A(1) (as so added and substituted; prospectively amended by the Welfare Reform Act 2007 s 46(1), (2)). Each of the following is a relevant purpose:

- 365 (a) a purpose mentioned in the Social Security Administration Act 1992 s 110A(2) (as added and substituted) (see heads (1) to (3) in the text) (s 110A(1A)(a) (s 110A as so added and substituted; s 110A(1A)-(1C) prospectively added by the Welfare Reform Act 2007 s 46(1), (3)));

- 366 (b) a purpose mentioned in the Social Security Administration Act 1992 s 109A(2)(a), (c) or (d) (as added) (see SOCIAL SECURITY AND PENSIONS vol 44(2) (Reissue) PARA 401) (s 110A(1A)(b) (prospectively added)).

If the Secretary of State prescribes conditions for the purposes of s 110A (as added and substituted; prospectively amended), an authority must not proceed under s 110A (as added and substituted; prospectively amended) for a purpose mentioned in s 109A(2)(a), (c) or (d) (as added) unless any such condition is satisfied: s 110A(1B) (prospectively added). An authorisation made for a purpose mentioned in s 109A(2)(a), (c) or (d) (as added) is subject to such restrictions as may be prescribed and is not valid in such circumstances as may be prescribed: s 110A(1C) (prospectively added). In any case where the relevant purpose is a purpose mentioned in s 109A(2)(a), (c) or (d) (as added), heads (1) and (2) supra do not apply: s 110A(8) (as so added, substituted and amended; prospectively further amended by the Welfare Reform Act 2007 s 46(1), (5)). 'Prescribe' means prescribe by regulations; and 'prescribed' must be construed accordingly: see the Social Security Administration Act 1992 s 191(1) (definition amended by the Welfare Reform Act 2007 s 40, Sch 5 paras 2, 10). However, at the date at which this volume states the law, no such day had been appointed.

- 5 Social Security Administration Act 1992 s 110A(2) (as added and substituted: see note 1 supra).

As from a day to be appointed under the Welfare Reform Act 2007 s 70(2), the Social Security Administration Act 1992 s 110A(2) (as added and substituted) is amended so that the reference to 'those purposes' is replaced by a reference to 'the purposes in s 110A(2) (as added and substituted)': see s 110A(2) (as added and substituted; prospectively amended by the Welfare Reform Act 2007 s 46(1), (4)). B. POWER TO AUTHORISE BENEFIT ADMINISTRATION STUDIES

399. Benefit administration studies for the Secretary of State.

The Secretary of State¹ may request the Audit Commission for Local Authorities and the National Health Service in England and Wales (the 'Commission')² to conduct or assist the Secretary of State in conducting studies designed to improve economy, efficiency, effectiveness and quality of performance in the discharge by local authorities³ of functions relating to the administration of housing benefit and council tax benefit⁴. The Secretary of State may not exercise this power in relation to a county council, county borough council or community council in Wales⁵.

If the Commission requires a local authority included in a study⁶, or an officer or member of such an authority, to supply the Commission or an authorised person⁷ with such information as is needed for the purposes of the study, the authority or officer or member must supply the information⁸. If the Commission requires a local authority included in a study to make available for inspection by the Commission or an authorised person documents which relate to the authority and are needed for the purposes of the study, the authority must make the documents available⁹. Any information obtained under such a requirement may be disclosed by the Commission to the Secretary of State for the purposes of any of his functions which are connected with housing benefit or council tax benefit¹⁰.

The Commission must send to the Secretary of State a copy of any report of a study; and the Secretary of State or the Commission may send a copy of a report of a study to any local authority to which the study relates¹¹. Any report of a study may be published by the Secretary of State in conjunction with the Commission¹². The Commission must not conduct, or assist the Secretary of State in conducting, a study unless before it does so the Secretary of State has made arrangements for the payment of such reasonable amount as may be agreed between him and the Commission in respect of the study¹³.

The Auditor General for Wales¹⁴ may, at the request of the Secretary of State, conduct, or assist the Secretary of State in conducting, 'benefit administration studies'¹⁵, which are studies designed to enable recommendations to be made for improving economy, efficiency, and effectiveness and quality of performance in the discharge by one or more local authorities in Wales of functions relating to the administration of housing benefit or council tax benefit (or both)¹⁶. Any information obtained in the course of a benefit administration study may be disclosed by the Auditor General for Wales to the Secretary of State for the purposes of any functions of the Secretary of State which are connected with housing benefit or council tax benefit¹⁷.

The Auditor General for Wales must send to the Secretary of State a copy of a report of a benefit administration study carried out by the Auditor General for Wales¹⁸. The Secretary of State or the Auditor General for Wales may send a copy of a report of a benefit administration study to any local authority to which the study relates¹⁹. The Secretary of State may publish a report of a benefit administration study in conjunction with the Auditor General for Wales²⁰. The Auditor General for Wales may conduct, or assist the Secretary of State in conducting, a benefit administration study only if the Secretary of State has made arrangements for the payment to the Auditor General for Wales of a fee in respect of the study²¹. The amount of the fee must be

a reasonable amount agreed between the Secretary of State and the Auditor General for Wales²².

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(9) COUNCIL TAX BENEFIT/(v) Powers of Secretary of State/C. POWER TO MAKE AND ENFORCE DIRECTIONS FOLLOWING REPORT/402. Directions by the Secretary of State.

C. POWER TO MAKE AND ENFORCE DIRECTIONS FOLLOWING REPORT

402. Directions by the Secretary of State.

Where a copy of a report on the administration of housing benefit and council tax benefit¹ has been sent to an authority², the Secretary of State may invite the authority to consider the report and to submit proposals for improving its performance in relation to the prevention and detection of fraud relating to housing benefit or council tax benefit or otherwise in relation to the administration of that benefit and for remedying any failings identified by the report³.

After considering the report and any proposals made by the authority in response to it, the Secretary of State may give directions to the authority as to standards which the authority is to attain in the prevention and detection of fraud relating to housing benefit or council tax benefit or otherwise in the administration of that benefit and as to the time within which the standards are to be attained⁴. When giving such directions to an authority⁵, the Secretary of State may make recommendations to the authority setting out any course of action which he thinks it might take to attain the standards which it is directed to attain⁶.

As from a day to be appointed⁷, if the Secretary of State proposes to give such a direction to an authority⁸, he must give the authority to which the direction is to be addressed an opportunity to make representations about the proposed direction⁹. The Secretary of State may specify a period within which such representations must be made¹⁰, and he may extend a period so specified¹¹.

Also as from a day to be appointed¹², the Secretary of State may at any time vary or revoke any such direction given to an authority¹³. A direction may be varied or revoked only if the Secretary of State thinks it is necessary to do so in consequence of representations made by the authority to which the direction is addressed, to rectify an omission or error, or in consequence of a material change in circumstances¹⁴. However, the Secretary of State must not vary a direction unless he first sends a copy of the proposed variation to the authority concerned, gives the authority his reasons for making the variation, and gives the authority an opportunity to make representations about the proposed variation¹⁵.

Where the Secretary of State has given directions to an authority administering housing benefit and council tax benefit¹⁶, he may require the authority to supply to him any information which he considers may assist him in deciding whether the authority has attained the standards which it has been directed to attain or whether it is likely to attain those standards within the time specified in the directions¹⁷. Such information must be supplied in such manner and form as the Secretary of State may require¹⁸.

1 As to council tax benefit see PARA 371 et seq ante. As to housing benefit see HOUSING vol 22 (2006 Reissue) PARA 140 et seq.

367 (1) a copy of a report has been sent to an authority under s 139C(2) (as added) (see PARA 398 ante) (s 139D(1)(a) (s 139D added by the Social Security Administration (Fraud) Act 1997 s 8));

- 369 (3) a copy of a report has been sent to an authority under the Public Audit (Wales) Act 2004 s 22(5) or (6) (immediate and other reports in the public interest) (see LOCAL GOVERNMENT vol 69 (2009) PARA 807) and to the Secretary of State under s 51(3) (see PARA 400 ante) (Social Security Administration Act 1992 s 139D(1)(ba) (s 139D as so added; s 139D(1)(ba) added by the Public Audit (Wales) Act 2004 s 66, Sch 2 para 15(1), (2)));
- 370 (4) a copy of a report has been sent to an authority under the Audit Commission Act 1998 s 38(7) or the Public Audit (Wales) Act 2004 s 45(5) (see PARA 399 ante) (Social Security Administration Act 1992 s 139D(1)(d) (as so added; amended by the Audit Commission Act 1998 Sch 3 para 23(3); and the Public Audit (Wales) Act 2004 Sch 2 para 15(1), (3))).

As to the Secretary of State see PARA 228 ante.

As from a day to be appointed under the Welfare Reform Act 2007 s 70(2), the Social Security Administration Act 1992 s 139D(1)(ca) is added by the Welfare Reform Act 2007 s 39(1), (3) so that, in addition to heads (1) to (4) supra, the Social Security Administration Act 1992 s 139D (as added and amended) applies where a copy of a report has been sent to a local authority under the Local Government Act 1999 s 13A(3) (as added) and to the Secretary of State under s 13A(4A) (prospectively added) (see LOCAL GOVERNMENT vol 69 (2009) PARA 702): see the Social Security Administration Act 1992 s 139D(1)(ca) (prospectively added by the Welfare Reform Act 2007 s 39(1), (3)). However, at the date at which this volume states the law, no such day had been appointed.

As from a day to be appointed under the Local Government and Public Involvement in Health Act 2007 s 245(5), the Social Security Administration Act 1992 s 139D(1)(bb) is added by the Local Government and Public Involvement in Health Act 2007 s 147(2) so that the Social Security Administration Act 1992 s 139D (as added and amended) also applies where a copy of a report has been sent to a local authority under the Local Government Act 1999 s 13(3) (see LOCAL GOVERNMENT vol 69 (2009) PARA 702) and to the Secretary of State under s 13(4A) (prospectively added): see the Social Security Administration Act 1992 s 139D(1)(bb) (prospectively added by the Local Government and Public Involvement in Health Act 2007 s 147(2)). However, at the date at which this volume states the law, no such day had been appointed.

- 3 Social Security Administration Act 1992 s 139D(2), (5) (as added: see note 2 supra).

As from a day to be appointed under the Welfare Reform Act 2007 s 70(2), the Social Security Administration Act 1992 s 139D(2) (as added) is amended, and s 139D(2A)-(2C) added, by the Welfare Reform Act 2007 s 39(1), (4), (5) so that the Social Security Administration Act 1992 s 139D(2) (as added) allows the Secretary of State to 'require' rather than 'invite' the authority to consider the report and to submit proposals as mentioned in the text: see s 139D(2) (as so added; prospectively amended by the Welfare Reform Act 2007 s 39(1), (4)). A requirement under the Social Security Administration Act 1992 s 139D(2) (as added; prospectively amended) may specify any information or description of information to be provided and the form and manner in which the information is to be provided: see s 139D(2A) (s 139D as so added; s 139D(2A)-(2C) prospectively added by the Welfare Reform Act 2007 s 39(1), (5)). The authority must respond to such a requirement before the end of such period (not less than one month after the day on which the requirement is made) as the Secretary of State specifies in the requirement: see the Social Security Administration Act 1992 s 139D(2B) (as so prospectively added). The Secretary of State may extend the period so specified: see s 139D(2C) (prospectively added). However, at the date at which this volume states the law, no such day had been appointed.

- 4 Ibid s 139D(3), (5) (as added: see note 2 supra).

As from a day to be appointed under the Welfare Reform Act 2007 s 70(2), the Social Security Administration Act 1992 s 139D(3) (as added) is substituted, and s 139D(3A)-(3C) added, by the Welfare Reform Act 2007 s 39(1), (6) so that, after considering the report, any proposals made by the authority in response to it, and any other information he thinks is relevant, the Secretary of State may give directions to the authority under the Social Security Administration Act 1992 s 139D(3A) (prospectively added) or s 139D(3B) (prospectively added) or both: see s 139D(3) (as so added; prospectively substituted by the Welfare Reform Act 2007 s 39(1), (6)). Directions under the Social Security Administration Act 1992 s 139D(3A) (prospectively added) are directions as to standards which the authority is to attain in the prevention and detection of fraud relating to housing benefit or council tax benefit or otherwise in the administration of benefit and the time within which the standards are to be attained: see s 139D(3A), (5) (s 139D(3A)-(3C) prospectively added by the Welfare Reform Act 2007 s 39(1), (6)). NOTE 2--Local Government and Public Involvement in Health Act 2007 s 147 in force 1 April 2008: SI 2008/172.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(9) COUNCIL TAX BENEFIT/(v) Powers of Secretary of State/C. POWER TO MAKE AND ENFORCE DIRECTIONS FOLLOWING REPORT/403. Enforcement notices.

403. Enforcement notices.

Where directions have been given to an authority following a report relating to the administration of housing benefit or council tax benefit¹, and the Secretary of State² is not satisfied that the authority³:

- 1028 (1) has attained the standards which it has been directed to attain⁴; or
- 1029 (2) is likely to attain those standards within the time specified in the directions⁵,

he may serve on the authority a written notice⁶. The notice must:

- 1030 (a) identify the directions and state why the Secretary of State is not satisfied as mentioned in head (1) or (2) above⁷; and
- 1031 (b) require the authority to submit a written response to the Secretary of State within a time specified in the notice⁸.

If any person (other than the authority) carrying out work relating to the administration of housing benefit or council tax benefit may be affected by any determination which may be made in order to enforce such directions⁹, the authority must¹⁰:

- 1032 (i) consult that person before submitting its response¹¹; and
- 1033 (ii) include in its response any relevant observations made by that person¹².

The authority's response must either¹³:

- 1034 (A) state that the authority has attained the standards, or is likely to attain them within the time specified in the directions, and justify that statement¹⁴; or
- 1035 (B) state that the authority has not attained the standards, or is not likely to attain them within that time, and (if the authority wishes) give reasons why a determination¹⁵ should not be made or should not include any particular provision¹⁶.

The notice may relate to any one or more matters covered by the directions¹⁷; and the serving of such a notice relating to any directions or matter does not prevent the serving of further such notices relating to the same directions or matter¹⁸.

1 Where directions have been given to an authority under the Social Security Administration Act 1992 s 139D(3) (as added; prospectively substituted) (see PARA 402 ante): see s 139F(1) (as added: see note 3 infra). As from a day to be appointed under the Welfare Reform Act 2007 s 70(2), the Social Security Administration Act 1992 s 139F(1) (as added) is amended so that the reference in the text is to directions that the Secretary of

State may give to the authority under s 139D(3A) (prospectively added) or s 139D(3B) (prospectively added) (see PARA 402 note 4 ante) rather than under s 139D(3) (as added; prospectively substituted) (see note 1 supra): see s 139F(1) (as so added; prospectively amended by the Welfare Reform Act 2007 s 40, Sch 5 paras 2, 6(1), (2)(a)). As from a day to be appointed under the Welfare Reform Act 2007 s 70(2), the Social Security Administration Act 1992 s 139F(1)(b) (as added) is amended, and s 139F(1)(aa) added, so that the Secretary of State is empowered to serve a written notice under s 139F(1) (as added) as mentioned in the text where he is not satisfied that the authority:

371 (1) has attained the standards which it has been directed to attain (s 139F(1)(a) (as so added));

372 (2) has taken the action which it has been directed to take (s 139F(1)(aa) (prospectively added by the Welfare Reform Act 2007 Sch 5 paras 2, 6(1), (2)(b))); or

373 (3) is likely to attain those standards or take that action within the time specified in the directions (Social Security Administration Act 1992 s 139F(1)(b) (as so added; prospectively amended by the Welfare Reform Act 2007 Sch 5 paras 2, 6(1), (2)(c))).

As from a day to be appointed under the Welfare Reform Act 2007 s 70(2), the Social Security Administration Act 1992 s 139F(2)(a) (as added) is amended so the notice referred to in head (a) in the text must identify the directions and state why the Secretary of State is not satisfied as mentioned in s 139F(1)(a) (as added) (see note 6 head (1) supra), s 139F(1)(aa) (prospectively added) (see note 6 head (2) supra) or s 139F(1)(b) (as added; prospectively amended) (see note 6 head (3) supra): see s 139F(2)(a) (as so added; prospectively amended by the Welfare Reform Act 2007 Sch 5 paras 2, 6(1), (3)).

As from a day to be appointed under the Welfare Reform Act 2007 s 70(2), the Social Security Administration Act 1992 s 139F(4) (as added) is amended so that it is made conditional on the notice identifying directions under s 139D(3A) (prospectively added) (see PARA 402 note 4 ante): see s 139F(4) (as so added; prospectively amended by the Welfare Reform Act 2007 Sch 5 paras 2, 6(1), (4)). If the notice identifies directions under the Social Security Administration Act 1992 s 139D(3B) (prospectively added) (see PARA 402 note 4 ante), the authority's response must either:

374 (1) state that the authority has taken the action, or is likely to take it within the time specified in the directions, and justify that statement (s 139F(4A)(a) (s 139F(4A) prospectively added by the Welfare Reform Act 2007 Sch 5 paras 2, 6(1), (5))); or

375 (2) state that the authority has not taken the action, or is not likely to take it within that time, and (if the authority wishes) give reasons why a determination under the Social Security Administration Act 1992 s 139G (as added; prospectively amended) (see PARA 404 post) should not be made or should not include any particular provision (s 139F(4A)(b) (prospectively added)).

404. Enforcement determinations.

Where, after the time specified in an enforcement notice¹ has expired, the Secretary of State² is not satisfied that the authority³:

- 1036 (1) has attained the standards in question⁴; or
- 1037 (2) is likely to attain those standards within the time specified in the directions⁵,

he may make a determination⁶.

The determination may be made whether or not the authority has responded to the enforcement notice⁷. The determination must be designed to secure the attainment of the standards in question⁸ and must include provision⁹ that the authority is to comply with specified requirements as to inviting, preparing, considering and accepting bids to carry out any work¹⁰:

- 1038 (a) which falls to be carried out in pursuance of the authority's functions relating to the administration of housing benefit or council tax benefit¹¹; and
- 1039 (b) which is of a description specified in the determination¹².

The determination may also include provision¹³ of any one or more of the following kinds relating to the work, or any specified category of the work, to which the determination relates¹⁴:

- 1040 (i) provision that it may not be carried out by the authority¹⁵;
- 1041 (ii) provision that it may not be carried out by any person (other than the authority) who has been carrying it out¹⁶; and
- 1042 (iii) provision that any contract made by the authority with any person for carrying it out must include terms requiring a level of performance which will secure, or contribute to securing, the attainment of the standards in question¹⁷.

The provisions included in such a determination¹⁸ take effect from a date specified in the determination¹⁹. Different dates may be specified in relation to different provisions²⁰; and the making of such a determination in relation to any directions does not prevent the making of further such determinations in relation to the same directions²¹. The provision included in a determination²² may include²³ requirements that the Secretary of State be satisfied as to any specified matter²⁴; and requirements that the Secretary of State authorise or consent to any specified matter²⁵. The provision so included may also include provision as to the time at which any contract for the carrying out of work to which the determination relates (and which is not previously discharged) is to be taken to be frustrated by the determination²⁶. Such a determination has effect in spite of any enactment under or by virtue of which an authority is required or authorised to carry out any work to which the determination relates²⁷.

(vi) Council Tax Benefit Subsidy

405. Council tax benefit subsidy.

For each year¹, the Secretary of State² must pay a subsidy to each authority administering housing benefit or council tax benefit³.

Accordingly, he must pay council tax benefit subsidy to each billing authority⁴.

1 For the meaning of 'year' for these purposes see PARA 373 note 14 ante.

2 As to the Secretary of State see PARA 228 ante.

3 Social Security Administration Act 1992 s 140A(1) (s 140A added by the Housing Act 1996 s 121, Sch 12 para 4). As to council tax benefit see PARA 371 et seq ante. As to housing benefit see HOUSING vol 22 (2006 Reissue) PARA 140 et seq.

As to any council tax benefit subsidy paid or claimed in respect of any such benefit paid before 1 April 1997 see the Social Security Administration Act 1992 s 140 (repealed with savings).

4 Ibid s 140A(2)(c) (as added: see note 3 supra). For the meaning of 'billing authority' see PARA 229 ante; definition applied by virtue of s 191 (definition substituted by the Local Government Finance Act 1992 Sch 9 para 25(a)).

In the Social Security Administration Act 1992 ss 140B-140G (as added and amended) (see PARA 406 et seq post), 'subsidy', without more, refers to subsidy as mentioned in s 140A(2) (as added): see s 140A(3) (as so added). As to rent rebate subsidy payable to each housing authority and rent allowance subsidy payable to each local authority see HOUSING vol 22 (2006 Reissue) PARA 181 et seq.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(9) COUNCIL TAX BENEFIT/(vi) Council Tax Benefit Subsidy/406. Calculation of amount of council tax benefit subsidy.

406. Calculation of amount of council tax benefit subsidy.

The amount of council tax benefit subsidy¹ to be paid to an authority must be determined in accordance with an order made by the Secretary of State². Subject as follows, the amount of such subsidy must be calculated by reference to the amount of relevant benefit³ paid by the authority during the year⁴. The order may provide that the amount of such subsidy in respect of any matter is to be a fixed sum or is to be nil⁵.

The Secretary of State may:

- 1043 (1) pay as part of such subsidy an additional amount specified by, or calculated in a manner specified by, the order⁶; or
- 1044 (2) deduct from the amount which would otherwise be payable by way of such subsidy an amount specified by, or calculated in a manner specified by, the order⁷.

The additional amounts which may be paid by virtue of head (1) above include amounts in respect of:

- 1045 (a) the costs of administering the relevant benefit⁸; or
- 1046 (b) success in preventing or detecting fraud relating to the relevant benefit or action to be taken with a view to preventing or detecting such fraud⁹.

Where an application is made by an authority on the Secretary of State's invitation, he may pay to the authority as part of the subsidy such additional amount as he considers appropriate in respect of success in preventing or detecting fraud relating to the relevant benefit or action to be taken with a view to preventing or detecting such fraud¹⁰.

Alternatively, he may deduct from the subsidy which would otherwise be payable to an authority such amount as he considers it unreasonable to pay by way of subsidy¹¹. The amounts which may be deducted by the Secretary of State¹² include amounts in respect of a failure to comply with directions¹³ and other failures in preventing or detecting fraud relating to the relevant benefit¹⁴. Any such additional amount must be a fixed sum specified by, or must be calculated in the manner specified by, an order made by the Secretary of State¹⁵.

The amount of subsidy payable to an authority must be calculated to the nearest pound, disregarding an odd amount of 50 pence or less and treating an odd amount exceeding 50 pence as a whole pound¹⁶.

1 For the meaning of 'subsidy' see PARA 405 note 4 ante. As to council tax benefit see PARA 371 et seq ante.

2 Social Security Administration Act 1992 s 140B(1) (ss 140A-140G added by the Housing Act 1996 s 121, Sch 12 para 4; and the Social Security Administration Act 1992 s 140B(1) amended by the Social Security Administration (Fraud) Act 1997 s 22, Sch 1 para 7). As to the Secretary of State see PARA 228 ante.

Any power under the Social Security Administration Act 1992 Pt VIII (ss 134-140G) (as amended) (see PARAS 373, 396-398, 402 et seq ante, 407 et seq post) to make provision by order for or in relation to a year does not require the making of a new order each year: see s 140F(1) (as so added). Any order made under the power may be revoked or varied at any time, whether before, during or after the year to which it relates: s 140F(2) (as so added). For the meaning of 'year' for these purposes see PARA 373 note 14 ante. In exercise of the power so conferred the Secretary of State has made the Income-related Benefits (Subsidy to Authorities) Order 1998, SI 1998/562 (amended by SI 1998/2865; SI 1999/550; SI 2000/1091; SI 2000/2340; SI 2001/2350; SI 2002/1397; SI

NOTE 2--SI 1998/562 further amended: SI 2008/695, SI 2008/1649, SI 2009/30, SI 2009/2564, SI 2009/2580.

Halsbury's Laws of England/RATING AND COUNCIL TAX (VOLUME 39(1B) (REISSUE))/3. COUNCIL TAX/(9) COUNCIL TAX BENEFIT/(vi) Council Tax Benefit Subsidy/407. Payment of council tax benefit subsidy.

407. Payment of council tax benefit subsidy.

Council tax benefit subsidy¹ must be paid by the Secretary of State² in such instalments, at such times, in such manner and subject to such conditions as to claims, records, certificates, audit or otherwise as may be provided by order of the Secretary of State³. In particular, conditions may be imposed to obtain information for the purposes of the carrying out by the Secretary of State of any of his functions relating to subsidy⁴.

The order may provide that if an authority has not, within such period as may be specified in the order, complied with the conditions so specified as to claims, records, certificate, audit or otherwise, the Secretary of State may estimate the amount of such subsidy payable to the authority and employ for that purpose such criteria as he considers relevant⁵. Where such subsidy has been paid to an authority and it appears to the Secretary of State either that such subsidy has been overpaid, or that there has been a breach of any condition specified in such an order, he may recover from the authority the whole or such part of the payment as he may determine⁶. Without prejudice to other methods of recovery, a sum so recoverable may be recovered by withholding or reducing the subsidy⁷.

3 Social Security Administration Act 1992 s 140C(1) (ss 140C, 140F added by the Housing Act 1996 s 121, Sch 12 para 4). An order so made by the Secretary of State may be made before, during or after the end of the year or years to which it relates: Social Security Administration Act 1992 s 140C(4) (as so added). For the meaning of 'year' for these purposes see PARA 373 note 14 ante.

Any power under Pt VIII (ss 134-140G) (as amended) (see PARAS 373 et seq ante, 408 post) to make provision by order for or in relation to a year does not require the making of a new order each year: see s 140F(1) (as so added). Any order made under the power may be revoked or varied at any time, whether before, during or after the year to which it relates: s 140F(2) (as so added). In exercise of the power so conferred the Secretary of State has made the Income-related Benefits (Subsidy to Authorities) Order 1998, SI 1998/562 (amended by SI 1998/2865; SI 1999/550; SI 2000/1091; SI 2000/2340; SI 2001/2350; SI 2002/1397; SI 2002/1859; SI 2002/3116; SI 2003/3179; SI 2004/646; SI 2005/369; SI 2005/535; SI 2006/54; SI 2006/217; SI 2006/559; SI 2007/26; SI 2007/731; SI 2008/196).
